A. Owners hereby ratify and confirm the existing Restrictive Covenants previously filed and hereby impress the following restrictions upon their Lot in addition to the Restrictive Covenants already filed:

1. Keeping of Vehicles on Property. The keeping of mobile homes, with or without wheels, on the Lot is expressly prohibited. Motor boats, house boats, and similar water-borne vehicles or travel trailers may be maintained, stored, or kept on the Lot provided the same are housed completely within a structure or enclosure which has been approved architecturally by the Architectural Control Committee. All vehicles belonging to Owners, or guests of Owners, must be parked overnight in the Owners' driveway or in the above-mentioned enclosure. In no case may the vehicles of the Owners, or guests of the Owners, be parked overnight on the streets of the subdivision or within the improved yard of the Owners.

2. Yard Care. As soon as the growing season reasonably permits, the grounds around all living units shall be seeded, sodded, or otherwise planted by the Owners thereof with grass or other ground cover or plantings and maintained in a clean and attractive manner free of dust and weeds. All fences on Lots shall be maintained in good repair and in a clean and attractive manner.

B. These Restrictive Covenants shall constitute covenants running with the land, and shall be binding on all persons claiming any interest in the Lot until January 1, 2014. On that date, these covenants shall be automatically extended for successive periods of ten (10) years, unless a majority of the owners of the lots affected by the Restrictive Covenants agree to change any Restrictive Covenants.

III. AGREEMENT TO JOIN HOMEOWNERS ASSOCIATION

By signing this Agreement, Owners agree to become Members of the Association, and agree to abide by the Articles of Incorporation and Bylaws of the Association, and the terms of this Agreement.

IV. COVENANT FOR ASSESSMENT AND LIEN

A. Owners personally covenant and agree to pay to the Association such annual and special assessments as fixed and established by the Board of Directors, in accordance with the Bylaws, to be used exclusively for the purpose of

promoting the recreation, health, safety, enjoyment, and welfare of the owners of the lots in the Villages of Woodland Hills, and for the improvement and maintenance of the Common Areas.

B. The maximum annual assessment for the calendar year 1987 shall be $250.00. Beginning January 1, 1988, the annual assessment may be increased not more than ten percent (10%) above the previous year's annual assessment by majority vote of the Board of Directors. Increases in the annual assessment in excess of ten percent (10%) must be approved by fifty percent (50%) of the Members voting at a meeting called for this purpose.

C. In addition to Owners' personal obligation to pay assessments, Owners hereby grant to the Association a continuing lien upon their Lot to secure payment of all assessments on their Lot, including interest, costs, and reasonable attorney's fees. The Association may bring actions at law or equity to enforce payment of delinquent assessments and may enforce the assessment lien in the same manner provided by law with respect to a lien on real property.

D. The assessment lien shall be subordinate to any recorded mortgage or home improvement lien on the Lot. The Secretary of the Association shall be obligated to execute all documents reasonably necessary to subordinate the assessment lien to such other recorded liens.

V. PERSONAL LIABILITY OF OWNERS

In consideration of Owners' agreement to join the Association and pay assessments timely, and the grant of a continuing assessment lien, the Association agrees to take such action as may be reasonably necessary to shield Owners from any personal liability arising out of Owners' membership in the Association. Such action shall include, but not be limited to, obtaining and maintaining reasonable insurance coverage on the Common Areas.

VI. GENERAL PROVISIONS

A. Revocation and Amendment. This Agreement, and any Restrictive Covenant affecting the Lot, may be amended by the approval in writing of three-fourths majority of the Members voting at any duly called meeting of the Association.

B. Enforcement. The Association or the Owners may enforce this Agreement by proceedings at law or in equity. The prevailing party shall recover reasonable attorney's fees and related costs.

C. Severability. Invalidation of any one of the terms and provisions of this Agreement shall in no wise effect any other provisions which shall remain in full force and effect.

ARTICLE IV

MEMBERSHIP AND VOTING RIGHTS IN THE ASSOCIATION

Section 1. Membership. Every person or entity who is a record owner of a fee or undivided fee interest in any Lot which is subject by covenants of record to assessment by the Association, including contract sellers, shall be a Member of the Association. The foregoing is not intended to include persons or entities who hold an interest merely as security for the performance of obligation. Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to assessment by the Association. Ownership of such Lot shall be the sole qualification for Membership. When more than one person holds a Membership interest in any Lot, all such persons shall be Members. The vote for such Lot shall be exercised as they among themselves determine, but in no event shall more than one (1) vote be cast with respect to any Lot.

Section 2. Voting Rights. There shall be two classes of voting Membership.

A. Class A Members will be all those Members other than Southcreek, Inc. Class A Members shall be entitled to one vote for each Lot in which they hold the interest required for Membership by Section 1. When Class B Membership has been coverted to Class A Membership, all Directors of the Association shall be elected by the Class A Members.

B. The Class B Members shall be Southcreek, Inc. or its successors or assigns. Class B Members shall be entitled to four votes for each Lot owned by the Declarant or its successors or assigns, and shall be entitled to elect all Members of the Board of Directors of the Association. Class B Membership may cease and be converted to Class A Membership at the option of the Class B Member, its successors or assigns by its written notice to the Secretary of the Association, and shall cease and be converted to Class A Membership without further act or deed when the total votes outstanding in the Class A Membership equal the total votes outstanding in the Class B Membership.

C. As long as a Class B Membership exists, Associate Memberships in the Association will not be established by the Board of Directors of the Association without an affirmative vote of a majority of the Class A Members of the Association.

D. Should any builder own any lot which is the subject of these restrictions, that builder shall assign his voting rights to the developer. Said voting rights shall be voted as Class A Membership and not Class B Membership.

ARTICLE V

ADMINISTRATION AND MANAGEMENT

The administration of the Properties shall be governed by these covenants, the Articles of Incorporation, By-Laws, and published rules and regulations of the Association. As shown and reserved to Declarant in the Articles of Incorporation and By-Laws for the Association, the designation and appointment of the Board of Directors for the Association and, at Declarant's option, be exercised solely by the Declarant until the Class B Membership terminates.

ARTICLE VI

Section 1. Extent of Members' Easements. The rights and easements of enjoyment created hereby shall be subject to the following:

A. The right of the Association to limit the number of guests of Members.

B. The rights of the Declarant and of the Association, in accordance with its Articles and By-Laws, to borrow money for the purpose of improving the Green Area and with written consent of the Members entitled to vote seventy-five percent (75%) the votes of each class of Membership to mortgage said Common Areas and Green Areas as security for any such loan.

C. The right of the Association to promulgate and publish rules and regulations which each Member shall strictly comply with.

Section 2. Personal Property for Common Use. The Association may acquire and hold for the use and benefit of all Members of the Association, tangible and intangible personal property and may dispose of the same by sale or otherwise, and the beneficial interest in any such property shall be owned by the Members of the Association and their interest therein shall not be transferable except that the interest of a Member who is an Owner shall be deemed to be transferred upon the transfer of the Member's Lot. A transfer of a Lot shall transfer to the transferee ownership of the transferor's beneficial interest in such personal property without any reference thereto or execution of a bill of sale. Each Owner may use such personal property in accordance with the purpose for which it is intended, without hindering or encroaching upon the lawful rights of the the other Owners. Sale of a Lot under foreclosure shall thereby entitle the purchase thereof to the beneficial interest in the personal property associated with the Lot.

ARTICLE VII

COVENANT FOR MAINTENANCE ASSESSMENT

Section 1. Creation of the Lien and Personal Obligation of Assessment. Declarant for each Lot owned by it within the Properties hereby covenants, and each Owner of any Lot by acceptance of the deed therefor, whether or not it shall be so expressed in acceptance of the deed therefor, shall be deemed to covenant and agree to pay to the Association annual assessments and special assessments for capital improvements. Such assessments shall be fixed, established and collected from time to time as hereinafter provided. The annual and special assessments, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall be a continuing lien upon the property against which each such assessment is made from the date hereinafter set forth. Each such assessment, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall also be a personal obligation of the person who is the Owner of such property at the time when the assessment fell due. Such personal obligation shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, enjoyment and welfare of the residents in the Properties and in particular for the improvements and maintenance of property, services and facilities devoted to the purpose and related to the use and enjoyment of homes situated upon the Properties and any other purpose reasonable, necessary or incidental to such purposes.

Section 3. Basis of Annual Assessment. Unless changed by vote of the Membership, as hereinafter provided, the maximum annual assessment for any Lot owned by Class A Members on which is located in a single family detached dwelling shall be $250.00 per year. The assessment for Lots owned by Class A Members shall be at such assessment ratio as shall be determined by the Board of Directors for that particular development within six (6) months after its annexation to the Properties, having in mind the additional amenities furnished to the particular Lot not otherwise available to the Members. Such assessment ratio shall not thereafter be changed by the Board of Directors without approval of sixty-six percent (66%) of the Members.

The assessments shall be based upon the cash requirements deemed to be such aggregate sums as the Board of Directors of the Association shall from time to time determine is necessary to provide for the payment of all estimated expenses growing out of or connected with the maintenance and operation of the Green Area, which sum may include, but not limited to, any special assessments on the Common or Green Areas, insurance premiums for vandalism and malicious mischief, with endorsements attached, issued in the amount of the maximum replacement value of all of the Common Area improvements; casualty and public liability and other insurance premiums; landscaping and care of grounds; streets, lighting, repairs and renovations of Common Areas and Green Areas, wages, charges for water used by the Association, grounds maintenance, any expenses of providing security and protection for the Owners, legal and accounting fees, management fees,

expenses and liabilities incurred by the Board of Directors under or by reason of this Declaration, the payment of any deficit remaining for a previous period, the creation of a reasonable contingency or other reserve or surplus funds as well as any and all other costs and expenses necessary to carry out the terms and intent of this Declaration. The Association shall maintain an adequate reserve fund out of the annual assessments rather than by period assessment for the maintenance, repair and replacement of those elements of the Common Area and Green Areas that must be replaced on a periodic basis. The Board of Directors of the Association may after consideration of the current maintenance costs and the financial requirements of the Association fix the annual actual assessment at an amount less than the maximum. Such reserve fund shall not be used to construct or establish new capital improvements without an affirmative vote of one-half of each class of Members.

Any agreement for management of the Associations's business or any other contract for services by the Declarant must provide for termination by either party without cause or payment of a termination fee on thirty (30) days or less written notice and a maximum contract term of three (3) years.

The maximum annual assessment may be changed as follows:

A. From and after January 1, 1988, the maximum annual assessment may be increased each year not more than ten percent (10%) above the maximum assessment for the previous year without a vote of the Membership.

B. From and after January 1, 1988, the maximum annual assessment may be increased above ten percent (10%) by a vote of one-half (1/2) of each class of Members who are voting in person or by proxy, at a meeting duly called for this purpose.

C. The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. Upon vote of the Members of the Association in the manner hereinafter set forth, the Association may levy in addition to annual assessments a special assessment in any calendar year applicable to that year only, for the purpose of defraying in whole or in part the costs of construction or reconstruction or expected repair or replacement of a described capital improvement upon the Common Area or Green Area, including necessary fixtures and personal property related thereto, provided that, any such assessment shall have the assent of sixty percent (60%) of the votes of each class of Members who are voting in person, or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting setting forth the purpose of the meeting. The assessment ratio for any Lot, as determined pursuant to Section 3, shall be applicable to special assessment.

Section 5. Voting and Notices for Special Assessment and Change of Maximum Assessment. Written notice of any meeting of Members called to change the maximum annual assessment or to levy a special assessment shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the date of such meeting, setting forth the purpose of the meeting.

Section 6. Quorum for Action Authorized Under Section 4 and 5. The quorum required for any action authorized in Section 4 and 5 of this Article VI shall be as follows:

At the first meeting called, as provided in Section 4 and 5 hereof, the presence at the meeting of Members, or of proxies entitled to cast sixty percent (60%) of all votes of each class of Membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in Sections 4 and 5 and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessment. The initial annual assessments shall commence on the first day of such month as

determined by the Board of Directors of the Association, shall be made for the balance of the calendar year, and shall be due and payable on the date fixed by the Board. Annual assessments for any year after the first year shall become due and payable on or before February 1 of such year, and at the Board's discretion may be collected on a monthly basis.

The amount of the initial annual assessment for the first year in which assessments are made or for any property which becomes subject to assessments for the first time shall be prorated on a calendar year basis according to the date on which property first became subject to assessment.

The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

Section 8. Duty of the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

Section 9. The Effect of Non-payment of Assessments; Lien of Association. If an assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $20.00 and the assessment shall bear interest at the rate of ten percent (10%) per annum for such due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such Lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Common and Green Areas, specifying and itemizing the maintenance and repair expenses of the Common Areas and Green Areas and any other expenses incurred. Such records and the vouchers authorizing the

payments shall be available on request for examination by the Owners and others with an interest such as encumbrancers or prospective lenders.

Section 12. Protection of Mortgagees. First mortgagees of Lots may pay taxes or other charges or assessments which are in default and which may become a lien against the Common or Green Areas and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Common and Green Areas and the first mortgagees making such payments shall be owed immediately reimbursement therefore from the Association.

IN WITNESS WHEREOF, the undersigned being the Declarant herein has hereunto set its hand and seal as of the day and year first hereinabove set forth.

KNOW ALL MEN BY THESE PRESENTS:

I. DEFINITIONS

A. "Association" shall mean the Woodland Hills Homeowners Association, Inc., a Texas non-profit corporation, incorporated on July 1, 1986.

B. "Board of Directors" shall mean the Board of Directors of the Association.

C. "Bylaws" shall mean the Bylaws of the Association.

D. "Common Areas" shall mean the areas designated for recreational use for the common enjoyment of all the residents in the Villages of Woodland Hills.

E. "Lot" shall mean Lot 101R, Block 6, in Woodland Hills, Second Filing, an Addition to the City of Colleyville, Tarrant County, Texas.

F. "Members" shall mean members of the Association.

II. ADDITIONAL RESTRICTIONS

A. Owners hereby ratify and confirm the existing Restrictive Covenants previously filed and hereby impress the following restrictions upon their Lot in addition to the Restrictive Covenants already filed:

1. Keeping of Vehicles on Property. The keeping of mobile homes, with or without wheels, on the Lot is expressly prohibited. Motor boats, house boats, and similar water-borne vehicles or travel trailers may be maintained, stored, or kept on the Lot provided the same are housed completely within a structure or enclosure which has been approved architecturally by the Architectural Control Committee. All vehicles belonging to Owners, or guests of Owners, must be parked overnight in the Owners' driveway or in the above-mentioned enclosure. In no case may the vehicles of the Owners, or guests of the Owners, be parked overnight on the streets of the subdivision or within the improved yard of the Owners.

2. Yard Care. As soon as the growing season reasonably permits, the grounds around all living units shall be seeded, sodded, or otherwise planted by the Owners thereof with grass or other ground cover or plantings and maintained in a clean and attractive manner free of dust and weeds. All fences on Lots shall be maintained in good repair and in a clean and attractive manner.

B. These Restrictive Covenants shall constitute covenants running with the land, and shall be binding on all persons claiming any interest in the Lot until January 1, 2014. On that date, these covenants shall be automatically extended for successive periods of ten (10) years, unless a majority of the owners of the lots affected by the Restrictive Covenants agree to change any Restrictive Covenants.

III. AGREEMENT TO JOIN HOMEOWNERS ASSOCIATION

By signing this Agreement, Owners agree to become Members of the Association, and agree to abide by the Articles of Incorporation and Bylaws of the Association, and the terms of this Agreement.

IV. COVENANT FOR ASSESSMENT AND LIEN

A. Owners personally covenant and agree to pay to the Association such annual and special assessments as fixed and established by the Board of Directors, in accordance with the Bylaws, to be used exclusively for the purpose of

promoting the recreation, health, safety, enjoyment, and welfare of the owners of the lots in the Villages of Woodland Hills, and for the improvement and maintenance of the Common Areas.

B. The maximum annual assessment for the calendar year 1987 shall be $250.00. Increases in the annual assessment in excess of ten percent (10%) must be approved by fifty percent (50%) of the Members voting at a meeting called for this purpose.

C. In addition to Owners' personal obligation to pay assessments, Owners hereby grant to the Association a continuing lien upon their Lot to secure payment of all assessments on their Lot, including interest, costs, and reasonable attorney's fees. The Association may bring actions at law or equity to enforce payment of delinquent assessments and may enforce the assessment lien in the same manner provided by law with respect to a lien on real property.

D. The assessment lien shall be subordinate to any recorded mortgage or home improvement lien on the Lot. The Secretary of the Association shall be obligated to execute all documents reasonably necessary to subordinate the assessment lien to such other recorded liens.

V. PERSONAL LIABILITY OF OWNERS

In consideration of Owners' agreement to join the Association and pay assessments timely, and the grant of a continuing assessment lien, the Association agrees to take such action as may be reasonably necessary to shield Owners from any personal liability arising out of Owners' membership in the Association. VI. GENERAL PROVISIONS

A. Revocation and Amendment. This Agreement, and any Restrictive Covenant affecting the Lot, may be amended by the approval in writing of three-fourths majority of the Members voting at any duly called meeting of the Association.

B. Enforcement. The Association or the Owners may enforce this Agreement by proceedings at law or in equity. The prevailing party shall recover reasonable attorney's fees and related costs.

C. Severability. Invalidation of any one of the terms and provisions of this Agreement shall in no wise effect any other provisions which shall remain in full force and effect.

All fences on Lots shall be maintained in good repair and in a clean and attractive manner.

ARTICLE IV

MEMBERSHIP AND VOTING RIGHTS IN THE ASSOCIATION

11 8659 1057

Section 1. Membership. Every person or entity who is a record owner of a fee or undivided fee interest in any Lot which is subject by covenants of record to assessment by the Association, including contract sellers, shall be a Member of the Association. The foregoing is not intended to include persons or entities who hold an interest merely as security for the performance of obligation. Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to assessment by the Association. Ownership of such Lot shall be the sole qualification for Membership. When more than one person holds a Membership interest in any Lot, all such persons shall be Members. The vote for such Lot shall be exercised as they among themselves determine, but in no event shall more than one (1) vote be cast with respect to any Lot.

Section 2. Voting Rights. There shall be two classes of voting Membership.

A. Class A Members will be all those Members other than Southcreek, Inc. Class A Members shall be entitled to one vote for each Lot in which they hold the interest required for Membership by Section 1. When Class B Membership has been converted to Class A Membership, all Directors of the Association shall be elected by the Class A Members.

B. The Class B Members shall be Southcreek, Inc. or its successors or assigns. Class B Members shall be entitled to four votes for each Lot owned by the Declarant or its successors or assigns, and shall be entitled to elect all Members of the Board of Directors of the Association. Class B Membership may cease and be converted to Class A Membership at the option of the Class B Member, its successors or assigns by its written notice to the Secretary of the Association, and shall cease and be converted to Class A Membership without further act or deed when the total votes outstanding in the Class A Membership equal the total votes outstanding in the Class B Membership.

C. As long as a Class B Membership exists, Associate Memberships in the Association will not be established by the Board of Directors of the Association without an affirmative vote of a majority of the Class A Members of the Association.

D. Should any builder own any lot which is the subject of these restrictions, that builder shall assign his voting rights to the developer. Said voting rights shall be voted as Class A Membership and not Class B Membership.

ARTICLE V

ADMINISTRATION AND MANAGEMENT

The administration of the Properties shall be governed by these covenants, the Articles of Incorporation, By-Laws, and published rules and regulations of the Association. As shown and reserved to Declarant in the Articles of Incorporation and By-Laws for the Association, the designation and appointment of the Board of Directors for the Association may, at Declarant's option, be exercised solely by the Declarant until the Class B Membership terminates.

ARTICLE VI

PROPERTY RIGHTS IN THE COMMON PROPERTIES

Section 1. Extent of Members' Easements. The rights and easements of enjoyment created hereby shall be subject to the following:

A. The right of the Association to limit the number of guests of Members.

B. The rights of the Declarant and of the Association, in accordance with its Articles and By-Laws, to borrow money for the purpose of improving the Green Area and with written consent of the Members entitled to vote seventy-five percent (75%) the votes of each class of Membership to mortgage said Common Areas and Green Areas as security for any such loan.

H 865961058

C. The right of the Association to promulgate and publish rules and regulations which each Member shall strictly comply with.

Section 2. Personal Property for Common Use. The Association may acquire and hold for the use and benefit of all Members of the Association, tangible and intangible personal property and may dispose of the same by sale or otherwise, and the beneficial interest in any such property shall be owned by the Members of the Association and their interest therein shall not be transferable except that the interest of a Member who is an Owner shall be deemed to be transferred upon the transfer of the Member's Lot. A transfer of a Lot shall transfer to the transferee ownership of the transferor's beneficial interest in such personal property without any reference thereto or execution of a bill of sale. Each Owner may use such personal property in accordance with the purpose for which it is intended, without hindering or encroaching upon the lawful rights of the the other Owners. Sale of a Lot under foreclosure shall thereby entitle the purchase thereof to the beneficial interest in the personal property associated with the Lot.

ARTICLE VII

COVENANT FOR MAINTENANCE ASSESSMENT

Section 1. Creation of the Lien and Personal Obligation of Assessment. Declarant for each Lot owned by it within the Properties hereby covenants, and each Owner of any Lot by acceptance of the deed therefor, whether or not it shall be so expressed in acceptance of the deed therefor, shall be deemed to covenant and agree to pay to the Association annual assessments and special assessments for capital improvements. Such assessments shall be fixed, established and collected from time to time as hereinafter provided. The annual and special assessments, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall be a continuing lien upon the property against which each such assessment is made from the date hereinafter set forth. Each such assessment, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall also be a personal obligation of the person who is the Owner of such property at the time when the assessment fell due. Such personal obligation shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, enjoyment and welfare of the residents in the Properties and in particular for the improvements and maintenance of property, services and facilities devoted to the purpose and related to the use and enjoyment of homes situated upon the Properties and any other purpose reasonable, necessary or incidental to such purposes.

Section 3. Basis of Annual Assessment. Unless changed by vote of the Membership, as hereinafter provided, the maximum annual assessment for any Lot owned by Class A Members on which is located in a single family detached dwelling shall be $250.00 per year. The assessment for Lots owned by Class A Members shall be at such assessment ratio as shall be determined by the Board of Directors for that particular development within six (6) months after its annexation to the Properties, having in mind the additional amenities furnished to the particular Lot not otherwise available to the Members. Such assessment ratio shall not thereafter be changed by the Board of Directors without approval of sixty-six percent (66%) of the Members.

The assessments shall be based upon the cash requirements deemed to be such aggregate sums as the Board of Directors of the Association shall from time to time determine is necessary to provide for the payment of all estimated expenses growing out of or connected with the maintenance and operation of the Green Area, which sum may include, but not limited to, any special assessments on the Common or Green Areas, insurance premiums for vandalism and malicious mischief, with endorsements attached, issued in the amount of the maximum replacement value of all of the Common Area improvements; casualty and public liability and other insurance premiums; landscaping and care of grounds; streets, lighting, repairs and renovations of Common Areas and Green Areas, wages, charges for water used by the Association, grounds maintenance, any expenses of providing security and protection for the Owners, legal and accounting fees, management fees,

N 8659E1059

expenses and liabilities incurred by the Board of Directors under or by reason of this Declaration, the payment of any deficit remaining for a previous period, the creation of a reasonable contingency or other reserve or surplus funds as well as any and all other costs and expenses necessary to carry out the terms and intent of this Declaration. The Association shall maintain an adequate reserve fund out of the annual assessments rather than by period assessment for the maintenance, repair and replacement of those elements of the Common Area and Green Areas that must be replaced on a periodic basis. The Board of Directors of the Association may after consideration of the current maintenance costs and the financial requirements of the Association fix the annual actual assessment at an amount less than the maximum. Such reserve fund shall not be used to construct or establish new capital improvements without an affirmative vote of one-half of each class of Members.

Any agreement for management of the Associations's business or any other contract for services by the Declarant must provide for termination by either party without cause or payment of a termination fee on thirty (30) days or less written notice and a maximum contract term of three (3) years.

The maximum annual assessment may be changed as follows:

A. From and after January 1, 1988, the maximum annual assessment may be increased each year not more than ten percent (10%) above the maximum assessment for the previous year without a vote of the Membership.

B. From and after January 1, 1988, the maximum annual assessment may be increased above ten percent (10%) by a vote of one-half (1/2) of each class of Members who are voting in person or by proxy, at a meeting duly called for this purpose.

C. The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. Upon vote of the Members of the Association in the manner hereinafter set forth, the Association may levy in addition to annual assessments a special assessment in any calendar year applicable to that year only, for the purpose of defraying in whole or in part the costs of construction or reconstruction or expected repair or replacement of a described capital improvement upon the Common Area or Green Area, including necessary fixtures and personal property related thereto, provided that, any such assessment shall have the assent of sixty percent (60%) of the votes of each class of Members who are voting in person, or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than thirty (30) days nor more that sixty (60) days in advance of the meeting setting forth the purpose of the meeting. The assessment ratio for any lot, as determined pursuant to Section 3, shall be applicable to special assessment.

Section 5. Voting and Notices for Special Assessment and Change of Maximum Assessment. Written notice of any meeting of Members called to change the maximum annual assessment or to levy a special assessment shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the date of such meeting, setting forth the purpose of the meeting.

Section 6. Quorum for Action Authorized Under Section 4 and 5. The quorum required for any action authorized in Section 4 and 5 of this Article VI shall be as follows:

At the first meeting called, as provided in Section 4 and 5 hereof, the presence at the meeting of Members, or of proxies entitled to cast sixty percent (60%) of all votes of each class of Membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in Sections 4 and 5 and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessment. The initial annual assessments shall commence on the first day of such month as

N 8959 1060

determined by the Board of Directors of the Association, shall be made for the balance of the calendar year, and shall be due and payable on the date fixed by the Board. Annual assessments for any year after the first year shall become due and payable on or before February 1 of such year, and at the Board's discretion may be collected on a monthly basis.

The amount of the initial annual assessment for the first year in which assessments are made or for any property which becomes subject to assessments for the first time shall be prorated on a calendar year basis according to the date on which property first became subject to assessment.

The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

Section 8. Duty of the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

Section 9. The Effect of Non-payment of Assessments; Lien of Association. If an assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $20.00 and the assessment shall bear interest at the rate of ten percent (10%) per annum for such due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgatge or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such Lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Common and Green Areas, specifying and itemizing the maintenance and repair expenses of the Common Areas and Green Areas and any other expenses incurred. Such records and the vouchers authorizing the

W 8659R1061

payments shall be available on request for examination by the Owners and others with an interest such as encumbrancers or prospective lenders.

Section 12. Protection of Mortgagees. First mortgagees of Lots may pay taxes or other charges or assessments which are in default and which may become a lien against the Common or Green Areas and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Common and Green Areas and the first mortgagees making such payments shall be owed immediately reimbursement therefore from the Association.

IN WITNESS WHEREOF, the undersigned being the Declarant herein has hereunto set its hand and seal as of the day and year first hereinabove set forth.

The foregoing is not intended to include persons or entities who hold an interest merely as security for the performance of obligation. Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to assessment by the Association. Ownership of such Lot shall be the sole qualification for Membership. When more than one person holds a Membership interest in any Lot, all such persons shall be Members. The vote for such Lot shall be exercised as they among themselves determine, but in no event shall more than one (1) vote be cast with respect to any Lot.

Section 2. Voting Rights. There shall be two classes of voting Membership.

A. Class A Members will be all those Members other than Southcreek, Inc. When Class B Membership has been converted to Class A Membership, all Directors of the Association shall be elected by the Class A Members.

B. The Class B Members shall be Southcreek, Inc. or its successors or assigns. Class B Members shall be entitled to four votes for each Lot owned by the Declarant or its successors or assigns, and shall be entitled to elect all Members of the Board of Directors of the Association. Class B Membership may cease and be converted to Class A Membership at the option of the Class B Member, its successors or assigns by its written notice to the Secretary of the Association, and shall cease and be converted to Class A Membership without further act or deed when the total votes outstanding in the Class A Membership equal the total votes outstanding in the Class B Membership.

C. As long as a Class B Membership exists, Associate Memberships in the Association will not be established by the Board of Directors of the Association without an affirmative vote of a majority of the Class A Members of the Association.

D. Should any builder own any lot which is the subject of these restrictions, that builder shall assign his voting rights to the developer. Said voting rights shall be voted as Class A Membership and not Class B Membership.

ARTICLE V

ADMINISTRATION AND MANAGEMENT

The administration of the Properties shall be governed by these covenants, the Articles of Incorporation, By-Laws, and published rules and regulations of the Association. A transfer of a Lot shall transfer to the transferee ownership of the transferor's beneficial interest in such personal property without any reference thereto or execution of a bill of sale. Each Owner may use such personal property in accordance with the purpose for which it is intended, without hindering or encroaching upon the lawful rights of the the other Owners. ARTICLE VII

COVENANT FOR MAINTENANCE ASSESSMENT

Section 1. Creation of the Lien and Personal Obligation of Assessment. Declarant for each Lot owned by it within the Properties hereby covenants, and each Owner of any Lot by acceptance of the deed therefor, whether or not it shall be so expressed in acceptance of the deed therefor, shall be deemed to covenant and agree to pay to the Association annual assessments and special assessments for capital improvements. Such assessments shall be fixed, established and collected from time to time as hereinafter provided. The annual and special assessments, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall be a continuing lien upon the property against which each such assessment is made from the date hereinafter set forth. Each such assessment, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall also be a personal obligation of the person who is the Owner of such property at the time when the assessment fell due. Such personal obligation shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, enjoyment and welfare of the residents in the Properties and in particular for the improvements and maintenance of property, services and facilities devoted to the purpose and related to the use and enjoyment of homes situated upon the Properties and any other purpose reasonable, necessary or incidental to such purposes.

Section 3. Basis of Annual Assessment. Unless changed by vote of the Membership, as hereinafter provided, the maximum annual assessment for any Lot owned by Class A Members on which is located in a single family detached dwelling shall be $250.00 per year. The assessment for Lots owned by Class A Members shall be at such assessment ratio as shall be determined by the Board of Directors for that particular development within six (6) months after its annexation to the Properties, having in mind the additional amenities furnished to the particular Lot not otherwise available to the Members. Such assessment ratio shall not thereafter be changed by the Board of Directors without approval of sixty-six percent (66%) of the Members.

The assessments shall be based upon the cash requirements deemed to be such aggregate sums as the Board of Directors of the Association shall from time to time determine is necessary to provide for the payment of all estimated expenses growing out of or connected with the maintenance and operation of the Green Area, which sum may include, but not limited to, any special assessments on the Common or Green Areas, insurance premiums for vandalism and malicious mischief, with endorsements attached, issued in the amount of the maximum replacement value of all of the Common Area improvements; casualty and public liability and other insurance premiums; landscaping and care of grounds; streets, lighting, repairs and renovations of Common Areas and Green Areas, wages, charges for water used by the Association, grounds maintenance, any expenses of providing security and protection for the Owners, legal and accounting fees, management fees,

The Association shall maintain an adequate reserve fund out of the annual assessments rather than by period assessment for the maintenance, repair and replacement of those elements of the Common Area and Green Areas that must be replaced on a periodic basis. The Board of Directors of the Association may after consideration of the current maintenance costs and the financial requirements of the Association fix the annual actual assessment at an amount less than the maximum. Such reserve fund shall not be used to construct or establish new capital improvements without an affirmative vote of one-half of each class of Members.

Any agreement for management of the Associations's business or any other contract for services by the Declarant must provide for termination by either party without cause or payment of a termination fee on thirty (30) days or less written notice and a maximum contract term of three (3) years.

The maximum annual assessment may be changed as follows:

A. From and after January 1, 1988, the maximum annual assessment may be increased each year not more than ten percent (10%) above the maximum assessment for the previous year without a vote of the Membership.

B. From and after January 1, 1988, the maximum annual assessment may be increased above ten percent (10%) by a vote of one-half (1/2) of each class of Members who are voting in person or by proxy, at a meeting duly called for this purpose.

C. The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. Upon vote of the Members of the Association in the manner hereinafter set forth, the Association may levy in addition to annual assessments a special assessment in any calendar year applicable to that year only, for the purpose of defraying in whole or in part the costs of construction or reconstruction or expected repair or replacement of a described capital improvement upon the Common Area or Green Area, including necessary fixtures and personal property related thereto, provided that, any such assessment shall have the assent of sixty percent (60%) of the votes of each class of Members who are voting in person, or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than thirty (30) days nor more that sixty (60) days in advance of the meeting setting forth the purpose of the meeting. The assessment ratio for any Lot, as determined pursuant to Section 3, shall be applicable to special assessment.

Section 5. Voting and Notices for Special Assessment and Change of Maximum Assessment. Written notice of any meeting of Members called to change the maximum annual assessment or to levy a special assessment shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the date of such meeting, setting forth the purpose of the meeting.

Section 6. Quorum for Action Authorized Under Section 4 and 5. The quorum required for any action authorized in Section 4 and 5 of this Article VI shall be as follows:

At the first meeting called, as provided in Section 4 and 5 hereof, the presence at the meeting of Members, or of proxies entitled to cast sixty percent (60%) of all votes of each class of Membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in Sections 4 and 5 and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

N 8659 1044

determined by the Board of Directors of the Association, shall be made for the balance of the calendar year, and shall be due and payable on the date fixed by the Board. Annual assessments for any year after the first year shall become due and payable on or before February 1 of such year, and at the Board's discretion may be collected on a monthly basis.

The amount of the initial annual assessment for the first year in which assessments are made or for any property which becomes subject to assessments for the first time shall be prorated on a calendar year basis according to the date on which property first became subject to assessment.

The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

Section 8. Duty of the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

Section 9. The Effect of Non-payment of Assessments; Lien of Association. If an assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $10.00 and the assessment shall bear interest at the rate of ten percent (10%) per annum for such due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such Lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Common and Green Areas, specifying and itemizing the maintenance and repair expenses of the Common Areas and Green Areas and any other expenses incurred. Such records and the vouchers authorizing the

H 8659/1045

payments shall be available on request for examination by the Owners and others with an interest such as encumbrancers or prospective lenders.

Section 12. Protection of Mortgagees. First mortgagees of Lots may pay taxes or other charges or assessments which are in default and which may become a lien against the Common or Green Areas and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Common and Green Areas and the first mortgagees making such payments shall be owed immediately reimbursement therefore from the Association.

Section 6. Quorum for Action Authorized Under Section 4 and 5. The quorum required for any action authorized in Section 4 and 5 of this Article VI shall be as follows:

At the first meeting called, as provided in Section 4 and 5 hereof, the presence at the meeting of Members, or of proxies entitled to cast sixty percent (60%) of all votes of each class of Membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in Sections 4 and 5 and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessment. The initial annual assessments shall commence on the first day of such month as

determined by the Board of Directors of the Association, shall be made for the balance of the calendar year, and shall be due and payable on the date fixed by the Board. Annual assessments for any year after the first year shall become due and payable on or before February 1 of such year, and at the Board's discretion may be collected on a monthly basis.

The amount of the initial annual assessment for the first year in which assessments are made or for any property which becomes subject to assessments for the first time shall be prorated on a calendar year basis according to the date on which property first became subject to assessment.

The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

Section 8. Duty of the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

Section 9. The Effect of Non-payment of Assessments: Lien of Association. If an assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $20.00 and the assessment shall bear interest at the rate of ten percent (10%) per annum for such due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such Lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Common and Green Areas, specifying and itemizing the maintenance and repair expenses of the Common Areas and Green Areas and any other expenses incurred. Such records and the vouchers authorizing the

payments shall be available on request for examination by the Owners and others with an interest such as encumbrancers or prospective lenders.

Section 12. Protection of Mortgagees. First mortgagees of Lots may pay taxes or other charges or assessments which are in default and which may become a lien against the Common or Green Areas and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Common and Green Areas and the first mortgagees making such payments shall be owed immediately reimbursement therefore from the Association.

Each Owner may use such personal property in accordance with the purpose for which it is intended, without hindering or encroaching upon the lawful rights of the the other Owners. Sale of a Lot under foreclosure shall thereby entitle the purchase thereof to the beneficial interest in the personal property associated with the Lot.

ARTICLE VII

COVENANT FOR MAINTENANCE ASSESSMENT

Section 1. Creation of the Lien and Personal Obligation of Assessment. Declarant for each Lot owned by it within the Properties hereby covenants, and each Owner of any Lot by acceptance of the deed therefor, whether or not it shall be so expressed in acceptance of the deed therefor, shall be deemed to covenant and agree to pay to the Association annual assessments and special assessments for capital improvements. Such assessments shall be fixed, established and collected from time to time as hereinafter provided. The annual and special assessments, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall be a continuing lien upon the property against which each such assessment is made from the date hereinafter set forth. Each such assessment, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall also be a personal obligation of the person who is the Owner of such property at the time when the assessment fell due. Such personal obligation shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, enjoyment and welfare of the residents in the Properties and in particular for the improvements and maintenance of property, services and facilities devoted to the purpose and related to the use and enjoyment of homes situated upon the Properties and any other purpose reasonable, necessary or incidental to such purposes.

Section 3. Basis of Annual Assessment. Unless changed by vote of the Membership, as hereinafter provided, the maximum annual assessment for any Lot owned by Class A Members on which is located in a single family detached dwelling shall be $250.00 per year. The assessment for Lots owned by Class A Members shall be at such assessment ratio as shall be determined by the Board of Directors for that particular development within six (6) months after its annexation to the Properties, having in mind the additional amenities furnished to the particular Lot not otherwise available to the Members. Such assessment ratio shall not thereafter be changed by the Board of Directors without approval of sixty-six percent (66%) of the Members.

The assessments shall be based upon the cash requirements deemed to be such aggregate sums as the Board of Directors of the Association shall from time to time determine is necessary to provide for the payment of all estimated expenses growing out of or connected with the maintenance and operation of the Green Area, which sum may include, but not limited to, any special assessments on the Common or Green Areas, insurance premiums for vandalism and malicious mischief, with endorsements attached, issued in the amount of the maximum replacement value of all of the Common Area improvements; casualty and public liability and other insurance premiums; landscaping and care of grounds; streets, lighting, repairs and renovations of Common Areas and Green Areas, wages, charges for water used by the Association, grounds maintenance, any expenses of providing security and protection for the Owners, legal and accounting fees, management fees,

expenses and liabilities incurred by the Board of Directors under or by reason of this Declaration, the payment of any deficit remaining for a previous period, the creation of a reasonable contingency or other reserve or surplus funds as well as any and all other costs and expenses necessary to carry out the terms and intent of this Declaration. The Association shall maintain an adequate reserve fund out of the annual assessments rather than by period assessment for the maintenance, repair and replacement of those elements of the Common Area and Green Areas that must be replaced on a periodic basis. The Board of Directors of the Association may after consideration of the current maintenance costs and the financial requirements of the Association fix the annual actual assessment at an amount less than the maximum. Such reserve fund shall not be used to construct or establish new capital improvements without an affirmative vote of one-half of each class of Members.

Any agreement for management of the Associations's business or any other contract for services by the Declarant must provide for termination by either party without cause or payment of a termination fee on thirty (30) days or less written notice and a maximum contract term of three (3) years.

The maximum annual assessment may be changed as follows:

A. From and after January 1, 1988, the maximum annual assessment may be increased each year not more than ten percent (10%) above the maximum assessment for the previous year without a vote of the Membership.

B. From and after January 1, 1988, the maximum annual assessment may be increased above ten percent (10%) by a vote of one-half (1/2) of each class of Members who are voting in person or by proxy, at a meeting duly called for this purpose.

C. The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. Upon vote of the Members of the Association in the manner hereinafter set forth, the Association may levy in addition to annual assessments a special assessment in any calendar year applicable to that year only, for the purpose of defraying in whole or in part the costs of construction or reconstruction or expected repair or replacement of a described capital improvement upon the Common Area or Green Area, including necessary fixtures and personal property related thereto, provided that, any such assessment shall have the assent of sixty percent (60%) of the votes of each class of Members who are voting in person, or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than thirty (30) days nor more that sixty (60) days in advance of the meeting setting forth the purpose of the meeting. The assessment ratio for any Lot, as determined pursuant to Section 3, shall be applicable to special assessment.

Section 5. Voting and Notices for Special Assessment and Change of Maximum Assessment. Written notice of any meeting of Members called to change the maximum annual assessment or to levy a special assessment shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the date of such meeting, setting forth the purpose of the meeting.

Section 6. Quorum for Action Authorized Under Section 4 and 5. The quorum required for any action authorized in Section 4 and 5 of this Article VI shall be as follows:

At the first meeting called, as provided in Section 4 and 5 hereof, the presence at the meeting of Members, or of proxies entitled to cast sixty percent (60%) of all votes of each class of Membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in Sections 4 and 5 and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessment. The initial annual assessments shall commence on the first day of such month as

determined by the Board of Directors of the Association, shall be made for the balance of the calendar year, and shall be due and payable on the date fixed by the Board. Annual assessments for any year after the first year shall become due and payable on or before February 1 of such year, and at the Board's discretion may be collected on a monthly basis.

The amount of the initial annual assessment for the first year in which assessments are made or for any property which becomes subject to assessments for the first time shall be prorated on a calendar year basis according to the date on which property first became subject to assessment.

The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

Section 8. Duty of the Board of Directors. The board of Directors shall fix the amount of the annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

Section 9. The Effect of Non-payment of Assessments; Lien of Association. If an assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $20.00 and the assessment shall bear interest at the rate of ten percent (10%) per annum for such due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such Lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Common and Green Areas, specifying and itemizing the maintenance and repair expenses of the Common Areas and Green Areas and any other expenses incurred. Such records and the vouchers authorizing the

payments shall be available on request for examination by the Owners and others with an interest such as encumbrancers or prospective lenders.

Section 12. Protection of Mortgagees. First mortgagees of Lots may pay taxes or other charges or assessments which are in default and which may become a lien against the Common or Green Areas and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Common and Green Areas and the first mortgagees making such payments shall be owed immediately reimbursement therefore from the Association.

IN WITNESS WHEREOF, the undersigned being the Declarant herein has hereunto set its hand and seal as of the day and year first hereinabove set forth.

COVENANT FOR MAINTENANCE ASSESSMENT

Section 1. Creation of the Lien and Personal Obligation of Assessment. Declarant for each Lot owned by it within the Properties hereby covenants, and each Owner of any Lot by acceptance of the deed therefor, whether or not it shall be so expressed in acceptance of the deed therefor, shall be deemed to covenant and agree to pay to the Association annual assessments and special assessments for capital improvements. Such assessments shall be fixed, established and collected from time to time as hereinafter provided. The annual and special assessments, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall be a continuing lien upon the property against which each such assessment is made from the date hereinafter set forth. Each such assessment, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall also be a personal obligation of the person who is the Owner of such property at the time when the assessment fell due. Such personal obligation shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, enjoyment and welfare of the residents in the Properties and in particular for the improvements and maintenance of property, services and facilities devoted to the purpose and related to the use and enjoyment of homes situated upon the Properties and any other purpose reasonable, necessary or incidental to such purposes.

Section 3. Basis of Annual Assessment. Unless changed by vote of the Membership, as hereinafter provided, the maximum annual assessment for any Lot owned by Class A Members on which is located in a single family detached dwelling shall be $250.00 per year. The assessment for Lots owned by Class A Members shall be at such assessment ratio as shall be determined by the Board of Directors for that particular development within six (6) months after its annexation to the Properties, having in mind the additional amenities furnished to the particular Lot not otherwise available to the Members. Such assessment ratio shall not thereafter be changed by the Board of Directors without approval of sixty-six percent (66%) of the Members.

The assessments shall be based upon the cash requirements deemed to be such aggregate sums as the Board of Directors of the Association shall from time to time determine is necessary to provide for the payment of all estimated expenses growing out of or connected with the maintenance and operation of the Green Area, which sum may include, but not limited to, any special assessments on the Common or Green Areas, insurance premiums for vandalism and malicious mischief, with endorsements attached, issued in the amount of the maximum replacement value of all of the Common Area improvements; casualty and public liability and other insurance premiums; landscaping and care of grounds; streets, lighting, repairs and renovations of Common Areas and Green Areas, wages, charges for water used by the Association, grounds maintenance, any expenses of providing security and protection for the Owners, legal and accounting fees, management fees,

expenses and liabilities incurred by the Board of Directors under or by reason of this Declaration, the payment of any deficit remaining for a previous period, the creation of a reasonable contingency or other reserve or surplus funds as well as any and all other costs and expenses necessary to carry out the terms and intent of this Declaration. The Association shall maintain an adequate reserve fund out of the annual assessments rather than by period assessment for the maintenance, repair and replacement of those elements of the Common Area and Green Areas that must be replaced on a periodic basis. The Board of Directors of the Association may after consideration of the current maintenance costs and the financial requirements of the Association fix the annual actual assessment at an amount less than the maximum. Such reserve fund shall not be used to construct or establish new capital improvements without an affirmative vote of one-half of each class of Members.

Any agreement for management of the Associations's business or any other contract for services by the Declarant must provide for termination by either party without cause or payment of a termination fee on thirty (30) days or less written notice and a maximum contract term of three (3) years.

The maximum annual assessment may be changed as follows:

A. From and after January 1, 1988, the maximum annual assessment may be increased each year not more than ten percent (10%) above the maximum assessment for the previous year without a vote of the Membership.

B. From and after January 1, 1988, the maximum annual assessment may be increased above ten percent (10%) by a vote of one-half (1/2) of each class of Members who are voting in person or by proxy, at a meeting duly called for this purpose.

C. The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. Upon vote of the Members of the Association in the manner hereinafter set forth, the Association may levy in addition to annual assessments a special assessment in any calendar year applicable to that year only, for the purpose of defraying in whole or in part the costs of construction or reconstruction or expected repair or replacement of a described Capital Improvement upon the Common Area or Green Area, including necessary fixtures and personal property related thereto, provided that, any such assessment shall have the assent of sixty percent (60%) of the votes of each class of Members who are voting in person, or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than thirty (30) days nor more that sixty (60) days in advance of the meeting setting forth the purpose of the meeting. The assessment ratio for any Lot, as determined pursuant to Section 3, shall be applicable to special assessment.

Section 5. Voting and Notices for Special Assessment and Change of Maximum Assessment. Written notice of any meeting of Members called to change the maximum annual assessment or to levy a special assessment shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the date of such meeting, setting forth the purpose of the meeting.

Section 6. Quorum for Action Authorized Under Section 4 and 5. The quorum required for any action authorized in Section 4 and 5 of this Article VI shall be as follows:

At the first meeting called, as provided in Section 4 and 5 hereof, the presence at the meeting of Members, or of proxies entitled to cast sixty percent (60%) of all votes of each class of Membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in Sections 4 and 5 and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessment. The initial annual assessments shall commence on the first day of such month as

determined by the Board of Directors of the Association, shall be made for the balance of the calendar year, and shall be due and payable on the date fixed by the Board. Annual assessments for any year after the first year shall become due and payable on or before February 1 of such year, and at the Board's discretion may be collected on a monthly basis.

The amount of the initial annual assessment for the first year in which assessments are made or for any property which becomes subject to assessments for the first time shall be prorated on a calendar year basis according to the date on which property first became subject to assessment.

The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

Section 8. Duty of the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

Section 9. The Effect of Non-payment of Assessments; Lien of Association. If an assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $20.00 and the assessment shall bear interest at the rate of ten percent (10%) per annum for such due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such Lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Common and Green Areas, specifying and itemizing the maintenance and repair expenses of the Common Areas and Green Areas and any other expenses incurred. Such records and the vouchers authorizing the

payments shall be available on request for examination by the Owners and others with an interest such as encumbrancers or prospective lenders.

Section 12. Protection of Mortgagees. First mortgagees of Lots may pay taxes or other charges or assessments which are in default and which may become a lien against the Common or Green Areas and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Common and Green Areas and the first mortgagees making such payments shall be owed immediately reimbursement therefore from the Association.

IN WITNESS WHEREOF, the undersigned being the Declarant herein has hereunto set its hand and seal as of the day and year first hereinabove set forth.

The assessment ratio for any Lot, as determined pursuant to Section 3, shall be applicable to special assessment.

Section 5. Voting and Notices for Special Assessment and Change of Maximum Assessment. Written notice of any meeting of Members called to change the maximum annual assessment or to levy a special assessment shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the date of such meeting, setting forth the purpose of the meeting.

Section 6. Quorum for Action Authorized Under Section 4 and 5. The quorum required for any action authorized in Section 4 and 5 of this Article VI shall be as follows:

At the first meeting called, as provided in Section 4 and 5 hereof, the presence at the meeting of Members, or of proxies entitled to cast sixty percent (60%) of all votes of each class of Membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in Sections 4 and 5 and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessment. The initial annual assessments shall commence on the first day of such month as

determined by the Board of Directors of the Association, shall be made for the balance of the calendar year, and shall be due and payable on the date fixed by the Board. Annual assessments for any year after the first year shall become due and payable on or before February 1 of each year, and at the Board's discretion may be collected on a monthly basis.

The amount of the initial annual assessment for the first year in which assessments are made or for any property which becomes subject to assessments for the first time shall be prorated on a calendar year basis according to the date on which property first became subject to assessment.

The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

Section 8. Duty of the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

Section 9. The Effect of Non-payment of Assessments; Lien of Association. If an assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $20.00 and the assessment shall bear interest at the rate of ten percent (10%) per annum for such due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such Lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Common and Green Areas, specifying and itemizing the maintenance and repair expenses of the Common Areas and Green Areas and any other expenses incurred. Such records and the vouchers authorizing the

Section 12. Protection of Mortgagees. First mortgagees of Lots may pay taxes or other charges or assessments which are in default and which may become a lien against the Common or Green Areas and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Common and Green Areas and the first mortgagees making such payments shall be owed immediately reimbursement therefore from the Association.

SUBJECTING ADDITIONAL PROPERTY TO THIS DECLARATION

Section 1. Additions to the Properties. At any time before December 31, 1988, Declarant, its successors and assigns, in future stages of development, shall have the right to annex to and bring within the scheme of this Declaration additional properties which are located within the Villages of Woodland Hills.

Section 2. Method of Making Additions. Additions authorized under this Article shall be made by filing for record a Supplemental Declaration of covenants and restrictions with respect to the additional property. Such Supplemental Declaration may contain such additions and modifications of the covenants and restrictions contained in this Declaration as may be necessary to reflect the different character of the added properties in the sole discretion of Declarant. In no event, however, shall such Supplemental Declaration revoke, modify or add to the covenants established by this Declaration with respect to the Properties subject to this Declaration just prior to such Supplemental Declaration being filed for record.

Section 3. Additions by Others. So long as Declarant is a Class B Member, additions may be made by any other owner of property who with the approval of the Board of Directors of the Association desires to add such property located within the boundaries described in Section 1 of this Article II to the scheme of this Declaration and to subject it to the jurisdiction of the Association. When Declarant ceases to be a Class B Member, such additions may be made upon approval of the Association pursuant to a vote of its Members, as provided in its Articles of Incorporation. Such approval by the Board of Directors of Membership shall be evidenced by a certified copy of such resolution of approval recorded in Tarrant County, Texas.

ARTICLE III

ADDITIONAL RESTRICTIONS

Section 1. Keeping of Vehicles on Property. The keeping of mobil homes, with or without wheels, on any lot is expressly prohibited. Motor boats, house boats and similar water borne vehicles or travel trailers may be maintained, stored or kept on any lot provided the same are housed completely within a structure or enclosure which has been approved architecturally by the Architectural Control Committee. All vehicles belonging to occupants must be parked overnight in the occupant's driveway or in the above mentioned enclosure. In no case may the occupant's vehicles be parked overnight on the streets of the subdivision or within the improved yard of the occupant.

Section 2. Yard Care. As soon as the growing season reasonably permits, the grounds around all living units shall be seeded, sodded or otherwise planted by the Owner thereof with grass or other ground cover or plantings and maintained in a clean and attractive manner free of dust and weeds. All fences on Lots shall be maintained in good repair and in a clean and attractive manner.

ARTICLE IV

MEMBERSHIP AND VOTING RIGHTS IN THE ASSOCIATION

Section 1. Membership. Every person or entity who is a record owner of a fee or undivided fee interest in any Lot which is subject by covenants of record to assessment by the Association, including contract sellers, shall be a Member of the Association. The foregoing is not intended to include persons or entities who hold an interest merely as security for the performance of obligation. Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to assessment by the Association. Ownership of such Lot shall be the sole qualification for Membership. When more than one person holds a Membership interest in any Lot, all such persons shall be Members. The vote for such Lot shall be exercised as they among themselves determine, but in no event shall more than one (1) vote be cast with respect to any Lot.

Section 2. Voting Rights. There shall be two classes of voting Membership.

A. Class A Members will be all those Members other than Southcreek, Inc. Class A Members shall be entitled to one vote for each Lot in which they hold the interest required for Membership by Section 1. When Class B Membership has been coverted to Class A Membership, all Directors of the Association shall be elected by the Class A Members.

B. The Class B Members shall be Southcreek, Inc. or its successors or assigns. Class B Members shall be entitled to four votes for each Lot owned by the Declarant or its successors or assigns, and shall be entitled to elect all Members of the Board of Directors of the Association. Class B Membership may cease and be converted to Class A Membership at the option of the Class B Member, its successors or assigns by its written notice to the Secretary of the Association, and shall cease and be converted to Class A Membership without further act or deed when the total votes outstanding in the Class A Membership equal the total votes outstanding in the Class B Membership.

C. As long as a Class B Membership exists, Associate Memberships in the Association will not be established by the Board of Directors of the Association without an affirmative vote of a majority of the Class A Members of the Association.

D. Should any builder own any lot which is the subject of these restrictions, that builder shall assign his voting rights to the developer. Said voting rights shall be voted as Class A Membership and not Class B Membership.

ARTICLE V

ADMINISTRATION AND MANAGEMENT

The administration of the Properties shall be governed by these covenants, the Articles of Incorporation, By-Laws, and published rules and regulations of the Association. As shown and reserved to Declarant in the Articles of Incorporation and By-Laws for the Association, the designation and appointment of the Board of Directors for the Association may, at Declarant's option, be exercised solely by the Declarant until the Class B Membership terminates.

ARTICLE VI

PROPERTY RIGHTS IN THE COMMON PROPERTIES

Section 1. Extent of Members' Easements. The rights and easements of enjoyment created hereby shall be subject to the following:

A. The right of the Association to limit the number of guests of Members.

B. The rights of the Declarant and of the Association, in accordance with its Articles and By-Laws, to borrow money for the purpose of improving the Green Area and with written consent of the Members entitled to vote seventy-five percent (75%) the votes of each class of Membership to mortgage said Common Areas and Green Areas as security for any such loan.

c. The right of the Association to promulgate and publish rules and regulations which each Member shall strictly comply with.

Section 2. Personal Property for Common Use. The Association may acquire and hold for the use and benefit of all Members of the Association, tangible and intangible personal property and may dispose of the same by sale or otherwise, and the beneficial interest in any such property shall be owned by the Members of the Association and their interest therein shall not be transferable except that the interest of a Member who is an Owner shall be deemed to be transferred upon the transfer of the Member's Lot. A transfer of a Lot shall transfer to the transferee ownership of the transferor's beneficial interest in such personal property without any reference thereto or execution of a bill of sale. Each Owner may use such personal property in accordance with the purpose for which it is intended, without hindering or encroaching upon the lawful rights of the the other Owners. Sale of a Lot under foreclosure shall thereby entitle the purchase thereof to the beneficial interest in the personal property associated with the Lot.

ARTICLE VII

COVENANT FOR MAINTENANCE ASSESSMENT

Section 1. Creation of the Lien and Personal Obligation of Assessment. Declarant for each Lot owned by it within the Properties hereby covenants, and each Owner of any Lot by acceptance of the deed therefor, whether or not it shall be so expressed in acceptance of the deed therefor, shall be deemed to covenant and agree to pay to the Association annual assessments and special assessments for capital improvements. Such assessments shall be fixed, established and collected from time to time as hereinafter provided. The annual and special assessments, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall be a continuing lien upon the property against which each such assessment is made from the date hereinafter set forth. Each such assessment, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall also be a personal obligation of the person who is the Owner of such property at the time when the assessment fell due. Such personal obligation shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, enjoyment and welfare of the residents in the Properties and in particular for the improvement and maintenance of property, services and facilities devoted to the purpose and related to the use and enjoyment of homes situated upon the Properties and any other purpose reasonable, necessary or incidental to such purposes.

Section 3. Basis of Annual Assessment. Unless changed by vote of the Membership, as hereinafter provided, the maximum annual assessment for any Lot owned by Class A Members on which is located in a single family detached dwelling shall be $250.00 per year. The assessment for Lots owned by Class A Members shall be at such assessment ratio as shall be determined by the Board of Directors for that particular development within six (6) months after its annexation to the Properties, having in mind the additional amenities furnished to the particular Lot not otherwise available to the Members. Such assessment ratio shall not thereafter be changed by the Board of Directors without approval of sixty-six percent (66%) of the Members.

The assessments shall be based upon the cash requirements deemed to be such aggregate sums as the Board of Directors of the Association shall from time to time determine is necessary to provide for the payment of all estimated expenses growing out of or connected with the maintenance and operation of the Green Area, which sum may include, but not limited to, any special assessments on the Common or Green Areas, insurance premiums for vandalism and malicious mischief, with endorsements attached, issued in the amount of the maximum replacement value of all of the Common Area improvements; casualty and public liability and other insurance premiums; landscaping and care of grounds; streets, lighting, repairs and renovations of Common Areas and Green Areas, wages, charges for water used by the Association, grounds maintenance, any expenses of providing security and protection for the Owners, legal and accounting fees, management fees,

expenses and liabilities incurred by the Board of Directors under or by reason of this Declaration, the payment of any deficit remaining for a previous period, the creation of a reasonable contingency or other reserve or surplus funds as well as any and all other costs and expenses necessary to carry out the terms and intent of this Declaration. The Association shall maintain an adequate reserve fund out of the annual assessments rather than by period assessment for the maintenance, repair and replacement of those elements of the Common Area and Green Areas that must be replaced on a periodic basis. The Board of Directors of the Association may after consideration of the current maintenance costs and the financial requirements of the Association fix the annual actual assessment at an amount less than the maximum. Such reserve fund shall not be used to construct or establish new capital improvements without an affirmative vote of one-half of each class of Members.

Any agreement for management of the Associations's business or any other contract for services by the Declarant must provide for termination by either party without cause or payment of a termination fee on thirty (30) days or less written notice and a maximum contract term of three (3) years.

The maximum annual assessment may be changed as follows:

A. From and after January 1, 1988, the maximum annual assessment may be increased each year not more than ten percent (10%) above the maximum assessment for the previous year without a vote of the Membership.

B. From and after January 1, 1988, the maximum annual assessment may be increased above ten percent (10%) by a vote of one-half (1/2) of each class of Members who are voting in person or by proxy, at a meeting duly called for this purpose.

C. The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. Upon vote of the Members of the Association in the manner hereinafter set forth, the Association may levy in addition to annual assessments a special assessment in any calendar year applicable to that year only, for the purpose of defraying in whole or in part the costs of construction or reconstruction or expected repair or replacement of a described capital improvement upon the Common Area or Green Area, including necessary fixtures and personal property related thereto, provided that, any such assessment shall have the assent of sixty percent (60%) of the votes of each class of Members who are voting in person, or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than thirty (30) days nor more that sixty (60) days in advance of the meeting setting forth the purpose of the meeting. The assessment ratio for any Lot, as determined pursuant to Section 3, shall be applicable to special assessment.

Section 5. Voting and Notices for Special Assessment and Change of Maximum Assessment. Written notice of any meeting of Members called to change the maximum annual assessment or to levy a special assessment shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the date of such meeting, setting forth the purpose of the meeting.

Section 6. Quorum for Action Authorized Under Section 4 and 5. The quorum required for any action authorized in Section 4 and 5 of this Article VI shall be as follows:

At the first meeting called, as provided in Section 4 and 5 hereof, the presence at the meeting of Members, or of proxies entitled to cast sixty percent (60%) of all votes of each class of Membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in Sections 4 and 5 and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessment. The initial annual assessments shall commence on the first day of such month as

determined by the Board of Directors of the Association, shall be made for the balance of the calendar year, and shall be due and payable on the date fixed by the Board. Annual assessments for any year after the first year shall become due and payable on or before February 1 of such year, and at the Board's discretion may be collected on a monthly basis.

The amount of the initial annual assessment for the first year in which assessments are made or for any property which becomes subject to assessments for the first time shall be prorated on a calendar year basis according to the date on which property first became subject to assessment.

The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

Section 8. Duty of the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

Section 9. The Effect of Non-payment of Assessments; Lien of Association. If an assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $20.00 and the assessment shall bear interest at the rate of ten percent (10%) per annum for such due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Common and Green Areas, specifying and itemizing the maintenance and repair expenses of the Common Areas and Green Areas and any other expenses incurred. Such records and the vouchers authorizing the

payments shall be available on request for examination by the Owners and others with an interest such as encumbrancers or prospective lenders.

Section 12. Protection of Mortgagees. First mortgagees of Lots may pay taxes or other charges or assessments which are in default and which may become a lien against the Common or Green Areas and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Common and Green Areas and the first mortgagees making such payments shall be owed immediately reimbursement therefore from the Association.

IN WITNESS WHEREOF, the undersigned being the Declarant herein has hereunto set its hand and seal as of the day and year first hereinabove set forth.

ARTICLE VII

COVENANT FOR MAINTENANCE ASSESSMENT

Section 1. Creation of the Lien and Personal Obligation of Assessment. Declarant for each Lot owned by it within the Properties hereby covenants, and each Owner of any Lot by acceptance of the deed therefor, whether or not it shall be so expressed in acceptance of the deed therefor, shall be deemed to covenant and agree to pay to the Association annual assessments and special assessments for capital improvements. Such assessments shall be fixed, established and collected from time to time as hereinafter provided. The annual and special assessments, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall be a continuing lien upon the property against which each such assessment is made from the date hereinafter set forth. Each such assessment, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall also be a personal obligation of the person who is the Owner of such property at the time when the assessment fell due. Such personal obligation shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, enjoyment and welfare of the residents in the Properties and in particular for the improvements and maintenance of property, services and facilities devoted to the purpose and related to the use and enjoyment of homes situated upon the Properties and any other purpose reasonable, necessary or incidental to such purposes.

Section 3. Basis of Annual Assessment. Unless changed by vote of the Membership, as hereinafter provided, the maximum annual assessment for any Lot owned by Class A Members on which is located a single family detached dwelling shall be $250.00 per year. The assessment for Lots owned by Class A Members shall be at such assessment ratio as shall be determined by the Board of Directors for that particular development within six (6) months after its annexation to the Properties, having in mind the additional amenities furnished to the particular Lot not otherwise available to the Members. Such assessment ratio shall not thereafter be changed by the Board of Directors without approval of sixty-six percent (66%) of the Members.

The assessments shall be based upon the cash requirements deemed to be such aggregate sums as the Board of Directors of the Association shall from time to time determine is necessary to provide for the payment of all estimated expenses growing out of or connected with the maintenance and operation of the Green Area, which sum may include, but not limited to, any special assessments on the Common or Green Areas, insurance premiums for vandalism and malicious mischief, with endorsements attached, issued in the amount of the maximum replacement value of all of the Common Area improvements; casualty and public liability and other insurance premiums; landscaping and care of grounds; streets, lighting, repairs and renovations of Common Areas and Green Areas, wages, charges for water used by the Association, grounds maintenance, any expenses of providing security and protection for the Owners, legal and accounting fees, management fees,

The Association shall maintain an adequate reserve fund out of the annual assessments rather than by period assessment for the maintenance, repair and replacement of those elements of the Common Area and Green Areas that must be replaced on a periodic basis. The Board of Directors of the Association may after consideration of the current maintenance costs and the financial requirements of the Association fix the annual actual assessment at an amount less than the maximum. Such reserve fund shall not be used to construct or establish new capital improvements without an affirmative vote of one-half of each class of Members.

Any agreement for management of the Associations's business or any other contract for services by the Declarant must provide for termination by either party without cause or payment of a termination fee on thirty (30) days or less written notice and a maximum contract term of three (3) years.

The maximum annual assessment may be changed as follows:

A. From and after January 1, 1988, the maximum annual assessment may be increased each year not more than ten percent (10%) above the maximum assessment for the previous year without a vote of the Membership.

B. From and after January 1, 1988, the maximum annual assessment may be increased above ten percent (10%) by a vote of one-half (1/2) of each class of Members who are voting in person or by proxy, at a meeting duly called for this purpose.

C. The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. Upon vote of the Members of the Association in the manner hereinafter set forth, the Association may levy in addition to annual assessments a special assessment in any calendar year applicable to that year only, for the purpose of defraying in whole or in part the costs of construction or reconstruction or expected repair or replacement of a described capital improvement upon the Common Area or Green Area, including necessary fixtures and personal property related thereto, provided that, any such assessment shall have the assent of sixty percent (60%) of the votes of each class of Members who are voting in person, or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting setting forth the purpose of the meeting. The assessment ratio for any Lot, as determined pursuant to Section 3, shall be applicable to special assessment.

Section 5. Voting and Notices for Special Assessment and Change of Maximum Assessment. Written notice of any meeting of Members called to change the maximum annual assessment or to levy a special assessment shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the date of such meeting, setting forth the purpose of the meeting.

Section 6. Quorum for Action Authorized Under Section 4 and 5. The quorum required for any action authorized in Section 4 and 5 of this Article VI shall be as follows:

At the first meeting called, as provided in Section 4 and 5 hereof, the presence at the meeting of Members, or of proxies entitled to cast sixty percent (60%) of all votes of each class of Membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in Sections 4 and 5 and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

N 865961164

determined by the Board of Directors of the Association, shall be made for the balance of the calendar year, and shall be due and payable on the date fixed by the Board. Annual assessments for any year after the first year shall become due and payable on or before February 1 of such year, and at the Board's discretion may be collected on a monthly basis.

The amount of the initial annual assessment for the first year in which assessments are made or for any property which becomes subject to assessments for the first time shall be prorated on a calendar year basis according to the date on which property first became subject to assessment.

The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

Section 8. Duty of the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

Section 9. The Effect of Non-payment of Assessments; Lien of Association. If an assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $20.00 and the assessment shall bear interest at the rate of ten percent (10%) per annum for such due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such Lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Common and Green Areas, specifying and itemizing the maintenance and repair expenses of the Common Areas and Green Areas and any other expenses incurred. Such records and the vouchers authorizing the

8659 1165

payments shall be available on request for examination by the Owners and others with an interest such as encumbrancers or prospective lenders.

Section 12. Protection of Mortgagees. First mortgagees of Lots may pay taxes or other charges or assessments which are in default and which may become a lien against the Common or Green Areas and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Common and Green Areas and the first mortgagees making such payments shall be owed immediately reimbursement therefore from the Association.

IN WITNESS WHEREOF, the undersigned being the Declarant herein has hereunto set its hand and seal as of the day and year first hereinabove set forth.

Section 6. Quorum for Action Authorized Under Section 4 and 5. The quorum required for any action authorized in Section 4 and 5 of this Article VI shall be as follows:

At the first meeting called, as provided in Section 4 and 5 hereof, the presence at the meeting of Members, or of proxies entitled to cast sixty percent (60%) of all votes of each class of Membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in Sections 4 and 5 and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessment. The initial annual assessments shall commence on the first day of such month as

R 8659P1068

determined by the Board of Directors of the Association, shall be made for the balance of the calendar year, and shall be due and payable on the date fixed by the Board. Annual assessments for any year after the first year shall become due and payable on or before February 1 of such year, and at the Board's discretion may be collected on a monthly basis.

The amount of the initial annual assessment for the first year in which assessments are made or for any property which becomes subject to assessments for the first time shall be prorated on a calendar year basis according to the date on which property first became subject to assessment.

The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

Section 8. Duty of the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

Section 9. The Effect of Non-payment of Assessments; Lien of Association. If an assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $20.00 and the assessment shall bear interest at the rate of ten percent (10%) per annum for such due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such Lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Common and Green Areas, specifying and itemizing the maintenance and repair expenses of the Common Areas and Green Areas and any other expenses incurred. Such records and the vouchers authorizing the

K 8659 0106

payments shall be available on request for examination by the Owners and others with an interest such as encumbrancers or prospective lenders.

Section 12. Protection of Mortgagees. First mortgagees of Lots may pay taxes or other charges or assessments which are in default and which may become a lien against the Common or Green Areas and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Common and Green Areas and the first mortgagees making such payments shall be owed immediately reimbursement therefore from the Association.

IN WITNESS WHEREOF, the undersigned being the Declarant herein has hereunto set its hand and seal as of the day and year first hereinabove set forth.

The foregoing is not intended to include persons or entities who hold an interest merely as security for the performance of obligation. Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to assessment by the Association. Ownership of such Lot shall be the sole qualification for Membership. When more than one person holds a Membership interest in any Lot, all such persons shall be Members. The vote for such Lot shall be exercised as they among themselves determine, but in no event shall more than one (1) vote be cast with respect to any Lot.

Section 2. Voting Rights. There shall be two classes of voting Membership.

Each Owner may use such personal property in accordance with the purpose for which it is intended, without hindering or encroaching upon the lawful rights of the the other Owners. Sale of a Lot under foreclosure shall thereby entitle the purchase thereof to the beneficial interest in the personal property associated with the Lot.

ARTICLE VII

COVENANT FOR MAINTENANCE ASSESSMENT

Section 1. Creation of the Lien and Personal Obligation of Assessment. Declarant for each Lot owned by it within the Properties hereby covenants, and each Owner of any Lot by acceptance of the deed therefor, whether or not it shall be so expressed in acceptance of the deed therefor, shall be deemed to covenant and agree to pay to the Association annual assessments and special assessments for capital improvements. Such assessments shall be fixed, established and collected from time to time as hereinafter provided. The annual and special assessments, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall be a continuing lien upon the property against which each such assessment is made from the date hereinafter set forth. Each such assessment, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall also be a personal obligation of the person who is the Owner of such property at the time when the assessment fell due. Such personal obligation shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, enjoyment and welfare of the residents in the Properties and in particular for the improvements and maintenance of property, services and facilities devoted to the purpose and related to the use and enjoyment of homes situated upon the Properties and any other purpose reasonable, necessary or incidental to such purposes.

Section 3. Basis of Annual Assessment. Unless changed by vote of the Membership, as hereinafter provided, the maximum annual assessment for any Lot owned by Class A Members on which is located a single family detached dwelling shall be $250.00 per year. The assessment for Lots owned by Class A Members shall be at such assessment ratio as shall be determined by the Board of Directors for that particular development within six (6) months after its annexation to the Properties, having in mind the additional amenities furnished to the particular Lot not otherwise available to the Members. Such assessment ratio shall not thereafter be changed by the Board of Directors without approval of sixty-six percent (66%) of the Members.

The assessments shall be based upon the cash requirements deemed to be such aggregate sums as the Board of Directors of the Association shall from time to time determine is necessary to provide for the payment of all estimated expenses growing out of or connected with the maintenance and operation of the Green Area, which sum may include, but not limited to, any special assessments on the Common or Green Areas, insurance premiums for vandalism and malicious mischief, with endorsements attached, issued in the amount of the maximum replacement value of all of the Common Area improvements; casualty and public liability and other insurance premiums; landscaping and care of grounds; streets, lighting, repairs and renovations of Common Areas and Green Areas, wages, charges for water used by the Association, grounds maintenance, any expenses of providing security and protection for the Owners, legal and accounting fees, management fees,

n 6659 1179

expenses and liabilities incurred by the Board of Directors under or by reason of this Declaration, the payment of any deficit remaining for a previous period, the creation of a reasonable contingency or other reserve or surplus funds as well as any and all other costs and expenses necessary to carry out the terms and intent of this Declaration. The Association shall maintain an adequate reserve fund out of the annual assessments rather than by period assessment for the maintenance, repair and replacement of those elements of the Common Area and Green Areas that must be replaced on a periodic basis. The Board of Directors of the Association may after consideration of the current maintenance costs and the financial requirements of the Association fix the annual actual assessment at an amount less than the maximum. Such reserve fund shall not be used to construct or establish new capital improvements without an affirmative vote of one-half of each class of Members.

Any agreement for management of the Associations's business or any other contract for services by the Declarant must provide for termination by either party without cause or payment of a termination fee on thirty (30) days or less written notice and a maximum contract term of three (3) years.

The maximum annual assessment may be changed as follows:

A. From and after January 1, 1988, the maximum annual assessment may be increased each year not more than ten percent (10%) above the maximum assessment for the previous year without a vote of the Membership.

B. From and after January 1, 1988, the maximum annual assessment may be increased above ten percent (10%) by a vote of one-half (1/2) of each class of Members who are voting in person or by proxy, at a meeting duly called for this purpose.

C. The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. Upon vote of the Members of the Association in the manner hereinafter set forth, the Association may levy in addition to annual assessments a special assessment in any calendar year applicable to that year only, for the purpose of defraying in whole or in part the costs of construction or reconstruction or expected repair or replacement of a described capital improvement upon the Common Area or Green Area, including necessary fixtures and personal property related thereto, provided that, any such assessment shall have the assent of sixty percent (60%) of the votes of each class of Members who are voting in person, or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than thirty (30) days nor more that sixty (60) days in advance of the meeting setting forth the purpose of the meeting. The assessment ratio for any Lot, as determined pursuant to Section 3, shall be applicable to special assessment.

Section 5. Voting and Notices for Special Assessment and Change of Maximum Assessment. Written notice of any meeting of Members called to change the maximum annual assessment or to levy a special assessment shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the date of such meeting, setting forth the purpose of the meeting.

Section 6. Quorum for Action Authorized Under Section 4 and 5. The quorum required for any action authorized in Section 4 and 5 of this Article VI shall be as follows:

At the first meeting called, as provided in Section 4 and 5 hereof, the presence at the meeting of Members, or of proxies entitled to cast sixty percent (60%) of all votes of each class of Membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in Sections 4 and 5 and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessment. The initial annual assessments shall commence on the first day of such month as

VL 8659 1180

determined by the Board of Directors of the Association, shall be made for the balance of the calendar year, and shall be due and payable on the date fixed by the Board. Annual assessments for any year after the first year shall become due and payable on or before February 1 of such year, and at the Board's discretion may be collected on a monthly basis.

The amount of the initial annual assessment for the first year in which assessments are made or for any property which becomes subject to assessments for the first time shall be prorated on a calendar year basis according to the date on which property first became subject to assessment.

The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

Section 8. Duty of the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

Section 9. The Effect of Non-payment of Assessments; Lien of Association. If an assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $20.00 and the assessment shall bear interest at the rate of ten percent (10%) per annum for each due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof, including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such Lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Common and Green Areas, specifying and itemizing the maintenance and repair expenses of the Common Areas and Green Areas and any other expenses incurred. Such records and the vouchers authorizing the

VL 5659 PG 1181

payments shall be available on request for examination by the Owners and others with an interest such as encumbrancers or prospective lenders.

Section 12. Protection of Mortgagees. First mortgagees of Lots may pay taxes or other charges or assessments which are in default and which may become a lien against the Common or Green Areas and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Common and Green Areas and the first mortgagees making such payments shall be owed immediately reimbursement therefore from the Association.

IN WITNESS WHEREOF, the undersigned being the Declarant herein has hereunto set its hand and seal as of the day and year first hereinabove set forth.

R 2659R1193

Section 1. Membership. Every person or entity who is a record owner of a fee or undivided fee interest in any Lot which is subject by covenants of record to assessment by the Association, including contract sellers, shall be a Member of the Association. The foregoing is not intended to include persons or entities who hold an interest merely as security for the performance of obligation. Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to assessment by the Association. Ownership of such Lot shall be the sole qualification for Membership. When more than one person holds a Membership interest in any Lot, all such persons shall be Members. D. Should any builder own any lot which is the subject of these restrictions, that builder shall assign his voting rights to the developer. Said voting rights shall be voted as Class A Membership and not Class B Membership.

ARTICLE V

ADMINISTRATION AND MANAGEMENT

The administration of the Properties shall be governed by these covenants, the Articles of Incorporation, By-Laws, and published rules and regulations of the Association. A transfer of a Lot shall transfer to the transferee ownership of the transferor's beneficial interest in such personal property without any reference thereto or execution of a bill of sale. Each Owner may use such personal property in accordance with the purpose for which it is intended, without hindering or encroaching upon the lawful rights of the the other Owners. Sale of a Lot under foreclosure shall thereby entitle the purchase thereof to the beneficial interest in the personal property associated with the Lot.

ARTICLE VII

COVENANT FOR MAINTENANCE ASSESSMENT

Section 1. Creation of the Lien and Personal Obligation of Assessment. Declarant for each Lot owned by it within the Properties hereby covenants, and each Owner of any Lot by acceptance of the deed therefor, whether or not it shall be so expressed in acceptance of the deed therefor, shall be deemed to covenant and agree to pay to the Association annual assessments and special assessments for capital improvements. Such assessments shall be fixed, established and collected from time to time as hereinafter provided. The annual and special assessments, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall be a continuing lien upon the property against which each such assessment is made from the date hereinafter set forth. Each such assessment, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall also be a personal obligation of the person who is the Owner of such property at the time when the assessment fell due. Such personal obligation shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, enjoyment and welfare of the residents in the Properties and in particular for the improvements and maintenance of property, services and facilities devoted to the purpose and related to the use and enjoyment of homes situated upon the Properties and any other purpose reasonable, necessary or incidental to such purposes.

Section 3. Basis of Annual Assessment. Unless changed by vote of the Membership, as hereinafter provided, the maximum annual assessment for any Lot owned by Class A Members on which is located in a single family detached dwelling shall be $250.00 per year. The assessment for Lots owned by Class A Members shall be at such assessment ratio as shall be determined by the Board of Directors for that particular development within six (6) months after its annexation to the Properties, having in mind the additional amenities furnished to the particular Lot not otherwise available to the Members. Such assessment ratio shall not thereafter be changed by the Board of Directors without approval of sixty-six percent (66%) of the Members.

The assessments shall be based upon the cash requirements deemed to be such aggregate sums as the Board of Directors of the Association shall from time to time determine is necessary to provide for the payment of all estimated expenses growing out of or connected with the maintenance and operation of the Green Area, which sum may include, but not limited to, any special assessments on the Common or Green Areas, insurance premiums for vandalism and malicious mischief, with endorsements attached, issued in the amount of the maximum replacement value of all of the Common Area improvements; casualty and public liability and other insurance premiums; landscaping and care of grounds; streets, lighting, repairs and renovations of Common Areas and Green Areas, wages, charges for water used by the Association, grounds maintenance, any expenses of providing security and protection for the Owners, legal and accounting fees, management fees,

The Association shall maintain an adequate reserve fund out of the annual assessments rather than by period assessment for the maintenance, repair and replacement of those elements of the Common Area and Green Areas that must be replaced on a periodic basis. The Board of Directors of the Association may after consideration of the current maintenance costs and the financial requirements of the Association fix the annual actual assessment at an amount less than the maximum. Such reserve fund shall not be used to construct or establish new capital improvements without an affirmative vote of one-half of each class of Members.

Any agreement for management of the Associations's business or any other contract for services by the Declarant must provide for termination by either party without cause or payment of a termination fee on thirty (30) days or less written notice and a maximum contract term of three (3) years.

The maximum annual assessment may be changed as follows:

A. From and after January 1, 1988, the maximum annual assessment may be increased each year not more than ten percent (10%) above the maximum assessment for the previous year without a vote of the Membership.

B. From and after January 1, 1988, the maximum annual assessment may be increased above ten percent (10%) by a vote of one-half (1/2) of each class of Members who are voting in person or by proxy, at a meeting duly called for this purpose.

C. The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. Upon vote of the Members of the Association in the manner hereinafter set forth, the Association may levy in addition to annual assessments a special assessment in any calendar year applicable to that year only, for the purpose of defraying in whole or in part the costs of construction or reconstruction or expected repair or replacement of a described capital improvement upon the Common Area or Green Area, including necessary fixtures and personal property related thereto, provided that, any such assessment shall have the assent of sixty percent (60%) of the votes of each class of Members who are voting in person, or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than thirty (30) days nor more that sixty (60) days in advance of the meeting setting forth the purpose of the meeting. The assessment ratio for any lot, as determined pursuant to Section 3, shall be applicable to special assessments.

Section 5. Voting and Notices for Special Assessment and Change of Maximum Assessment. Written notice of any meeting of Members called to change the maximum annual assessment or to levy a special assessment shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the date of such meeting, setting forth the purpose of the meeting.

Section 6. Quorum for Action Authorized Under Section 4 and 5. The quorum required for any action authorized in Section 4 and 5 of this Article VI shall be as follows:

At the first meeting called, as provided in Section 4 and 5 hereof, the presence at the meeting of Members, or of proxies entitled to cast sixty percent (60%) of all votes of each class of Membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in Sections 4 and 5 and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessment. The initial annual assessments shall commence on the first day of such month as

R 8659 1196

determined by the Board of Directors of the Association, shall be made for the balance of the calendar year, and shall be due and payable on the date fixed by the Board. Annual assessments for any year after the first year shall become due and payable on or before February 1 of such year, and at the Board's discretion may be collected on a monthly basis.

The amount of the initial annual assessment for the first year in which assessments are made or for any property which becomes subject to assessments for the first time shall be prorated on a calendar year basis according to the date on which property first became subject to assessment.

The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

Section 8. Duty of the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

Section 9. The Effect of Non-payment of Assessments; Lien of Association. If an assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $20.00 and the assessment shall bear interest at the rate of ten percent (10%) per annum for such due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such Lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Common and Green Areas, specifying and itemizing the maintenance and repair expenses of the Common Areas and Green Areas and any other expenses incurred. Such records and the vouchers authorizing the

K 865001197

payments shall be available on request for examination by the Owners and others with an interest such as encumbrancers or prospective lenders.

Section 12. Protection of Mortgagees. First mortgagees of Lots may pay taxes or other charges or assessments which are in default and which may become a lien against the Common or Green Areas and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Common and Green Areas and the first mortgagees making such payments shall be owed immediately reimbursement therefore from the Association.

IN WITNESS WHEREOF, the undersigned being the Declarant herein has hereunto set its hand and seal as of the day and year first hereinabove set forth.

The assessment for Lots owned by Class A Members shall be at such assessment ratio as shall be determined by the Board of Directors for that particular development within six (6) months after its annexation to the Properties, having in mind the additional amenities furnished to the particular Lot not otherwise available to the Members. Such assessment ratio shall not thereafter be changed by the Board of Directors without approval of sixty-six percent (66%) of the Members.

The assessments shall be based upon the cash requirements deemed to be such aggregate sums as the Board of Directors of the Association shall from time to time determine is necessary to provide for the payment of all estimated expenses growing out of or connected with the maintenance and operation of the Green Area, which sum may include, but not limited to: any special assessments on the Common or Green Areas, insurance premiums for vandalism and malicious mischief, with endorsements attached, issued in the amount of the maximum replacement value of all of the Common Area improvements; casualty and public liability and other insurance premiums; landscaping and care of grounds; streets, lighting, repairs and renovations of Common Areas and Green Areas, wages, charges for water used by the Association, grounds maintenance, any expenses of providing security and protection for the Owners, legal and accounting fees, management fees,

expenses and liabilities incurred by the Board of Directors under or by reason of this Declaration, the payment of any deficit remaining for a previous period, the creation of a reasonable contingency or other reserve or surplus funds as well as any and all other costs and expenses necessary to carry out the terms and intent of this Declaration. The Association shall maintain an adequate reserve fund out of the annual assessments rather than by period assessment for the maintenance, repair and replacement of those elements of the Common Area and Green Areas that must be replaced on a periodic basis. The Board of Directors of the Association may after consideration of the current maintenance costs and the financial requirements of the Association fix the annual actual assessment at an amount less than the maximum. Such reserve fund shall not be used to construct or establish new capital improvements without an affirmative vote of one-half of each class of Members.

Any agreement for management of the Associations's business or any other contract for services by the Declarant must provide for termination by either party without cause or payment of a termination fee on thirty (30) days or less written notice and a maximum contract term of three (3) years.

The maximum annual assessment may be changed as follows:

A. From and after January 1, 1988, the maximum annual assessment may be increased each year not more than ten percent (10%) above the maximum assessment for the previous year without a vote of the Membership.

B. From and after January 1, 1988, the maximum annual assessment may be increased above ten percent (10%) by a vote of one-half (1/2) of each class of Members who are voting in person or by proxy, at a meeting duly called for this purpose.

C. The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. Upon vote of the Members of the Association in the manner hereinafter set forth, the Association may levy in addition to annual assessments a special assessment in any calendar year applicable to that year only, for the purpose of defraying in whole or in part the costs of construction or reconstruction or expected repair or replacement of a described capital improvement upon the Common Area or Green Area, including necessary fixtures and personal property related thereto, provided that, any such assessment shall have the assent of sixty percent (60%) of the votes of each class of Members who are voting in person, or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting setting forth the purpose of the meeting. The assessment ratio for any lot, as determined pursuant to Section 3, shall be applicable to special assessment.

Section 5. Voting and Notices for Special Assessment and Change of Maximum Assessment. Written notice of any meeting of Members called to change the maximum annual assessment or to levy a special assessment shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the date of such meeting, setting forth the purpose of the meeting.

Section 6. Quorum for Action Authorized Under Section 4 and 5. The quorum required for any action authorized in Section 4 and 5 of this Article VI shall be as follows:

At the first meeting called, as provided in Section 4 and 5 hereof, the presence at the meeting of Members, or of proxies entitled to cast sixty percent (60%) of all votes of each class of Membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in Sections 4 and 5 and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessment. The initial annual assessments shall commence on the first day of such month as

determined by the Board of Directors of the Association, shall be made for the balance of the calendar year, and shall be due and payable on the date fixed by the Board. Annual assessments for any year after the first year shall become due and payable on or before February 1 of such year, and at the Board's discretion may be collected on a monthly basis.

The amount of the initial annual assessment for the first year in which assessments are made or for any property which becomes subject to assessments for the first time shall be prorated on a calendar year basis according to the date on which property first became subject to assessment.

The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

Section 8. Duty of the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

Section 9. The Effect of Non-payment of Assessments; Lien of Association. If an assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $20.00 and the assessment shall bear interest at the rate of ten percent (10%) per annum for such due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such Lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Common and Green Areas, specifying and itemizing the maintenance and repair expenses of the Common Areas and Green Areas and any other expenses incurred. Such records and the vouchers authorizing the

payments shall be available on request for examination by the Owners and others with an interest such as encumbrancers or prospective lenders.

Section 12. Protection of Mortgagees. First mortgagees of Lots may pay taxes or other charges or assessments which are in default and which may become a lien against the Common or Green Areas and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Common and Green Areas and the first mortgagees making such payments shall be owed immediately reimbursement therefore from the Association.

IN WITNESS WHEREOF, the undersigned being the Declarant herein has hereunto set its hand and seal as of the day and year first hereinabove set forth.

8659 1129

Section 1. Membership. Every person or entity who is a record owner of a fee or undivided fee interest in any Lot which is subject by covenants of record to assessment by the Association, including contract sellers, shall be a Member of the Association. The foregoing is not intended to include persons or entities who hold an interest merely as security for the performance of obligation. Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to assessment by the Association. Ownership of such Lot shall be the sole qualification for Membership. When more than one person holds a Membership interest in any Lot, all such persons shall be Members. The vote for such Lot shall be exercised as they among themselves determine, but in no event shall more than one (1) vote be cast with respect to any Lot.

Section 2. Voting Rights. There shall be two classes of voting Membership.

A. Class A Members will be all those Members other than Southcreek, Inc. The Association may acquire and hold for the use and benefit of all Members of the Association, tangible and intangible personal property and may dispose of the same by sale or otherwise, and the beneficial interest in any such property shall be owned by the Members of the Association and their interest therein shall not be transferable except that the interest of a Member who is an Owner shall be deemed to be transferred upon the transfer of the Member's Lot. A transfer of a Lot shall transfer to the transferee ownership of the transferor's beneficial interest in such personal property without any reference thereto or execution of a bill of sale. Each Owner may use such personal property in accordance with the purpose for which it is intended, without hindering or encroaching upon the lawful rights of the the other Owners. Sale of a Lot under foreclosure shall thereby entitle the purchase thereof to the beneficial interest in the personal property associated with the Lot.

ARTICLE VII

COVENANT FOR MAINTENANCE ASSESSMENT

Section 1. Creation of the Lien and Personal Obligation of Assessment. Declarant for each Lot owned by it within the Properties hereby covenants, and each Owner of any Lot by acceptance of the deed therefor, whether or not it shall be so expressed in acceptance of the deed therefor, shall be deemed to covenant and agree to pay to the Association annual assessments and special assessments for capital improvements. Such assessments shall be fixed, established and collected from time to time as hereinafter provided. The annual and special assessments, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall be a continuing lien upon the property against which each such assessment is made from the date hereinafter set forth. Each such assessment, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall also be a personal obligation of the person who is the Owner of such property at the time when the assessment fell due. Such personal obligation shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, enjoyment and welfare of the residents in the Properties and in particular for the improvements and maintenance of property, services and facilities devoted to the purpose and related to the use and enjoyment of homes situated upon the Properties and any other purpose reasonable, necessary or incidental to such purposes.

Section 3. Basis of Annual Assessment. Unless changed by vote of the Membership, as hereinafter provided, the maximum annual assessment for any Lot owned by Class A Members on which is located a single family detached dwelling shall be $250.00 per year. The assessment for Lots owned by Class A Members shall be at such assessment ratio as shall be determined by the Board of Directors for that particular development within six (6) months after its annexation to the Properties, having in mind the additional amenities furnished to the particular Lot not otherwise available to the Members. Such assessment ratio shall not thereafter be changed by the Board of Directors without approval of sixty-six percent (66%) of the Members.

The assessments shall be based upon the cash requirements deemed to be such aggregate sums as the Board of Directors of the Association shall from time to time determine is necessary to provide for the payment of all estimated expenses growing out of or connected with the maintenance and operation of the Green Area, which sum may include, but not limited to, any special assessments on the Common or Green Areas, insurance premiums for vandalism and malicious mischief, with endorsements attached, issued in the amount of the maximum replacement value of all of the Common Area improvements; casualty and public liability and other insurance premiums; landscaping and care of grounds; streets, lighting, repairs and renovations of Common Areas and Green Areas, wages, charges for water used by the Association, grounds maintenance, any expenses of providing security and protection for the Owners, legal and accounting fees, management fees,

R 8659 1131

expenses and liabilities incurred by the Board of Directors under or by reason of this Declaration, the payment of any deficit remaining for a previous period, the creation of a reasonable contingency or other reserve or surplus funds as well as any and all other costs and expenses necessary to carry out the terms and intent of this Declaration. The Association shall maintain an adequate reserve fund out of the annual assessments rather than by period assessment for the maintenance, repair and replacement of those elements of the Common Area and Green Areas that must be replaced on a periodic basis. The Board of Directors of the Association may after consideration of the current maintenance costs and the financial requirements of the Association fix the annual actual assessment at an amount less than the maximum. Such reserve fund shall not be used to construct or establish new capital improvements without an affirmative vote of one-half of each class of Members.

Any agreement for management of the Associations's business or any other contract for services by the Declarant must provide for termination by either party without cause or payment of a termination fee on thirty (30) days or less written notice and a maximum contract term of three (3) years.

The maximum annual assessment may be changed as follows:

A. From and after January 1, 1988, the maximum annual assessment may be increased each year not more than ten percent (10%) above the maximum assessment for the previous year without a vote of the Membership.

B. From and after January 1, 1988, the maximum annual assessment may be increased above ten percent (10%) by a vote of one-half (1/2) of each class of Members who are voting in person or by proxy, at a meeting duly called for this purpose.

C. The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. Upon vote of the Members of the Association in the manner hereinafter set forth, the Association may levy in addition to annual assessments a special assessment in any calendar year applicable to that year only, for the purpose of defraying in whole or in part the costs of construction or reconstruction or expected repair or replacement of a described capital improvement upon the Common Area or Green Area, including necessary fixtures and personal property related thereto, provided that, any such assessment shall have the assent of sixty percent (60%) of the votes of each class of Members who are voting in person, or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting setting forth the purpose of the meeting. The assessment ratio for any lot, as determined pursuant to Section 3, shall be applicable to special assessment.

Section 5. Voting and Notices for Special Assessment and Change of Maximum Assessment. Written notice of any meeting of Members called to change the maximum annual assessment or to levy a special assessment shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the date of such meeting, setting forth the purpose of the meeting.

Section 6. Quorum for Action Authorized Under Section 4 and 5. The quorum required for any action authorized in Section 4 and 5 of this Article VI shall be as follows:

At the first meeting called, as provided in Section 4 and 5 hereof, the presence at the meeting of Members, or of proxies entitled to cast sixty percent (60%) of all votes of each class of Membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in Sections 4 and 5 and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessment. The initial annual assessments shall commence on the first day of such month as

N 8659:1132

determined by the Board of Directors of the Association, shall be made for the balance of the calendar year, and shall be due and payable on the date fixed by the Board. Annual assessments for any year after the first year shall become due and payable on or before February 1 of such year, and at the Board's discretion may be collected on a monthly basis.

The amount of the initial annual assessment for the first year in which assessments are made or for any property which becomes subject to assessments for the first time shall be prorated on a calendar year basis according to the date on which property first became subject to assessment.

The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

Section 8. Duty of the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

Section 9. The Effect of Non-payment of Assessments; Lien of Association. If an assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $20.00 and the assessment shall bear interest at the rate of ten percent (10%) per annum for such due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such Lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Common and Green Areas, specifying and itemizing the maintenance and repair expenses of the Common Areas and Green Areas and any other expenses incurred. Such records and the vouchers authorizing the

11 8959 1133

payments shall be available on request for examination by the Owners and others with an interest such as encumbrancers or prospective lenders.

Section 12. Protection of Mortgagees. First mortgagees of Lots may pay taxes or other charges or assessments which are in default and which may become a lien against the Common or Green Areas and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Common and Green Areas and the first mortgagees making such payments shall be owed immediately reimbursement therefore from the Association.

Such Supplemental Declaration may contain such additions and modifications of the covenants and restrictions contained in this Declaration as may be necessary to reflect the different character of the added properties in the sole discretion of Declarant. In no event, however, shall such Supplemental Declaration revoke, modify or add to the covenants established by this Declaration with respect to the Properties subject to this Declaration just prior to such Supplemental Declaration being filed for record.

Section 3. Additions by Others. So long as Declarant is a Class B Member, additions may be made by any other owner of property who with the approval of the Board of Directors of the Association desires to add such property located within the boundaries described in Section 1 of this Article II to the scheme of this Declaration and to subject it to the jurisdiction of the Association. When Declarant ceases to be a Class B Member, such additions may be made upon approval of the Association pursuant to a vote of its Members, as provided in its Articles of Incorporation. All fences on Lots shall be maintained in good repair and in a clean and attractive manner.

ARTICLE IV

MEMBERSHIP AND VOTING RIGHTS IN THE ASSOCIATION

Section 1. Membership. Every person or entity who is a record owner of a fee or undivided fee interest in any Lot which is subject by covenants of record to assessment by the Association, including contract sellers, shall be a Member of the Association. The foregoing is not intended to include persons or entities who hold an interest merely as security for the performance of obligation. Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to assessment by the Association. Ownership of such Lot shall be the sole qualification for Membership. When more than one person holds a Membership interest in any Lot, all such persons shall be Members. The vote for such Lot shall be exercised as they among themselves determine, but in no event shall more than one (1) vote be cast with respect to any Lot.

Section 2. Voting Rights. There shall be two classes of voting Membership.

A. Class A Members will be all those Members other than Southcreek, Inc. Class A Members shall be entitled to one vote for each Lot in which they hold the interest required for Membership by Section 1. When Class B Membership has been converted to Class A Membership, all Directors of the Association shall be elected by the Class A Members.

B. The Class B Members shall be Southcreek, Inc. or its successors or assigns. Class B Members shall be entitled to four votes for each Lot owned by the Declarant or its successors or assigns, and shall be entitled to elect all Members of the Board of Directors of the Association. Class B Membership may cease and be converted to Class A Membership at the option of the Class B Member, its successors or assigns by its written notice to the Secretary of the Association, and shall cease and be converted to Class A Membership without further act or deed when the total votes outstanding in the Class A Membership equal the total votes outstanding in the Class B Membership.

C. As long as a Class B Membership exists, Associate Memberships in the Association will not be established by the Board of Directors of the Association without an affirmative vote of a majority of the Class A Members of the Association.

D. Should any builder own any lot which is the subject of these restrictions, that builder shall assign his voting rights to the developer. Said voting rights shall be voted as Class A Membership and not Class B Membership.

ARTICLE V

ADMINISTRATION AND MANAGEMENT

The administration of the Properties shall be governed by these covenants, the Articles of Incorporation, By-Laws, and published rules and regulations of the Association. As shown and reserved to Declarant in the Articles of Incorporation and By-Laws for the Association, the designation and appointment of the Board of Directors for the Association may, at Declarant's option, be exercised solely by the Declarant until the Class B Membership terminates.

ARTICLE VI

PROPERTY RIGHTS IN THE COMMON PROPERTIES

Section 1. Extent of Members' Easements. The rights and easements of enjoyment created hereby shall be subject to the following:

A. The right of the Association to limit the number of guests of Members.

B. The rights of the Declarant and of the Association, in accordance with its Articles and By-Laws, to borrow money for the purpose of improving the Green Area and with written consent of the Members entitled to vote seventy-five percent (75%) the votes of each class of Membership to mortgage said Common Areas and Green Areas as security for any such loan.

C. The right of the Association to promulgate and publish rules and regulations which each Member shall strictly comply with.

Section 2. Personal Property for Common Use. The Association may acquire and hold for the use and benefit of all Members of the Association, tangible and intangible personal property and may dispose of the same by sale or otherwise, and the beneficial interest in any such property shall be owned by the Members of the Association and their interest therein shall not be transferable except that the interest of a Member who is an Owner shall be deemed to be transferred upon the transfer of the Member's Lot. A transfer of a Lot shall transfer to the transferee ownership of the transferor's beneficial interest in such personal property without any reference thereto or execution of a bill of sale. Each Owner may use such personal property in accordance with the purpose for which it is intended, without hindering or encroaching upon the lawful rights of the the other Owners. Sale of a Lot under foreclosure shall thereby entitle the purchase thereof to the beneficial interest in the personal property associated with the Lot.

ARTICLE VII

COVENANT FOR MAINTENANCE ASSESSMENT

Section 1. Creation of the Lien and Personal Obligation of Assessment. Declarant for each Lot owned by it within the Properties hereby covenants, and each Owner of any Lot by acceptance of the deed therefor, whether or not it shall be so expressed in acceptance of the deed therefor, shall be deemed to covenant and agree to pay to the Association annual assessments and special assessments for capital improvements. Such assessments shall be fixed, established and collected from time to time as hereinafter provided. The annual and special assessments, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall be a continuing lien upon the property against which each such assessment is made from the date hereinafter set forth. Each such assessment, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall also be a personal obligation of the person who is the Owner of such property at the time when the assessment fell due. Such personal obligation shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, enjoyment and welfare of the residents in the Properties and in particular for the improvements and maintenance of property, services and facilities devoted to the purpose and related to the use and enjoyment of homes situated upon the Properties and any other purpose reasonable, necessary or incidental to such purposes.

Section 3. Basis of Annual Assessment. Unless changed by vote of the Membership, as hereinafter provided, the maximum annual assessment for any Lot owned by Class A Members on which is located in a single family detached dwelling shall be $250.00 per year. The assessment for Lots owned by Class A Members shall be at such assessment ratio as shall be determined by the Board of Directors for that particular development within six (6) months after its annexation to the Properties, having in mind the additional amenities furnished to the particular Lot not otherwise available to the Members. Such assessment ratio shall not thereafter be changed by the Board of Directors without approval of sixty-six percent (66%) of the Members.

The assessments shall be based upon the cash requirements deemed to be such aggregate sums as the Board of Directors of the Association shall from time to time determine is necessary to provide for the payment of all estimated expenses growing out of or connected with the maintenance and operation of the Green Area, which sum may include, but not limited to, any special assessments on the Common or Green Areas, insurance premiums for vandalism and malicious mischief, with endorsements attached, issued in the amount of the maximum replacement value of all of the Common Area improvements; casualty and public liability and other insurance premiums; landscaping and care of grounds; streets, lighting, repairs and renovations of Common Areas and Green Areas, wages, charges for water used by the Association, grounds maintenance, any expenses of providing security and protection for the Owners, legal and accounting fees, management fees,

expenses and liabilities incurred by the Board of Directors under or by reason of this Declaration, the payment of any deficit remaining for a previous period, the creation of a reasonable contingency or other reserve or surplus funds as well as any and all other costs and expenses necessary to carry out the terms and intent of this Declaration. The Association shall maintain an adequate reserve fund out of the annual assessments rather than by period assessment for the maintenance, repair and replacement of those elements of the Common Area and Green Areas that must be replaced on a periodic basis. The Board of Directors of the Association may after consideration of the current maintenance costs and the financial requirements of the Association fix the annual actual assessment at an amount less than the maximum. Such reserve fund shall not be used to construct or establish new capital improvements without an affirmative vote of one-half of each class of Members.

Any agreement for management of the Associations's business or any other contract for services by the Declarant must provide for termination by either party without cause or payment of a termination fee on thirty (30) days or less written notice and a maximum contract term of three (3) years.

The maximum annual assessment may be changed as follows:

A. From and after January 1, 1988, the maximum annual assessment may be increased each year not more than ten percent (10%) above the maximum assessment for the previous year without a vote of the Membership.

B. From and after January 1, 1988, the maximum annual assessment may be increased above ten percent (10%) by a vote of one-half (1/2) of each class of Members who are voting in person or by proxy, at a meeting duly called for this purpose.

C. The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. Upon vote of the Members of the Association in the manner hereinafter set forth, the Association may levy in addition to annual assessments a special assessment in any calendar year applicable to that year only, for the purpose of defraying in whole or in part the costs of construction or reconstruction or expected repair or replacement of a described capital improvement upon the Common Area or Green Area, including necessary fixtures and personal property related thereto, provided that, any such assessment shall have the assent of sixty percent (60%) of the votes of each class of Members who are voting in person, or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than thirty (30) days nor more that sixty (60) days in advance of the meeting setting forth the purpose of the meeting. The assessment ratio for any Lot, as determined pursuant to Section 3, shall be applicable to special assessments.

Section 5. Voting and Notices for Special Assessment and Change of Maximum Assessment. Written notice of any meeting of Members called to change the maximum annual assessment or to levy a special assessment shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the date of such meeting, setting forth the purpose of the meeting.

Section 6. Quorum for Action Authorized Under Section 4 and 5. The quorum required for any action authorized in Section 4 and 5 of this Article VI shall be as follows:

At the first meeting called, as provided in Section 4 and 5 hereof, the presence at the meeting of Members, or of proxies entitled to cast sixty percent (60%) of all votes of each class of Membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in Sections 4 and 5 and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessment. The initial annual assessments shall commence on the first day of such month as

determined by the Board of Directors of the Association, shall be made for the balance of the calendar year, and shall be due and payable on the date fixed by the Board. Annual assessments for any year after the first year shall become due and payable on or before February 1 of such year, and at the Board's discretion may be collected on a monthly basis.

The amount of the initial annual assessment for the first year in which assessments are made or for any property which becomes subject to assessments for the first time shall be prorated on a calendar year basis according to the date on which property first became subject to assessment.

The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

Section 8. Duty of the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

Section 9. The Effect of Non-payment of Assessments; Lien of Association. If an assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $20.00 and the assessment shall bear interest at the rate of ten percent (10%) per annum for such due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such Lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Common and Green Areas, specifying and itemizing the maintenance and repair expenses of the Common Areas and Green Areas and any other expenses incurred. Such records and the vouchers authorizing the

payments shall be available on request for examination by the Owners and others with an interest such as encumbrancers or prospective lenders.

Section 12. Protection of Mortgagees. First mortgagees of Lots may pay taxes or other charges or assessments which are in default and which may become a lien against the Common or Green Areas and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Common and Green Areas and the first mortgagees making such payments shall be owed immediately reimbursement therefore from the Association.

IN WITNESS WHEREOF, the undersigned being the Declarant herein has hereunto set its hand and seal as of the day and year first hereinabove set forth.

Each Owner may use such personal property in accordance with the purpose for which it is intended, without hindering or encroaching upon the lawful rights of the the other Owners. Sale of a Lot under foreclosure shall thereby entitle the purchase thereof to the beneficial interest in the personal property associated with the Lot.

ARTICLE VII

COVENANT FOR MAINTENANCE ASSESSMENT

Section 1. Creation of the Lien and Personal Obligation of Assessment. Declarant for each Lot owned by it within the Properties hereby covenants, and each Owner of any Lot by acceptance of the deed therefor, whether or not it shall be so expressed in acceptance of the deed therefor, shall be deemed to covenant and agree to pay to the Association annual assessments and special assessments for capital improvements. Such assessments shall be fixed, established and collected from time to time as hereinafter provided. The annual and special assessments, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall be a continuing lien upon the property against which each such assessment is made from the date hereinafter set forth. Each such assessment, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall also be a personal obligation of the person who is the Owner of such property at the time when the assessment fell due. Such personal obligation shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, enjoyment and welfare of the residents in the Properties and in particular for the improvements and maintenance of property, services and facilities devoted to the purpose and related to the use and enjoyment of homes situated upon the Properties and any other purpose reasonable, necessary or incidental to such purposes.

Section 3. Basis of Annual Assessment. Unless changed by vote of the Membership, as hereinafter provided, the maximum annual assessment for any Lot owned by Class A Members on which is located in a single family detached dwelling shall be $250.00 per year. The assessment for Lots owned by Class A Members shall be at such assessment ratio as shall be determined by the Board of Directors for that particular development within six (6) months after its annexation to the Properties, having in mind the additional amenities furnished to the particular Lot not otherwise available to the Members. Such assessment ratio shall not thereafter be changed by the Board of Directors without approval of sixty-six percent (66%) of the Members.

The assessments shall be based upon the cash requirements deemed to be such aggregate sums as the Board of Directors of the Association shall from time to time determine is necessary to provide for the payment of all estimated expenses growing out of or connected with the maintenance and operation of the Green Area, which sum may include, but not limited to, any special assessments on the Common or Green Areas, insurance premiums for vandalism and malicious mischief, with endorsements attached, issued in the amount of the maximum replacement value of all of the Common Area improvements; casualty and public liability and other insurance premiums; landscaping and care of grounds; streets, lighting, repairs and renovations of Common Areas and Green Areas, wages, charges for water used by the Association, grounds maintenance, any expenses of providing security and protection for the Owners, legal and accounting fees, management fees,

expenses and liabilities incurred by the Board of Directors under or by reason of this Declaration, the payment of any deficit remaining for a previous period, the creation of a reasonable contingency or other reserve or surplus funds as well as any and all other costs and expenses necessary to carry out the terms and intent of this Declaration. The Association shall maintain an adequate reserve fund out of the annual assessments rather than by period assessment for the maintenance, repair and replacement of those elements of the Common Area and Green Areas that must be replaced on a periodic basis. The Board of Directors of the Association may after consideration of the current maintenance costs and the financial requirements of the Association fix the annual actual assessment at an amount less than the maximum. Such reserve fund shall not be used to construct or establish new capital improvements without the affirmative vote of one-half of each class of Members.

Any Agreement for management of the Associations's business or any other contract for services by the Declarant must provide for termination by either party without cause or payment of a termination fee on thirty (30) days or less written notice and a maximum contract term of three (3) years.

The maximum annual assessment may be changed as follows:

A. From and after January 1, 1985, the maximum annual assessment may be increased each year not more than ten percent (10%) above the maximum assessment for the previous year without a vote of the Membership.

B. From and after January 1, 1985, the maximum annual assessment may be increased above ten percent (10%) by a vote of one-half (1/2) of each class of Members who are voting in person or by proxy, at a meeting duly called for this purpose.

C. The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. Upon vote of the Members of the Association in the manner hereinafter set forth, the Association may levy in addition to annual assessments a special assessment in any calendar year applicable to that year only, for the purpose of defraying in whole or in part the costs of construction or reconstruction or expected repair or replacement of a described capital improvement upon the Common Area or Green Area, including necessary fixtures and personal property related thereto, provided that, any such assessment shall have the assent of sixty percent (60%) of the votes of each class of Members who are voting in person, or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than thirty (30) days nor more that sixty (60) days in advance of the meeting setting forth the purpose of the meeting. The assessment ratio for any Lot, as determined pursuant to Section 3, shall be applicable to special assessments.

Section 5. Voting and Notices for Special Assessment and Change of Maximum Assessment. Written notice of any meeting of Members called to change the maximum annual assessment or to levy a special assessment shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the date of such meeting, setting forth the purpose of the meeting.

Section 6. Quorum for Action Authorized Under Section 4 and 5. The quorum required for any action authorized in Section 4 and 5 of this Article VI shall be as follows:

At the first meeting called, as provided in Section 4 and 5 hereof, the presence at the meeting of Members, or of proxies entitled to cast sixty percent (60%) of all votes of each class of Membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in Sections 4 and 5 and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessment. The initial annual assessments shall commence on the first day of such month as

determined by the Board of Directors of the Association, shall be made for the balance of the calendar year, and shall be due and payable on the date fixed by the Board. Annual assessments for any year after the first year shall become due and payable on or before February 1 of such year, and at the Board's discretion may be collected on a monthly basis.

The amount of the initial annual assessment for the first year in which assessments are made or for any property which becomes subject to assessments for the first time shall be prorated on a calendar year basis according to the date on which property first became subject to assessment.

The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

Section 8. Duty of the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

Section 9. The Effect of Non-payment of Assessments; Lien of Association. If an assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $20.00 and the assessment shall bear interest at the rate of ten percent (10%) per annum for such due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such Lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Common and Green Areas, specifying and itemizing the maintenance and repair expenses of the Common Areas and Green Areas and any other expenses incurred. Such records and the vouchers authorizing the

payments shall be available on request for examination by the Owners and others with an interest such as encumbrancers or prospective lenders.

Section 12. Protection of Mortgagees. First mortgagees of Lots may pay taxes or other charges or assessments which are in default and which may become a lien against the Common or Green Areas and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Common and Green Areas and the first mortgagees making such payments shall be owed immediately reimbursement therefore from the Association.

D. Should any builder own any lot which is the subject of these restrictions, that builder shall assign his voting rights to the developer. Said voting rights shall be voted as Class A Membership and not Class B Membership.

ARTICLE V

ADMINISTRATION AND MANAGEMENT

The administration of the Properties shall be governed by these covenants, the Articles of Incorporation, By-Laws, and published rules and regulations of the Association. Each Owner may use such personal property in accordance with the purpose for which it is intended, without hindering or encroaching upon the lawful rights of the the other Owners. Sale of a Lot under foreclosure shall thereby entitle the purchase thereof to the beneficial interest in the personal property associated with the Lot.

ARTICLE VII

COVENANT FOR MAINTENANCE ASSESSMENT

Section 1. Creation of the Lien and Personal Obligation of Assessment. Declarant for each Lot owned by it within the Properties hereby covenants, and each Owner of any Lot by acceptance of the deed therefor, whether or not it shall be so expressed in acceptance of the deed therefor, shall be deemed to covenant and agree to pay to the Association annual assessments and special assessments for capital improvements. Such assessments shall be fixed, established and collected from time to time as hereinafter provided. The annual and special assessments, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall be a continuing lien upon the property against which each such assessment is made from the date hereinafter set forth. Each such assessment, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall also be a personal obligation of the person who is the Owner of such property at the time when the assessment fell due. Such personal obligation shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, enjoyment and welfare of the residents in the Properties and in particular for the improvements and maintenance of property, services and facilities devoted to the purpose and related to the use and enjoyment of homes situated upon the Properties and any other purpose reasonable, necessary or incidental to such purposes.

Section 3. Basis of Annual Assessment. Unless changed by vote of the Membership, as hereinafter provided, the maximum annual assessment for any Lot owned by Class A Members on which is located in a single family detached dwelling shall be $250.00 per year. The assessment for lots owned by Class A Members shall be at such assessment ratio as shall be determined by the Board of Directors for that particular development within six (6) months after its annexation to the Properties, having in mind the additional amenities furnished to the particular Lot not otherwise available to the Members. Such assessment ratio shall not thereafter be changed by the Board of Directors without approval of sixty-six percent (66%) of the Members.

The assessments shall be based upon the cash requirements deemed to be such aggregate sums as the Board of Directors of the Association shall from time to time determine is necessary to provide for the payment of all estimated expenses growing out of or connected with the maintenance and operation of the Green Area, which sum may include, but not limited to, any special assessments on the Common or Green Areas, insurance premiums for vandalism and malicious mischief, with endorsements attached, issued in the amount of the maximum replacement value of all of the Common Area improvements; casualty and public liability and other insurance premiums; landscaping and care of grounds; streets, lighting, repairs and renovations of Common Areas and Green Areas, wages, charges for water used by the Association, grounds maintenance, any expenses of providing security and protection for the Owners, legal and accounting fees, management fees,

expenses and liabilities incurred by the Board of Directors under or by reason of this Declaration, the payment of any deficit remaining for a previous period, the creation of a reasonable contingency or other reserve or surplus funds as well as any and all other costs and expenses necessary to carry out the terms and intent of this Declaration. The Association shall maintain an adequate reserve fund out of the annual assessments rather than by period assessment for the maintenance, repair and replacement of those elements of the Common Area and Green Areas that must be replaced on a periodic basis. The Board of Directors of the Association may after consideration of the current maintenance costs and the financial requirements of the Association fix the annual actual assessment at an amount less than the maximum. Such reserve fund shall not be used to construct or establish new capital improvements without an affirmative vote of one-half of each class of Members.

Any agreement for management of the Associations's business or any other contract for services by the Declarant must provide for termination by either party without cause or payment of a termination fee on thirty (30) days or less written notice and a maximum contract term of three (3) years.

The maximum annual assessment may be changed as follows:

A. From and after January 1, 1988, the maximum annual assessment may be increased each year not more than ten percent (10%) above the maximum assessment for the previous year without a vote of the Membership.

B. From and after January 1, 1988, the maximum annual assessment may be increased above ten percent (10%) by a vote of one-half (1/2) of each class of Members who are voting in person or by proxy, at a meeting duly called for this purpose.

C. The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. Upon vote of the Members of the Association in the manner hereinafter set forth, the Association may levy in addition to annual assessments a special assessment in any calendar year applicable to that year only, for the purpose of defraying in whole or in part the costs of construction or reconstruction or expected repair or replacement of a described capital improvement upon the Common Area or Green Area, including necessary fixtures and personal property related thereto, provided that, any such assessment shall have the assent of sixty percent (60%) of the votes of each class of Members who are voting in person, or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than thirty (30) days nor more that sixty (60) days in advance of the meeting setting forth the purpose of the meeting. The assessment ratio for any Lot, as determined pursuant to Section 3, shall be applicable to special assessment.

Section 5. Voting and Notices for Special Assessment and Change of Maximum Assessment. Written notice of any meeting of Members called to change the maximum annual assessment or to levy a special assessment shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the date of such meeting, setting forth the purpose of the meeting.

Section 6. Quorum for Action Authorized Under Section 4 and 5. The quorum required for any action authorized in Section 4 and 5 of this Article VI shall be as follows:

At the first meeting called, as provided in Section 4 and 5 hereof, the presence at the meeting of Members, or of proxies entitled to cast sixty percent (60%) of all votes of each class of Membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in Sections 4 and 5 and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessment. The initial annual assessments shall commence on the first day of such month as

determined by the Board of Directors of the Association, shall be made for the balance of the calendar year, and shall be due and payable on the date fixed by the Board. Annual assessments for any year after the first year shall become due and payable on or before February 1 of such year, and at the Board's discretion may be collected on a monthly basis.

The amount of the initial annual assessment for the first year in which assessments are made or for any property which becomes subject to assessments for the first time shall be prorated on a calendar year basis according to the date on which property first became subject to assessment.

The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

Section 8. Duty of the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

Section 9. The Effect of Non-payment of Assessments; Lien of Association. If an assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $20.00 and the assessment shall bear interest at the rate of ten percent (10%) per annum for such due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such Lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Common and Green Areas, specifying and itemizing the maintenance and repair expenses of the Common Areas and Green Areas and any other expenses incurred. Such records and the vouchers authorizing the

payments shall be available on request for examination by the Owners and others with an interest such as encumbrancers or prospective lenders.

Section 12. Protection of Mortgagees. First mortgagees of Lots may pay taxes or other charges or assessments which are in default and which may become a lien against the Common or Green Areas and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Common and Green Areas and the first mortgagees making such payments shall be owed immediately reimbursement therefore from the Association.

IN WITNESS WHEREOF, the undersigned being the Declarant herein has hereunto set its hand and seal as of the day and year first hereinabove set forth.

Section 2. Method of Making Additions. Additions authorized under this Article shall be made by filing for record a Supplemental Declaration of covenants and restrictions with respect to the additional property. Such Supplemental Declaration may contain such additions and modifications of the covenants and restrictions contained in this Declaration as may be necessary to reflect the different character of the added properties in the sole discretion of Declarant. In no event, however, shall such Supplemental Declaration revoke, modify or add to the covenants established by this Declaration with respect to the Properties subject to this Declaration just prior to such Supplemental Declaration being filed for record.

Section 3. Additions by Others. All fences on lots shall be maintained in good repair and in a clean and attractive manner.

ARTICLE IV

VOL. 8838 PG. 774

Section 1. Membership. Every person or entity who is a record owner of a fee or undivided fee interest in any Lot which is subject by covenants of record to assessment by the Association, including contract sellers, shall be a Member of the Association. The foregoing is not intended to include persons or entities who hold an interest merely as security for the performance of an obligation. Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to assessment by the Association. Ownership of such Lot shall be the sole qualification for Membership. When more than one person holds a Membership interest in any Lot, all such persons shall be Members. The vote for such Lot shall be exercised as they among themselves determine, but in no event shall more than one (1) vote be cast with respect to any Lot.

Section 2. Voting Rights. There shall be two classes of voting Membership.

A. Class A Members will be all those Members other than Southcreek, Inc. Class A Members shall be entitled to one vote for each Lot in which they hold the interest required for Membership by Section 1. When Class B Membership has been converted to Class A Membership, all Directors of the Association shall be elected by the Class A Members.

B. The Class B Members shall be Southcreek, Inc. or its successors or assigns. Class B Members shall be entitled to four votes for each Lot owned by the Declarant or its successors or assigns, and shall be entitled to elect all Members of the Board of Directors of the Association. Class B Membership may cease and be converted to Class A Membership at the option of the Class B Member, its successors or assigns by its written notice to the Secretary of the Association, and shall cease and be converted to Class A Membership without further act or deed when the total votes outstanding in the Class A Membership equal the total votes outstanding in the Class B Membership.

C. As long as a Class B Membership exists, Associate Memberships in the Association will not be established by the Board of Directors of the Association without an affirmative vote of a majority of the Class A Members of the Association.

D. Should any builder own any lot which is the subject of these restrictions, that builder shall assign his voting rights to the developer. Said voting rights shall be voted as Class A Membership and not Class B Membership.

ARTICLE V

ADMINISTRATION AND MANAGEMENT

The administration of the Properties shall be governed by these covenants, the Articles of Incorporation, By-Laws, and published rules and regulations of the Association. As shown and reserved to Declarant in the Articles of Incorporation and By-Laws for the Association, the designation and appointment of the Board of Directors for the Association may, at Declarant's option, be exercised solely by the Declarant until the Class B Membership terminates.

ARTICLE VI

Section 1. Extent of Members' Easements. The rights and easements of enjoyment created hereby shall be subject to the following:

A. The right of the Association to limit the number of guests of Members.

B. The rights of the Declarant and of the Association, in accordance with its Articles and By-Laws, to borrow money for the purpose of improving the Green Area and with written consent of the Members entitled to vote seventy-five percent (75%) the votes of each class of Membership to mortgage said Common Areas and Green Areas as security for any such loan.

The Association may acquire and hold for the use and benefit of all Members of the Association, tangible and intangible personal property and may dispose of the same by sale or otherwise, and the beneficial interest in any such property shall be owned by the Members of the Association and their interest therein shall not be transferable except that the interest of a Member who is an Owner shall be deemed to be transferred upon the transfer of the Member's Lot. A transfer of a Lot shall transfer to the transferee ownership of the transferor's beneficial interest in such personal property without any reference thereto or execution of a bill of sale. Each Owner may use such personal property in accordance with the purpose for which it is intended, without hindering or encroaching upon the lawful rights of the the other Owners. Sale of a Lot under foreclosure shall thereby entitle the purchaser thereof to the beneficial interest in the personal property associated with the Lot.

ARTICLE VII

COVENANT FOR MAINTENANCE ASSESSMENT

Section 1. Creation of the Lien and Personal Obligation of Assessment. Declarant for each Lot owned by it within the Properties hereby covenants, and each Owner of any Lot by acceptance of the deed therefor, whether or not it shall be so expressed in acceptance of the deed therefor, shall be deemed to covenant and agree to pay to the Association annual assessments and special assessments for capital improvements. Such assessments shall be fixed, established and collected from time to time as hereinafter provided. The annual and special assessments, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall be a continuing lien upon the property against which each such assessment is made from the date hereinafter set forth. Each such assessment, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall also be a personal obligation of the person who is the Owner of such property at the time when the assessment fell due. Such personal obligation shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, enjoyment and welfare of the residents in the Properties and in particular for the improvements and maintenance of property, services and facilities devoted to the purpose and related to the use and enjoyment of homes situated upon the Properties and any other purpose reasonable, necessary or incidental to such purposes.

Section 3. Basis of Annual Assessment. Unless changed by vote of the Membership, as hereinafter provided, the maximum annual assessment for any Lot owned by Class A Members on which is located a single family detached dwelling shall be $250.00 per year. The assessment for Lots owned by Class A Members shall be at such assessment ratio as shall be determined by the Board of Directors for that particular development within six (6) months after its annexation to the Properties, having in mind the additional benefits furnished to the particular Lot not otherwise available to the Members. Such assessment ratio shall not thereafter be changed by the Board of Directors without approval of sixty-six percent (66%) of the Members.

The assessments shall be based upon the cash requirements deemed to be such aggregate sums as the Board of Directors of the Association shall from time to time determine is necessary to provide for the payment of all estimated expenses growing out of or connected with the maintenance and operation of the Green Area, which sum may include, but not limited to, any special assessments on the Common or Green Areas, insurance premiums for vandalism and malicious mischief, with endorsements attached, issued in the amount of the maximum replacement value of all of the Common Area improvements; casualty and public liability and other insurance premiums; landscaping and care of grounds; streets, lighting, repairs and renovations of Common Areas and Green Areas, wages, charges for water used by the Association, grounds maintenance, any expenses of providing security and protection for the Owners, legal and accounting fees, management fees,

expenses and liabilities incurred by the Board of Directors under or by reason of this Declaration, the payment of any deficit remaining for a previous period, the creation of a reasonable contingency or other reserve or surplus funds as well as any and all other costs and expenses necessary to carry out the terms and intent of this Declaration. The Association shall maintain an adequate reserve fund out of the annual assessments rather than by period assessment for the maintenance, repair and replacement of those elements of the Common Area and Green Areas that must be replaced on a periodic basis. The Board of Directors of the Association may after consideration of the current maintenance costs and the financial requirements of the Association fix the annual actual assessment at an amount less than the maximum. Such reserve fund shall not be used to construct or establish new capital improvements without an affirmative vote of one-half of each class of Members.

Any agreement for management of the Associations's business or any other contract for services by the Declarant must provide for termination by either party without cause or payment of a termination fee on thirty (30) days or less written notice and a maximum contract term of three (3) years.

The maximum annual assessment may be changed as follows:

A. From and after January 1, 1988, the maximum annual assessment may be increased each year not more than ten percent (10%) above the maximum assessment for the previous year without a vote of the Membership.

B. From and after January 1, 1988, the maximum annual assessment may be increased above ten percent (10%) by a vote of one-half (1/2) of each class of Members who are voting in person or by proxy, at a meeting duly called for this purpose.

C. The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. Upon vote of the Members of the Association in the manner hereinafter set forth, the Association may levy in addition to annual assessments a special assessment in any calendar year applicable to that year only, for the purpose of defraying in whole or in part the costs of construction or reconstruction or expected repair or replacement of a described capital improvement upon the Common Area or Green Area, including necessary fixtures and personal property related thereto, provided that, any such assessment shall have the assent of sixty percent (60%) of the votes of each class of Members who are voting in person, or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than thirty (30) days nor more that sixty (60) days in advance of the meeting setting forth the purpose of the meeting. The assessment ratio for any Lot, as determined pursuant to Section 3, shall be applicable to special assessment.

Section 5. Voting and Notices for Special Assessment and Change of Maximum Assessment. Written notice of any meeting of Members called to change the maximum annual assessment or to levy a special assessment shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the date of such meeting, setting forth the purpose of the meeting.

Section 6. Quorum for Action Authorized Under Section 4 and 5. The quorum required for any action authorized in Section 4 and 5 of this Article VI shall be as follows:

At the first meeting called, as provided in Section 4 and 5 hereof, the presence at the meeting of Members, or of proxies entitled to cast sixty percent (60%) of all votes of each class of Membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in Sections 4 and 5 and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessment. The initial annual assessments shall commence on the first day of such month as

determined by the Board of Directors of the Association, shall be made for the balance of the calendar year, and shall be due and payable on the date fixed by the Board. Annual assessments for any year after the first year shall become due and payable on or before February 1 of such year, and at the Board's discretion may be collected on a monthly basis.

The amount of the initial annual assessment for the first year to which assessments are made or for any property which becomes subject to assessments for the first time shall be prorated on a calendar year basis according to the date on which property first became subject to assessment.

The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

Section 8. Duty of the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

Section 9. The Effect of Non-payment of Assessments; Lien of Association. If an assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $20.00 and the assessment shall bear interest at the rate of ten percent (10%) per annum for such due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such Lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Common and Green Areas, specifying and itemizing the maintenance and repair expenses of the Common Areas and Green Areas and any other expenses incurred. Such records and the vouchers authorizing the

payments shall be available on request for examination by the Owners and others with an interest such as encumbrancers or prospective lenders.

Section 12. Protection of Mortgagees. First mortgagees of Lots may pay taxes or other charges or assessments which are in default and which may become a lien against the Common or Green Areas and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Common and Green Areas and the first mortgagees making such payments shall be owed immediately reimbursement therefore from the Association.

IN WITNESS WHEREOF, the undersigned being the Declarant herein has hereunto set its hand and seal as of the day and year first hereinabove set forth.

Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to assessment by the Association. Sale of a Lot under foreclosure shall thereby entitle the purchaser thereof to the beneficial interest in the personal property associated with the Lot.

ARTICLE VII

COVENANT FOR MAINTENANCE ASSESSMENT

Section 1. Creation of the Lien and Personal Obligation of Assessment. Declarant for each Lot owned by it within the Properties hereby covenants, and each Owner of any Lot by acceptance of the deed therefor, whether or not it shall be so expressed in acceptance of the deed therefor, shall be deemed to covenant and agree to pay to the Association annual assessments and special assessments for capital improvements. Such assessments shall be fixed, established and collected from time to time as hereinafter provided. The annual and special assessments, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall be a continuing lien upon the property against which each such assessment is made from the date hereinafter set forth. Each such assessment, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall also be a personal obligation of the person who is the Owner of such property at the time when the assessment fell due. Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, enjoyment and welfare of the residents in the Properties and in particular for the improvement and maintenance of property, services and facilities devoted to the purpose and related to the use and enjoyment of homes situated upon the Properties and any other purpose reasonable, necessary or incidental to such purposes.

The assessments shall be based upon the cash requirements deemed to be such aggregate sums as the board of Directors of the Association shall from time to time determine is necessary to provide for the payment of all estimated expenses growing out of or connected with the maintenance and operation of the Green Area, which sum may include, but not limited to, any special assessments on the Common or Green Areas, insurance premiums for vandalism and malicious mischief, with endorsements attached, issued in the amount of the maximum replacement value of all of the Common Area improvements; casualty and public liability and other insurance premiums; landscaping and care of grounds; streets, lighting, repairs and renovations of Common Areas and Green Areas, wages, charges for water used by the Association, grounds maintenance, any expenses of providing security and protection for the Owners, legal and accounting fees, management fees,

The Association shall maintain an adequate reserve fund out of the annual assessments rather than by period assessments for the maintenance, repair and replacement of those elements of the Common Area and Green Areas that must be replaced on a periodic basis. The Board of Directors of the Association may after consideration of the current maintenance costs and the financial requirements of the Association fix the annual actual assessment at an amount less than the maximum. Such reserve fund shall not be used to construct or establish new capital improvements without an affirmative vote of one-half of each class of Members.

Any agreement for management of the Associations's business or any other contract for services by the Declarant must provide for termination by either party without cause or payment of a termination fee on thirty (30) days or less written notice and a maximum contract term of three (3) years.

The maximum annual assessment may be changed as follows:

A. From and after January 1, 1988, the maximum annual assessment may be increased each year not more than ten percent (10%) above the maximum assessment for the previous year without a vote of the Membership.

B. From and after January 1, 1988, the maximum annual assessment may be increased above ten percent (10%) by a vote of one-half (1/2) of each class of Members who are voting in person or by proxy, at a meeting duly called for this purpose.

C. The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. Upon vote of the Members of the Association in the manner hereinafter set forth, the Association may levy in addition to annual assessments a special assessment in any calendar year applicable to that year only, for the purpose of defraying in whole or in part the costs of construction or reconstruction or expected repair or replacement of a described capital improvement upon the Common Area or Green Area, including necessary fixtures and personal property related thereto, provided that, any such assessment shall have the assent of sixty percent (60%) of the votes of each class of Members who are voting in person, or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than thirty (30) days nor more that sixty (60) days in advance of the meeting setting forth the purpose of the meeting. The assessment ratio for any Lot, as determined pursuant to Section 3, shall be applicable to special assessment.

Section 5. Voting and Notices for Special Assessment and Change of Maximum Assessment. Written notice of any meeting of Members called to change the maximum annual assessment or to levy a special assessment shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the date of such meeting, setting forth the purpose of the meeting.

Section 6. Quorum for Action Authorized Under Section 4 and 5. The quorum required for any action authorized in Section 4 and 5 of this Article VI shall be as follows:

At the first meeting called, as provided in Section 4 and 5 hereof, the presence at the meeting of Members, or of proxies entitled to cast sixty percent (60%) of all votes of each class of Membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in Sections 4 and 5 and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessment. The initial annual assessments shall commence on the first day of such month as

determined by the Board of Directors of the Association, shall be made for the balance of the calendar year, and shall be due and payable on the date fixed by the Board. Annual assessments for any year after the first year shall become due and payable on or before February 1 of such year, and at the Board's discretion may be collected on a monthly basis.

The amount of the initial annual assessment for the first year in which assessments are made or for any property which becomes subject to assessments for the first time shall be prorated on a calendar year basis according to the date on which property first became subject to assessment.

The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

Section 8. Duty of the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

Section 9. The Effect of Non-Payment of Assessments; Lien of Association. If an assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $20.00 and the assessment shall bear interest at the rate of ten percent (10%) per annum for such due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such Lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Common and Green Areas, specifying and itemizing the maintenance and repair expenses of the Common Areas and Green Areas and any other expenses incurred. Such records and the vouchers authorizing the

payments shall be available on request for examination by the owners and others with an interest such as encumbrancers or prospective lenders.

Section 12. Protection of Mortgagees. First mortgagees of Lots may pay taxes or other charges or assessments which are in default and which may become a lien against the Common or Green Areas and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Common and Green Areas and the first mortgagees making such payments shall be owed immediately reimbursement therefore from the Association.

IN WITNESS WHEREOF, the undersigned being the Declarant herein has hereunto set its hand and seal as of the day and year first hereinabove set forth.

Section 2. Method of Making Additions. Additions authorized under this Article shall be made by filing for record a Supplemental Declaration of covenants and restrictions with respect to the additional property. Such Supplemental Declaration may contain such additions and modifications of the covenants and restrictions contained in this Declaration as may be necessary to reflect the different character of the added properties in the sole discretion of Declarant. In no event, however, shall such Supplemental Declaration revoke, modify or add to the covenants established by this Declaration with respect to the Properties subject to this Declaration just prior to such Supplemental Declaration being filed for record.

Section 3. Additions by Others. So long as Declarant is a Class B Member, additions may be made by any other owner of property who with the approval of the Board of Directors of the Association desires to add such property located within the boundaries described in Section 1 of this Article II to the scheme of this Declaration and to subject it to the jurisdiction of the Association. When Declarant ceases to be a Class B Member, such additions may be made upon approval of the Association pursuant to a vote of its Members, as provided in its Articles of Incorporation. Such approval by the Board of Directors of Membership shall be evidenced by a certified copy of such resolution of approval recorded in Tarrant County, Texas.

ARTICLE III

ADDITIONAL RESTRICTIONS

Section 1. Keeping of Vehicles on Property. The keeping of mobil homes, with or without wheels, on any lot is expressly prohibited. Motor boats, house boats and similar water borne vehicles or travel trailers may be maintained, stored or kept on any lot provided the same are housed completely within a structure or enclosure which has been approved architecturally by the Architectural Control Committee. All vehicles belonging to occupants must be parked overnight in the occupant's driveway or in the above mentioned enclosure. In no case may the occupant's vehicles be parked overnight on the streets of the subdivision or within the improved yard of the occupant.

Section 2. Yard Care. As soon as the growing season reasonably permits, the grounds around all living units shall be seeded, sodded or otherwise planted by the Owner thereof with grass or other ground cover or plantings and maintained in a clean and attractive manner free of dust and weeds. All fences on Lots shall be maintained in good repair and in a clean and attractive manner.

ARTICLE IV

MEMBERSHIP AND VOTING RIGHTS IN THE ASSOCIATION

Section 1. Membership. Every person or entity who is a record owner of a fee or undivided fee interest in any Lot which is subject by covenants of record to assessment by the Association, including contract sellers, shall be a Member of the Association. The foregoing is not intended to include persons or entities who hold an interest merely as security for the performance of obligation. Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to assessment by the Association. Ownership of such Lot shall be the sole qualification for Membership. When more than one person holds a Membership interest in any Lot, all such persons shall be Members. The vote for such Lot shall be exercised as they among themselves determine, but in no event shall more than one (1) vote be cast with respect to any Lot.

Section 2. Voting Rights. There shall be two classes of voting Membership.

A. Class A Members will be all those Members other than Southcreek, Inc. Class A Members shall be entitled to one vote for each Lot in which they hold the interest required for Membership by Section 1. When Class B Membership has been coverted to Class A Membership, all Directors of the Association shall be elected by the Class A Members.

B. The Class B Members shall be Southcreek, Inc. or its successors or assigns. Class B Members shall be entitled to four votes for each Lot owned by the Declarant or its successors or assigns, and shall be entitled to elect all Members of the Board of Directors of the Association. Class B Membership may cease and be converted to Class A Membership at the option of the Class B Member, its successors or assigns by its written notice to the Secretary of the Association, and shall cease and be converted to Class A Membership without further act or deed when the total votes outstanding in the Class A Membership equal the total votes outstanding in the Class B Membership.

C. As long as a Class B Membership exists, Associate Memberships in the Association will not be established by the Board of Directors of the Association without an affirmative vote of a majority of the Class A Members of the Association.

D. Should any builder own any lot which is the subject of these restrictions, that builder shall assign his voting rights to the developer. Said voting rights shall be voted as Class A Membership and not Class B Membership.

ARTICLE V

ADMINISTRATION AND MANAGEMENT

The administration of the Properties shall be governed by these covenants, the Articles of Incorporation, By-Laws, and published rules and regulations of the Association. As shown and reserved to Declarant in the Articles of Incorporation and By-Laws for the Association, the designation and appointment of the Board of Directors for the Association may, at Declarant's option, be exercised solely by the Declarant until the Class B Membership terminates.

ARTICLE VI

PROPERTY RIGHTS IN THE COMMON PROPERTIES

Section 1. Extent of Members' Easements. The rights and easements of enjoyment created hereby shall be subject to the following:

A. The right of the Association to limit the number of guests of Members.

B. The rights of the Declarant and of the Association, in accordance with its Articles and By-Laws, to borrow money for the purpose of improving the Green Area and with written consent of the Members entitled to vote seventy-five percent (75%) the votes of each class of Membership to mortgage said Common Areas and Green Areas as security for any such loan.

C. The right of the Association to promulgate and publish rules and regulations which each Member shall strictly comply with.

Section 2. Personal Property for Common Use. The Association may acquire and hold for the use and benefit of all Members of the Association, tangible and intangible personal property and may dispose of the same by sale or otherwise, and the beneficial interest in any such property shall be owned by the Members of the Association and their interest therein shall not be transferable except that the interest of a Member who is an Owner shall be deemed to be transferred upon the transfer of the Member's Lot. A transfer of a Lot shall transfer to the transferee ownership of the transferor's beneficial interest in such personal property without any reference thereto or execution of a bill of sale. Each Owner may use such personal property in accordance with the purpose for which it is intended, without hindering or encroaching upon the lawful rights of the the other Owners. Sale of a Lot under foreclosure shall thereby entitle the purchase thereof to the beneficial interest in the personal property associated with the Lot.

ARTICLE VII

COVENANT FOR MAINTENANCE ASSESSMENT

Section 1. Creation of the Lien and Personal Obligation of Assessment. Declarant for each Lot owned by it within the Properties hereby covenants, and each Owner of any Lot by acceptance of the deed therefor, whether or not it shall be so expressed in acceptance of the deed therefor, shall be deemed to covenant and agree to pay to the Association annual assessments and special assessments for capital improvements. Such assessments shall be fixed, established and collected from time to time as hereinafter provided. The annual and special assessments, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall be a continuing lien upon the property against which each such assessment is made from the date hereinafter set forth. Each such assessment, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall also be a personal obligation of the person who is the Owner of such property at the time when the assessment fell due. Such personal obligation shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, enjoyment and welfare of the residents in the Properties and in particular for the improvements and maintenance of property, services and facilities devoted to the purpose and related to the use and enjoyment of homes situated upon the Properties and any other purpose reasonable, necessary or incidental to such purposes.

Section 3. Basis of Annual Assessment. Unless changed by vote of the Membership, as hereinafter provided, the maximum annual assessment for any Lot owned by Class A Members on which is located in a single family detached dwelling shall be $250.00 per year. The assessment for Lots owned by Class A Members shall be at such assessment ratio as shall be determined by the Board of Directors for that particular development within six (6) months after its annexation to the Properties, having in mind the additional amenities furnished to the particular lot not otherwise available to the Members. Such assessment ratio shall not thereafter be changed by the Board of Directors without approval of sixty-six percent (66%) of the Members.

The assessments shall be based upon the cash requirements deemed to be such aggregate sums as the Board of Directors of the Association shall from time to time determine is necessary to provide for the payment of all estimated expenses growing out of or connected with the maintenance and operation of the Green Area, which sum may include, but not limited to, any special assessments on the Common or Green Areas, insurance premiums for vandalism and malicious mischief, with endorsements attached, issued in the amount of the maximum replacement value of all of the Common Area improvements; casualty and public liability and other insurance premiums; landscaping and care of grounds; streets, lighting, repairs and renovations of Common Areas and Green Areas, wages, charges for water used by the Association, grounds maintenance, any expenses of providing security and protection for the Owners, legal and accounting fees, management fees,

expenses and liabilities incurred by the Board of Directors under or by reason of this Declaration, the payment of any deficit remaining for a previous period, the creation of a reasonable contingency or other reserve or surplus funds as well as any and all other costs and expenses necessary to carry out the terms and intent of this Declaration. The Association shall maintain an adequate reserve fund out of the annual assessments rather than by period assessments for the maintenance, repair and replacement of those elements of the Common Area and Green Areas that must be replaced on a periodic basis. The Board of Directors of the Association may after consideration of the current maintenance costs and the financial requirements of the Association fix the annual actual assessment at an amount less than the maximum. Such reserve fund shall not be used to construct or establish new capital improvements without an affirmative vote of one-half of each class of Members.

Any agreement for management of the Associations's business or any other contract for services by the Declarant must provide for termination by either party without cause or payment of a termination fee on thirty (30) days or less written notice and a maximum contract term of three (3) years.

The maximum annual assessment may be changed as follows:

A. From and after January 1, 1986, the maximum annual assessment may be increased each year not more than ten percent (10%) above the maximum assessment for the previous year without a vote of the Membership.

B. From and after January 1, 1988, the maximum annual assessment may be increased above ten percent (10%) by a vote of one-half (1/2) of each class of Members who are voting in person or by proxy, at a meeting duly called for this purpose.

C. The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. Upon vote of the Members of the Association in the manner hereinafter set forth, the Association may levy in addition to annual assessments a special assessment in any calendar year applicable to that year only, for the purpose of defraying in whole or in part the costs of construction or reconstruction or expected repair or replacement of a described capital improvement upon the Common Area or Green Area, including necessary fixtures and personal property related thereto, provided that, any such assessment shall have the assent of sixty percent (60%) of the votes of each class of Members who are voting in person, or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than thirty (30) days nor more that sixty (60) days in advance of the meeting setting forth the purpose of the meeting. The assessment ratio for any Lot, as determined pursuant to Section 3, shall be applicable to special assessment.

Section 5. Voting and Notices for Special Assessment and Change of Maximum Assessment. Written notice of any meeting of Members called to change the maximum annual assessment or to levy a special assessment shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the date of such meeting, setting forth the purpose of the meeting.

Section 6. Quorum for Action Authorized Under Section 4 and 5. The quorum required for any action authorized in Section 4 and 5 of this Article VI shall be as follows:

At the first meeting called, as provided in Section 4 and 5 hereof, the presence at the meeting of Members, or of proxies entitled to cast sixty percent (60%) of all votes of each class of Membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in Sections 4 and 5 and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessment. The initial annual assessments shall commence on the first day of such month as

determined by the Board of Directors of the Association, shall be made for the balance of the calendar year, and shall be due and payable on the date fixed by the Board. Annual assessments for any year after the first year shall become due and payable on or before February 1 of such year, and at the Board's discretion may be collected on a monthly basis.

The amount of the initial annual assessment for the first year in which assessments are made or for any property which becomes subject to assessments for the first time shall be prorated on a calendar year basis according to the date on which property first became subject to assessment.

The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

Section 8. Duty of the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

Section 9. The Effect of Non-payment of Assessments; Lien of Association. If an assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $20.00 and the assessment shall bear interest at the rate of ten percent (10%) per annum for such due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such Lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Common and Green Areas, specifying and itemizing the maintenance and repair expenses of the Common Areas and Green Areas and any other expenses incurred. Such records and the vouchers authorizing the

payments shall be available on request for examination by the Owners and others with an interest such as encumbrancers or prospective lenders.

Section 12. Protection of Mortgagees. First mortgagees of Lots may pay taxes or other charges or assessments which are in default and which may become a lien against the Common or Green Areas and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Common and Green Areas and the first mortgagees making such payments shall be owed immediately reimbursement therefore from the Association.

IN WITNESS WHEREOF, the undersigned being the Declarant herein has hereunto set its hand and seal as of the day and year first hereinabove set forth.

B. The Class B Members shall be Southcreek, Inc. or its successors or assigns. Class B Members shall be entitled to four votes for each Lot owned by the Declarant or its successors or assigns, and shall be entitled to elect all Members of the Board of Directors of the Association. Class B Membership may cease and be converted to Class A Membership at the option of the Class B Member, its successors or assigns by its written notice to the Secretary of the Association, and shall cease and be converted to Class A Membership without further act or deed when the total votes outstanding in the Class A Membership equal the total votes outstanding in the Class B Membership.

C. As long as a Class B Membership exists, Associate Memberships in the Association will not be established by the Board of Directors of the Association without an affirmative vote of a majority of the Class A Members of the Association.

D. Should any builder own any lot which is the subject of these restrictions, that builder shall assign his voting rights to the developer. Said voting rights shall be voted as Class A Membership and not Class B Membership.

ARTICLE V

ADMINISTRATION AND MANAGEMENT

The administration of the Properties shall be governed by these covenants, the Articles of Incorporation, By-Laws, and published rules and regulations of the Association. As shown and reserved to Declarant in the Articles of Incorporation and By-Laws for the Association, the designation and appointment of the Board of Directors for the Association may, at Declarant's option, be exercised solely by the Declarant until the Class B Membership terminates.

A transfer of a Lot shall transfer to the transferee ownership of the transferor's beneficial interest in such personal property without any reference thereto or execution of a bill of sale. Each Owner may use such personal property in accordance with the purpose for which it is intended, without hindering or encroaching upon the lawful rights of the the other Owners. Sale of a Lot under foreclosure shall thereby entitle the purchase thereof to the beneficial interest in the personal property associated with the Lot.

ARTICLE VII

COVENANT FOR MAINTENANCE ASSESSMENT

Section 1. Creation of the Lien and Personal Obligation of Assessment. Declarant for each Lot owned by it within the Properties hereby covenants, and each Owner of any Lot by acceptance of the deed therefor, whether or not it shall be so expressed in acceptance of the deed therefor, shall be deemed to covenant and agree to pay to the Association annual assessments and special assessments for capital improvements. Such assessments shall be fixed, established and collected from time to time as hereinafter provided. The annual and special assessments, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall be a continuing lien upon the property against which each such assessment is made from the date hereinafter set forth. Each such assessment, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall also be a personal obligation of the person who is the Owner of such property at the time when the assessment fell due. Such personal obligation shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, enjoyment and welfare of the residents in the Properties and in particular for the improvements and maintenance of property, services and facilities devoted to the purpose and related to the use and enjoyment of homes situated upon the Properties and any other purpose reasonable, necessary or incidental to such purposes.

Section 3. Basis of Annual Assessment. Unless changed by vote of the Membership, as hereinafter provided, the maximum annual assessment for any Lot owned by Class A Members on which is located in a single family detached dwelling shall be $250.00 per year. The assessment for Lots owned by Class A Members shall be at such assessment ratio as shall be determined by the Board of Directors for that particular development within six (6) months after its annexation to the Properties, having in mind the additional amenities furnished to the particular Lot not otherwise available to the Members. Such assessment ratio shall not thereafter be changed by the Board of Directors without approval of sixty-six percent (66%) of the Members.

The assessments shall be based upon the cash requirements deemed to be such aggregate sums as the Board of Directors of the Association shall from time to time determine is necessary to provide for the payment of all estimated expenses growing out of or connected with the maintenance and operation of the Green Area, which sum may include, but not limited to, any special assessments on the Common or Green Areas, insurance premiums for vandalism and malicious mischief, with endorsements attached, issued in the amount of the maximum replacement value of all of the Common Area improvements; casualty and public liability and other insurance premiums; landscaping and care of grounds; streets, lighting, repairs and renovations of Common Areas and Green Areas, wages, charges for water used by the Association, grounds maintenance, any expenses of providing security and protection for the Owners, legal and accounting fees, management fees,

expenses and liabilities incurred by the Board of Directors under or by reason of this Declaration, the payment of any deficit remaining for a previous period, the creation of a reasonable contingency or other reserve or surplus funds as well as any and all other costs and expenses necessary to carry out the terms and intent of this Declaration. The Association shall maintain an adequate reserve fund out of the annual assessments rather than by period assessment for the maintenance, repair and replacement of those elements of the Common Area and Green Areas that must be replaced on a periodic basis. The Board of Directors of the Association may after consideration of the current maintenance costs and the financial requirements of the Association fix the annual actual assessment at an amount less than the maximum. Such reserve fund shall not be used to construct or establish new capital improvements without an affirmative vote of one-half of each class of Members.

Any agreement for management of the Associations's business or any other contract for services by the Declarant must provide for termination by either party without cause or payment of a termination fee on thirty (30) days or less written notice and a maximum contract term of three (3) years.

The maximum annual assessment may be changed as follows:

A. From and after January 1, 1988, the maximum annual assessment may be increased each year not more than ten percent (10%) above the maximum assessment for the previous year without a vote of the Membership.

B. From and after January 1, 1988, the maximum annual assessment may be increased above ten percent (10%) by a vote of one-half (1/2) of each class of Members who are voting in person or by proxy, at a meeting duly called for this purpose.

C. The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. Upon vote of the Members of the Association in the manner hereinafter set forth, the Association may levy in addition to annual assessments a special assessment in any calendar year applicable to that year only, for the purpose of defraying in whole or in part the costs of construction or reconstruction or expected repair or replacement of a described capital improvement upon the Common Area or Green Area, including necessary fixtures and personal property releated thereto, provided that, any such assessment shall have the assent of sixty percent (60%) of the votes of each class of Members who are voting in person, or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than thirty (30) days nor more that sixty (60) days in advance of the meeting setting forth the purpose of the meeting. The assessment ratio for any Lot, as determined pursuant to Section 3, shall be applicable to special assessment.

Section 5. Voting and Notices for Special Assessment and Change of Maximum Assessment. Written notice of any meeting of Members called to change the maximum annual assessment or to levy a special assessment shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the date of such meeting, setting forth the purpose of the meeting.

Section 6. Quorum for Action Authorized Under Section 4 and 5. The quorum required for any action authorized in Section 4 and 5 of this Article VI shall be as follows:

At the first meeting called, as provided in Section 4 and 5 hereof, the presence at the meeting of Members, or of proxies entitled to cast sixty percent (60%) of all votes of each class of Membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in Sections 4 and 5 and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessment. The initial annual assessments shall commence on the first day of such month as

determined by the Board of Directors of the Association, shall be made for the balance of the calendar year, and shall be due and payable on the date fixed by the Board. Annual assessments for any year after the first year shall become due and payable on or before February 1 of such year, and at the Board's discretion may be collected on a monthly basis.

The amount of the initial annual assessment for the first year in which assessments are made or for any property which becomes subject to assessments for the first time shall be prorated on a calendar year basis according to the date on which property first became subject to assessment.

The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

Section 8. Duty of the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall, upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

Section 9. The Effect of Nonpayment of Assessments; Lien of Association. If an assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $20.00 and the assessment shall bear interest at the rate of ten percent (10%) per annum for such due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such Lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Common and Green Areas, specifying and itemizing the maintenance and repair expenses of the Common Areas and Green Areas and any other expenses incurred. Such records and the vouchers authorizing the

payments shall be available on request for examination by the Owners and others with an interest such as encumbrancers or prospective lenders.

Section 12. Protection of Mortgagees. First mortgagees of Lots may pay taxes or other charges or assessments which are in default and which may become a lien against the Common or Green Areas and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Common and Green Areas and the first mortgagees making such payments shall be owed immediately reimbursement therefore from the Association.

IN WITNESS WHEREOF, the undersigned being the Declarant herein has hereunto set its hand and seal as of the day and year first hereinabove set forth.

Section 1. Membership. Every person or entity who is a record owner of a fee or undivided fee interest in any Lot which is subject by covenants of record to assessment by the Association, including contract sellers, shall be a Member of the Association. The foregoing is not intended to include persons or entities who hold an interest merely as security for the performance of obligation. Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to assessment by the Association. Ownership of such Lot shall be the sole qualification for Membership. When more than one person holds a Membership interest in any Lot, all such persons shall be Members. The vote for such Lot shall be exercised as they among themselves determine, but in no event shall more than one (1) vote be cast with respect to any Lot.

Section 2. Voting Rights. There shall be two classes of voting Membership.

C. As long as a Class B Membership exists, Associate Memberships in the Association will not be established by the Board of Directors of the Association without an affirmative vote of a majority of the Class A Members of the Association.

D. Should any builder own any lot which is the subject of these restrictions, that builder shall assign his voting rights to the developer. Said voting rights shall be voted as Class A Membership and not Class B Membership.

ARTICLE V

Each Owner may use such personal property in accordance with the purpose for which it is intended, without hindering or encroaching upon the lawful rights of the the other Owners. Sale of a Lot under foreclosure shall thereby entitle the purchase thereof to the beneficial interest in the personal property associated with the Lot.

ARTICLE VII

COVENANT FOR MAINTENANCE ASSESSMENT

Section 1. Creation of the Lien and Personal Obligation of Assessment. Declarant for each Lot owned by it within the Properties hereby covenants, and each Owner of any Lot by acceptance of the deed therefor, whether or not it shall be so expressed in acceptance of the deed therefor, shall be deemed to covenant and agree to pay to the Association annual assessments and special assessments for capital improvements. Such assessments shall be fixed, established and collected from time to time as hereinafter provided. The annual and special assessments, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall be a continuing lien upon the property against which each such assessment is made from the date hereinafter set forth. Each such assessment, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall also be a personal obligation of the person who is the Owner of such property at the time when the assessment fell due. Such personal obligation shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, enjoyment and welfare of the residents in the Properties and in particular for the improvements and maintenance of property, services and facilities devoted to the purpose and related to the use and enjoyment of homes situated upon the Properties and any other purpose reasonable, necessary or incidental to such purposes.

Section 3. Basis of Annual Assessment. Unless changed by vote of the Membership, as hereinafter provided, the maximum annual assessment for any Lot owned by Class A Members on which is located in a single family detached dwelling shall be $250.00 per year. The assessment for Lots owned by Class A Members shall be at such assessment ratio as shall be determined by the Board of Directors for that particular development within six (6) months after its annexation to the Properties, having in mind the additional amenities furnished to the particular Lot not otherwise available to the Members. Such assessment ratio shall not thereafter be changed by the Board of Directors without approval of sixty-six percent (66%) of the Members.

The assessments shall be based upon the cash requirements deemed to be such aggregate sums as the Board of Directors of the Association shall from time to time determine is necessary to provide for the payment of all estimated expenses growing out of or connected with the maintenance and operation of the Green Area, which sum may include, but not limited to, any special assessments on the Common or Green Areas, insurance premiums for vandalism and malicious mischief, with endorsements attached, issued in the amount of the maximum replacement value of all of the Common Area improvements; casualty and public liability and other insurance premiums; landscaping and care of grounds; streets, lighting, repairs and renovations of Common Areas and Green Areas, wages, charges for water used by the Association, grounds maintenance, any expenses of providing security and protection for the Owners, legal and accounting fees, management fees,

The Association shall maintain an adequate reserve fund out of the annual assessments rather than by period assessment for the maintenance, repair and replacement of those elements of the Common Area and Green Areas that must be replaced on a periodic basis. The Board of Directors of the Association may after consideration of the current maintenance costs and the financial requirements of the Association fix the annual actual assessment at an amount less than the maximum. Such reserve fund shall not be used to construct or establish new capital improvements without an affirmative vote of one-half of each class of Members.

Any agreement for management of the Associations's business or any other contract for services by the Declarant must provide for termination by either party without cause or payment of a termination fee on thirty (30) days or less written notice and a maximum contract term of three (3) years.

The maximum annual assessment may be changed as follows:

A. From and after January 1, 1988, the maximum annual assessment may be increased each year not more than ten percent (10%) above the maximum assessment for the previous year without a vote of the Membership.

B. From and after January 1, 1988, the maximum annual assessment may be increased above ten percent (10%) by a vote of one-half (1/2) of each class of Members who are voting in person or by proxy, at a meeting duly called for this purpose.

C. The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. Upon vote of the Members of the Association in the manner hereinafter set forth, the Association may levy in addition to annual assessments a special assessment in any calendar year applicable to that year only, for the purpose of defraying in whole or in part the costs of construction or reconstruction or expected repair or replacement of a described capital improvement upon the Common Area or Green Area, including necessary fixtures and personal property related thereto, provided that, any such assessment shall have the assent of sixty percent (60%) of the votes of each class of Members who are voting in person, or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than thirty (30) days nor more that sixty (60) days in advance of the meeting setting forth the purpose of the meeting. The assessment ratio for any lot, as determined pursuant to Section 3, shall be applicable to special assessment.

Section 5. Voting and Notices for Special Assessment and Change of Maximum Assessment. Written notice of any meeting of Members called to change the maximum annual assessment or to levy a special assessment shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the date of such meeting, setting forth the purpose of the meeting.

Section 6. Quorum for Action Authorized Under Section 4 and 5. The quorum required for any action authorized in Section 4 and 5 of this Article VI shall be as follows:

At the first meeting called, as provided in Section 4 and 5 hereof, the presence at the meeting of Members, or of proxies entitled to cast sixty percent (60%) of all votes of each class of Membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in Sections 4 and 5 and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessment. The initial annual assessments shall commence on the first day of such month as

R 8659R1116

determined by the Board of Directors of the Association, shall be made for the balance of the calendar year, and shall be due and payable on the date fixed by the Board. Annual assessments for any year after the first year shall become due and payable on or before February 1 of such year, and at the Board's discretion may be collected on a monthly basis.

The amount of the initial annual assessment for the first year in which assessments are made or for any property which becomes subject to assessments for the first time shall be prorated on a calendar year basis according to the date on which property first became subject to assessment.

The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

Section 8. Duty of the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

Section 9. The Effect of Non-payment of Assessments; Lien of Association. If an assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $10.00 and the assessment shall bear interest at the rate of ten percent (10%) per annum for such due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such Lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Common and Green Areas, specifying and itemizing the maintenance and repair expenses of the Common Areas and Green Areas and any other expenses incurred. Such records and the vouchers authorizing the

ARTICLE IV

MEMBERSHIP AND VOTING RIGHTS IN THE ASSOCIATION

W 8659M1001

Section 1. Membership. Every person or entity who is a record owner of a fee or undivided fee interest in any Lot which is subject by covenants of record to assessment by the Association, including contract sellers, shall be a Member of the Association. The foregoing is not intended to include persons or entities who hold an interest merely as security for the performance of obligation. Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to assessment by the Association. Ownership of such Lot shall be the sole qualification for Membership. When more than one person holds a Membership interest in any Lot, all such persons shall be Members. The vote for such Lot shall be exercised as they among themselves determine, but in no event shall more than one (1) vote be cast with respect to any Lot.

Section 2. Voting Rights. There shall be two classes of voting Membership.

A. Class A Members will be all those Members other than Southcreek, Inc. D. Should any builder own any lot which is the subject of these restrictions, that builder shall assign his voting rights to the developer. Said voting rights shall be voted as Class A Membership and not Class B Membership.

ARTICLE V

ADMINISTRATION AND MANAGEMENT

The administration of the Properties shall be governed by these covenants, the Articles of Incorporation, By-Laws, and published rules and regulations of the Association. As shown and reserved to Declarant in the Articles of Incorporation and By-Laws for the Association, the designation and appointment of the Board of Directors for the Association may, at Declarant's option, be exercised solely by the Declarant until the Class B Membership terminates.

The Association may acquire and hold for the use and benefit of all Members of the Association, tangible and intangible personal property and may dispose of the same by sale or otherwise, and the beneficial interest in any such property shall be owned by the Members of the Association and their interest therein shall not be transferable except that the interest of a Member who is an Owner shall be deemed to be transferred upon the transfer of the Member's Lot. A transfer of a Lot shall transfer to the transferee ownership of the transferor's beneficial interest in such personal property without any reference thereto or execution of a bill of sale. Each Owner may use such personal property in accordance with the purpose for which it is intended, without hindering or encroaching upon the lawful rights of the the other Owners. Sale of a Lot under foreclosure shall thereby entitle the purchase thereof to the beneficial interest in the personal property associated with the Lot.

ARTICLE VII

COVENANT FOR MAINTENANCE ASSESSMENT

Section 1. Creation of the Lien and Personal Obligation of Assessment. Declarant for each Lot owned by it within the Properties hereby covenants, and each Owner of any Lot by acceptance of the deed therefor, whether or not it shall be so expressed in acceptance of the deed therefor, shall be deemed to covenant and agree to pay to the Association annual assessments and special assessments for capital improvements. Such assessments shall be fixed, established and collected from time to time as hereinafter provided. The annual and special assessments, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall be a continuing lien upon the property against which each such assessment is made from the date hereinafter set forth. Each such assessment, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall also be a personal obligation of the person who is the Owner of such property at the time when the assessment fell due. Such personal obligation shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, enjoyment and welfare of the residents in the Properties and in particular for the improvements and maintenance of property, services and facilities devoted to the purpose and related to the use and enjoyment of homes situated upon the Properties and any other purpose reasonable, necessary or incidental to such purposes.

Section 3. Basis of Annual Assessment. Unless changed by vote of the Membership, as hereinafter provided, the maximum annual assessment for any Lot owned by Class A Members on which is located in a single family detached dwelling shall be $250.00 per year. The assessment for Lots owned by Class A Members shall be at such assessment ratio as shall be determined by the Board of Directors for that particular development within six (6) months after its annexation to the Properties, having in mind the additional amenities furnished to the particular Lot not otherwise available to the Members. Such assessment ratio shall not thereafter be changed by the Board of Directors without approval of sixty-six percent (66%) of the Members.

The assessments shall be based upon the cash requirements deemed to be such aggregate sums as the Board of Directors of the Association shall from time to time determine is necessary to provide for the payment of all estimated expenses growing out of or connected with the maintenance and operation of the Green Area, which sum may include, but not limited to, any special assessments on the Common or Green Areas, insurance premiums for vandalism and malicious mischief, with endorsements attached, issued in the amount of the maximum replacement value of all of the Common Area improvements; casualty and public liability and other insurance premiums; landscaping and care of grounds; streets, lighting, repairs and renovations of Common Areas and Green Areas, wages, charges for water used by the Association, grounds maintenance, any expenses of providing security and protection for the Owners, legal and accounting fees, management fees,

H 8659M1003

expenses and liabilities incurred by the Board of Directors under or by reason of this Declaration, the payment of any deficit remaining for a previous period, the creation of a reasonable contingency or other reserve or surplus funds as well as any and all other costs and expenses necessary to carry out the terms and intent of this Declaration. The Association shall maintain an adequate reserve fund out of the annual assessments rather than by period assessment for the maintenance, repair and replacement of those elements of the Common Area and Green Areas that must be replaced on a periodic basis. The Board of Directors of the Association may after consideration of the current maintenance costs and the financial requirements of the Association fix the annual actual assessment at an amount less than the maximum. Such reserve fund shall not be used to construct or establish new capital improvements without an affirmative vote of one-half of each class of Members.

Any agreement for management of the Associations's business or any other contract for services by the Declarant must provide for termination by either party without cause or payment of a termination fee on thirty (30) days or less written notice and a maximum contract term of three (3) years.

The maximum annual assessment may be changed as follows:

A. From and after January 1, 1988, the maximum annual assessment may be increased each year not more than ten percent (10%) above the maximum assessment for the previous year without a vote of the Membership.

B. From and after January 1, 1988, the maximum annual assessment may be increased above ten percent (10%) by a vote of one-half (1/2) of each class of Members who are voting in person or by proxy, at a meeting duly called for this purpose.

C. The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. Upon vote of the Members of the Association in the manner hereinafter set forth, the Association may levy in addition to annual assessments a special assessment in any calendar year applicable to that year only, for the purpose of defraying in whole or in part the costs of construction or reconstruction or expected repair or replacement of a described capital improvement upon the Common Area or Green Area, including necessary fixtures and personal property related thereto, provided that, any such assessment shall have the assent of sixty percent (60%) of the votes of each class of Members who are voting in person, or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than thirty (30) days nor more that sixty (60) days in advance of the meeting setting forth the purpose of the meeting. The assessment ratio for any Lot, as determined pursuant to Section 3, shall be applicable to special assessment.

Section 5. Voting and Notices for Special Assessment and Change of Maximum Assessment. Written notice of any meeting of Members called to change the maximum annual assessment or to levy a special assessment shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the date of such meeting, setting forth the purpose of the meeting.

Section 6. Quorum for Action Authorized Under Section 4 and 5. The quorum required for any action authorized in Section 4 and 5 of this Article VI shall be as follows:

At the first meeting called, as provided in Section 4 and 5 hereof, the presence at the meeting of Members, or of proxies entitled to cast sixty percent (60%) of all votes of each class of Membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in Sections 4 and 5 and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessment. The initial annual assessments shall commence on the first day of such month as

M 86580004

determined by the Board of Directors of the Association, shall be made for the balance of the calendar year, and shall be due and payable on the date fixed by the Board. Annual assessments for any year after the first year shall become due and payable on or before February 1 of such year, and at the Board's discretion may be collected on a monthly basis.

The amount of the initial annual assessment for the first year in which assessments are made or for any property which becomes subject to assessments for the first time shall be prorated on a calendar year basis according to the date on which property first became subject to assessment.

The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

Section 8. Duty of the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

Section 9. The Effect of Non-payment of Assessments: Lien of Association. If an assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $20.00 and the assessment shall bear interest at the rate of ten percent (10%) per annum for such due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such Lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Common and Green Areas, specifying and itemizing the maintenance and repair expenses of the Common Areas and Green Areas and any other expenses incurred. Such records and the vouchers authorizing the

R 865921005

payments shall be available on request for examination by the Owners and others with an interest such as encumbrancers or prospective lenders.

Section 12. Protection of Mortgagees. First mortgagees of Lots may pay taxes or other charges or assessments which are in default and which may become a lien against the Common or Green Areas and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Common and Green Areas and the first mortgagees making such payments shall be owed immediately reimbursement therefore from the Association.

IN WITNESS WHEREOF, the undersigned being the Declarant herein has hereunto set its hand and seal as of the day and year first hereinabove set forth.

Each such assessment, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall also be a personal obligation of the person who is the Owner of such property at the time when the assessment fell due. Such personal obligation shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, enjoyment and welfare of the residents in the Properties and in particular for the improvements and maintenance of property, services and facilities devoted to the purpose and related to the use and enjoyment of homes situated upon the Properties and any other purpose reasonable, necessary or incidental to such purposes.

Section 3. Basis of Annual Assessment. Unless changed by vote of the Membership, as hereinafter provided, the maximum annual assessment for any Lot owned by Class A Members on which is located in a single family detached dwelling shall be $250.00 per year. The assessment for Lots owned by Class A Members shall be at such assessment ratio as shall be determined by the Board of Directors for that particular development within six (6) months after its annexation to the Properties, having in mind the additional amenities furnished to the particular Lot not otherwise available to the Members. Such assessment ratio shall not thereafter be changed by the Board of Directors without approval of sixty-six percent (66%) of the Members.

The assessments shall be based upon the cash requirements deemed to be such aggregate sums as the Board of Directors of the Association shall from time to time determine is necessary to provide for the payment of all estimated expenses growing out of or connected with the maintenance and operation of the Green Area, which sum may include, but not limited to, any special assessments on the Common or Green Areas, insurance premiums for vandalism and malicious mischief, with endorsements attached, issued in the amount of the maximum replacement value of all of the Common Area improvements; casualty and public liability and other insurance premiums; landscaping and care of grounds; streets, lighting, repairs and renovations of Common Areas and Green Areas, wages, charges for water used by the Association, grounds maintenance, any expenses of providing security and protection for the Owners, legal and accounting fees, management fees,

\\ 8659\1155

expenses and liabilities incurred by the Board of Directors under or by reason of this Declaration, the payment of any deficit remaining for a previous period, the creation of a reasonable contingency or other reserve or surplus funds as well as any and all other costs and expenses necessary to carry out the terms and intent of this Declaration. The Association shall maintain an adequate reserve fund out of the annual assessments rather than by period assessment for the maintenance, repair and replacement of those elements of the Common Area and Green Areas that must be replaced on a periodic basis. The Board of Directors of the Association may after consideration of the current maintenance costs and the financial requirements of the Association fix the annual actual assessment at an amount less than the maximum. Such reserve fund shall not be used to construct or establish new capital improvements without an affirmative vote of one-half of each class of Members.

Any agreement for management of the Associations's business or any other contract for services by the Declarant must provide for termination by either party without cause or payment of a termination fee on thirty (30) days or less written notice and a maximum contract term of three (3) years.

The maximum annual assessment may be changed as follows:

A. From and after January 1, 1988, the maximum annual assessment may be increased each year not more than ten percent (10%) above the maximum assessment for the previous year without a vote of the Membership.

B. From and after January 1, 1988, the maximum annual assessment may be increased above ten percent (10%) by a vote of one-half (1/2) of each class of Members who are voting in person or by proxy, at a meeting duly called for this purpose.

C. The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. Upon vote of the Members of the Association in the manner hereinafter set forth, the Association may levy in addition to annual assessments a special assessment in any calendar year applicable to that year only, for the purpose of defraying in whole or in part the costs of construction or reconstruction or expected repair or replacement of a described capital improvement upon the Common Area or Green Area, including necessary fixtures and personal property related thereto, provided that, any such assessment shall have the assent of sixty percent (60%) of the votes of each class of Members who are voting in person, or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than thirty (30) days nor more that sixty (60) days in advance of the meeting setting forth the purpose of the meeting. The assessment ratio for any Lot, as determined pursuant to Section 3, shall be applicable to special assessment.

Section 5. Voting and Notices for Special Assessment and Change of Maximum Assessment. Written notice of any meeting of Members called to change the maximum annual assessment or to levy a special assessment shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the date of such meeting, setting forth the purpose of the meeting.

Section 6. Quorum for Action Authorized Under Section 4 and 5. The quorum required for any action authorized in Section 4 and 5 of this Article VI shall be as follows:

At the first meeting called, as provided in Section 4 and 5 hereof, the presence at the meeting of Members, or of proxies entitled to cast sixty percent (60%) of all votes of each class of Membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in Sections 4 and 5 and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessment. The initial annual assessments shall commence on the first day of such month as

N 8659 01156

determined by the Board of Directors of the Association, shall be made for the balance of the calendar year, and shall be due and payable on the date fixed by the Board. Annual assessments for any year after the first year shall become due and payable on or before February 1 of such year, and at the Board's discretion may be collected on a monthly basis.

The amount of the initial annual assessment for the first year in which assessments are made or for any property which becomes subject to assessments for the first time shall be prorated on a calendar year basis according to the date on which property first became subject to assessment.

The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

Section 8. Duty of the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

Section 9. The Effect of Non-payment of Assessments; Lien of Association. If an assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $20.00 and the assessment shall bear interest at the rate of ten percent (10%) per annum for such due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgatge or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such Lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Common and Green Areas, specifying and itemizing the maintenance and repair expenses of the Common Areas and Green Areas and any other expenses incurred. Such records and the vouchers authorizing the

M 8658 1157

payments shall be available on request for examination by the Owners and others with an interest such as encumbrancers or prospective lenders.

Section 12. Protection of Mortgagees. First mortgagees of Lots may pay taxes or other charges or assessments which are in default and which may become a lien against the Common or Green Areas and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Common and Green Areas and the first mortgagees making such payments shall be owed immediately reimbursement therefore from the Association.

IN WITNESS WHEREOF, the undersigned being the Declarant herein has hereunto set its hand and seal as of the day and year first hereinabove set forth.

ARTICLE IV

MEMBERSHIP AND VOTING RIGHTS IN THE ASSOCIATION

U 8659 1017

Section 1. Membership. Every person or entity who is a record owner of a fee or undivided fee interest in any Lot which is subject by covenants of record to assessment by the Association, including contract sellers, shall be a Member of the Association. The foregoing is not intended to include persons or entities who hold an interest merely as security for the performance of obligation. Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to assessment by the Association. Ownership of such Lot shall be the sole qualification for Membership. When more than one person holds a Membership interest in any Lot, all such persons shall be Members. The vote for such Lot shall be exercised as they among themselves determine, but in no event shall more than one (1) vote be cast with respect to any Lot.

Section 2. Voting Rights. There shall be two classes of voting Membership.

A. Class A Members will be all those Members other than Southcreek, Inc. Class A Members shall be entitled to one vote for each Lot in which they hold the interest required for Membership by Section 1. When Class B Membership has been coverted to Class A Membership, all Directors of the Association shall be elected by the Class A Members.

B. The Class B Members shall be Southcreek, Inc. or its successors or assigns. Class B Members shall be entitled to four votes for each Lot owned by the Declarant or its successors or assigns, and shall be entitled to elect all Members of the Board of Directors of the Association. Class B Membership may cease and be converted to Class A Membership at the option of the Class B Member, its successors or assigns by its written notice to the Secretary of the Association, and shall cease and be converted to Class A Membership without further act or deed when the total votes outstanding in the Class A Membership equal the total votes outstanding in the Class B Membership.

C. As long as a Class B Membership exists, Associate Memberships in the Association will not be established by the Board of Directors of the Association without an affirmative vote of a majority of the Class A Members of the Association.

D. Should any builder own any lot which is the subject of these restrictions, that builder shall assign his voting rights to the developer. Said voting rights shall be voted as Class A Membership and not Class B Membership.

ARTICLE V

ADMINISTRATION AND MANAGEMENT

The administration of the Properties shall be governed by these covenants, the Articles of Incorporation, By-Laws, and published rules and regulations of the Association. As shown and reserved to Declarant in the Articles of Incorporation and By-Laws for the Association, the designation and appointment of the Board of Directors for the Association may, at Declarant's option, be exercised solely by the Declarant until the Class B Membership terminates.

A transfer of a Lot shall transfer to the transferee ownership of the transferor's beneficial interest in such personal property without any reference thereto or execution of a bill of sale. Each Owner may use such personal property in accordance with the purpose for which it is intended, without hindering or encroaching upon the lawful rights of the the other Owners. Sale of a Lot under foreclosure shall thereby entitle the purchase thereof to the beneficial interest in the personal property associated with the Lot.

ARTICLE VII

COVENANT FOR MAINTENANCE ASSESSMENT

Section 1. Creation of the Lien and Personal Obligation of Assessment. Declarant for each Lot owned by it within the Properties hereby covenants, and each Owner of any Lot by acceptance of the deed therefor, whether or not it shall be so expressed in acceptance of the deed therefor, shall be deemed to covenant and agree to pay to the Association annual assessments and special assessments for capital improvements. Such assessments shall be fixed, established and collected from time to time as hereinafter provided. The annual and special assessments, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall be a continuing lien upon the property against which each such assessment is made from the date hereinafter set forth. Each such assessment, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall also be a personal obligation of the person who is the Owner of such property at the time when the assessment fell due. Such personal obligation shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, enjoyment and welfare of the residents in the Properties and in particular for the improvements and maintenance of property, services and facilities devoted to the purpose and related to the use and enjoyment of homes situated upon the Properties and any other purpose reasonable, necessary or incidental to such purposes.

Section 3. Basis of Annual Assessment. The assessments shall be based upon the cash requirements deemed to be such aggregate sums as the Board of Directors of the Association shall from time to time determine is necessary to provide for the payment of all estimated expenses growing out of or connected with the maintenance and operation of the Green Area, which sum may include, but not limited to, any special assessments on the Common or Green Areas, insurance premiums for vandalism and malicious mischief, with endorsements attached, issued in the amount of the maximum replacement value of all of the Common Area improvements; casualty and public liability and other insurance premiums; landscaping and care of grounds; streets, lighting, repairs and renovations of Common Areas and Green Areas, wages, charges for water used by the Association, grounds maintenance, any expenses of providing security and protection for the Owners, legal and accounting fees, management fees,

The Association shall maintain an adequate reserve fund out of the annual assessments rather than by period assessment for the maintenance, repair and replacement of those elements of the Common Area and Green Areas that must be replaced on a periodic basis. The Board of Directors of the Association may after consideration of the current maintenance costs and the financial requirements of the Association fix the annual actual assessment at an amount less than the maximum. Such reserve fund shall not be used to construct or establish new capital improvements without an affirmative vote of one-half of each class of Members.

Any agreement for management of the Associations's business or any other contract for services by the Declarant must provide for termination by either party without cause or payment of a termination fee on thirty (30) days or less written notice and a maximum contract term of three (3) years.

The maximum annual assessment may be changed as follows:

A. From and after January 1, 1988, the maximum annual assessment may be increased each year not more than ten percent (10%) above the maximum assessment for the previous year without a vote of the Membership.

B. From and after January 1, 1988, the maximum annual assessment may be increased above ten percent (10%) by a vote of one-half (1/2) of each class of Members who are voting in person or by proxy, at a meeting duly called for this purpose.

C. The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. Upon vote of the Members of the Association in the manner hereinafter set forth, the Association may levy in addition to annual assessments a special assessment in any calendar year applicable to that year only, for the purpose of defraying in whole or in part the costs of construction or reconstruction or expected repair or replacement of a described capital improvement upon the Common Area or Green Area, including necessary fixtures and personal property releated thereto, provided that, any such assessment shall have the assent of sixty percent (60%) of the votes of each class of Members who are voting in person, or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than thirty (30) days nor more that sixty (60) days in advance of the meeting setting forth the purpose of the meeting. Section 5. Voting and Notices for Special Assessment and Change of Maximum Assessment. Written notice of any meeting of Members called to change the maximum annual assessment or to levy a special assessment shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the date of such meeting, setting forth the purpose of the meeting.

Section 6. Quorum for Action Authorized Under Section 4 and 5. The quorum required for any action authorized in Section 4 and 5 of this Article VI shall be as follows:

At the first meeting called, as provided in Section 4 and 5 hereof, the presence at the meeting of Members, or of proxies entitled to cast sixty percent (60%) of all votes of each class of Membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in Sections 4 and 5 and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessment. The initial annual assessments shall commence on the first day of such month as

II 8659 1020

determined by the Board of Directors of the Association, shall be made for the balance of the calendar year, and shall be due and payable on the date fixed by the Board. Annual assessments for any year after the first year shall become due and payable on or before February 1 of such year, and at the Board's discretion may be collected on a monthly basis.

The amount of the initial annual assessment for the first year in which assessments are made or for any property which becomes subject to assessments for the first time shall be prorated on a calendar year basis according to the date on which property first became subject to assessment.

The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

Section 8.- Duty of the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

Section 9. The Effect of Non-payment of Assessments; Lien of Association. If an assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $20.00 and the assessment shall bear interest at the rate of ten percent (10%) per annum for such due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such Lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The foregoing is not intended to include persons or entities who hold an interest merely as security for the performance of obligation. Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to assessment by the Association. Ownership of such Lot shall be the sole qualification for Membership. When more than one person holds a Membership interest in any Lot, all such persons shall be Members. ARTICLE V

A transfer of a Lot shall transfer to the transferee ownership of the transferor's beneficial interest in such personal property without any reference thereto or execution of a bill of sale. Each Owner may use such personal property in accordance with the purpose for which it is intended, without hindering or encroaching upon the lawful rights of the the other Owners. Sale of a Lot under foreclosure shall thereby entitle the purchase thereof to the beneficial interest in the personal property associated with the Lot.

ARTICLE VII

COVENANT FOR MAINTENANCE ASSESSMENT

Section 1. Creation of the Lien and Personal Obligation of Assessment. Declarant for each Lot owned by it within the Properties hereby covenants, and each Owner of any Lot by acceptance of the deed therefor, whether or not it shall be so expressed in acceptance of the deed therefor, shall be deemed to covenant and agree to pay to the Association annual assessments and special assessments for capital improvements. Such assessments shall be fixed, established and collected from time to time as hereinafter provided. The annual and special assessments, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall be a continuing lien upon the property against which each such assessment is made from the date hereinafter set forth. Each such assessment, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall also be a personal obligation of the person who is the Owner of such property at the time when the assessment fell due. Such personal obligation shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, enjoyment and welfare of the residents in the Properties and in particular for the improvements and maintenance of property, services and facilities devoted to the purpose and related to the use and enjoyment of homes situated upon the Properties and any other purpose reasonable, necessary or incidental to such purposes.

Section 3. Basis of Annual Assessment. Unless changed by vote of the Membership, as hereinafter provided, the maximum annual assessment for any Lot owned by Class A Members on which is located in a single family detached dwelling shall be $250.00 per year. The assessment for Lots owned by Class A Members shall be at such assessment ratio as shall be determined by the Board of Directors for that particular development within six (6) months after its annexation to the Properties, having in mind the additional amenities furnished to the particular Lot not otherwise available to the Members. Such assessment ratio shall not thereafter be changed by the Board of Directors without approval of sixty-six percent (66%) of the Members.

The assessments shall be based upon the cash requirements deemed to be such aggregate sums as the Board of Directors of the Association shall from time to time determine is necessary to provide for the payment of all estimated expenses growing out of or connected with the maintenance and operation of the Green Area, which sum may include, but not limited to, any special assessments on the Common or Green Areas, insurance premiums for vandalism and malicious mischief, with endorsements attached, issued in the amount of the maximum replacement value of all of the Common Area improvements; casualty and public liability and other insurance premiums; landscaping and care of grounds; streets, lighting, repairs and renovations of Common Areas and Green Areas, wages, charges for water used by the Association, grounds maintenance, any expenses of providing security and protection for the Owners, legal and accounting fees, management fees,

expenses and liabilities incurred by the Board of Directors under or by reason of this Declaration, the payment of any deficit remaining for a previous period, the creation of a reasonable contingency or other reserve or surplus funds as well as any and all other costs and expenses necessary to carry out the terms and intent of this Declaration. The Association shall maintain an adequate reserve fund out of the annual assessments rather than by period assessment for the maintenance, repair and replacement of those elements of the Common Area and Green Areas that must be replaced on a periodic basis. The Board of Directors of the Association may after consideration of the current maintenance costs and the financial requirements of the Association fix the annual actual assessment at an amount less than the maximum. Such reserve fund shall not be used to construct or establish new capital improvements without an affirmative vote of one-half of each class of Members.

Any agreement for management of the Associations's business or any other contract for services by the Declarant must provide for termination by either party without cause or payment of a termination fee on thirty (30) days or less written notice and a maximum contract term of three (3) years.

The maximum annual assessment may be changed as follows:

A. From and after January 1, 1988, the maximum annual assessment may be increased each year not more than ten percent (10%) above the maximum assessment for the previous year without a vote of the Membership.

B. From and after January 1, 1988, the maximum annual assessment may be increased above ten percent (10%) by a vote of one-half (1/2) of each class of Members who are voting in person or by proxy, at a meeting duly called for this purpose.

C. The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. Upon vote of the Members of the Association in the manner hereinafter set forth, the Association may levy in addition to annual assessments a special assessment in any calendar year applicable to that year only, for the purpose of defraying in whole or in part the costs of construction or reconstruction or expected repair or replacement of a described capital improvement upon the Common Area or Green Area, including necessary fixtures and personal property related thereto, provided that, any such assessment shall have the assent of sixty percent (60%) of the votes of each class of Members who are voting in person, or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than thirty (30) days nor more that sixty (60) days in advance of the meeting setting forth the purpose of the meeting. The assessment ratio for any Lot, as determined pursuant to Section 3, shall be applicable to special assessment.

Section 5. Voting and Notices for Special Assessment and Change of Maximum Assessment. Written notice of any meeting of Members called to change the maximum annual assessment or to levy a special assessment shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the date of such meeting, setting forth the purpose of the meeting.

Section 6. Quorum for Action Authorized Under Section 4 and 5. The quorum required for any action authorized in Section 4 and 5 of this Article VI shall be as follows:

At the first meeting called, as provided in Section 4 and 5 hereof, the presence at the meeting of Members, or of proxies entitled to cast sixty percent (60%) of all votes of each class of Membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in Sections 4 and 5 and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessment. The initial annual assessments shall commence on the first day of each month as

determined by the Board of Directors of the Association, shall be made for the balance of the calendar year, and shall be due and payable on the date fixed by the Board. Annual assessments for any year after the first year shall become due and payable on or before February 1 of such year, and at the Board's discretion may be collected on a monthly basis.

The amount of the initial annual assessment for the first year in which assessments are made or for any property which become subject to assessments for the first time shall be prorated on a calendar year basis according to the date on which property first became subject to assessment.

The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

Section 8. Duty of the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

Section 9. The Effect of Non-payment of Assessments; Lien of Association. If an assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $20.00 and the assessment shall bear interest at the rate of ten percent (10%) per annum for such due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such Lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Common and Green Areas, specifying and itemizing the maintenance and repair expenses of the Common Areas and Green Areas and any other expenses incurred. Such records and the vouchers authorizing the

payments shall be available on request for examination by the Owners and others with an interest such as encumbrancers or prospective lenders.

Section 12. Protection of Mortgagees. First mortgagees of Lots may pay taxes or other charges or assessments which are in default and which may become a lien against the Common or Green Areas and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Common and Green Areas and the first mortgagees making such payments shall be owed immediately reimbursement therefore from the Association.

IN WITNESS WHEREOF, the undersigned being the Declarant herein has hereunto set its hand and seal as of the day and year first hereinabove set forth.

Section 4. Special Assessments for Capital Improvements. Upon vote of the Members of the Association in the manner hereinafter set forth, the Association may levy in addition to annual assessments a special assessment in any calendar year applicable to that year only, for the purpose of defraying in whole or in part the costs of construction or reconstruction or expected repair or replacement of a described capital improvement upon the Common Area or Green Area, including necessary fixtures and personal property related thereto, provided that, any such assessment shall have the assent of sixty percent (60%) of the votes of each class of Members who are voting in person, or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting setting forth the purpose of the meeting. The assessment ratio for any Lot, as determined pursuant to Section 3, shall be applicable to special assessment.

Section 5. Voting and Notices for Special Assessment and Change of Maximum Assessment. Written notice of any meeting of Members called to change the maximum annual assessment or to levy a special assessment shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the date of such meeting, setting forth the purpose of the meeting.

Section 6. Quorum for Action Authorized Under Section 4 and 5. The quorum required for any action authorized in Section 4 and 5 of this Article VI shall be as follows:

At the first meeting called, as provided in Section 4 and 5 hereof, the presence at the meeting of Members, or of proxies entitled to cast sixty percent (60%) of all votes of each class of Membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in Sections 4 and 5 and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessment. The initial annual assessments shall commence on the first day of such month as

determined by the Board of Directors of the Association, shall be made for the balance of the calendar year, and shall be due and payable on the date fixed by the Board. Annual assessments for any year after the first year shall become due and payable on or before February 1 of such year, and at the Board's discretion may be collected on a monthly basis.

The amount of the initial annual assessment for the first year in which assessments are made or for any property which becomes subject to assessments for the first time shall be prorated on a calendar year basis according to the date on which property first became subject to assessment.

The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

Section 8. Duty of the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

Section 9. The Effect of Non-payment of Assessments; Lien of Association. If an assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $20.00 and the assessment shall bear interest at the rate of ten percent (10%) per annum for such due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such Lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Common and Green Areas, specifying and itemizing the maintenance and repair expenses of the Common Areas and Green Areas and any other expenses incurred. Such records and the vouchers authorizing the

payments shall be available on request for examination by the Owners and others with an interest such as encumbrancers or prospective lenders.

Section 12. Protection of Mortgagees. First mortgagees of Lots may pay taxes or other charges or assessments which are in default and which may become a lien against the Common or Green Areas and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Common and Green Areas and the first mortgagees making such payments shall be owed immediately reimbursement therefore from the Association.

IN WITNESS WHEREOF, the undersigned being the Declarant herein has hereunto set its hand and seal as of the day and year first hereinabove set forth.

Such Supplemental Declaration may contain such additions and modifications of the covenants and restrictions contained in this Declaration as may be necessary to reflect the different character of the added properties in the sole discretion of Declarant. In no event, however, shall such Supplemental Declaration revoke, modify or add to the covenants established by this Declaration with respect to the Properties subject to this Declaration just prior to such Supplemental Declaration being filed for record.

Section 3. Additions by Others. So long as Declarant is a Class B Member, additions may be made by any other owner of property who with the approval of the Board of Directors of the Association desires to add such property located within the boundaries described in Section 1 of this Article II to the scheme of this Declaration and to subject it to the jurisdiction of the Association. ARTICLE III

ADDITIONAL RESTRICTIONS

Section 1. Keeping of Vehicles on Property. The keeping of mobil homes, with or without wheels, on any lot is expressly prohibited. Motor boats, house boats and similar water borne vehicles or travel trailers may be maintained, stored or kept on any lot provided the same are housed completely within a structure or enclosure which has been approved architecturally by the Architectural Control Committee. In no case may the occupant's vehicles be parked overnight on the streets of the subdivision or within the improved yard of the occupant.

Section 2. Yard Care. As soon as the growing season reasonably permits, the grounds around all living units shall be seeded, sodded or otherwise planted by the Owner thereof with grass or other ground cover or plantings and maintained in a clean and attractive manner free of dust and weeds. All fences on Lots shall be maintained in good repair and in a clean and attractive manner.

ARTICLE IV

MEMBERSHIP AND VOTING RIGHTS IN THE ASSOCIATION

M 8659 881

Section 1. Membership. Every person or entity who is a record owner of a fee or undivided fee interest in any Lot which is subject by covenants of record to assessment by the Association, including contract sellers, shall be a Member of the Association. The foregoing is not intended to include persons or entities who hold an interest merely as security for the performance of obligation. Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to assessment by the Association. Ownership of such Lot shall be the sole qualification for Membership. When more than one person holds a Membership interest in any Lot, all such persons shall be Members. The vote for such Lot shall be exercised as they among themselves determine, but in no event shall more than one (1) vote be cast with respect to any Lot.

Section 2. Voting Rights. There shall be two classes of voting Membership.

A. Class A Members will be all those Members other than Southcreek, Inc. Class A Members shall be entitled to one vote for each Lot in which they hold the interest required for Membership by Section 1. When Class B Membership has been converted to Class A Membership, all Directors of the Association shall be elected by the Class A Members.

B. The Class B Members shall be Southcreek, Inc. or its successors or assigns. Class B Members shall be entitled to four votes for each Lot owned by the Declarant or its successors or assigns, and shall be entitled to elect all Members of the Board of Directors of the Association. Class B Membership may cease and be converted to Class A Membership at the option of the Class B Member, its successors or assigns by its written notice to the Secretary of the Association, and shall cease and be converted to Class A Membership without further act or deed when the total votes outstanding in the Class A Membership equal the total votes outstanding in the Class B Membership.

C. As long as a Class B Membership exists, Associate Memberships in the Association will not be established by the Board of Directors of the Association without an affirmative vote of a majority of the Class A Members of the Association.

D. Should any builder own any lot which is the subject of these restrictions, that builder shall assign his voting rights to the developer. Said voting rights shall be voted as Class A Membership and not Class B Membership.

ARTICLE V

ADMINISTRATION AND MANAGEMENT

The administration of the Properties shall be governed by these covenants, the Articles of Incorporation, By-Laws, and published rules and regulations of the Association. As shown and reserved to Declarant in the Articles of Incorporation and By-Laws for the Association, the designation and appointment of the Board of Directors for the Association may, at Declarant's option, be exercised solely by the Declarant until the Class B Membership terminates.

ARTICLE VI

PROPERTY RIGHTS IN THE COMMON PROPERTIES

Section 1. Extent of Members' Easements. The rights and easements of enjoyment created hereby shall be subject to the following:

A. The right of the Association to limit the number of guests of Members.

B. The rights of the Declarant and of the Association, in accordance with its Articles and By-Laws, to borrow money for the purpose of improving the Green Area and with written consent of the Members entitled to vote seventy-five percent (75%) the votes of each class of Membership to mortgage said Common Areas and Green Areas as security for any such loan.

C. The right of the Association to promulgate and publish rules and regulations which each Member shall strictly comply with.

Section 2. Personal Property for Common Use. The Association may acquire and hold for the use and benefit of all Members of the Association, tangible and intangible personal property and may dispose of the same by sale or otherwise, and the beneficial interest in any such property shall be owned by the Members of the Association and their interest therein shall not be transferable except that the interest of a Member who is an Owner shall be deemed to be transferred upon the transfer of the Member's Lot. A transfer of a Lot shall transfer to the transferee ownership of the transferor's beneficial interest in such personal property without any reference thereto or execution of a bill of sale. Each Owner may use such personal property in accordance with the purpose for which it is intended, without hindering or encroaching upon the lawful rights of the the other Owners. Sale of a Lot under foreclosure shall thereby entitle the purchase thereof to the beneficial interest in the personal property associated with the Lot.

ARTICLE VII

COVENANT FOR MAINTENANCE ASSESSMENT

Section 1. Creation of the Lien and Personal Obligation of Assessment. Declarant for each Lot owned by it within the Properties hereby covenants, and each Owner of any Lot by acceptance of the deed therefor, whether or not it shall be so expressed in acceptance of the deed therefor, shall be deemed to covenant and agree to pay to the Association annual assessments and special assessments for capital improvements. Such assessments shall be fixed, established and collected from time to time as hereinafter provided. The annual and special assessments, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall be a continuing lien upon the property against which each such assessment is made from the date hereinafter set forth. Each such assessment, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall also be a personal obligation of the person who is the Owner of such property at the time when the assessment fell due. Such personal obligation shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, enjoyment and welfare of the residents in the Properties and in particular for the improvements and maintenance of property, services and facilities devoted to the purpose and related to the use and enjoyment of homes situated upon the Properties and any other purpose reasonable, necessary or incidental to such purposes.

Section 3. Basis of Annual Assessment. Unless changed by vote of the Membership, as hereinafter provided, the maximum annual assessment for any Lot owned by Class A Members on which is located a single family detached dwelling shall be $250.00 per year. The assessment for Lots owned by Class A Members shall be at such assessment ratio as shall be determined by the Board of Directors for that particular development within six (6) months after its annexation to the Properties, having in mind the additional amenities furnished to the particular Lot not otherwise available to the Members. Such assessment ratio shall not thereafter be changed by the Board of Directors without approval of sixty-six percent (66%) of the Members.

The assessments shall be based upon the cash requirements deemed to be such aggregate sums as the Board of Directors of the Association shall from time to time determine is necessary to provide for the payment of all estimated expenses growing out of or connected with the maintenance and operation of the Green Area, which sum may include, but not limited to, any special assessments on the Common or Green Areas, insurance premiums for vandalism and malicious mischief, with endorsements attached, issued in the amount of the maximum replacement value of all of the Common Area improvements; casualty and public liability and other insurance premiums; landscaping and care of grounds; streets, lighting, repairs and renovations of Common Areas and Green Areas, wages, charges for water used by the Association, grounds maintenance, any expenses of providing security and protection for the Owners, legal and accounting fees, management fees,

expenses and liabilities incurred by the Board of Directors under or by reason of this Declaration, the payment of any deficit remaining for a previous period, the creation of a reasonable contingency or other reserve or surplus funds as well as any and all other costs and expenses necessary to carry out the terms and intent of this Declaration. The Association shall maintain an adequate reserve fund out of the annual assessments rather than by period assessment for the maintenance, repair and replacement of those elements of the Common Area and Green Areas that must be replaced on a periodic basis. The Board of Directors of the Association may after consideration of the current maintenance costs and the financial requirements of the Association fix the annual actual assessment at an amount less than the maximum. Such reserve fund shall not be used to construct or establish new capital improvements without an affirmative vote of one-half of each class of Members.

Any agreement for management of the Associations's business or any other contract for services by the Declarant must provide for termination by either party without cause or payment of a termination fee on thirty (30) days or less written notice and a maximum contract term of three (3) years.

The maximum annual assessment may be changed as follows:

A. From and after January 1, 1988, the maximum annual assessment may be increased each year not more than ten percent (10%) above the maximum assessment for the previous year without a vote of the Membership.

B. From and after January 1, 1988, the maximum annual assessment may be increased above ten percent (10%) by a vote of one-half (1/2) of each class of Members who are voting in person or by proxy, at a meeting duly called for this purpose.

C. The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. Upon vote of the Members of the Association in the manner hereinafter set forth, the Association may levy in addition to annual assessments a special assessment in any calendar year applicable to that year only, for the purpose of defraying in whole or in part the costs of construction or reconstruction or expected repair or replacement of a described capital improvement upon the Common Area or Green Area, including necessary fixtures and personal property related thereto, provided that, any such assessment shall have the assent of sixty percent (60%) of the votes of each class of Members who are voting in person, or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than thirty (30) days nor more that sixty (60) days in advance of the meeting setting forth the purpose of the meeting. The assessment ratio for any Lot, as determined pursuant to Section 3, shall be applicable to special assessment.

Section 5. Voting and Notices for Special Assessment and Change of Maximum Assessment. Written notice of any meeting of Members called to change the maximum annual assessment or to levy a special assessment shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the date of such meeting, setting forth the purpose of the meeting.

Section 6. Quorum for Action Authorized Under Section 4 and 5. The quorum required for any action authorized in Section 4 and 5 of this Article VI shall be as follows:

At the first meeting called, as provided in Section 4 and 5 hereof, the presence at the meeting of Members, or of proxies entitled to cast sixty percent (60%) of all votes of each class of Membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in Sections 4 and 5 and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessment. The initial annual assessments shall commence on the first day of such month as

determined by the Board of Directors of the Association, shall be made for the balance of the calendar year, and shall be due and payable on the date fixed by the Board. Annual assessments for any year after the first year shall become due and payable on or before February 1 of such year, and at the Board's discretion may be collected on a monthly basis.

The amount of the initial annual assessment for the first year in which assessments are made or for any property which becomes subject to assessments for the first time shall be prorated on a calendar year basis according to the date on which property first became subject to assessment.

The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

Section 8. Duty of the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

Section 9. The Effect of Non-payment of Assessments; Lien of Association. If an assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $20.00 and the assessment shall bear interest at the rate of ten percent (10%) per annum for such due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such Lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Common and Green Areas, specifying and itemizing the maintenance and repair expenses of the Common Areas and Green Areas and any other expenses incurred. Such records and the vouchers authorizing the

payments shall be available on request for examination by the Owners and others with an interest such as encumbrancers or prospective lenders.

Section 12. Protection of Mortgagees. First mortgagees of Lots may pay taxes or other charges or assessments which are in default and which may become a lien against the Common or Green Areas and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Common and Green Areas and the first mortgagees making such payments shall be owed immediately reimbursement therefore from the Association.

Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to assessment by the Association. Ownership of such Lot shall be the sole qualification for Membership. When more than one person holds a Membership interest in any lot, all such persons shall be Members. B. The Class B Members shall be Southcreek, Inc. or its successors or assigns. Class B Members shall be entitled to four votes for each Lot owned by the Declarant or its successors or assigns, and shall be entitled to elect all Members of the Board of Directors of the Association. Class B Membership may cease and be converted to Class A Membership at the option of the Class B Member, its successors or assigns, by its written notice to the Secretary of the Association, and shall cease and be converted to Class A Membership without further act or deed when the total votes outstanding in the Class A Membership equal the total votes outstanding in the Class B Membership.

C. As long as a Class B Membership exists, Associate Memberships in the Association will not be established by the Board of Directors of the Association without an affirmative vote of a majority of the Class A Members of the Association.

D. Should any builder own any Lot which is the subject of these restrictions, that builder shall assign his voting rights to the developer. Said voting rights shall be voted as Class A Membership and not Class B Membership.

ARTICLE V

ADMINISTRATION AND MANAGEMENT

The administration of the Properties shall be governed by these covenants, the Articles of Incorporation, By-Laws, and published rules and regulations of the Association. As shown and reserved to Declarant in the Articles of Incorporation and By-Laws for the Association, the designation and appointment of the Board of Directors for the Association may, at Declarant's option, be exercised solely by the Declarant until the Class B Membership terminates.

A transfer of a Lot shall transfer to the transferee ownership of the transferor's beneficial interest in such personal property without any reference thereto or execution of a bill of sale. Each Owner may use such personal property in accordance with the purpose for which it is intended, without hindering or encroaching upon the lawful rights of the the other Owners. Sale of a Lot under foreclosure shall thereby entitle the purchase thereof to the beneficial interest in the personal property associated with the Lot.

ARTICLE VII

COVENANT FOR MAINTENANCE ASSESSMENT

Section 1. Creation of the Lien and Personal Obligation of Assessment. Declarant for each Lot owned by it within the Properties hereby covenants, and each Owner of any Lot by acceptance of the deed therefor, whether or not it shall be so expressed in acceptance of the deed therefor, shall be deemed to covenant and agree to pay to the Association annual assessments and special assessments for capital improvements. Such assessments shall be fixed, established and collected from time to time as hereinafter provided. The annual and special assessments, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall be a continuing lien upon the property against which each such assessment is made from the date hereinafter set forth. Each such assessment, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall also be a personal obligation of the person who is the Owner of such property at the time when the assessment fell due. Such personal obligation shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, enjoyment and welfare of the residents in the Properties and in particular for the improvements and maintenance of property, services and facilities devoted to the purpose and related to the use and enjoyment of homes situated upon the Properties and any other purpose reasonable, necessary or incidental to such purposes.

Section 3. Basis of Annual Assessment. Unless changed by vote of the Membership, as hereinafter provided, the maximum annual assessment for any Lot owned by Class A Members on which is located in a single family detached dwelling shall be $250.00 per year. The assessment for Lots owned by Class A Members shall be at such assessment ratio as shall be determined by the Board of Directors for that particular development within six (6) months after its annexation to the Properties, having in mind the additional amenities furnished to the particular Lot not otherwise available to the Members. Such assessment ratio shall not thereafter be changed by the Board of Directors without approval of sixty-six percent (66%) of the Members.

The assessments shall be based upon the cash requirements deemed to be such aggregate sums as the Board of Directors of the Association shall from time to time determine is necessary to provide for the payment of all estimated expenses growing out of or connected with the maintenance and operation of the Green Area, which sum may include, but not limited to, any special assessments on the Common or Green Areas, insurance premiums for vandalism and malicious mischief, with endorsements attached, issued in the amount of the maximum replacement value of all of the Common Area improvements; casualty and public liability and other insurance premiums; landscaping and care of grounds; streets, lighting, repairs and renovations of Common Areas and Green Areas, wages, charges for water used by the Association, grounds maintenance, any expenses of providing security and protection for the Owners, legal and accounting fees, management fees,

expenses and liabilities incurred by the Board of Directors under or by reason of this Declaration, the payment of any deficit remaining for a previous period, the creation of a reasonable contingency or other reserve or surplus funds as well as any and all other costs and expenses necessary to carry out the terms and intent of this Declaration. The Association shall maintain an adequate reserve fund out of the annual assessments rather than by period assessment for the maintenance, repair and replacement of those elements of the Common Area and Green Areas that must be replaced on a periodic basis. The Board of Directors of the Association may after consideration of the current maintenance costs and the financial requirements of the Association fix the annual actual assessment at an amount less than the maximum. Such reserve fund shall not be used to construct or establish new capital improvements without an affirmative vote of one-half of each class of Members.

Any agreement for management of the Associations's business or any other contract for services by the Declarant must provide for termination by either party without cause or payment of a termination fee on thirty (30) days or less written notice and a maximum contract term of three (3) years.

The maximum annual assessment may be changed as follows:

A. From and after January 1, 1988, the maximum annual assessment may be increased each year not more than ten percent (10%) above the maximum assessment for the previous year without a vote of the Membership.

B. From and after January 1, 1988, the maximum annual assessment may be increased above ten percent (10%) by a vote of one-half (1/2) of each class of Members who are voting in person or by proxy, at a meeting duly called for this purpose.

C. The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. Upon vote of the Members of the Association in the manner hereinafter set forth, the Association may levy in addition to annual assessments a special assessment in any calendar year applicable to that year only, for the purpose of defraying in whole or in part the costs of construction or reconstruction or expected repair or replacement of a described capital improvement upon the Common Area or Green Area, including necessary fixtures and personal property releated thereto, provided that, any such assessment shall have the assent of sixty percent (60%) of the votes of each class of Members who are voting in person, or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than thirty (30) days nor more that sixty (60) days in advance of the meeting setting forth the purpose of the meeting. The assessment ratio for any lot, as determined pursuant to Section 3, shall be applicable to special assessment.

Section 5. Voting and Notices for Special Assessment and Change of Maximum Assessment. Written notice of any meeting of Members called to change the maximum annual assessment or to levy a special assessment shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the date of such meeting, setting forth the purpose of the meeting.

Section 6. Quorum for Action Authorized Under Section 4 and 5. The quorum required for any action authorized in Section 4 and 5 of this Article VI shall be as follows:

At the first meeting called, as provided in Section 4 and 5 hereof, the presence at the meeting of Members, or of proxies entitled to cast sixty percent (60%) of all votes of each class of Membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in Sections 4 and 5 and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessment. The initial annual assessments shall commence on the first day of such month as

N 8659001212

determined by the Board of Directors of the Association, shall be made for the balance of the calendar year, and shall be due and payable on the date fixed by the Board. Annual assessments for any year after the first year shall become due and payable on or before February 1 of such year, and at the Board's discretion may be collected on a monthly basis.

The amount of the initial annual assessment for the first year in which assessments are made or for any property which becomes subject to assessments for the first time shall be prorated on a calendar year basis according to the date on which property first became subject to assessment.

The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

Section 8. Duty of the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

Section 9. The Effect of Non-payment of Assessments; Lien of Association. If an assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $20.00 and the assessment shall bear interest at the rate of ten percent (10%) per annum for such due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such Lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Common and Green Areas, specifying and itemizing the maintenance and repair expenses of the Common Areas and Green Areas and any other expenses incurred. Such records and the vouchers authorizing the

M 8659 1213

payments shall be available on request for examination by the Owners and others with an interest such as encumbrancers or prospective lenders.

Section 12. Protection of Mortgagees. First mortgagees of Lots may pay taxes or other charges or assessments which are in default and which may become a lien against the Common or Green Areas and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Common and Green Areas and the first mortgagees making such payments shall be owed immediately reimbursement therefore from the Association.

IN WITNESS WHEREOF, the undersigned being the Declarant herein has hereunto set its hand and seal as of the day and year first hereinabove set forth.

MEMBERSHIP AND VOTING RIGHTS IN THE ASSOCIATION

Section 1. Membership. Every person or entity who is a record owner of a fee or undivided fee interest in any Lot which is subject by covenants of record to assessment by the Association, including contract sellers, shall be a Member of the Association. The foregoing is not intended to include persons or entities who hold an interest merely as security for the performance of obligation. Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to assessment by the Association. Ownership of such Lot shall be the sole qualification for Membership. When more than one person holds a Membership interest in any Lot, all such persons shall be Members. The vote for such Lot shall be exercised as they among themselves determine, but in no event shall more than one (1) vote be cast with respect to any Lot.

A transfer of a Lot shall transfer to the transferee ownership of the transferor's beneficial interest in such personal property without any reference thereto or execution of a bill of sale. Each Owner may use such personal property in accordance with the purpose for which it is intended, without hindering or encroaching upon the lawful rights of the the other Owners. Sale of a Lot under foreclosure shall thereby entitle the purchase thereof to the beneficial interest in the personal property associated with the Lot.

ARTICLE VII

COVENANT FOR MAINTENANCE ASSESSMENT

Section 1. Creation of the Lien and Personal Obligation of Assessment. Declarant for each Lot owned by it within the Properties hereby covenants, and each Owner of any Lot by acceptance of the deed therefor, whether or not it shall be so expressed in acceptance of the deed therefor, shall be deemed to covenant and agree to pay to the Association annual assessments and special assessments for capital improvements. Such assessments shall be fixed, established and collected from time to time as hereinafter provided. The annual and special assessments, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall be a continuing lien upon the property against which each such assessment is made from the date hereinafter set forth. Each such assessment, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall also be a personal obligation of the person who is the Owner of such property at the time when the assessment fell due. Such personal obligation shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, enjoyment and welfare of the residents in the Properties and in particular for the improvements and maintenance of property, services and facilities devoted to the purpose and related to the use and enjoyment of homes situated upon the Properties and any other purpose reasonable, necessary or incidental to such purposes.

Section 3. Basis of Annual Assessment. Unless changed by vote of the Membership, as hereinafter provided, the maximum annual assessment for any Lot owned by Class A Members on which is located in a single family detached dwelling shall be $250.00 per year. The assessment for Lots owned by Class A Members shall be at such assessment ratio as shall be determined by the Board of Directors for that particular development within six (6) months after its annexation to the Properties, having in mind the additional amenities furnished to the particular Lot not otherwise available to the Members. Such assessment ratio shall not thereafter be changed by the Board of Directors without approval of sixty-six percent (66%) of the Members.

The assessments shall be based upon the cash requirements deemed to be such aggregate sums as the Board of Directors of the Association shall from time to time determine is necessary to provide for the payment of all estimated expenses growing out of or connected with the maintenance and operation of the Green Area, which sum may include, but not limited to, any special assessments on the Common or Green Areas, insurance premiums for vandalism and malicious mischief, with endorsements attached, issued in the amount of the maximum replacement value of all of the Common Area improvements; casualty and public liability and other insurance premiums; landscaping and care of grounds; streets, lighting, repairs and renovations of Common Areas and Green Areas, wages, charges for water used by the Association, grounds maintenance, any expenses of providing security and protection for the Owners, legal and accounting fees, management fees,

expenses and liabilities incurred by the Board of Directors under or by reason of this Declaration, the payment of any deficit remaining for a previous period, the creation of a reasonable contingency or other reserve or surplus funds as well as any and all other costs and expenses necessary to carry out the terms and intent of this Declaration. The Association shall maintain an adequate reserve fund out of the annual assessments rather than by period assessment for the maintenance, repair and replacement of those elements of the Common Area and Green Areas that must be replaced on a periodic basis. The Board of Directors of the Association may after consideration of the current maintenance costs and the financial requirements of the Association fix the annual actual assessment at an amount less than the maximum. Such reserve fund shall not be used to construct or establish new capital improvements without an affirmative vote of one-half of each class of Members.

Any agreement for management of the Associations's business or any other contract for services by the Declarant must provide for termination by either party without cause or payment of a termination fee on thirty (30) days or less written notice and a maximum contract term of three (3) years.

The maximum annual assessment may be changed as follows:

A. From and after January 1, 1988, the maximum annual assessment may be increased each year not more than ten percent (10%) above the maximum assessment for the previous year without a vote of the Membership.

B. From and after January 1, 1988, the maximum annual assessment may be increased above ten percent (10%) by a vote of one-half (1/2) of each class of Members who are voting in person or by proxy, at a meeting duly called for this purpose.

C. The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. Upon vote of the Members of the Association in the manner hereinafter set forth, the Association may levy in addition to annual assessments a special assessment in any calendar year applicable to that year only, for the purpose of defraying in whole or in part the costs of construction or reconstruction or expected repair or replacement of a described capital improvement upon the Common Area or Green Area, including necessary fixtures and personal property related thereto, provided that, any such assessment shall have the assent of sixty percent (60%) of the votes of each class of Members who are voting in person, or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than thirty (30) days nor more that sixty (60) days in advance of the meeting setting forth the purpose of the meeting. The assessment ratio for any Lot, as determined pursuant to Section 3, shall be applicable to special assessment.

Section 5. Voting and Notices for Special Assessment and Change of Maximum Assessment. Written notice of any meeting of Members called to change the maximum annual assessment or to levy a special assessment shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the date of such meeting, setting forth the purpose of the meeting.

Section 6. Quorum for Action Authorized Under Section 4 and 5. The quorum required for any action authorized in Section 4 and 5 of this Article VI shall be as follows:

At the first meeting called, as provided in Section 4 and 5 hereof, the presence at the meeting of Members, or of proxies entitled to cast sixty percent (60%) of all votes of each class of Membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in Sections 4 and 5 and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessment. The initial annual assessments shall commence on the first day of such month as

determined by the Board of Directors of the Association, shall be made for the balance of the calendar year, and shall be due and payable on the date fixed by the Board. Annual assessments for any year after the first year shall become due and payable on or before February 1 of such year, and at the Board's discretion may be collected on a monthly basis.

The amount of the initial annual assessment for the first year in which assessments are made or for any property which becomes subject to assessments for the first time shall be prorated on a calendar year basis according to the date on which property first became subject to assessment.

The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

Section 8. Duty of the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

Section 9. The Effect of Non-payment of Assessments; Lien of Association. If an assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $20.00 and the assessment shall bear interest at the rate of ten percent (10%) per annum for such due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such Lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Common and Green Areas, specifying and itemizing the maintenance and repair expenses of the Common Areas and Green Areas and any other expenses incurred. Such records and the vouchers authorizing the

payments shall be available on request for examination by the Owners and others with an interest such as encumbrancers or prospective lenders.

Section 12. Protection of Mortgagees. First mortgagees of Lots may pay taxes or other charges or assessments which are in default and which may become a lien against the Common or Green Areas and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Common and Green Areas and the first mortgagees making such payments shall be owed immediately reimbursement therefore from the Association.

IN WITNESS WHEREOF, the undersigned being the Declarant herein has hereunto set its hand and seal as of the day and year first hereinabove set forth.

All fences on Lots shall be maintained in good repair and in a clean and attractive manner.

ARTICLE IV

MEMBERSHIP AND VOTING RIGHTS IN THE ASSOCIATION

VL 8659 1145

Section 1. Membership. Every person or entity who is a record owner of a fee or undivided fee interest in any Lot which is subject by covenants of record to assessment by the Association, including contract sellers, shall be a Member of the Association. The foregoing is not intended to include persons or entities who hold an interest merely as security for the performance of obligation. Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to assessment by the Association. Ownership of such Lot shall be the sole qualification for Membership. When more than one person holds a Membership interest in any Lot, all such persons shall be Members. The vote for such Lot shall be exercised as they among themselves determine, but in no event shall more than one (1) vote be cast with respect to any Lot.

Section 2. Voting Rights. There shall be two classes of voting Membership.

A. Class A Members will be all those Members other than Southcreek, Inc. Class A Members shall be entitled to one vote for each Lot in which they hold the interest required for Membership by Section 1. When Class B Membership has been coverted to Class A Membership, all Directors of the Association shall be elected by the Class A Members.

B. The Class B Members shall be Southcreek, Inc. or its successors or assigns. Class B Members shall be entitled to four votes for each Lot owned by the Declarant or its successors or assigns, and shall be entitled to elect all Members of the Board of Directors of the Association. Class B Membership may cease and be converted to Class A Membership at the option of the Class B Member, its successors or assigns by its written notice to the Secretary of the Association, and shall cease and be converted to Class A Membership without further act or deed when the total votes outstanding in the Class A Membership equal the total votes outstanding in the Class B Membership.

C. As long as a Class B Membership exists, Associate Memberships in the Association will not be established by the Board of Directors of the Association without an affirmative vote of a majority of the Class A Members of the Association.

D. Should any builder own any lot which is the subject of these restrictions, that builder shall assign his voting rights to the developer. Said voting rights shall be voted as Class A Membership and not Class B Membership.

ARTICLE V

ADMINISTRATION AND MANAGEMENT

The administration of the Properties shall be governed by these covenants, the Articles of Incorporation, By-Laws, and published rules and regulations of the Association. As shown and reserved to Declarant in the Articles of Incorporation and By-Laws for the Association, the designation and appointment of the Board of Directors for the Association may, at Declarant's option, be exercised solely by the Declarant until the Class B Membership terminates.

ARTICLE VI

Section 1. Extent of Members' Easements. The rights and easements of enjoyment created hereby shall be subject to the following:

A. The right of the Association to limit the number of guests of Members.

B. The rights of the Declarant and of the Association, in accordance with its Articles and By-Laws, to borrow money for the purpose of improving the Green Area and with written consent of the Members entitled to vote seventy-five percent (75%) the votes of each class of Membership to mortgage said Common Areas and Green Areas as security for any such loan.

N 8659 1146

C. The right of the Association to promulgate and publish rules and regulations which each Member shall strictly comply with.

Section 2. Personal Property for Common Use. The Association may acquire and hold for the use and benefit of all Members of the Association, tangible and intangible personal property and may dispose of the same by sale or otherwise, and the beneficial interest in any such property shall be owned by the Members of the Association and their interest therein shall not be transferable except that the interest of a Member who is an Owner shall be deemed to be transferred upon the transfer of the Member's Lot. A transfer of a Lot shall transfer to the transferee ownership of the transferor's beneficial interest in such personal property without any reference thereto or execution of a bill of sale. Each Owner may use such personal property in accordance with the purpose for which it is intended, without hindering or encroaching upon the lawful rights of the the other Owners. Sale of a Lot under foreclosure shall thereby entitle the purchase thereof to the beneficial interest in the personal property associated with the Lot.

ARTICLE VII

COVENANT FOR MAINTENANCE ASSESSMENT

Section 1. Creation of the Lien and Personal Obligation of Assessment. Declarant for each Lot owned by it within the Properties hereby covenants, and each Owner of any Lot by acceptance of the deed therefor, whether or not it shall be so expressed in acceptance of the deed therefor, shall be deemed to covenant and agree to pay to the Association annual assessments and special assessments for capital improvements. Such assessments shall be fixed, established and collected from time to time as hereinafter provided. The annual and special assessments, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall be a continuing lien upon the property against which each such assessment is made from the date hereinafter set forth. Each such assessment, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall also be a personal obligation of the person who is the Owner of such property at the time when the assessment fell due. Such personal obligation shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, enjoyment and welfare of the residents in the Properties and in particular for the improvements and maintenance of property, services and facilities devoted to the purpose and related to the use and enjoyment of homes situated upon the Properties and any other purpose reasonable, necessary or incidental to such purposes.

Section 3. Basis of Annual Assessment. Unless changed by vote of the Membership, as hereinafter provided, the maximum annual assessment for any Lot owned by Class A Members on which is located in a single family detached dwelling shall be $250.00 per year. The assessment for Lots owned by Class A Members shall be at such assessment ratio as shall be determined by the Board of Directors for that particular development within six (6) months after its annexation to the Properties, having in mind the additional amenities furnished to the particular Lot not otherwise available to the Members. Such assessment ratio shall not thereafter be changed by the Board of Directors without approval of sixty-six percent (66%) of the Members.

The assessments shall be based upon the cash requirements deemed to be such aggregate sums as the Board of Directors of the Association shall from time to time determine is necessary to provide for the payment of all estimated expenses growing out of or connected with the maintenance and operation of the Green Area, which sum may include, but not limited to, any special assessments on the Common or Green Areas, insurance premiums for vandalism and malicious mischief, with endorsements attached, issued in the amount of the maximum replacement value of all of the Common Area improvements; casualty and public liability and other insurance premiums; landscaping and care of grounds; streets, lighting, repairs and renovations of Common Areas and Green Areas, wages, charges for water used by the Association, grounds maintenance, any expenses of providing security and protection for the Owners, legal and accounting fees, management fees,

expenses and liabilities incurred by the Board of Directors under or by reason of this Declaration, the payment of any deficit remaining for a previous period, the creation of a reasonable contingency or other reserve or surplus funds as well as any and all other costs and expenses necessary to carry out the terms and intent of this Declaration. The Association shall maintain an adequate reserve fund out of the annual assessments rather than by period assessment for the maintenance, repair and replacement of those elements of the Common Area and Green Areas that must be replaced on a periodic basis. The Board of Directors of the Association may after consideration of the current maintenance costs and the financial requirements of the Association fix the annual actual assessment at an amount less than the maximum. Such reserve fund shall not be used to construct or establish new capital improvements without an affirmative vote of one-half of each class of Members.

Any agreement for management of the Associations's business or any other contract for services by the Declarant must provide for termination by either party without cause or payment of a termination fee on thirty (30) days or less written notice and a maximum contract term of three (3) years.

The maximum annual assessment may be changed as follows:

A. From and after January 1, 1988, the maximum annual assessment may be increased each year not more than ten percent (10%) above the maximum assessment for the previous year without a vote of the Membership.

B. From and after January 1, 1988, the maximum annual assessment may be increased above ten percent (10%) by a vote of one-half (1/2) of each class of Members who are voting in person or by proxy, at a meeting duly called for this purpose.

C. The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. Upon vote of the Members of the Association in the manner hereinafter set forth, the Association may levy in addition to annual assessments a special assessment in any calendar year applicable to that year only, for the purpose of defraying in whole or in part the costs of construction or reconstruction or expected repair or replacement of a described capital improvement upon the Common Area or Green Area, including necessary fixtures and personal property related thereto, provided that, any such assessment shall have the assent of sixty percent (60%) of the votes of each class of Members who are voting in person, or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than thirty (30) days nor more that sixty (60) days in advance of the meeting setting forth the purpose of the meeting. The assessment ratio for any Lot, as determined pursuant to Section 3, shall be applicable to special assessment.

Section 5. Voting and Notices for Special Assessment and Change of Maximum Assessment. Written notice of any meeting of Members called to change the maximum annual assessment or to levy a special assessment shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the date of such meeting, setting forth the purpose of the meeting.

Section 6. Quorum for Action Authorized Under Section 4 and 5. The quorum required for any action authorized in Section 4 and 5 of this Article VI shall be as follows:

At the first meeting called, as provided in Section 4 and 5 hereof, the presence at the meeting of Members, or of proxies entitled to cast sixty percent (60%) of all votes of each class of Membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in Sections 4 and 5 and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessment. The initial annual assessments shall commence on the first day of such month as

N 8669R1146

determined by the Board of Directors of the Association, shall be made for the balance of the calendar year, and shall be due and payable on the date fixed by the Board. Annual assessments for any year after the first year shall become due and payable on or before February 1 of such year, and at the Board's discretion may be collected on a monthly basis.

The amount of the initial annual assessment for the first year in which assessments are made or for any property which becomes subject to assessments for the first time shall be prorated on a calendar year basis according to the date on which property first became subject to assessment.

The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

Section 8. Duty of the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

Section 9. The Effect of Non-payment of Assessments; Lien of Association. If an assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $20.00 and the assessment shall bear interest at the rate of ten percent (10%) per annum for such due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such Lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Common and Green Areas, specifying and itemizing the maintenance and repair expenses of the Common Areas and Green Areas and any other expenses incurred. Such records and the vouchers authorizing the

D 8559M1149

payments shall be available on request for examination by the Owners and others with an interest such as encumbrancers or prospective lenders.

Section 12. Protection of Mortgagees. First mortgagees of Lots may pay taxes or other charges or assessments which are in default and which may become a lien against the Common or Green Areas and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Common and Green Areas and the first mortgagees making such payments shall be owed immediately reimbursement therefore from the Association.

IN WITNESS WHEREOF, the undersigned being the Declarant herein has hereunto set its hand and seal as of the day and year first hereinabove set forth.

The Association may acquire and hold for the use and benefit of all Members of the Association, tangible and intangible personal property and may dispose of the same by sale or otherwise, and the beneficial interest in any such property shall be owned by the Members of the Association and their interest therein shall not be transferable except that the interest of a Member who is an Owner shall be deemed to be transferred upon the transfer of the Member's Lot. A transfer of a Lot shall transfer to the transferee ownership of the transferor's beneficial interest in such personal property without any reference thereto or execution of a bill of sale. Each Owner may use such personal property in accordance with the purpose for which it is intended, without hindering or encroaching upon the lawful rights of the the other Owners. Sale of a Lot under foreclosure shall thereby entitle the purchase thereof to the beneficial interest in the personal property associated with the Lot.

ARTICLE VII

COVENANT FOR MAINTENANCE ASSESSMENT

Section 1. Creation of the Lien and Personal Obligation of Assessment. Declarant for each Lot owned by it within the Properties hereby covenants, and each Owner of any Lot by acceptance of the deed therefor, whether or not it shall be so expressed in acceptance of the deed therefor, shall be deemed to covenant and agree to pay to the Association annual assessments and special assessments for capital improvements. Such assessments shall be fixed, established and collected from time to time as hereinafter provided. The annual and special assessments, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall be a continuing lien upon the property against which each such assessment is made from the date hereinafter set forth. Each such assessment, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall also be a personal obligation of the person who is the Owner of such property at the time when the assessment fell due. Such personal obligation shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, enjoyment and welfare of the residents in the Properties and in particular for the improvement and maintenance of property, services and facilities devoted to the purpose and related to the use and enjoyment of homes situated upon the Properties and any other purpose reasonable, necessary or incidental to such purposes.

Section 3. Basis of Annual Assessment. Unless changed by vote of the Membership, as hereinafter provided, the maximum annual assessment for any Lot owned by Class A Members on which is located in a single family detached dwelling shall be $250.00 per year. The assessment for Lots owned by Class A Members shall be at such assessment ratio as shall be determined by the Board of Directors for that particular development within six (6) months after its annexation to the Properties, having in mind the additional amenities furnished to the particular Lot not otherwise available to the Members. Such assessment ratio shall not thereafter be changed by the Board of Directors without approval of sixty-six percent (66%) of the Members.

The assessments shall be based upon the cash requirements deemed to be such aggregate sums as the Board of Directors of the Association shall from time to time determine is necessary to provide for the payment of all estimated expenses growing out of or connected with the maintenance and operation of the Green Area, which sum may include, but not limited to, any special assessments on the Common or Green Areas, insurance premiums for vandalism and malicious mischief, with endorsements attached, issued in the amount of the maximum replacement value of all of the Common Area improvements; casualty and public liability and other insurance premiums; landscaping and care of grounds; streets, lighting, repairs and renovations of Common Areas and Green Areas, wages, charges for water used by the Association, grounds maintenance, any expenses of providing security and protection for the Owners, legal and accounting fees, management fees,

expenses and liabilities incurred by the Board of Directors under or by reason of this Declaration, the payment of any deficit remaining for a previous period, the creation of a reasonable contingency or other reserve or surplus funds as well as any and all other costs and expenses necessary to carry out the terms and intent of this Declaration. The Association shall maintain an adequate reserve fund out of the annual assessments rather than by period assessment for the maintenance, repair and replacement of those elements of the Common Area and Green Areas that must be replaced on a periodic basis. The Board of Directors of the Association may after consideration of the current maintenance costs and the financial requirements of the Association fix the annual actual assessment at an amount less than the maximum. Such reserve fund shall not be used to construct or establish new capital improvements without an affirmative vote of one-half of each class of Members.

Any agreement for management of the Associations's business or any other contract for services by the Declarant must provide for termination by either party without cause or payment of a termination fee on thirty (30) days or less written notice and a maximum contract term of three (3) years.

The maximum annual assessment may be changed as follows:

A. From and after January 1, 1988, the maximum annual assessment may be increased each year not more than ten percent (10%) above the maximum assessment for the previous year without a vote of the Membership.

B. From and after January 1, 1988, the maximum annual assessment may be increased above ten percent (10%) by a vote of one-half (1/2) of each class of Members who are voting in person or by proxy, at a meeting duly called for this purpose.

C. The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. Upon vote of the Members of the Association in the manner hereinafter set forth, the Association may levy in addition to annual assessments a special assessment in any calendar year applicable to that year only, for the purpose of defraying in whole or in part the costs of construction or reconstruction or expected repair or replacement of a described capital improvement upon the Common Area or Green Area, including necessary fixtures and personal property related thereto, provided that, any such assessment shall have the assent of sixty percent (60%) of the votes of each class of Members who are voting in person, or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than thirty (30) days nor more that sixty (60) days in advance of the meeting setting forth the purpose of the meeting. The assessment ratio for any Lot, as determined pursuant to Section 3, shall be applicable to special assessments.

Section 5. Voting and Notices for Special Assessment and Change of Maximum Assessment. Written notice of any meeting of Members called to change the maximum annual assessment or to levy a special assessment shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the date of such meeting, setting forth the purpose of the meeting.

Section 6. Quorum for Action Authorized Under Section 4 and 5. The quorum required for any action authorized in Section 4 and 5 of this Article VI shall be as follows:

At the first meeting called, as provided in Section 4 and 5 hereof, the presence at the meeting of Members, or of proxies entitled to cast sixty percent (60%) of all votes of each class of Membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in Sections 4 and 5 and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessment. The initial annual assessments shall commence on the first day of such month as

determined by the Board of Directors of the Association, shall be made for the balance of the calendar year, and shall be due and payable on the date fixed by the Board. Annual assessments for any year after the first year shall become due and payable on or before February 1 of such year, and at the Board's discretion may be collected on a monthly basis.

The amount of the initial annual assessment for the first year in which assessments are made or for any property which becomes subject to assessments for the first time shall be prorated on a calendar year basis according to the date on which property first became subject to assessment.

The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

Section 8. Duty of the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

Section 9. The Effect of Non-payment of Assessments; Lien of Association. If an assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $20.00 and the assessment shall bear interest at the rate of ten percent (10%) per annum for such due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such Lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Common and Green Areas, specifying and itemizing the maintenance and repair expenses of the Common Areas and Green Areas and any other expenses incurred. Such records and the vouchers authorizing the

payments shall be available on request for examination by the Owners and others with an interest such as encumbrancers or prospective lenders.

Section 12. Protection of Mortgagees. First mortgagees of Lots may pay taxes or other charges or assessments which are in default and which may become a lien against the Common or Green Areas and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Common and Green Areas and the first mortgagees making such payments shall be owed immediately reimbursement therefore from the Association.

IN WITNESS WHEREOF, the undersigned being the Declarant herein has hereunto set its hand and seal as of the day and year first hereinabove set forth.

ARTICLE IV

MEMBERSHIP AND VOTING RIGHTS IN THE ASSOCIATION

Section 1. Membership. Every person or entity who is a record owner of a fee or undivided fee interest in any Lot which is subject by covenants of record to assessment by the Association, including contract sellers, shall be a Member of the Association. The foregoing is not intended to include persons or entities who hold an interest merely as security for the performance of obligation. Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to assessment by the Association. Ownership of such Lot shall be the sole qualification for Membership. When more than one person holds a Membership interest in any Lot, all such persons shall be Members. The vote for such Lot shall be exercised as they among themselves determine, but in no event shall more than one (1) vote be cast with respect to any Lot.

Section 2. Voting Rights. There shall be two classes of voting Membership.

ARTICLE V

Each Owner may use such personal property in accordance with the purpose for which it is intended, without hindering or encroaching upon the lawful rights of the the other Owners. Sale of a Lot under foreclosure shall thereby entitle the purchase thereof to the beneficial interest in the personal property associated with the Lot.

ARTICLE VII

COVENANT FOR MAINTENANCE ASSESSMENT

Section 1. Creation of the Lien and Personal Obligation of Assessment. Declarant for each Lot owned by it within the Properties hereby covenants, and each Owner of any Lot by acceptance of the deed therefor, whether or not it shall be so expressed in acceptance of the deed therefor, shall be deemed to covenant and agree to pay to the Association annual assessments and special assessments for capital improvements. Such assessments shall be fixed, established and collected from time to time as hereinafter provided. The annual and special assessments, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall be a continuing lien upon the property against which each such assessment is made from the date hereinafter set forth. Each such assessment, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall also be a personal obligation of the person who is the Owner of such property at the time when the assessment fall due. Such personal obligation shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, enjoyment and welfare of the residents in the Properties and in particular for the improvements and maintenance of property, services and facilities devoted to the purpose and related to the use and enjoyment of homes situated upon the Properties and any other purpose reasonable, necessary or incidental to such purposes.

Section 3. Basis of Annual Assessment. The assessment for Lots owned by Class A Members shall be at such assessment ratio as shall be determined by the Board of Directors for that particular development within six (6) months after its annexation to the Properties, having in mind the additional amenities furnished to the particular Lot not otherwise available to the Members. Such assessment ratio shall not thereafter be changed by the Board of Directors without approval of sixty-six percent (66%) of the Members.

The assessments shall be based upon the cash requirements deemed to be such aggregate sums as the Board of Directors of the Association shall from time to time determine is necessary to provide for the payment of all estimated expenses growing out of or connected with the maintenance and operation of the Green Area, which sum may include, but not limited to, any special assessments on the Common or Green Areas, insurance premiums for vandalism and malicious mischief, with endorsements attached, issued in the amount of the maximum replacement value of all of the Common Area improvements; casualty and public liability and other insurance premiums; landscaping and care of grounds, streets, lighting, repairs and renovations of Common Areas and Green Areas, wages, charges for water used by the Association, grounds maintenance, any expenses of providing security and protection for the Owners, legal and accounting fees, management fees,

expenses and liabilities incurred by the Board of Directors under or by reason of this Declaration, the payment of any deficit remaining for a previous period, the creation of a reasonable contingency or other reserve or surplus funds as well as any and all other costs and expenses necessary to carry out the terms and intent of this Declaration. The Association shall maintain an adequate reserve fund out of the annual assessments rather than by period assessment for the maintenance, repair and replacement of those elements of the Common Area and Green Area that must be replaced on a periodic basis. The Board of Directors of the Association may after consideration of the current maintenance costs and the financial requirements of the Association fix the annual actual assessment at an amount less than the maximum. Such reserve fund shall not be used to construct or establish new capital improvements without an affirmative vote of one-half of each class of Members.

Any agreement for management of the Associations's business or any other contract for services by the Declarant must provide for termination by either party without cause or payment of a termination fee on thirty (30) days or less written notice and a maximum contract term of three (3) years.

The maximum annual assessment may be changed as follows:

A. From and after January 1, 1988, the maximum annual assessment may be increased each year not more than ten percent (10%) above the maximum assessment for the previous year without a vote of the Membership.

B. From and after January 1, 1988, the maximum annual assessment may be increased above ten percent (10%) by a vote of one-half (1/2) of each class of Members who are voting in person or by proxy, at a meeting duly called for this purpose.

C. The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. Upon vote of the Members of the Association in the manner hereinafter set forth, the Association may levy in addition to annual assessments a special assessment in any calendar year applicable to that year only, for the purpose of defraying in whole or in part the costs of construction or reconstruction or expected repair or replacement of a described capital improvement upon the Common Area or Green Area, including necessary fixtures and personal property related thereto, provided that, any such assessment shall have the assent of sixty percent (60%) of the votes of each class of Members who are voting in person, or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than thirty (30) days nor more that sixty (60) days in advance of the meeting setting forth the purpose of the meeting. The assessment ratio for any Lot, as determined pursuant to Section 3, shall be applicable to special assessment.

Section 5. Voting and Notices for Special Assessment and Change of Maximum Assessment. Written notice of any meeting of Members called to change the maximum annual assessment or to levy a special assessment shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the date of such meeting, setting forth the purpose of the meeting.

Section 6. Quorum for Action Authorized Under Section 4 and 5. The quorum required for any action authorized in Section 4 and 5 of this Article VI shall be as follows:

At the first meeting called, as provided in Section 4 and 5 hereof, the presence at the meeting of Members, or of proxies entitled to cast sixty percent (60%) of all votes of each class of Membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in Sections 4 and 5 and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessment. The initial annual assessments shall commence on the first day of each month as

determined by the Board of Directors of the Association, shall be made for the balance of the calendar year, and shall be due and payable on the date fixed by the Board. Annual assessments for any year after the first year shall become due and payable on or before February 1 of such year, and at the Board's discretion may be collected on a monthly basis.

The amount of the initial annual assessment for the first year in which assessments are made or for any property which becomes subject to assessments for the first time shall be prorated on a calendar year basis according to the date on which property first became subject to assessment.

The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

Section 8. Duty of the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

Section 9. The Effect of Non-payment of Assessments; Lien of Association. If an assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $20.00 and the assessment shall bear interest at the rate of ten percent (10%) per annum for such due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such Lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Common and Green Areas, specifying and itemizing the maintenance and repair expenses of the Common Areas and Green Areas and any other expenses incurred. K 865931097

Section 1. Membership. Every person or entity who is a record owner of a fee or undivided fee interest in any Lot which is subject by covenants of record to assessment by the Association, including contract sellers, shall be a Member of the Association. The foregoing is not intended to include persons or entities who hold an interest merely as security for the performance of obligation. Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to assessment by the Association. Ownership of such Lot shall be the sole qualification for Membership. When more than one person holds a Membership interest in any Lot, all such persons shall be Members. The vote for such Lot shall be exercised as they among themselves determine, but in no event shall more than one (1) vote be cast with respect to any Lot.

Section 2. Voting Rights. There shall be two classes of voting Membership.

ARTICLE V

The administration of the Properties shall be governed by these covenants, the Articles of Incorporation, By-Laws, and published rules and regulations of the Association. As shown and reserved to Declarant in the Articles of Incorporation and By-Laws for the Association, the designation and appointment of the Board of Directors for the Association may, at Declarant's option, be exercised solely by the Declarant until the Class B Membership terminates.

Each Owner may use such personal property in accordance with the purpose for which it is intended, without hindering or encroaching upon the lawful rights of the the other Owners. Sale of a Lot under foreclosure shall thereby entitle the purchase thereof to the beneficial interest in the personal property associated with the Lot.

ARTICLE VII

COVENANT FOR MAINTENANCE ASSESSMENT

Section 1. Creation of the Lien and Personal Obligation of Assessment. Declarant for each Lot owned by it within the Properties hereby covenants, and each Owner of any Lot by acceptance of the deed therefor, whether or not it shall be so expressed in acceptance of the deed therefor, shall be deemed to covenant and agree to pay to the Association annual assessments and special assessments for capital improvements. Such assessments shall be fixed, established and collected from time to time as hereinafter provided. The annual and special assessments, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall be a continuing lien upon the property against which each such assessment is made from the date hereinafter set forth. Each such assessment, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall also be a personal obligation of the person who is the Owner of such property at the time when the assessment fell due. Such personal obligation shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, enjoyment and welfare of the residents in the Properties and in particular for the improvements and maintenance of property, services and facilities devoted to the purpose and related to the use and enjoyment of homes situated upon the Properties and any other purpose reasonable, necessary or incidental to such purposes.

Section 3. Basis of Annual Assessment. Unless changed by vote of the Membership, as hereinafter provided, the maximum annual assessment for any Lot owned by Class A Members on which is located in a single family detached dwelling shall be $250.00 per year. The assessment for Lots owned by Class A Members shall be at such assessment ratio as shall be determined by the Board of Directors for that particular development within six (6) months after its annexation to the Properties, having in mind the additional amenities furnished to the particular Lot not otherwise available to the Members. Such assessment ratio shall not thereafter be changed by the Board of Directors without approval of sixty-six percent (66%) of the Members.

The assessments shall be based upon the cash requirements deemed to be such aggregate sums as the Board of Directors of the Association shall from time to time determine is necessary to provide for the payment of all estimated expenses growing out of or connected with the maintenance and operation of the Green Area, which sum may include, but not limited to, any special assessments on the Common or Green Areas, insurance premiums for vandalism and malicious mischief, with endorsements attached, issued in the amount of the maximum replacement value of all of the Common Area improvements; casualty and public liability and other insurance premiums; landscaping and care of grounds; streets, lighting, repairs and renovations of Common Areas and Green Areas, wages, charges for water used by the Association, grounds maintenance, any expenses of providing security and protection for the Owners, legal and accounting fees, management fees,

expenses and liabilities incurred by the Board of Directors under or by reason of this Declaration, the payment of any deficit remaining for a previous period, the creation of a reasonable contingency or other reserve or surplus funds as well as any and all other costs and expenses necessary to carry out the terms and intent of this Declaration. The Association shall maintain an adequate reserve fund out of the annual assessments rather than by period assessment for the maintenance, repair and replacement of those elements of the Common Area and Green Areas that must be replaced on a periodic basis. The Board of Directors of the Association may after consideration of the current maintenance costs and the financial requirements of the Association fix the annual actual assessment at an amount less than the maximum. Such reserve fund shall not be used to construct or establish new capital improvements without an affirmative vote of one-half of each class of Members.

Any agreement for management of the Associations's business or any other contract for services by the Declarant must provide for termination by either party without cause or payment of a termination fee on thirty (30) days or less written notice and a maximum contract term of three (3) years.

The maximum annual assessment may be changed as follows:

A. From and after January 1, 1988, the maximum annual assessment may be increased each year not more than ten percent (10%) above the maximum assessment for the previous year without a vote of the Membership.

B. From and after January 1, 1988, the maximum annual assessment may be increased above ten percent (10%) by a vote of one-half (1/2) of each class of Members who are voting in person or by proxy, at a meeting duly called for this purpose.

C. The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. Upon vote of the Members of the Association in the manner hereinafter set forth, the Association may levy in addition to annual assessments a special assessment in any calendar year applicable to that year only, for the purpose of defraying in whole or in part the costs of construction or reconstruction or expected repair or replacement of a described capital improvement upon the Common Area or Green Area, including necessary fixtures and personal property releated thereto, provided that, any such assessment shall have the assent of sixty percent (60%) of the votes of each class of Members who are voting in person, or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than thirty (30) days nor more that sixty (60) days in advance of the meeting setting forth the purpose of the meeting. The assessment ratio for any Lot, as determined pursuant to Section 3, shall be applicable to special assessment.

Section 5. Voting and Notices for Special Assessment and Change of Maximum Assessment. Written notice of any meeting of Members called to change the maximum annual assessment or to levy a special assessment shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the date of such meeting, setting forth the purpose of the meeting.

Section 6. Quorum for Action Authorized Under Section 4 and 5. The quorum required for any action authorized in Section 4 and 5 of this Article VI shall be as follows:

At the first meeting called, as provided in Section 4 and 5 hereof, the presence at the meeting of Members, or of proxies entitled to cast sixty percent (60%) of all votes of each class of Membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in Sections 4 and 5 and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessment. The initial annual assessments shall commence on the first day of such month as

UNOFFICIAL DOCUMENT

determined by the Board of Directors of the Association, shall be made for the balance of the calendar year, and shall be due and payable on the date fixed by the Board. Annual assessments for any year after the first year shall become due and payable on or before February 1 of such year, and at the Board's discretion may be collected on a monthly basis.

The amount of the initial annual assessment for the first year in which assessments are made or for any property which becomes subject to assessments for the first time shall be prorated on a calendar year basis according to the date on which property first became subject to assessment.

The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

Section 8. Duty of the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

Section 9. The Effect of Non-payment of Assessments; Lien of Association. If an assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $20.00 and the assessment shall bear interest at the rate of ten percent (10%) per annum for such due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgatge or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such Lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Common and Green Areas, specifying and itemizing the maintenance and repair expenses of the Common Areas and Green Areas and any other expenses incurred. Such records and the vouchers authorizing the

Unofficial Document

payments shall be available on request for examination by the Owners and others with an interest such as encumbrancers or prospective lenders.

Section 12. Protection of Mortgagees. First mortgagees of Lots may pay taxes or other charges or assessments which are in default and which may become a lien against the Common or Green Areas and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Common and Green Areas and the first mortgagees making such payments shall be owed immediately reimbursement therefore from the Association.

IN WITNESS WHEREOF, the undersigned being the Declarant herein has hereunto set its hand and seal as of the day and year first hereinabove set forth.

Section 1. Membership. Every person or entity who is a record owner of a fee or undivided fee interest in any Lot which is subject by covenants of record to assessment by the Association, including contract sellers, shall be a Member of the Association. The foregoing is not intended to include persons or entities who hold an interest merely as security for the performance of obligation. Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to assessment by the Association. Ownership of such Lot shall be the sole qualification for Membership. When more than one person holds a Membership interest in any Lot, all such persons shall be Members. The vote for such Lot shall be exercised as they among themselves determine, but in no event shall more than one (1) vote be cast with respect to any Lot.

Section 2. Voting Rights. There shall be two classes of voting Membership.

A. Class A Members will be all those Members other than Southcreek, Inc. Class A Members shall be entitled to one vote for each Lot in which they hold the interest required for Membership by Section 1. When Class B Membership has been coverted to Class A Membership, all Directors of the Association shall be elected by the Class A Members.

B. The Class B Members shall be Southcreek, Inc. or its successors or assigns. Class B Members shall be entitled to four votes for each Lot owned by the Declarant or its successors or assigns, and shall be entitled to elect all Members of the Board of Directors of the Association. Class B Membership may cease and be converted to Class A Membership at the option of the Class B Member, its successors or assigns by its written notice to the Secretary of the Association, and shall cease and be converted to Class A Membership without further act or deed when the total votes outstanding in the Class A Membership equal the total votes outstanding in the Class B Membership.

C. As long as a Class B Membership exists, Associate Memberships in the Association will not be established by the Board of Directors of the Association without an affirmative vote of a majority of the Class A Members of the Association.

D. Should any builder own any lot which is the subject of these restrictions, that builder shall assign his voting rights to the developer. Said voting rights shall be voted as Class A Membership and not Class B Membership.

ARTICLE V

ADMINISTRATION AND MANAGEMENT

The administration of the Properties shall be governed by these covenants, the Articles of Incorporation, By-Laws, and published rules and regulations of the Association. As shown and reserved to Declarant in the Articles of Incorporation and By-Laws for the Association, the designation and appointment of the Board of Directors for the Association may, at Declarant's option, be exercised solely by the Declarant until the Class B Membership terminates.

ARTICLE VI

Section 1. Extent of Members' Easements. The rights and easements of enjoyment created hereby shall be subject to the following:

A. The right of the Association to limit the number of guests of Members.

B. The rights of the Declarant and of the Association, in accordance with its Articles and By-Laws, to borrow money for the purpose of improving the Green Area and with written consent of the Members entitled to vote seventy-five percent (75%) the votes of each class of Membership to mortgage said Common Areas and Green Areas as security for any such loan.

A transfer of a Lot shall transfer to the transferee ownership of the transferor's beneficial interest in such personal property without any reference thereto or execution of a bill of sale. Each Owner may use such personal property in accordance with the purpose for which it is intended, without hindering or encroaching upon the lawful rights of the the other Owners. Sale of a Lot under foreclosure shall thereby entitle the purchase thereof to the beneficial interest in the personal property associated with the Lot.

ARTICLE VII

COVENANT FOR MAINTENANCE ASSESSMENT

Section 1. Creation of the Lien and Personal Obligation of Assessment. Declarant for each Lot owned by it within the Properties hereby covenants, and each Owner of any Lot, by acceptance of the deed therefor, whether or not it shall be so expressed in acceptance of the deed therefor, shall be deemed to covenant and agree to pay to the Association annual assessments and special assessments for capital improvements. Such assessments shall be fixed, established and collected from time to time as hereinafter provided. The annual and special assessments, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall be a continuing lien upon the property against which each such assessment is made from the date hereinafter set forth. Each such assessment, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall also be a personal obligation of the person who is the Owner of such property at the time when the assessment fell due. Such personal obligation shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, enjoyment and welfare of the residents in the Properties and in particular for the improvements and maintenance of property, services and facilities devoted to the purpose and related to the use and enjoyment of homes situated upon the Properties and any other purpose reasonable, necessary or incidental to such purposes.

Section 3. Basis of Annual Assessment. Unless changed by vote of the Membership, as hereinafter provided, the maximum annual assessment for any Lot owned by Class A Members on which is located a single family detached dwelling shall be $250.00 per year. The assessment for Lots owned by Class A Members shall be at such assessment ratio as shall be determined by the Board of Directors for that particular development within six (6) months after its annexation to the Properties, having in mind the additional amenities furnished to the particular Lot not otherwise available to the Members. Such assessment ratio shall not thereafter be changed by the Board of Directors without approval of sixty-six percent (66%) of the Members.

The assessments shall be based upon the cash requirements deemed to be such aggregate sums as the Board of Directors of the Association shall from time to time determine is necessary to provide for the payment of all estimated expenses growing out of or connected with the maintenance and operation of the Green Area, which sum may include, but not limited to, any special assessments on the Common or Green Areas, insurance premiums for vandalism and malicious mischief, with endorsements attached, issued in the amount of the maximum replacement value of all of the Common Area improvements; casualty and public liability and other insurance premiums; landscaping and care of grounds; streets, lighting, repairs and renovations of Common Areas and Green Areas, wages, charges for water used by the Association, grounds maintenance, any expenses of providing security and protection for the Owners, legal and accounting fees, management fees,

expenses and liabilities incurred by the Board of Directors under or by reason of this Declaration, the payment of any deficit remaining for a previous period, the creation of a reasonable contingency or other reserve or surplus funds as well as any and all other costs and expenses necessary to carry out the terms and intent of this Declaration. The Association shall maintain an adequate reserve fund out of the annual assessments rather than by period assessment for the maintenance, repair and replacement of those elements of the Common Area and Green Areas that must be replaced on a periodic basis. The Board of Directors of the Association may after consideration of the current maintenance costs and the financial requirements of the Association fix the annual actual assessment at an amount less than the maximum. Such reserve fund shall not be used to construct or establish new capital improvements without an affirmative vote of one-half of each class of Members.

Any agreement for management of the Associations's business or any other contract for services by the Declarant must provide for termination by either party without cause or payment of a termination fee on thirty (30) days or less written notice and a maximum contract term of three (3) years.

The maximum annual assessment may be changed as follows:

A. From and after January 1, 1988, the maximum annual assessment may be increased each year not more than ten percent (10%) above the maximum assessment for the previous year without a vote of the Membership.

B. From and after January 1, 1988, the maximum annual assessment may be increased above ten percent (10%) by a vote of one-half (1/2) of each class of Members who are voting in person or by proxy, at a meeting duly called for this purpose.

C. The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. Upon vote of the Members of the Association in the manner hereinafter set forth, the Association may levy in addition to annual assessments a special assessment in any calendar year applicable to that year only, for the purpose of defraying in whole or in part the costs of construction or reconstruction or expected repair or replacement of a described capital improvement upon the Common Area or Green Area, including necessary fixtures and personal property related thereto, provided that, any such assessment shall have the assent of sixty percent (60%) of the votes of each class of Members who are voting in person, or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting setting forth the purpose of the meeting. The assessment ratio for any Lot, as determined pursuant to Section 3, shall be applicable to special assessment.

Section 5. Voting and Notices for Special Assessment and Change of Maximum Assessment. Written notice of any meeting of Members called to change the maximum annual assessment or to levy a special assessment shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the date of such meeting, setting forth the purpose of the meeting.

Section 6. Quorum for Action Authorized Under Section 4 and 5. The quorum required for any action authorized in Section 4 and 5 of this Article VI shall be as follows:

At the first meeting called, as provided in Section 4 and 5 hereof, the presence at the meeting of Members, or of proxies entitled to cast sixty percent (60%) of all votes of each class of Membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in Sections 4 and 5 and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessment. The initial annual assessments shall commence on the first day of such month as

determined by the Board of Directors of the Association, shall be made for the balance of the calendar year, and shall be due and payable on the date fixed by the Board. Annual assessments for any year after the first year shall become due and payable on or before February 1 of such year, and at the Board's discretion may be collected on a monthly basis.

The amount of the initial annual assessment for the first year in which assessments are made or for any property which becomes subject to assessments for the first time shall be prorated on a calendar year basis according to the date on which property first became subject to assessment.

The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

Section 8. Duty of the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owed by such Owner have been paid.

Section 9. The Effect of Non-payment of Assessments; Lien of Association. If an assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $20.00 and the assessment shall bear interest at the rate of ten percent (10%) per annum for such due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such Lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Common and Green Areas, specifying and itemizing the maintenance and repair expenses of the Common Areas and Green Areas and any other expenses incurred. Such records and the vouchers authorizing the

payments shall be available on request for examination by the Owners and others with an interest such as encumbrancers or prospective lenders.

Section 12. Protection of Mortgagees. First mortgagees of Lots may pay taxes or other charges or assessments which are in default and which may become a lien against the Common or Green Areas and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Common and Green Areas and the first mortgagees making such payments shall be owed immediately reimbursement therefore from the Association.

IN WITNESS WHEREOF, the undersigned being the Declarant herein has hereunto set its hand and seal as of the day and year first hereinabove set forth.

Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to assessment by the Association. Ownership of such Lot shall be the sole qualification for Membership. When more than one person holds a Membership interest in any Lot, all such persons shall be Members. Each Owner may use such personal property in accordance with the purpose for which it is intended, without hindering or encroaching upon the lawful rights of the the other Owners. Sale of a Lot under foreclosure shall thereby entitle the purchase thereof to the beneficial interest in the personal property associated with the Lot.

ARTICLE VII

COVENANT FOR MAINTENANCE ASSESSMENT

Section 1. Creation of the Lien and Personal Obligation of Assessment. Declarant for each Lot owned by it within the Properties hereby covenants, and each Owner of any Lot by acceptance of the deed therefor, whether or not it shall be so expressed in acceptance of the deed therefor, shall be deemed to covenant and agree to pay to the Association annual assessments and special assessments for capital improvements. Such assessments shall be fixed, established and collected from time to time as hereinafter provided. The annual and special assessments, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall be a continuing lien upon the property against which each such assessment is made from the date hereinafter set forth. Each such assessment, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall also be a personal obligation of the person who is the Owner of such property at the time when the assessment fell due. Such personal obligation shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, enjoyment and welfare of the residents in the Properties and in particular for the improvements and maintenance of property, services and facilities devoted to the purpose and related to the use and enjoyment of homes situated upon the Properties and any other purpose reasonable, necessary or incidental to such purposes.

The assessments shall be based upon the cash requirements deemed to be such aggregate sums as the Board of Directors of the Association shall from time to time determine is necessary to provide for the payment of all estimated expenses growing out of or connected with the maintenance and operation of the Green Area, which sum may include, but not limited to, any special assessments on the Common or Green Areas, insurance premiums for vandalism and malicious mischief, with endorsements attached, issued in the amount of the maximum replacement value of all of the Common Area improvements; casualty and public liability and other insurance premiums; landscaping and care of grounds; streets, lighting, repairs and renovations of Common Areas and Green Areas, wages, charges for water used by the Association, grounds maintenance, any expenses of providing security and protection for the Owners, legal and accounting fees, management fees,

The Association shall maintain an adequate reserve fund out of the annual assessments rather than by period assessment for the maintenance, repair and replacement of those elements of the Common Area and Green Areas that must be replaced on a periodic basis. The Board of Directors of the Association may after consideration of the current maintenance costs and the financial requirements of the Association fix the annual actual assessment at an amount less than the maximum. Such reserve fund shall not be used to construct or establish new capital improvements without an affirmative vote of one-half of each class of Members.

Any agreement for management of the Associations's business or any other contract for services by the Declarant must provide for termination by either party without cause or payment of a termination fee on thirty (30) days or less written notice and a maximum contract term of three (3) years.

The maximum annual assessment may be changed as follows:

A. From and after January 1, 1988, the maximum annual assessment may be increased each year not more than ten percent (10%) above the maximum assessment for the previous year without a vote of the Membership.

B. From and after January 1, 1988, the maximum annual assessment may be increased above ten percent (10%) by a vote of one-half (1/2) of each class of Members who are voting in person or by proxy, at a meeting duly called for this purpose.

C. The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. Upon vote of the Members of the Association in the manner hereinafter set forth, the Association may levy in addition to annual assessments, a special assessment in any calendar year applicable to that year only, for the purpose of defraying in whole or in part the costs of construction or reconstruction or expected repair or replacement of a described capital improvement upon the Common Area or Green Area, including necessary fixtures and personal property related thereto, provided that, any such assessment shall have the assent of sixty percent (60%) of the votes of each class of Members who are voting in person, or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than thirty (30) days nor more that sixty (60) days in advance of the meeting setting forth the purpose of the meeting. The assessment ratio for any Lot, as determined pursuant to Section 3, shall be applicable to special assessment.

Section 5. Voting and Notices for Special Assessment and Change of Maximum Assessment. Written notice of any meeting of Members called to change the maximum annual assessment or to levy a special assessment shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the date of such meeting, setting forth the purpose of the meeting.

Section 6. Quorum for Action Authorized Under Section 4 and 5. The quorum required for any action authorized in Section 4 and 5 of this Article VI shall be as follows:

At the first meeting called, as provided in Section 4 and 5 hereof, the presence at the meeting of Members, or of proxies entitled to cast sixty percent (60%) of all votes of each class of Membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in Sections 4 and 5 and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessment. The initial annual assessments shall commence on the first day of such month as

determined by the Board of Directors of the Association, shall be made for the balance of the calendar year, and shall be due and payable on the date fixed by the Board. Annual assessments for any year after the first year shall become due and payable on or before February 1 of such year, and at the Board's discretion may be collected on a monthly basis.

The amount of the initial annual assessment for the first year in which assessments are made or for any property which becomes subject to assessments for the first time shall be prorated on a calendar year basis according to the date on which property first became subject to assessment.

The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

Section 8. Duty of the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

Section 9. The Effect of Non-payment of Assessments; Lien of Association. If an assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $20.00 and the assessment shall bear interest at the rate of ten percent (10%) per annum for such due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such Lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Common and Green Areas, specifying and itemizing the maintenance and repair expenses of the Common Areas and Green Areas and any other expenses incurred. Such records and the vouchers authorizing the

payments shall be available on request for examination by the Owners and others with an interest such as encumbrancers or prospective lenders.

Section 12. Protection of Mortgagees. First mortgagees of Lots may pay taxes or other charges or assessments which are in default and which may become a lien against the Common or Green Areas and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Common and Green Areas and the first mortgagees making such payments shall be owed immediately reimbursement therefore from the Association.

IN WITNESS WHEREOF, the undersigned being the Declarant herein has hereunto set its hand and seal as of the day and year first hereinabove set forth.

Section 2. Method of Making Additions. Such Supplemental Declaration may contain such additions and modifications of the covenants and restrictions contained in this Declaration as may be necessary to reflect the different character of the added properties in the sole discretion of Declarant. In no event, however, shall such Supplemental Declaration revoke, modify or add to the covenants established by this Declaration with respect to the properties subject to this Declaration just prior to such Supplemental Declaration being filed for record.

Section 3. Additions by Others. So long as Declarant is a Class B Member, additions may be made by any other owner of property who with the approval of the Board of Directors of the Association desires to add such property located within the boundaries described in Section 1 of this Article II to the scheme of this Declaration and to subject it to the jurisdiction of the Association. Section 2. Yard Care. As soon as the growing season reasonably permits, the grounds around all living units shall be seeded, sodded or otherwise planted by the Owner thereof with grass or other ground cover or plantings and maintained in a clean and attractive manner free of dust and weeds. All fences on Lots shall be maintained in good repair and in a clean and attractive manner.

ARTICLE IV

MEMBERSHIP AND VOTING RIGHTS IN THE ASSOCIATION

Section 1. Membership. Every person or entity who is a record owner of a fee or undivided fee interest in any Lot which is subject by covenants of record to assessment by the Association, including contract sellers, shall be a Member of the Association. The foregoing is not intended to include persons or entities who hold an interest merely as security for the performance of obligation. Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to assessment by the Association. Ownership of such Lot shall be the sole qualification for Membership. When more than one person holds a Membership interest in any Lot, all such persons shall be Members. The vote for such Lot shall be exercised as they among themselves determine, but in no event shall more than one (1) vote be cast with respect to any Lot.

Section 2. Voting Rights. There shall be two classes of voting Membership.

A. Class A Members will be all those Members other than Southcreek, Inc. Class A Members shall be entitled to one vote for each Lot in which they hold the interest required for Membership by Section 1. When Class B Membership has been converted to Class A Membership, all Directors of the Association shall be elected by the Class A Members.

B. The Class B Members shall be Southcreek, Inc. or its successors or assigns. Class B Members shall be entitled to four votes for each Lot owned by the Declarant or its successors or assigns, and shall be entitled to elect all Members of the Board of Directors of the Association. Class B Membership may cease and be converted to Class A Membership at the option of the Class B Member, its successors or assigns by its written notice to the Secretary of the Association, and shall cease and be converted to Class A Membership without further act or deed when the total votes outstanding in the Class A Membership equal the total votes outstanding in the Class B Membership.

C. As long as a Class B Membership exists, Associate Memberships in the Association will not be established by the Board of Directors of the Association without an affirmative vote of a majority of the Class A Members of the Association.

D. Should any builder own any lot which is the subject of these restrictions, that builder shall assign his voting rights to the developer. Said voting rights shall be voted as Class A Membership and not Class B Membership.

ARTICLE V

ADMINISTRATION AND MANAGEMENT

The administration of the Properties shall be governed by these covenants, the Articles of Incorporation, By-Laws, and published rules and regulations of the Association. As shown and reserved to Declarant in the Articles of Incorporation and By-Laws for the Association, the designation and appointment of the Board of Directors for the Association may, at Declarant's option, be exercised solely by the Declarant until the Class B Membership terminates.

ARTICLE VI

PROPERTY RIGHTS IN THE COMMON PROPERTIES

Section 1. Extent of Members' Easements. The rights and easements of enjoyment created hereby shall be subject to the following:

A. The right of the Association to limit the number of guests of Members.

B. The rights of the Declarant and of the Association, in accordance with its Articles and By-Laws, to borrow money for the purpose of improving the Green Area and with written consent of the Members entitled to vote seventy-five percent (75%) the votes of each class of Membership to mortgage said Common Areas and Green Areas as security for any such loan.

C. The right of the Association to promulgate and publish rules and regulations which each Member shall strictly comply with.

Section 2. Personal Property for Common Use. The Association may acquire and hold for the use and benefit of all Members of the Association, tangible and intangible personal property and may dispose of the same by sale or otherwise, and the beneficial interest in any such property shall be owned by the Members of the Association and their interest therein shall not be transferable except that the interest of a Member who is an Owner shall be deemed to be transferred upon the transfer of the Member's Lot. A transfer of a Lot shall transfer to the transferee ownership of the transferor's beneficial interest in such personal property without any reference thereto or execution of a bill of sale. Each Owner may use such personal property in accordance with the purpose for which it is intended, without hindering or encroaching upon the lawful rights of the the other Owners. Sale of a Lot under foreclosure shall thereby entitle the purchase thereof to the beneficial interest in the personal property associated with the Lot.

ARTICLE VII

COVENANT FOR MAINTENANCE ASSESSMENT

Section 1. Creation of the Lien and Personal Obligation of Assessment. Declarant for each Lot owned by it within the Properties hereby covenants, and each Owner of any Lot by acceptance of the deed therefor, whether or not it shall be so expressed in acceptance of the deed therefor, shall be deemed to covenant and agree to pay to the Association annual assessments and special assessments for capital improvements. Such assessments shall be fixed, established and collected from time to time as hereinafter provided. The annual and special assessments, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall be a continuing lien upon the property against which each such assessment is made from the date hereinafter set forth. Each such assessment, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall also be a personal obligation of the person who is the Owner of such property at the time when the assessment fell due. Such personal obligation shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by; the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, enjoyment and welfare of the residents in the Properties and in particular for the improvements and maintenance of property, services and facilities devoted to the purpose and related to the use and enjoyment of homes situated upon the Properties and any other purpose reasonable, necessary or incidental to such purposes.

Section 3. Basis of Annual Assessment. Unless changed by vote of the Membership, as hereinafter provided, the maximum annual assessment for any Lot owned by Class A Members on which is located in a single family detached dwelling shall be $250.00 per year. The assessment for Lots owned by Class A Members shall be at such assessment ratio as shall be determined by the Board of Directors for that particular development within six (6) month after its annexation to the Properties, having in mind the additional amenities furnished to the particular Lot not otherwise available to the Members. Such assessment ratio shall not thereafter be changed by the Board of Directors without approval of sixty-six percent (66%) of the Members.

The assessments shall be based upon the cash requirements deemed to be such aggregate sums as the Board of Directors of the Association shall from time to time determine is necessary to provide for the payment of all estimated expenses growing out of or connected with the maintenance and operation of the Green Area, which sum may include, but not limited to, any special assessments on the Common or Green Areas, insurance premiums for vandalism and malicious mischief, with endorsements attached, issued in the amount of the maximum replacement value of all of the Common Area improvements; casualty and public liability and other insurance premiums; landscaping and care of grounds; streets, lighting, repairs and renovations of Common Areas and Green Areas, wages, charges for water used by the Association, grounds maintenance, any expenses of providing security and protection for the Owners, legal and accounting fees, management fees,

expenses and liabilities incurred by the Board of Directors under or by reason of this Declaration, the payment of any deficit remaining for a previous period, the creation of a reasonable contingency or other reserve or surplus funds as well as any and all other costs and expenses necessary to carry out the terms and intent of this Declaration. The Association shall maintain an adequate reserve fund out of the annual assessments rather than by period assessment for the maintenance, repair and replacement of those elements of the Common Area and Green Areas that must be replaced on a periodic basis. The Board of Directors of the Association may after consideration of the current maintenance costs and the financial requirements of the Association fix the annual actual assessment at an amount less than the maximum. Such reserve fund shall not be used to construct or establish new capital improvements without an affirmative vote of one-half of each class of Members.

Any agreement for management of the Associations's business or any other contract for services by the Declarant must provide for termination by either party without cause or payment of a termination fee on thirty (30) days or less written notice and a maximum contract term of three (3) years.

The maximum annual assessment may be changed as follows:

A. From and after January 1, 1988, the maximum annual assessment may be increased each year not more than ten percent (10%) above the maximum assessment for the previous year without a vote of the Membership.

B. From and after January 1, 1988, the maximum annual assessment may be increased above ten percent (10%) by a vote of one-half (1/2) of each class of Members who are voting in person or by proxy, at a meeting duly called for this purpose.

C. The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. Upon vote of the Members of the Association in the manner hereinafter set forth, the Association may levy in addition to annual assessments a special assessment in any calendar year applicable to that year only, for the purpose of defraying in whole or in part the costs of construction or reconstruction or expected repair or replacement of a described capital improvement upon the Common Area or Green Area, including necessary fixtures and personal property related thereto, provided that, any such assessment shall have the assent of sixty percent (60%) of the votes of each class of Members who are voting in person, or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than thirty (30) days nor more that sixty (60) days in advance of the meeting setting forth the purpose of the meeting. The assessment ratio for any Lot, as determined pursuant to Section 3, shall be applicable to special assessments.

Section 5. Voting and Notices for Special Assessment and Change of Maximum Assessment. Written notice of any meeting of Members called to change the maximum annual assessment or to levy a special assessment shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the date of such meeting, setting forth the purpose of the meeting.

Section 6. Quorum for Action Authorized Under Section 4 and 5. The quorum required for any action authorized in Section 4 and 5 of this Article VI shall be as follows:

At the first meeting called, as provided in Section 4 and 5 hereof, the presence at the meeting of Members, or of proxies entitled to cast sixty percent (60%) of all votes of each class of Membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in Sections 4 and 5 and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessment. The initial annual assessments shall commence on the first day of each month as

-9-

determined by the Board of Directors of the Association, shall be made for the balance of the calendar year, and shall be due and payable on the date fixed by the Board. Annual assessments for any year after the first year shall become due and payable on or before February 1 of such year, and at the Board's discretion may be collected on a monthly basis.

The amount of the initial annual assessment for the first year in which assessments are made or for any property which becomes subject to assessments for the first time shall be prorated on a calendar year basis according to the date on which property first became subject to assessment.

The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

Section 8. Duty of the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

Section 9. The Effect of Non-payment of Assessments; Lien of Association. If an assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $20.00 and the assessment shall bear interest at the rate of ten percent (10%) per annum for such due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Common and Green Areas, specifying and itemizing the maintenance and repair expenses of the Common Areas and Green Areas and any other expenses incurred. Such records and the vouchers authorizing the

payments shall be available on request for examination by the Owners and others with an interest such as encumbrancers or prospective lenders.

Section 12. Protection of Mortgagees. First mortgagees of Lots may pay taxes or other charges or assessments which are in default and which may become a lien against the Common or Green Areas and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Common and Green Areas and the first mortgagees making such payments shall be owed immediately reimbursement therefore from the Association.

IN WITNESS WHEREOF, the undersigned being the Declarant herein has hereunto set its hand and seal as of the day and year first hereinabove set forth.

II. ADDITIONAL RESTRICTIONS

A. Owners hereby ratify and confirm the existing Restrictive Covenants previously filed and hereby impress the following restrictions upon their Lot in addition to the Restrictive Covenants already filed:

1. Keeping of Vehicles on Property. The keeping of mobile homes, with or without wheels, on the Lot is expressly prohibited. Motor boats, house boats, and similar water-borne vehicles or travel trailers may be maintained, stored, or kept on the Lot provided the same are housed completely within a structure or enclosure which has been approved architecturally by the Architectural Control Committee. All vehicles belonging to Owners, or guests of Owners, must be parked overnight in the Owners' driveway or in the above-mentioned enclosure. The foregoing is not intended to include persons or entities who hold an interest merely as security for the performance of obligation. Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to assessment by the Association. Ownership of such Lot shall be the sole qualification for Membership. When more than one person holds a Membership interest in any Lot, all such persons shall be Members. The vote for such Lot shall be exercised as they among themselves determine, but in no event shall more than one (1) vote be cast with respect to any Lot.

Section 2. Voting Rights. There shall be two classes of voting Membership.

A. Class A Members will be all those Members other than Southcreek, Inc. C. As long as a Class B Membership exists, Associate Memberships in the Association will not be established by the Board of Directors of the Association without an affirmative vote of a majority of the Class A Members of the Association.

D. Should any builder own any lot which is the subject of these restrictions, that builder shall assign his voting rights to the developer. Said voting rights shall be voted as Class A Membership and not Class B Membership.

ARTICLE V

ADMINISTRATION AND MANAGEMENT

The administration of the Properties shall be governed by these covenants, the Articles of Incorporation, By-Laws, and published rules and regulations of the Association. As shown and reserved to Declarant in the Articles of Incorporation and By-Laws for the Association, the designation and appointment of the Board of Directors for the Association may, at Declarant's option, be exercised solely by the Declarant until the Class B Membership terminates.

A transfer of a Lot shall transfer to the transferee ownership of the transferor's beneficial interest in such personal property without any reference thereto or execution of a bill of sale. Each Owner may use such personal property in accordance with the purpose for which it is intended, without hindering or encroaching upon the lawful rights of the the other Owners. Sale of a Lot under foreclosure shall thereby entitle the purchase thereof to the beneficial interest in the personal property associated with the Lot.

ARTICLE VII

COVENANT FOR MAINTENANCE ASSESSMENT

Section 1. Creation of the Lien and Personal Obligation of Assessment. Declarant for each Lot owned by it within the Properties hereby covenants, and each Owner of any Lot by acceptance of the deed therefor, whether or not it shall be so expressed in acceptance of the deed therefor, shall be deemed to covenant and agree to pay to the Association annual assessments and special assessments for capital improvements. Such assessments shall be fixed, established and collected from time to time as hereinafter provided. The annual and special assessments, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall be a continuing lien upon the property against which each such assessment is made from the date hereinafter set forth. Each such assessment, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall also be a personal obligation of the person who is the Owner of such property at the time when the assessment fell due. Such personal obligation shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, enjoyment and welfare of the residents in the Properties and in particular for the improvements and maintenance of property, services and facilities devoted to the purpose and related to the use and enjoyment of homes situated upon the Properties, and any other purpose reasonable, necessary or incidental to such purposes.

Section 3. Basis of Annual Assessment. Unless changed by vote of the Membership, as hereinafter provided, the maximum annual assessment for any Lot owned by Class A Members on which is located a single family detached dwelling shall be $250.00 per year. The assessment for Lots owned by Class A Members shall be at such assessment ratio as shall be determined by the Board of Directors for that particular development within six (6) months after its annexation to the Properties, having in mind the additional amenities furnished to the particular Lot not otherwise available to the Members. Such assessment ratio shall not thereafter be changed by the Board of Directors without approval of sixty-six percent (66%) of the Members.

The assessments shall be based upon the cash requirements deemed to be such aggregate sums as the Board of Directors of the Association shall from time to time determine is necessary to provide for the payment of all estimated expenses growing out of or connected with the maintenance and operation of the Green Area, which sum may include, but not limited to, any special assessments on the Common or Green Areas, insurance premiums for vandalism and malicious mischief, with endorsements attached, issued in the amount of the maximum replacement value of all of the Common Area improvements; casualty and public liability and other insurance premiums; landscaping and care of grounds; streets, lighting, repairs and renovations of Common Areas and Green Areas, wages, charges for water used by the Association, grounds maintenance, any expenses of providing security and protection for the Owners, legal and accounting fees, management fees,

expenses and liabilities incurred by the Board of Directors under or by reason of this Declaration, the payment of any deficit remaining for a previous period, the creation of a reasonable contingency or other reserve or surplus funds as will as any and all other costs and expenses necessary to carry out the terms and intent of this Declaration. The Association shall maintain an adequate reserve fund out of the annual assessments rather than by period assessment for the maintenance, repair and replacement of those elements of the Common Area and Green Areas that must be replaced on a periodic basis. The Board of Directors of the Association may after consideration of the current maintenance costs and the financial requirements of the Association fix the annual actual assessment at an amount less than the maximum. Such reserve fund shall not be used to construct or establish new capital improvements without an affirmative vote of one-half of each class of Members.

Any agreement for management of the Associations's business or any other contract for services by the Declarant must provide for termination by either party without cause or payment of a termination fee on thirty (30) days or less written notice and a maximum contract term of three (3) years.

The maximum annual assessment may be changed as follows:

A. From and after January 1, 1986, the maximum annual assessment may be increased each year not more than ten percent (10%) above the maximum assessment for the previous year without a vote of the Membership.

B. From and after January 1, 1986, the maximum annual assessment may be increased above ten percent (10%) by a vote of one-half (1/2) of each class of Members who are voting in person or by proxy, at a meeting duly called for this purpose.

C. The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. Upon vote of the Members of the Association in the manner hereinafter set forth, the Association may levy in addition to annual assessments a special assessment in any calendar year applicable to that year only, for the purpose of defraying in whole or in part the costs of construction or reconstruction or expected repair or replacement of a described capital improvement upon the Common Area or Green Area, including necessary fixtures and personal property related thereto, provided that, any such assessment shall have the assent of sixty percent (60%) of the votes of each class of Members who are voting in person, or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than thirty (30) days nor more that sixty (60) days in advance of the meeting setting forth the purpose of the meeting. The assessment ratio for any Lot, as determined pursuant to Section 3, shall be applicable to special assessment.

Section 5. Voting and Notices for Special Assessment and Change of Maximum Assessment. Written notice of any meeting of Members called to change the maximum annual assessment or to levy a special assessment shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the date of such meeting, setting forth the purpose of the meeting.

Section 6. Quorum for Action Authorized Under Section 4 and 5. The quorum required for any action authorized in Section 4 and 5 of this Article VI shall be as follows:

At the first meeting called, as provided in Section 4 and 5 hereof, the presence at the meeting of Members, or of proxies entitled to cast sixty percent (60%) of all votes of each class of Membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in Sections 4 and 5 and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessment. The initial annual assessments shall commence on the first day of such month as

determined by the Board of Directors of the Association, shall be made for the balance of the calendar year, and shall be due and payable on the date fixed by the Board. Annual assessments for any year after the first year shall become due and payable on or before February 1 of such year, and at the Board's discretion may be collected on a monthly basis.

The amount of the initial annual assessment for the first year in which assessments are made or for any property which becomes subject to assessments for the first time shall be prorated on a calendar year basis according to the date on which property first became subject to assessment.

The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

Section 8. Duty of the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

Section 9. The Effect of Non-payment of Assessments; Lien of Association. If an assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $20.00 and the assessment shall bear interest at the rate of ten percent (10%) per annum for such due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such Lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Common and Green Areas, specifying and itemizing the maintenance and repair expenses of the Common Areas and Green Areas and any other expenses incurred. Such records and the vouchers authorizing the

payments shall be available on request for examination by the Owners and others with an interest such as encumbrancers or prospective lenders.

Section 12. Protection of Mortgagees. First mortgagees of Lots may pay taxes or other charges or assessments which are in default and which may become a lien against the Common or Green Areas and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Common and Green Areas and the first mortgagees making such payments shall be owed immediately reimbursement therefore from the Association.

IN WITNESS WHEREOF, the undersigned being the Declarant herein has hereunto set its hand and seal as of the day and year first hereinabove set forth.

Section 5. Voting and Notices for Special Assessment and Change of Maximum Assessment. Written notice of any meeting of Members called to change the maximum annual assessment or to levy a special assessment shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the date of such meeting, setting forth the purpose of the meeting.

Section 6. Quorum for Action Authorized Under Section 4 and 5. The quorum required for any action authorized in Section 4 and 5 of this Article VI shall be as follows:

At the first meeting called, as provided in Section 4 and 5 hereof, the presence at the meeting of Members, or of proxies entitled to cast sixty percent (60%) of all votes of each class of Membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in Sections 4 and 5 and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessment. The initial annual assessments shall commence on the first day of such month as

R 8658 1076

determined by the Board of Directors of the Association, shall be made for the balance of the calendar year, and shall be due and payable on the date fixed by the Board. Annual assessments for any year after the first year shall become due and payable on or before February 1 of such year, and at the Board's discretion may be collected on a monthly basis.

The amount of the initial annual assessment for the first year in which assessments are made or for any property which becomes subject to assessments for the first time shall be prorated on a calendar year basis according to the date on which property first became subject to assessment.

The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

Section 8. Duty of the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

Section 9. The Effect of Non-payment of Assessments; Lien of Association. If an assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $20.00 and the assessment shall bear interest at the rate of ten percent (10%) per annum for such due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such Lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Common and Green Areas, specifying and itemizing the maintenance and repair expenses of the Common Areas and Green Areas and any other expenses incurred. Such records and the vouchers authorizing the

H 8559 1077

payments shall be available on request for examination by the Owners and others with an interest such as encumbrancers or prospective lenders.

Section 12. Protection of Mortgagees. First mortgagees of Lots may pay taxes or other charges or assessments which are in default and which may become a lien against the Common or Green Areas and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Common and Green Areas and the first mortgagees making such payments shall be owed immediately reimbursement therefore from the Association.

IN WITNESS WHEREOF, the undersigned being the Declarant herein has hereunto set its hand and seal as of the day and year first hereinabove set forth.

R 8659 1137

Section 1. Membership. Every person or entity who is a record owner of a fee or undivided fee interest in any Lot which is subject by covenants of record to assessment by the Association, including contract sellers, shall be a Member of the Association. The foregoing is not intended to include persons or entities who hold an interest merely as security for the performance of obligation. Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to assessment by the Association. Ownership of such Lot shall be the sole qualification for Membership. When more than one person holds a Membership interest in any Lot, all such persons shall be Members. The vote for such Lot shall be exercised as they among themselves determine, but in no event shall more than one (1) vote be cast with respect to any Lot.

Section 2. Voting Rights. There shall be two classes of voting Membership.

A. Class A Members will be all those Members other than Southcreek, Inc. Class A Members shall be entitled to one vote for each Lot in which they hold the interest required for Membership by Section 1. When Class B Membership has been coverted to Class A Membership, all Directors of the Association shall be elected by the Class A Members.

B. The Class B Member shall be Southcreek, Inc. or its successors or assigns. Class B Members shall be entitled to four votes for each Lot owned by the Declarant or its successors or assigns, and shall be entitled to elect all Members of the Board of Directors of the Association. C. As long as a Class B Membership exists, Associate Memberships in the Association will not be established by the Board of Directors of the Association without an affirmative vote of a majority of the Class A Members of the Association.

D. Should any builder own any lot which is the subject of these restrictions, that builder shall assign his voting rights to the developer. Said voting rights shall be voted as Class A Membership and not Class B Membership.

ARTICLE V

ADMINISTRATION AND MANAGEMENT

The administration of the Properties shall be governed by these covenants, the Articles of Incorporation, By-Laws, and published rules and regulations of the Association. As shown and reserved to Declarant in the Articles of Incorporation and By-Laws for the Association, the designation and appointment of the Board of Directors for the Association may, at Declarant's option, be exercised solely by the Declarant until the Class B Membership terminates.

Section 1. Extent of Members' Easements. The rights and easements of enjoyment created hereby shall be subject to the following:

A. The right of the Association to limit the number of guests of Members.

B. The rights of the Declarant and of the Association, in accordance with its Articles and By-Laws, to borrow money for the purpose of improving the Green Area and with written consent of the Members entitled to vote seventy-five percent (75%) the votes of each class of Membership to mortgage said Common Areas and Green Areas as security for any such loan.

The Association may acquire and hold for the use and benefit of all Members of the Association, tangible and intangible personal property and may dispose of the same by sale or otherwise, and the beneficial interest in any such property shall be owned by the Members of the Association and their interest therein shall not be transferable except that the interest of a Member who is an Owner shall be deemed to be transferred upon the transfer of the Member's Lot. A transfer of a Lot shall transfer to the transferee ownership of the transferor's beneficial interest in such personal property without any reference thereto or execution of a bill of sale. Each Owner may use such personal property in accordance with the purpose for which it is intended, without hindering or encroaching upon the lawful rights of the the other Owners. Sale of a Lot under foreclosure shall thereby entitle the purchase thereof to the beneficial interest in the personal property associated with the Lot.

ARTICLE VII

COVENANT FOR MAINTENANCE ASSESSMENT

Section 1. Creation of the Lien and Personal Obligation of Assessment. Declarant for each Lot owned by it within the Properties hereby covenants, and each Owner of any Lot by acceptance of the deed therefor, whether or not it shall be so expressed in acceptance of the deed therefor, shall be deemed to covenant and agree to pay to the Association annual assessments and special assessments for capital improvements. Such assessments shall be fixed, established and collected from time to time as hereinafter provided. The annual and special assessments, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall be a continuing lien upon the property against which each such assessment is made from the date hereinafter set forth. Each such assessment, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall also be a personal obligation of the person who is the Owner of such property at the time when the assessment fell due. Such personal obligation shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, enjoyment and welfare of the residents in the Properties and in particular for the improvements and maintenance of property, services and facilities devoted to the purpose and related to the use and enjoyment of homes situated upon the Properties and any other purpose reasonable, necessary or incidental to such purposes.

Section 3. Basis of Annual Assessment. Unless changed by vote of the Membership, as hereinafter provided, the maximum annual assessment for any Lot owned by Class A Members on which is located in a single family detached dwelling shall be $250.00 per year. The assessment for Lots owned by Class A Members shall be at such assessment ratio as shall be determined by the Board of Directors for that particular development within six (6) months after its annexation to the Properties, having in mind the additional amenities furnished to the particular Lot not otherwise available to the Members. Such assessment ratio shall not thereafter be changed by the Board of Directors without approval of sixty-six percent (66%) of the Members.

The assessments shall be based upon the cash requirements deemed to be such aggregate sums as the Board of Directors of the Association shall from time to time determine is necessary to provide for the payment of all estimated expenses growing out of or connected with the maintenance and operation of the Green Area, which sum may include, but not limited to, any special assessments on the Common or Green Areas, insurance premiums for vandalism and malicious mischief, with endorsements attached, issued in the amount of the maximum replacement value of all of the Common Area improvements; casualty and public liability and other insurance premiums; landscaping and care of grounds; streets, lighting, repairs and renovations of Common Areas and Green Areas, wages, charges for water used by the Association, grounds maintenance, any expenses of providing security and protection for the Owners, legal and accounting fees, management fees,

H 8659 1139

expenses and liabilities incurred by the Board of Directors under or by reason of this Declaration, the payment of any deficit remaining for a previous period, the creation of a reasonable contingency or other reserve or surplus funds as well as any and all other costs and expenses necessary to carry out the terms and intent of this Declaration. The Association shall maintain an adequate reserve fund out of the annual assessments rather than by period assessments for the maintenance, repair and replacement of those elements of the Common Area and Green Areas that must be replaced on a periodic basis. The Board of Directors of the Association may after consideration of the current maintenance costs and the financial requirements of the Association fix the annual actual assessment at an amount less than the maximum. Such reserve fund shall not be used to construct or establish new capital improvements without an affirmative vote of one-half of each class of Members.

Any agreement for management of the Associations's business or any other contract for services by the Declarant must provide for termination by either party without cause or payment of a termination fee on thirty (30) days or less written notice and a maximum contract term of three (3) years.

The maximum annual assessment may be changed as follows:

A. From and after January 1, 1988, the maximum annual assessment may be increased each year not more than ten percent (10%) above the maximum assessment for the previous year without a vote of the Membership.

B. From and after January 1, 1988, the maximum annual assessment may be increased above ten percent (10%) by a vote of one-half (1/2) of each class of Members who are voting in person or by proxy, at a meeting duly called for this purpose.

C. The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. Upon vote of the Members of the Association in the manner hereinafter set forth, the Association may levy in addition to annual assessments a special assessment in any calendar year applicable to that year only, for the purpose of defraying in whole or in part the costs of construction or reconstruction or expected repair or replacement of a described capital improvement upon the Common Area or Green Area, including necessary fixtures and personal property related thereto, provided that, any such assessment shall have the assent of sixty percent (60%) of the votes of each class of Members who are voting in person, or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than thirty (30) days nor more that sixty (60) days in advance of the meeting setting forth the purpose of the meeting. The assessment ratio for any Lot, as determined pursuant to Section 3, shall be applicable to special assessment.

Section 5. Voting and Notices for Special Assessment and Change of Maximum Assessment. Written notice of any meeting of Members called to change the maximum annual assessment or to levy a special assessment shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the date of such meeting, setting forth the purpose of the meeting.

Section 6. Quorum for Action Authorized Under Section 4 and 5. The quorum required for any action authorized in Section 4 and 5 of this Article VI shall be as follows:

At the first meeting called, as provided in Section 4 and 5 hereof, the presence at the meeting of Members, or of proxies entitled to cast sixty percent (60%) of all votes of each class of Membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in Sections 4 and 5 and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessment. The initial annual assessments shall commence on the first day of such month as

N 8[illegible]1140

determined by the Board of Directors of the Association, shall be made for the balance of the calendar year, and shall be due and payable on the date fixed by the Board. Annual assessments for any year after the first year shall become due and payable on or before February 1 of such year, and at the Board's discretion may be collected on a monthly basis.

The amount of the initial annual assessment for the first year in which assessments are made or for any property which becomes subject to assessments for the first time shall be prorated on a calendar year basis according to the date on which property first became subject to assessment.

The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

Section 8. Duty of the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

Section 9. The Effect of Non-payment of Assessments; Lien of Association. If an assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $20.00 and the assessment shall bear interest at the rate of ten percent (10%) per annum for such due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgatge or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such Lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Common and Green Areas, specifying and itemizing the maintenance and repair expenses of the Common Areas and Green Areas and any other expenses incurred. Such records and the vouchers authorizing the

H 8655 1141

payments shall be available on request for examination by the Owners and others with an interest such as encumbrancers or prospective lenders.

Section 12. Protection of Mortgagees. First mortgagees of Lots may pay taxes or other charges or assessments which are in default and which may become a lien against the Common or Green Areas and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Common and Green Areas and the first mortgagees making such payments shall be owed immediately reimbursement therefore from the Association.

IN WITNESS WHEREOF, the undersigned being the Declarant herein has hereunto set its hand and seal as of the day and year first hereinabove set forth.

II. ADDITIONAL RESTRICTIONS

A. Owners hereby ratify and confirm the existing Restrictive Covenants previously filed and hereby impress the following restrictions upon their Lot in addition to the Restrictive Covenants already filed:

1. Keeping of Vehicles on Property. The keeping of mobile homes, with or without wheels, on the Lot is expressly prohibited. Motor boats, house boats, and similar water-borne vehicles or travel trailers may be maintained, stored, or kept on the Lot provided the same are housed completely within a structure or enclosure which has been approved architecturally by the Architectural Control Committee. All vehicles belonging to Owners, or guests of Owners, must be parked overnight in the Owners' driveway or in the above-mentioned enclosure. ARTICLE VII

COVENANT FOR MAINTENANCE ASSESSMENT

Section 1. Creation of the Lien and Personal Obligation of Assessment. Declarant for each Lot owned by it within the Properties hereby covenants, and each Owner of any Lot by acceptance of the deed therefor, whether or not it shall be so expressed in acceptance of the deed therefor, shall be deemed to covenant and agree to pay to the Association annual assessments and special assessments for capital improvements. Such assessments shall be fixed, established and collected from time to time as hereinafter provided. The annual and special assessments, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall be a continuing lien upon the property against which each such assessment is made from the date hereinafter set forth. Each such assessment, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall also be a personal obligation of the person who is the Owner of such property at the time when the assessment fell due. Such personal obligation shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, enjoyment and welfare of the residents in the Properties and in particular for the improvements and maintenance of property, services and facilities devoted to the purpose and related to the use and enjoyment of homes situated upon the Properties and any other purpose reasonable, necessary or incidental to such purposes.

Section 3. Basis of Annual Assessment. Unless changed by vote of the Membership, as hereinafter provided, the maximum annual assessment for any Lot owned by Class A Members on which is located a single family detached dwelling shall be $250.00 per year. The assessment for Lots owned by Class A Members shall be at such assessment ratio as shall be determined by the Board of Directors for that particular development within six (6) months after its annexation to the Properties, having in mind the additional amenities furnished to the particular Lot not otherwise available to the Members. Such assessment ratio shall not thereafter be changed by the Board of Directors without approval of sixty-six percent (66%) of the Members.

The assessments shall be based upon the cash requirements deemed to be such aggregate sums as the Board of Directors of the Association shall from time to time determine is necessary to provide for the payment of all estimated expenses growing out of or connected with the maintenance and operation of the Green Area, which sum may include, but not limited to, any special assessments on the Common or Green Areas, insurance premiums for vandalism and malicious mischief, with endorsements attached, issued in the amount of the maximum replacement value of all of the Common Area improvements; casualty and public liability and other insurance premiums; landscaping and care of grounds; streets, lighting, repairs and renovations of Common Areas and Green Areas, wages, charges for water used by the Association, grounds maintenance, any expenses of providing security and protection for the Owners, legal and accounting fees, management fees,

expenses and liabilities incurred by the Board of Directors under or by reason of this Declaration, the payment of any deficit remaining for a previous period, the creation of a reasonable contingency or other reserve or surplus funds as well as any and all other costs and expenses necessary to carry out the terms and intent of this Declaration. The Association shall maintain an adequate reserve fund out of the annual assessments rather than by period assessment for the maintenance, repair and replacement of those elements of the Common Area and Green Areas that must be replaced on a periodic basis. The Board of Directors of the Association may after consideration of the current maintenance costs and the financial requirements of the Association fix the annual actual assessment at an amount less than the maximum. Such reserve fund shall not be used to construct or establish new capital improvements without an affirmative vote of one-half of each class of Members.

Any agreement for management of the Associations's business or any other contract for services by the Declarant must provide for termination by either party without cause or payment of a termination fee on thirty (30) days or less written notice and a maximum contract term of three (3) years.

The maximum annual assessment may be changed as follows:

A. From and after January 1, 1988, the maximum annual assessment may be increased each year not more than ten percent (10%) above the maximum assessment for the previous year without a vote of the Membership.

B. From and after January 1, 1988, the maximum annual assessment may be increased above ten percent (10%) by a vote of one-half (1/2) of each class of Members who are voting in person or by proxy, at a meeting duly called for this purpose.

C. The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. Upon vote of the Members of the Association in the manner hereinafter set forth, the Association may levy in addition to annual assessments a special assessment in any calendar year applicable to that year only, for the purpose of defraying in whole or in part the costs of construction or reconstruction or expected repair or replacement of a described capital improvement upon the Common Area or Green Area, including necessary fixtures and personal property related thereto, provided that, any such assessment shall have the assent of sixty percent (60%) of the votes of each class of Members who are voting in person, or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than thirty (30) days nor more that sixty (60) days in advance of the meeting setting forth the purpose of the meeting. The assessment ratio for any Lot, as determined pursuant to Section 3, shall be applicable to special assessment.

Section 5. Voting and Notices for Special Assessment and Change of Maximum Assessment. Written notice of any meeting of Members called to change the maximum annual assessment or to levy a special assessment shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the date of such meeting, setting forth the purpose of the meeting.

Section 6. Quorum for Action Authorized Under Section 4 And 5. The quorum required for any action authorized in Section 4 and 5 of this Article VI shall be as follows:

At the first meeting called, as provided in Section 4 and 5 hereof, the presence at the meeting of Members, or of proxies entitled to cast sixty percent (60%) of all votes of each class of Membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in Sections 4 and 5 and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessment. The initial annual assessments shall commence on the first day of such month as

determined by the Board of Directors of the Association, shall be made for the balance of the calendar year, and shall be due and payable on the date fixed by the Board. Annual assessments for any year after the first year shall become due and payable on or before February 1 of such year, and at the Board's discretion may be collected on a monthly basis.

The amount of the initial annual assessment for the first year in which assessments are made or for any property which becomes subject to assessments for the first time shall be prorated on a calendar year basis according to the date on which property first became subject to assessment.

The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

Section 8. Duty of the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

Section 9. The Effect of Non-payment of Assessments; Lien of Association. If an assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $20.00 and the assessment shall bear interest at the rate of ten percent (10%) per annum for such due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such Lot from liability from any assessments thereafter becoming due, or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures effecting the Common and Green Areas, specifying and itemizing the maintenance and repair expenses of the Common Areas and Green Areas and any other expenses incurred. Such records and the vouchers authorizing the

payments shall be available on request for examination by the Owners and others with an interest such as encumbrancers or prospective lenders.

Section 12. Protection of Mortgagees. First mortgagees of Lots may pay taxes or other charges or assessments which are in default and which may become a lien against the Common or Green Areas and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Common and Green Areas and the first mortgagees making such payments shall be owed immediately reimbursement therefore from the Association.

expenses and liabilities incurred by the Board of Directors under or by reason of this Declaration, the payment of any deficit remaining for a previous period, the creation of a reasonable contingency or other reserve or surplus funds as well as any and all other costs and expenses necessary to carry out the terms and intent of this Declaration. The Association shall maintain an adequate reserve fund out of the annual assessments rather than by period assessment for the maintenance, repair and replacement of those elements of the Common Area and Green Areas that must be replaced on a periodic basis. The Board of Directors of the Association may after consideration of the current maintenance costs and the financial requirements of the Association fix the annual actual assessment at an amount less than the maximum. Such reserve fund shall not be used to construct or establish new capital improvements without an affirmative vote of one-half of each class of Members.

Any agreement for management of the Associations's business or any other contract for services by the Declarant must provide for termination by either party without cause or payment of a termination fee on thirty (30) days or less written notice and a maximum contract term of three (3) years.

The maximum annual assessment may be changed as follows:

A. From and after January 1, 1988, the maximum annual assessment may be increased each year not more than ten percent (10%) above the maximum assessment for the previous year without a vote of the Membership.

B. From and after January 1, 1988, the maximum annual assessment may be increased above ten percent (10%) by a vote of one-half (1/2) of each class of Members who are voting in person or by proxy, at a meeting duly called for this purpose.

C. The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. Upon vote of the Members of the Association in the manner hereinafter set forth, the Association may levy in addition to annual assessments a special assessment in any calendar year applicable to that year only, for the purpose of defraying in whole or in part the costs of construction or reconstruction or expected repair or replacement of a described capital improvement upon the Common Area or Green Area, including necessary fixtures and personal property related thereto, provided that, any such assessment shall have the assent of sixty percent (60%) of the votes of each class of Members who are voting in person, or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than thirty (30) days nor more that sixty (60) days in advance of the meeting setting forth the purpose of the meeting. The assessment ratio for any Lot, as determined pursuant to Section 3, shall be applicable to special assessment.

Section 5. Voting and Notices for Special Assessment and Change of Maximum Assessment. Written notice of any meeting of Members called to change the maximum annual assessment or to levy a special assessment shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the date of such meeting, setting forth the purpose of the meeting.

Section 6. Quorum for Action Authorized Under Section 4 and 5. The quorum required for any action authorized in Section 4 and 5 of this Article VI shall be as follows:

At the first meeting called, as provided in Section 4 and 5 hereof, the presence at the meeting of Members, or of proxies entitled to cast sixty percent (60%) of all votes of each class of Membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in Sections 4 and 5 and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessment. The initial annual assessments shall commence on the first day of such month as

H 8659 1012

determined by the Board of Directors of the Association, shall be made for the balance of the calendar year, and shall be due and payable on the date fixed by the Board. Annual assessments for any year after the first year shall become due and payable on or before February 1 of such year, and at the Board's discretion may be collected on a monthly basis.

The amount of the initial annual assessment for the first year in which assessments are made or for any property which becomes subject to assessments for the first time shall be prorated on a calendar year basis according to the date on which property first became subject to assessment.

The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

Section 8. Duty of the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

Section 9. The Effect of Non-payment of Assessments; Lien of Association. If an assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $20.00 and the assessment shall bear interest at the rate of ten percent (10%) per annum for such due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such Lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Common and Green Areas, specifying and itemizing the maintenance and repair expenses of the Common Areas and Green Areas and any other expenses incurred. Such records and the vouchers authorizing the

11 8659E1013

payments shall be available on request for examination by the Owners and others with an interest such as encumbrancers or prospective lenders.

Section 12. Protection of Mortgagees. First mortgagees of Lots may pay taxes or other charges or assessments which are in default and which may become a lien against the Common or Green Areas and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Common and Green Areas and the first mortgagees making such payments shall be owed immediately reimbursement therefore from the Association.

IN WITNESS WHEREOF, the undersigned being the Declarant herein has hereunto set its hand and seal as of the day and year first hereinabove set forth.

1. Keeping of Vehicles on Property. The keeping of mobile homes, with or without wheels, on the Lot is expressly prohibited. Motor boats, house boats, and similar water-borne vehicles or travel trailers may be maintained, stored, or kept on the Lot provided the same are housed completely within a structure or enclosure which has been approved architecturally by the Architectural Control Committee. All vehicles belonging to Owners, or guests of Owners, must be parked overnight in the Owners' driveway or in the above-mentioned enclosure. In no case may the vehicles of the Owners, or guests of the Owners, be parked overnight on the streets of the subdivision or within the improved yard of the Owners.

2. Yard Care. All fences on Lots shall be maintained in good repair and in a clean and attractive manner.

B. These Restrictive Covenants shall constitute covenants running with the land, and shall be binding on all persons claiming any interest in the Lot until January 1, 2014. On that date, these covenants shall be automatically extended for successive periods of ten (10) years, unless a majority of the owners of the lots affected by the Restrictive Covenants agree to change any Restrictive Covenants.

IV. COVENANT FOR ASSESSMENT AND LIEN

A. Owners personally covenant and agree to pay to the Associa-

tion such annual and special assessments as fixed and established by the Board of Directors, in accordance with the Bylaws, to be used exclusively for the purpose of promoting the recreation, health, safety, enjoyment, and welfare of the owners of the lots in the Villages of Woodland Hills, and for the improvement and maintenance of the Common Areas.

B. The maximum annual assessment for the calendar year 1987 shall be $250.00. Increases in the annual assessment in excess of ten percent (10%) must be approved by fifty percent (50%) of the Members voting at a meeting called for this purpose.

C. In addition to Owners' personal obligation to pay assessments, Owners hereby grant to the Association a continuing lien upon their Lot to secure payment of all assessments on their Lot, including interest, costs, and reasonable attorney's fees. The Association may bring actions at law or equity to enforce payment of delinquent assessments and may enforce the assessment lien in the same manner provided by law with respect to a lien on real property.

V. PERSONAL LIABILTY OF OWNERS

In consideration of Owners' agreement to join the Association and pay assessments timely, and the grant of a continuing assessment lien, the Association agrees to take such action as may be reasonably necessary to shield Owners from any personal liability arising out of Owners' membership in the Association. Such action shall include, but not be limited to, obtaining and maintaining reasonable insurance coverage on the Common Areas.

Section 1. Additions to the Properties. At any time before December 31, 1988, Declarant, its successors and assigns, in future stages of development, shall have the right to annex to and bring within the scheme of this Declaration additional properties which are located within the Villages of Woodland Hills.

Section 2. Method of Making Additions. Additions authorized under this Article shall be made by filing for record a Supplemental Declaration of covenants and restrictions with respect to the additional property. Such Supplemental Declaration may contain such additions and modifications of the covenants and restrictions contained in this Declaration as may be necessary to reflect the different character of the added properties in the sole discretion of Declarant. In no event, however, shall such Supplemental Declaration revoke, modify or add to the covenants established by this Declaration with respect to the Properties subject to this Declaration just prior to such Supplemental Declaration being filed for record.

Section 3. Additions by Others. So long as Declarant is a Class B Member, additions may be made by any other owner of property who with the approval of the Board of Directors of the Association desires to add such property located within the boundaries described in Section 1 of this Article II to the scheme of this Declaration and to subject it to the jurisdiction of the Association. Such approval by the Board of Directors of Membership shall be evidenced by a certified copy of such resolution of approval recorded in Tarrant County, Texas.

ARTICLE III

ADDITIONAL RESTRICTIONS

Section 1. Keeping of Vehicles on Property. The keeping of mobil homes, with or without wheels, on any lot is expressly prohibited. Motor boats, house boats and similar water borne vehicles or travel trailers may be maintained, stored or kept on any lot provided the same are housed completely within a structure or enclosure which has been approved architecturally by the Architectural Control Committee. All vehicles belonging to occupants must be parked overnight in the occupant's driveway or in the above mentioned enclosure. In no case may the occupant's vehicles be parked overnight on the streets of the subdivision or within the improved yard of the occupant.

Section 2. Yard Care. As soon as the growing season reasonably permits, the grounds around all living units shall be seeded, sodded or otherwise planted by the Owner thereof with grass or other ground cover or plantings and maintained in a clean and attractive manner free of dust and weeds. All fences on Lots shall be maintained in good repair and in a clean and attractive manner.

ARTICLE IV

MEMBERSHIP AND VOTING RIGHTS IN THE ASSOCIATION

Section 1. Membership. Every person or entity who is a record owner of a fee or undivided fee interest in any Lot which is subject by covenants of record to assessment by the Association, including contract sellers, shall be a Member of the Association. The foregoing is not intended to include persons or entities who hold an interest merely as security for the performance of obligation. Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to assessment by the Association. Ownership of such Lot shall be the sole qualification for Membership. When more than one person holds a Membership interest in any Lot, all such persons shall be Members. The vote for such Lot shall be exercised as they among themselves determine, but in no event shall more than one (1) vote be cast with respect to any Lot.

Section 2. Voting Rights. There shall be two classes of voting Membership.

A. Class A Members will be all those Members other than Southcreek, Inc. Class A Members shall be entitled to one vote for each Lot in which they hold the interest required for Membership by Section 1. When Class B Membership has been coverted to Class A Membership, all Directors of the Association shall be elected by the Class A Members.

B. The Class B Members shall be Southcreek, Inc. or its successors or assigns. Class B Members shall be entitled to four votes for each Lot owned by the Declarant or its successors or assigns, and shall be entitled to elect all Members of the Board of Directors of the Association. Class B Membership may cease and be converted to Class A Membership at the option of the Class B Member, its successors or assigns by its written notice to the Secretary of the Association, and shall cease and be converted to Class A Membership without further act or deed when the total votes outstanding in the Class A Membership equal the total votes outstanding in the Class B Membership.

C. As long as a Class B Membership exists, Associate Memberships in the Association will not be established by the Board of Directors of the Association without an affirmative vote of a majority of the Class A Members of the Association.

D. Should any builder own any lot which is the subject of these restrictions, that builder shall assign his voting rights to the developer. Said voting rights shall be voted as Class A Membership and not Class B Membership.

ARTICLE V

ADMINISTRATION AND MANAGEMENT

The administration of the Properties shall be governed by these covenants, the Articles of Incorporation, By-Laws, and published rules and regulations of the Association. As shown and reserved to Declarant in the Articles of Incorporation and By-Laws for the Association, the designation and appointment of the Board of Directors for the Association may, at Declarant's option, be exercised solely by the Declarant until the Class B Membership terminates.

ARTICLE VI

PROPERTY RIGHTS IN THE COMMON PROPERTIES

Section 1. Extent of Members' Easements. The rights and easements of enjoyment created hereby shall be subject to the following:

A. The right of the Association to limit the number of guests of Members.

B. The rights of the Declarant and of the Association, in accordance with its Articles and By-Laws, to borrow money for the purpose of improving the Green Area and with written consent of the Members entitled to vote seventy-five percent (75%) the votes of each class of Membership to mortgage said Common Areas and Green Areas as security for any such loan.

c. The right of the Association to promulgate and publish rules and regulations which each Member shall strictly comply with.

Section 2. Personal Property for Common Use. The Association may acquire and hold for the use and benefit of all Members of the Association, tangible and intangible personal property and may dispose of the same by sale or otherwise, and the beneficial interest in any such property shall be owned by the Members of the Association and their interest therein shall not be transferable except that the interest of a Member who is an Owner shall be deemed to be transferred upon the transfer of the Member's Lot. A transfer of a Lot shall transfer to the transferee ownership of the transferor's beneficial interest in such personal property without any reference thereto or execution of a bill of sale. Each Owner may use such personal property in accordance with the purpose for which it is intended, without hindering or encroaching upon the lawful rights of the the other Owners. Sale of a Lot under foreclosure shall thereby entitle the purchase thereof to the beneficial interest in the personal property associated with the Lot.

ARTICLE VII

COVENANT FOR MAINTENANCE ASSESSMENT

Section 1. Creation of the Lien and Personal Obligation of Assessment. Declarant for each Lot owned by it within the Properties hereby covenants, and each Owner of any Lot by acceptance of the deed therefor, whether or not it shall be so expressed in acceptance of the deed therefor, shall be deemed to covenant and agree to pay to the Association annual assessments and special assessments for capital improvements. Such assessments shall be fixed, established and collected from time to time as hereinafter provided. The annual and special assessments, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall be a continuing lien upon the property against which each such assessment is made from the date hereinafter set forth. Each such assessment, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall also be a personal obligation of the person who is the Owner of such property at the time when the assessment fell due. Such personal obligation shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by; the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, enjoyment and welfare of the residents in the Properties and in particular for the improvements and maintenance of property, services and facilities devoted to the purpose and related to the use and enjoyment of homes situated upon the Properties and any other purpose reasonable, necessary or incidental to such purposes.

Section 3. Basis of Annual Assessment. Unless changed by vote of the Membership, as hereinafter provided, the maximum annual assessment for any Lot owned by Class A Members on which is located in a single family detached dwelling shall be $250.00 per year. The assessment for Lots owned by Class A Members shall be at such assessment ratio as shall be determined by the Board of Directors for that particular development within six (6) months after its annexation to the Properties, having in mind the additional amenities furnished to the particular Lot not otherwise available to the Members. Such assessment ratio shall not thereafter be changed by the Board of Directors without approval of sixty-six percent (66%) of the Members.

The assessments shall be based upon the cash requirements deemed to be such aggregate sums as the Board of Directors of the Association shall from time to time determine is necessary to provide for the payment of all estimated expenses growing out of or connected with the maintenance and operation of the Green Area, which sum may include, but not limited to, any special assessments on the Common or Green Areas, insurance premiums for vandalism and malicious mischief, with endorsements attached, issued in the amount of the maximum replacement value of all of the Common Area improvements; casualty and public liability and other insurance premiums; landscaping and care of grounds; streets, lighting, repairs and renovations of Common Areas and Green Areas, wages, charges for water used by the Association, grounds maintenance, any expenses of providing security and protection for the Owners, legal and accounting fees, management fees,

The Association shall maintain an adequate reserve fund out of the annual assessments rather than by period assessment for the maintenance, repair and replacement of those elements of the Common Area and Green Areas that must be replaced on a periodic basis. The Board of Directors of the Association may after consideration of the current maintenance costs and the financial requirements of the Association fix the annual actual assessment at an amount less than the maximum. Such reserve fund shall not be used to construct or establish new capital improvements without an affirmative vote of one-half of each class of Members.

Any agreement for management of the Associations's business or any other contract for services by the Declarant must provide for termination by either party without cause or payment of a termination fee on thirty (30) days or less written notice and a maximum contract term of three (3) years.

The maximum annual assessment may be changed as follows:

A. From and after January 1, 1988, the maximum annual assessment may be increased each year not more than ten percent (10%) above the maximum assessment for the previous year without a vote of the Membership.

B. From and after January 1, 1988, the maximum annual assessment may be increased above ten percent (10%) by a vote of one-half (1/2) of each class of Members who are voting in person or by proxy, at a meeting duly called for this purpose.

C. The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. Upon vote of the Members of the Association in the manner hereinafter set forth, the Association may levy in addition to annual assessments a special assessment in any calendar year applicable to that year only, for the purpose of defraying in whole or in part the costs of construction or reconstruction or expected repair or replacement of a described capital improvement upon the Common Area or Green Area, including necessary fixtures and personal property related thereto, provided that, any such assessment shall have the assent of sixty percent (60%) of the votes of each class of Members who are voting in person, or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than thirty (30) days nor more that sixty (60) days in advance of the meeting setting forth the purpose of the meeting. The assessment ratio for any Lot, as determined pursuant to Section 3, shall be applicable to special assessment.

Section 5. Voting and Notices for Special Assessment and Change of Maximum Assessment. Written notice of any meeting of Members called to change the maximum annual assessment or to levy a special assessment shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the date of such meeting, setting forth the purpose of the meeting.

Section 6. Quorum for Action Authorized Under Section 4 and 5. The quorum required for any action authorized in Section 4 and 5 of this Article VI shall be as follows:

At the first meeting called, as provided in Section 4 and 5 hereof, the presence at the meeting of Members, or of proxies entitled to cast sixty percent (60%) of all votes of each class of Membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in Sections 4 and 5 and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessment. The initial annual assessments shall commence on the first day of such month as

determined by the Board of Directors of the Association, shall be made for the balance of the calendar year, and shall be due and payable on the date fixed by the Board. Annual assessments for any year after the first year shall become due and payable on or before February 1 of such year, and at the Board's discretion may be collected on a monthly basis.

The amount of the initial annual assessment for the first year in which assessments are made or for any property which becomes subject to assessments for the first time shall be prorated on a calendar year basis according to the date on which property first became subject to assessment.

The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

Section 8. Duty of the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

Section 9. The Effect of Non-payment of Assessments; Lien of Association. If an assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $20.00 and the assessment shall bear interest at the rate of ten percent (10%) per annum for such due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such Lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Common and Green Areas, specifying and itemizing the maintenance and repair expenses of the Common Areas and Green Areas and any other expenses incurred. Such records and the vouchers authorizing the

payments shall be available on request for examination by the Owners and others with an interest such as encumbrancers or prospective lenders.

Section 12. Protection of Mortgagees. First mortgagees of Lots may pay taxes or other charges or assessments which are in default and which may become a lien against the Common or Green Areas and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Common and Green Areas and the first mortgagees making such payments shall be owed immediately reimbursement therefore from the Association.

Every person or entity who is a record owner of a fee or undivided fee interest in any Lot which is subject by covenants of record to assessment by the Association, including contract sellers, shall be a Member of the Association. The foregoing is not intended to include persons or entities who hold an interest merely as security for the performance of obligation. Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to assessment by the Association. Ownership of such Lot shall be the sole qualification for Membership. When more than one person holds a Membership interest in any Lot, all such persons shall be Members. The vote for such Lot shall be exercised as they among themselves determine, but in no event shall more than one (1) vote be cast with respect to any Lot.

Sale of a Lot under foreclosure shall thereby entitle the purchase thereof to the beneficial interest in the personal property associated with the Lot.

ARTICLE VII

COVENANT FOR MAINTENANCE ASSESSMENT

Section 1. Creation of the Lien and Personal Obligation of Assessment. Declarant for each Lot owned by it within the Properties hereby covenants, and each Owner of any Lot by acceptance of the deed therefor, whether or not it shall be so expressed in acceptance of the deed therefor, shall be deemed to covenant and agree to pay to the Association annual assessments and special assessments for capital improvements. Such assessments shall be fixed, established and collected from time to time as hereinafter provided. The annual and special assessments, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall be a continuing lien upon the property against which each such assessment is made from the date hereinafter set forth. Each such assessment, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall also be a personal obligation of the person who is the Owner of such property at the time when the assessment fell due. Such personal obligation shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, enjoyment and welfare of the residents in the Properties and in particular for the improvements and maintenance of property, services and facilities devoted to the purpose and related to the use and enjoyment of homes situated upon the Properties and any other purpose reasonable, necessary or incidental to such purposes.

Section 3. Basis of Annual Assessment. Unless changed by vote of the Membership, as hereinafter provided, the maximum annual assessment for any Lot owned by Class A Members on which is located in a single family detached dwelling shall be $250.00 per year. The assessments shall be based upon the cash requirements deemed to be such aggregate sums as the Board of Directors of the Association shall from time to time determine is necessary to provide for the payment of all estimated expenses growing out of or connected with the maintenance and operation of the Green Area, which sum may include, but not limited to, any special assessments on the Common or Green Areas, insurance premiums for vandalism and malicious mischief, with endorsements attached, issued in the amount of the maximum replacement value of all of the Common Area improvements; casualty and public liability and other insurance premiums; landscaping and care of grounds; streets, lighting, repairs and renovations of Common Areas and Green Areas, wages, charges for water used by the Association, grounds maintenance, any expenses of providing security and protection for the Owners, legal and accounting fees, management fees,

expenses and liabilities incurred by the Board of Directors under or by reason of this Declaration, the payment of any deficit remaining for a previous period, the creation of a reasonable contingency or other reserve or surplus funds as well as any and all other costs and expenses necessary to carry out the terms and intent of this Declaration. The Association shall maintain an adequate reserve fund out of the annual assessments rather than by period assessment for the maintenance, repair and replacement of those elements of the Common Area and Green Areas that must be replaced on a periodic basis. The Board of Directors of the Association may after consideration of the current maintenance costs and the financial requirements of the Association fix the annual actual assessment at an amount less than the maximum. Such reserve fund shall not be used to construct or establish new capital improvements without an affirmative vote of one-half of each class of Members.

Any agreement for management of the Associations's business or any other contract for services by the Declarant must provide for termination by either party without cause or payment of a termination fee on thirty (30) days or less written notice and a maximum contract term of three (3) years.

The maximum annual assessment may be changed as follows:

A. From and after January 1, 1988, the maximum annual assessment may be increased each year not more than ten percent (10%) above the maximum assessment for the previous year without a vote of the Membership.

B. From and after January 1, 1988, the maximum annual assessment may be increased above ten percent (10%) by a vote of one-half (1/2) of each class of Members who are voting in person or by proxy, at a meeting duly called for this purpose.

C. The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. Upon vote of the Members of the Association in the manner hereinafter set forth, the Association may levy in addition to annual assessments a special assessment in any calendar year applicable to that year only, for the purpose of defraying in whole or in part the costs of construction or reconstruction or expected repair or replacement of a described capital improvement upon the Common Area or Green Area, including necessary fixtures and personal property releated thereto, provided that, any such assessment shall have the assent of sixty percent (60%) of the votes of each class of Members who are voting in person, or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than thirty (30) days nor more that sixty (60) days in advance of the meeting setting forth the purpose of the meeting. The assessment ratio for any Lot, as determined pursuant to Section 3, shall be applicable to special assessment.

Section 5. Voting and Notices for Special Assessment and Change of Maximum Assessment. Written notice of any meeting of Members called to change the maximum annual assessment or to levy a special assessment shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the date of such meeting, setting forth the purpose of the meeting.

Section 6. Quorum for Action Authorized Under Section 4 and 5. The quorum required for any action authorized in Section 4 and 5 of this Article VI shall be as follows:

At the first meeting called, as provided in Section 4 and 5 hereof, the presence at the meeting of Members, or of proxies entitled to cast sixty percent (60%) of all votes of each class of Membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in Sections 4 and 5 and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessment. The initial annual assessments shall commence on the first day of such month as

VL 8659 1172

determined by the Board of Directors of the Association, shall be made for the balance of the calendar year, and shall be due and payable on the date fixed by the Board. Annual assessments for any year after the first year shall become due and payable on or before February 1 of such year, and at the Board's discretion may be collected on a monthly basis.

The amount of the initial annual assessment for the first year in which assessments are made or for any property which becomes subject to assessments for the first time shall be prorated on a calendar year basis according to the date on which property first became subject to assessment.

The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

Section 8. Duty of the Board of Directors. The Board of Directors shall fix the amount of the Annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

Section 9. The Effect of Non-payment of Assessments; Lien of Association. If an assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $20.00 and the assessment shall bear interest at the rate of ten percent (10%) per annum for such due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinqdency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such Lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Common and Green Areas, specifying and itemizing the maintenance and repair expenses of the Common Areas and Green Areas and any other expenses incurred. Section 12. Protection of Mortgagees. First mortgagees of Lots may pay taxes or other charges or assessments which are in default and which may become a lien against the Common or Green Areas and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Common and Green Areas and the first mortgagees making such payments shall be owed immediately reimbursement therefore from the Association.

The undersigned reserves the right to change, in writing, any building lines shown on the plat referred to herein or setback lines from the side lines shown on the said plat referred to in the restrictions, so long as the undersigned hold legal title to such lots and likewise, reserves the right to make such changes with the consent of the owners of the property involved after the undersigned has conveyed the title to such property.

Section 6. Minor Violations of Setback Restrictions. If upon the erection of the first single family dwelling upon any of the Lots which are subject to these restrictions, it is disclosed by survey that a minor violation or infringement of setback lines has occurred, such violation or infringement may be waived by the written consent and waiver of the Owners of the Lots immediately adjoining on either side of the Lots upon which the violation or infringement occurs, and such waiver shall be binding upon all other Owners which are subject to these restrictions. Nothing herein contained shall prevent the prosecution of a suit for any other violation of the restrictions contained in this Declaration. A "minor violation" for the purpose of this section is a violation of not more than two feet beyond the required setback lines. This provision shall apply only to the original structures and shall not be applicable to any alterations or repairs to such structure.

SUPPLEMENTAL DECLARATION TO
RESTRICTIVE COVENANTS FOR LOTS 34-44, BLOCK 6, PHASE 5,
WOODLAND HILLS, FIFTH AMENDED FILING, AN ADDITION
TO THE CITY OF COLLEYVILLE, TARRANT COUNTY, TEXAS
(WINDSOR COURT)

THE STATE OF TEXAS | KNOW ALL MEN BY THESE PRESENTS:
COUNTY OF TARRANT |

WHEREAS, the undersigned, being all the Owners of the following lots in WOODLAND HILLS, FIFTH AMENDED FILING, an addition to the City of Colleyville, Tarrant County, Texas, to wit:

as reflected by Plat recorded in Volume 388-205, Page 40, Plat Records, Tarrant County, Texas, which plat is incorporated hereby by reference for all intents and purposes, and

WHEREAS, the Owners desire to impress said property with additional restrictive covenants as hereinafter set forth in order to control the access to Windsor Court, and to maintain a high quality residential neighborhood for the protection, use, and benefit of each purchaser.

NOW, THEREFORE, the undersigned Owners do hereby adopt the following additional restrictive covenants affecting the hereinabove described Lots only, do hereby dedicate and do hereby further impress said property with the following restrictive covenants which additional covenants shall run with the title to said land and shall be binding upon all parties and persons claiming said land or any part thereof until January 1, 2019, at which time said covenants shall be automatically extended for successive periods of ten (10) years, unless it is agreed by a majority of the Owners of the Lots to change said covenants in whole or in part, and any and all conveyances of any and all of these Lots shall be deemed to be subject to the restrictive covenants herein set forth, and those previously recorded as referred to hereinabove, which shall, for all legal purposes be conclusively deemed to be part of each deed or conveyance of any Lot or portion thereof. Invalidation of any covenants or restrictions by judgment or order of the court shall in no wise affect any of the other provisions which shall remain in full force and effect.

I

The restrictions herein set forth are in addition to those restrictions previously filed in Volume 7800, Page 883, of the Deed Records of Tarrant County, Texas. These restrictions supplement those previously filed and in no way are meant to alter, change, or be a substitute for any of the restrictions previously filed. The restrictions herein set forth are imposed upon each Lot for the benefit of each and every other Lot, shall constitute covenants running with the land, and shall inure to the benefit of the landowners, their personal representatives, heirs, and assigns. Every purchaser of and person acquiring any interest in any part of such land, their personal representatives, heirs, and assigns shall be taken to agree and covenant to conform to and observe all such restrictions; and the undersigned, their personal representatives, heirs, and assigns, and the owner(s) of any part of such land and of any interest therein, jointly or severally, shall have the right to sue for and obtain an injunction to prevent the breach of, or to enforce the observance of, the restrictions and covenants set forth above in addition to

The failure of any one or all of such persons to enforce any of the restrictions or covenants herein set forth at the time of its violation shall in no event be deemed to be a waiver of the right to do so at any time thereafter. The failure to enforce such restrictions as to any one or more Lots, or as to any one or more owners thereof, shall not be deemed a waiver of the right to enforce them as to any other Lot(s) or owner(s). The failure of the undersigned to enforce any such covenants, conditions, or restrictions give rise to any cause of action against it by any other person.

II

The undersigned agree to become members of the WINDSOR COURT HOMEOWNERS ASSOCIATION, INC., a Texas non-profit corporation.

III

A. The undersigned hereby covenant, and each subsequent purchaser of any Lot by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, hereby covenant and agree to pay to the WINDSOR COURT HOMEOWNERS ASSOCIATION, INC.:

1. Annual assessments or charges, and
2. Special assessments for capital improvements, such assessments to be established and collected as hereinafter provided.

B. Annual and special assessments, together with interest, costs, and reasonable attorney's fees, shall be a charge on the land and shall be secured by a continuing lien upon the property in favor of WINDSOR COURT HOMEOWNERS ASSOCIATION, INC., against which each such assessment is made. Each such assessment, together with interest, costs, and reasonable attorney's fees, shall also be the personal obligation of the person who was the owner of such property at the time when the assessment fell due. The personal obligation for delinquent assessment shall not pass to his successors in title unless expressly assumed by them.

C. The assessments levied by the WINDSOR COURT HOMEOWNERS ASSOCIATION, INC. shall be used exclusively to promote the recreation, health, safety, and welfare of the residents of the said Lots; the private drive and gate, a portion of which shall belong to said Lot owner; any and all improvements to said private drive; the operation of the entrance gate on the street known as WINDSOR COURT, the improvements, operation, administration, management, preservation, and maintenance of the gate and the private drive; and the payment of all expenses and obligations lawfully incurred by the WINDSOR COURT HOMEOWNERS ASSOCIATION, INC. The assessment shall also provide a reserve for operating purposes and the replacement of short-lived items and to discharge property taxes, if any, due with respect to the common area and facilities mentioned herein. The judgment of the Board of Directors of the Association in establishing annual assessments, special assessments and other charges, and the expenditure of said funds, shall be final and conclusive so long as said judgment is exercised in good faith.

D. The maximum annual general assessment which shall be apportioned to each of the Lots shall be $ 250.00 . The maximum annual assessment may be increased as hereinafter provided:

1. From and after January 1, 1989, the maximum annual assessment may be increased each year not more than ten percent (10%) above the maximum assessment for the previous year without the approval of a majority of the membership.

2. In addition to the annual assessments authorized above, the Board of Directors may levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair, or replacement of a capital improvement, including fixtures and personal property related thereto.

3. Any action authorized under Sections 1 and 2 above shall be taken at a meeting called for that purpose, written notice of which shall be sent to all members not less than ten (10) days nor more than thirty (30) days in advance of the meeting.

4. The Board of Directors shall fix the amount of the annual assessment against each Lot at least thirty (30) days in advance of each annual assessment period. Written notice of the annual assessment shall be sent to every owner subject thereto. The due dates shall be established by the Board of Directors. The Association shall, upon demand, furnish a certificate, signed by an officer of the Association, setting forth whether the assessments on a specified Lot have been paid. The holder of any first mortgage on a Lot, and the governmental insuror or guarantor of such mortgage, shall be furnished with notice of any delinquency in the payment of assessments relating to such Lot which remains unsatisfied for a period of sixty (60) days.

5. Any assessment not paid within five (5) days after the due date shall bear interest from the due date at the rate of twelve percent (12%) per annum or such higher rate as may, within legal limits, be set by the Association. The Association may bring an action at law against the owner personally obligated to pay such assessment, or foreclose the lien against such owner's Lot. Interest, costs, and reasonable attorney's fees incurred in any such action shall be added to the amount of such assessment or charge. Each such owner, by his acceptance of a deed to his Lot, hereby expressly vests in the Association, or its agents, the right and power to bring all actions against such owner personally for the collection of such charges as a debt and to enforce the aforesaid lien by all methods available for the enforcement of such liens. The liens provided for in this Article shall be in favor of the Association and shall be for the benefit of all owners. No owner may waive or otherwise escape liability for the assessments provided for herein by nonuse of the Common Area or abandonment of his Lot.

6. The lien securing payment of the assessments provided for herein shall be subordinate to the lien of any mortgage(s) granted or created by the owner of any Lot to secure the payment of monies advanced and used for the purpose of purchasing and/or improving such Lot provided such purchase money or improvement lien shall have been duly perfected prior to the date such assessments became due. No sale or transfer shall relieve such Lot, and the owner thereof, from liability for any assessments thereafter becoming due or from the lien thereof.

EXECUTED this 10th day of March, 1989, to be effective as of October 13, 1988.

NOW, THEREFORE, SOUTHCREEK, INC. does hereby adopt the following additional restrictive covenants affecting the hereinabove described lots only, does hereby dedicate and does hereby further impress said property with the following restrictive covenants in addition to those recorded in Volume 8594, Page 2326, Deed Records, Tarrant County, Texas, which additional covenants shall run with the title to said land and shall be binding upon all parties and persons claiming said land or any part thereof until January 1, 2014, at which time said covenants shall be automatically extended for successive periods of ten (10) years, unless it is agreed by a majority of the owners of the lots to change said covenants in whole or in

part, and any and all conveyances of any and all of these lots shall be deemed to be subject to the restrictive covenants herein set forth, and those previously recorded as referred to hereinabove, which shall, for all legal purposes be conclusively deemed to be part of each deed or conveyance of any lot or portion thereof. Invalidation of any covenants or restrictions by judgment or order of the court shall in no wise affect any of the other provisions which shall remain in full force and effect.

I.

The restrictions herein set forth are in addition to those restrictions previously filed in Volume 8596, Page 2326, of the Deed Records of Tarrant County, Texas. These restrictions are made as an addition and supplement to those previously filed and in no way are meant to alter, change or be a substitute for any of the provisions previously on file. The restrictions herein set forth are imposed upon each lot and plot of land for the benefit of each and every other lot and plot, shall constitute covenants running with the land, and shall inure to the benefit of the landowners, their heirs and assigns, and each and every purchaser of and person acquiring any interest in any part of such land, and their heirs and assigns, and all persons acquiring any of the land covered by these restrictions shall be taken to agree and covenant to conform to and observe all such restrictions as to the use of said land (no restrictions or covenants herein set forth shall be binding on any corporation, person or persons except in respect to breaches committed during the time such corporation or person owns or has an interest in said land or part hereof); and the undersigned, its successors and assigns, and the owner or owners of any part of such land and of any interest therein, setting jointly or severally shall have the right to sue for and obtain an injunction to prevent the breach of, or to enforce the observance of, the restrictions and covenants above set forth in addition to the ordinary legal action for damages, and the failure of any one or all of such persons to enforce any of the restrictions or covenants herein set forth at the time of its violation shall in no event be

deemed to be a waiver of the right to do so at any time thereafter, nor shall the failure to enforce such restrictions as to any one or more lots or plots, or as to anyone or more owners thereof, be deemed a waiver of the right to enforce them as to any and all other lots and owners; nor shall the failure of the undersigned to enforce any such covenants, conditions or restrictions give rise to any cause of action against it by any other person.

II.

LOTS 39-44, BLOCK 6 shall be members of the WATERFORD GLEN HOMEOWNERS ASSOCIATION.

III.

The Declarant, for each lot owned within Block 6, Lots 39 through 44, hereby covenants, and each owner of any lot by acceptance of a deed therefore, whether or not it shall be so expressed in such deed, is deemed a covanant and agree to pay to the WATERFORD GLEN HOMEOWNERS ASSOCIATION:

(1) Annual assessments or charges, and
(2) Special assessments for capital improvements, such assessments to be established and collected as hereinafter provided.

The annual and special assessments, together with interest, costs and reasonable attorney's fees, shall be a charge on the land and shall be secured by a continuing vendor's lien upon the property against which each such assessment is made (the said vendor's lien covering each lot being automatically transferred and signed by Declarant to the Association at the time Declarant completes the sale and conveyance of such lot). Each such assessment, together with interest, costs and reasonable attorney's fees, shall also be the personal obligation of the person who was the owner of such property at the time when the assessment fell due. The personal obligation for delinquent assessment shall not pass to his successors in title unless expressly assumed by them.

IV.

The assessments levied by the WATERFORD GLEN HOMEOWNERS ASSOCIATION shall be used exclusively to promote the recreation,

health, safety and welfare of the residents of the said lots; the private lake, a portion of which shall belong to said lot owner; any and all improvements to said lake; the operation of the entrance gate on the street known as WINDSOR COURT, the improvements, operation, administration, management, preservation and maintenance of all these common areas and any part thereof; and the payment of all expenses and obligation lawfully incurred by the WATERFORD GLEN HOMEOWNERS ASSOCIATION in connection with the common area or services for Lots 39-44, Block 6. The assessment shall also provide a reserve for operating purposes and the replacement of short-lived items and to discharge property taxes, if any, due with respect to the common area and facilities mentioned herein. It is understood that the judgment of the Board of Directors of the Association in establishing annual assessments, special assessments and other charges, and the expenditure of said funds, shall be final and conclusive so long as said judgment is exercised in good faith.

V.

A. Residential Lots. Lots 39 through 44, Block 6, after conveyance to an owner shall be assessed at a uniform rate in accordance with Section 6 below. For the purpose of assessments, the term "owner" shall exclude the Declarant, builder, contractor, investor, or other person or entity who purchases a lot for the purpose of construction of improvements thereon for resale to an owner for residential purposes.

B. Declarant-owned Property. Declarant shall not be responsible for the payment of assessments relating to any Lot owned by Declarant.

VI.

On January 2 of the year immediately following the conveyance of the first lot to an owner, the maximum annual general assessment which shall be apportioned to each of the Lots in accordance with the rates provided above shall be $5,000.00. The maximum annual assessment may be increased as hereinafter provided:

(a) From and after January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment may be increased each year not more than ten percent (10%) above the maximum assessment for the previous year without a vote of the membership.

(b) From and after January 1 of the year immediately following the conveyance of the first lot to an owner, the maximum annual assessment may be increased by an amount in excess of ten percent (10%) over the previous year's annual assessment upon two-thirds (2/3rds) affirmative vote of the members.

(c) Upon the annexation of additional lots to the Properties, the maximum annual assessment shall be adjusted in order to reflect the increase in costs reasonably anticipated by the Board of Directors incident to the increase in the Association's responsibilities and liabilities incurred as a result of the annexation of such Lots.

(d) The Board of Directors shall fix the annual assessment at an amount not in excess of the maximum.

VII.

In addition to the annual assessments authorized above, the Association may levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Area, including fixtures and personal property related thereto, provided that any such assessment shall have the vote or written assent of a majority of the members.

VIII.

Any action authorized under Section 4 or 5 shall be taken at a meeting called for that purpose, written notice of which shall be sent to all members not less than ten (10) days nor more than thirty (30) days in advance of the meeting. If the proposed action is favored by a majority of the votes cast at such meeting, but such vote is less than the requisite majority vote of the members, members who were not present in person or by

proxy may give their assent in writing, provided the same is obtained by the appropriate offices of the Association not later than thirty (30) days from the date of such meeting. Each lot shall have two (2) voting members, with each vote being equal to the other.

IX.

At no time shall the Association allow motor vehicles of any type on the lake, nor shall there be any boat dock which could in any fashion penetrate the vinyl lining of the lake.

X.

In the event the maximum assessments (including increases allowable under Article IV) are insufficient to cover the actual costs of maintaining the Common Area within the Properties, Declarant shall be obligated to provide the Association with the amount required to make up such deficit, until the earliest of the events set forth in Article VI, Section b, at which time the aforesaid obligations shall automatically terminate. Such obligation shall not, however, require Declarant to contribute additional funds required on account of any owner's default in the payment of assessments or any losses on account of fire or other casualty or takings by eminent domain nor shall such obligation apply to liability of the Association on account of the negligence or tortuous acts of its members, employees or agents.

The Declarant shall file similar restrictions on any other lots which are contiguous to the lake making those lots and lot owners a part of the WATERFORD GLEN HOMEOWNERS ASSOCIATION.

XI.

The annual assessments provided for herein shall commence as to all Lots on the first day of the month immediately upon closing. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year. The Board of Directors shall fix the amount of the annual assessment against each Lot at least thirty (30) days in advance of each annual assessment period. Written notice of the annual assess-

ment shall be sent to every Owner subject thereto. The due dates shall be established by the Board of Directors. The Association shall, upon demand, furnish a certificate, signed by an officer of the Association, setting forth whether the assessments on a specified Lot have been paid. The holder of any first mortgage on a Lot, and the governmental insuror or guarantor of such mortgage, shall be furnished with notice of any deliquency in the payment of assessments relating to such Lot which remains unsatisfied for a period of sixty (60) days.

XII.

Any assessment not paid within five (5) days after the due date shall bear interest from the due date at the rate of ten percent (10%) per annum or such higher rate as may, within legal limits, be set by the Association. The Association may bring an action at law against the owner personally obligated to pay such assessment, or foreclose the lien against such owner's Lot. Interest, costs and reasonable attorney's fees incurred in any such action shall be added to the amount of such assessment or charge. Each such owner, by his acceptance of a deed to his Lot, hereby expressly vests in the Association, or its agents, the right and power to bring all actions against such owner personally for the collection of such charges as a debt and to enforce the aforesaid lien by all methods available for the enforcement of such liens. The liens provided for in this Article shall be in favor of the Association and shall be for the benefit of all owners. No owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area or abandonment of his Lot.

XIII.

The Vendor's Lien securing payment of the assessments provided for herein shall be subordinate to the lien of any mortgage or mortgages granted or created by the owner of any Lot to secure the payment of monies advanced and used for the purpose of purchasing and/or improving such Lot provided such purchase money or improvement lien shall have been duly perfected prior to

the date such assessments became due. Sale or transfer of any Lot pursuant to mortgage foreclosure or any proceeding in lieu thereof, shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot, and the owner thereof, from liability for any assessments thereafter becoming due or from the lien thereof.

XIV.

Any fences shall be subject to approval by the Architectural Control Committee prior to its construction.

EXECUTED this 15th day of September, 1986.

II. ADDITIONAL RESTRICTIONS

A. Owners hereby ratify and confirm the existing Restrictive Covenants previously filed and hereby impress the following restrictions upon their Lot in addition to the Restrictive Covenants already filed:

1. Keeping of Vehicles on Property. The keeping of mobile homes, with or without wheels, on the Lot is expressly prohibited. Motor boats, house boats, and similar water-borne vehicles or travel trailers may be maintained, stored, or kept on the Lot provided the same are housed completely within a structure or enclosure which has been approved architecturally by the Architectural Control Committee. All vehicles belonging to Owners, or guests of Owners, must be parked overnight in the Owners' driveway or in the above-mentioned enclosure. In no case may the vehicles of the Owners, or guests of the Owners, be parked overnight on the streets of the subdivision or within the improved yard of the Owners.

2. Yard Care. All fences on Lots shall be maintained in good repair and in a clean and attractive manner.

B. These Restrictive Covenants shall constitute covenants running with the land, and shall be binding on all persons claiming any interest in the Lot until January 1, 2014. B. The maximum annual assessment for the calendar year 1987 shall be $250.00. Increases in the annual assessment in excess of ten percent (10%) must be approved by fifty percent (50%) of the Members voting at a meeting called for this purpose.

C. In addition to Owners' personal obligation to pay assessments, Owners hereby grant to the Association a continuing lien upon their Lot to secure payment of all assessments on their Lot, including interest, costs, and reasonable attorney's fees. The Association may bring actions at law or equity to enforce payment of delinquent assessments and may enforce the assessment lien in the same manner provided by law with respect to a lien on real property.

In consideration of Owners' agreement to join the Association and pay assessments timely, and the grant of a continuing assessment lien, the Association agrees to take such action as may be reasonably necessary to shield Owners from any personal liability arising out of Owners' membership in the Association. Section 1. Additions to the Properties. At any time before December 31, 1988, Declarant, its successors and assigns, in future stages of development, shall have the right to annex to and bring within the scheme of this Declaration additional properties which are located within the Villages of Woodland Hills.

Section 2. Method of Making Additions. Additions authorized under this Article shall be made by filing for record a Supplemental Declaration of covenants and restrictions with respect to the additional property. Such Supplemental Declaration may contain such additions and modifications of the covenants and restrictions contained in this Declaration as may be necessary to reflect the different character of the added properties in the sole discretion of Declarant. In no event, however, shall such Supplemental Declaration revoke, modify or add to the covenants established by this Declaration with respect to the Properties subject to this Declaration just prior to such Supplemental Declaration being filed for record.

Section 3. Additions by Others. So long as Declarant is a Class B Member, additions may be made by any other owner of property who with the approval of the Board of Directors of the Association desires to add such property located within the boundaries described in Section 1 of this Article II to the scheme of this Declaration and to subject it to the jurisdiction of the Association. All fences on Lots shall be maintained in good repair and in a clean and attractive manner.

ARTICLE IV

MEMBERSHIP AND VOTING RIGHTS IN THE ASSOCIATION

Section 1. Membership. Every person or entity who is a record owner of a fee or undivided fee interest in any Lot which is subject by covenants of record to assessment by the Association, including contract sellers, shall be a Member of the Association. The foregoing is not intended to include persons or entities who hold an interest merely as security for the performance of obligation. Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to assessment by the Association. Ownership of such Lot shall be the sole qualification for Membership. When more than one person holds a Membership interest in any Lot, all such persons shall be Members. The vote for such Lot shall be exercised as they among themselves determine, but in no event shall more than one (1) vote be cast with respect to any Lot.

Section 2. Voting Rights. There shall be two classes of voting Membership.

A. Class A Members will be all those Members other than Southcreek, Inc. Class A Members shall be entitled to one vote for each Lot in which they hold the interest required for Membership by Section 1. When Class B Membership has been coverted to Class A Membership, all Directors of the Association shall be elected by the Class A Members.

B. The Class B Members shall be Southcreek, Inc. or its successors or assigns. Class B Members shall be entitled to four votes for each Lot owned by the Declarant or its successors or assigns, and shall be entitled to elect all Members of the Board of Directors of the Association. Class B Membership may cease and be converted to Class A Membership at the option of the Class B Member, its successors or assigns by its written notice to the Secretary of the Association, and shall cease and be converted to Class A Membership without further act or deed when the total votes outstanding in the Class A Membership equal the total votes outstanding in the Class B Membership.

C. As long as a Class B Membership exists, Associate Memberships in the Association will not be established by the Board of Directors of the Association without an affirmative vote of a majority of the Class A Members of the Association.

D. Should any builder own any Lot which is the subject of these restrictions, that builder shall assign his voting rights to the developer. Said voting rights shall be voted as Class A Membership and not Class B Membership.

ARTICLE V

ADMINISTRATION AND MANAGEMENT

The administration of the Properties shall be governed by these covenants, the Articles of Incorporation, By-Laws, and published rules and regulations of the Association. As shown and reserved to Declarant in the Articles of Incorporation and By-Laws for the Association, the designation and appointment of the Board of Directors for the Association may, at Declarant's option, be exercised solely by the Declarant until the Class B Membership terminates.

ARTICLE VI

Section 1. Extent of Members' Easements. The rights and easements of enjoyment created hereby shall be subject to the following:

A. The right of the Association to limit the number of guests of Members.

B. The rights of the Declarant and of the Association, in accordance with its Articles and By-Laws, to borrow money for the purpose of improving the Green Area and with written consent of the Members entitled to vote seventy-five percent (75%) the votes of each class of Membership to mortgage said Common Areas and Green Areas as security for any such loan.

Section 2. Personal Property for Common Use. The Association may acquire and hold for the use and benefit of all Members of the Association, tangible and intangible personal property and may dispose of the same by sale or otherwise, and the beneficial interest in any such property shall be owned by the Members of the Association and their interest therein shall not be transferable except that the interest of a Member who is an Owner shall be deemed to be transferred upon the transfer of the Member's Lot. A transfer of a Lot shall transfer to the transferee ownership of the transferor's beneficial interest in such personal property without any reference thereto or execution of a bill of sale. Each Owner may use such personal property in accordance with the purpose for which it is intended, without hindering or encroaching upon the lawful rights of the the other Owners. Sale of a Lot under foreclosure shall thereby entitle the purchase thereof to the beneficial interest in the personal property associated with the Lot.

ARTICLE VII

COVENANT FOR MAINTENANCE ASSESSMENT

Section 1. Creation of the Lien and Personal Obligation of Assessment. Declarant for each Lot owned by it within the Properties hereby covenants, and each Owner of any Lot by acceptance of the deed therefor, whether or not it shall be so expressed in acceptance of the deed therefor, shall be deemed to covenant and agree to pay to the Association annual assessments and special assessments for capital improvements. Such assessments shall be fixed, established and collected from time to time as hereinafter provided. The annual and special assessments, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall be a continuing lien upon the property against which each such assessment is made from the date hereinafter set forth. Each such assessment, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall also be a personal obligation of the person who is the owner of such property at the time when the assessment fell due. Such personal obligation shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, enjoyment and welfare of the residents in the Properties and in particular for the improvements and maintenance of property, services and facilities devoted to the purpose and related to the use and enjoyment of homes situated upon the Properties and any other purpose reasonable, necessary or incidental to such purposes.

Section 3. Basis of Annual Assessment. Unless changed by vote of the Membership, as hereinafter provided, the maximum annual assessment for any Lot owned by Class A Members on which is located in a single family detached dwelling shall be $250.00 per year. The assessment for Lots owned by Class A Members shall be at such assessment ratio as shall be determined by the Board of Directors for that particular development within six (6) months after its annexation to the Properties, having in mind the additional amenities furnished to the particular Lot not otherwise available to the Members. Such assessment ratio shall not thereafter be changed by the Board of Directors without approval of sixty-six percent (66%) of the Members.

The assessments shall be based upon the cash requirements deemed to be such aggregate sums as the Board of Directors of the Association shall from time to time determine is necessary to provide for the payment of all estimated expenses growing out of or connected with the maintenance and operation of the Green Area, which sum may include, but not limited to, any special assessments on the Common or Green Areas, insurance premiums for vandalism and malicious mischief, with endorsements attached, issued in the amount of the maximum replacement value of all of the Common Area improvements; casualty and public liability and other insurance premiums; landscaping and care of grounds; streets, lighting, repairs and renovations of Common Areas and Green Areas, wages, charges for water used by the Association, grounds maintenance, any expenses of providing security and protection for the Owners, legal and accounting fees, management fees,

expenses and liabilities incurred by the Board of Directors under or by reason of this Declaration, the payment of any deficit remaining for a previous period, the creation of a reasonable contingency or other reserve or surplus funds as well as any and all other costs and expenses necessary to carry out the terms and intent of this Declaration. The Association shall maintain an adequate reserve fond out of the annual assessments rather than by period assessment for the maintenance, repair and replacement of those elements of the Common Area and Green Areas that must be replaced on a periodic basis. The Board of Directors of the Association may after consideration of the current maintenance costs and the financial requirements of the Association fix the annual actual assessment at an amount less than the maximum. Such reserve fond shall not be used to construct or establish new capital improvements without an affirmative vote of one-half of each class of Members.

Any agreement for management of the Associations's business or any other contract for services by the Declarant must provide for termination by either party without cause or payment of a termination fee on thirty (30) days or less written notice and a maximum contract term of three (3) years.

The maximum annual assessment may be changed as follows:

A. From and after January 1, 1988, the maximum annual assessment may be increased each year not more than ten percent (10%) above the maximum assessment for the previous year without a vote of the Membership.

B. From and after January 1, 1988, the maximum annual assessment may be increased above ten percent (10%) by a vote of one-half (1/2) of each class of Members who are voting in person or by proxy, at a meeting duly called for this purpose.

C. The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. Upon vote of the Members of the Association in the manner hereinafter set forth, the Association may levy in addition to annual assessments a special assessment in any calendar year applicable to that year only, for the purpose of defraying in whole or in part the costs of construction or reconstruction or expected repair or replacement of a described capital improvement upon the Common Area or Green Area, including necessary fixtures and personal property related thereto, provided that, any such assessment shall have the assent of sixty percent (60%) of the votes of each class of Members who are voting in person, or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than thirty (30) days nor more that sixty (60) days in advance of the meeting setting forth the purpose of the meeting. The assessment ratio for any Lot, as determined pursuant to Section 3, shall be applicable to special assessment.

Section 5. Voting and Notices for Special Assessment and Change of Maximum Assessment. Written notice of any meeting of Members called to change the maximum annual assessment or to levy a special assessment shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the date of such meeting, setting forth the purpose of the meeting.

Section 6. Quorum for Action Authorized Under Section 4 and 5. The quorum required for any action authorized in Section 4 and 5 of this Article VI shall be as follows:

At the first meeting called, as provided in Section 4 and 5 hereof, the presence at the meeting of Members, or of proxies entitled to cast sixty percent (60%) of all votes of each class of Membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in Sections 4 and 5 and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessment. The initial annual assessments shall commence on the first day of such month as

determined by the Board of Directors of the Association, shall be made for the balance of the calendar year, and shall be due and payable on the date fixed by the Board. Annual assessments for any year after the first year shall become due and payable on or before February 1 of such year, and at the Board's discretion may be collected on a monthly basis.

The amount of the initial annual assessment for the first year in which assessments are made or for any property which becomes subject to assessments for the first time shall be prorated on a calendar year basis according to the date on which property first became subject to assessment.

The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

Section 8. Duty of the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

Section 9. The Effect of Non-payment of Assessments; Lien of Association. If an assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $20.00 and the assessment shall bear interest at the rate of ten percent (10%) per annum for such due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such Lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Common and Green Areas, specifying and itemizing the maintenance and repair expenses of the Common Areas and Green Areas and any other expenses incurred. Such records and the vouchers authorizing the

payments shall be available on request for examination by the Owners and others with an interest such as encumbrancers or prospective lenders.

Section 12. Protection of Mortgagees. First mortgagees of Lots may pay taxes or other charges or assessments which are in default and which may become a lien against the Common or Green Areas and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Common and Green Areas and the first mortgagees making such payments shall be owed immediately reimbursement therefore from the Association.

IN WITNESS WHEREOF, the undersigned being the Declarant herein has hereunto set its hand and seal as of the day and year first hereinabove set forth.

ARTICLE IV

MEMBERSHIP AND VOTING RIGHTS IN THE ASSOCIATION

Vol 8558 969

Section 1. Membership. Every person or entity who is a record owner of a fee or undivided fee interest in any Lot which is subject by covenants of record to assessment by the Association, including contract sellers, shall be a Member of the Association. The foregoing is not intended to include persons or entities who hold an interest merely as security for the performance of obligation. Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to assessment by the Association. Ownership of such Lot shall be the sole qualification for Membership. When more than one person holds a Membership interest in any Lot, all such persons shall be Members. The vote for such Lot shall be exercised as they among themselves determine, but in no event shall more than one (1) vote be cast with respect to any Lot.

Section 2. Voting Rights. There shall be two classes of voting Membership.

A. Class A Members will be all those Members other than Southcreek, Inc. Class A Members shall be entitled to one vote for each Lot in which they hold the interest required for Membership by Section 1. When Class B Membership has been converted to Class A Membership, all Directors of the Association shall be elected by the Class A Members.

B. The Class B Members shall be Southcreek, Inc. or its successors or assigns. Class B Members shall be entitled to four votes for each Lot owned by the Declarant or its successors or assigns, and shall be entitled to elect all Members of the Board of Directors of the Association. Class B Membership may cease and be converted to Class A Membership at the option of the Class B Member, its successors or assigns by its written notice to the Secretary of the Association, and shall cease and be converted to Class A Membership without further act or deed when the total votes outstanding in the Class A Membership equal the total votes outstanding in the Class B Membership.

C. As long as a Class B Membership exists, Associate Memberships in the Association will not be established by the Board of Directors of the Association without an affirmative vote of a majority of the Class A Members of the Association.

D. Should any builder own any lot which is the subject of these restrictions, that builder shall assign his voting rights to the developer. Said voting rights shall be voted as Class A Membership and not Class B Membership.

ARTICLE V

ADMINISTRATION AND MANAGEMENT

The administration of the Properties shall be governed by these covenants, the Articles of Incorporation, By-Laws, and published rules and regulations of the Association. As shown and reserved to Declarant in the Articles of Incorporation and By-Laws for the Association, the designation and appointment of the Board of Directors for the Association may, at Declarant's option, be exercised solely by the Declarant until the Class B Membership terminates.

ARTICLE VI

PROPERTY RIGHTS IN THE COMMON PROPERTIES

Section 1. Extent of Members' Easements. The rights and easements of enjoyment created hereby shall be subject to the following:

A. The right of the Association to limit the number of guests of Members.

B. The rights of the Declarant and of the Association, in accordance with its Articles and By-Laws, to borrow money for the purpose of improving the Green Area and with written consent of the Members entitled to vote seventy-five percent (75%) the votes of each class of Membership to mortgage said Common Areas and Green Areas as security for any such loan.

H 8659ñ 970

C. The right of the Association to promulgate and publish rules and regulations which each Member shall strictly comply with.

Section 2. Personal Property for Common Use. The Association may acquire and hold for the use and benefit of all Members of the Association, tangible and intangible personal property and may dispose of the same by sale or otherwise, and the beneficial interest in any such property shall be owned by the Members of the Association and their interest therein shall not be transferable except that the interest of a Member who is an Owner shall be deemed to be transferred upon the transfer of the Member's Lot. A transfer of a Lot shall transfer to the transferee ownership of the transferor's beneficial interest in such personal property without any reference thereto or execution of a bill of sale. Each Owner may use such personal property in accordance with the purpose for which it is intended, without hindering or encroaching upon the lawful rights of the the other Owners. Sale of a Lot under foreclosure shall thereby entitle the purchase thereof to the beneficial interest in the personal property associated with the Lot.

ARTICLE VII

COVENANT FOR MAINTENANCE ASSESSMENT

Section 1. Creation of the Lien and Personal Obligation of Assessment. Declarant for each Lot owned by it within the Properties hereby covenants, and each Owner of any Lot by acceptance of the deed therefor, whether or not it shall be so expressed in acceptance of the deed therefor, shall be deemed to covenant and agree to pay to the Association annual assessments and special assessments for capital improvements. Such assessments shall be fixed, established and collected from time to time as hereinafter provided. The annual and special assessments, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall be a continuing lien upon the property against which each such assessment is made from the date hereinafter set forth. Each such assessment, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall also be a personal obligation of the person who is the Owner of such property at the time when the assessment fell due. Such personal obligation shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, enjoyment and welfare of the residents in the Properties and in particular for the improvements and maintenance of property, services and facilities devoted to the purpose and related to the use and enjoyment of homes situated upon the Properties and any other purpose reasonable, necessary or incidental to such purposes.

Section 3. Basis of Annual Assessment. Unless changed by vote of the Membership, as hereinafter provided, the maximum annual assessment for any Lot owned by Class A Members on which is located a single family detached dwelling shall be $250.00 per year. The assessment for Lots owned by Class A Members shall be at such assessment ratio as shall be determined by the Board of Directors for that particular development within six (6) months after its annexation to the Properties, having in mind the additional amenities furnished to the particular Lot not otherwise available to the Members. Such assessment ratio shall not thereafter be changed by the Board of Directors without approval of sixty-six percent (66%) of the Members.

The assessments shall be based upon the cash requirements deemed to be such aggregate sums as the Board of Directors of the Association shall from time to time determine is necessary to provide for the payment of all estimated expenses growing out of or connected with the maintenance and operation of the Green Area, which sum may include, but not limited to, any special assessments on the Common or Green Areas, insurance premiums for vandalism and malicious mischief, with endorsements attached, issued in the amount of the maximum replacement value of all of the Common Area improvements; casualty and public liability and other insurance premiums; landscaping and care of grounds; streets, lighting, repairs and renovations of Common Areas and Green Areas, wages, charges for water used by the Association, grounds maintenance, any expenses of providing security and protection for the Owners, legal and accounting fees, management fees,

expenses and liabilities incurred by the Board of Directors under or by reason of this Declaration, the payment of any deficit remaining for a previous period, the creation of a reasonable contingency or other reserve or surplus funds as well as any and all other costs and expenses necessary to carry out the terms and intent of this Declaration. The Association shall maintain an adequate reserve fund out of the annual assessments rather than by period assessment for the maintenance, repair and replacement of those elements of the Common Area and Green Areas that must be replaced on a periodic basis. The Board of Directors of the Association may after consideration of the current maintenance costs and the financial requirements of the Association fix the annual actual assessment at an amount less than the maximum. Such reserve fund shall not be used to construct or establish new capital improvements without an affirmative vote of one-half of each class of Members.

Any agreement for management of the Associations's business or any other contract for services by the Declarant must provide for termination by either party without cause or payment of a termination fee on thirty (30) days or less written notice and a maximum contract term of three (3) years.

The maximum annual assessment may be changed as follows:

A. From and after January 1, 1988, the maximum annual assessment may be increased each year not more than ten percent (10%) above the maximum assessment for the previous year without a vote of the Membership.

B. From and after January 1, 1988, the maximum annual assessment may be increased above ten percent (10%) by a vote of one-half (1/2) of each class of Members who are voting in person or by proxy, at a meeting duly called for this purpose.

C. The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. Upon vote of the Members of the Association in the manner hereinafter set forth, the Association may levy in addition to annual assessments a special assessment in any calendar year applicable to that year only, for the purpose of defraying in whole or in part the costs of construction or reconstruction or expected repair or replacement of a described capital improvement upon the Common Area or Green Area, including necessary fixtures and personal property related thereto, provided that, any such assessment shall have the assent of sixty percent (60%) of the votes of each class of Members who are voting in person, or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting setting forth the purpose of the meeting. The assessment ratio for any Lot, as determined pursuant to Section 3, shall be applicable to special assessments.

Section 5. Voting and Notices for Special Assessment and Change of Maximum Assessment. Written notice of any meeting of Members called to change the maximum annual assessment or to levy a special assessment shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the date of such meeting, setting forth the purpose of the meeting.

Section 6. Quorum for Action Authorized Under Section 4 and 5. The quorum required for any action authorized in Section 4 and 5 of this Article VI shall be as follows:

At the first meeting called, as provided in Section 4 and 5 hereof, the presence at the meeting of Members, or of proxies entitled to cast sixty percent (60%) of all votes of each class of Membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in Sections 4 and 5 and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessment. The initial annual assessments shall commence on the first day of such month as

N 8659E 972

determined by the Board of Directors of the Association, shall be made for the balance of the calendar year, and shall be due and payable on the date fixed by the Board. Annual assessments for any year after the first year shall become due and payable on or before February 1 of such year, and at the Board's discretion may be collected on a monthly basis.

The amount of the initial annual assessment for the first year in which assessments are made or for any property which becomes subject to assessments for the first time shall be prorated on a calendar year basis according to the date on which property first became subject to assessment.

The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

Section 8. Duty of the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

Section 9. The Effect of Non-payment of Assessments; Lien of Association. If an assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $20.00 and the assessment shall bear interest at the rate of ten percent (10%) per annum for such due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such Lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Common and Green Areas, specifying and itemizing the maintenance and repair expenses of the Common Areas and Green Areas and any other expenses incurred. Such records and the vouchers authorizing the

payments shall be available on request for examination by the Owners and others with an interest such as encumbrancers or prospective lenders.

Section 12. Protection of Mortgagees. First mortgagees of Lots may pay taxes or other charges or assessments which are in default and which may become a lien against the Common or Green Areas and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Common and Green Areas and the first mortgagees making such payments shall be owed immediately reimbursement therefore from the Association.

IN WITNESS WHEREOF, the undersigned being the Declarant herein has hereunto set its hand and seal as of the day and year first hereinabove set forth.

II. ADDITIONAL RESTRICTIONS

A. Owners hereby ratify and confirm the existing Restrictive Covenants previously filed and hereby impress the following restrictions upon their Lot in addition to the Restrictive Covenants already filed:

1. Keeping of Vehicles on Property. The keeping of mobile homes, with or without wheels, on the Lot is expressly prohibited. Motor boats, house boats, and similar water-borne vehicles or travel trailers may be maintained, stored, or kept on the Lot provided the same are housed completely within a structure or enclosure which has been approved architecturally by the Architectural Control Committee. All vehicles belonging to Owners, or guests of Owners, must be parked overnight in the Owners' driveway or in the above-mentioned enclosure. The foregoing is not intended to include persons or entities who hold an interest merely as security for the performance of obligation. Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to assessment by the Association. Ownership of such Lot shall be the sole qualification for Membership. When more than one person holds a Membership interest in any Lot, all such persons shall be Members. D. Should any builder own any lot which is the subject of these restrictions, that builder shall assign his voting rights to the developer. Said voting rights shall be voted as Class A Membership and not Class B Membership.

ARTICLE V

A transfer of a Lot shall transfer to the transferee ownership of the transferor's beneficial interest in such personal property without any reference thereto or execution of a bill of sale. Each Owner may use such personal property in accordance with the purpose for which it is intended, without hindering or encroaching upon the lawful rights of the the other Owners. Sale of a Lot under foreclosure shall thereby entitle the purchase thereof to the beneficial interest in the personal property associated with the Lot.

ARTICLE VII

Section 1. Creation of the Lien and Personal Obligation of Assessment. Declarant for each Lot owned by it within the Properties hereby covenants, and each Owner of any Lot by acceptance of the deed therefor, whether or not it shall be so expressed in acceptance of the deed therefor, shall be deemed to covenant and agree to pay to the Association annual assessments and special assessments for capital improvements. Such assessments shall be fixed, established and collected from time to time as hereinafter provided. The annual and special assessments, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall be a continuing lien upon the property against which each such assessment is made from the date hereinafter set forth. Each such assessment, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall also be a personal obligation of the person who is the Owner of such property at the time when the assessment fell due. Such personal obligation shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by; the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, enjoyment and welfare of the residents in the Properties and in particular for the improvements and maintenance of property, services and facilities devoted to the purpose and related to the use and enjoyment of homes situated upon the Properties and any other purpose reasonable, necessary or incidental to such purposes.

Section 3. Basis of Annual Assessment. Unless changed by vote of the Membership, as hereinafter provided, the maximum annual assessment for any Lot owned by Class A Members on which is located in a single family detached dwelling shall be $250.00 per year. The assessment for Lots owned by Class A Members shall be at such assessment ratio as shall be determined by the Board of Directors for that particular development within six (6) months after its annexation to the Properties, having in mind the additional amenities furnished to the particular Lot not otherwise available to the Members. Such assessment ratio shall not thereafter be changed by the Board of Directors without approval of sixty-six percent (66%) of the Members.

The assessments shall be based upon the cash requirements deemed to be such aggregate sums as the Board of Directors of the Association shall from time to time determine is necessary to provide for the payment of all estimated expenses growing out of or connected with the maintenance and operation of the Green Area, which sum may include, but not limited to, any special assessments on the Common or Green Areas, insurance premiums for vandalism and malicious mischief, with endorsements attached, issued in the amount of the maximum replacement value of all of the Common Area improvements; casualty and public liability and other insurance premiums; landscaping and care of grounds; streets, lighting, repairs and renovations of Common Areas and Green Areas, wages, charges for water used by the Association, grounds maintenance, any expenses of providing security and protection for the Owners, legal and accounting fees, management fees,

The Association shall maintain an adequate reserve fund out of the annual assessments rather than by period assessment for the maintenance, repair and replacement of those elements of the Common Area and Green Areas that must be replaced on a periodic basis. The Board of Directors of the Association may after consideration of the current maintenance costs and the financial requirements of the Association fix the annual actual assessment at an amount less than the maximum. Such reserve fund shall not be used to construct or establish new capital improvements without an affirmative vote of one-half of each class of Members.

Any agreement for management of the Associations's business or any other contract for services by the Declarant must provide for termination by either party without cause or payment of a termination fee on thirty (30) days or less written notice and a maximum contract term of three (3) years.

The maximum annual assessment may be changed as follows:

A. From and after January 1, 1988, the maximum annual assessment may be increased each year not more than ten percent (10%) above the maximum assessment for the previous year without a vote of the Membership.

B. From and after January 1, 1988, the maximum annual assessment may be increased above ten percent (10%) by a vote of one-half (1/2) of each class of Members who are voting in person or by proxy, at a meeting duly called for this purpose.

C. The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. Upon vote of the Members of the Association in the manner hereinafter set forth, the Association may levy in addition to annual assessments a special assessment in any calendar year applicable to that year only, for the purpose of defraying in whole or in part the costs of construction or reconstruction or expected repair or replacement of a described capital improvement upon the Common Area or Green Area, including necessary fixtures and personal property related thereto, provided that, any such assessment shall have the assent of sixty percent (60%) of the votes of each class of Members who are voting in person, or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than thirty (30) days nor more that sixty (60) days in advance of the meeting setting forth the purpose of the meeting. The assessment ratio for any Lot, as determined pursuant to Section 3, shall be applicable to special assessment.

Section 5. Voting and Notices for Special Assessment and Change of Maximum Assessment. Written notice of any meeting of Members called to change the maximum annual assessment or to levy a special assessment shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the date of such meeting, setting forth the purpose of the meeting.

Section 6. Quorum for Action Authorized Under Section 4 and 5. The quorum required for any action authorized in Section 4 and 5 of this Article VI shall be as follows:

At the first meeting called, as provided in Section 4 and 5 hereof, the presence at the meeting of Members, or of proxies entitled to cast sixty percent (60%) of all votes of each class of Membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in Sections 4 and 5 and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

M 86596 964

determined by the Board of Directors of the Association, shall be made for the balance of the calendar year, and shall be due and payable on the date fixed by the Board. Annual assessments for any year after the first year shall become due and payable on or before February 1 of such year, and at the Board's discretion may be collected on a monthly basis.

The amount of the initial annual assessment for the first year in which assessments are made or for any property which becomes subject to assessments for the first time shall be prorated on a calendar year basis according to the date on which property first became subject to assessment.

The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

Section 8. Duty of the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

Section 9. The Effect of Non-payment of Assessments; Lien of Association. If an assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $20.00 and the assessment shall bear interest at the rate of ten percent (10%) per annum for such due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such Lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Common and Green Areas, specifying and itemizing the maintenance and repair expenses of the Common Areas and Green Areas and any other expenses incurred. Such records and the vouchers authorizing the

payments shall be available on request for examination by the Owners and others with an interest such as encumbrancers or prospective lenders.

Section 12. Protection of Mortgagees. First mortgagees of Lots may pay taxes or other charges or assessments which are in default and which may become a lien against the Common or Green Areas and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Common and Green Areas and the first mortgagees making such payments shall be owed immediately reimbursement therefore from the Association.

The assessments shall be based upon the cash requirements deemed to be such aggregate sums as the Board of Directors of the Association shall from time to time determine is necessary to provide for the payment of all estimated expenses growing out of or connected with the maintenance and operation of the Green Area, which sum may include, but not limited to, any special assessments on the Common or Green Areas, insurance premiums for vandalism and malicious mischief, with endorsements attached, issued in the amount of the maximum replacement value of all of the Common Area improvements; casualty and public liability and other insurance premiums; landscaping and care of grounds; streets, lighting, repairs and renovations of Common Areas and Green Areas, wages, charges for water used by the Association, grounds maintenance, any expenses of providing security and protection for the Owners, legal and accounting fees, management fees,

expenses and liabilities incurred by the Board of Directors under or by reason of this Declaration, the payment of any deficit remaining for a previous period, the creation of a reasonable contingency or other reserve or surplus funds as well as any and all other costs and expenses necessary to carry out the terms and intent of this Declaration. The Association shall maintain an adequate reserve fund out of the annual assessments rather than by period assessment for the maintenance, repair and replacement of those elements of the Common Area and Green Areas that must be replaced on a periodic basis. The Board of Directors of the Association may after consideration of the current maintenance costs and the financial requirements of the Association fix the annual actual assessment at an amount less than the maximum. Such reserve fund shall not be used to construct or establish new capital improvements without an affirmative vote of one-half of each class of Members.

Any agreement for management of the Associations's business or any other contract for services by the Declarant must provide for termination by either party without cause or payment of a termination fee on thirty (30) days or less written notice and a maximum contract term of three (3) years.

The maximum annual assessment may be changed as follows:

A. From and after January 1, 1988, the maximum annual assessment may be increased each year not more than ten percent (10%) above the maximum assessment for the previous year without a vote of the Membership.

B. From and after January 1, 1988, the maximum annual assessment may be increased above ten percent (10%) by a vote of one-half (1/2) of each class of Members who are voting in person or by proxy, at a meeting duly called for this purpose.

C. The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. Upon vote of the Members of the Association in the manner hereinafter set forth, the Association may levy in addition to annual assessments a special assessment in any calendar year applicable to that year only, for the purpose of defraying in whole or in part the costs of construction or reconstruction or expected repair or replacement of a described capital improvement upon the Common Area or Green Area, including necessary fixtures and personal property related thereto, provided that, any such assessment shall have the assent of sixty percent (60%) of the votes of each class of Members who are voting in person, or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than thirty (30) days nor more that sixty (60) days in advance of the meeting setting forth the purpose of the meeting. The assessment ratio for any Lot, as determined pursuant to Section 3, shall be applicable to special assessment.

Section 5. Voting and Notices for Special Assessment and Change of Maximum Assessment. Written notice of any meeting of Members called to change the maximum annual assessment or to levy a special assessment shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the date of such meeting, setting forth the purpose of the meeting.

Section 6. Quorum for Action Authorized Under Section 4 and 5. The quorum required for any action authorized in Section 4 and 5 of this Article VI shall be as follows:

At the first meeting called, as provided in Section 4 and 5 hereof, the presence at the meeting of Members, or of proxies entitled to cast sixty percent (60%) of all votes of each class of Membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in Sections 4 and 5 and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessment. The initial annual assessments shall commence on the first day of such month as

determined by the Board of Directors of the Association, shall be made for the balance of the calendar year, and shall be due and payable on the date fixed by the Board. Annual assessments for any year after the first year shall become due and payable on or before February 1 of such year, and at the Board's discretion may be collected on a monthly basis.

The amount of the initial annual assessment for the first year in which assessments are made or for any property which becomes subject to assessments for the first time shall be prorated on a calendar year basis according to the date on which property first become subject to assessment.

The due-date of any special assessment shall be fixed in the resolution authorizing such assessment.

Section 8. Duty of the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

Section 9. The Effect of Non-payment of Assessments; Lien of Association. If an assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $20.00 and the assessment shall bear interest at the rate of ten percent (10%) per annum for such due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such Lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Common and Green Areas, specifying and itemizing the maintenance and repair expenses of the Common Areas and Green Areas and any other expenses incurred. Such records and the vouchers authorizing the

payments shall be available on request for examination by the Owners and others with an interest such as encumbrancers or prospective lenders.

Section 12. Protection of Mortgagees. First mortgagees of Lots may pay taxes or other charges or assessments which are in default and which may become a lien against the Common or Green Areas and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Common and Green Areas and the first mortgagees making such payments shall be owed immediately reimbursement therefore from the Association.

IN WITNESS WHEREOF, the undersigned being the Declarant herein has hereunto set its hand and seal as of the day and year first hereinabove set forth.

ARTICLE IV

MEMBERSHIP AND VOTING RIGHTS IN THE ASSOCIATION

VL 8659R 945

Section 1. Membership. Every person or entity who is a record owner of a fee or undivided fee interest in any Lot which is subject by covenants of record to assessment by the Association, including contract sellers, shall be a Member of the Association. The foregoing is not intended to include persons or entities who hold an interest merely as security for the performance of obligation. Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to assessment by the Association. Ownership of such Lot shall be the sole qualification for Membership. When more than one person holds a Membership interest in any Lot, all such persons shall be Members. The vote for such Lot shall be exercised as they among themselves determine, but in no event shall more than one (1) vote be cast with respect to any Lot.

Section 2. Voting Rights. There shall be two classes of voting Membership.

A. Class A Members will be all those Members other than Southcreek, Inc. Class A Members shall be entitled to one vote for each Lot in which they hold the interest required for Membership by Section 1. When Class B Membership has been coverted to Class A Membership, all Directors of the Association shall be elected by the Class A Members.

B. The Class B Members shall be Southcreek, Inc. or its successors or assigns. Class B Members shall be entitled to four votes for each Lot owned by the Declarant or its successors or assigns, and shall be entitled to elect all Members of the Board of Directors of the Association. Class B Membership may cease and be converted to Class A Membership at the option of the Class B Member, its successors or assigns by its written notice to the Secretary of the Association, and shall cease and be converted to Class A Membership without further act or deed when the total votes outstanding in the Class A Membership equal the total votes outstanding in the Class B Membership.

C. As long as a Class B Membership exists, Associate Memberships in the Association will not be established by the Board of Directors of the Association without an affirmative vote of a majority of the Class A Members of the Association.

D. Should any builder own any lot which is the subject of these restrictions, that builder shall assign his voting rights to the developer. Said voting rights shall be voted as Class A Membership and not Class B Membership.

ARTICLE V

ADMINISTRATION AND MANAGEMENT

The administration of the Properties shall be governed by these covenants, the Articles of Incorporation, By-Laws, and published rules and regulations of the Association. As shown and reserved to Declarant in the Articles of Incorporation and By-Laws for the Association, the designation and appointment of the Board of Directors for the Association may, at Declarant's option, be exercised solely by the Declarant until the Class B Membership terminates.

Section 1. Extent of Members' Easements. The rights and easements of enjoyment created hereby shall be subject to the following:

A. The right of the Association to limit the number of guests of Members.

B. The rights of the Declarant and of the Association, in accordance with its Articles and By-Laws, to borrow money for the purpose of improving the Green Area and with written consent of the Members entitled to vote seventy-five percent (75%) the votes of each class of Membership to mortgage said Common Areas and Green Areas as security for any such loan.

C. The right of the Association to promulgate and publish rules and regulations which each Member shall strictly comply with.

Section 2. Personal Property for Common Use. The Association may acquire and hold for the use and benefit of all Members of the Association, tangible and intangible personal property and may dispose of the same by sale or otherwise, and the beneficial interest in any such property shall be owned by the Members of the Association and their interest therein shall not be transferable except that the interest of a Member who is an Owner shall be deemed to be transferred upon the transfer of the Member's Lot. A transfer of a Lot shall transfer to the transferee ownership of the transferor's beneficial interest in such personal property without any reference thereto or execution of a bill of sale. Each Owner may use such personal property in accordance with the purpose for which it is intended, without hindering or encroaching upon the lawful rights of the the other Owners. Sale of a Lot under foreclosure shall thereby entitle the purchase thereof to the beneficial interest in the personal property associated with the Lot.

ARTICLE VII

COVENANT FOR MAINTENANCE ASSESSMENT

Section 1. Creation of the Lien and Personal Obligation of Assessment. Declarant for each Lot owned by it within the Properties hereby covenants, and each Owner of any Lot by acceptance of the deed therefor, whether or not it shall be so expressed in acceptance of the deed therefor, shall be deemed to covenant and agree to pay to the Association annual assessments and special assessments for capital improvements. Such assessments shall be fixed, established and collected from time to time as hereinafter provided. The annual and special assessments, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall be a continuing lien upon the property against which each such assessment is made from the date hereinafter set forth. Each such assessment, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall also be a personal obligation of the person who is the Owner of such property at the time when the assessment fell due. Such personal obligation shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, enjoyment and welfare of the residents in the Properties and in particular for the improvements and maintenance of property, services and facilities devoted to the purpose and related to the use and enjoyment of homes situated upon the Properties and any other purpose reasonable, necessary or incidental to such purposes.

Section 3. Basis of Annual Assessment. Unless changed by vote of the Membership, as hereinafter provided, the maximum annual assessment for any Lot owned by Class A Members on which is located in a single family detached dwelling shall be $250.00 per year. The assessment for Lots owned by Class A Members shall be at such assessment ratio as shall be determined by the Board of Directors for that particular development within six (6) months after its annexation to the Properties, having in mind the additional amenities furnished to the particular Lot not otherwise available to the Members. Such assessment ratio shall not thereafter be changed by the Board of Directors without approval of sixty-six percent (66%) of the Members.

The assessments shall be based upon the cash requirements deemed to be such aggregate sums as the Board of Directors of the Association shall from time to time determine is necessary to provide for the payment of all estimated expenses growing out of or connected with the maintenance and operation of the Green Area, which sum may include, but not limited to, any special assessments on the Common or Green Areas, insurance premiums for vandalism and malicious mischief, with endorsements attached, issued in the amount of the maximum replacement value of all of the Common Area improvements; casualty and public liability and other insurance premiums; landscaping and care of grounds; streets, lighting, repairs and renovations of Common Areas and Green Areas, wages, charges for water used by the Association, grounds maintenance, any expenses of providing security and protection for the Owners, legal and accounting fees, management fees,

K 8658 947

expenses and liabilities incurred by the Board of Directors under or by reason of this Declaration, the payment of any deficit remaining for a previous period, the creation of a reasonable contingency or other reserve or surplus funds as well as any and all other costs and expenses necessary to carry out the terms and intent of this Declaration. The Association shall maintain an adequate reserve fund out of the annual assessments rather than by period assessment for the maintenance, repair and replacement of those elements of the Common Area and Green Areas that must be replaced on a periodic basis. The Board of Directors of the Association may after consideration of the current maintenance costs and the financial requirements of the Association fix the annual actual assessment at an amount less than the maximum. Such reserve fund shall not be used to construct or establish new capital improvements without an affirmative vote of one-half of each class of Members.

Any agreement for management of the Associations's business or any other contract for services by the Declarant must provide for termination by either party without cause or payment of a termination fee on thirty (30) days or less written notice and a maximum contract term of three (3) years.

The maximum annual assessment may be changed as follows:

A. From and after January 1, 1988, the maximum annual assessment may be increased each year not more than ten percent (10%) above the maximum assessment for the previous year without a vote of the Membership.

B. From and after January 1, 1988, the maximum annual assessment may be increased above ten percent (10%) by a vote of one-half (1/2) of each class of Members who are voting in person or by proxy, at a meeting duly called for this purpose.

C. The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. Upon vote of the Members of the Association in the manner hereinafter set forth, the Association may levy in addition to annual assessments a special assessment in any calendar year applicable to that year only, for the purpose of defraying in whole or in part the costs of construction or reconstruction or expected repair or replacement of a described capital improvement upon the Common Area or Green Area, including necessary fixtures and personal property related thereto, provided that, any such assessment shall have the assent of sixty percent (60%) of the votes of each class of Members who are voting in person, or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting setting forth the purpose of the meeting. The assessment ratio for any Lot, as determined pursuant to Section 3, shall be applicable to special assessment.

Section 5. Voting and Notices for Special Assessment and Change of Maximum Assessment. Written notice of any meeting of Members called to change the maximum annual assessment or to levy a special assessment shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the date of such meeting, setting forth the purpose of the meeting.

Section 6. Quorum for Action Authorized Under Section 4 and 5. The quorum required for any action authorized in Section 4 and 5 of this Article VI shall be as follows:

At the first meeting called, as provided in Section 4 and 5 hereof, the presence at the meeting of Members, or of proxies entitled to cast sixty percent (60%) of all votes of each class of Membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in Sections 4 and 5 and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessment. The initial annual assessments shall commence on the first day of such month as

R 8659R 948

determined by the Board of Directors of the Association, shall be made for the balance of the calendar year, and shall be due and payable on the date fixed by the Board. Annual assessments for any year after the first year shall become due and payable on or before February 1 of such year, and at the Board's discretion may be collected on a monthly basis.

The amount of the initial annual assessment for the first year in which assessments are made or for any property which becomes subject to assessments for the first time shall be prorated on a calendar year basis according to the date on which property first became subject to assessment.

The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

Section 8. Duty of the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

Section 9. The Effect of Non-payment of Assessments; Lien of Association. If an assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $20.00 and the assessment shall bear interest at the rate of ten percent (10%) per annum for such due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on each Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such Lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Common and Green Areas, specifying and itemizing the maintenance and repair expenses of the Common Areas and Green Areas and any other expenses incurred. Such records and the vouchers authorizing the

payments shall be available on request for examination by the Owners and others with an interest such as encumbrancers or prospective lenders.

Section 12. Protection of Mortgagees. First mortgagees of Lots may pay taxes or other charges or assessments which are in default and which may become a lien against the Common or Green Areas and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Common and Green Areas and the first mortgagees making such payments shall be owed immediately reimbursement therefore from the Association.

IN WITNESS WHEREOF, the undersigned being the Declarant herein has hereunto set its hand and seal as of the day and year first hereinabove set forth.

SUBJECTING ADDITIONAL PROPERTY TO THIS DECLARATION

Section 1. Additions to the Properties. At any time before December 31, 1988, Declarant, its successors and assigns, in future stages of development, shall have the right to annex to and bring within the scheme of this Declaration additional properties which are located within the Villages of Woodland Hills.

Section 2. Method of Making Additions. Additions authorized under this Article shall be made by filing for record a Supplemental Declaration of covenants and restrictions with respect to the additional property. Such Supplemental Declaration may contain such additions and modifications of the covenants and restrictions contained in this Declaration as may be necessary to reflect the different character of the added properties in the sole discretion of Declarant. In no event, however, shall such Supplemental Declaration revoke, modify or add to the covenants established by this Declaration with respect to the Properties subject to this Declaration just prior to such Supplemental Declaration being filed for record.

Section 3. Additions by Others. So long as Declarant is a Class B Member, additions may be made by any other owner of property who with the approval of the Board of Directors of the Association desires to add such property located within the boundaries described in Section 1 of this Article II to the scheme of this Declaration and to subject it to the jurisdiction of the Association. When Declarant ceases to be a Class B Member, such additions may be made upon approval of the Association pursuant to a vote of its Members, as provided in its Articles of Incorporation. Such approval by the Board of Directors of Membership shall be evidenced by a certified copy of such resolution of approval recorded in Tarrant County, Texas.

All vehicles belonging to occupants must be parked overnight in the occupant's driveway or in the above mentioned enclosure. In no case may the occupant's vehicles be parked overnight on the streets of the subdivision or within the improved yard of the occupant.

Section 2. Yard Care. As soon as the growing season reasonably permits, the grounds around all living units shall be seeded, sodded or otherwise planted by the Owner thereof with grass or other ground cover or plantings and maintained in a clean and attractive manner free of dust and weeds. All fences on Lots shall be maintained in good repair and in a clean and attractive manner.

ARTICLE IV

MEMBERSHIP AND VOTING RIGHTS IN THE ASSOCIATION

Section 1. Membership. Every person or entity who is a record owner of a fee or undivided fee interest in any Lot which is subject by covenants of record to assessment by the Association, including contract sellers, shall be a Member of the Association. The foregoing is not intended to include persons or entities who hold an interest merely as security for the performance of obligation. Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to assessment by the Association. Ownership of such Lot shall be the sole qualification for Membership. When more than one person holds a Membership interest in any Lot, all such persons shall be Members. The vote for such Lot shall be exercised as they among themselves determine, but in no event shall more than one (1) vote be cast with respect to any Lot.

Section 2. Voting Rights. There shall be two classes of voting Membership.

A. Class A Members will be all those Members other than Southcreek, Inc. Class A Members shall be entitled to one vote for each Lot in which they hold the interest required for Membership by Section 1. When Class B Membership has been converted to Class A Membership, all Directors of the Association shall be elected by the Class A Members.

B. The Class B Members shall be Southcreek, Inc. or its successors or assigns. Class B Members shall be entitled to four votes for each Lot owned by the Declarant or its successors or assigns, and shall be entitled to elect all Members of the Board of Directors of the Association. Class B Membership may cease and be converted to Class A Membership at the option of the Class B Member, its successors or assigns by its written notice to the Secretary of the Association, and shall cease and be converted to Class A Membership without further act or deed when the total votes outstanding in the Class A Membership equal the total votes outstanding in the Class B Membership.

C. As long as a Class B Membership exists, Associate Memberships in the Association will not be established by the Board of Directors of the Association without an affirmative vote of a majority of the Class A Members of the Association.

D. Should any builder own any lot which is the subject of these restrictions, that builder shall assign his voting rights to the developer. Said voting rights shall be voted as Class A Membership and not Class B Membership.

ARTICLE V

ADMINISTRATION AND MANAGEMENT

The administration of the Properties shall be governed by these covenants, the Articles of Incorporation, By-Laws, and published rules and regulations of the Association. As shown and reserved to Declarant in the Articles of Incorporation and By-Laws for the Association, the designation and appointment of the Board of Directors for the Association may, at Declarant's option, be exercised solely by the Declarant until the Class B Membership terminates.

ARTICLE VI

PROPERTY RIGHTS IN THE COMMON PROPERTIES

Section 1. Extent of Members' Easements. The rights and easements of enjoyment created hereby shall be subject to the following:

A. The right of the Association to limit the number of guests of Members.

B. The rights of the Declarant and of the Association, in accordance with its Articles and By-Laws, to borrow money for the purpose of improving the Green Area and with written consent of the Members entitled to vote seventy-five percent (75%) the votes of each class of Membership to mortgage said Common Areas and Green Areas as security for any such loan.

C. The right of the Association to promulgate and publish rules and regulations which each Member shall strictly comply with.

Section 2. Personal Property for Common Use. The Association may acquire and hold for the use and benefit of all Members of the Association, tangible and intangible personal property and may dispose of the same by sale or otherwise, and the beneficial interest in any such property shall be owned by the Members of the Association and their interest therein shall not be transferable except that the interest of a Member who is an Owner shall be deemed to be transferred upon the transfer of the Member's Lot. A transfer of a Lot shall transfer to the transferee ownership of the transferor's beneficial interest in such personal property without any reference thereto or execution of a bill of sale. Each Owner may use such personal property in accordance with the purpose for which it is intended, without hindering or encroaching upon the lawful rights of the the other Owners. Sale of a Lot under foreclosure shall thereby entitle the purchase thereof to the beneficial interest in the personal property associated with the Lot.

ARTICLE VII

COVENANT FOR MAINTENANCE ASSESSMENT

Section 1. Creation of the Lien and Personal Obligation of Assessment. Declarant for each Lot owned by it within the Properties hereby covenants, and each Owner of any Lot by acceptance of the deed therefor, whether or not it shall be so expressed in acceptance of the deed therefor, shall be deemed to covenant and agree to pay to the Association annual assessments and special assessments for capital improvements. Such assessments shall be fixed, established and collected from time to time as hereinafter provided. The annual and special assessments, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall be a continuing lien upon the property against which each such assessment is made from the date hereinafter set forth. Each such assessment, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall also be a personal obligation of the person who is the Owner of such property at the time when the assessment fell due. Such personal obligation shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, enjoyment and welfare of the residents in the Properties and in particular for the improvements and maintenance of property, services and facilities devoted to the purpose and related to the use and enjoyment of homes situated upon the Properties and any other purpose reasonable, necessary or incidental to such purposes.

Section 3. Basis of Annual Assessment. Unless changed by vote of the Membership, as hereinafter provided, the maximum annual assessment for any Lot owned by Class A Members on which is located in a single family detached dwelling shall be $250.00 per year. The assessment for Lots owned by Class A Members shall be at such assessment ratio as shall be determined by the Board of Directors for that particular development within six (6) months after its annexation to the Properties, having in mind the additional amenities furnished to the particular Lot not otherwise available to the Members. Such assessment ratio shall not thereafter be changed by the Board of Directors without approval of sixty-six percent (66%) of the Members.

The assessments shall be based upon the cash requirements deemed to be such aggregate sums as the Board of Directors of the Association shall from time to time determine is necessary to provide for the payment of all estimated expenses growing out of or connected with the maintenance and operation of the Green Area, which sum may include, but not limited to, any special assessments on the Common or Green Areas, insurance premiums for vandalism and malicious mischief, with endorsements attached, issued in the amount of the maximum replacement value of all of the Common Area improvements; casualty and public liability and other insurance premiums; landscaping and care of grounds; streets, lighting, repairs and renovations of Common Areas and Green Areas, wages, charges for water used by the Association, grounds maintenance, any expenses of providing security and protection for the Owners, legal and accounting fees, management fees,

expenses and liabilities incurred by the Board of Directors under or by reason of this Declaration, the payment of any deficit remaining for a previous period, the creation of a reasonable contingency or other reserve or surplus funds as well as any and all other costs and expenses necessary to carry out the terms and intent of this Declaration. The Association shall maintain an adequate reserve fund out of the annual assessments rather than by period assessment for the maintenance, repair and replacement of those elements of the Common Area and Green Areas that must be replaced on a periodic basis. The Board of Directors of the Association may after consideration of the current maintenance costs and the financial requirements of the Association fix the annual actual assessment at an amount less than the maximum. Such reserve fund shall not be used to construct or establish new capital improvements without an affirmative vote of one-half of each class of Members.

Any agreement for management of the Associations's business or any other contract for services by the Declarant must provide for termination by either party without cause or payment of a termination fee on thirty (30) days or less written notice and a maximum contract term of three (3) years.

The maximum annual assessment may be changed as follows:

A. From and after January 1, 1988, the maximum annual assessment may be increased each year not more than ten percent (10%) above the maximum assessment for the previous year without a vote of the Membership.

B. From and after January 1, 1988, the maximum annual assessment may be increased above ten percent (10%) by a vote of one-half (1/2) of each class of Members who are voting in person or by proxy, at a meeting duly called for this purpose.

C. The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. Upon vote of the Members of the Association in the manner hereinafter set forth, the Association may levy in addition to annual assessments a special assessment in any calendar year applicable to that year only, for the purpose of defraying in whole or in part the costs of construction or reconstruction or expected repair or replacement of a described capital improvement upon the Common Area or Green Area, including necessary fixtures and personal property related thereto, provided that, any such assessment shall have the assent of sixty percent (60%) of the votes of each class of Members who are voting in person, or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting setting forth the purpose of the meeting. The assessment ratio for any Lot, as determined pursuant to Section 3, shall be applicable to special assessment.

Section 5. Voting and Notices for Special Assessment and Change of Maximum Assessment. Written notice of any meeting of Members called to change the maximum annual assessment or to levy a special assessment shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the date of such meeting, setting forth the purpose of the meeting.

Section 6. Quorum for Action Authorized Under Section 4 and 5. The quorum required for any action authorized in Section 4 and 5 of this Article VI shall be as follows:

At the first meeting called, as provided in Section 4 and 5 hereof, the presence at the meeting of Members, or of proxies entitled to cast sixty percent (60%) of all votes of each class of Membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in Sections 4 and 5 and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessment. The initial annual assessments shall commence on the first day of such month as

determined by the Board of Directors of the Association, shall be made for the balance of the calendar year, and shall be due and payable on the date fixed by the Board. Annual assessments for any year after the first year shall become due and payable on or before February 1 of such year, and at the Board's discretion may be collected on a monthly basis.

The amount of the initial annual assessment for the first year in which assessments are made or for any property which becomes subject to assessments for the first time shall be prorated on a calendar year basis according to the date on which property first became subject to assessment.

The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

Section 8. Duty of the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall, upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

Section 9. The Effect of Non-payment of Assessments; Lien of Association. If an assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $20.00 and the assessment shall bear interest at the rate of ten percent (10%) per annum for such due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such Lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Common and Green Areas, specifying and itemizing the maintenance and repair expenses of the Common Areas and Green Areas and any other expenses incurred. Such records and the vouchers authorizing the

payments shall be available on request for examination by the Owners and others with an interest such as encumbrancers or prospective lenders.

Section 12. Protection of Mortgagees. First mortgagees of Lots may pay taxes or other charges or assessments which are in default and which may become a lien against the Common or Green Areas and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Common and Green Areas and the first mortgagees making such payments shall be owed immediately reimbursement therefore from the Association.

IN WITNESS WHEREOF, the undersigned being the Declarant herein has hereunto set its hand and seal as of the day and year first hereinabove set forth.

Sale of a Lot under foreclosure shall thereby entitle the purchase thereof to the beneficial interest in the personal property associated with the Lot.

ARTICLE VII

COVENANT FOR MAINTENANCE ASSESSMENT

Section 1. Creation of the Lien and Personal Obligation of Assessment. Declarant for each Lot owned by it within the Properties hereby covenants, and each Owner of any Lot by acceptance of the deed therefor, whether or not it shall be so expressed in acceptance of the deed therefor, shall be deemed to covenant and agree to pay to the Association annual assessments and special assessments for capital improvements. Such assessments shall be fixed, established and collected from time to time as hereinafter provided. The annual and special assessments, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall be a continuing lien upon the property against which each such assessment is made from the date hereinafter set forth. Each such assessment, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall also be a personal obligation of the person who is the Owner of such property at the time when the assessment fell due. The Board of Directors of the Association may after consideration of the current maintenance costs and the financial requirements of the Association fix the annual actual assessment at an amount less than the maximum. Such reserve fund shall not be used to construct or establish new capital improvements without an affirmative vote of one-half of each class of Members.

Any agreement for management of the Associations's business or any other contract for services by the Declarant must provide for termination by either party without cause or payment of a termination fee on thirty (30) days or less written notice and a maximum contract term of three (3) years.

The maximum annual assessment may be changed as follows:

A. From and after January 1, 1988, the maximum annual assessment may be increased each year not more than ten percent (10%) above the maximum assessment for the previous year without a vote of the Membership.

B. From and after January 1, 1988, the maximum annual assessment may be increased above ten percent (10%) by a vote of one-half (1/2) of each class of Members who are voting in person or by proxy, at a meeting duly called for this purpose.

C. The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. Upon vote of the Members of the Association in the manner hereinafter set forth, the Association may levy in addition to annual assessments a special assessment in any calendar year applicable to that year only, for the purpose of defraying in whole or in part the costs of construction or reconstruction or expected repair or replacement of a described capital improvement upon the Common Area or Green Area, including necessary fixtures and personal property related thereto, provided that, any such assessment shall have the assent of sixty percent (60%) of the votes of each class of Members who are voting in person, or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than thirty (30) days nor more that sixty (60) days in advance of the meeting setting forth the purpose of the meeting. Written notice of any meeting of Members called to change the maximum annual assessment or to levy a special assessment shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the date of such meeting, setting forth the purpose of the meeting.

Section 6. Quorum for Action Authorized Under Section 4 and 5. The quorum required for any action authorized in Section 4 and 5 of this Article VI shall be as follows:

At the first meeting called, as provided in Section 4 and 5 hereof, the presence at the meeting of Members, or of proxies entitled to cast sixty percent (60%) of all votes of each class of Membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in Sections 4 and 5 and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessment. The initial annual assessments shall commence on the first day of such month as

determined by the Board of Directors of the Association, shall be made for the balance of the calendar year, and shall be due and payable on the date fixed by the Board. Annual assessments for any year after the first year shall become due and payable on or before February 1 of such year, and at the Board's discretion may be collected on a monthly basis.

The amount of the initial annual assessment for the first year in which assessments are made or for any property which becomes subject to assessments for the first time shall be prorated on a calendar year basis according to the date on which property first became subject to assessment.

The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

Section 8. Duty of the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

Section 9. The Effect of Non-payment of Assessments; Lien of Association. If an assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $20.00 and the assessment shall bear interest at the rate of ten percent (10%) per annum for such due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such Lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Common and Green Areas, specifying and itemizing the maintenance and repair expenses of the Common Areas and Green Areas and any other expenses incurred. Such records and the vouchers authorizing the

payments shall be available on request for examination by the Owners and others with an interest such as encumbrancers or prospective lenders.

Section 12. Protection of Mortgagees. First mortgagees of Lots may pay taxes or other charges or assessments which are in default and which may become a lien against the Common or Green Areas and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Common and Green Areas and the first mortgagees making such payments shall be owed immediately reimbursement therefore from the Association.

Such personal obligation shall not pass to his successors in title unless expressly assumed by them.

Section 8. Duty of the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his Lot. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such Lot from liability from any assessments thereafter becoming due or from the lien thereof.

Written notice of any meeting of Members called to change the maximum annual assessment or to levy a special assessment shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the date of such meeting, setting forth the purpose of the meeting.

Section 6. Quorum for Action Authorized Under Section 4 and 5. The quorum required for any action authorized in Section 4 and 5 of this Article VI shall be as follows:

If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in Sections 4 and 5 and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessment. The initial annual assessments shall commence on the first day of such month as

determined by the Board of Directors of the Association, shall be made for the balance of the calendar year, and shall be due and payable on the date fixed by the Board. Annual assessments for any year after the first year shall become due and payable on or before February 1 of such year, and at the Board's discretion may be collected on a monthly basis.

The amount of the initial annual assessment for the first year in which assessments are made or for any property which becomes subject to assessments for the first time shall be prorated on a calendar year basis according to the date on which property first became subject to assessment.

The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

Section 8. Duty of the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

Section 9. The Effect of Non-payment of Assessments; Lien of Association. If an assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $20.00 and the assessment shall bear interest at the rate of ten percent (10%) per annum for such due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such Lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Common and Green Areas, specifying and itemizing the maintenance and repair expenses of the Common Areas and Green Areas and any other expenses incurred. D. The assessment lien shall be subordinate to any recorded mortgage or home improvement lien on the Lot. The Secretary of the Association shall be obligated to execute all documents reasonably necessary to subordinate the assessment lien to such other recorded liens.

C. Severability. Invalidation of any one of the terms and provisions of this Agreement shall in no wise effect any other provisions which shall remain in full force and effect.

The amount of the initial annual assessment for the first year in which assessments are made or for any property which becomes subject to assessments for the first time shall be prorated on a calendar year basis according to the date on which property first became subject to assessment.

The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

The assessment for Lots owned by Class A Members shall be at such assessment ratio as shall be determined by the Board of Directors for that particular development within six (6) months after its annexation to the Properties, having in mind the additional amenities furnished to the particular Lot not otherwise available to the Members. Such assessment ratio shall not thereafter be changed by the Board of Directors without approval of sixty-six percent (66%) of the Members.

The assessments shall be based upon the cash requirements deemed to be such aggregate sums as the Board of Directors of the Association shall from time to time determine is necessary to provide for the payment of all estimated expenses growing out of or connected with the maintenance and operation of the Green Area, which sum may include, but not limited to, any special assessments on the Common or Green Areas, insurance premiums for vandalism and malicious mischief, with endorsements attached, issued in the amount of the maximum replacement value of all of the Common Area improvements; casualty and public liability and other insurance premiums; landscaping and care of grounds; streets, lighting, repairs and renovations of Common Areas and Green Areas, wages, charges for water used by the Association, grounds maintenance, any expenses of providing security and protection for the Owners, legal and accounting fees, management fees,

expenses and liabilities incurred by the Board of Directors under or by reason of this Declaration, the payment of any deficit remaining for a previous period, the creation of a reasonable contingency or other reserve or surplus funds as well as any and all other costs and expenses necessary to carry out the terms and intent of this Declaration. The Association shall maintain an adequate reserve fund out of the annual assessments rather than by period assessment for the maintenance, repair and replacement of those elements of the Common Area and Green Areas that must be replaced on a periodic basis. The Board of Directors of the Association may after consideration of the current maintenance costs and the financial requirements of the Association fix the annual actual assessment at an amount less than the maximum. Such reserve fund shall not be used to construct or establish new capital improvements without an affirmative vote of one-half of each class of Members.

Any agreement for management of the Associations's business or any other contract for services by the Declarant must provide for termination by either party without cause or payment of a termination fee on thirty (30) days or less written notice and a maximum contract term of three (3) years.

The maximum annual assessment may be changed as follows:

A. From and after January 1, 1988, the maximum annual assessment may be increased each year not more than ten percent (10%) above the maximum assessment for the previous year without a vote of the Membership.

B. From and after January 1, 1988, the maximum annual assessment may be increased above ten percent (10%) by a vote of one-half (1/2) of each class of Members who are voting in person or by proxy, at a meeting duly called for this purpose.

C. The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. Upon vote of the Members of the Association in the manner hereinafter set forth, the Association may levy in addition to annual assessments a special assessment in any calendar year applicable to that year only, for the purpose of defraying in whole or in part the costs of construction or reconstruction or expected repair or replacement of a described capital improvement upon the Common Area or Green Area, including necessary fixtures and personal property related thereto, provided that, any such assessment shall have the assent of sixty percent (60%) of the votes of each class of Members who are voting in person, or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than thirty (30) days nor more that sixty (60) days in advance of the meeting setting forth the purpose of the meeting. The assessment ratio for any Lot, as determined pursuant to Section 3, shall be applicable to special assessment.

Section 5. Voting and Notices for Special Assessment and Change of Maximum Assessment. Written notice of any meeting of Members called to change the maximum annual assessment or to levy a special assessment shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the date of such meeting, setting forth the purpose of the meeting.

Section 6. Quorum for Action Authorized Under Section 4 and 5. The quorum required for any action authorized in Section 4 and 5 of this Article VI shall be as follows:

At the first meeting called, as provided in Section 4 and 5 hereof, the presence at the meeting of Members, or of proxies entitled to cast sixty percent (60%) of all votes of each class of Membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in Sections 4 and 5 and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessment. The initial annual assessments shall commence on the first day of such month as

determined by the Board of Directors of the Association, shall be made for the balance of the calendar year, and shall be due and payable on the date fixed by the Board. Annual assessments for any year after the first year shall become due and payable on or before February 1 of such year, and at the Board's discretion may be collected on a monthly basis.

The amount of the initial annual assessment for the first year in which assessments are made or for any property which becomes subject to assessments for the first time shall be prorated on a calendar year basis according to the date on which property first become subject to assessment.

The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

Section 8. Duty of the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

Section 9. The Effect of Non-payment of Assessments; Lien of Association. If an assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $20.00 and the assessment shall bear interest at the rate of ten percent (10%) per annum for such due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such Lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Common and Green Areas, specifying and itemizing the maintenance and repair expenses of the Common Areas and Green Areas and any other expenses incurred. Such records and the vouchers authorizing the

UNOFFICIAL COPY

payments shall be available on request for examination by the Owners and others with an interest such as encumbrancers or prospective lenders.

Section 12. Protection of Mortgagees. First mortgagees of Lots may pay taxes or other charges or assessments which are in default and which may become a lien against the Common or Green Areas and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Common and Green Areas and the first mortgagees making such payments shall be owed immediately reimbursement therefore from the Association.

Such Supplemental Declaration may contain such additions and modifications of the covenants and restrictions contained in this Declaration as may be necessary to reflect the different character of the added properties in the sole discretion of Declarant. Section 2. Yard Care. As soon as the growing season reasonably permits, the grounds around all living units shall be seeded, sodded or otherwise planted by the Owner thereof with grass or other ground cover or plantings and maintained in a clean and attractive manner free of dust and weeds. All fences on lots shall be maintained in good repair and in a clean and attractive manner.

ARTICLE IV

MEMBERSHIP AND VOTING RIGHTS IN THE ASSOCIATION

Section 1. Membership. Every person or entity who is a record owner of a fee or undivided fee interest in any Lot which is subject by covenants of record to assessment by the Association, including contract sellers, shall be a Member of the Association. The foregoing is not intended to include persons or entities who hold an interest merely as security for the performance of obligation. Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to assessment by the Association. Ownership of such Lot shall be the sole qualification for Membership. When more than one person holds a Membership interest in any Lot, all such persons shall be Members. The vote for such Lot shall be exercised as they among themselves determine, but in no event shall more than one (1) vote be cast with respect to any Lot.

Section 2. Voting Rights. There shall be two classes of voting Membership.

A. Class A Members will be all those Members other than Southcreek, Inc. Class A Members shall be entitled to one vote for each Lot in which they hold the interest required for Membership by Section 1. When Class B Membership has been coverted to Class A Membership, all Directors of the Association shall be elected by the Class A Members.

B. The Class B Members shall be Southcreek, Inc. or its successors or assigns. Class B Members shall be entitled to four votes for each Lot owned by the Declarant or its successors or assigns, and shall be entitled to elect all Members of the Board of Directors of the Association. C. As long as a Class B Membership exists, Associate Memberships in the Association will not be established by the Board of Directors of the Association without an affirmative vote of a majority of the Class A Members of the Association.

D. Should any builder own any lot which is the subject of these restrictions, that builder shall assign his voting rights to the developer. Said voting rights shall be voted as Class A Membership and not Class B Membership.

ARTICLE V

ADMINISTRATION AND MANAGEMENT

The administration of the Properties shall be governed by these covenants, the Articles of Incorporation, By-Laws, and published rules and regulations of the Association. As shown and reserved to Declarant in the Articles of Incorporation and By-Laws for the Association, the designation and appointment of the Board of Directors for the Association may, at Declarant's option, be exercised solely by the Declarant until the Class B Membership terminates.

ARTICLE VI

PROPERTY RIGHTS IN THE COMMON PROPERTIES

Section 1. Extent of Members' Easements. The rights and easements of enjoyment created hereby shall be subject to the following:

A. The right of the Association to limit the number of guests of Members.

B. The rights of the Declarant and of the Association, in accordance with its Articles and By-Laws, to borrow money for the purpose of improving the Green Area and with written consent of the Members entitled to vote seventy-five percent (75%) the votes of each class of Membership to mortgage said Common Areas and Green Areas as security for any such loan.

C. The right of the Association to promulgate and publish rules and regulations which each Member shall strictly comply with.

Section 2. Personal Property for Common Use. The Association may acquire and hold for the use and benefit of all Members of the Association, tangible and intangible personal property and may dispose of the same by sale or otherwise, and the beneficial interest in any such property shall be owned by the Members of the Association and their interest therein shall not be transferable except that the interest of a Member who is an Owner shall be deemed to be transferred upon the transfer of the Member's Lot. A transfer of a Lot shall transfer to the transferee ownership of the transferor's beneficial interest in such personal property without any reference thereto or execution of a bill of sale. Each Owner may use such personal property in accordance with the purpose for which it is intended, without hindering or encroaching upon the lawful rights of the the other Owners. Sale of a Lot under foreclosure shall thereby entitle the purchase thereof to the beneficial interest in the personal property associated with the Lot.

ARTICLE VII

COVENANT FOR MAINTENANCE ASSESSMENT

Section 1. Creation of the Lien and Personal Obligation of Assessment. Declarant for each Lot owned by it within the Properties hereby covenants, and each Owner of any Lot by acceptance of the deed therefor, whether or not it shall be so expressed in acceptance of the deed therefor, shall be deemed to covenant and agree to pay to the Association annual assessments and special assessments for capital improvements. Such assessments shall be fixed, established and collected from time to time as hereinafter provided. The annual and special assessments, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall be a continuing lien upon the property against which each such assessment is made from the date hereinafter set forth. Each such assessment, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall also be a personal obligation of the person who is the Owner of such property at the time when the assessment fell due. Such personal obligation shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, enjoyment and welfare of the residents in the Properties and in particular for the improvements and maintenance of property, services and facilities devoted to the purpose and related to the use and enjoyment of homes situated upon the Properties and any other purpose reasonable, necessary or incidental to such purposes.

Section 3. Basis of Annual Assessment. Unless changed by vote of the Membership, as hereinafter provided, the maximum annual assessment for any Lot owned by Class A Members on which is located a single Family detached dwelling shall be $250.00 per year. The assessment for Lots owned by Class A Members shall be at such assessment ratio as shall be determined by the Board of Directors for that particular development within six (6) months after its annexation to the Properties, having in mind the additional amenities furnished to the particular Lot not otherwise available to the Members. Such assessment ratio shall not thereafter be changed by the Board of Directors without approval of sixty-six percent (66%) of the Members.

The assessments shall be based upon the cash requirements deemed to be such aggregate sums as the Board of Directors of the Association shall from time to time determine is necessary to provide for the payment of all estimated expenses growing out of or connected with the maintenance and operation of the Green Area, which sum may include, but not limited to, any special assessments on the Common or Green Areas, insurance premiums for vandalism and malicious mischief, with endorsements attached, issued in the amount of the maximum replacement value of all of the Common Area improvements; casualty and public liability and other insurance premiums; landscaping and care of grounds; streets, lighting, repairs and renovations of Common Areas and Green Areas, wages, charges for water used by the Association, grounds maintenance, any expenses of providing security and protection for the Owners, legal and accounting fees, management fees,

expenses and liabilities incurred by the Board of Directors under or by reason of this Declaration, the payment of any deficit remaining for a previous period, the creation of a reasonable contingency or other reserve or surplus funds as well as any and all other costs and expenses necessary to carry out the terms and intent of this Declaration. The Association shall maintain an adequate reserve fund out of the annual assessments rather than by period assessment for the maintenance, repair and replacement of those elements of the Common Area and Green Areas that must be replaced on a periodic basis. The Board of Directors of the Association may after consideration of the current maintenance costs and the financial requirements of the Association fix the annual actual assessment at an amount less than the maximum. Such reserve fund shall not be used to construct or establish new capital improvements without an affirmative vote of one-half of each class of Members.

Any agreement for management of the Associations's business or any other contract for services by the Declarant must provide for termination by either party without cause or payment of a termination fee on thirty (30) days or less written notice and a maximum contract term of three (3) years.

The maximum annual assessment may be changed as follows:

A. From and after January 1, 1988, the maximum annual assessment may be increased each year not more than ten percent (10%) above the maximum assessment for the previous year without a vote of the Membership.

B. From and after January 1, 1988, the maximum annual assessment may be increased above ten percent (10%) by a vote of one-half (1/2) of each class of Members who are voting in person or by proxy, at a meeting duly called for this purpose.

C. The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. Upon vote of the Members of the Association in the manner hereinafter set forth, the Association may levy in addition to annual assessments a special assessment in any calendar year applicable to that year only, for the purpose of defraying in whole or in part the costs of construction or reconstruction or expected repair or replacement of a described capital improvement upon the Common Area or Green Area, including necessary fixtures and personal property related thereto, provided that, any such assessment shall have the assent of sixty percent (60%) of the votes of each class of Members who are voting in person, or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than thirty (30) days nor more that sixty (60) days in advance of the meeting setting forth the purpose of the meeting. The assessment ratio for any Lot, as determined pursuant to Section 3, shall be applicable to special assessment.

Section 5. Voting and Notices for Special Assessment and Change of Maximum Assessment. Written notice of any meeting of Members called to change the maximum annual assessment or to levy a special assessment shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the date of such meeting, setting forth the purpose of the meeting.

Section 6. Quorum for Action Authorized Under Section 4 and 5. The quorum required for any action authorized in Section 4 and 5 of this Article VI shall be as follows:

At the first meeting called, as provided in Section 4 and 5 hereof, the presence at the meeting of Members, or of proxies entitled to cast sixty percent (60%) of all votes of each class of Membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in Sections 4 and 5 and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessment. The initial annual assessments shall commence on the first day of such month as

determined by the Board of Directors of the Association, shall be made for the balance of the calendar year, and shall be due and payable on the date fixed by the Board. Annual assessments for any year after the first year shall become due and payable on or before February 1 of such year, and at the Board's discretion may be collected on a monthly basis.

The amount of the initial annual assessment for the first year in which assessments are made or for any property which becomes subject to assessments for the first time shall be prorated on a calendar year basis according to the date on which property first became subject to assessment.

The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

Section 8. Duty of the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

Section 9. The Effect of Non-payment of Assessments; Lien of Association. If an assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $20.00 and the assessment shall bear interest at the rate of ten percent (10%) per annum for such due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such Lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Common and Green Areas, specifying and itemizing the maintenance and repair expenses of the Common Areas and Green Areas and any other expenses incurred. Such records and the vouchers authorizing the

payments shall be available on request for examination by the Owners and others with an interest such as encumbrancers or prospective lenders.

Section 12. Protection of Mortgagees. First mortgagees of Lots may pay taxes or other charges or assessments which are in default and which may become a lien against the Common or Green Areas and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Common and Green Areas and the first mortgagees making such payments shall be owed immediately reimbursement therefore from the Association.

IN WITNESS WHEREOF, the undersigned being the Declarant herein has hereunto set its hand and seal as of the day and year first hereinabove set forth.

Section 1. Additions to the Properties. At any time before December 31, 1988, Declarant, its successors and assigns, in future stages of development, shall have the right to annex to and bring within the scheme of this Declaration additional properties which are located within the Villages of Woodland Hills.

Section 2. Method of Making Additions. Additions authorized under this Article shall be made by filing for record a Supplemental Declaration of covenants and restrictions with respect to the additional property. Such Supplemental Declaration may contain such additions and modifications of the covenants and restrictions contained in this Declaration as may be necessary to reflect the different character of the added properties in the sole discretion of Declarant. In no event, however, shall such Supplemental Declaration revoke, modify or add to the covenants established by this Declaration with respect to the Properties subject to this Declaration just prior to such Supplemental Declaration being filed for record.

Section 3. Additions by Others. So long as Declarant is a Class B Member, additions may be made by any other owner of property who with the approval of the Board of Directors of the Association desires to add such property located within the boundaries described in Section 1 of this Article II to the scheme of this Declaration and to subject it to the jurisdiction of the Association. When Declarant ceases to be a Class B Member, such additions may be made upon approval of the Association pursuant to a vote of its Members, as provided in its Articles of Incorporation. Such approval by the Board of Directors of Membership shall be evidenced by a certified copy of such resolution of approval recorded in Tarrant County, Texas.

In no case may the occupant's vehicles be parked overnight on the streets of the subdivision or within the improved yard of the occupant.

Section 2. Yard Care. As soon as the growing season reasonably permits, the grounds around all living units shall be seeded, sodded or otherwise planted by the Owner thereof with grass or other ground cover or plantings and maintained in a clean and attractive manner free of dust and weeds. All fences on Lots shall be maintained in good repair and in a clean and attractive manner.

ARTICLE IV

MEMBERSHIP AND VOTING RIGHTS IN THE ASSOCIATION

Section 1. Membership. Every person or entity who is a record owner of a fee or undivided fee interest in any Lot which is subject by covenants of record to assessment by the Association, including contract sellers, shall be a Member of the Association. The foregoing is not intended to include persons or entities who hold an interest merely as security for the performance of obligation. Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to assessment by the Association. Ownership of such Lot shall be the sole qualification for Membership. When more than one person holds a Membership interest in any Lot, all such persons shall be Members. The vote for such Lot shall be exercised as they among themselves determine, but in no event shall more than one (1) vote be cast with respect to any Lot.

Section 2. Voting Rights. There shall be two classes of voting Membership.

A. Class A Members will be all those Members other than Southcreek, Inc. Class A Members shall be entitled to one vote for each Lot in which they hold the interest required for Membership by Section 1. When Class B Membership has been coverted to Class A Membership, all Directors of the Association shall be elected by the Class A Members.

B. The Class B Members shall be Southcreek, Inc. or its successors or assigns. Class B Members shall be entitled to four votes for each Lot owned by the Declarant or its successors or assigns, and shall be entitled to elect all Members of the Board of Directors of the Association. Class B Membership may cease and be converted to Class A Membership at the option of the Class B Member, its successors or assigns by its written notice to the Secretary of the Association, and shall cease and be converted to Class A Membership without further act or deed when the total votes outstanding in the Class A Membership equal the total votes outstanding in the Class B Membership.

C. As long as a Class B Membership exists, Associate Memberships in the Association will not be established by the Board of Directors of the Association without an affirmative vote of a majority of the Class A Members of the Association.

D. Should any builder own any lot which is the subject of these restrictions, that builder shall assign his voting rights to the developer. Said voting rights shall be voted as Class A Membership and not Class B Membership.

ARTICLE V

ADMINISTRATION AND MANAGEMENT

The administration of the Properties shall be governed by these covenants, the Articles of Incorporation, By-Laws, and published rules and regulations of the Association. As shown and reserved to Declarant in the Articles of Incorporation and By-Laws for the Association, the designation and appointment of the Board of Directors for the Association may, at Declarant's option, be exercised solely by the Declarant until the Class B Membership terminates.

ARTICLE VI

PROPERTY RIGHTS IN THE COMMON PROPERTIES

Section 1. Extent of Members' Easements. The rights and easements of enjoyment created hereby shall be subject to the following:

A. The right of the Association to limit the number of guests of Members.

B. The rights of the Declarant and of the Association, in accordance with its Articles and By-Laws, to borrow money for the purpose of improving the Green Area and with written consent of the Members entitled to vote seventy-five percent (75%) the votes of each class of Membership to mortgage said Common Areas and Green Areas as security for any such loan.

C. The right of the Association to promulgate and publish rules and regulations which each Member shall strictly comply with.

Section 2. Personal Property for Common Use. The Association may acquire and hold for the use and benefit of all Members of the Association, tangible and intangible personal property and may dispose of the same by sale or otherwise, and the beneficial interest in any such property shall be owned by the Members of the Association and their interest therein shall not be transferable except that the interest of a Member who is an Owner shall be deemed to be transferred upon the transfer of the Member's Lot. A transfer of a Lot shall transfer to the transferee ownership of the transferor's beneficial interest in such personal property without any reference thereto or execution of a bill of sale. Each Owner may use such personal property in accordance with the purpose for which it is intended, without hindering or encroaching upon the lawful rights of the the other Owners. Sale of a Lot under foreclosure shall thereby entitle the purchase thereof to the beneficial interest in the personal property associated with the Lot.

ARTICLE VII

COVENANT FOR MAINTENANCE ASSESSMENT

Section 1. Creation of the Lien and Personal Obligation of Assessment. Declarant for each Lot owned by it within the Properties hereby covenants, and each Owner of any Lot by acceptance of the deed therefor, whether or not it shall be so expressed in acceptance of the deed therefor, shall be deemed to covenant and agree to pay to the Association annual assessments and special assessments for capital improvements. Such assessments shall be fixed, established and collected from time to time as hereinafter provided. The annual and special assessments, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall be a continuing lien upon the property against which each such assessment is made from the date hereinafter set forth. Each such assessment, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall also be a personal obligation of the person who is the Owner of such property at the time when the assessment fell due. Such personal obligation shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, enjoyment and welfare of the residents in the Properties and in particular for the improvements and maintenance of property, services and facilities devoted to the purpose and related to the use and enjoyment of homes situated upon the Properties and any other purpose reasonable, necessary or incidental to such purposes.

Section 3. Basis of Annual Assessment. Unless changed by vote of the Membership, as hereinafter provided, the maximum annual assessment for any Lot owned by Class A Members on which is located a single family detached dwelling shall be $250.00 per year. The assessment for Lots owned by Class A Members shall be at such assessment ratio as shall be determined by the Board of Directors for that particular development within six (6) months after its annexation to the Properties, having in mind the additional amenities furnished to the particular Lot not otherwise available to the Members. Such assessment ratio shall not thereafter be changed by the Board of Directors without approval of sixty-six percent (66%) of the Members.

The assessments shall be based upon the cash requirements deemed to be such aggregate sums as the Board of Directors of the Association shall from time to time determine is necessary to provide for the payment of all estimated expenses growing out of or connected with the maintenance and operation of the Green Area, which sum may include, but not limited to, any special assessments on the Common or Green Areas, insurance premiums for vandalism and malicious mischief, with endorsements attached, issued in the amount of the maximum replacement value of all of the Common Area improvements; casualty and public liability and other insurance premiums; landscaping and care of grounds; streets, lighting, repairs and renovations of Common Areas and Green Areas, wages, charges for water used by the Association, grounds maintenance, any expenses of providing security and protection for the Owners, legal and accounting fees, management fees,

expenses and liabilities incurred by the Board of Directors under or by reason of this Declaration, the payment of any deficit remaining for a previous period, the creation of a reasonable contingency or other reserve or surplus funds as well as any and all other costs and expenses necessary to carry out the terms and intent of this Declaration. The Association shall maintain an adequate reserve fund out of the annual assessments rather than by period assessment for the maintenance, repair and replacement of those elements of the Common Area and Green Areas that must be replaced on a periodic basis. The Board of Directors of the Association may after consideration of the current maintenance costs and the financial requirements of the Association fix the annual actual assessment at an amount less than the maximum. Such reserve fund shall not be used to construct or establish new capital improvements without an affirmative vote of one-half of each class of Members.

Any agreement for management of the Associations's business or any other contract for services by the Declarant must provide for termination by either party without cause or payment of a termination fee on thirty (30) days or less written notice and a maximum contract term of three (3) years.

The maximum annual assessment may be changed as follows:

A. From and after January 1, 1988, the maximum annual assessment may be increased each year not more than ten percent (10%) above the maximum assessment for the previous year without a vote of the Membership.

B. From and after January 1, 1988, the maximum annual assessment may be increased above ten percent (10%) by a vote of one-half (1/2) of each class of Members who are voting in person or by proxy, at a meeting duly called for this purpose.

C. The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. Upon vote of the Members of the Association in the manner hereinafter set forth, the Association may levy in addition to annual assessments a special assessment in any calendar year applicable to that year only, for the purpose of defraying in whole or in part the costs of construction or reconstruction or expected repair or replacement of a described capital improvement upon the Common Area or Green Area, including necessary fixtures and personal property related thereto, provided that, any such assessment shall have the assent of sixty percent (60%) of the votes of each class of Members who are voting in person, or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than thirty (30) days nor more that sixty (60) days in advance of the meeting setting forth the purpose of the meeting. The assessment ratio for any Lot, as determined pursuant to Section 3, shall be applicable to special assessment.

Section 5. Voting and Notices for Special Assessment and Change of Maximum Assessment. Written notice of any meeting of Members called to change the maximum annual assessment or to levy a special assessment shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advence of the date of such meeting, setting forth the purpose of the meeting.

Section 6. Quorum for Action Authorized Under Section 4 and 5. The quorum required for any action authorized in Section 4 and 5 of this Article VI shall be as follows:

At the first meeting called, as provided in Section 4 and 5 hereof, the presence at the meeting of Members, or of proxies entitled to cast sixty percent (60%) of all votes of each class of Membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in Sections 4 and 5 and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessment. The initial annual assessments shall commence on the first day of such month as

determined by the Board of Directors of the Association, shall be made for the balance of the calendar year, and shall be due and payable on the date fixed by the Board. Annual assessments for any year after the first year shall become due and payable on or before February 1 of such year, and at the Board's discretion may be collected on a monthly basis.

The amount of the initial annual assessment for the first year in which assessments are made or for any property which becomes subject to assessments for the first time shall be prorated on a calendar year basis according to the date on which property first became subject to assessment.

The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

Section 8. Duty of the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

Section 9. The Effect of Non-payment of Assessments; Lien of Association. If an assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $20.00 and the assessment shall bear interest at the rate of ten percent (10%) per annum for such due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such Lot from liability from any assessments thereafter becoming due, or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Common and Green Areas, specifying and itemizing the maintenance and repair expenses of the Common Areas and Green Areas and any other expenses incurred. Such records and the vouchers authorizing the

payments shall be available on request for examination by the Owners and others with an interest such as encumbrancers or prospective lenders.

Section 12. Protection of Mortgagees. First mortgagees of Lots may pay taxes or other charges or assessments which are in default and which may become a lien against the Common or Green Areas and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Common and Green Areas and the first mortgagees making such payments shall be owed immediately reimbursement therefore from the Association.

IN WITNESS WHEREOF, the undersigned being the Declarant herein has hereunto set its hand and seal as of the day and year first hereinabove set forth.

ARTICLE IV

MEMBERSHIP AND VOTING RIGHTS IN THE ASSOCIATION

Section 1. Membership. Every person or entity who is a record owner of a fee or undivided fee interest in any Lot which is subject by covenants of record to assessment by the Association, including contract sellers, shall be a Member of the Association. The foregoing is not intended to include persons or entities who hold an interest merely as security for the performance of obligation. Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to assessment by the Association. Ownership of such Lot shall be the sole qualification for Membership. When more than one person holds a Membership interest in any Lot, all such persons shall be Members. The vote for such Lot shall be exercised as they among themselves determine, but in no event shall more than one (1) vote be cast with respect to any Lot.

Each Owner may use such personal property in accordance with the purpose for which it is intended, without hindering or encroaching upon the lawful rights of the the other Owners. Sale of a Lot under foreclosure shall thereby settle the purchase thereof to the beneficial interest in the personal property associated with the Lot.

ARTICLE VII

COVENANT FOR MAINTENANCE ASSESSMENT

Section 1. Creation of the Lien and Personal Obligation of Assessment. Declarant for each Lot owned by it within the Properties hereby covenants, and each Owner of any Lot by acceptance of the deed therefor, whether or not it shall be so expressed in acceptance of the deed therefor, shall be deemed to covenant and agree to pay to the Association annual assessments and special assessments for capital improvements. Such assessments shall be fixed, established and collected from time to time as hereinafter provided. The annual and special assessments, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall be a continuing lien upon the property against which each such assessment is made from the date hereinafter set forth. Each such assessment, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall also be a personal obligation of the person who is the Owner of such property at the time when the assessment fell due. The assessments shall be based upon the cash requirements deemed to be such aggregate sums as the Board of Directors of the Association shall from time to time determine is necessary to provide for the payment of all estimated expenses growing out of or connected with the maintenance and operation of the Green Area, which sum may include, but not limited to, any special assessments on the Common or Green Areas, insurance premiums for vandalism and malicious mischief, with endorsements attached, issued in the amount of the maximum replacement value of all of the Common Area improvements; casualty and public liability and other insurance premiums; landscaping and care of grounds; streets, lighting, repairs and renovations of Common Areas and Green Areas, wages, charges for water used by the Association, grounds maintenance, any expenses of providing security and protection for the Owners, legal and accounting fees, management fees,

expenses and liabilities incurred by the Board of Directors under or by reason of this Declaration, the payment of any deficit remaining for a previous period, the creation of a reasonable contingency or other reserve or surplus funds as well as any and all other costs and expenses necessary to carry out the terms and intent of this Declaration. The Association shall maintain an adequate reserve fund out of the annual assessments rather than by period assessment for the maintenance, repair and replacement of those elements of the Common Area and Green Area that must be replaced on a periodic basis. The Board of Directors of the Association may after consideration of the current maintenance costs and the financial requirements of the Association fix the annual actual assessment at an amount less than the maximum. Such reserve fund shall not be used to construct or establish new capital improvements without an affirmative vote of one-half of each class of Members.

Any agreement for management of the Associations's business or any other contract for services by the Declarant must provide for termination by either party without cause or payment of a termination fee on thirty (30) days or less written notice and a maximum contract term of three (3) years.

The maximum annual assessment may be changed as follows:

A. From and after January 1, 1988, the maximum annual assessment may be increased each year not more than ten percent (10%) above the maximum assessment for the previous year without a vote of the Membership.

B. From and after January 1, 1988, the maximum annual assessment may be increased above ten percent (10%) by a vote of one-half (1/2) of each class of Members who are voting in person or by proxy, at a meeting duly called for this purpose.

C. The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. Upon vote of the Members of the Association in the manner hereinafter set forth, the Association may levy in addition to annual assessments a special assessment in any calendar year applicable to that year only, for the purpose of defraying in whole or in part the costs of construction or reconstruction or expected repair or replacement of a described capital improvement upon the Common Area or Green Area, including necessary fixtures and personal property related thereto, provided that, any such assessment shall have the assent of sixty percent (60%) of the votes of each class of Members who are voting in person, or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting setting forth the purpose of the meeting. The assessment ratio for any lot, as determined pursuant to Section 3, shall be applicable to special assessment.

Section 5. Voting and Notices for Special Assessment and Change of Maximum Assessment. Written notice of any meeting of Members called to change the maximum annual assessment or to levy a special assessment shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the date of such meeting, setting forth the purpose of the meeting.

Section 6. Quorum for Action Authorized Under Section 4 and 5. The quorum required for any action authorized in Section 4 and 5 of this Article VI shall be as follows:

At the first meeting called, as provided in Section 4 and 5 hereof, the presence at the meeting of Members, or of proxies entitled to cast sixty percent (60%) of all votes of each class of Membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in Sections 4 and 5 and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessment. The initial annual assessments shall commence on the first day of such month as

determined by the Board of Directors of the Association, shall be made for the balance of the calendar year, and shall be due and payable on the date fixed by the Board. Annual assessments for any year after the first year shall become due and payable on or before February 1 of such year, and at the Board's discretion may be collected on a monthly basis.

The amount of the initial annual assessment for the first year in which assessments are made or for any property which becomes subject to assessments for the first time shall be prorated on a calendar year basis according to the date on which property first became subject to assessment.

The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

Section 8. Duty of the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

Section 9. The Effect of Non-payment of Assessments; Lien of Association. If an assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $10.00 and the assessment shall bear interest at the rate of ten percent (10%) per annum for such due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such Lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Common and Green Areas, specifying and itemizing the maintenance and repair expenses of the Common Areas and Green Areas and any other expenses incurred. Such records and the vouchers authorizing the

payments shall be available on request for examination by the Owners and others with an interest such as encumbrancers or prospective lenders.

Section 12. Protection of Mortgagees. First mortgagees of Lots may pay taxes or other charges or assessments which are in default and which may become a lien against the Common or Green Areas and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Common and Green Areas and the first mortgagees making such payments shall be owed immediately reimbursement therefore from the Association.

IN WITNESS WHEREOF, the undersigned being the Declarant herein has hereunto set its hand and seal as of the day and year first hereinabove set forth.

D. "Common Areas" shall mean the areas designated for recreational use for the common enjoyment of all the residents in the Villages of Woodland Hills.

II. ADDITIONAL RESTRICTIONS

A. Owners hereby ratify and confirm the existing Restrictive Covenants previously filed and hereby impress the following restrictions upon their Lot in addition to the Restrictive Covenants already filed:

1. Keeping of Vehicles on Property. The keeping of mobile homes, with or without wheels, on the Lot is expressly prohibited. Motor boats, house boats, and similar water-borne vehicles or travel trailers may be maintained, stored, or kept on the Lot provided the same are housed completely within a structure or enclosure which has been approved architecturally by the Architectural Control Committee. All vehicles belonging to Owners, or guests of Owners, must be parked overnight in the Owners' driveway or in the above-mentioned enclosure. In no case may the vehicles of the Owners, or guests of the Owners, be parked overnight on the streets of the subdivision or within the improved yard of the Owners.

2. Yard Care. As soon as the growing season reasonably permits, the grounds around all living units shall be seeded, sodded, or otherwise planted by the Owners thereof with grass or other ground cover or plantings and maintained in a clean and attractive manner free of dust and weeds. All fences on Lots shall be maintained in good repair and in a clean and attractive manner.

B. These Restrictive Covenants shall constitute covenants running with the land, and shall be binding on all persons claiming any interest in the Lot until January 1, 2014. A. Owners personally covenant and agree to pay to the Association such annual and special assessments as fixed and established by the Board of Directors, in accordance with the Bylaws, to be used exclusively for the purpose of

B. The maximum annual assessment for the calendar year 1987 shall be $250.00. Increases in the annual assessment in excess of ten percent (10%) must be approved by fifty percent (50%) of the Members voting at a meeting called for this purpose.

C. In addition to Owners' personal obligation to pay assessments, Owners hereby grant to the Association a continuing lien upon their Lot to secure payment of all assessments on their Lot, including interest, costs, and reasonable attorney's fees. The Association may bring actions at law or equity to enforce payment of delinquent assessments and may enforce the assessment lien in the same manner provided by law with respect to a lien on real property.

D. The assessment lien shall be subordinate to any recorded mortgage or home improvement lien on the Lot. The Secretary of the Association shall be obligated to execute all documents reasonably necessary to subordinate the assessment lien to such other recorded liens.

V. PERSONAL LIABILITY OF OWNERS

In consideration of Owners' agreement to join the Association and pay assessments timely, and the grant of a continuing assessment lien, the Association agrees to take such action as may be reasonably necessary to shield Owners from any personal liability arising out of Owners' membership in the Association. Section 1. Additions to the Properties. At any time before December 31, 1988, Declarant, its successors and assigns, in future stages of development, shall have the right to annex to and bring within the scheme of this Declaration additional properties which are located within the Villages of Woodland Hills.

Section 2. Method of Making Additions. Additions authorized under this Article shall be made by filing for record a Supplemental Declaration of covenants and restrictions with respect to the additional property. Such Supplemental Declaration may contain such additions and modifications of the covenants and restrictions contained in this Declaration as may be necessary to reflect the different character of the added properties in the sole discretion of Declarant. In no event, however, shall such Supplemental Declaration revoke, modify or add to the covenants established by this Declaration with respect to the Properties subject to this Declaration just prior to such Supplemental Declaration being filed for record.

Section 3. Additions by Others. So long as Declarant is a Class B Member, additions may be made by any other owner of property who with the approval of the Board of Directors of the Association desires to add such property located within the boundaries described in Section 1 of this Article II to the scheme of this Declaration and to subject it to the jurisdiction of the Association. When Declarant ceases to be a Class B Member, such additions may be made upon approval of the Association pursuant to a vote of its Members, as provided in its Articles of Incorporation. Such approval by the Board of Directors of Membership shall be evidenced by a certified copy of such resolution of approval recorded in Tarrant County, Texas.

ARTICLE III

ADDITIONAL RESTRICTIONS

Section 1. Keeping of Vehicles on Property. The keeping of mobil homes, with or without wheels, on any lot is expressly prohibited. Motor boats, house boats and similar water borne vehicles or travel trailers may be maintained, stored or kept on any lot provided the same are housed completely within a structure or enclosure which has been approved architecturally by the Architectural Control Committee. All vehicles belonging to occupants must be parked overnight in the occupant's driveway or in the above mentioned enclosure. In no case may the occupant's vehicles be parked overnight on the streets of the subdivision or within the improved yard of the occupant.

Section 2. Yard Care. As soon as the growing season reasonably permits, the grounds around all living units shall be seeded, sodded or otherwise planted by the Owner thereof with grass or other ground cover or plantings and maintained in a clean and attractive manner free of dust and weeds. All fences on Lots shall be maintained in good repair and in a clean and attractive manner.

ARTICLE IV

MEMBERSHIP AND VOTING RIGHTS IN THE ASSOCIATION

Section 1. Membership. Every person or entity who is a record owner of a fee or undivided fee interest in any Lot which is subject by covenants of record to assessment by the Association, including contract sellers, shall be a Member of the Association. The foregoing is not intended to include persons or entities who hold an interest merely as security for the performance of obligation. Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to assessment by the Association. Ownership of such Lot shall be the sole qualification for Membership. When more than one person holds a Membership interest in any Lot, all such persons shall be Members. The vote for such Lot shall be exercised as they among themselves determine, but in no event shall more than one (1) vote be cast with respect to any Lot.

Section 2. Voting Rights. There shall be two classes of voting Membership.

A. Class A Members will be all those Members other than Southcreek, Inc. Class A Members shall be entitled to one vote for each Lot in which they hold the interest required for Membership by Section 1. When Class B Membership has been converted to Class A Membership, all Directors of the Association shall be elected by the Class A Members.

B. The Class B Members shall be Southcreek, Inc. or its successors or assigns. Class B Members shall be entitled to four votes for each Lot owned by the Declarant or its successors or assigns, and shall be entitled to elect all Members of the Board of Directors of the Association. Class B Membership may cease and be converted to Class A Membership at the option of the Class B Member, its successors or assigns by its written notice to the Secretary of the Association, and shall cease and be converted to Class A Membership without further act or deed when the total votes outstanding in the Class A Membership equal the total votes outstanding in the Class B Membership.

C. As long as a Class B Membership exists, Associate Memberships in the Association will not be established by the Board of Directors of the Association without an affirmative vote of a majority of the Class A Members of the Association.

D. Should any builder own any lot which is the subject of these restrictions, that builder shall assign his voting rights to the developer. Said voting rights shall be voted as Class A Membership and not Class B Membership.

ARTICLE V

ADMINISTRATION AND MANAGEMENT

The administration of the Properties shall be governed by these covenants, the Articles of Incorporation, By-Laws, and published rules and regulations of the Association. As shown and reserved to Declarant in the Articles of Incorporation and By-Laws for the Association, the designation and appointment of the Board of Directors for the Association may, at Declarant's option, be exercised solely by the Declarant until the Class B Membership terminates.

ARTICLE VI

PROPERTY RIGHTS IN THE COMMON PROPERTIES

Section 1. Extent of Members' Easements. The rights and easements of enjoyment created hereby shall be subject to the following:

A. The right of the Association to limit the number of guests of Members.

B. The rights of the Declarant and of the Association, in accordance with its Articles and By-Laws, to borrow money for the purpose of improving the Green Area and with written consent of the Members entitled to vote seventy-five percent (75%) the votes of each class of Membership to mortgage said Common Areas and Green Areas as security for any such loan.

C. The right of the Association to promulgate and publish rules and regulations which each Member shall strictly comply with.

Section 2. Personal Property for Common Use. The Association may acquire and hold for the use and benefit of all Members of the Association, tangible and intangible personal property and may dispose of the same by sale or otherwise, and the beneficial interest in any such property shall be owned by the Members of the Association and their interest therein shall not be transferable except that the interest of a Member who is an Owner shall be deemed to be transferred upon the transfer of the Member's Lot. A transfer of a Lot shall transfer to the transferee ownership of the transferor's beneficial interest in such personal property without any reference thereto or execution of a bill of sale. Each Owner may use such personal property in accordance with the purpose for which it is intended, without hindering or encroaching upon the lawful rights of the the other Owners. Sale of a Lot under foreclosure shall thereby entitle the purchaser thereof to the beneficial interest in the personal property associated with the Lot.

ARTICLE VII

COVENANT FOR MAINTENANCE ASSESSMENT

Section 1. Creation of the Lien and Personal Obligation of Assessment. Declarant for each Lot owned by it within the Properties hereby covenants, and each Owner of any Lot by acceptance of the deed therefor, whether or not it shall be so expressed in acceptance of the deed therefor, shall be deemed to covenant and agree to pay to the Association annual assessments and special assessments for capital improvements. Such assessments shall be fixed, established and collected from time to time as hereinafter provided. The annual and special assessments, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall be a continuing lien upon the property against which each such assessment is made from the date hereinafter set forth. Each such assessment, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall also be a personal obligation of the person who is the Owner of such property at the time when the assessment fell due. Such personal obligation shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, enjoyment and welfare of the residents in the Properties and in particular for the improvements and maintenance of property, services and facilities devoted to the purpose and related to the use and enjoyment of homes situated upon the Properties and any other purpose reasonable, necessary or incidental to such purposes.

Section 3. Basis of Annual Assessment. Unless changed by vote of the Membership, as hereinafter provided, the maximum annual assessment for any Lot owned by Class A Members on which is located a single family detached dwelling shall be $250.00 per year. The assessment for Lots owned by Class A Members shall be at such assessment ratio as shall be determined by the Board of Directors for that particular development within six (6) months after its annexation to the Properties, having in mind the additional amenities furnished to the particular Lot not otherwise available to the Members. Such assessment ratio shall not thereafter be changed by the Board of Directors without approval of sixty-six percent (66%) of the Members.

The assessments shall be based upon the cash requirements deemed to be such aggregate sums as the Board of Directors of the Association shall from time to time determine is necessary to provide for the payment of all estimated expenses growing out of or connected with the maintenance and operation of the Green Area, which sum may include, but not limited to, any special assessments on the Common or Green Areas, insurance premiums for vandalism and malicious mischief, with endorsements attached, issued in the amount of the maximum replacement value of all of the Common Area improvements; casualty and public liability and other insurance premiums; landscaping and care of grounds; streets, lighting, repairs and renovations of Common Areas and Green Areas, wages, charges for water used by the Association, grounds maintenance, any expenses of providing security and protection for the Owners, legal and accounting fees, management fees,

expenses and liabilities incurred by the Board of Directors under or by reason of this Declaration, the payment of any deficit remaining for a previous period, the creation of a reasonable contingency or other reserve or surplus funds as well as any and all other costs and expenses necessary to carry out the terms and intent of this Declaration. The Association shall maintain an adequate reserve fund out of the annual assessments rather than by period assessment for the maintenance, repair and replacement of those elements of the Common Area and Green Areas that must be replaced on a periodic basis. The Board of Directors of the Association may after consideration of the current maintenance costs and the financial requirements of the Association fix the annual actual assessment at an amount less than the maximum. Such reserve fund shall not be used to construct or establish new capital improvements without an affirmative vote of one-half of each class of Members.

Any agreement for management of the Associations's business or any other contract for services by the Declarant must provide for termination by either party without cause or payment of a termination fee on thirty (30) days or less written notice and a maximum contract term of three (3) years.

The maximum annual assessment may be changed as follows:

A. From and after January 1, 1986, the maximum annual assessment may be increased each year not more than ten percent (10%) above the maximum assessment for the previous year without a vote of the Membership.

B. From and after January 1, 1988, the maximum annual assessment may be increased above ten percent (10%) by a vote of one-half (1/2) of each class of Members who are voting in person or by proxy, at a meeting duly called for this purpose.

C. The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. Upon vote of the Members of the Association in the manner hereinafter set forth, the Association may levy in addition to annual assessments a special assessment in any calendar year applicable to that year only, for the purpose of defraying in whole or in part the costs of construction or reconstruction or expected repair or replacement of a described capital improvement upon the Common Area or Green Area, including necessary fixtures and personal property related thereto, provided that, any such assessment shall have the assent of sixty percent (60%) of the votes of each class of Members who are voting in person, or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting setting forth the purpose of the meeting. The assessment ratio for any Lot, as determined pursuant to Section 3, shall be applicable to special assessment.

Section 5. Voting and Notices for Special Assessment and Change of Maximum Assessment. Written notice of any meeting of Members called to change the maximum annual assessment or to levy a special assessment shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the date of such meeting, setting forth the purpose of the meeting.

Section 6. Quorum for Action Authorized Under Section 4 and 5. The quorum required for any action authorized in Section 4 and 5 of this Article VI shall be as follows:

At the first meeting called, as provided in Section 4 and 5 hereof, the presence at the meeting of Members, or of proxies entitled to cast sixty percent (60%) of all votes of each class of Membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in Sections 4 and 5 and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessment. The initial annual assessments shall commence on the first day of such month as

determined by the Board of Directors of the Association, shall be made for the balance of the calendar year, and shall be due and payable on the date fixed by the Board. Annual assessments for any year after the first year shall become due and payable on or before February 1 of such year, and at the Board's discretion may be collected on a monthly basis.

The amount of the initial annual assessment for the first year in which assessments are made or for any property which becomes subject to assessments for the first time shall be prorated on a calendar year basis according to the date on which property first became subject to assessment.

The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

Section 8. Duty of the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

Section 9. The Effect of Non-payment of Assessments; Lien of Association. If an assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $20.00 and the assessment shall bear interest at the rate of ten percent (10%) per annum for such due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such Lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Common and Green Areas, specifying and itemizing the maintenance and repair expenses of the Common Areas and Green Areas and any other expenses incurred. Such records and the vouchers authorizing the

payments shall be available on request for examination by the Owners and others with an interest such as encumbrancers or prospective lenders.

Section 12. Protection of Mortgagees. First mortgagees of Lots may pay taxes or other charges or assessments which are in default and which may become a lien against the Common or Green Areas and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Common and Green Areas and the first mortgagees making such payments shall be owed immediately reimbursement therefore from the Association.

IN WITNESS WHEREOF, the undersigned being the Declarant herein has hereunto set its hand and seal as of the day and year first hereinabove set forth.

The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

Class B Members shall be entitled to four votes for each Lot owned by the Declarant or its successors or assigns, and shall be entitled to elect all Members of the Board of Directors of the Association. Class B Membership may cease and be converted to Class A Membership at the option of the Class B Member, its successors or assigns by its written notice to the Secretary of the Association, and shall cease and be converted to Class A Membership without further act or deed when the total votes outstanding in the Class A Membership equal the total votes outstanding in the Class B Membership.

C. As long as a Class B Membership exists, Associate Memberships in the Association will not be established by the Board of Directors of the Association without an affirmative vote of a majority of the Class A Members of the Association.

D. Should any builder own any lot which is the subject of these restrictions, that builder shall assign his voting rights to the developer. Said voting rights shall be voted as Class A Membership and not Class B Membership.

ARTICLE V

ADMINISTRATION AND MANAGEMENT

The administration of the Properties shall be governed by these covenants, the Articles of Incorporation, By-Laws, and published rules and regulations of the Association. As shown and reserved to Declarant in the Articles of Incorporation and By-Laws for the Association, the designation and appointment of the Board of Directors for the Association may, at Declarant's option, be exercised solely by the Declarant until the Class B Membership terminates.

ARTICLE VI

PROPERTY RIGHTS IN THE COMMON PROPERTIES

Section 1. Extent of Members' Easements. The rights and easements of enjoyment created hereby shall be subject to the following:

A. The right of the Association to limit the number of guests of Members.

B. The rights of the Declarant and of the Association, in accordance with its Articles and By-Laws, to borrow money for the purpose of improving the Green Area and with written consent of the Members entitled to vote seventy-five percent (75%) the votes of each class of Membership to mortgage said Common Areas and Green Areas as security for any such loan.

The Association may acquire and hold for the use and benefit of all Members of the Association, tangible and intangible personal property and may dispose of the same by sale or otherwise, and the beneficial interest in any such property shall be owned by the Members of the Association and their interest therein shall not be transferable except that the interest of a Member who is an Owner shall be deemed to be transferred upon the transfer of the Member's Lot. A transfer of a Lot shall transfer to the transferee ownership of the transferor's beneficial interest in such personal property without any reference thereto or execution of a bill of sale. Each Owner may use such personal property in accordance with the purpose for which it is intended, without hindering or encroaching upon the lawful rights of the the other Owners. Sale of a Lot under foreclosure shall thereby entitle the purchase thereof to the beneficial interest in the personal property associated with the Lot.

ARTICLE VII

COVENANT FOR MAINTENANCE ASSESSMENT

Section 1. Creation of the Lien and Personal Obligation of Assessment. Declarant for each Lot owned by it within the Properties hereby covenants, and each Owner of any Lot by acceptance of the deed therefor, whether or not it shall be so expressed in acceptance of the deed therefor, shall be deemed to covenant and agree to pay to the Association annual assessments and special assessments for capital improvements. Such assessments shall be fixed, established and collected from time to time as hereinafter provided. The annual and special assessments, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall be a continuing lien upon the property against which each such assessment is made from the date hereinafter set forth. Each such assessment, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall also be a personal obligation of the person who is the Owner of such property at the time when the assessment fell due. Such personal obligation shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, enjoyment and welfare of the residents in the Properties and in particular for the improvements and maintenance of property, services and facilities devoted to the purpose and related to the use and enjoyment of homes situated upon the Properties and any other purpose reasonable, necessary or incidental to such purposes.

Section 3. Basis of Annual Assessment. Unless changed by vote of the Membership, as hereinafter provided, the maximum annual assessment for any Lot owned by Class A Members on which is located in a single family detached dwelling shall be $250.00 per year. The assessment for Lots owned by Class A Members shall be at such assessment ratio as shall be determined by the Board of Directors for that particular development within six (6) months after its annexation to the Properties, having in mind the additional amenities furnished to the particular Lot not otherwise available to the Members. Such assessment ratio shall not thereafter be changed by the Board of Directors without approval of sixty-six percent (66%) of the Members.

The assessments shall be based upon the cash requirements deemed to be such aggregate sums as the Board of Directors of the Association shall from time to time determine is necessary to provide for the payment of all estimated expenses growing out of or connected with the maintenance and operation of the Green Area, which sum may include, but not limited to, any special assessments on the Common or Green Areas, insurance premiums for vandalism and malicious mischief, with endorsements attached, issued in the amount of the maximum replacement value of all of the Common Area improvements; casualty and public liability and other insurance premiums; landscaping and care of grounds; streets, lighting, repairs and renovations of Common Areas and Green Areas, wages, charges for water used by the Association, grounds maintenance, any expenses of providing security and protection for the Owners, legal and accounting fees, management fees,

expenses and liabilities incurred by the Board of Directors under or by reason of this Declaration, the payment of any deficit remaining for a previous period, the creation of a reasonable contingency or other reserve or surplus funds as well as any and all other costs and expenses necessary to carry out the terms and intent of this Declaration. The Association shall maintain an adequate reserve fund out of the annual assessments rather than by period assessment for the maintenance, repair and replacement of those elements of the Common Area and Green Areas that must be replaced on a periodic basis. The Board of Directors of the Association may after consideration of the current maintenance costs and the financial requirements of the Association fix the annual actual assessment at an amount less than the maximum. Such reserve fund shall not be used to construct or establish new capital improvements without an affirmative vote of one-half of each class of Members.

Any agreement for management of the Associations's business or any other contract for services by the Declarant must provide for termination by either party without cause or payment of a termination fee on thirty (30) days or less written notice and a maximum contract term of three (3) years.

The maximum annual assessment may be changed as follows:

A. From and after January 1, 1988, the maximum annual assessment may be increased each year not more than ten percent (10%) above the maximum assessment for the previous year without a vote of the Membership.

B. From and after January 1, 1988, the maximum annual assessment may be increased above ten percent (10%) by a vote of one-half (1/2) of each class of Members who are voting in person or by proxy, at a meeting duly called for this purpose.

C. The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. Upon vote of the Members of the Association in the manner hereinafter set forth, the Association may levy in addition to annual assessments a special assessment in any calendar year applicable to that year only, for the purpose of defraying in whole or in part the costs of construction or reconstruction or expected repair or replacement of a described capital improvement upon the Common Area or Green Area, including necessary fixtures and personal property related thereto, provided that, any such assessment shall have the assent of sixty percent (60%) of the votes of each class of Members who are voting in person, or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than thirty (30) days nor more that sixty (60) days in advance of the meeting setting forth the purpose of the meeting. The assessment ratio for any Lot, as determined pursuant to Section 3, shall be applicable to special assessment.

Section 5. Voting and Notices for Special Assessment and Change of Maximum Assessment. Written notice of any meeting of Members called to change the maximum annual assessment or to levy a special assessment shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the date of such meeting, setting forth the purpose of the meeting.

Section 6. Quorum for Action Authorized Under Section 4 and 5. The quorum required for any action authorized in Section 4 and 5 of this Article VI shall be as follows:

At the first meeting called, as provided in Section 4 and 5 hereof, the presence at the meeting of Members, or of proxies entitled to cast sixty percent (60%) of all votes of each class of Membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in Sections 4 and 5 and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessment. The initial annual assessments shall commence on the first day of such month as

determined by the Board of Directors of the Association, shall be made for the balance of the calendar year, and shall be due and payable on the date fixed by the Board. Annual assessments for any year after the first year shall become due and payable on or before February 1 of such year, and at the Board's discretion may be collected on a monthly basis.

The amount of the initial annual assessment for the first year in which assessments are made or for any property which becomes subject to assessments for the first time shall be prorated on a calendar year basis according to the date on which property first became subject to assessment.

The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

Section 8. Duty of the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

Section 9. The Effect of Non-payment of Assessments; Lien of Association. If an assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $20.00 and the assessment shall bear interest at the rate of ten percent (10%) per annum for such due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained, in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such Lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Common and Green Areas, specifying and itemizing the maintenance and repair expenses of the Common Areas and Green Areas and any other expenses incurred. Such records and the vouchers authorizing the

payments shall be available on request for examination by the Owners and others with an interest such as encumbrancers or prospective lenders.

Section 12. Protection of Mortgagees. First mortgagees of Lots may pay taxes or other charges or assessments which are in default and which may become a lien against the Common or Green Areas and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Common and Green Areas and the first mortgagees making such payments shall be owed immediately reimbursement therefore from the Association.

IN WITNESS WHEREOF, the undersigned being the Declarant herein has hereunto set its hand and seal as of the day and year first hereinabove set forth.

The foregoing is not intended to include persons or entities who hold an interest merely as security for the performance of obligation. Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to assessment by the Association. Ownership of such Lot shall be the sole qualification for Membership. When more than one person holds a Membership interest in any Lot, all such persons shall be Members. Each Owner may use such personal property in accordance with the purpose for which it is intended, without hindering or encroaching upon the lawful rights of the the other Owners. Sale of a Lot under foreclosure shall thereby entitle the purchase thereof to the beneficial interest in the personal property associated with the Lot.

ARTICLE VII

COVENANT FOR MAINTENANCE ASSESSMENT

Section 1. Creation of the Lien and Personal Obligation of Assessment. Declarant for each Lot owned by it within the Properties hereby covenants, and each Owner of any Lot by acceptance of the deed therefor, whether or not it shall be so expressed in acceptance of the deed therefor, shall be deemed to covenant and agree to pay to the Association annual assessments and special assessments for capital improvements. Such assessments shall be fixed, established and collected from time to time as hereinafter provided. The annual and special assessments, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall be a continuing lien upon the property against which each such assessment is made from the date hereinafter set forth. Each such assessment, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall also be a personal obligation of the person who is the Owner of such property at the time when the assessment fell due. Such personal obligation shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by; the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, enjoyment and welfare of the residents in the Properties and in particular for the improvements and maintenance of property, services and facilities devoted to the purpose and related to the use and enjoyment of homes situated upon the Properties and any other purpose reasonable, necessary or incidental to such purposes.

The assessment for Lots owned by Class A Members shall be at such assessment ratio as shall be determined by the Board of Directors for that particular development within six (6) months after its annexation to the Properties, having in mind the additional amenities furnished to the particular Lot not otherwise available to the Members. Such assessment ratio shall not thereafter be changed by the Board of Directors without approval of sixty-six percent (66%) of the Members.

The assessments shall be based upon the cash requirements deemed to be such aggregate sums as the Board of Directors of the Association shall from time to time determine is necessary to provide for the payment of all estimated expenses growing out of or connected with the maintenance and operation of the Green Area, which sum may include, but not limited to, any special assessments on the Common or Green Areas, insurance premiums for vandalism and malicious mischief, with endorsements attached, issued in the amount of the maximum replacement value of all of the Common Area improvements; casualty and public liability and other insurance premiums; landscaping and care of grounds; streets, lighting, repairs and renovations of Common Areas and Green Areas, wages, charges for water used by the Association, grounds maintenance, any expenses of providing security and protection for the Owners, legal and accounting fees, management fees,

The Board of Directors of the Association may after consideration of the current maintenance costs and the financial requirements of the Association fix the annual actual assessment at an amount less than the maximum. Such reserve fund shall not be used to construct or establish new capital improvements without an affirmative vote of one-half of each class of Members.

Any agreement for management of the Associations's business or any other contract for services by the Declarant must provide for termination by either party without cause or payment of a termination fee on thirty (30) days or less written notice and a maximum contract term of three (3) years.

The maximum annual assessment may be changed as follows:

A. From and after January 1, 1988, the maximum annual assessment may be increased each year not more than ten percent (10%) above the maximum assessment for the previous year without a vote of the Membership.

B. From and after January 1, 1988, the maximum annual assessment may be increased above ten percent (10%) by a vote of one-half (1/2) of each class of Members who are voting in person or by proxy, at a meeting duly called for this purpose.

C. The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. Upon vote of the Members of the Association in the manner hereinafter set forth, the Association may levy in addition to annual assessments a special assessment in any calendar year applicable to that year only, for the purpose of defraying in whole or in part the costs of construction or reconstruction or expected repair or replacement of a described capital improvement upon the Common Area or Green Area, including necessary fixtures and personal property related thereto, provided that, any such assessment shall have the assent of sixty percent (60%) of the votes of each class of Members who are voting in person, or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than thirty (30) days nor more that sixty (60) days in advance of the meeting setting forth the purpose of the meeting. The assessment ratio for any Lot, as determined pursuant to Section 3, shall be applicable to special assessment.

Section 5. Voting and Notices for Special Assessment and Change of Maximum Assessment. Written notice of any meeting of Members called to change the maximum annual assessment or to levy a special assessment shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the date of such meeting, setting forth the purpose of the meeting.

Section 6. Quorum for Action Authorized Under Section 4 and 5. The quorum required for any action authorized in Section 4 and 5 of this Article VI shall be as follows:

At the first meeting called, as provided in Section 4 and 5 hereof, the presence at the meeting of Members, or of proxies entitled to cast sixty percent (60%) of all votes of each class of Membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in Sections 4 and 5 and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessment. The initial annual assessments shall commence on the first day of such month as

determined by the Board of Directors of the Association, shall be made for the balance of the calendar year, and shall be due and payable on the date fixed by the Board. Annual assessments for any year after the first year shall become due and payable on or before February 1 of such year, and at the Board's discretion may be collected on a monthly basis.

The amount of the initial annual assessment for the first year in which assessments are made or for any property which becomes subject to assessments for the first time shall be prorated on a calendar year basis according to the date on which property first became subject to assessment.

The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

Section 8. Duty of the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

Section 9. The Effect of Non-payment of Assessments; Lien of Association. If an assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $20.00 and the assessment shall bear interest at the rate of ten percent (10%) per annum for such due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such Lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Common and Green Areas, specifying and itemizing the maintenance and repair expenses of the Common Areas and Green Areas and any other expenses incurred. Such records and the vouchers authorizing the

payments shall be available on request for examination by the Owners and others with an interest such as encumbrancers or prospective lenders.

ARTICLE IV

MEMBERSHIP AND VOTING RIGHTS IN THE ASSOCIATION

V 8659 937

Section 1. Membership. Every person or entity who is a record owner of a fee or undivided fee interest in any Lot which is subject by covenants of record to assessment by the Association, including contract sellers, shall be a Member of the Association. The foregoing is not intended to include persons or entities who hold an interest merely as security for the performance of obligation. Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to assessment by the Association. Ownership of such Lot shall be the sole qualification for Membership. When more than one person holds a Membership interest in any lot, all such persons shall be Members. The vote for such Lot shall be exercised as they among themselves determine, but in no event shall more than one (1) vote be cast with respect to any Lot.

Section 2. Voting Rights. There shall be two classes of voting Membership.

A. Class A Members will be all those Members other than Southcreek, Inc. Class A Members shall be entitled to one vote for each Lot in which they hold the interest required for Membership by Section 1. When Class B Membership has been coverted to Class A Membership, all Directors of the Association shall be elected by the Class A Members.

B. The Class B Members shall be Southcreek, Inc. or its successors or assigns. Class B Members shall be entitled to four votes for each Lot owned by the Declarant or its successors or assigns, and shall be entitled to elect all Members of the Board of Directors of the Association. Class B Membership may cease and be converted to Class A Membership at the option of the Class B Member, its successors or assigns by its written notice to the Secretary of the Association, and shall cease and be converted to Class A Membership without further act or deed when the total votes outstanding in the Class A Membership equal the total votes outstanding in the Class B Membership.

C. As long as a Class B Membership exists, Associate Memberships in the Association will not be established by the Board of Directors of the Association without an affirmative vote of a majority of the Class A Members of the Association.

D. Should any builder own any lot which is the subject of these restrictions, that builder shall assign his voting rights to the developer. Said voting rights shall be voted as Class A Membership and not Class B Membership.

ARTICLE V

ADMINISTRATION AND MANAGEMENT

The administration of the Properties shall be governed by these covenants, the Articles of Incorporation, By-Laws, and published rules and regulations of the Association. As shown and reserved to Declarant in the Articles of Incorporation and By-Laws for the Association, the designation and appointment of the Board of Directors for the Association may, at Declarant's option, be exercised solely by the Declarant until the Class B Membership terminates.

ARTICLE VI

PROPERTY RIGHTS IN THE COMMON PROPERTIES

Section 1. Extent of Members' Easements. The rights and easements of enjoyment created hereby shall be subject to the following:

A. The right of the Association to limit the number of guests of Members.

B. The rights of the Declarant and of the Association, in accordance with its Articles and By-Laws, to borrow money for the purpose of improving the Green Area and with written consent of the Members entitled to vote seventy-five percent (75%) the votes of each class of Membership to mortgage said Common Areas and Green Areas as security for any such loan.

C. The right of the Association to promulgate and publish rules and regulations which each Member shall strictly comply with.

Section 2. Personal Property for Common Use. The Association may acquire and hold for the use and benefit of all Members of the Association, tangible and intangible personal property and may dispose of the same by sale or otherwise, and the beneficial interest in any such property shall be owned by the Members of the Association and their interest therein shall not be transferable except that the interest of a Member who is an Owner shall be deemed to be transferred upon the transfer of the Member's Lot. A transfer of a Lot shall transfer to the transferee ownership of the transferor's beneficial interest in such personal property without any reference thereto or execution of a bill of sale. Each Owner may use such personal property in accordance with the purpose for which it is intended, without hindering or encroaching upon the lawful rights of the the other Owners. Sale of a Lot under foreclosure shall thereby entitle the purchase thereof to the beneficial interest in the personal property associated with the Lot.

ARTICLE VII

COVENANT FOR MAINTENANCE ASSESSMENT

Section 1. Creation of the Lien and Personal Obligation of Assessment. Declarant for each Lot owned by it within the Properties hereby covenants, and each Owner of any Lot by acceptance of the deed therefor, whether or not it shall be so expressed in acceptance of the deed therefor, shall be deemed to covenant and agree to pay to the Association annual assessments and special assessments for capital improvements. Such assessments shall be fixed, established and collected from time to time as hereinafter provided. The annual and special assessments, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall be a continuing lien upon the property against which each such assessment is made from the date hereinafter set forth. Each such assessment, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall also be a personal obligation of the person who is the Owner of such property at the time when the assessment fell due. Such personal obligation shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, enjoyment and welfare of the residents in the Properties and in particular for the improvements and maintenance of property, services and facilities devoted to the purpose and related to the use and enjoyment of homes situated upon the Properties and any other purpose reasonable, necessary or incidental to such purposes.

Section 3. Basis of Annual Assessment. Unless changed by vote of the Membership, as hereinafter provided, the maximum annual assessment for any Lot owned by Class A Members on which is located in a single family detached dwelling shall be $250.00 per year. The assessment for Lots owned by Class A Members shall be at such assessment ratio as shall be determined by the Board of Directors for that particular development within six (6) months after its annexation to the Properties, having in mind the additional amenities furnished to the particular Lot not otherwise available to the Members. Such assessment ratio shall not thereafter be changed by the Board of Directors without approval of sixty-six percent (66%) of the Members.

The assessments shall be based upon the cash requirements deemed to be such aggregate sums as the Board of Directors of the Association shall from time to time determine is necessary to provide for the payment of all estimated expenses growing out of or connected with the maintenance and operation of the Green Area, which sum may include, but not limited to, any special assessments on the Common or Green Areas, insurance premiums for vandalism and malicious mischief, with endorsements attached, issued in the amount of the maximum replacement value of all of the Common Area improvements; casualty and public liability and other insurance premiums; landscaping and care of grounds; streets, lighting, repairs and renovations of Common Areas and Green Areas, wages, charges for water used by the Association, grounds maintenance, any expenses of providing security and protection for the Owners, legal and accounting fees, management fees,

expenses and liabilities incurred by the Board of Directors under or by reason of this Declaration, the payment of any deficit remaining for a previous period, the creation of a reasonable contingency or other reserve or surplus funds as well as any and all other costs and expenses necessary to carry out the terms and intent of this Declaration. The Association shall maintain an adequate reserve fund out of the annual assessments rather than by period assessment for the maintenance, repair and replacement of those elements of the Common Area and Green Areas that must be replaced on a periodic basis. The Board of Directors of the Association may after consideration of the current maintenance costs and the financial requirements of the Association fix the annual actual assessment at an amount less than the maximum. Such reserve fund shall not be used to construct or establish new capital improvements without an affirmative vote of one-half of each class of Members.

Any agreement for management of the Associations's business or any other contract for services by the Declarant must provide for termination by either party without cause or payment of a termination fee on thirty (30) days or less written notice and a maximum contract term of three (3) years.

The maximum annual assessment may be changed as follows:

A. From and after January 1, 1988, the maximum annual assessment may be increased each year not more than ten percent (10%) above the maximum assessment for the previous year without a vote of the Membership.

B. From and after January 1, 1988, the maximum annual assessment may be increased above ten percent (10%) by a vote of one-half (1/2) of each class of Members who are voting in person or by proxy, at a meeting duly called for this purpose.

C. The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. Upon vote of the Members of the Association in the manner hereinafter set forth, the Association may levy in addition to annual assessments a special assessment in any calendar year applicable to that year only, for the purpose of defraying in whole or in part the costs of construction or reconstruction or expected repair or replacement of a described capital improvement upon the Common Area or Green Area, including necessary fixtures and personal property related thereto, provided that, any such assessment shall have the assent of sixty percent (60%) of the votes of each class of Members who are voting in person, or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than thirty (30) days nor more that sixty (60) days in advance of the meeting, setting forth the purpose of the meeting. The assessment ratio for any Lot, as determined pursuant to Section 3, shall be applicable to special assessment.

Section 5. Voting and Notices for Special Assessment and Change of Maximum Assessment. Written notice of any meeting of Members called to change the maximum annual assessment or to levy a special assessment shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the date of such meeting, setting forth the purpose of the meeting.

Section 6. Quorum for Action Authorized Under Section 4 and 5. The quorum required for any action authorized in Section 4 and 5 of this Article VI shall be as follows:

At the first meeting called, as provided in Section 4 and 5 hereof, the presence at the meeting of Members, or of proxies entitled to cast, sixty percent (60%) of all votes of each class of Membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in Sections 4 and 5 and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessment. The initial annual assessments shall commence on the first day of such month as

VL 8659 940

determined by the Board of Directors of the Association, shall be made for the balance of the calendar year, and shall be due and payable on the date fixed by the Board. Annual assessments for any year after the first year shall become due and payable on or before February 1 of such year, and at the Board's discretion may be collected on a monthly basis.

The amount of the initial annual assessment for the first year in which assessments are made or for any property which becomes subject to assessments for the first time shall be prorated on a calendar year basis according to the date on which property first became subject to assessment.

The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

Section 8. Duty of the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

Section 9. The Effect of Non-payment of Assessments; Lien of Association. If an assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $20.00 and the assessment shall bear interest at the rate of ten percent (10%) per annum for such due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure, under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such Lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Common and Green Areas, specifying and itemizing the maintenance and repair expenses of the Common Areas and Green Areas and any other expenses incurred. Such records and the vouchers authorizing the

payments shall be available on request for examination by the Owners and others with an interest such as encumbrancers or prospective lenders.

Section 12. Protection of Mortgagees. First mortgagees of Lots may pay taxes or other charges or assessments which are in default and which may become a lien against the Common or Green Areas and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Common and Green Areas and the first mortgagees making such payments shall be owed immediately reimbursement therefore from the Association.

IN WITNESS WHEREOF, the undersigned being the Declarant herein has hereunto set its hand and seal as of the day and year first hereinabove set forth.

Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to assessment by the Association. Ownership of such Lot shall be the sole qualification for Membership. When more than one person holds a Membership interest in any Lot, all such persons shall be Members. C. As long as a Class B Membership exists, Associate Memberships in the Association will not be established by the Board of Directors of the Association without an affirmative vote of a majority of the Class A Members of the Association.

D. Should any builder own any lot which is the subject of these restrictions, that builder shall assign his voting rights to the developer. Said voting rights shall be voted as Class A Membership and not Class B Membership.

ARTICLE V

ADMINISTRATION AND MANAGEMENT

The administration of the Properties shall be governed by these covenants, the Articles of Incorporation, By-Laws, and published rules and regulations of the Association. As shown and reserved to Declarant in the Articles of Incorporation and By-Laws for the Association, the designation and appointment of the Board of Directors for the Association may, at Declarant's option, be exercised solely by the Declarant until the Class B Membership terminates.

A transfer of a Lot shall transfer to the transferee ownership of the transferor's beneficial interest in such personal property without any reference thereto or execution of a bill of sale. Each Owner may use such personal property in accordance with the purpose for which it is intended, without hindering or encroaching upon the lawful rights of the the other Owners. Sale of a Lot under foreclosure shall thereby entitle the purchase thereof to the beneficial interest in the personal property associated with the Lot.

ARTICLE VII

COVENANT FOR MAINTENANCE ASSESSMENT

Section 1. Creation of the Lien and Personal Obligation of Assessment. Declarant for each Lot owned by it within the Properties hereby covenants, and each Owner of any Lot by acceptance of the deed therefor, whether or not it shall be so expressed in acceptance of the deed therefor, shall be deemed to covenant and agree to pay to the Association annual assessments and special assessments for capital improvements. Such assessments shall be fixed, established and collected from time to time as hereinafter provided. The annual and special assessments, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall be a continuing lien upon the property against which each such assessment is made from the date hereinafter set forth. Each such assessment, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall also be a personal obligation of the person who is the Owner of such property at the time when the assessment fell due. Such personal obligation shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, enjoyment and welfare of the residents in the Properties and in particular for the improvements and maintenance of property, services and facilities devoted to the purpose and related to the use and enjoyment of homes situated upon the Properties and any other purpose reasonable, necessary or incidental to such purposes.

Section 3. Basis of Annual Assessment. Unless changed by vote of the Membership, as hereinafter provided, the maximum annual assessment for any Lot owned by Class A Members on which is located in a single family detached dwelling shall be $250.00 per year. The assessment for Lots owned by Class A Members shall be at such assessment ratio as shall be determined by the Board of Directors for that particular development within six (6) months after its annexation to the Properties, having in mind the additional amenities furnished to the particular Lot not otherwise available to the Members. Such assessment ratio shall not thereafter be changed by the Board of Directors without approval of sixty-six percent (66%) of the Members.

The assessments shall be based upon the cash requirements deemed to be such aggregate sums as the Board of Directors of the Association shall from time to time determine is necessary to provide for the payment of all estimated expenses growing out of or connected with the maintenance and operation of the Green Area, which sum may include, but not limited to, any special assessments on the Common or Green Areas, insurance premiums for vandalism and malicious mischief, with endorsements attached, issued in the amount of the maximum replacement value of all of the Common Area improvements; casualty and public liability and other insurance premiums; landscaping and care of grounds; streets, lighting, repairs and renovations of Common Areas and Green Areas, wages, charges for water used by the Association, grounds maintenance, any expenses of providing security and protection for the Owners, legal and accounting fees, management fees,

expenses and liabilities incurred by the Board of Directors under or by reason of this Declaration, the payment of any deficit remaining for a previous period, the creation of a reasonable contingency or other reserve or surplus funds as well as any and all other costs and expenses necessary to carry out the terms and intent of this Declaration. The Association shall maintain an adequate reserve fund out of the annual assessments rather than by period assessment for the maintenance, repair and replacement of those elements of the Common Area and Green Areas that must be replaced on a periodic basis. The Board of Directors of the Association may after consideration of the current maintenance costs and the financial requirements of the Association fix the annual actual assessment at an amount less than the maximum. Such reserve fund shall not be used to construct or establish new capital improvements without an affirmative vote of one-half of each class of Members.

Any agreement for management of the Associations's business or any other contract for services by the Declarant must provide for termination by either party without cause or payment of a termination fee on thirty (30) days or less written notice and a maximum contract term of three (3) years.

The maximum annual assessment may be changed as follows:

A. From and after January 1, 1988, the maximum annual assessment may be increased each year not more than ten percent (10%) above the maximum assessment for the previous year without a vote of the Membership.

B. From and after January 1, 1988, the maximum annual assessment may be increased above ten percent (10%) by a vote of one-half (1/2) of each class of Members who are voting in person or by proxy, at a meeting duly called for this purpose.

C. The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. Upon vote of the Members of the Association in the manner hereinafter set forth, the Association may levy in addition to annual assessments a special assessment in any calendar year applicable to that year only, for the purpose of defraying in whole or in part the costs of construction or reconstruction or expected repair or replacement of a described capital improvement upon the Common Area or Green Area, including necessary fixtures and personal property related thereto, provided that, any such assessment shall have the assent of sixty percent (60%) of the votes of each class of Members who are voting in person, or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than thirty (30) days nor more that sixty (60) days in advance of the meeting setting forth the purpose of the meeting. The assessment ratio for any lot, as determined pursuant to Section 3, shall be applicable to special assessment.

Section 5. Voting and Notices for Special Assessment and Change of Maximum Assessment. Written notice of any meeting of Members called to change the maximum annual assessment or to levy a special assessment shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the date of such meeting, setting forth the purpose of the meeting.

Section 6. Quorum for Action Authorized Under Section 4 and 5. The quorum required for any action authorized in Section 4 and 5 of this Article VI shall be as follows:

At the first meeting called, as provided in Section 4 and 5 hereof, the presence at the meeting of Members, or of proxies entitled to cast sixty percent (60%) of all votes of each class of Membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in Sections 4 and 5 and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessment. The initial annual assessments shall commence on the first day of such month as

determined by the Board of Directors of the Association, shall be made for the balance of the calendar year, and shall be due and payable on the date fixed by the Board. Annual assessments for any year after the first year shall become due and payable on or before February 1 of such year, and at the Board's discretion may be collected on a monthly basis.

The amount of the initial annual assessment for the first year in which assessments are made or for any property which becomes subject to assessments for the first time shall be prorated on a calendar year basis according to the date on which property first became subject to assessment.

The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

Section 8. Duty of the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

Section 9. The Effect of Non-payment of Assessments; Lien of Association. If an assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $20.00 and the assessment shall bear interest at the rate of ten percent (10%) per annum for such due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such Lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Common and Green Areas, specifying and itemizing the maintenance and repair expenses of the Common Areas and Green Areas and any other expenses incurred. Such records and the vouchers authorizing the

payments shall be available on request for examination by the Owners and others with an interest such as encumbrancers or prospective lenders.

Section 12. Protection of Mortgagees. First mortgagees of lots may pay taxes or other charges or assessments which are in default and which may become a lien against the Common or Green Areas and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Common and Green Areas and the first mortgagees making such payments shall be owed immediately reimbursement therefore from the Association.

IN WITNESS WHEREOF, the undersigned being the Declarant herein has hereunto set its hand and seal as of the day and year first hereinabove set forth.

If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in Sections 4 and 5 and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

Section 8. Duty of the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

Section 9. The Effect of Non-payment of Assessments; Lien of Association. If an assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $20.00 and the assessment shall bear interest at the rate of ten percent (10%) per annum for such due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such Lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Common and Green Areas, specifying and itemizing the maintenance and repair expenses of the Common Areas and Green Areas and any other expenses incurred. Such records and the vouchers authorizing the

payments shall be available on request for examination by the Owners and others with an interest such as encumbrancers or prospective lenders.

Section 12. Protection of Mortgagees. First mortgagees of Lots may pay taxes or other charges or assessments which are in default and which may become a lien against the Common or Green Areas and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Common and Green Areas and the first mortgagees making such payments shall be owed immediately reimbursement therefore from the Association.

IN WITNESS WHEREOF, the undersigned being the Declarant herein has hereunto set its hand and seal as of the day and year first hereinabove set forth.

C. "Bylaws" shall mean the Bylaws of the Association.

D. "Common Areas" shall mean the areas designated for recreational use for the common enjoyment of all the residents in the Villages of Woodland Hills.

E. "Lot" shall mean Lot 8, Block 18, in Woodland Hills, Sixth Filing, an Addition to the City of Colleyville, Tarrant County, Texas.

H. "Restrictive Covenants" shall mean certain Restrictive Covenants covering Phase II, Sixth Filing, Woodland Hills, recorded in Volume 8008, Page 769, of the Deed Records of Tarrant County, Texas.

II. ADDITIONAL RESTRICTIONS

A. Owners hereby ratify and confirm the existing Restrictive Covenants previously filed and hereby impress the following restrictions upon their Lot in addition to the Restrictive Covenants already filed:

1. Keeping of Vehicles on Property. The keeping of mobile homes, with or without wheels, on the Lot is expressly prohibited. Motor boats, house boats, and similar water-borne vehicles or travel trailers may be maintained, stored, or kept on the Lot provided the same are housed completely within a structure or enclosure which has been approved architecturally by the Architectural Control Committee. All vehicles belonging to Owners, or guests of Owners, must be parked overnight in the Owners' driveway or in the above-mentioned enclosure. In no case may the vehicles of the Owners, or guests of the Owners, be parked overnight on the streets of the subdivision or within the improved yard of the Owners.

2. Yard Care. As soon as the growing season reasonably permits, the grounds around all living units shall be seeded, sodded, or otherwise planted by the Owners thereof with grass or other ground cover or plantings and maintained in a clean and attractive manner free of dust and weeds. All fences on Lots shall be maintained in good repair and in a clean and attractive manner.

B. These Restrictive Covenants shall constitute covenants running with the land, and shall be binding on all persons claiming any interest in the Lot until January 1, 2014. On that date, these covenants shall be automatically extended for successive periods of ten (10) years, unless a majority of the owners of the lots affected by the Restrictive Covenants agree to change any Restrictive Covenants.

By signing this Agreement, Owners agree to become Members of the Association, and agree to abide by the Articles of Incorporation and Bylaws of the Association, and the terms of this Agreement.

IV. COVENANT FOR ASSESSMENT AND LIEN

A. Owners personally covenant and agree to pay to the Association such annual and special assessments as fixed and established by the Board of Directors, in accordance with the Bylaws, to be used exclusively for the purpose of

promoting the recreation, health, safety, enjoyment, and welfare of the owners of the lots in the Villages of Woodland Hills, and for the improvement and maintenance of the Common Areas.

B. The maximum annual assessment for the calendar year 1987 shall be $250.00. Beginning January 1, 1988, the annual assessment may be increased not more than ten percent (10%) above the previous year's annual assessment by majority vote of the Board of Directors. Increases in the annual assessment in excess of ten percent (10%) must be approved by fifty percent (50%) of the Members voting at a meeting called for this purpose.

C. In addition to Owners' personal obligation to pay assessments, Owners hereby grant to the Association a continuing lien upon their Lot to secure payment of all assessments on their Lot, including interest, costs, and reasonable attorney's fees. The Association may bring actions at law or equity to enforce payment of delinquent assessments and may enforce the assessment lien in the same manner provided by law with respect to a lien on real property.

D. The assessment lien shall be subordinate to any recorded mortgage or home improvement lien on the Lot. The Secretary of the Association shall be obligated to execute all documents reasonably necessary to subordinate the assessment lien to such other recorded liens.

V. PERSONAL LIABILITY OF OWNERS

In consideration of Owners' agreement to join the Association and pay assessments timely, and the grant of a continuing assessment lien, the Association agrees to take such action as may be reasonably necessary to shield Owners from any personal liability arising out of Owners' membership in the Association. Such action shall include, but not be limited to, obtaining and maintaining reasonable insurance coverage on the Common Areas.

VI. GENERAL PROVISIONS

A. Revocation and Amendment. This Agreement, and any Restrictive Covenant affecting the Lot, may be amended by the approval in writing of three-fourths majority of the Members voting at any duly called meeting of the Association.

B. Enforcement. The Association or the Owners may enforce this Agreement by proceedings at law or in equity. The prevailing party shall recover reasonable attorney's fees and related costs.

C. Severability. Invalidation of any one of the terms and provisions of this Agreement shall in no wise effect any other provisions which shall remain in full force and effect.

Section 2. Method of Making Additions. Such Supplemental Declaration may contain such additions and modifications of the covenants and restrictions contained in this Declaration as may be necessary to reflect the different character of the added properties in the sole discretion of Declarant. In no event, however, shall such Supplemental Declaration revoke, modify or add to the covenants established by this Declaration with respect to the properties subject to this Declaration just prior to such Supplemental Declaration being filed for record.

All fences on Lots shall be maintained in good repair and in a clean and attractive manner.

ARTICLE IV

MEMBERSHIP AND VOTING RIGHTS IN THE ASSOCIATION

Section 1. Membership. Every person or entity who is a record owner of a fee or undivided fee interest in any Lot which is subject by covenants of record to assessment by the Association, including contract sellers, shall be a Member of the Association. The foregoing is not intended to include persons or entities who hold an interest merely as security for the performance of obligation. Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to assessment by the Association. Ownership of such Lot shall be the sole qualification for Membership. When more than one person holds a Membership interest in any Lot, all such persons shall be Members. The vote for such Lot shall be exercised as they among themselves determine, but in no event shall more than one (1) vote be cast with respect to any Lot.

Section 2. Voting Rights. There shall be two classes of voting Membership.

A. Class A Members will be all those Members other than Southtech, Inc. Class A Members shall be entitled to one vote for each Lot in which they hold the interest required for Membership by Section 1. When Class B Membership has been coverted to Class A Membership, all Directors of the Association shall be elected by the Class A Members.

B. The Class B Members shall be Southtech, Inc. or its successors or assigns. Class B Members shall be entitled to four votes for each Lot owned by the Declarant or its successors or assigns, and shall be entitled to elect all Members of the Board of Directors of the Association. Class B Membership may cease and be converted to Class A Membership at the option of the Class B Member, its successors or assigns by its written notice to the Secretary of the Association, and shall cease and be converted to Class A Membership without further act or deed when the total votes outstanding in the Class A Membership equal the total votes outstanding in the Class B Membership.

C. As long as a Class B Membership exists, Associate Memberships in the Association will not be established by the Board of Directors of the Association without an affirmative vote of a majority of the Class A Members of the Association.

D. Should any builder own any Lot which is the subject of these restrictions, that builder shall assign his voting rights to the developer. Said voting rights shall be voted as Class A Membership and not Class B Membership.

ARTICLE V

ADMINISTRATION AND MANAGEMENT

The administration of the properties shall be governed by these covenants, the Articles of Incorporation, By-Laws, and published rules and regulations of the Association. As shown and reserved to Declarant in the Articles of Incorporation and By-Laws for the Association, the designation and appointment of the Board of Directors for the Association may, at Declarant's option, be exercised solely by the Declarant until the Class B Membership terminates.

ARTICLE VI

PROPERTY RIGHTS IN THE COMMON FACILITIES

Section 1. Extent of Members' Easement. The rights and easements of enjoyment created hereby shall be subject to the following:

A. The right of the Association to limit the number of guests of Members.

B. The rights of the Declarant and of the Association, in accordance with its Articles and By-Laws, to borrow money for the purpose of improving the Green Area and with written consent of the Members entitled to vote seventy-five percent (75%) the votes of each class of Membership to mortgage said Common Areas and Green Areas as security for any such loan.

C. The right of the Association to promulgate and publish rules and regulations which each Member shall strictly comply with.

Section 2. Personal Property for Common Use. The Association may acquire and hold for the use and benefit of all Members of the Association, tangible and intangible personal property and may dispose of the same by sale or otherwise, and the beneficial interest in any such property shall be owned by the Members of the Association and their interest therein shall not be transferable except that the interest of a Member who is an Owner shall be deemed to be transferred upon the transfer of the Member's Lot. A transfer of a Lot shall transfer to the transferee ownership of the transferor's beneficial interest in such personal property without any reference thereto or execution of a bill of sale. Each Owner may use such personal property in accordance with the purpose for which it is intended, without hindering or encroaching upon the lawful rights of the the other Owners. Sale of a Lot under foreclosure shall thereby entitle the purchase thereof to the beneficial interest in the personal property associated with the Lot.

ARTICLE VII

COVENANT FOR MAINTENANCE ASSESSMENT

Section 1. Creation of the Lien and Personal Obligation of Assessment. Declarant for each Lot owned by it within the Properties hereby covenants, and each Owner of any Lot by acceptance of the deed therefor, whether or not it shall be so expressed in acceptance of the deed therefor, shall be deemed to covenant and agree to pay to the Association annual assessments and special assessments for capital improvements. Such assessments shall be fixed, established and collected from time to time as hereinafter provided. The annual and special assessments, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall be a continuing lien upon the property against which each such assessment is made from the date hereinafter set forth. Each such assessment, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall also be a personal obligation of the person who is the Owner of such property at the time when the assessment fell due. Such personal obligation shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessment. The assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, enjoyment and welfare of the residents in the Properties and in particular for the improvements and maintenance of property, services and facilities devoted to the purpose and related to the use and enjoyment of homes situated upon the Properties and any other purpose reasonable, necessary or incidental to such purposes.

Section 3. Basis of Annual Assessment. Unless changed by vote of the Membership, as hereinafter provided, the maximum annual assessment for any Lot owned by Class A Members on which is located a single family detached dwelling shall be $250.00 per year. The assessment for Lots owned by Class A Members shall be at such assessment ratio as shall be determined by the Board of Directors for that particular development within six (6) months after its annexation to the Properties, having in mind the additional amenities furnished to the particular Lot not otherwise available to the Members. Such assessment ratio shall not thereafter be changed by the Board of Directors without approval of sixty-six percent (66%) of the Members.

The assessments shall be based upon the cash requirements deemed to be such aggregate sums as the Board of Directors of the Association shall from time to time determine is necessary to provide for the payment of all estimated expenses growing out of or connected with the maintenance and operation of the Green Area, which sum may include, but not limited to, any special assessments on the Common or Green Areas, insurance premiums for vandalism and malicious mischief, with endorsements attached, issued in the amount of the maximum replacement value of all of the Common Area improvements; casualty and public liability and other insurance premiums; landscaping and care of grounds; streets, lighting, repairs and renovations of Common Areas and Green Areas, wages, charges for water used by the Association, grounds maintenance, any expenses of providing security and protection for the Owners, legal and accounting fees, management fees,

expenses and liabilities incurred by the Board of Directors under or by reason of this Declaration, the payment of any deficit remaining for a previous period, the creation of a reasonable contingency or other reserve or surplus funds as well as any and all other costs and expenses necessary to carry out the terms and intent of this Declaration. The Association shall maintain an adequate reserve fund out of the annual assessments rather than by period assessment for the maintenance, repair and replacement of those elements of the Common Area and Green Areas that must be replaced on a periodic basis. The Board of Directors of the Association may after consideration of the current maintenance costs and the financial requirements of the Association fix the annual actual assessment at an amount less than the maximum. Such reserve fund shall not be used to construct or establish new capital improvements without an affirmative vote of one-half of each class of Members.

Any agreement for management of the Associations's business or any other contract for services by the vendorant must provide for termination by either party without cause or payment of a termination fee on thirty (30) days or less written notice and a maximum contract term of three (3) years.

The maximum annual assessment may be changed as follows:

A. From and after January 1, 1986, the maximum annual assessment may be increased each year not more than ten percent (10%) above the maximum assessment for the previous year without a vote of the Membership.

B. From and after January 1, 1988, the maximum annual assessment may be increased above ten percent (10%) by a vote of one-half (1/2) of each class of Members who are voting in person or by proxy, at a meeting duly called for this purpose.

C. The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. Upon vote of the Members of the Association in the manner hereinafter set forth, the Association may levy in addition to annual assessments a special assessment in any calendar year applicable to that year only, for the purpose of defraying in whole or in part the costs of construction or reconstruction or expected repair or replacement of a described capital improvement upon the Common Area or Green Area, including necessary fixtures and personal property related thereto, provided that, any such assessment shall have the assent of sixty percent (60%) of the votes of each class of Members who are voting in person, or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than thirty (30) days nor more that sixty (60) days in advance of the meeting setting forth the purpose of the meeting. The assessment ratio for any Lot, as determined pursuant to Section 3, shall be applicable to special assessment.

Section 5. Notice and Quorum for Special Assessment and Change of Maximum Assessment. Written notice of any meeting of Members called to change the maximum annual assessment or to levy a special assessment shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the date of such meeting, setting forth the purpose of the meeting.

Section 6. Quorum for Action Authorized Under Sections 4 and 5. The quorum required for any action authorized in Section 4 and 5 of this Article VI shall be as follows:

At the first meeting called, as provided in Section 4 and 5 hereof, the presence at the meeting of Members, or of proxies entitled to cast sixty percent (60%) of all votes of each class of Membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in Sections 4 and 5 and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessment. The initial annual assessments shall commence on the first day of such month as

determined by the Board of Directors of the Association, shall be made for the balance of the calendar year, and shall be due and payable on the date fixed by the Board. Annual assessments for any year after the first year shall become due and payable on or before February 1 of such year, and at the Board's discretion may be collected on a monthly basis.

The amount of the initial annual assessment for the first year in which assessments are made or for any property which becomes subject to assessments for the first time shall be prorated on a calendar year basis according to the date on which property first became subject to assessment.

The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

Section 8. Duty of the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

Section 9. The Effect of Non-payment of Assessments; Lien of Association. If an assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $20.00 and the assessment shall bear interest at the rate of ten percent (10%) per annum for such due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such Lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Common and Green Areas, specifying and itemizing the maintenance and repair expenses of the Common Areas and Green Areas and any other expenses incurred. Such records and the vouchers authorizing the

payments shall be available on request for examination by the Owners and others with an interest such as encumbrancers or prospective lenders.

Section 12. Protection of Mortgagee. First mortgagees of Lots may pay taxes or other charges or assessments which are in default and which may become a lien against the Common or Green Areas and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Common and Green Areas and the first mortgagees making such payments shall be owed immediately reimbursement therefore from the Association.

IN WITNESS WHEREOF, the undersigned being the Declarant herein has hereunto set its hand and seal as of the day and year first hereinabove set forth.

Each Owner may use such personal property in accordance with the purpose for which it is intended, without hindering or encroaching upon the lawful rights of the the other Owners. Sale of a Lot under foreclosure shall thereby entitle the purchase thereof to the beneficial interest in the personal property associated with the Lot.

ARTICLE VII

COVENANT FOR MAINTENANCE ASSESSMENT

Section 1. Creation of the Lien and Personal Obligation of Assessment. Declarant for each Lot owned by it within the Properties hereby covenants, and each Owner of any Lot by acceptance of the deed therefor, whether or not it shall be so expressed in acceptance of the deed therefor, shall be deemed to covenant and agree to pay to the Association annual assessments and special assessments for capital improvements. Such assessments shall be fixed, established and collected from time to time as hereinafter provided. The annual and special assessments, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall be a continuing lien upon the property against which each such assessment is made from the date hereinafter set forth. Each such assessment, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall also be a personal obligation of the person who is the Owner of such property at the time when the assessment fell due. Such personal obligation shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, enjoyment and welfare of the residents in the Properties and in particular for the improvements and maintenance of property, services and facilities devoted to the purpose and related to the use and enjoyment of homes situated upon the Properties and any other purpose reasonable, necessary or incidental to such purposes.

Section 3. Basis of Annual Assessment. Unless changed by vote of the Membership, as hereinafter provided, the maximum annual assessment for any Lot owned by Class A Members on which is located in a single family detached dwelling shall be $250.00 per year. The assessment for Lots owned by Class A Members shall be at such assessment ratio as shall be determined by the Board of Directors for that particular development within six (6) months after its annexation to the Properties, having in mind the additional amenities furnished to the particular Lot not otherwise available to the Members. Such assessment ratio shall not thereafter be changed by the Board of Directors without approval of sixty-six percent (66%) of the Members.

The assessments shall be based upon the cash requirements deemed to be such aggregate sums as the Board of Directors of the Association shall from time to time determine is necessary to provide for the payment of all estimated expenses growing out of or connected with the maintenance and operation of the Green Area, which sum may include, but not limited to, any special assessments on the Common or Green Areas, insurance premiums for vandalism and malicious mischief, with endorsements attached, issued in the amount of the maximum replacement value of all of the Common Area improvements; casualty and public liability and other insurance premiums; landscaping and care of grounds; streets, lighting, repairs and renovations of Common Areas and Green Areas, wages, charges for water used by the Association, grounds maintenance, any expenses of providing security and protection for the Owners, legal and accounting fees, management fees,

expenses and liabilities incurred by the Board of Directors under or by reason of this Declaration, the payment of any deficit remaining for a previous period, the creation of a reasonable contingency or other reserve or surplus funds as well as any and all other costs and expenses necessary to carry out the terms and intent of this Declaration. The Association shall maintain an adequate reserve fund out of the annual assessments rather than by period assessment for the maintenance, repair and replacement of those elements of the Common Area and Green Areas that must be replaced on a periodic basis. The Board of Directors of the Association may after consideration of the current maintenance costs and the financial requirements of the Association fix the annual actual assessment at an amount less than the maximum. Such reserve fund shall not be used to construct or establish new capital improvements without an affirmative vote of one-half of each class of Members.

Any agreement for management of the Associations's business or any other contract for services by the Declarant must provide for termination by either party without cause or payment of a termination fee on thirty (30) days or less written notice and a maximum contract term of three (3) years.

The maximum annual assessment may be changed as follows:

A. From and after January 1, 1988, the maximum annual assessment may be increased each year not more than ten percent (10%) above the maximum assessment for the previous year without a vote of the Membership.

B. From and after January 1, 1988, the maximum annual assessment may be increased above ten percent (10%) by a vote of one-half (1/2) of each class of Members who are voting in person or by proxy, at a meeting duly called for this purpose.

C. The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. Upon vote of the Members of the Association in the manner hereinafter set forth, the Association may levy in addition to annual assessments a special assessment in any calendar year applicable to that year only, for the purpose of defraying in whole or in part the costs of construction or reconstruction or expected repair or replacement of a described capital improvement upon the Common Area or Green Area, including necessary fixtures and personal property releated thereto, provided that, any such assessment shall have the assent of sixty percent (60%) of the votes of each class of Members who are voting in person, or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than thirty (30) days nor more that sixty (60) days in advance of the meeting setting forth the purpose of the meeting. The assessment ratio for any Lot, as determined pursuant to Section 3, shall be applicable to special assessment.

Section 5. Voting and Notices for Special Assessment and Change of Maximum Assessment. Written notice of any meeting of Members called to change the maximum annual assessment or to levy a special assessment shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the date of such meeting, setting forth the purpose of the meeting.

Section 6. Quorum for Action Authorized Under Section 4 and 5. The quorum required for any action authorized in Section 4 and 5 of this Article VI shall be as follows:

At the first meeting called, as provided in Section 4 and 5 hereof, the presence at the meeting of Members, or of proxies entitled to cast sixty percent (60%) of all votes of each class of Membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in Sections 4 and 5 and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessment. The initial annual assessments shall commence on the first day of such month as

determined by the Board of Directors of the Association, shall be made for the balance of the calendar year, and shall be due and payable on the date fixed by the Board. Annual assessments for any year after the first year shall become due and payable on or before February 1 of such year, and at the Board's discretion may be collected on a monthly basis.

The amount of the initial annual assessment for the first year in which assessments are made or for any property which becomes subject to assessments for the first time shall be prorated on a calendar year basis according to the date on which property first became subject to assessment.

The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

Section 8. Duty of the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

Section 9. The Effect of Non-payment of Assessments; Lien of Association. If an assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $20.00 and the assessment shall bear interest at the rate of ten percent (10%) per annum for such due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such Lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Common and Green Areas, specifying and itemizing the maintenance and repair expenses of the Common Areas and Green Areas and any other expenses incurred. Such records and the vouchers authorizing the

payments shall be available on request for examination by the Owners and others with an interest such as encumbrancers or prospective lenders.

Section 12. Protection of Mortgagees. First mortgagees of Lots may pay taxes or other charges or assessments which are in default and which may become a lien against the Common or Green Areas and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Common and Green Areas and the first mortgagees making such payments shall be owed immediately reimbursement therefore from the Association.

IN WITNESS WHEREOF, the undersigned being the Declarant herein has hereunto set its hand and seal as of the day and year first hereinabove set forth.

Any agreement for management of the Associations's business or any other contract for services by the Declarant must provide for termination by either party without cause or payment of a termination fee on thirty (30) days or less written notice and a maximum contract term of three (3) years.

The maximum annual assessment may be changed as follows:

A. From and after January 1, 1988, the maximum annual assessment may be increased each year not more than ten percent (10%) above the maximum assessment for the previous year without a vote of the Membership.

B. From and after January 1, 1988, the maximum annual assessment may be increased above ten percent (10%) by a vote of one-half (1/2) of each class of Members who are voting in person or by proxy, at a meeting duly called for this purpose.

C. The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. Upon vote of the Members of the Association in the manner hereinafter set forth, the Association may levy in addition to annual assessments a special assessment in any calendar year applicable to that year only, for the purpose of defraying in whole or in part the costs of construction or reconstruction or expected repair or replacement of a described capital improvement upon the Common Area or Green Area, including necessary fixtures and personal property related thereto, provided that, any such assessment shall have the assent of sixty percent (60%) of the votes of each class of Members who are voting in person, or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting setting forth the purpose of the meeting. The assessment ratio for any Lot, as determined pursuant to Section 3, shall be applicable to special assessment.

Section 5. Voting and Notices for Special Assessment and Change of Maximum Assessment. Written notice of any meeting of Members called to change the maximum annual assessment or to levy a special assessment shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the date of such meeting, setting forth the purpose of the meeting.

Section 6. Quorum for Action Authorized Under Section 4 and 5. The quorum required for any action authorized in Section 4 and 5 of this Article VI shall be as follows:

At the first meeting called, as provided in Section 4 and 5 hereof, the presence at the meeting of Members, or of proxies entitled to cast sixty percent (60%) of all votes of each class of Membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in Sections 4 and 5 and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessment. The initial annual assessments shall commence on the first day of each month as

determined by the Board of Directors of the Association, shall be made for the balance of the calendar year, and shall be due and payable on the date fixed by the Board. Annual assessments for any year after the first year shall become due and payable on or before February 1 of such year, and at the Board's discretion may be collected on a monthly basis.

The amount of the initial annual assessment for the first year in which assessments are made or for any property which becomes subject to assessments for the first time shall be prorated on a calendar year basis according to the date on which property first became subject to assessment.

The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

Section 8. Duty of the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

Section 9. The Effect of Non-payment of Assessments; Lien of Association. If an assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $20.00 and the assessment shall bear interest at the rate of ten percent (10%) per annum for such due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Common and Green Areas, specifying and itemizing the maintenance and repair expenses of the Common Areas and Green Areas and any other expenses incurred. Such records and the vouchers authorizing the

payments shall be available on request for examination by the Owners and others with an interest such as encumbrancers or prospective lenders.

Section 12. Protection of Mortgagees. First mortgagees of Lots may pay taxes or other charges or assessments which are in default and which may become a lien against the Common or Green Areas and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Common and Green Areas and the first mortgagees making such payments shall be owed immediately reimbursement therefore from the association.

IN WITNESS WHEREOF, the undersigned being the Declarant herein has hereunto set its hand and seal as of the day and year first hereinabove set forth.

SUBJECTING ADDITIONAL PROPERTY TO THIS DECLARATION

Section 1. Additions to the Properties. At any time before December 31, 1988, Declarant, its successors and assigns, in future stages of development, shall have the right to annex to and bring within the scheme of this Declaration additional properties which are located within the Villages of Woodland Hills.

Section 2. Methods of Making Additions. Additions authorized under this Article shall be made by filing for record a Supplemental Declaration of covenants and restrictions with respect to the additional property. Such Supplemental Declaration may contain such additions and modifications of the covenants and restrictions contained in this Declaration as may be necessary to reflect the different character of the added properties in the sole discretion of Declarant. In no event, however, shall such Supplemental Declaration revoke, modify or add to the covenants established by this Declaration with respect to the Properties subject to this Declaration just prior to such Supplemental Declaration being filed for record.

Section 3. Additions by Others. So long as Declarant is a Class B Member, additions may be made by any other owner of property who with the approval of the Board of Directors of the Association desires to add such property located within the boundaries described in Section 1 of this Article II to the scheme of this Declaration and to subject it to the jurisdiction of the Association. When Declarant ceases to be a Class B Member, such additions may be made upon approval of the Association pursuant to a vote of its Members, as provided in its Articles of Incorporation. Such approval by the Board of Directors of Membership shall be evidenced by a certified copy of such resolution of approval recorded in Tarrant County, Texas.

ARTICLE III

ADDITIONAL RESTRICTIONS

Section 1. Keeping of Vehicles on Property. The keeping of mobil homes, with or without wheels, on any lot is expressly prohibited. Motor boats, house boats and similar water borne vehicles or travel trailers may be maintained, stored or kept on any lot provided the same are housed completely within a structure or enclosure which has been approved architecturally by the Architectural Control Committee. All vehicles belonging to occupants must be parked overnight in the occupant's driveway or in the above mentioned enclosure. In no case may the occupant's vehicles be parked overnight on the streets of the subdivision or within the improved yard of the occupant.

Section 2. Yard Care. As soon as the growing season reasonably permits, the grounds around all living units shall be seeded, sodded or otherwise planted by the Owner thereof with grass or other ground cover or plantings and maintained in a clean and attractive manner free of dust and weeds. All fences on Lots shall be maintained in good repair and in a clean and attractive manner.

ARTICLE IV

MEMBERSHIP AND VOTING RIGHTS IN THE ASSOCIATION

Section 1. Membership. Every person or entity who is a record owner of a fee or undivided fee interest in any Lot which is subject by covenants of record to assessment by the Association, including contract sellers, shall be a Member of the Association. The foregoing is not intended to include persons or entities who hold an interest merely as security for the performance of obligation. Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to assessment by the Association. Ownership of such Lot shall be the sole qualification for Membership. When more than one person holds a Membership interest in any Lot, all such persons shall be Members. The vote for such Lot shall be exercised as they among themselves determine, but in no event shall more than one (1) vote be cast with respect to any Lot.

Section 2. Voting Rights. There shall be two classes of voting Membership.

A. Class A Members will be all those Members other than Southcreek, Inc. Class A Members shall be entitled to one vote for each Lot in which they hold the interest required for Membership by Section 1. When Class B Membership has been converted to Class A Membership, all Directors of the Association shall be elected by the Class A Members.

B. The Class B Members shall be Southcreek, Inc. or its successors or assigns. Class B Members shall be entitled to four votes for each Lot owned by the Declarant or its successors or assigns, and shall be entitled to elect all Members of the Board of Directors of the Association. Class B Membership may cease and be converted to Class A Membership at the option of the Class B Member, its successors or assigns by its written notice to the Secretary of the Association, and shall cease and be converted to Class A Membership without further act or deed when the total votes outstanding in the Class A Membership equal the total votes outstanding in the Class B Membership.

C. As long as a Class B Membership exists, Associate Memberships in the Association will not be established by the Board of Directors of the Association without an affirmative vote of a majority of the Class A Members of the Association.

D. Should any builder own any lot which is the subject of these restrictions, that builder shall assign his voting rights to the developer. Said voting rights shall be voted as Class A Membership and not Class B Membership.

ARTICLE V

ADMINISTRATION AND MANAGEMENT

The administration of the Properties shall be governed by these covenants, the Articles of Incorporation, By-Laws, and published rules and regulations of the Association. As shown and reserved to Declarant in the Articles of Incorporation and By-Laws for the Association, the designation and appointment of the Board of Directors for the Association may, at Declarant's option, be exercised solely by the Declarant until the Class B Membership terminates.

ARTICLE VI

PROPERTY RIGHTS IN THE COMMON PROPERTIES

Section 1. Extent of Members' Easements. The rights and easements of enjoyment created hereby shall be subject to the following:

A. The right of the Association to limit the number of guests of Members.

B. The rights of the Declarant and of the Association, in accordance with its Articles and By-Laws, to borrow money for the purpose of improving the Green Area and with written consent of the Members entitled to vote seventy-five percent (75%) the votes of each class of Membership to mortgage said Common Areas and Green Areas as security for any such loan.

C. The right of the Association to promulgate and publish rules and regulations which each Member shall strictly comply with.

Section 2. Personal Property for Common Use. The Association may acquire and hold for the use and benefit of all Members of the Association, tangible and intangible personal property and may dispose of the same by sale or otherwise, and the beneficial interest in any such property shall be owned by the Members of the Association and their interest therein shall not be transferable except that the interest of a Member who is an Owner shall be deemed to be transferred upon the transfer of the Member's Lot. A transfer of a Lot shall transfer to the transferee ownership of the transferor's beneficial interest in such personal property without any reference thereto or execution of a bill of sale. Each Owner may use such personal property in accordance with the purpose for which it is intended, without hindering or encroaching upon the lawful rights of the the other Owners. Sale of a Lot under foreclosure shall thereby entitle the purchase thereof to the beneficial interest in the personal property associated with the Lot.

ARTICLE VII

COVENANT FOR MAINTENANCE ASSESSMENT

Section 1. Creation of the Lien and Personal Obligation of Assessment. Declarant for each Lot owned by it within the Properties hereby covenants, and each Owner of any Lot by acceptance of the deed therefor, whether or not it shall be so expressed in acceptance of the deed therefor, shall be deemed to covenant and agree to pay to the Association annual assessments and special assessments for capital improvements. Such assessments shall be fixed, established and collected from time to time as hereinafter provided. The annual and special assessments, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall be a continuing lien upon the property against which each such assessment is made from the date hereinafter set forth. Each such assessment, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall also be a personal obligation of the person who is the Owner of such property at the time when the assessment fell due. Such personal obligation shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, enjoyment and welfare of the residents in the Properties and in particular for the improvements and maintenance of property, services and facilities devoted to the purpose and related to the use and enjoyment of homes situated upon the Properties and any other purpose reasonable, necessary or incidental to such purposes.

Section 3. Basis of Annual Assessment. Unless changed by vote of the Membership, as hereinafter provided, the maximum annual assessment for any Lot owned by Class A Members on which is located in a single family detached dwelling shall be $250.00 per year. The assessment for lots owned by Class A Members shall be at such assessment ratio as shall be determined by the Board of Directors for that particular development within six (6) months after its annexation to the Properties, having in mind the additional amenities furnished to the particular Lot not otherwise available to the Members. Such assessment ratio shall not thereafter be changed by the Board of Directors without approval of sixty-six percent (66%) of the Members.

The assessments shall be based upon the cash requirements deemed to be such aggregate sums as the Board of Directors of the Association shall from time to time determine is necessary to provide for the payment of all estimated expenses growing out of or connected with the maintenance and operation of the Green Area, which sum may include, but not limited to, any special assessments on the Common or Green Areas, insurance premiums for vandalism and malicious mischief, with endorsements attached, issued in the amount of the maximum replacement value of all of the Common Area improvements; casualty and public liability and other insurance premiums; landscaping and care of grounds; streets, lighting, repairs and renovations of Common Areas and Green Areas, wages, charges for water used by the Association, grounds maintenance, any expenses of providing security and protection for the Owners, legal and accounting fees, management fees,

expenses and liabilities incurred by the Board of Directors under or by reason of this Declaration, the payment of any deficit remaining for a previous period, the creation of a reasonable contingency or other reserve or surplus funds as well as any and all other costs and expenses necessary to carry out the terms and intent of this Declaration. The Association shall maintain an adequate reserve fund out of the annual assessments rather than by period assessment for the maintenance, repair and replacement of those elements of the Common Area and Green Areas that must be replaced on a periodic basis. The Board of Directors of the Association may after consideration of the current maintenance costs and the financial requirements of the Association fix the annual actual assessment at an amount less than the maximum. Such reserve fund shall not be used to construct or establish new capital improvements without an affirmative vote of one-half of each class of Members.

Any agreement for management of the Associations's business or any other contract for services by the Declarant must provide for termination by either party without cause or payment of a termination fee on thirty (30) days or less written notice and a maximum contract term of three (3) years.

The maximum annual assessment may be changed as follows:

A. From and after January 1, 1988, the maximum annual assessment may be increased each year not more than ten percent (10%) above the maximum assessment for the previous year without a vote of the Membership.

B. From and after January 1, 1988, the maximum annual assessment may be increased above ten percent (10%) by a vote of one-half (1/2) of each class of Members who are voting in person or by proxy, at a meeting duly called for this purpose.

C. The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. Upon vote of the Members of the Association in the manner hereinafter set forth, the Association may levy in addition to annual assessments a special assessment in any calendar year applicable to that year only, for the purpose of defraying in whole or in part the costs of construction or reconstruction or expected repair or replacement of a described capital improvement upon the Common Area or Green Area, including necessary fixtures and personal property related thereto, provided that, any such assessment shall have the assent of sixty percent (60%) of the votes of each class of Members who are voting in person, or by proxy at a meeting duly called for that purpose, written notice of which shall be sent to all Members not less than thirty (30) days nor more that sixty (60) days in advance of the meeting setting forth the purpose of the meeting. The assessment ratio for any Lot, as determined pursuant to Section 3, shall be applicable to special assessment.

Section 5. Voting and Notices for Special Assessment and Change of Maximum Assessment. Written notice of any meeting of Members called to change the maximum annual assessment or to levy a special assessment shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the date of such meeting, setting forth the purpose of the meeting.

Section 6. Quorum for Action Authorized Under Section 4 and 5. The quorum required for any action authorized in Section 4 and 5 of this Article VI shall be as follows:

At the first meeting called, as provided in Section 4 and 5 hereof, the presence at the meeting of Members, or of proxies entitled to cast sixty percent (60%) of all votes of each class of Membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in Sections 4 and 5 and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessment. The initial annual assessments shall commence on the first day of such month as

determined by the Board of Directors of the Association, shall be made for the balance of the calendar year, and shall be due and payable on the date fixed by the Board. Annual assessments for any year after the first year shall become due and payable on or before February 1 of such year, and at the Board's discretion may be collected on a monthly basis.

The amount of the initial annual assessment for the first year in which assessments are made or for any property which becomes subject to assessments for the first time shall be prorated on a calendar year basis according to the date on which property first became subject to assessment.

The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

Section 8. Duty of the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

Section 9. The Effect of Non-payment of Assessments; Lien of Association. If an assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $20.00 and the assessment shall bear interest at the rate of ten percent (10%) per annum for such due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such Lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Common and Green Areas, specifying and itemizing the maintenance and repair expenses of the Common Areas and Green Areas and any other expenses incurred. Such records and the vouchers authorizing the

payments shall be available on request for examination by the Owners and others with an interest such as encumbrancers or prospective lenders.

Section 12. Protection of Mortgagees. First mortgagees of Lots may pay taxes or other charges or assessments which are in default and which may become a lien against the Common or Green Areas and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Common and Green Areas and the first mortgagees making such payments shall be owed immediately reimbursement therefore from the Association.

IN WITNESS WHEREOF, the undersigned being the Declarant herein has hereunto set its hand and seal as of the day and year first hereinabove set forth.

The foregoing is not intended to include persons or entities who hold an interest merely as security for the performance of obligation. Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to assessment by the Association. Ownership of such Lot shall be the sole qualification for Membership. When more than one person holds a Membership interest in any Lot, all such persons shall be Members. C. As long as a Class B Membership exists, Associate Memberships in the Association will not be established by the Board of Directors of the Association without an affirmative vote of a majority of the Class A Members of the Association.

D. Should any builder own any lot which is the subject of these restrictions, that builder shall assign his voting rights to the developer. Said voting rights shall be voted as Class A Membership and not Class B Membership.

ARTICLE V

ADMINISTRATION AND MANAGEMENT

The administration of the Properties shall be governed by these covenants, the Articles of Incorporation, By-Laws, and published rules and regulations of the Association. The Association may acquire and hold for the use and benefit of all Members of the Association, tangible and intangible personal property and may dispose of the same by sale or otherwise, and the beneficial interest in any such property shall be owned by the Members of the Association and their interest therein shall not be transferable except that the interest of a Member who is an Owner shall be deemed to be transferred upon the transfer of the Member's Lot. A transfer of a Lot shall transfer to the transferee ownership of the transferor's beneficial interest in such personal property without any reference thereto or execution of a bill of sale. Each Owner may use such personal property in accordance with the purpose for which it is intended, without hindering or encroaching upon the lawful rights of the the other Owners. Sale of a Lot under foreclosure shall thereby entitle the purchase thereof to the beneficial interest in the personal property associated with the Lot.

ARTICLE VII

COVENANT FOR MAINTENANCE ASSESSMENT

Section 1. Creation of the Lien and Personal Obligation of Assessment. Declarant for each Lot owned by it within the Properties hereby covenants, and each Owner of any Lot by acceptance of the deed therefor, whether or not it shall be so expressed in acceptance of the deed therefor, shall be deemed to covenant and agree to pay to the Association annual assessments and special assessments for capital improvements. Such assessments shall be fixed, established and collected from time to time as hereinafter provided. The annual and special assessments, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall be a continuing lien upon the property against which each such assessment is made from the date hereinafter set forth. Each such assessment, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall also be a personal obligation of the person who is the Owner of such property at the time when the assessment fell due. Such personal obligation shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, enjoyment and welfare of the residents in the Properties and in particular for the improvements and maintenance of property, services and facilities devoted to the purpose and related to the use and enjoyment of homes situated upon the Properties and any other purpose reasonable, necessary or incidental to such purposes.

Section 3. Basis of Annual Assessment. Unless changed by vote of the Membership, as hereinafter provided, the maximum annual assessment for any Lot owned by Class A Members on which is located in a single family detached dwelling shall be $250.00 per year. The assessment for Lots owned by Class A Members shall be at such assessment ratio as shall be determined by the Board of Directors for that particular development within six (6) months after its annexation to the Properties, having in mind the additional amenities furnished to the particular Lot not otherwise available to the Members. Such assessment ratio shall not thereafter be changed by the Board of Directors without approval of sixty-six percent (66%) of the Members.

The assessments shall be based upon the cash requirements deemed to be such aggregate sums as the Board of Directors of the Association shall from time to time determine is necessary to provide for the payment of all estimated expenses growing out of or connected with the maintenance and operation of the Green Area, which sum may include, but not limited to, any special assessments on the Common or Green Areas, insurance premiums for vandalism and malicious mischief, with endorsements attached, issued in the amount of the maximum replacement value of all of the Common Area improvements; casualty and public liability and other insurance premiums; landscaping and care of grounds; streets, lighting, repairs and renovations of Common Areas and Green Areas, wages, charges for water used by the Association, grounds maintenance, any expenses of providing security and protection for the Owners, legal and accounting fees, management fees,

expenses and liabilities incurred by the Board of Directors under or by reason of this Declaration, the payment of any deficit remaining for a previous period, the creation of a reasonable contingency or other reserve or surplus funds as well as any and all other costs and expenses necessary to carry out the terms and intent of this Declaration. The Association shall maintain an adequate reserve fund out of the annual assessments rather than by period assessment for the maintenance, repair and replacement of those elements of the Common Area and Green Areas that must be replaced on a periodic basis. The Board of Directors of the Association may after consideration of the current maintenance costs and the financial requirements of the Association fix the annual actual assessment at an amount less than the maximum. Such reserve fund shall not be used to construct or establish new capital improvements without an affirmative vote of one-half of each class of Members.

Any agreement for management of the Associations's business or any other contract for services by the Declarant must provide for termination by either party without cause or payment of a termination fee on thirty (30) days or less written notice and a maximum contract term of three (3) years.

The maximum annual assessment may be changed as follows:

A. From and after January 1, 1988, the maximum annual assessment may be increased each year not more than ten percent (10%) above the maximum assessment for the previous year without a vote of the Membership.

B. From and after January 1, 1988, the maximum annual assessment may be increased above ten percent (10%) by a vote of one-half (1/2) of each class of Members who are voting in person or by proxy, at a meeting duly called for this purpose.

C. The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. Upon vote of the Members of the Association in the manner hereinafter set forth, the Association may levy in addition to annual assessments a special assessment in any calendar year applicable to that year only, for the purpose of defraying in whole or in part the costs of construction or reconstruction or expected repair or replacement of a described capital improvement upon the Common Area or Green Area, including necessary fixtures and personal property related thereto, provided that, any such assessment shall have the assent of sixty percent (60%) of the votes of each class of Members who are voting in person, or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than thirty (30) days nor more that sixty (60) days in advance of the meeting setting forth the purpose of the meeting. The assessment ratio for any Lot, as determined pursuant to Section 3, shall be applicable to special assessment.

Section 5. Voting and Notices for Special Assessment and Change of Maximum Assessment. Written notice of any meeting of Members called to change the maximum annual assessment or to levy a special assessment shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the date of such meeting, setting forth the purpose of the meeting.

Section 6. Quorum for Action Authorized Under Section 4 and 5. The quorum required for any action authorized in Section 4 and 5 of this Article VI shall be as follows:

At the first meeting called, as provided in Section 4 and 5 hereof, the presence at the meeting of Members, or of proxies entitled to cast sixty percent (60%) of all votes of each class of Membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in Sections 4 and 5 and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessment. The initial Annual assessments shall commence on the first day of such month as

determined by the Board of Directors of the Association, shall be made for the balance of the calendar year, and shall be due and payable on the date fixed by the Board. Annual assessments for any year after the first year shall become due and payable on or before February 1 of such year, and at the Board's discretion may be collected on a monthly basis.

The amount of the initial annual assessment for the first year in which assessments are made or for any property which becomes subject to assessments for the first time shall be prorated on a calendar year basis according to the date on which property first became subject to assessment.

The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

Section 8. Duty of the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

Section 9. The Effect of Non-payment of Assessments; Lien of Association. If an assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $20.00 and the assessment shall bear interest at the rate of ten percent (10%) per annum for such due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such Lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Common and Green Areas, specifying and itemizing the maintenance and repair expenses of the Common Areas and Green Areas and any other expenses incurred. Such records and the vouchers authorizing the

payments shall be available on request for examination by the Owners and others with an interest such as encumbrancers or prospective lenders.

Section 12. Protection of Mortgagees. First mortgagees of Lots may pay taxes or other charges or assessments which are in default and which may become a lien against the Common or Green Areas and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Common and Green Areas and the first mortgagees making such payments shall be owed immediately reimbursement therefore from the Association.

IN WITNESS WHEREOF, the undersigned being the Declarant herein has hereunto set its hand and seal as of the day and year first hereinabove set forth.

Section 8. Duty of the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

Section 9. The Effect of Non-payment of Assessments; Lien of Association. If an assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $20.00 and the assessment shall bear interest at the rate of ten percent (10%) per annum for such due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such Lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Common and Green Areas, specifying and itemizing the maintenance and repair expenses of the Common Areas and Green Areas and any other expenses incurred. Such records and the vouchers authorizing the

payments shall be available on request for examination by the Owners and others with an interest such as encumbrancers or prospective lenders.

Section 12. Protection of Mortgagees. First mortgagees of Lots may pay taxes or other charges or assessments which are in default and which may become a lien against the Common or Green Areas and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Common and Green Areas and the first mortgagees making such payments shall be owed immediately reimbursement therefore from the Association.

IN WITNESS WHEREOF, the undersigned being the Declarant herein has hereunto set its hand and seal as of the day and year first hereinabove set forth.

Such Supplemental Declaration may contain such additions and modifications of the covenants and restrictions contained in this Declaration as may be necessary to reflect the different character of the added properties in the sole discretion of Declarant. In no event, however, shall such Supplemental Declaration revoke, modify or add to the covenants established by this Declaration with respect to the Properties subject to this Declaration just prior to such Supplemental Declaration being filed for record.

In no case may the occupant's vehicles be parked overnight on the streets of the subdivision or within the improved yard of the occupant.

Section 2. Yard Care. As soon as the growing season reasonably permits, the grounds around all living units shall be seeded, sodded or otherwise planted by the Owner thereof with grass or other ground cover or plantings and maintained in a clean and attractive manner free of dust and weeds. All fences on lots shall be maintained in good repair and in a clean and attractive manner.

ARTICLE IV

MEMBERSHIP AND VOTING RIGHTS IN THE ASSOCIATION

Section 1. Membership. Every person or entity who is a record owner of a fee or undivided fee interest in any Lot which is subject by covenants of record to assessment by the Association, including contract sellers, shall be a Member of the Association. The foregoing is not intended to include persons or entities who hold an interest merely as security for the performance of obligation. Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to assessment by the Association. Ownership of such Lot shall be the sole qualification for Membership. When more than one person holds a Membership interest in any Lot, all such persons shall be Members. The vote for such Lot shall be exercised as they among themselves determine, but in no event shall more than one (1) vote be cast with respect to any Lot.

Section 2. Voting Rights. There shall be two classes of voting Membership.

A. Class A Members will be all those Members other than Southcreek, Inc. Class A Members shall be entitled to one vote for each Lot in which they hold the interest required for Membership by Section 1. When Class B Membership has been coverted to Class A Membership, all Directors of the Association shall be elected by the Class A Members.

B. The Class B Members shall be Southcreek, Inc. or its successors or assigns. Class B Members shall be entitled to four votes for each Lot owned by the Declarant or its successors or assigns, and shall be entitled to elect all Members of the Board of Directors of the Association. Class B Membership may cease and be converted to Class A Membership at the option of the Class B Member, its successors or assigns by its written notice to the Secretary of the Association, and shall cease and be converted to Class A Membership without further act or deed when the total votes outstanding in the Class A Membership equal the total votes outstanding in the Class B Membership.

C. As long as a Class B Membership exists, Associate Memberships in the Association will not be established by the Board of Directors of the Association without an affirmative vote of a majority of the Class A Members of the Association.

D. Should any builder own any lot which is the subject of these restrictions, that builder shall assign his voting rights to the developer. Said voting rights shall be voted as Class A Membership and not Class B Membership.

ARTICLE V

ADMINISTRATION AND MANAGEMENT

The administration of the Properties shall be governed by these covenants, the Articles of Incorporation, By-Laws, and published rules and regulations of the Association. As shown and reserved to Declarant in the Articles of Incorporation and By-Laws for the Association, the designation and appointment of the Board of Directors for the Association may, at Declarant's option, be exercised solely by the Declarant until the Class B Membership terminates.

ARTICLE VI

Section 1. Extent of Members' Easements. The rights and easements of enjoyment created hereby shall be subject to the following:

A. The right of the Association to limit the number of guests of Members.

B. The rights of the Declarant and of the Association, in accordance with its Articles and By-Laws, to borrow money for the purpose of improving the Green Area and with written consent of the Members entitled to vote seventy-five percent (75%) the votes of each class of Membership to mortgage said Common Areas and Green Areas as security for any such loan.

VOL. 8752 PG. 886

C. The right of the Association to promulgate and publish rules and regulations which each Member shall strictly comply with.

Section 2. Personal Property for Common Use. The Association may acquire and hold for the use and benefit of all Members of the Association, tangible and intangible personal property and may dispose of the same by sale or otherwise, and the beneficial interest in any such property shall be owned by the Members of the Association and their interest therein shall not be transferable except that the interest of a Member who is an Owner shall be deemed to be transferred upon the transfer of the Member's Lot. A transfer of a Lot shall transfer to the transferee ownership of the transferor's beneficial interest in such personal property without any reference thereto or execution of a bill of sale. Each Owner may use such personal property in accordance with the purpose for which it is intended, without hindering or encroaching upon the lawful rights of the the other Owners. Sale of a Lot under foreclosure shall thereby entitle the purchase thereof to the beneficial interest in the personal property associated with the Lot.

ARTICLE VII

COVENANT FOR MAINTENANCE ASSESSMENT

Section 1. Creation of the Lien and Personal Obligation of Assessment. Declarant for each Lot owned by it within the Properties hereby covenants, and each Owner of any Lot by acceptance of the deed therefor, whether or not it shall be so expressed in acceptance of the deed therefor, shall be deemed to covenant and agree to pay to the Association annual assessments and special assessments for capital improvements. Such assessments shall be fixed, established and collected from time to time as hereinafter provided. The annual and special assessments, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall be a continuing lien upon the property against which each such assessment is made from the date hereinafter set forth. Each such assessment, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall also be a personal obligation of the person who is the Owner of such property at the time when the assessment fell due. Such personal obligation shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, enjoyment and welfare of the residents in the Properties and in particular for the improvements and maintenance of property, services and facilities devoted to the purpose and related to the use and enjoyment of homes situated upon the Properties and any other purpose reasonable, necessary or incidental to such purposes.

Section 3. Basis of Annual Assessment. Unless changed by vote of the Membership, as hereinafter provided, the maximum annual assessment for any Lot owned by Class A Members on which is located in a single family detached dwelling shall be $250.00 per year. The assessment for Lots owned by Class A Members shall be at such assessment ratio as shall be determined by the Board of Directors for that particular development within six (6) months after its annexation to the Properties, having in mind the additional amenities furnished to the particular Lot not otherwise available to the Members. Such assessment ratio shall not thereafter be changed by the Board of Directors without approval of sixty-six percent (66%) of the Members.

The assessments shall be based upon the cash requirements deemed to be such aggregate sums as the Board of Directors of the Association shall from time to time determine is necessary to provide for the payment of all estimated expenses growing out of or connected with the maintenance and operation of the Green Area, which sum may include, but not limited to, any special assessments on the Common or Green Areas, insurance premiums for vandalism and malicious mischief, with endorsements attached, issued in the amount of the maximum replacement value of all of the Common Area improvements; casualty and public liability and other insurance premiums; landscaping and care of grounds; streets, lighting, repairs and renovations of Common Areas and Green Areas, wages, charges for water used by the Association, grounds maintenance, any expenses of providing security and protection for the Owners, legal and accounting fees, management fees,

expenses and liabilities incurred by the Board of Directors under or by reason of this Declaration, the payment of any deficit remaining for a previous period, the creation of a reasonable contingency or other reserve or surplus funds as well as any and all other costs and expenses necessary to carry out the terms and intent of this Declaration. The Association shall maintain an adequate reserve fund out of the annual assessments rather than by period assessment for the maintenance, repair and replacement of those elements of the Common Area and Green Areas that must be replaced on a periodic basis. The Board of Directors of the Association may after consideration of the current maintenance costs and the financial requirements of the Association fix the annual actual assessment at an amount less than the maximum. Such reserve fund shall not be used to construct or establish new capital improvements without an affirmative vote of one-half of each class of Members.

Any agreement for management of the Associations's business or any other contract for services by the Declarant must provide for termination by either party without cause or payment of a termination fee on thirty (30) days or less written notice and a maximum contract term of three (3) years.

The maximum annual assessment may be changed as follows:

A. From and after January 1, 1988, the maximum annual assessment may be increased each year not more than ten percent (10%) above the maximum assessment for the previous year without a vote of the Membership.

B. From and after January 1, 1988, the maximum annual assessment may be increased above ten percent (10%) by a vote of one-half (1/2) of each class of Members who are voting in person or by proxy, at a meeting duly called for this purpose.

C. The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. Upon vote of the Members of the Association in the manner hereinafter set forth, the Association may levy in addition to annual assessments a special assessment in any calendar year applicable to that year only, for the purpose of defraying in whole or in part the costs of construction or reconstruction or expected repair or replacement of a described capital improvement upon the Common Area or Green Area, including necessary fixtures and personal property related thereto, provided that, any such assessment shall have the assent of sixty percent (60%) of the votes of each class of Members who are voting in person, or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than thirty (30) days nor more that sixty (60) days in advance of the meeting setting forth the purpose of the meeting. The assessment ratio for any Lot, as determined pursuant to Section 3, shall be applicable to special assessment.

Section 5. Voting and Notices for Special Assessment and Change of Maximum Assessment. Written notice of any meeting of Members called to change the maximum annual assessment or to levy a special assessment shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the date of such meeting, setting forth the purpose of the meeting.

Section 6. Quorum for Action Authorized Under Section 4 and 5. The quorum required for any action authorized in Section 4 and 5 of this Article VI shall be as follows:

At the first meeting called, as provided in Section 4 and 5 hereof, the presence at the meeting of Members, or of proxies entitled to cast sixty percent (60%) of all votes of each class of Membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in Sections 4 and 5 and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessment. The initial annual assessments shall commence on the first day of such month as

determined by the Board of Directors of the Association, shall be made for the balance of the calendar year, and shall be due and payable on the date fixed by the Board. Annual assessments for any year after the first year shall become due and payable on or before February 1 of such year, and at the Board's discretion may be collected on a monthly basis.

The amount of the initial annual assessment for the first year in which assessments are made or for any property which becomes subject to assessments for the first time shall be prorated on a calendar year basis according to the date on which property first became subject to assessment.

The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

Section 8. Duty of the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

Section 9. The Effect of Non-payment of Assessments; Lien of Association. If an assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $20.00 and the assessment shall bear interest at the rate of ten percent (10%) per annum from such due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such Lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Common and Green Areas, specifying and itemizing the maintenance and repair expenses of the Common Areas and Green Areas and any other expenses incurred. Such records and the vouchers authorizing the

payments shall be available on request for examination by the Owners and others with an interest such as encumbrancers or prospective lenders.

Section 12. Protection of Mortgagees. First mortgagees of Lots may pay taxes or other charges or assessments which are in default and which may become a lien against the Common or Green Areas and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Common and Green Areas and the first mortgagees making such payments shall be owed immediately reimbursement therefore from the Association.

A. The right of the Association to limit the number of guests of Members.

B. The rights of the Declarant and of the Association, in accordance with its Articles and By-Laws, to borrow money for the purpose of improving the Green Area and with written consent of the Members entitled to vote seventy-five percent (75%) the votes of each class of Membership to mortgage said Common Areas and Green Areas as security for any such loan.

A transfer of a Lot shall transfer to the transferee ownership of the transferor's beneficial interest in such personal property without any reference thereto or execution of a bill of sale. Each Owner may use such personal property in accordance with the purpose for which it is intended, without hindering or encroaching upon the lawful rights of the the other Owners. Sale of a Lot under foreclosure shall thereby entitle the purchase thereof to the beneficial interest in the personal property associated with the Lot.

ARTICLE VII

COVENANT FOR MAINTENANCE ASSESSMENT

Section 1. Creation of the Lien and Personal Obligation of Assessment. Declarant for each Lot owned by it within the Properties hereby covenants, and each Owner of any Lot by acceptance of the deed therefor, whether or not it shall be so expressed in acceptance of the deed therefor, shall be deemed to covenant and agree to pay to the Association annual assessments and special assessments for capital improvements. Such assessments shall be fixed, established and collected from time to time as hereinafter provided. The annual and special assessments, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall be a continuing lien upon the property against which each such assessment is made from the date hereinafter set forth. Each such assessment, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall also be a personal obligation of the person who is the Owner of such property at the time when the assessment fell due. Such personal obligation shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, enjoyment and welfare of the residents in the Properties and in particular for the improvements and maintenance of property, services and facilities devoted to the purpose and related to the use and enjoyment of homes situated upon the Properties and any other purpose reasonable, necessary or incidental to such purposes.

Section 3. Basis of Annual Assessment. Unless changed by vote of the Membership, as hereinafter provided, the maximum annual assessment for any Lot owned by Class A Members on which is located a single family detached dwelling shall be $250.00 per year. The assessment for Lots owned by Class A Members shall be at such assessment ratio as shall be determined by the Board of Directors for that particular development within six (6) months after its annexation to the Properties, having in mind the additional amenities furnished to the particular Lot not otherwise available to the Members. Such assessment ratio shall not thereafter be changed by the Board of Directors without approval of sixty-six percent (66%) of the Members.

The assessments shall be based upon the cash requirements deemed to be such aggregate sums as the Board of Directors of the Association shall from time to time determine is necessary to provide for the payment of all estimated expenses growing out of or connected with the maintenance and operation of the Green Area, which sum may include, but not limited to, any special assessments on the Common or Green Areas, insurance premiums for vandalism and malicious mischief, with endorsements attached, issued in the amount of the maximum replacement value of all of the Common Area improvements; casualty and public liability and other insurance premiums; landscaping and care of grounds; streets, lighting, repairs and renovations of Common Areas and Green Areas, wages, charges for water used by the Association, grounds maintenance, any expenses of providing security and protection for the Owners, legal and accounting fees, management fees,

expenses and liabilities incurred by the Board of Directors under or by reason of this Declaration, the payment of any deficit remaining for a previous period, the creation of a reasonable contingency or other reserve or surplus funds as well as any and all other costs and expenses necessary to carry out the terms and intent of this Declaration. The Association shall maintain an adequate reserve fund out of the annual assessments rather than by period assessment for the maintenance, repair and replacement of those elements of the Common Area and Green Areas that must be replaced on a periodic basis. The Board of Directors of the Association may after consideration of the current maintenance costs and the financial requirements of the Association fix the annual actual assessment at an amount less than the maximum. Such reserve fund shall not be used to construct or establish new capital improvements without an affirmative vote of one-half of each class of Members.

Any agreement for management of the Associations's business or any other contract for services by the Declarant must provide for termination by either party without cause or payment of a termination fee on thirty (30) days or less written notice and a maximum contract term of three (3) years.

The maximum annual assessment may be changed as follows:

A. From and after January 1, 1988, the maximum annual assessment may be increased each year not more than ten percent (10%) above the maximum assessment for the previous year without a vote of the Membership.

B. From and after January 1, 1988, the maximum annual assessment may be increased above ten percent (10%) by a vote of one-half (1/2) of each class of Members who are voting in person or by proxy, at a meeting duly called for this purpose.

C. The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. Upon vote of the Members of the Association in the manner hereinafter set forth, the Association may levy in addition to annual assessments a special assessment in any calendar year applicable to that year only, for the purpose of defraying in whole or in part the costs of construction or reconstruction or expected repair or replacement of a described capital improvement upon the Common Area or Green Area, including necessary fixtures and personal property releated thereto, provided that, any such assessment shall have the assent of sixty percent (60%) of the votes of each class of Members who are voting in person, or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than thirty (30) days nor more that sixty (60) days in advance of the meeting setting forth the purpose of the meeting. The assessment ratio for any Lot, as determined pursuant to Section 3, shall be applicable to special assessment.

Section 5. Voting and Notices for Special Assessment and Change of Maximum Assessment. Written notice of any meeting of Members called to change the maximum annual assessment or to levy a special assessment shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the date of such meeting, setting forth the purpose of the meeting.

Section 6. Quorum for Action Authorized Under Section 4 and 5. The quorum required for any action authorized in Section 4 and 5 of this Article VI shall be as follows:

At the first meeting called, as provided in Section 4 and 5 hereof, the presence at the meeting of Members, or of proxies entitled to cast sixty percent (60%) of all votes of each class of Membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in Sections 4 and 5 and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessment. The initial annual assessments shall commence on the first day of such month as

IL 8659M1124

determined by the Board of Directors of the Association, shall be made for the balance of the calendar year, and shall be due and payable on the date fixed by the Board. Annual assessments for any year after the first year shall become due and payable on or before February 1 of such year, and at the Board's discretion may be collected on a monthly basis.

The amount of the initial annual assessment for the first year in which assessments are made or for any property which becomes subject to assessments for the first time shall be prorated on a calendar year basis according to the date on which property first became subject to assessment.

The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

Section 8. Duty of the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

Section 9. The Effect of Non-payment of Assessments; Lien of Association. If an assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $20.00 and the assessment shall bear interest at the rate of ten percent (10%) per annum for such due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such Lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Common and Green Areas, specifying and itemizing the maintenance and repair expenses of the Common Areas and Green Areas and any other expenses incurred. Such records and the vouchers authorizing the

K 8659 1125

payments shall be available on request for examination by the Owners and others with an interest such as encumbrancers or prospective lenders.

Section 12. Protection of Mortgagees. First mortgagees of Lots may pay taxes or other charges or assessments which are in default and which may become a lien against the Common or Green Areas and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Common and Green Areas and the first mortgagees making such payments shall be owed immediately reimbursement therefore from the Association.

IN WITNESS WHEREOF, the undersigned being the Declarant herein has hereunto set its hand and seal as of the day and year first hereinabove set forth.

MEMBERSHIP AND VOTING RIGHTS IN THE ASSOCIATION

Section 1. Membership. Every person or entity who is a record owner of a fee or undivided fee interest in any Lot which is subject by covenants of record to assessment by the Association, including contract sellers, shall be a Member of the Association. The foregoing is not intended to include persons or entities who hold an interest merely as security for the performance of obligation. Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to assessment by the Association. Ownership of such Lot shall be the sole qualification for Membership. When more than one person holds a Membership interest in any Lot, all such persons shall be Members. The vote for such Lot shall be exercised as they among themselves determine, but in no event shall more than one (1) vote be cast with respect to any Lot.

Section 2. Voting Rights. There shall be two classes of voting Membership.

Each Owner may use such personal property in accordance with the purpose for which it is intended, without hindering or encroaching upon the lawful rights of the the other Owners. Sale of a Lot under foreclosure shall thereby entitle the purchase thereof to the beneficial interest in the personal property associated with the Lot.

ARTICLE VII

COVENANT FOR MAINTENANCE ASSESSMENT

Section 1. Creation of the Lien and Personal Obligation of Assessment. Declarant for each Lot owned by it within the Properties hereby covenants, and each Owner of any Lot by acceptance of the deed therefor, whether or not it shall be so expressed in acceptance of the deed therefor, shall be deemed to covenant and agree to pay to the Association annual assessments and special assessments for capital improvements. Such assessments shall be fixed, established and collected from time to time as hereinafter provided. The annual and special assessments, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall be a continuing lien upon the property against which each such assessment is made from the date hereinafter set forth. Each such assessment, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall also be a personal obligation of the person who is the Owner of such property at the time when the assessment fell due. Such personal obligation shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, enjoyment and welfare of the residents in the Properties and in particular for the improvements and maintenance of property, services and facilities devoted to the purpose and related to the use and enjoyment of homes situated upon the Properties and any other purpose reasonable, necessary or incidental to such purposes.

Section 3. Basis of Annual Assessment. Unless changed by vote of the membership, as hereinafter provided, the maximum annual assessment for any Lot owned by Class A Members on which is located in a single family detached dwelling shall be $250.00 per year. The assessment for Lots owned by Class A Members shall be at such assessment ratio as shall be determined by the Board of Directors for that particular development within six (6) months after its annexation to the Properties, having in mind the additional amenities furnished to the particular Lot not otherwise available to the Members. Such assessment ratio shall not thereafter be changed by the Board of Directors without approval of sixty-six percent (66%) of the Members.

The assessments shall be based upon the cash requirements deemed to be such aggregate sums as the Board of Directors of the Association shall from time to time determine is necessary to provide for the payment of all estimated expenses growing out of or connected with the maintenance and operation of the Green Areas, which sum may include, but not limited to, any special assessments on the Common or Green Areas, insurance premiums for vandalism and malicious mischief, with endorsements attached, issued in the amount of the maximum replacement value of all of the Common Area improvements; casualty and public liability and other insurance premiums; landscaping and care of grounds; streets, lighting, repairs and renovations of Common Areas and Green Areas, wages, charges for water used by the Association, grounds maintenance, any expenses of providing security and protection for the Owners, legal and accounting fees, management fees,

expenses and liabilities incurred by the Board of Directors under or by reason of this Declaration, the payment of any deficit remaining for a previous period, the creation of a reasonable contingency or other reserve or surplus funds as well as any and all other costs and expenses necessary to carry out the terms and intent of this Declaration. The Association shall maintain an adequate reserve fund out of the annual assessments rather than by period assessment for the maintenance, repair and replacement of those elements of the Common Area and Green Areas that must be replaced on a periodic basis. The Board of Directors of the Association may after consideration of the current maintenance costs and the financial requirements of the Association fix the annual actual assessment at an amount less than the maximum. Such reserve fund shall not be used to construct or establish new capital improvements without an affirmative vote of one-half of each class of Members.

Any agreement for management of the Associations's business or any other contract for services by the Declarant must provide for termination by either party without cause or payment of a termination fee on thirty (30) days or less written notice and a maximum contract term of three (3) years.

The maximum annual assessment may be changed as follows:

A. From and after January 1, 1988, the maximum annual assessment may be increased each year not more than ten percent (10%) above the maximum assessment for the previous year without a vote of the Membership.

B. From and after January 1, 1988, the maximum annual assessment may be increased above ten percent (10%) by a vote of one-half (1/2) of each class of Members who are voting in person or by proxy, at a meeting duly called for this purpose.

C. The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. Upon vote of the Members of the Association in the manner hereinafter set forth, the Association may levy in addition to annual assessments a special assessment in any calendar year applicable to that year only, for the purpose of defraying in whole or in part the costs of construction or reconstruction or expected repair or replacement of a described capital improvement upon the Common Area or Green Area, including necessary fixtures and personal property related thereto, provided that, any such assessment shall have the assent of sixty percent (60%) of the votes of each class of Members who are voting in person, or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than thirty (30) days nor more that sixty (60) days in advance of the meeting setting forth the purpose of the meeting. The assessment ratio for any lot, as determined pursuant to Section 3, shall be applicable to special assessment.

Section 5. Voting and Notices for Special Assessment and Change of Maximum Assessment. Written notice of any meeting of Members called to change the maximum annual assessment or to levy a special assessment shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the date of such meeting, setting forth the purpose of the meeting.

Section 6. Quorum for Action Authorized Under Section 4 and 5. The quorum required for any action authorized in Section 4 and 5 of this Article VI shall be as follows:

At the first meeting called, as provided in Section 4 and 5 hereof, the presence at the meeting of Members, or of proxies entitled to cast sixty percent (60%) of all votes of each class of Membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in Sections 4 and 5 and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessment. The initial annual assessments shall commence on the first day of such month as

determined by the Board of Directors of the Association, shall be made for the balance of the calendar year, and shall be due and payable on the date fixed by the Board. Annual assessments for any year after the first year shall become due and payable on or before February 1 of such year, and at the Board's discretion may be collected on a monthly basis.

The amount of the initial annual assessment for the first year in which assessments are made or for any property which becomes subject to assessments for the first time shall be prorated on a calendar year basis according to the date on which property first became subject to assessment.

The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

Section 8. Duty of the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

Section 9. The Effect of Non-payment of Assessments; Lien of Association. If an assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $20.00 and the assessment shall bear interest at the rate of ten percent (10%) per annum for such due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such Lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Common and Green Areas, specifying and itemizing the maintenance and repair expenses of the Common Areas and Green Areas and any other expenses incurred. Such records and the vouchers authorizing the

payments shall be available on request for examination by the Owners and others with an interest such as encumbrancers or prospective lenders.

Section 12. Protection of Mortgagees. First mortgagees of Lots may pay taxes or other charges or assessments which are in default and which may become a lien against the Common or Green Areas and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Common and Green Areas and the first mortgagees making such payments shall be owed immediately reimbursement therefore from the Association.

IN WITNESS WHEREOF, the undersigned being the Declarant herein has hereunto set its hand and seal as of the day and year first hereinabove set forth.

All fences on Lots shall be maintained in good repair and in a clean and attractive manner.

ARTICLE IV

MEMBERSHIP AND VOTING RIGHTS IN THE ASSOCIATION

V 8659 921

Section 1. Membership. Every person or entity who is a record owner of a fee or undivided fee interest in any Lot which is subject by covenants of record to assessment by the Association, including contract sellers, shall be a Member of the Association. The foregoing is not intended to include persons or entities who hold an interest merely as security for the performance of obligation. Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to assessment by the Association. Ownership of such Lot shall be the sole qualification for Membership. When more than one person holds a Membership interest in any Lot, all such persons shall be Members. The vote for such Lot shall be exercised as they among themselves determine, but in no event shall more than one (1) vote be cast with respect to any Lot.

Section 2. Voting Rights. There shall be two classes of voting Membership.

A. Class A Members will be all those Members other than Southcreek, Inc. Class A Members shall be entitled to one vote for each Lot in which they hold the interest required for Membership by Section 1. When Class B Membership has been converted to Class A Membership, all Directors of the Association shall be elected by the Class A Members.

B. The Class B Members shall be Southcreek, Inc. or its successors or assigns. Class B Members shall be entitled to four votes for each Lot owned by the Declarant or its successors or assigns, and shall be entitled to elect all Members of the Board of Directors of the Association. Class B Membership may cease and be converted to Class A Membership at the option of the Class B Member, its successors or assigns by its written notice to the Secretary of the Association, and shall cease and be converted to Class A Membership without further act or deed when the total votes outstanding in the Class A Membership equal the total votes outstanding in the Class B Membership.

C. As long as a Class B Membership exists, Associate Memberships in the Association will not be established by the Board of Directors of the Association without an affirmative vote of a majority of the Class A Members of the Association.

D. Should any builder own any lot which is the subject of these restrictions, that builder shall assign his voting rights to the developer. Said voting rights shall be voted as Class A Membership and not Class B Membership.

ARTICLE V

ADMINISTRATION AND MANAGEMENT

The administration of the Properties shall be governed by these covenants, the Articles of Incorporation, By-Laws, and published rules and regulations of the Association. As shown and reserved to Declarant in the Articles of Incorporation and By-Laws for the Association, the designation and appointment of the Board of Directors for the Association may, at Declarant's option, be exercised solely by the Declarant until the Class B Membership terminates.

ARTICLE VI

PROPERTY RIGHTS IN THE COMMON PROPERTIES

Section 1. Extent of Members' Easements. The rights and easements of enjoyment created hereby shall be subject to the following:

A. The right of the Association to limit the number of guests of Members.

B. The rights of the Declarant and of the Association, in accordance with its Articles and By-Laws, to borrow money for the purpose of improving the Green Area and with written consent of the Members entitled to vote seventy-five percent (75%) the votes of each class of Membership to mortgage said Common Areas and Green Areas as security for any such loan.

C. The right of the Association to promulgate and publish rules and regulations which each Member shall strictly comply with.

Section 2. Personal Property for Common Use. The Association may acquire and hold for the use and benefit of all Members of the Association, tangible and intangible personal property and may dispose of the same by sale or otherwise, and the beneficial interest in any such property shall be owned by the Members of the Association and their interest therein shall not be transferable except that the interest of a Member who is an Owner shall be deemed to be transferred upon the transfer of the Member's Lot. A transfer of a Lot shall transfer to the transferee ownership of the transferor's beneficial interest in such personal property without any reference thereto or execution of a bill of sale. Each Owner may use such personal property in accordance with the purpose for which it is intended, without hindering or encroaching upon the lawful rights of the the other Owners. Sale of a Lot under foreclosure shall thereby entitle the purchase thereof to the beneficial interest in the personal property associated with the Lot.

ARTICLE VII

COVENANT FOR MAINTENANCE ASSESSMENT

Section 1. Creation of the Lien and Personal Obligation of Assessment. Declarant for each Lot owned by it within the Properties hereby covenants, and each Owner of any Lot by acceptance of the deed therefor, whether or not it shall be so expressed in acceptance of the deed therefor, shall be deemed to covenant and agree to pay to the Association annual assessments and special assessments for capital improvements. Such assessments shall be fixed, established and collected from time to time as hereinafter provided. The annual and special assessments, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall be a continuing lien upon the property against which each such assessment is made from the date hereinafter set forth. Each such assessment, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall also be a personal obligation of the person who is the Owner of such property at the time when the assessment fell due. Such personal obligation shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, enjoyment and welfare of the residents in the Properties and in particular for the improvements and maintenance of property, services and facilities devoted to the purpose and related to the use and enjoyment of homes situated upon the Properties and any other purpose reasonable, necessary or incidental to such purposes.

Section 3. Basis of Annual Assessment. Unless changed by vote of the Membership, as hereinafter provided, the maximum annual assessment for any Lot owned by Class A Members on which is located in a single family detached dwelling shall be $250.00 per year. The assessment for Lots owned by Class A Members shall be at such assessment ratio as shall be determined by the Board of Directors for that particular development within six (6) months after its annexation to the Properties, having in mind the additional amenities furnished to the particular Lot not otherwise available to the Members. Such assessment ratio shall not thereafter be changed by the Board of Directors without approval of sixty-six percent (66%) of the Members.

The assessments shall be based upon the cash requirements deemed to be such aggregate sums as the Board of Directors of the Association shall from time to time determine is necessary to provide for the payment of all estimated expenses growing out of or connected with the maintenance and operation of the Green Area, which sum may include, but not limited to, any special assessments on the Common or Green Areas, insurance premiums for vandalism and malicious mischief, with endorsements attached, issued in the amount of the maximum replacement value of all of the Common Area improvements; casualty and public liability and other insurance premiums; landscaping and care of grounds; streets, lighting, repairs and renovations of Common Areas and Green Areas, wages, charges for water used by the Association, grounds maintenance, any expenses of providing security and protection for the Owners, legal and accounting fees, management fees,

expenses and liabilities incurred by the Board of Directors under or by reason of this Declaration, the payment of any deficit remaining for a previous period; the creation of a reasonable contingency or other reserve or surplus funds as well as any and all other costs and expenses necessary to carry out the terms and intent of this Declaration. The Association shall maintain an adequate reserve fund out of the annual assessments rather than by period assessment for the maintenance, repair and replacement of those elements of the Common Area and Green Areas that must be replaced on a periodic basis. The Board of Directors of the Association may after consideration of the current maintenance costs and the financial requirements of the Association fix the annual actual assessment at an amount less than the maximum. Such reserve fund shall not be used to construct or establish new capital improvements without an affirmative vote of one-half of each class of Members.

Any agreement for management of the Associations's business or any other contract for services by the Declarant must provide for termination by either party without cause or payment of a termination fee on thirty (30) days or less written notice and a maximum contract term of three (3) years.

The maximum annual assessment may be changed as follows:

A. From and after January 1, 1988, the maximum annual assessment may be increased each year not more than ten percent (10%) above the maximum assessment for the previous year without a vote of the Membership.

B. From and after January 1, 1988, the maximum annual assessment may be increased above ten percent (10%) by a vote of one-half (1/2) of each class of Members who are voting in person or by proxy, at a meeting duly called for this purpose.

C. The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. Upon vote of the Members of the Association in the manner hereinafter set forth, the Association may levy in addition to annual assessments a special assessment in any calendar year applicable to that year only, for the purpose of defraying in whole or in part the costs of construction or reconstruction or expected repair or replacement of a described capital improvement upon the Common Area or Green Area, including necessary fixtures and personal property related thereto, provided that, any such assessment shall have the assent of sixty percent (60%) of the votes of each class of Members who are voting in person, or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than thirty (30) days nor more that sixty (60) days in advance of the meeting setting forth the purpose of the meeting. The assessment ratio for any Lot, as determined pursuant to Section 3, shall be applicable to special assessment.

Section 5. Voting and Notices for Special Assessments and Change of Maximum Assessment. Written notice of any meeting of Members called to change the maximum annual assessment or to levy a special assessment shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the date of such meeting, setting forth the purpose of the meeting.

Section 6. Quorum For Action Authorized Under Section 4 and 5. The quorum required for any action authorized in Section 4 and 5 of this Article VI shall be as follows:

At the first meeting called, as provided in Section 4 and 5 hereof, the presence at the meeting of Members, or of proxies entitled to cast sixty percent (60%) of all votes of each class of Membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in Sections 4 and 5 and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessment. The initial annual assessments shall commence on the first day of such month as

M 86598 924

determined by the Board of Directors of the Association, shall be made for the balance of the calendar year, and shall be due and payable on the date fixed by the Board. Annual assessments for any year after the first year shall become due and payable on or before February 1 of such year, and at the Board's discretion may be collected on a monthly basis.

The amount of the initial annual assessment for the first year in which assessments are made or for any property which becomes subject to assessments for the first time shall be prorated on a calendar year basis according to the date on which property first became subject to assessment.

The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

Section 8. Duty of the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

Section 9. The Effect of Non-payment of Assessments; Lien of Association. If an assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $20.00 and the assessment shall bear interest at the rate of ten percent (10%) per annum for such due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such Lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Common and Green Areas, specifying and itemizing the maintenance and repair expenses of the Common Areas and Green Areas and any other expenses incurred. Such records and the vouchers authorizing the

payments shall be available on request for examination by the Owners and others with an interest such as encumbrancers or prospective lenders.

Section 12. Protection of Mortgagees. First mortgagees of Lots may pay taxes or other charges or assessments which are in default and which may become a lien against the Common or Green Areas and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Common and Green Areas and the first mortgagees making such payments shall be owed immediately reimbursement therefore from the Association.

IN WITNESS WHEREOF, the undersigned being the Declarant herein has hereunto set its hand and seal as of the day and year first hereinabove set forth.

Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to assessment by the Association. Ownership of such Lot shall be the sole qualification for Membership. When more than one person holds a Membership interest in any Lot, all such persons shall be Members. ARTICLE VII

COVENANT FOR MAINTENANCE ASSESSMENT

Section 1. Creation of the Lien and Personal Obligation of Assessment. Declarant for each Lot owned by it within the Properties hereby covenants, and each Owner of any Lot by acceptance of the deed therefor, whether or not it shall be so expressed in acceptance of the deed therefor, shall be deemed to covenant and agree to pay to the Association annual assessments and special assessments for capital improvements. The assessment for Lots owned by Class A Members shall be at such assessment ratio as shall be determined by the Board of Directors for that particular development within six (6) months after its annexation to the Properties, having in mind the additional amenities furnished to the particular Lot not otherwise available to the Members. Such assessment ratio shall not thereafter be changed by the Board of Directors without approval of sixty-six percent (66%) of the Members.

The assessments shall be based upon the cash requirements deemed to be such aggregate sums as the Board of Directors of the Association shall from time to time determine is necessary to provide for the payment of all estimated expenses growing out of or connected with the maintenance and operation of the Green Area, which sum may include, but not limited to, any special assessments on the Common or Green Areas, insurance premiums for vandalism and malicious mischief, with endorsements attached, issued in the amount of the maximum replacement value of all of the Common Area improvements; casualty and public liability and other insurance premiums; landscaping and care of grounds; streets, lighting, repairs and renovations of Common Areas and Green Areas, wages, charges for water used by the Association, grounds maintenance, any expenses of providing security and protection for the Owners, legal and accounting fees, management fees,

expenses and liabilities incurred by the Board of Directors under or by reason of this Declaration, the payment of any deficit remaining for a previous period, the creation of a reasonable contingency or other reserve or surplus funds as well as any and all other costs and expenses necessary to carry out the terms and intent of this Declaration. The Association shall maintain an adequate reserve fund out of the annual assessments rather than by period assessment for the maintenance, repair and replacement of those elements of the Common Area and Green Areas that must be replaced on a periodic basis. The Board of Directors of the Association may after consideration of the current maintenance costs and the financial requirements of the Association fix the annual actual assessment at an amount less than the maximum. Such reserve fund shall not be used to construct or establish new capital improvements without an affirmative vote of one-half of each class of Members.

Any agreement for management of the Associations's business or any other contract for services by the Declarant must provide for termination by either party without cause or payment of a termination fee on thirty (30) days or less written notice and a maximum contract term of three (3) years.

The maximum annual assessment may be changed as follows:

A. From and after January 1, 1988, the maximum annual assessment may be increased each year not more than ten percent (10%) above the maximum assessment for the previous year without a vote of the Membership.

B. From and after January 1, 1988, the maximum annual assessment may be increased above ten percent (10%) by a vote of one-half (1/2) of each class of Members who are voting in person or by proxy, at a meeting duly called for this purpose.

C. The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. Upon vote of the Members of the Association in the manner hereinafter set forth, the Association may levy in addition to annual assessments a special assessment in any calendar year applicable to that year only, for the purpose of defraying in whole or in part the costs of construction or reconstruction or expected repair or replacement of a described capital improvement upon the Common Area or Green Area, including necessary fixtures and personal property related thereto, provided that, any such assessment shall have the assent of sixty percent (60%) of the votes of each class of Members who are voting in person, or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than thirty (30) days nor more that sixty (60) days in advance of the meeting, setting forth the purpose of the meeting. The assessment ratio for any Lot, as determined pursuant to Section 3, shall be applicable to special assessment.

Section 5. Voting and Notices for Special Assessment and Change of Maximum Assessment. Written notice of any meeting of Members called to change the maximum annual assessment or to levy a special assessment shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the date of such meeting, setting forth the purpose of the meeting.

Section 6. Quorum for Action Authorized Under Section 4 and 5. The quorum required for any action authorized in Section 4 and 5 of this Article VI shall be as follows:

At the first meeting called, as provided in Section 4 and 5 hereof, the presence at the meeting of Members, or of proxies entitled to cast sixty percent (60%) of all votes of each class of Membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in Sections 4 and 5 and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessment. The initial annual assessments shall commence on the first day of such month as

M 86598 916

determined by the Board of Directors of the Association, shall be made for the balance of the calendar year, and shall be due and payable on the date fixed by the Board. Annual assessments for any year after the first year shall become due and payable on or before February 1 of such year, and at the Board's discretion may be collected on a monthly basis.

The amount of the initial annual assessment for the first year in which assessments are made or for any property which becomes subject to assessments for the first time shall be prorated on a calendar year basis according to the date on which property first became subject to assessment.

The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

Section 8. Duty of the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

Section 9. The Effect of Non-payment of Assessments; Lien of Association. If an assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $20.00 and the assessment shall bear interest at the rate of ten percent (10%) per annum for such due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such Lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Common and Green Areas, specifying and itemizing the maintenance and repair expenses of the Common Areas and Green Areas and any other expenses incurred. Such records and the vouchers authorizing the

M 89598 917

payments shall be available on request for examination by the Owners and others with an interest such as encumbrancers or prospective lenders.

Section 12. Protection of Mortgagees. First mortgagees of Lots may pay taxes or other charges or assessments which are in default and which may become a lien against the Common or Green Areas and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Common and Green Areas and the first mortgagees making such payments shall be owed immediately reimbursement therefore from the Association.

IN WITNESS WHEREOF, the undersigned being the Declarant herein has hereunto set its hand and seal as of the day and year first hereinabove set forth.

Section 1. Additions to the Properties. At any time before December 31, 1988, Declarant, its successors and assigns, in future stages of development, shall have the right to annex to and bring within the scheme of this Declaration additional properties which are located within the Villages of Woodland Hills.

Section 2. Method of Making Additions. Such Supplemental Declaration may contain such additions and modifications of the covenants and restrictions contained in this Declaration as may be necessary to reflect the different character of the added properties in the sole discretion of Declarant. In no event, however, shall such Supplemental Declaration revoke, modify or add to the covenants established by this Declaration with respect to the Properties subject to this Declaration just prior to such Supplemental Declaration being filed for record.

Section 3. Additions by Others. So long as Declarant is a Class B Member, additions may be made by any other owner of property who with the approval of the Board of Directors of the Association desires to add such property located within the boundaries described in Section 1 of this Article II to the scheme of this Declaration and to subject it to the jurisdiction of the Association. ARTICLE III

ADDITIONAL RESTRICTIONS

Section 1. Keeping of Vehicles on Property. The keeping of mobil homes, with or without wheels, on any lot is expressly prohibited. Motor boats, house boats and similar water borne vehicles or travel trailers may be maintained, stored or kept on any lot provided the same are housed completely within a structure or enclosure which has been approved architecturally by the Architectural Control Committee. Section 2. Yard Care. As soon as the growing season reasonably permits, the grounds around all living units shall be seeded, sodded or otherwise planted by the Owner thereof with grass or other ground cover or plantings and maintained in a clean and attractive manner free of dust and weeds. All fences on Lots shall be maintained in good repair and in a clean and attractive manner.

ARTICLE IV

MEMBERSHIP AND VOTING RIGHTS IN THE ASSOCIATION

Section 1. Membership. Every person or entity who is a record owner of a fee or undivided fee interest in any Lot which is subject by covenants of record to assessment by the Association, including contract sellers, shall be a Member of the Association. The foregoing is not intended to include persons or entities who hold an interest merely as security for the performance of obligation. Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to assessment by the Association. Ownership of such Lot shall be the sole qualification for Membership. When more than one person holds a Membership interest in any Lot, all such persons shall be Members. The vote for such Lot shall be exercised as they among themselves determine, but in no event shall more than one (1) vote be cast with respect to any Lot.

Section 2. Voting Rights. There shall be two classes of voting Membership.

A. Class A Members will be all those Members other than Southcreek, Inc. Class A Members shall be entitled to one vote for each Lot in which they hold the interest required for Membership by Section 1. When Class B Membership has been coverted to Class A Membership, all Directors of the Association shall be elected by the Class A Members.

B. The Class B Members shall be Southcreek, Inc. or its successors or assigns. Class B Members shall be entitled to four votes for each Lot owned by the Declarant or its successors or assigns, and shall be entitled to elect all Members of the Board of Directors of the Association. Class B Membership may cease and be converted to Class A Membership at the option of the Class B Member, its successors or assigns by its written notice to the Secretary of the Association, and shall cease and be converted to Class A Membership without further act or deed when the total votes outstanding in the Class A Membership equal the total votes outstanding in the Class B Membership.

C. As long as a Class B Membership exists, Associate Memberships in the Association will not be established by the Board of Directors of the Association without an affirmative vote of a majority of the Class A Members of the Association.

D. Should any builder own any lot which is the subject of these restrictions, that builder shall assign his voting rights to the developer. Said voting rights shall be voted as Class A Membership and not Class B Membership.

ARTICLE V

ADMINISTRATION AND MANAGEMENT

The administration of the Properties shall be governed by these covenants, the Articles of Incorporation, By-Laws, and published rules and regulations of the Association. As shown and reserved to Declarant in the Articles of Incorporation and By-Laws for the Association, the designation and appointment of the Board of Directors for the Association may, at Declarant's option, be exercised solely by the Declarant until the Class B Membership terminates.

ARTICLE VI

Section 1. Extent of Members' Easements. The rights and easements of enjoyment created hereby shall be subject to the following:

A. The right of the Association to limit the number of guests of Members.

B. The rights of the Declarant and of the Association, in accordance with its Articles and By-Laws, to borrow money for the purpose of improving the Green Area and with written consent of the Members entitled to vote seventy-five percent (75%) the votes of each class of Membership to mortgage said Common Areas and Green Areas as security for any such loan.

VL 8659 PG 906

C. The right of the Association to promulgate and publish rules and regulations which each Member shall strictly comply with.

Section 2. Personal Property for Common Use. The Association may acquire and hold for the use and benefit of all Members of the Association, tangible and intangible personal property and may dispose of the same by sale or otherwise, and the beneficial interest in any such property shall be owned by the Members of the Association and their interest therein shall not be transferable except that the interest of a Member who is an Owner shall be deemed to be transferred upon the transfer of the Member's Lot. A transfer of a Lot shall transfer to the transferee ownership of the transferor's beneficial interest in such personal property without any reference thereto or execution of a bill of sale. Each Owner may use such personal property in accordance with the purpose for which it is intended, without hindering or encroaching upon the lawful rights of the the other Owners. Sale of a Lot under foreclosure shall thereby entitle the purchase thereof to the beneficial interest in the personal property associated with the Lot.

ARTICLE VII

COVENANT FOR MAINTENANCE ASSESSMENT

Section 1. Creation of the Lien and Personal Obligation of Assessment. Declarant for each Lot owned by it within the Properties hereby covenants, and each Owner of any Lot by acceptance of the deed therefor, whether or not it shall be so expressed in acceptance of the deed therefor, shall be deemed to covenant and agree to pay to the Association annual assessments and special assessments for capital improvements. Such assessments shall be fixed, established and collected from time to time as hereinafter provided. The annual and special assessments, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall be a continuing lien upon the property against which each such assessment is made from the date hereinafter set forth. Each such assessment, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall also be a personal obligation of the person who is the Owner of such property at the time when the assessment fell due. Such personal obligation shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, enjoyment and welfare of the residents in the Properties and in particular for the improvements and maintenance of property, services and facilities devoted to the purpose and related to the use and enjoyment of homes situated upon the Properties and any other purpose reasonable, necessary or incidental to such purposes.

Section 3. Basis of Annual Assessment. Unless changed by vote of the Membership, as hereinafter provided, the maximum annual assessment for any Lot owned by Class A Members on which is located a single family detached dwelling shall be $250.00 per year. The assessment for Lots owned by Class A Members shall be at such assessment ratio as shall be determined by the Board of Directors for that particular development within six (6) months after its annexation to the Properties, having in mind the additional amenities furnished to the particular Lot not otherwise available to the Members. Such assessment ratio shall not thereafter be changed by the Board of Directors without approval of sixty-six percent (66%) of the Members.

The assessments shall be based upon the cash requirements deemed to be such aggregate sums as the Board of Directors of the Association shall from time to time determine is necessary to provide for the payment of all estimated expenses growing out of or connected with the maintenance and operation of the Green Area, which sum may include, but not limited to, any special assessments on the Common or Green Areas, insurance premiums for vandalism and malicious mischief, with endorsements attached, issued in the amount of the maximum replacement value of all of the Common Area improvements; casualty and public liability and other insurance premiums; landscaping and care of grounds; streets, lighting, repairs and renovations of Common Areas and Green Areas, wages, charges for water used by the Association, grounds maintenance, any expenses of providing security and protection for the Owners, legal and accounting fees, management fees,

R 86596 907

expenses and liabilities incurred by the Board of Directors under or by reason of this Declaration, the payment of any deficit remaining for a previous period, the creation of a reasonable contingency or other reserve or surplus funds as well as any and all other costs and expenses necessary to carry out the terms and intent of this Declaration. The Association shall maintain an adequate reserve fund out of the annual assessments rather than by period assessment for the maintenance, repair and replacement of those elements of the Common Area and Green Areas that must be replaced on a periodic basis. The Board of Directors of the Association may after consideration of the current maintenance costs and the financial requirements of the Association fix the annual actual assessment at an amount less than the maximum. Such reserve fund shall not be used to construct or establish new capital improvements without an affirmative vote of one-half of each class of Members.

Any agreement for management of the Associations's business or any other contract for services by the Declarant must provide for termination by either party without cause or payment of a termination fee on thirty (30) days or less written notice and a maximum contract term of three (3) years.

The maximum annual assessment may be changed as follows:

A. From and after January 1, 1988, the maximum annual assessment may be increased each year not more than ten percent (10%) above the maximum assessment for the previous year without a vote of the Membership.

B. From and after January 1, 1988, the maximum annual assessment may be increased above ten percent (10%) by a vote of one-half (1/2) of each class of Members who are voting in person or by proxy, at a meeting duly called for this purpose.

C. The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. Upon vote of the Members of the Association in the manner hereinafter set forth, the Association may levy in addition to annual assessments a special assessment in any calendar year applicable to that year only, for the purpose of defraying in whole or in part the costs of construction or reconstruction or expected repair or replacement of a described capital improvement upon the Common Area or Green Area, including necessary fixtures and personal property related thereto, provided that, any such assessment shall have the assent of sixty percent (60%) of the votes of each class of Members who are voting in person, or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than thirty (30) days nor more that sixty (60) days in advance of the meeting setting forth the purpose of the meeting. The assessment ratio for any lot, as determined pursuant to Section 3, shall be applicable to special assessments.

Section 5. Voting and Notices for Special Assessment and Change of Maximum Assessment. Written notice of any meeting of Members called to change the maximum annual assessment or to levy a special assessment shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the date of such meeting, setting forth the purpose of the meeting.

Section 6. Quorum for Action Authorized Under Section 4 and 5. The quorum required for any action authorized in Section 4 and 5 of this Article VI shall be as follows:

At the first meeting called, as provided in Section 4 and 5 hereof, the presence at the meeting of Members, or of proxies entitled to cast sixty percent (60%) of all votes of each class of Membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in Sections 4 and 5 and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessment. The initial annual assessments shall commence on the first day of such month as

determined by the Board of Directors of the Association, shall be made for the balance of the calendar year, and shall be due and payable on the date fixed by the Board. Annual assessments for any year after the first year shall become due and payable on or before February 1 of such year, and at the Board's discretion may be collected on a monthly basis.

The amount of the initial annual assessment for the first year in which assessments are made or for any property which becomes subject to assessments for the first time shall be prorated on a calendar year basis according to the date on which property first became subject to assessment.

The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

Section 8. Duty of the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

Section 9. The Effect of Non-payment of Assessments; Lien of Association. If an assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $20.00 and the assessment shall bear interest at the rate of ten percent (10%) per annum for such due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such Lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Common and Green Areas, specifying and itemizing the maintenance and repair expenses of the Common Areas and Green Areas and any other expenses incurred. Such records and the vouchers authorizing the

payments shall be available on request for examination by the Owners and others with an interest such as encumbrancers or prospective lenders.

Section 12. Protection of Mortgagees. First mortgagees of Lots may pay taxes or other charges or assessments which are in default and which may become a lien against the Common or Green Areas and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Common and Green Areas and the first mortgagees making such payments shall be owed immediately reimbursement therefore from the Association.

Section 2. Method of Making Additions. Additions authorized under this Article shall be made by filing for record a Supplemental Declaration of covenants and restrictions with respect to the additional property. Such Supplemental Declaration may contain such additions and modifications of the covenants and restrictions contained in this Declaration as may be necessary to reflect the different character of the added properties in the sole discretion of Declarant. In no event, however, shall such Supplemental Declaration revoke, modify or add to the covenants established by this Declaration with respect to the Properties subject to this Declaration just prior to such Supplemental Declaration being filed for record.

All fences on Lots shall be maintained in good repair and in a clean and attractive manner.

ARTICLE IV

MEMBERSHIP AND VOTING RIGHTS IN THE ASSOCIATION

Section 1. Membership. Every person or entity who is a record owner of a fee or undivided fee interest in any Lot which is subject by covenants of record to assessment by the Association, including contract sellers, shall be a Member of the Association. The foregoing is not intended to include persons or entities who hold an interest merely as security for the performance of obligation. Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to assessment by the Association. Ownership of such Lot shall be the sole qualification for Membership. When more than one person holds a Membership interest in any Lot, all such persons shall be Members. The vote for such Lot shall be exercised as they among themselves determine, but in no event shall more than one (1) vote be cast with respect to any Lot.

Section 2. Voting Rights. There shall be two classes of voting Membership.

A. Class A Members will be all those Members other than Southcreek, Inc. Class A Members shall be entitled to one vote for each Lot in which they hold the interest required for Membership by Section 1. When Class B Membership has been coverted to Class A Membership, all Directors of the Association shall be elected by the Class A Members.

B. The Class B Members shall be Southcreek, Inc. or its successors or assigns. Class B Members shall be entitled to four votes for each Lot owned by the Declarant or its successors or assigns, and shall be entitled to elect all Members of the Board of Directors of the Association. Class B Membership may cease and be converted to Class A Membership at the option of the Class B Member, its successors or assigns by its written notice to the Secretary of the Association, and shall cease and be converted to Class A Membership without further act or deed when the total votes outstanding in the Class A Membership equal the total votes outstanding in the Class B Membership.

C. As long as a Class B Membership exists, Associate Memberships in the Association will not be established by the Board of Directors of the Association without an affirmative vote of a majority of the Class A Members of the Association.

D. Should any builder own any lot which is the subject of these restrictions, that builder shall assign his voting rights to the developer. Said voting rights shall be voted as Class A Membership and not Class B Membership.

ARTICLE V

ADMINISTRATION AND MANAGEMENT

The administration of the Properties shall be governed by these covenants, the Articles of Incorporation, By-Laws, and published rules and regulations of the Association. As shown and reserved to Declarant in the Articles of Incorporation and By-Laws for the Association, the designation and appointment of the Board of Directors for the Association may, at Declarant's option, be exercised solely by the Declarant until the Class B Membership terminates.

ARTICLE VI

PROPERTY RIGHTS IN THE COMMON PROPERTIES

Section 1. Extent of Members' Easements. The rights and easements of enjoyment created hereby shall be subject to the following:

A. The right of the Association to limit the number of guests of Members.

B. The rights of the Declarant and of the Association, in accordance with its Articles and By-Laws, to borrow money for the purpose of improving the Green Area and with written consent of the Members entitled to vote seventy-five percent (75%) the votes of each class of Membership to mortgage said Common Areas and Green Areas as security for any such loan.

C. The right of the Association to promulgate and publish rules and regulations which each Member shall strictly comply with.

Section 2. Personal Property for Common Use. The Association may acquire and hold for the use and benefit of all Members of the Association, tangible and intangible personal property and may dispose of the same by sale or otherwise, and the beneficial interest in any such property shall be owned by the Members of the Association and their interest therein shall not be transferable except that the interest of a Member who is an Owner shall be deemed to be transferred upon the transfer of the Member's Lot. A transfer of a Lot shall transfer to the transferee ownership of the transferor's beneficial interest in such personal property without any reference thereto or execution of a bill of sale. Each Owner may use such personal property in accordance with the purpose for which it is intended, without hindering or encroaching upon the lawful rights of the the other Owners. Sale of a Lot under foreclosure shall thereby entitle the purchase thereof to the beneficial interest in the personal property associated with the Lot.

ARTICLE VII

COVENANT FOR MAINTENANCE ASSESSMENT

Section 1. Creation of the Lien and Personal Obligation of Assessment. Declarant for each Lot owned by it within the Properties hereby covenants, and each Owner of any Lot by acceptance of the deed therefor, whether or not it shall be so expressed in acceptance of the deed therefor, shall be deemed to covenant and agree to pay to the Association annual assessments and special assessments for capital improvements. Such assessments shall be fixed, established and collected from time to time as hereinafter provided. The annual and special assessments together with such interest thereon and costs of collection thereof, as hereinafter provided, shall be a continuing lien upon the property against which each such assessment is made from the date hereinafter set forth. Each such assessment, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall also be a personal obligation of the person who is the Owner of such property at the time when the assessment fell due. Such personal obligation shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, enjoyment and welfare of the residents in the Properties and in particular for the improvements and maintenance of property, services and facilities devoted to the purpose and related to the use and enjoyment of homes situated upon the Properties and any other purpose reasonable, necessary or incidental to such purposes.

Section 3. Basis of Annual Assessment. Unless changed by vote of the Membership, as hereinafter provided, the maximum annual assessment for any Lot owned by Class A Members on which is located a single family detached dwelling shall be $250.00 per year. The assessment for Lots owned by Class A Members shall be at such assessment ratio as shall be determined by the Board of Directors for that particular development within six (6) months after its annexation to the Properties, having in mind the additional amenities furnished to the particular Lot not otherwise available to the Members. Such assessment ratio shall not thereafter be changed by the Board of Directors without approval of sixty-six percent (66%) of the Members.

The assessments shall be based upon the cash requirements deemed to be such aggregate sums as the Board of Directors of the Association shall from time to time determine is necessary to provide for the payment of all estimated expenses growing out of or connected with the maintenance and operation of the Green Area, which sum may include, but not limited to, any special assessments on the Common or Green Areas, insurance premiums for vandalism and malicious mischief, with endorsements attached, issued in the amount of the maximum replacement value of all of the Common Area improvements; casualty and public liability and other insurance premiums; landscaping and care of grounds; streets, lighting, repairs and renovations of Common Areas and Green Areas, wages, charges for water used by the Association, grounds maintenance, any expenses of providing security and protection for the Owners, legal and accounting fees, management fees,

expenses and liabilities incurred by the Board of Directors under or by reason of this Declaration, the payment of any deficit remaining for a previous period, the creation of a reasonable contingency or other reserve or surplus funds as well as any and all other costs and expenses necessary to carry out the terms and intent of this Declaration. The Association shall maintain an adequate reserve fund out of the annual assessments rather than by period assessment for the maintenance, repair and replacement of those elements of the Common Area and Green Areas that must be replaced on a periodic basis. The Board of Directors of the Association may after consideration of the current maintenance costs and the financial requirements of the Association fix the annual actual assessment at an amount less than the maximum. Such reserve fund shall not be used to construct or establish new capital improvements without an affirmative vote of one-half of each class of Members.

Any agreement for management of the Associations's business or any other contract for services by the Declarant must provide for termination by either party without cause or payment of a termination fee on thirty (30) days or less written notice and a maximum contract term of three (3) years.

The maximum annual assessment may be changed as follows:

A. From and after January 1, 1988, the maximum annual assessment may be increased each year not more than ten percent (10%) above the maximum assessment for the previous year without a vote of the Membership.

B. From and after January 1, 1988, the maximum annual assessment may be increased above ten percent (10%) by a vote of one-half (1/2) of each class of Members who are voting in person or by proxy, at a meeting duly called for this purpose.

C. The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. Upon vote of the Members of the Association in the manner hereinafter set forth, the Association may levy in addition to annual assessments a special assessment in any calendar year applicable to that year only, for the purpose of defraying in whole or in part the costs of construction or reconstruction or expected repair or replacement of a described capital improvement upon the Common Area or Green Area, including necessary fixtures and personal property related thereto, provided that, any such assessment shall have the assent of sixty percent (60%) of the votes of each class of Members who are voting in person, or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than thirty (30) days nor more that sixty (60) days in advance of the meeting setting forth the purpose of the meeting. The assessment ratio for any Lot, as determined pursuant to Section 3, shall be applicable to special assessment.

Section 5. Voting and Notices for Special Assessment and Change of Maximum Assessment. Written notice of any meeting of Members called to change the maximum annual assessment or to levy a special assessment shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the date of such meeting, setting forth the purpose of the meeting.

Section 6. Quorum for Action Authorized Under Section 4 and 5. The quorum required for any action authorized in Section 4 and 5 of this Article VI shall be as follows:

At the first meeting called, as provided in Section 4 and 5 hereof, the presence at the meeting of Members, or of proxies entitled to cast sixty percent (60%) of all votes of each class of Membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in Sections 4 and 5 and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessment. The initial annual assessments shall commence on the first day of such month as

determined by the Board of Directors of the Association, shall be made for the balance of the calendar year, and shall be due and payable on the date fixed by the Board. Annual assessments for any year after the first year shall become due and payable on or before February 1 of such year, and at the Board's discretion may be collected on a monthly basis.

The amount of the initial annual assessment for the first year in which assessments are made or for any property which becomes subject to assessments for the first time shall be prorated on a calendar year basis according to the date on which property first became subject to assessment.

The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

Section 8. Duty of the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

Section 9. The Effect of Non-payment of Assessments; Lien of Association. If an assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $20.00 and the assessment shall bear interest at the rate of ten percent (10%) per annum for such due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such Lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Common and Green Areas, specifying and itemizing the maintenance and repair expenses of the Common Areas and Green Areas and any other expenses incurred. Such records and the vouchers authorizing the

payments shall be available on request for examination by the Owners and others with an interest such as encumbrancers or prospective lenders.

Section 12. Protection of Mortgagees. First mortgagees of Lots may pay taxes or other charges or assessments which are in default and which may become a lien against the Common or Green Areas and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Common and Green Areas and the first mortgagees making such payments shall be owed immediately reimbursement therefore from the Association.

IN WITNESS WHEREOF, the undersigned being the Declarant herein has hereunto set its hand and seal as of the day and year first hereinabove set forth.

Section 1. Creation of the Lien and Personal Obligation of Assessment. Declarant for each Lot owned by it within the Properties hereby covenants, and each Owner of any Lot by acceptance of the deed therefor, whether or not it shall be so expressed in acceptance of the deed therefor, shall be deemed to covenant and agree to pay to the Association annual assessments and special assessments for capital improvements. Such assessments shall be fixed, established and collected from time to time as hereinafter provided. The annual and special assessments, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall be a continuing lien upon the property against which each such assessment is made from the date hereinafter set forth. The maximum annual assessment may be changed as follows:

A. From and after January 1, 1988, the maximum annual assessment may be increased each year not more than ten percent (10%) above the maximum assessment for the previous year without a vote of the Membership.

B. From and after January 1, 1988, the maximum annual assessment may be increased above ten percent (10%) by a vote of one-half (1/2) of each class of Members who are voting in person or by proxy, at a meeting duly called for this purpose.

Section 6. Quorum for Action Authorized Under Section 4 and 5. The quorum required for any action authorized in Section 4 and 5 of this Article VI shall be as follows:

At the first meeting called, as provided in Section 4 and 5 hereof, the presence at the meeting of Members, or of proxies entitled to cast sixty percent (60%) of all votes of each class of Membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in Sections 4 and 5 and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessment. The initial annual assessments shall commence on the first day of such month as

determined by the Board of Directors of the Association, shall be made for the balance of the calendar year, and shall be due and payable on the date fixed by the Board. Annual assessments for any year after the first year shall become due and payable on or before February 1 of such year, and at the Board's discretion may be collected on a monthly basis.

The amount of the initial annual assessment for the first year in which assessments are made or for any property which becomes subject to assessments for the first time shall be prorated on a calendar year basis according to the date on which property first became subject to assessment.

The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

Section 8. Duty of the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

Section 9. The Effect Of Non-payment of Assessments; Lien of Association. If an assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $20.00 and the assessment shall bear interest at the rate of ten percent (10%) per annum for such due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such Lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Common and Green Areas, specifying and itemizing the maintenance and repair expenses of the Common Areas and Green Areas and any other expenses incurred. Such records and the vouchers authorizing the

payments shall be available on request for examination by the Owners and others with an interest such as encumbrancers or prospective lenders.

Section 12. Protection of Mortgagees. First mortgagees of Lots may pay taxes or other charges or assessments which are in default and which may become a lien against the Common or Green Areas and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Common and Green Areas and the first mortgagees making such payments shall be owed immediately reimbursement therefore from the Association.

IN WITNESS WHEREOF, the undersigned being the Declarant herein has hereunto set its hand and seal as of the day and year first hereinabove set forth.

As soon as the growing season reasonably permits, the grounds around all living units shall be seeded, sodded or otherwise planted by the Owner thereof with grass or other ground cover or plantings and maintained in a clean and attractive manner free of dust and weeds. All fences on lots shall be maintained in good repair and in a clean and attractive manner.

ARTICLE IV

MEMBERSHIP AND VOTING RIGHTS IN THE ASSOCIATION

VOL 6659 PG 977

Section 1. Membership. Every person or entity who is a record owner of a fee or undivided fee interest in any Lot which is subject by covenants of record to assessment by the Association, including contract sellers, shall be a Member of the Association. The foregoing is not intended to include persons or entities who hold an interest merely as security for the performance of obligation. Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to assessment by the Association. Ownership of such Lot shall be the sole qualification for Membership. When more than one person holds a Membership interest in any Lot, all such persons shall be Members. The vote for such Lot shall be exercised as they among themselves determine, but in no event shall more than one (1) vote be cast with respect to any Lot.

Section 2. Voting Rights. There shall be two classes of voting Membership.

A. Class A Members will be all those Members other than Southcreek, Inc. Class A Members shall be entitled to one vote for each Lot in which they hold the interest required for Membership by Section 1. When Class B Membership has been converted to Class A Membership, all Directors of the Association shall be elected by the Class A Members.

B. The Class B Members shall be Southcreek, Inc. or its successors or assigns. Class B Members shall be entitled to four votes for each Lot owned by the Declarant or its successors or assigns, and shall be entitled to elect all Members of the Board of Directors of the Association. Class B Membership may cease and be converted to Class A Membership at the option of the Class B Member, its successors or assigns by its written notice to the Secretary of the Association, and shall cease and be converted to Class A Membership without further act or deed when the total votes outstanding in the Class A Membership equal the total votes outstanding in the Class B Membership.

C. As long as a Class B Membership exists, Associate Memberships in the Association will not be established by the Board of Directors of the Association without an affirmative vote of a majority of the Class A Members of the Association.

D. Should any builder own any lot which is the subject of these restrictions, that builder shall assign his voting rights to the developer. Said voting rights shall be voted as Class A Membership and not Class B Membership.

ARTICLE V

ADMINISTRATION AND MANAGEMENT

The administration of the Properties shall be governed by these covenants, the Articles of Incorporation, By-Laws, and published rules and regulations of the Association. As shown and reserved to Declarant in the Articles of Incorporation and By-Laws for the Association, the designation and appointment of the Board of Directors for the Association may, at Declarant's option, be exercised solely by the Declarant until the Class B Membership terminates.

ARTICLE VI

PROPERTY RIGHTS IN THE COMMON PROPERTIES

Section 1. Extent of Members' Easements. The rights and easements of enjoyment created hereby shall be subject to the following:

A. The right of the Association to limit the number of guests of Members.

B. The rights of the Declarant and of the Association, in accordance with its Articles and By-Laws, to borrow money for the purpose of improving the Green Area and with written consent of the Members entitled to vote seventy-five percent (75%) the votes of each class of Membership to mortgage said Common Areas and Green Areas as security for any such loan.

C. The right of the Association to promulgate and publish rules and regulations which each Member shall strictly comply with.

Section 2. Personal Property for Common Use. The Association may acquire and hold for the use and benefit of all Members of the Association, tangible and intangible personal property and may dispose of the same by sale or otherwise, and the beneficial interest in any such property shall be owned by the Members of the Association and their interest therein shall not be transferable except that the interest of a Member who is an Owner shall be deemed to be transferred upon the transfer of the Member's Lot. A transfer of a Lot shall transfer to the transferee ownership of the transferor's beneficial interest in such personal property without any reference thereto or execution of a bill of sale. Each Owner may use such personal property in accordance with the purpose for which it is intended, without hindering or encroaching upon the lawful rights of the the other Owners. Sale of a Lot under foreclosure shall thereby entitle the purchase thereof to the beneficial interest in the personal property associated with the Lot.

ARTICLE VII

COVENANT FOR MAINTENANCE ASSESSMENT

Section 1. Creation of the Lien and Personal Obligation of Assessment. Declarant for each Lot owned by it within the Properties hereby covenants, and each Owner of any Lot by acceptance of the deed therefor, whether or not it shall be so expressed in acceptance of the deed therefor, shall be deemed to covenant and agree to pay to the Association annual assessments and special assessments for capital improvements. Such assessments shall be fixed, established and collected from time to time as hereinafter provided. The annual and special assessments, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall be a continuing lien upon the property against which each such assessment is made from the date hereinafter set forth. Each such assessment, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall also be a personal obligation of the person who is the Owner of such property at the time when the assessment fell due. Such personal obligation shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, enjoyment and welfare of the residents in the Properties and in particular for the improvements and maintenance of property, services and facilities devoted to the purpose and related to the use and enjoyment of homes situated upon the Properties and any other purpose reasonable, necessary or incidental to such purposes.

Section 3. Basis of Annual Assessment. Unless changed by vote of the Membership, as hereinafter provided, the maximum annual assessment for any Lot owned by Class A Members on which is located in a single family detached dwelling shall be $250.00 per year. The assessment for Lots owned by Class A Members shall be at such assessment ratio as shall be determined by the Board of Directors for that particular development within six (6) months after its annexation to the Properties, having in mind the additional amenities furnished to the particular Lot not otherwise available to the Members. Such assessment ratio shall not thereafter be changed by the Board of Directors without approval of sixty-six percent (66%) of the Members.

The assessments shall be based upon the cash requirements deemed to be such aggregate sums as the Board of Directors of the Association shall from time to time determine is necessary to provide for the payment of all estimated expenses growing out of or connected with the maintenance and operation of the Green Area, which sum may include, but not limited to: any special assessments on the Common or Green Areas, insurance premiums for vandalism and malicious mischief, with endorsements attached, issued in the amount of the maximum replacement value of all of the Common Area improvements; casualty and public liability and other insurance premiums; landscaping and care of grounds; streets, lighting, repairs and renovations of Common Areas and Green Areas, wages, charges for water used by the Association, grounds maintenance, any expenses of providing security and protection for the Owners, legal and accounting fees, management fees,

expenses and liabilities incurred by the Board of Directors under or by reason of this Declaration, the payment of any deficit remaining for a previous period, the creation of a reasonable contingency or other reserve or surplus funds as well as any and all other costs and expenses necessary to carry out the terms and intent of this Declaration. The Association shall maintain an adequate reserve fund out of the annual assessments rather than by period assessment for the maintenance, repair and replacement of those elements of the Common Area and Green Areas that must be replaced on a periodic basis. The Board of Directors of the Association may after consideration of the current maintenance costs and the financial requirements of the Association fix the annual actual assessment at an amount less than the maximum. Such reserve fund shall not be used to construct or establish new capital improvements without an affirmative vote of one-half of each class of Members.

Any agreement for management of the Associations's business or any other contract for services by the Declarant must provide for termination by either party without cause or payment of a termination fee on thirty (30) days or less written notice and a maximum contract term of three (3) years.

The maximum annual assessment may be changed as follows:

A. From and after January 1, 1988, the maximum annual assessment may be increased each year not more than ten percent (10%) above the maximum assessment for the previous year without a vote of the Membership.

B. From and after January 1, 1988, the maximum annual assessment may be increased above ten percent (10%) by a vote of one-half (1/2) of each class of Members who are voting in person or by proxy, at a meeting duly called for this purpose.

C. The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. Upon vote of the Members of the Association in the manner hereinafter set forth, the Association may levy in addition to annual assessments a special assessment in any calendar year applicable to that year only, for the purpose of defraying in whole or in part the costs of construction or reconstruction or expected repair or replacement of a described capital improvement upon the Common Area or Green Area, including necessary fixtures and personal property related thereto, provided that, any such assessment shall have the assent of sixty percent (60%) of the votes of each class of Members who are voting in person, or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than thirty (30) days nor more that sixty (60) days in advance of the meeting setting forth the purpose of the meeting. The assessment ratio for any Lot, as determined pursuant to Section 3, shall be applicable to special assessments.

Section 5. Voting and Notices for Special Assessment and Change of Maximum Assessment. Written notice of any meeting of Members called to change the maximum annual assessment or to levy a special assessment shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the date of such meeting, setting forth the purpose of the meeting.

Section 6. Quorum for Action Authorized Under Section 4 and 5. The quorum required for any action authorized in Section 4 and 5 of this Article VI shall be as follows:

At the first meeting called, as provided in Section 4 and 5 hereof, the presence at the meeting of Members, or of proxies entitled to cast sixty percent (60%) of all votes of each class of Membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in Sections 4 and 5 and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessment. The initial annual assessments shall commence on the first day of such month as

determined by the Board of Directors of the Association, shall be made for the balance of the calendar year, and shall be due and payable on the date fixed by the Board. Annual assessments for any year after the first year shall become due and payable on or before February 1 of such year, and at the Board's discretion may be collected on a monthly basis.

The amount of the initial annual assessment for the first year in which assessments are made or for any property which becomes subject to assessments for the first time shall be prorated on a calendar year basis according to the date on which property first became subject to assessment.

The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

Section 8. Duty of the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

Section 9. The Effect of Non-payment of Assessments; Lien of Association. If an assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $20.00 and the assessment shall bear interest at the rate of ten percent (10%) per annum for such due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such Lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Common and Green Areas, specifying and itemizing the maintenance and repair expenses of the Common Areas and Green Areas and any other expenses incurred. Such records and the vouchers authorizing the

payments shall be available on request for examination by the Owners and others with an interest such as encumbrancers or prospective lenders.

Section 12. Protection of Mortgagees. First mortgagees of Lots may pay taxes or other charges or assessments which are in default and which may become a lien against the Common or Green Areas and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Common and Green Areas and the first mortgagees making such payments shall be owed immediately reimbursement therefore from the Association.

IN WITNESS WHEREOF, the undersigned being the Declarant herein has hereunto set its hand and seal as of the day and year first hereinabove set forth.

Class B Members shall be entitled to four votes for each Lot owned by the Declarant or its successors or assigns, and shall be entitled to elect all Members of the Board of Directors of the Association. Class B Membership may cease and be converted to Class A Membership at the option of the Class B Member, its successors or assigns by its written notice to the Secretary of the Association, and shall cease and be converted to Class A Membership without further act or deed when the total votes outstanding in the Class A Membership equal the total votes outstanding in the Class B Membership.

C. As long as a Class B Membership exists, Associate Memberships in the Association will not be established by the Board of Directors of the Association without an affirmative vote of a majority of the Class A Members of the Association.

D. Should any builder own any lot which is the subject of these restrictions, that builder shall assign his voting rights to the developer. Said voting rights shall be voted as Class A Membership and not Class B Membership.

ARTICLE V

ADMINISTRATION AND MANAGEMENT

The administration of the Properties shall be governed by these covenants, the Articles of Incorporation, By-Laws, and published rules and regulations of the Association. As shown and reserved to Declarant in the Articles of Incorporation and By-Laws for the Association, the designation and appointment of the Board of Directors for the Association may, at Declarant's option, be exercised solely by the Declarant until the Class B Membership terminates.

B. The rights of the Declarant and of the Association, in accordance with its Articles and By-Laws, to borrow money for the purpose of improving the Green Area and with written consent of the Members entitled to vote seventy-five percent (75%) the votes of each class of Membership to mortgage said Common Areas and Green Areas as security for any such loan.

A transfer of a lot shall transfer to the transferee ownership of the transferor's beneficial interest in such personal property without any reference thereto or execution of a bill of sale. Each Owner may use such personal property in accordance with the purpose for which it is intended, without hindering or encroaching upon the lawful rights of the the other Owners. Sale of a lot under foreclosure shall thereby entitle the purchase thereof to the beneficial interest in the personal property associated with the lot.

ARTICLE VII

COVENANT FOR MAINTENANCE ASSESSMENT

Section 1. Creation of the Lien and Personal Obligation of Assessment. Declarant for each Lot owned by it within the Properties hereby covenants, and each Owner of any Lot by acceptance of the deed therefor, whether or not it shall be so expressed in acceptance of the deed therefor, shall be deemed to covenant and agree to pay to the Association annual assessments and special assessments for capital improvements. Such assessments shall be fixed, established and collected from time to time as hereinafter provided. The annual and special assessments together with such interest thereon and costs of collection thereof, as hereinafter provided, shall be a continuing lien upon the property against which each such assessment is made from the date hereinafter set forth. Each such assessment, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall also be a personal obligation of the person who is the Owner of such property at the time when the assessment fell due. Such personal obligation shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, enjoyment and welfare of the residents in the Properties and in particular for the improvements and maintenance of property, services and facilities devoted to the purpose and related to the use and enjoyment of homes situated upon the Properties and any other purpose reasonable, necessary or incidental to such purposes.

Section 3. Basis of Annual Assessment. Unless changed by vote of the Membership, as hereinafter provided, the maximum annual assessment for any Lot owned by Class A Members on which is located in a single family detached dwelling shall be $250.00 per year. The assessment for Lots owned by Class A Members shall be at such assessment ratio as shall be determined by the Board of Directors for that particular development within six (6) months after its annexation to the Properties, having in mind the additional amenities furnished to the particular Lot not otherwise available to the Members. Such assessment ratio shall not thereafter be changed by the Board of Directors without approval of sixty-six percent (66%) of the Members.

The assessments shall be based upon the cash requirements deemed to be such aggregate sums as the Board of Directors of the Association shall from time to time determine is necessary to provide for the payment of all estimated expenses growing out of or connected with the maintenance and operation of the Green Area, which sum may include, but not limited to, any special assessments on the Common or Green Areas, insurance premiums for vandalism and malicious mischief, with endorsements attached, issued in the amount of the maximum replacement value of all of the Common Area improvements; casualty and public liability and other insurance premiums; landscaping and care of grounds; streets, lighting, repairs and renovations of Common Areas and Green Areas, wages, charges for water used by the Association, grounds maintenance, any expenses of providing security and protection for the Owners, legal and accounting fees, management fees,

expenses and liabilities incurred by the Board of Directors under or by reason of this Declaration, the payment of any deficit remaining for a previous period, the creation of a reasonable contingency or other reserve or surplus funds as well as any and all other costs and expenses necessary to carry out the terms and intent of this Declaration. The Association shall maintain an adequate reserve fund out of the annual assessments rather than by period assessment for the maintenance, repair and replacement of those elements of the Common Area and Green Areas that must be replaced on a periodic basis. The Board of Directors of the Association may after consideration of the current maintenance costs and the financial requirements of the Association fix the annual actual assessment at an amount less than the maximum. Such reserve fund shall not be used to construct or establish new capital improvements without an affirmative vote of one-half of each class of Members.

Any agreement for management of the Associations's business or any other contract for services by the Declarant must provide for termination by either party without cause or payment of a termination fee on thirty (30) days or less written notice and a maximum contract term of three (3) years.

The maximum annual assessment may be changed as follows:

A. From and after January 1, 1988, the maximum annual assessment may be increased each year not more than ten percent (10%) above the maximum assessment for the previous year without a vote of the Membership.

B. From and after January 1, 1988, the maximum annual assessment may be increased above ten percent (10%) by a vote of one-half (1/2) of each class of Members who are voting in person or by proxy, at a meeting duly called for this purpose.

C. The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. Upon vote of the Members of the Association in the manner hereinafter set forth, the Association may levy in addition to annual assessments a special assessment in any calendar year applicable to that year only, for the purpose of defraying in whole or in part the costs of construction or reconstruction or expected repair or replacement of a described capital improvement upon the Common Area or Green Area, including necessary fixtures and personal property releated thereto, provided that, any such assessment shall have the assent of sixty percent (60%) of the votes of each class of Members who are voting in person, or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than thirty (30) days nor more that sixty (60) days in advance of the meeting setting forth the purpose of the meeting. The assessment ratio for any Lot, as determined pursuant to Section 3, shall be applicable to special assessment.

Section 5. Voting and Notices for Special Assessment and Change of Maximum Assessment. Written notice of any meeting of Members called to change the maximum annual assessment or to levy a special assessment shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the date of such meeting, setting forth the purpose of the meeting.

Section 6. Quorum for Action Authorized Under Section 4 and 5. The quorum required for any action authorized in Section 4 and 5 of this Article VI shall be as follows:

At the first meeting called, as provided in Section 4 and 5 hereof, the presence at the meeting of Members, or of proxies entitled to cast sixty percent (60%) of all votes of each class of Membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in Sections 4 and 5 and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessment. The initial annual assessments shall commence on the first day of such month as

determined by the Board of Directors of the Association, shall be made for the balance of the calendar year, and shall be due and payable on the date fixed by the Board. Annual assessments for any year after the first year shall become due and payable on or before February 1 of such year, and at the Board's discretion may be collected on a monthly basis.

The amount of the initial annual assessment for the first year in which assessments are made or for any property which becomes subject to assessments for the first time shall be prorated on a calendar year basis according to the date on which property first became subject to assessment.

The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

Section 8. Duty of the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

Section 9. The Effect of Non-payment of Assessments; Lien of Association. If an assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $20.00 and the assessment shall bear interest at the rate of ten percent (10%) per annum for such due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such Lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Common and Green Areas, specifying and itemizing the maintenance and repair expenses of the Common Areas and Green Areas and any other expenses incurred. Such records and the vouchers authorizing the

payments shall be available on request for examination by the Owners and others with an interest such as encumbrancers or prospective lenders.

Section 12. Protection of Mortgagees. First mortgagees of Lots may pay taxes or other charges or assessments which are in default and which may become a lien against the Common or Green Areas and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Common and Green Areas and the first mortgagees making such payments shall be owed immediately reimbursement therefore from the Association.

IN WITNESS WHEREOF, the undersigned being the Declarant herein has hereunto set its hand and seal as of the day and year first hereinabove set forth.

MEMBERSHIP AND VOTING RIGHTS IN THE ASSOCIATION

Section 1. Membership. Every person or entity who is a record owner of a fee or undivided fee interest in any Lot which is subject by covenants of record to assessment by the Association, including contract sellers, shall be a Member of the Association. The foregoing is not intended to include persons or entities who hold an interest merely as security for the performance of obligation. Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to assessment by the Association. Ownership of such Lot shall be the sole qualification for Membership. When more than one person holds a Membership interest in any Lot, all such persons shall be Members. The vote for such Lot shall be exercised as they among themselves determine, but in no event shall more than one (1) vote be cast with respect to any Lot.

Section 2. Voting Rights. There shall be two classes of voting Membership.

A. Class A Members shall be all those Members other than Southcreek, Inc. D. Should any builder own any lot which is the subject of these restrictions, that builder shall assign his voting rights to the developer. Said voting rights shall be voted as Class A Membership and not Class B Membership.

ARTICLE V

A transfer of a Lot shall transfer to the transferee ownership of the transferor's beneficial interest in such personal property without any reference thereto or execution of a bill of sale. Each Owner may use such personal property in accordance with the purpose for which it is intended, without hindering or encroaching upon the lawful rights of the the other Owners. Sale of a Lot under foreclosure shall thereby entitle the purchaser thereof to the beneficial interest in the personal property associated with the Lot.

ARTICLE VI

COVENANT FOR MAINTENANCE ASSESSMENT

Section 1. Creation of the Lien and Personal Obligation of Assessment. Declarant for each Lot owned by it within the Properties hereby covenants, and each Owner of any Lot by acceptance of the deed therefor, whether or not it shall be so expressed in acceptance of the deed therefor, shall be deemed to covenant and agree to pay to the Association annual assessments and special assessments for capital improvements. Such assessments shall be fixed, established and collected from time to time as hereinafter provided. The annual and special assessments, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall be a continuing lien upon the property against which each such assessment is made from the date hereinafter set forth. Each such assessment, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall also be a personal obligation of the person who is the Owner of such property at the time when the assessment fell due. Such personal obligation shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, enjoyment and welfare of the residents in the Properties and in particular for the improvements and maintenance of property, services and facilities devoted to the purpose and related to the use and enjoyment of homes situated upon the Properties and any other purpose reasonable, necessary or incidental to such purposes.

Section 3. Basis of Annual Assessments. Unless changed by vote of the Membership, as hereinafter provided, the maximum annual assessment for any Lot owned by Class A Members on which is located in a single family detached dwelling shall be $250.00 per year. The assessment for Lots owned by Class A Members shall be at such assessment ratio as shall be determined by the Board of Directors for that particular development within six (6) months after its annexation to the Properties, having in mind the additional amenities furnished to the particular Lot not otherwise available to the Members. Such assessment ratio shall not thereafter be changed by the Board of Directors without approval of sixty-six percent (66%) of the Members.

The assessments shall be based upon the cash requirements deemed to be such aggregate sums as the Board of Directors of the Association shall from time to time determine is necessary to provide for the payment of all estimated expenses growing out of or connected with the maintenance and operation of the Green Area, which sum may include, but not limited to, any special assessments on the Common or Green Areas, insurance premiums for vandalism and malicious mischief, with endorsements attached, issued in the amount of the maximum replacement value of all of the Common Area improvements; casualty and public liability and other insurance premiums; landscaping and care of grounds; streets, lighting, repairs and renovations of Common Areas and Green Areas, wages, charges for water used by the Association, grounds maintenance, any expenses of providing security and protection for the Owners, legal and accounting fees, management fees,

expenses and liabilities incurred by the Board of Directors under or by reason of this Declaration, the payment of any deficit remaining for a previous period, the creation of a reasonable contingency or other reserve or surplus funds as well as any and all other costs and expenses necessary to carry out the terms and intent of this Declaration. The Association shall maintain an adequate reserve fund out of the annual assessments rather than by period assessment for the maintenance, repair and replacement of those elements of the Common Area and Green Areas that must be replaced on a periodic basis. The Board of Directors of the Association may after consideration of the current maintenance costs and the financial requirements of the Association fix the annual actual assessment at an amount less than the maximum. Such reserve fund shall not be used to construct or establish new capital improvements without an affirmative vote of one-half of each class of Members.

Any agreement for management of the Associations's business or any other contract for services by the Declarant must provide for termination by either party without cause or payment of a termination fee on thirty (30) days or less written notice and a maximum contract term of three (3) years.

The maximum annual assessment may be changed as follows:

A. From and after January 1, 1986, the maximum annual assessment may be increased each year not more than ten percent (10%) above the maximum assessment for the previous year without a vote of the Membership.

B. From and after January 1, 1986, the maximum annual assessment may be increased above ten percent (10%) by a vote of one-half (1/2) of each class of Members who are voting in person or by proxy, at a meeting duly called for this purpose.

C. The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. Upon vote of the Members of the Association in the manner hereinafter set forth, the Association may levy in addition to annual assessments a special assessment in any calendar year applicable to that year only, for the purpose of defraying in whole or in part the costs of construction or reconstruction or expected repair or replacement of a described capital improvement upon the Common Area or Green Area, including necessary fixtures and personal property related thereto, provided that, any such assessment shall have the assent of sixty percent (60%) of the votes of each class of Members who are voting in person, or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting setting forth the purpose of the meeting. The assessment ratio for any Lot, as determined pursuant to Section 3, shall be applicable to special assessment.

Section 5. Voting and Notice for Special Assessment and Change of Maximum Assessment. Written notice of any meeting of Members called to change the maximum annual assessment or to levy a special assessment shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the date of such meeting, setting forth the purpose of the meeting.

Section 6. Quorum for Action Authorized Under Section 4 and 5. The quorum required for any action authorized in Section 4 and 5 of this Article VI shall be as follows:

At the first meeting called, as provided in Section 4 and 5 hereof, the presence at the meeting of members, or of proxies entitled to cast sixty percent (60%) of all votes of each class of Membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in Sections 4 and 5 and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessment. The initial annual assessments shall commence on the first day of such month as

determined by the Board of Directors of the Association, shall be made for the balance of the calendar year, and shall be due and payable on the date fixed by the Board. Annual assessments for any year after the first year shall become due and payable on or before February 1 of such year, and at the Board's discretion may be collected on a monthly basis.

The amount of the initial annual assessment for the first year in which assessments are made or for any property which becomes subject to assessments for the first time shall be prorated on a calendar year basis according to the date on which property first became subject to assessment.

The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

Section 8. Duty of the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

Section 9. The Effect of Non-payment of Assessments; Lien of Association. If an assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $20.00 and the assessment shall bear interest at the rate of ten percent (10%) per annum from such due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien, however, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such Lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Common and Green Areas, specifying and itemizing the maintenance and repair expenses of the Common Areas and Green Areas and any other expenses incurred. Such records and the vouchers authorizing the

payments shall be available on request for examination by the Owners and others with an interest such as encumbrancers or prospective lenders.

Section 12. Protection of Mortgagees. All fences on Lots shall be maintained in good repair and in a clean and attractive manner.

ARTICLE IV

MEMBERSHIP AND VOTING RIGHTS IN THE ASSOCIATION

Section 1. Membership. Every person or entity who is a record owner of a fee or undivided fee interest in any Lot which is subject by covenants of record to assessment by the Association, including contract sellers, shall be a Member of the Association. The foregoing is not intended to include persons or entities who hold an interest merely as security for the performance of obligation. Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to assessment by the Association. Ownership of such Lot shall be the sole qualification for Membership. When more than one person holds a Membership interest in any Lot, all such persons shall be Members. The vote for such Lot shall be exercised as they among themselves determine, but in no event shall more than one (1) vote be cast with respect to any Lot.

Section 2. Voting Rights. There shall be two classes of voting Membership.

A. Class A Members will be all those Members other than Southcreek, Inc. Class A Members shall be entitled to one vote for each Lot in which they hold the interest required for Membership by Section 1. When Class B Membership has been coverted to Class A Membership, all Directors of the Association shall be elected by the Class A Members.

B. The Class B Members shall be Southcreek, Inc. or its successors or assigns. Class B Members shall be entitled to four votes for each Lot owned by the Declarant or its successors or assigns, and shall be entitled to elect all Members of the Board of Directors of the Association. Class B Membership may cease and be converted to Class A Membership at the option of the Class B Member, its successors or assigns by its written notice to the Secretary of the Association, and shall cease and be converted to Class A Membership without further act or deed when the total votes outstanding in the Class A Membership equal the total votes outstanding in the Class B Membership.

C. As long as a Class B Membership exists, Associate Memberships in the Association will not be established by the Board of Directors of the Association without an affirmative vote of a majority of the Class A Members of the Association.

D. Should any builder own any lot which is the subject of these restrictions, that builder shall assign his voting rights to the developer. Said voting rights shall be voted as Class A Membership and not Class B Membership.

ARTICLE V

ADMINISTRATION AND MANAGEMENT

The administration of the Properties shall be governed by these covenants, the Articles of Incorporation, By-Laws, and published rules and regulations of the Association. As shown and reserved to Declarant in the Articles of Incorporation and By-Laws for the Association, the designation and appointment of the Board of Directors for the Association may, at Declarant's option, be exercised solely by the Declarant until the Class B Membership terminates.

ARTICLE VI

PROPERTY RIGHTS IN THE COMMON PROPERTIES

Section 1. Extent of Members' Easements. The rights and easements of enjoyment created hereby shall be subject to the following:

A. The right of the Association to limit the number of guests of Members.

B. The rights of the Declarant and of the Association, in accordance with its Articles and By-Laws, to borrow money for the purpose of improving the Green Area and with written consent of the Members entitled to vote seventy-five percent (75%) the votes of each class of Membership to mortgage said Common Areas and Green Areas as security for any such loan.

C. The right of the Association to promulgate and publish rules and regulations which each Member shall strictly comply with.

Section 2. Personal Property for Common Use. The Association may acquire and hold for the use and benefit of all Members of the Association, tangible and intangible personal property and may dispose of the same by sale or otherwise; and the beneficial interest in any such property shall be owned by the Members of the Association and their interest therein shall not be transferable except that the interest of a Member who is an Owner shall be deemed to be transferred upon the transfer of the Member's Lot. A transfer of a Lot shall transfer to the transferee ownership of the transferor's beneficial interest in such personal property without any reference thereto or execution of a bill of sale. Each Owner may use such personal property in accordance with the purpose for which it is intended, without hindering or encroaching upon the lawful rights of the the other Owners. Sale of a Lot under foreclosure shall thereby entitle the purchase thereof to the beneficial interest in the personal property associated with the Lot.

ARTICLE VII

COVENANT FOR MAINTENANCE ASSESSMENT

Section 1. Creation of the Lien and Personal Obligation of Assessment. Declarant for each Lot owned by it within the Properties hereby covenants, and each Owner of any Lot by acceptance of the deed therefor, whether or not it shall be so expressed in acceptance of the deed therefor, shall be deemed to covenant and agree to pay to the Association annual assessments and special assessments for capital improvements. Such assessments shall be fixed, established and collected from time to time as hereinafter provided. The annual and special assessments, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall be a continuing lien upon the property against which each such assessment is made from the date hereinafter set forth. Each such assessment, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall also be a personal obligation of the person who is the Owner of such property at the time when the assessment fell due. Such personal obligation shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, enjoyment and welfare of the residents in the Properties and in particular for the improvements and maintenance of property, services and facilities devoted to the purpose and related to the use and enjoyment of homes situated upon the Properties and any other purpose reasonable, necessary or incidental to such purposes.

Section 3. Basis of Annual Assessment. Unless changed by vote of the Membership, as hereinafter provided, the maximum annual assessment for any Lot owned by Class A Members on which is located in a single family detached dwelling shall be $250.00 per year. The assessment for Lots owned by Class A Members shall be at such assessment ratio as shall be determined by the Board of Directors for that particular development within six (6) months after its annexation to the Properties, having in mind the additional amenities furnished to the particular lot not otherwise available to the Members. Such assessment ratio shall not thereafter be changed by the Board of Directors without approval of sixty-six percent (66%) of the Members.

The assessments shall be based upon the cash requirements deemed to be such aggregate sums as the Board of Directors of the Association shall from time to time determine is necessary to provide for the payment of all estimated expenses growing out of or connected with the maintenance and operation of the Green Area, which sum may include, but not limited to, any special assessments on the Common or Green Areas, insurance premiums for vandalism and malicious mischief, with endorsements attached, issued in the amount of the maximum replacement value of all of the Common Area improvements; casualty and public liability and other insurance premiums; landscaping and care of grounds; streets, lighting, repairs and renovations of Common Areas and Green Areas, wages, charges for water used by the Association, grounds maintenance, any expenses of providing security and protection for the Owners, legal and accounting fees, management fees,

expenses and liabilities incurred by the Board of Directors under or by reason of this Declaration, the payment of any deficit remaining for a previous period, the creation of a reasonable contingency or other reserve or surplus funds as well as any and all other costs and expenses necessary to carry out the terms and intent of this Declaration. The Association shall maintain an adequate reserve fund out of the annual assessments rather than by period assessment for the maintenance, repair and replacement of those elements of the Common Area and Green Areas that must be replaced on a periodic basis. The Board of Directors of the Association may after consideration of the current maintenance costs and the financial requirements of the Association fix the annual actual assessment at an amount less than the maximum. Such reserve fund shall not be used to construct or establish new capital improvements without an affirmative vote of one-half of each class of Members.

Any agreement for management of the Associations's business or any other contract for services by the Declarant must provide for termination by either party without cause or payment of a termination fee on thirty (30) days or less written notice and a maximum contract term of three (3) years.

The maximum annual assessment may be changed as follows:

A. From and after January 1, 1988, the maximum annual assessment may be increased each year not more than ten percent (10%) above the maximum assessment for the previous year without a vote of the Membership.

B. From and after January 1, 1988, the maximum annual assessment may be increased above ten percent (10%) by a vote of one-half (1/2) of each class of Members who are voting in person or by proxy, at a meeting duly called for this purpose.

C. The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. Upon vote of the Members of the Association in the manner hereinafter set forth, the Association may levy in addition to annual assessments a special assessment in any calendar year applicable to that year only, for the purpose of defraying in whole or in part the costs of construction or reconstruction or expected repair or replacement of a described capital improvement upon the Common Area or Green Area, including necessary fixtures and personal property related thereto, provided that, any such assessment shall have the assent of sixty percent (60%) of the votes of each class of Members who are voting in person, or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than thirty (30) days nor more that sixty (60) days in advance of the meeting setting forth the purpose of the meeting. The assessment ratio for any Lot, as determined pursuant to Section 3, shall be applicable to special assessment.

Section 5. Voting and Notices for Special Assessment and Change of Maximum Assessment. Written notice of any meeting of Members called to change the maximum annual assessment or to levy a special assessment shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the date of such meeting, setting forth the purpose of the meeting.

Section 6. Quorum for Action Authorized Under Section 4 and 5. The quorum required for any action authorized in Section 4 and 5 of this Article VI shall be as follows:

At the first meeting called, as provided in Section 4 and 5 hereof, the presence at the meeting of Members, or of proxies entitled to cast sixty percent (60%) of all votes of each class of Membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in Sections 4 and 5 and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessment. The initial annual assessments shall commence on the first day of such month as

determined by the Board of Directors of the Association, shall be made for the balance of the calendar year, and shall be due and payable on the date fixed by the Board. Annual assessments for any year after the first year shall become due and payable on or before February 1 of such year, and at the Board's discretion may be collected on a monthly basis.

The amount of the initial annual assessment for the first year in which assessments are made or for any property which becomes subject to assessments for the first time shall be prorated on a calendar year basis according to the date on which property first became subject to assessment.

The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

Section 8. Duty of the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

Section 9. The Effect of Non-payment of Assessments; Lien of Association. If an assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $20.00 and the assessment shall bear interest at the rate of ten percent (10%) per annum for such due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such Lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Common and Green Areas, specifying and itemizing the maintenance and repair expenses of the Common Areas and Green Areas and any other expenses incurred. Such records and the vouchers authorizing the

payments shall be available on request for examination by the Owners and others with an interest such as encumbrancers or prospective lenders.

Section 12. Protection of Mortgagees. First mortgagees of Lots may pay taxes or other charges or assessments which are in default and which may become a lien against the Common or Green Areas and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Common and Green Areas and the first mortgagees making such payments shall be owed immediately reimbursement therefore from the Association.

COVENANT FOR MAINTENANCE ASSESSMENT

Section 1. Creation of the Lien and Personal Obligation of Assessment. Declarant for each Lot owned by it within the Properties hereby covenants, and each Owner of any Lot by acceptance of the deed therefor, whether or not it shall be so expressed in acceptance of the deed therefor, shall be deemed to covenant and agree to pay to the Association annual assessments and special assessments for capital improvements. Unless changed by vote of the Membership, as hereinafter provided, the maximum annual assessment for any Lot owned by Class A Members on which is located in a single family detached dwelling shall be $250.00 per year. The assessment for Lots owned by Class A Members shall be at such assessment ratio as shall be determined by the Board of Directors for that particular development within six (6) months after its annexation to the Properties, having in mind the additional amenities furnished to the particular Lot not otherwise available to the Members. Such assessment ratio shall not thereafter be changed by the Board of Directors without approval of sixty-six percent (66%) of the Members.

The assessments shall be based upon the cash requirements deemed to be such aggregate sums as the Board of Directors of the Association shall from time to time determine is necessary to provide for the payment of all estimated expenses growing out of or connected with the maintenance and operation of the Green Area, which sum may include, but not limited to, any special assessments on the Common or Green Areas, insurance premiums for vandalism and malicious mischief, with endorsements attached, issued in the amount of the maximum replacement value of all of the Common Area improvements; casualty and public liability and other insurance premiums; landscaping and care of grounds; streets, lighting, repairs and renovations of Common Areas and Green Areas, wages, charges for water used by the Association, grounds maintenance, any expenses of providing security and protection for the Owners, legal and accounting fees, management fees,

expenses and liabilities incurred by the Board of Directors under or by reason of this Declaration, the payment of any deficit remaining for a previous period, the creation of a reasonable contingency or other reserve or surplus funds as well as any and all other costs and expenses necessary to carry out the terms and intent of this Declaration. The Association shall maintain an adequate reserve fund out of the annual assessments rather than by period assessment for the maintenance, repair and replacement of those elements of the Common Area and Green Areas that must be replaced on a periodic basis. The Board of Directors of the Association may after consideration of the current maintenance costs and the financial requirements of the Association fix the annual actual assessment at an amount less than the maximum. Such reserve fund shall not be used to construct or establish new capital improvements without an affirmative vote of one-half of each class of Members.

Any agreement for management of the Associations's business or any other contract for services by the Declarant must provide for termination by either party without cause or payment of a termination fee on thirty (30) days or less written notice and a maximum contract term of three (3) years.

The maximum annual assessment may be changed as follows:

A. From and after January 1, 1986, the maximum annual assessment may be increased each year not more than ten percent (10%) above the maximum assessment for the previous year without a vote of the Membership.

B. From and after January 1, 1988, the maximum annual assessment may be increased above ten percent (10%) by a vote of one-half (1/2) of each class of Members who are voting in person or by proxy, at a meeting duly called for this purpose.

C. The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. Upon vote of the Members of the Association in the manner hereinafter set forth, the Association may levy in addition to annual assessments a special assessment in any calendar year applicable to that year only, for the purpose of defraying in whole or in part the costs of construction or reconstruction or expected repair or replacement of a described capital improvement upon the Common Area or Green Area, including necessary fixtures and personal property related thereto, provided that, any such assessment shall have the assent of sixty percent (60%) of the votes of each class of Members who are voting in person, or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than thirty (30) days nor more that sixty (60) days in advance of the meeting setting forth the purpose of the meeting. The assessment ratio for any Lot, as determined pursuant to Section 3, shall be applicable to special assessment.

Section 5. Voting and Notices for Special Assessment and Change of Maximum Assessment. Written notice of any meeting of Members called to change the maximum annual assessment or to levy a special assessment shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the date of such meeting, setting forth the purpose of the meeting.

Section 6. Quorum for Action Authorized Under Section 4 and 5. The quorum required for any action authorized in Section 4 and 5 of this Article VI shall be as follows:

At the first meeting called, as provided in Section 4 and 5 hereof, the presence at the meeting of Members, or of proxies entitled to cast sixty percent (60%) of all votes of each class of Membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in Sections 4 and 5 and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessment. The initial annual assessments shall commence on the first day of such month as

determined by the Board of Directors of the Association, shall be made for the balance of the calendar year, and shall be due and payable on the date fixed by the Board. Annual assessments for any year after the first year shall become due and payable on or before February 1 of such year, and at the Board's discretion may be collected on a monthly basis.

The amount of the initial annual assessment for the first year in which assessments are made or for any property which becomes subject to assessments for the first time shall be prorated on a calendar year basis according to the date on which property first became subject to assessment.

The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

Section 8. Duty of the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

Section 9. The Effect of Non-payment of Assessments; Lien of Association. If an assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $20.00 and the assessment shall bear interest at the rate of ten percent (10%) per annum for such due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such Lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Common and Green Areas, specifying and itemizing the maintenance and repair expenses of the Common Areas and Green Areas and any other expenses incurred. Such records and the vouchers authorizing the

payments shall be available on request for examination by the Owners and others with an interest such as encumbrancers or prospective lenders.

Section 12. Protection of Mortgagees. First mortgagees of Lots may pay taxes or other charges or assessments which are in default and which may become a lien against the Common or Green Areas and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Common and Green Areas and the first mortgagees making such payments shall be owed immediately reimbursement therefore from the Association.

IN WITNESS WHEREOF, the undersigned being the Declarant herein has hereunto set its hand and seal as of the day and year first hereinabove set forth.

Section 1. Additions to the Properties. At any time before December 31, 1988, Declarant, its successors and assigns, in future stages of development, shall have the right to annex to and bring within the scheme of this Declaration additional properties which are located within the Villages of Woodland Hills.

Section 2. Method of Making Additions. Additions authorized under this Article shall be made by filing for record a Supplemental Declaration of covenants and restrictions with respect to the additional property. Such Supplemental Declaration may contain such additions and modifications of the covenants and restrictions contained in this Declaration as may be necessary to reflect the different character of the added properties in the sole discretion of Declarant. In no event, however, shall such Supplemental Declaration revoke, modify or add to the covenants established by this Declaration with respect to the Properties subject to this Declaration just prior to such Supplemental Declaration being filed for record.

Section 3. Additions by Others. So long as Declarant is a Class B Member, additions may be made by any other owner of property who with the approval of the Board of Directors of the Association desires to add such property located within the boundaries described in Section 1 of this Article II to the scheme of this Declaration and to subject it to the jurisdiction of the Association. Such approval by the Board of Directors of Membership shall be evidenced by a certified copy of such resolution of approval recorded in Tarrant County, Texas.

ARTICLE III

ADDITIONAL RESTRICTIONS

Section 1. Keeping of Vehicles on Property. The keeping of mobil homes, with or without wheels, on any lot is expressly prohibited. Motor boats, house boats and similar water borne vehicles or travel trailers may be maintained, stored or kept on any lot provided the same are housed completely within a structure or enclosure which has been approved architectually by the Architectural Control Committee. Section 2. Yard Care. As soon as the growing season reasonably permits, the grounds around all living units shall be seeded, sodded or otherwise planted by the Owner thereof with grass or other ground cover or plantings and maintained in a clean and attractive manner free of dust and weeds. All fences on Lots shall be maintained in good repair and in a clean and attractive manner.

ARTICLE IV

MEMBERSHIP AND VOTING RIGHTS IN THE ASSOCIATION

Section 1. Membership. Every person or entity who is a record owner of a fee or undivided fee interest in any Lot which is subject by covenants of record to assessment by the Association, including contract sellers, shall be a Member of the Association. The foregoing is not intended to include persons or entities who hold an interest merely as security for the performance of obligation. Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to assessment by the Association. Ownership of such Lot shall be the sole qualification for Membership. When more than one person holds a Membership interest in any Lot, all such persons shall be Members. The vote for such Lot shall be exercised as they among themselves determine, but in no event shall more than one (1) vote be cast with respect to any Lot.

Section 2. Voting Rights. There shall be two classes of voting Membership.

A. Class A Members will be all those Members other than Southcreek, Inc. Class A Members shall be entitled to one vote for each Lot in which they hold the interest required for Membership by Section 1. When Class B Membership has been converted to Class A Membership, all Directors of the Association shall be elected by the Class A Members.

B. The Class B Members shall be Southcreek, Inc. or its successors or assigns. Class B Members shall be entitled to four votes for each Lot owned by the Declarant or its successors or assigns, and shall be entitled to elect all Members of the Board of Directors of the Association. Class B Membership may cease and be converted to Class A Membership at the option of the Class B Member, its successors or assigns by its written notice to the Secretary of the Association, and shall cease and be converted to Class A Membership without further act or deed when the total votes outstanding in the Class A Membership equal the total votes outstanding in the Class B Membership.

C. As long as a Class B Membership exists, Associate Memberships in the Association will not be established by the Board of Directors of the Association without an affirmative vote of a majority of the Class A Members of the Association.

D. Should any builder own any lot which is the subject of these restrictions, that builder shall assign his voting rights to the developer. Said voting rights shall be voted as Class A Membership and not Class B Membership.

ARTICLE V

ADMINISTRATION AND MANAGEMENT

The administration of the Properties shall be governed by these covenants, the Articles of Incorporation, By-Laws, and published rules and regulations of the Association. As shown and reserved to Declarant in the Articles of Incorporation and By-Laws for the Association, the designation and appointment of the Board of Directors for the Association may, at Declarant's option, be exercised solely by the Declarant until the Class B Membership terminates.

ARTICLE VI

PROPERTY RIGHTS IN THE COMMON PROPERTIES

Section 1. Extent of Members' Easements. The rights and easements of enjoyment created hereby shall be subject to the following:

A. The right of the Association to limit the number of guests of Members.

B. The rights of the Declarant and of the Association, in accordance with its Articles and By-Laws, to borrow money for the purpose of improving the Green Area and with written consent of the Members entitled to vote seventy-five percent (75%) the votes of each class of Membership to mortgage said Common Areas and Green Areas as security for any such loan.

C. The right of the Association to promulgate and publish rules and regulations which each Member shall strictly comply with.

Section 2. Personal Property for Common Use. The Association may acquire and hold for the use and benefit of all Members of the Association, tangible and intangible personal property and may dispose of the same by sale or otherwise, and the beneficial interest in any such property shall be owned by the Members of the Association and their interest therein shall not be transferable except that the interest of a Member who is an Owner shall be deemed to be transferred upon the transfer of the Member's Lot. A transfer of a Lot shall transfer to the transferee ownership of the transferor's beneficial interest in such personal property without any reference thereto or execution of a bill of sale. Each Owner may use such personal property in accordance with the purpose for which it is intended, without hindering or encroaching upon the lawful rights of the the other Owners. Sale of a Lot under foreclosure shall thereby entitle the purchase thereof to the beneficial interest in the personal property associated with the Lot.

ARTICLE VII

COVENANT FOR MAINTENANCE ASSESSMENT

Section 1. Creation of the Lien and Personal Obligation of Assessment. Declarant for each Lot owned by it within the Properties hereby covenants, and each Owner of any Lot by acceptance of the deed therefor, whether or not it shall be so expressed in acceptance of the deed therefor, shall be deemed to covenant and agree to pay to the Association annual assessments and special assessments for capital improvements. Such assessments shall be fixed, established and collected from time to time as hereinafter provided. The annual and special assessments, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall be a continuing lien upon the property against which each such assessment is made from the date hereinafter set forth. Each such assessment, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall also be a personal obligation of the person who is the Owner of such property at the time when the assessment fell due. Such personal obligation shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, enjoyment and welfare of the residents in the Properties and in particular for the improvements and maintenance of property, services and facilities devoted to the purpose and related to the use and enjoyment of homes situated upon the Properties and any other purpose reasonable, necessary or incidental to such purposes.

Section 3. Basis of Annual Assessment. Unless changed by vote of the Membership, as hereinafter provided, the maximum annual assessment for any Lot owned by Class A Members on which is located in a single family detached dwelling shall be $250.00 per year. The assessment for Lots owned by Class A Members shall be at such assessment ratio as shall be determined by the Board of Directors for that particular development within six (6) months after its annexation to the Properties, having in mind the additional amenities furnished to the particular Lot not otherwise available to the Members. Such assessment ratio shall not thereafter be changed by the Board of Directors without approval of sixty-six percent (66%) of the Members.

The assessments shall be based upon the cash requirements deemed to be such aggregate sums as the Board of Directors of the Association shall from time to time determine is necessary to provide for the payment of all estimated expenses growing out of or connected with the maintenance and operation of the Green Area, which sum may include, but not limited to, any special assessments on the Common or Green Areas, insurance premiums for vandalism and malicious mischief, with endorsements attached, issued in the amount of the maximum replacement value of all of the Common Area improvements; casualty and public liability and other insurance premiums; landscaping and care of grounds; streets, lighting, repairs and renovations of Common Areas and Green Areas, wages, charges for water used by the Association, grounds maintenance, any expenses of providing security and protection for the Owners, legal and accounting fees, management fees,

expenses and liabilities incurred by the Board of Directors under or by reason of this Declaration, the payment of any deficit remaining for a previous period, the creation of a reasonable contingency or other reserve or surplus funds as well as any and all other costs and expenses necessary to carry out the terms and intent of this Declaration. The Association shall maintain an adequate reserve fund out of the annual assessments rather than by period assessment for the maintenance, repair and replacement of those elements of the Common Area and Green Areas that must be replaced on a periodic basis. The Board of Directors of the Association may after consideration of the current maintenance costs and the financial requirements of the Association fix the annual actual assessment at an amount less than the maximum. Such reserve fund shall not be used to construct or establish new capital improvements without an affirmative vote of one-half of each class of Members.

Any agreement for management of the Associations's business or any other contract for services by the Declarant must provide for termination by either party without cause or payment of a termination fee on thirty (30) days or less written notice and a maximum contract term of three (3) years.

The maximum annual assessment may be changed as follows:

A. From and after January 1, 1988, the maximum annual assessment may be increased each year not more than ten percent (10%) above the maximum assessment for the previous year without a vote of the Membership.

B. From and after January 1, 1988, the maximum annual assessment may be increased above ten percent (10%) by a vote of one-half (1/2) of each class of Members who are voting in person or by proxy, at a meeting duly called for this purpose.

C. The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. Upon vote of the Members of the Association in the manner hereinafter set forth, the Association may levy in addition to annual assessments a special assessment in any calendar year applicable to that year only, for the purpose of defraying in whole or in part the costs of construction or reconstruction or expected repair or replacement of a described capital improvement upon the Common Area or Green Area, including necessary fixtures and personal property related thereto, provided that, any such assessment shall have the assent of sixty percent (60%) of the votes of each class of Members who are voting in person, or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than thirty (30) days nor more that sixty (60) days in advance of the meeting setting forth the purpose of the meeting. The assessment ratio for any lot, as determined pursuant to Section 3, shall be applicable to special assessment.

Section 5. Voting and Notices for Special Assessment and Change of Maximum Assessment. Written notice of any meeting of Members called to change the maximum annual assessment or to levy a special assessment shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the date of such meeting, setting forth the purpose of the meeting.

Section 6. Quorum for Action Authorized Under Section 4 and 5. The quorum required for any action authorized in Section 4 and 5 of this Article VI shall be as follows:

At the first meeting called, as provided in Section 4 and 5 hereof, the presence at the meeting of Members, or of proxies entitled to cast sixty percent (60%) of all votes of each class of Membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in Sections 4 and 5 and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessment. The initial annual assessments shall commence on the first day of such month as

determined by the Board of Directors of the Association, shall be made for the balance of the calendar year, and shall be due and payable on the date fixed by the Board. Annual assessments for any year after the first year shall become due and payable on or before February 1 of such year, and at the Board's discretion may be collected on a monthly basis.

The amount of the initial annual assessment for the first year in which assessments are made or for any property which becomes subject to assessments for the first time shall be prorated on a calendar year basis according to the date on which property first became subject to assessment.

The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

Section 8. Duty of the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

Section 9. The Effect of Non-payment of Assessments; Lien of Association. If an assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $20.00 and the assessment shall bear interest at the rate of ten percent (10%) per annum for such due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such Lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Common and Green Areas, specifying and itemizing the maintenance and repair expenses of the Common Areas and Green Areas and any other expenses incurred. Such records and the vouchers authorizing the

payments shall be available on request for examination by the Owners and others with an interest such as encumbrancers or prospective lenders.

Section 12. Protection of Mortgagees. First mortgagees of Lots may pay taxes or other charges or assessments which are in default and which may become a lien against the Common or Green Areas and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Common and Green Areas and the first mortgagees making such payments shall be owed immediately reimbursement therefore from the Association.

IN WITNESS WHEREOF, the undersigned being the Declarant herein has hereunto set its hand and seal as of the day and year first hereinabove set forth.

Such Supplemental Declaration may contain such additions and modifications of the covenants and restrictions contained in this Declaration as may be necessary to reflect the different character of the added properties in the sole discretion of Declarant. In no event, however, shall such Supplemental Declaration revoke, modify or add to the covenants established by this Declaration with respect to the Properties subject to this Declaration just prior to such Supplemental Declaration being filed for record.

Section 3. Additions by Others. So long as Declarant is a Class B Member, additions may be made by any other owner of property who with the approval of the Board of Directors of the Association desires to add such property located within the boundaries described in Section 1 of this Article II to the scheme of this Declaration and to subject it to the jurisdiction of the Association. When Declarant ceases to be a Class B Member, such additions may be made upon approval of the Association pursuant to a vote of its Members, as provided in its Articles of Incorporation. ARTICLE IV

MEMBERSHIP AND VOTING RIGHTS IN THE ASSOCIATION

Section 1. Membership. Every person or entity who is a record owner of a fee or undivided fee interest in any Lot which is subject by covenants of record to assessment by the Association, including contract sellers, shall be a Member of the Association. The foregoing is not intended to include persons or entities who hold an interest merely as security for the performance of obligation. Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to assessment by the Association. Ownership of such Lot shall be the sole qualification for Membership. When more than one person holds a Membership interest in any Lot, all such persons shall be Members. The vote for such Lot shall be exercised as they among themselves determine, but in no event shall more than one (1) vote be cast with respect to any Lot.

Section 2. Voting Rights. There shall be two classes of voting Membership.

A. Class A Members will be all those Members other than Southcreek, Inc. Class B Members shall be entitled to four votes for each Lot owned by the Declarant or its successors or assigns, and shall be entitled to elect all Members of the Board of Directors of the Association. C. As long as a Class B Membership exists, Associate Memberships in the Association will not be established by the Board of Directors of the Association without an affirmative vote of a majority of the Class A Members of the Association.

D. Should any builder own any lot which is the subject of these restrictions, that builder shall assign his voting rights to the developer. Said voting rights shall be voted as Class A Membership and not Class B Membership.

ARTICLE V

ADMINISTRATION AND MANAGEMENT

The administration of the Properties shall be governed by these covenants, the Articles of Incorporation, By-Laws, and published rules and regulations of the Association. As shown and reserved to Declarant in the Articles of Incorporation and By-Laws for the Association, the designation and appointment of the Board of Directors for the Association may, at Declarant's option, be exercised solely by the Declarant until the Class B Membership terminates.

A. The right of the Association to limit the number of guests of Members.

B. C. The right of the Association to promulgate and publish rules and regulations which each Member shall strictly comply with.

Section 2. Personal Property for Common Use. The Association may acquire and hold for the use and benefit of all Members of the Association, tangible and intangible personal property and may dispose of the same by sale or otherwise, and the beneficial interest in any such property shall be owned by the Members of the Association and their interest therein shall not be transferable except that the interest of a Member who is an Owner shall be deemed to be transferred upon the transfer of the Member's Lot. A transfer of a Lot shall transfer to the transferee ownership of the transferor's beneficial interest in such personal property without any reference thereto or execution of a bill of sale. Each Owner may use such personal property in accordance with the purpose for which it is intended, without hindering or encroaching upon the lawful rights of the the other Owners. Sale of a Lot under foreclosure shall thereby entitle the purchase thereof to the beneficial interest in the personal property associated with the Lot.

ARTICLE VII

COVENANT FOR MAINTENANCE ASSESSMENT

Section 1. Creation of the Lien and Personal Obligation of Assessment. Declarant for each Lot owned by it within the Properties hereby covenants, and each Owner of any Lot by acceptance of the deed therefor, whether or not it shall be so expressed in acceptance of the deed therefor, shall be deemed to covenant and agree to pay to the Association annual assessments and special assessments for capital improvements. Such assessments shall be fixed, established and collected from time to time as hereinafter provided. The annual and special assessments, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall be a continuing lien upon the property against which each such assessment is made from the date hereinafter set forth. Each such assessment, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall also be a personal obligation of the person who is the Owner of such property at the time when the assessment fell due. Such personal obligation shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, enjoyment and welfare of the residents in the Properties and in particular for the improvements and maintenance of property, services and facilities devoted to the purpose and related to the use and enjoyment of homes situated upon the Properties and any other purpose reasonable, necessary or incidental to such purposes.

Section 3. Basis of Annual Assessment. Unless changed by vote of the Membership, as hereinafter provided, the maximum annual assessment for any Lot owned by Class A Members on which is located in a single family detached dwelling shall be $250.00 per year. The assessment for Lots owned by Class A Members shall be at such assessment ratio as shall be determined by the Board of Directors for that particular development within six (6) months after its annexation to the Properties, having in mind the additional amenities furnished to the particular Lot not otherwise available to the Members. Such assessment ratio shall not thereafter be changed by the Board of Directors without approval of sixty-six percent (66%) of the Members.

The assessments shall be based upon the cash requirements deemed to be such aggregate sums as the Board of Directors of the Association shall from time to time determine is necessary to provide for the payment of all estimated expenses growing out of or connected with the maintenance and operation of the Green Area, which sum may include, but not limited to, any special assessments on the Common or Green Areas, insurance premiums for vandalism and malicious mischief, with endorsements attached, issued in the amount of the maximum replacement value of all of the Common Area improvements; casualty and public liability and other insurance premiums; landscaping and care of grounds; streets, lighting, repairs and renovations of Common Areas and Green Areas, wages, charges for water used by the Association, grounds maintenance, any expenses of providing security and protection for the Owners, legal and accounting fees, management fees,

expenses and liabilities incurred by the Board of Directors under or by reason of this Declaration, the payment of any deficit remaining for a previous period, the creation of a reasonable contingency or other reserve or surplus funds as well as any and all other costs and expenses necessary to carry out the terms and intent of this Declaration. The Association shall maintain an adequate reserve fund out of the annual assessments rather than by period assessment for the maintenance, repair and replacement of those elements of the Common Area and Green Areas that must be replaced on a periodic basis. The Board of Directors of the Association may after consideration of the current maintenance costs and the financial requirements of the Association fix the annual actual assessment at an amount less than the maximum. Such reserve fund shall not be used to construct or establish new capital improvements without an affirmative vote of one-half of each class of Members.

Any agreement for management of the Associations's business or any other contract for services by the Declarant must provide for termination by either party without cause or payment of a termination fee on thirty (30) days or less written notice and a maximum contract term of three (3) years.

The maximum annual assessment may be changed as follows:

A. From and after January 1, 1988, the maximum annual Assessment may be increased each year not more than ten percent (10%) above the maximum assessment for the previous year without a vote of the Membership.

B. From and after January 1, 1988, the maximum annual assessment may be increased above ten percent (10%) by a vote of one-half (1/2) of each class of Members who are voting in person or by proxy, at a meeting duly called for this purpose.

C. The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. Upon vote of the Members of the Association in the manner hereinafter set forth, the Association may levy in addition to annual assessments a special assessment in any calendar year applicable to that year only, for the purpose of defraying in whole or in part the costs of construction or reconstruction or expected repair or replacement of a described capital improvement upon the Common Area or Green Area, including necessary fixtures and personal property related thereto, provided that, any such assessment shall have the assent of sixty percent (60%) of the votes of each class of Members who are voting in person, or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than thirty (30) days nor more that sixty (60) days in advance of the meeting setting forth the purpose of the meeting. The assessment ratio for any Lot, as determined pursuant to Section 3, shall be applicable to special assessment.

Section 5. Voting and Notices for Special Assessment and Change of Maximum Assessment. Written notice of any meeting of Members called to change the maximum annual assessment or to levy a special assessment shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the date of such meeting, setting forth the purpose of the meeting.

Section 6. Quorum for Action Authorized Under Section 4 and 5. The quorum required for any action authorized in Section 4 and 5 of this Article VI shall be as follows:

At the first meeting called, as provided in Section 4 and 5 hereof, the presence at the meeting of Members, or of proxies entitled to cast sixty percent (60%) of all votes of each class of Membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in Sections 4 and 5 and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessment. The initial annual assessments shall commence on the first day of such month as

determined by the Board of Directors of the Association, shall be made for the balance of the calendar year, and shall be due and payable on the date fixed by the Board. Annual assessments for any year after the first year shall become due and payable on or before February 1 of such year, and at the Board's discretion may be collected on a monthly basis.

The amount of the initial annual assessment for the first year in which assessments are made or for any property which becomes subject to assessments for the first time shall be prorated on a calendar year basis according to the date on which property first became subject to assessment.

The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

Section 8. Duty of the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

Section 9. The Effect of Non-payment of Assessments; Lien of Association. If an assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $20.00 and the assessment shall bear interest at the rate of ten percent (10%) per annum for such due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such Lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Common and Green Areas, specifying and itemizing the maintenance and repair expenses of the Common Areas and Green Areas and any other expenses incurred. Such records and the vouchers authorizing the

payments shall be available on request for examination by the Owners and others with an interest such as encumbrancers or prospective lenders.

Section 12. Protection of Mortgagees. First mortgagees of Lots may pay taxes or other charges or assessments which are in default and which may become a lien against the Common or Green Areas and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Common and Green Areas and the first mortgagees making such payments shall be owed immediately reimbursement therefore from the Association.

IN WITNESS WHEREOF, the undersigned being the Declarant herein has hereunto set its hand and seal as of the day and year first hereinabove set forth.

C. The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. Upon vote of the Members of the Association in the manner hereinafter set forth, the Association may levy in addition to annual assessments a special assessment in any calendar year applicable to that year only, for the purpose of defraying in whole or in part the costs of construction or reconstruction or expected repair or replacement of a described capital improvement upon the Common Area or Green Area, including necessary fixtures and personal property related thereto, provided that, any such assessment shall have the assent of sixty percent (60%) of the votes of each class of Members who are voting in person, or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than thirty (30) days nor more that sixty (60) days in advance of the meeting setting forth the purpose of the meeting. The assessment ratio for any Lot, as determined pursuant to Section 3, shall be applicable to special assessment.

Section 5. Voting and Notices for Special Assessment and Change of Maximum Assessment. Written notice of any meeting of Members called to change the maximum annual assessment or to levy a special assessment shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the date of such meeting, setting forth the purpose of the meeting.

Section 6. Quorum for Action Authorized Under Section 4 and 5. The quorum required for any action authorized in Section 4 and 5 of this Article VI shall be as follows:

At the first meeting called, as provided in Section 4 and 5 hereof, the

presence at the meeting of Members, or of proxies entitled to cast sixty percent (60%) of all votes of each class of Membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in Sections 4 and 5 and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessment. The initial annual assessments shall commence on the first day of such month as determined by the Board of Directors of the Association, shall be made for the balance of the calendar year, and shall be due and payable on the date fixed by the Board. Annual assessments for any year after the first year shall become due and payable on or before February 1 of such year, and at the Board's discretion may be collected on a monthly basis.

The amount of the initial annual assessment for the first year in which assessments are made or for any property which becomes subject to assessments for the first time shall be prorated on a calendar year basis according to the date on which property first became subject to assessment.

The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

Section 8. Duty of the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

Section 9. The Effect of Non-payment of Assessments; Lien of Association. If an assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $20.00 and the assessment shall bear interest at the rate of ten percent (10%) per annum for such due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure

under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such Lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Common and Green Areas, specifying and itemizing the maintenance and repair expenses of the Common Areas and Green Areas and any other expenses incurred. Such records and the vouchers authorizing the payments shall be available on request for examination by the Owners and others with an interest such as encumbrancers or prospective lenders.

Section 12. Protection of Mortgagees. First mortgagees of Lots may pay taxes or other charges or assessments which are in default and which may become a lien against the Common or Green Areas and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Common and Green Areas and the first mortgagees making such payments shall be owed immediately reimbursement therefore from the Association.

IN WITNESS WHEREOF, the undersigned being the Declarant herein has hereunto set its hand and seal as of the day and year first hereinabove set forth.

SUBJECTING ADDITIONAL PROPERTY TO THIS DECLARATION

Section 1. Additions to the Properties. At any time before December 31, 1985, Declarant, its successors and assigns, in future stages of development, shall have the right to annex to and bring within the scheme of this Declaration additional properties which are located within the Villages of Woodland Hills, or any other property which is contiguous at any point with the Properties. A public road intersecting between two properties shall not be deemed to deprive them of contiguity.

Section 2. Method of Making Additions. Additions authorized under this Article shall be made by filing for record a Supplemental Declaration of covenants and restrictions with respect to the additional property. Such Supplemental Declaration may contain such additions and modifications of the covenants and restrictions contained in this Declaration as may be necessary to reflect the different character of the added properties in the sole discretion of Declarant. In no event, however, shall such Supplemental Declaration revoke, modify or add to the covenants established by this Declaration with respect to the Properties subject to this Declaration just prior to such Supplemental Declaration being filed for record.

Section 3. Additions by Others. So long as Declarant is a Class B Member, additions may be made by any other owner of property who with the approval of the Board of Directors of the Association desires to add such property located within the boundaries described in Section 1 of this Article II to the scheme of this Declaration and to subject it to the jurisdiction of the Association. When Declarant ceases to be a Class B Member, such additions may be made upon approval of the Association pursuant to a vote of its Members, as provided in its Articles of Incorporation. Such approval by the Board of Directors of Membership shall be evidenced by a certified copy of such resolution of approval recorded in Tarrant County, Texas.

ARTICLE III

MEMBERSHIP AND VOTING RIGHTS IN THE ASSOCIATION

Section 1. Membership. Every person or entity who is a record owner of a fee or undivided fee interest in any Lot which is subject by covenants of record to assessment by the Association, including contract sellers, shall be a Member of the Association. The foregoing is not intended to include persons or entities who hold an interest merely as security for the performance of an obligation. Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to assessment by the Association. Ownership of such Lot shall be the sole qualification for Membership. When more than one person holds a Membership interest in any Lot, all such persons shall be Members. The vote for such Lot shall be exercised as they among themselves determine, but in no event shall more than one (1) vote be cast with respect to any Lot.

Section 2. Voting Rights. There shall be two classes of voting Membership.

A. Class A Members will be all those Members other than the Declarant. Class A Members shall be entitled to one vote for each Lot in which they hold the interest required for Membership by Section 1. When Class B Membership has been coverted to Class A Membership, all Directors of the Association shall be elected by the Class A Members.

B. The Class B Members shall be the Declarant or its successors or assigns. Class B Members shall be entitled to four votes for each Lot owned by the Declarant or its successors or assigns, and shall be entitled to elect all Members of the Board of Directors of the Association. Class B Membership may cease and be converted to Class A Membership at the option of the Class B Member, its successors or assigns by its written notice to the Secretary of the Association, and shall cease and be converted to Class A Membership without further act or deed when the total votes outstanding in the Class A Membership equal the total votes outstanding in the Class B Membership or on December 31, 1987, whichever occurs first.

C. As long as a Class B Membership exists, Associate Memberships in the Association will not be established by the Board of Directors of the Association without an affirmative vote of a majority of the Class A Members of the Association.

ARTICLE IV

ADMINISTRATION AND MANAGEMENT

The administration of the Properties shall be governed by these covenants, the Articles of Incorporation, By-Laws, and published rules and regulations of the Association. As shown and reserved to Declarant in the Articles of Incorporation and By-Laws for the Association, the designation and appointment of the Board of Directors for the Association may, at Declarant's option, be exercised solely by the Declarant until the Class B Membership terminates.

ARTICLE V

PROPERTY RIGHTS IN THE COMMON PROPERTIES

Section 1. Members' Easements of Vehicle Access. Subject to the provisions of Section 2 of this Article, every Member shall have a right of easement to the Access Drive Area, and such easement shall be appurtenant to and shall pass with the title to every Lot.

Section 2. Extent of Members' Easements. The rights and easements of enjoyment created hereby shall be subject to the following:

A. The right of the Association to limit the number of guests of Members.

B. The rights of the Declarant and of the Association, in accordance with its Articles and By-Laws, to borrow money for the purpose of improving the Green Area and with written consent of the Members entitled to vote seventy-five percent (75%) the votes of each class of Membership to mortgage said Access Drive and Green Areas as security for any such loan.

C. The right of the Association to promulgate and publish rules and regulations which each Member shall strictly comply with.

Section 3. Personal Property for Common Use. The Association may acquire and hold for the use and benefit of all Members of the Association, tangible and intangible personal property and may dispose of the same by sale or otherwise, and the beneficial interest in any such property shall be owned by the Members of

the Association and their interest therein shall not be transferable except that the interest of a Member who is an Owner shall be deemed to be transferred upon the transfer of the Member's Lot. A transfer of a Lot shall transfer to the transferee ownership of the transferor's beneficial interest in such personal property without any reference thereto or execution of a bill of sale. Each Owner may use such personal property in accordance with the purpose for which it is intended, without hindering or encroaching upon the lawful rights of the other Owners. Sale of a Lot under foreclosure shall thereby entitle the purchase thereof to the beneficial interest in the personal property associated with the Lot.

ARTICLE VI

COVENANT FOR MAINTENANCE ASSESSMENT

Section 1. Creation of the Lien and Personal Obligation of Assessment. Declarant for each Lot owned by it within the Properties hereby covenants, and each Owner of any Lot by acceptance of the deed therefor, whether or not it shall be so expressed in acceptance of the deed therefor, shall be deemed to covenant and agree to pay to the Association annual assessments and special assessments for capital improvements. Such assessments shall be fixed, established and collected from time to time as hereinafter provided. The annual and special assessments, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall be a continuing lien upon the property against which each such assessment is made from the date hereinafter set forth. Each such assessment, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall also be a personal obligation of the person who is the Owner of such property at the time when the assessment fell due. Such personal obligation shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, enjoyment and welfare of the residents in the Properties and in particular for the improvements and maintenance of property, services and facilities devoted to the purpose and related to the use and enjoyment of homes situated upon the Properties and any other purpose reasonable, necessary or incidental to such purposes.

Section 3. Basis of Annual Assessment. Unless changed by vote of the Membership, as hereinafter provided, the maximum annual assessment for any Lot owned by Class A Members on which is located in a single family detached dwelling shall be $75.00 per month. The assessment for Lots owned by Class A Members shall be at such assessment ratio as shall be determined by the Board of Directors for that particular development within six (6) months after its annexation to the Properties, having in mind the additional amenities furnished to the particular Lot not otherwise available to the Members. Such assessment ratio shall not thereafter be changed by the Board of Directors without approval of sixty-six percent (66%) of the Members. Lots owned by the Class B Members shall not be levied upon or liable for any annual or special assessment.

The assessments shall be based upon the cash requirements deemed to be such aggregate sums as the Board of Directors of the Association shall from time to time determine is necessary to provide for the payment of all estimated expenses growing out of or connected with the maintenance and operation of the Green Area, which sum may include, but not be limited to, any special assessments on the Access Drive or Green Areas, insurance premiums for vandalism and malicious mischief, with endorsements attached, issued in the amount of the maximum replacement value of all of the Access Drive or Green Area improvements; casualty and public liability and other insurance premiums; landscaping and care of grounds; streets, lighting, repairs and renovations of Access Drive and Green Areas, wages, charges for water used by

the Association, grounds maintenance, any expenses of providing security and protection for the Owners, legal and accounting fees, management fees, expenses and liabilities incurred by the Board of Directors under or by reason of this Declaration, the payment of any deficit remaining for a previous period, the creation of a reasonable contingency or other reserve or surplus funds as well as any and all other costs and expenses necessary to carry out the terms and intent of this Declaration.

The Association shall maintain an adequate reserve fund out of the annual assessments rather than by period assessment for the maintenance, repair and replacement of those elements of the Access Drive and Green Areas that must be replaced on a periodic basis. The Board of Directors of the Association may after consideration of the current maintenance costs and the financial requirements of the Association fix the annual actual assessment at an amount less than the maximum. Such reserve fund shall not be used to construct or establish new capital improvements without an affirmative vote of one-half of each class of Members.

Any agreement for management of the Association's business or any other contract for services by the Declarant must provide for termination by either party without cause or payment of a termination fee on thirty (30) days or less written notice and a maximum contract term of three (3) years.

The maximum annual assessment may be changed as follows:

A. From and after January 1, 1987, the maximum annual assessment may be increased each year not more than ten percent (10%) above the maximum assessment for the previous year without a vote of the Membership.

B. From and after January 1, 1987, the maximum annual assessment may be increased above ten percent (10%) by a vote of one-half (1/2) of each class of Members who are voting in person or by proxy, at a meeting duly called for this purpose.

C. The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. Upon vote of the Members of the Association in the manner hereinafter set forth, the Association may levy in addition to annual assessments a special assessment in any calendar year applicable to that year only, for the purpose of defraying in whole or in part the costs of construction or reconstruction or expected repair or replacement of a described capital improvement upon the Access Drive or Green Area, including necessary fixtures and personal property related thereto, provided that, any such assessment shall have the assent of sixty percent (60%) of the votes of each class of Members who are voting in person, or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting setting forth the purpose of the meeting. The assessment ratio for any Lot, as determined pursuant to Section 3, shall be applicable to special assessment.

Section 5. Voting and Notices for Special Assessment and Change of Maximum Assessment. Written notice of any meeting of Members called to change the maximum annual assessment or to levy a special assessment shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the date of such meeting, setting forth the purpose of the meeting.

Section 6. Quorum for Action Authorized Under Section 4 and 5. The quorum required for any action authorized in Section 4 and 5 of this Article VI shall be as follows:

At the first meeting called, as provided in Section 4 and 5 hereof, the presence at the meeting of Members, or of proxies entitled to cast sixty percent (60%) of all votes of each class

of Membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in Sections 4 and 5 and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessment. The initial annual assessments shall commence on the first day of such month as determined by the Board of Directors of the Association, shall be made for the balance of the calendar year, and shall be due and payable on the date fixed by the Board. Annual assessments for any year after the first year shall become due and payable on or before May 1 of such year, and at the Board's discretion may be collected on a monthly basis.

The amount of the initial annual assessment for the first year in which assessments are made or for any property which becomes subject to assessment for the first time shall be prorated on a calendar year basis according to the date of the first assessment or the date on which property first became subject to assessment.

The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

Section 8. Duty of the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

Section 9. The Effect of Non-payment of Assessments; Lien of Association. If an assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $20.00 and the assessment shall bear interest at the rate of ten percent (10%) per annum from such due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Access Drive or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such Lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Access Drive and Green Areas, specifying and itemizing the maintenance and repair expenses of the Access Drive and Green Areas any any other expenses incurred. Such records and the vouchers authorizing the payments shall be available on request for examination by the Owners and others with an interest such as encumbrancers or prospective lenders.

Section 12. Protection of Mortgagees. First mortgagees of Lots may pay taxes or other charges or assessments which are in default and which may become a lien against the Access Drive or Green Areas and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Access Drive and Green Areas and the first mortgagees making such payments shall be owed immediately reimbursement therefor from the Association.

A. The right to maintain sales and administration offices, construction office or trailer and model homes with parking facilities on the Properties and to conduct sales activities therein so long as the Declarant is the Owner of any of the Properties.

B. The right to construct and complete the construction of living units, buildings, drives, lanes, roads and all other improvements on the Properties, and to repair and maintain the Access Drive and Green Areas. In connection therewith, Declarant reserves the right to use and excavate the surface and subsurface of the ground for the erection, construction and installation of said improvements and foundations, fottings, floorings and basements. Declarant also reserves the right to extend the drives, lanes and roads located or to be located on the Properties, the right to lease and rent such living units, and the right to sell, grant and convey title to purchasers of such subsequently constructed living units. Said purchasers shall become regular Members of the Association. Furthermore, Declarant also reserves the right to use and occupy so much of the Properties as may be necessary for the construction, reconstruction, maintenance and operation of any of said living units, Lots and Access Drive and Green Areas and other improvements including, but not limited to, the right to locate, install, maintain and repair all utilities and utility lines necessary for construction, reconstruction, maintenance and operation. Declarant, in addition, reserves the right to convey to any County, water district, sanitary sewer district or other municipal or quasi-municipal corporation all sewer lines and mains, and water mains and pipelines constructed or to be constructed on the Property, together with suitable rights of way over said lands for the required maintenance, repair, replacement and operation thereof.

C. The right to grant and convey to others, whether or not they are Owners of Lots in the Properties, equal rights to a non-exclusive easement for ingress and egress along, over and across all the roads, and all extensions thereof now or hereafter constructed.

ARTICLE IX

Section 1. Restrictions on Structures. In addition to the requirements imposed by any County or municipal corporation having jurisdiction over the Properties, the following restrictions apply to structure, improvements and personal property on the Properties.

A. No dwelling shall be erected on any part of the herein described real property containing less than 2100 square feet of principal living area, said living area to be fully enclosed.

No single family dwelling shall be more than two stories in height, including the main floor level. No more than one living unit shall be built on each Lot. No outhouse of any kind, tent, shed or trailer, or any other temporary dwelling, shall be erected or maintained on any Building Site or be used for living purposes, nor shall any garage be used for dwelling purposes. Garden sheds or tool sheds may be erected, however, with the approval of the Architectural Committee.

B. No trailer, motor home, camper, including vehicle mounted camper whether cassis or slide in, or pickup coach, tent, boat or truck (except pickup) shall be parked, placed, erected, maintained or constructed on any Lot for any purpose. Section 1. Architectural Committee. The Architectural Control Committee is composed of Larry R. Cole, Paul Gerrard Smith and Cary S. Hy. The majority of any Architectural Control Committee may designate one or more representatives to act for it. In the event of death or resignation of any Member of the Committee, the remaining Members shall have full authority to designate a successor. Neither the Members of the Committee, nor its designated representative shall be entitled to any compensation for the services performed to this covenant. When the Class B Membership terminates, the Board of Directors of the Association shall thereafter act as the Architectural Control Committee.

Section 2. Restrictions on Construction, Maintenance and Improvements. The following restrictions are applicable to construction, maintenance, and improvements on the Properties:

A. No building, fence or other structure shall be erected, placed or altered on any Lot until the construction plans and specifications and a plot plan showing the location of the structure have been approved by the Architectural Control Committee as to the quality of the workmanship and materials, harmony of external design and color with existing structures, and as to location with respect to topography and finished grade elevation in relationship to other living units. The Committee shall have the right to refuse to approve any such plans, specifications or grading plans which are not suitable or desirable in its opinion for aesthetic or other reasons. These plans and specifications are to be approved in writing by the Committee, and a finally approved plan shall be lodged permanently with said Committee. All subsequent changes, or additions affecting the external appearance of said structure including but not limited to fences, roofing material, walls, basketball backboards, patio additions, awnings, antennae, air conditioners and coolers shall be subject to prior approval of the Architectural Control Committee.

B. The Committee's approval or disapproval as required in these covenants shall be in writing. II. ADDITIONAL RESTRICTIONS

A. Owners hereby ratify and confirm the existing Restrictive Covenants previously filed and hereby impress the following restrictions upon their Lot in addition to the Restrictive Covenants already filed:

1. Keeping of Vehicles on Property. The keeping of mobile homes, with or without wheels, on the Lot is expressly prohibited. Motor boats, house boats, and similar water-borne vehicles or travel trailers may be maintained, stored, or kept on the Lot provided the same are housed completely within a structure or enclosure which has been approved architecturally by the Architectural Control Committee. All vehicles belonging to Owners, or guests of Owners, must be parked overnight in the Owners' driveway or in the above-mentioned enclosure. In no case may the vehicles of the Owners, or guests of the Owners, be parked overnight on the streets of the subdivision or within the improved yard of the Owners.

2. Yard Care. As soon as the growing season reasonably permits, the grounds around all living units shall be seeded, sodded, or otherwise planted by the Owners thereof with grass or other ground cover or plantings and maintained in a clean and attractive manner free of dust and weeds. All fences on Lots shall be maintained in good repair and in a clean and attractive manner.

B. These Restrictive Covenants shall constitute covenants running with the land, and shall be binding on all persons claiming any interest in the Lot until January 1, 2015. On that date, these covenants shall be automatically extended for successive periods of ten (10) years, unless a majority of the owners of the lots affected by the Restrictive Covenants agree to change any Restrictive Covenants.

IV. COVENANT FOR ASSESSMENT AND LIEN

A. Owners personally covenant and agree to pay to the Association such annual and special assessments as fixed and established by the Board of Directors, in accordance with the Bylaws, to be used exclusively for the purpose of

promoting the recreation, health, safety, enjoyment, and welfare of the owners of the lots in the Villages of Woodland Hills, and for the improvement and maintenance of the Common Areas.

B. The maximum annual assessment for the calendar year 1987 shall be $250.00. C. In addition to Owners' personal obligation to pay assessments, Owners hereby grant to the Association a continuing lien upon their Lot to secure payment of all assessments on their Lot, including interest, costs, and reasonable attorney's fees. The Association may bring actions at law or equity to enforce payment of delinquent assessments and may enforce the assessment lien in the same manner provided by law with respect to a lien on real property.

D. The assessment lien shall be subordinate to any recorded mortgage or home improvement lien on the Lot. The Secretary of the Association shall be obligated to execute all documents reasonably necessary to subordinate the assessment lien to such other recorded liens.

V. PERSONAL LIABILITY OF OWNERS

In consideration of Owners' agreement to join the Association and pay assessments timely, and the grant of a continuing assessment lien, the Association agrees to take such action as may be reasonably necessary to shield Owners from any personal liability arising out of Owners' membership in the Association. Section 2. Method of Making Additions. Additions authorized under this Article shall be made by filing for record a Supplemental Declaration of covenants and restrictions with respect to the additional property. Such Supplemental Declaration may contain such additions and modifications of the covenants and restrictions contained in this Declaration as may be necessary to reflect the different character of the added properties in the sole discretion of Declarant. In no event, however, shall such Supplemental Declaration revoke, modify or add to the covenants established by this Declaration with respect to the Properties subject to this Declaration just prior to such Supplemental Declaration being filed for record.

Section 3. Additions by Others. So long as Declarant is a Class B Member, additions may be made by any other owner of property who with the approval of the Board of Directors of the Association desires to add such property located within the boundaries described in Section 1 of this Article II to the scheme of this Declaration and to subject it to the jurisdiction of the Association. ARTICLE III

ADDITIONAL RESTRICTIONS

Section 1. Keeping of Vehicles on Property. The keeping of mobil homes, with or without wheels, on any lot is expressly prohibited. Motor boats, house boats and similar water borne vehicles or travel trailers may be maintained, stored or kept on any lot provided the same are housed completely within a structure or enclosure which has been approved architecturally by the Architectural Control Committee. All fences on lots shall be maintained in good repair and in a clean and attractive manner.

ARTICLE IV

MEMBERSHIP AND VOTING RIGHTS IN THE ASSOCIATION

Section 1. Membership. Every person or entity who is a record owner of a fee or undivided fee interest in any Lot which is subject by covenants of record to assessment by the Association, including contract sellers, shall be a Member of the Association. The foregoing is not intended to include persons or entities who hold an interest merely as security for the performance of obligation. Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to assessment by the Association. Ownership of such Lot shall be the sole qualification for Membership. When more than one person holds a Membership interest in any Lot, all such persons shall be Members. The vote for such Lot shall be exercised as they among themselves determine, but in no event shall more than one (1) vote be cast with respect to any Lot.

Section 2. Voting Rights. There shall be two classes of voting Membership.

A. Class A Members will be all those Members other than Southcreek, Inc. Class A Members shall be entitled to one vote for each Lot in which they hold the interest required for Membership by Section 1. When Class B Membership has been converted to Class A Membership, all Directors of the Association shall be elected by the Class A Members.

B. The Class B Members shall be Southcreek, Inc. or its successors or assigns. Class B Members shall be entitled to four votes for each Lot owned by the Declarant or its successors or assigns, and shall be entitled to elect all Members of the Board of Directors of the Association. Class B Membership may cease and be converted to Class A Membership at the option of the Class B Member, its successors or assigns by its written notice to the Secretary of the Association, and shall cease and be converted to Class A Membership without further act or deed when the total votes outstanding in the Class A Membership equal the total votes outstanding in the Class B Membership.

C. As long as a Class B Membership exists, Associate Memberships in the Association will not be established by the Board of Directors of the Association without an affirmative vote of a majority of the Class A Members of the Association.

D. Should any builder own any lot which is the subject of these restrictions, that builder shall assign his voting rights to the developer. Said voting rights shall be voted as Class A Membership and not Class B Membership.

ARTICLE V

ADMINISTRATION AND MANAGEMENT

The administration of the Properties shall be governed by these covenants, the Articles of Incorporation, By-Laws, and published rules and regulations of the Association. As shown and reserved to Declarant in the Articles of Incorporation and By-Laws for the Association, the designation and appointment of the Board of Directors for the Association may, at Declarant's option, be exercised solely by the Declarant until the Class B Membership terminates.

ARTICLE VI

PROPERTY RIGHTS IN THE COMMON PROPERTIES

Section 1. Extent of Members' Easements. The rights and easements of enjoyment created hereby shall be subject to the following:

A. The right of the Association to limit the number of guests of Members.

B. The rights of the Declarant and of the Association, in accordance with its Articles and By-Laws, to borrow money for the purpose of improving the Green Area and with written consent of the Members entitled to vote seventy-five percent (75%) the votes of each class of Membership to mortgage said Common Areas and Green Areas as security for any such loan.

C. The right of the Association to promulgate and publish rules and regulations which each Member shall strictly comply with.

Section 2. Personal Property for Common Use. The Association may acquire and hold for the use and benefit of all Members of the Association, tangible and intangible personal property and may dispose of the same by sale or otherwise, and the beneficial interest in any such property shall be owned by the Members of the Association and their interest therein shall not be transferable except that the interest of a Member who is an Owner shall be deemed to be transferred upon the transfer of the Member's Lot. A transfer of a Lot shall transfer to the transferee ownership of the transferor's beneficial interest in such personal property without any reference thereto or execution of a bill of sale. Each Owner may use such personal property in accordance with the purpose for which it is intended, without hindering or encroaching upon the lawful rights of the the other Owners. Sale of a Lot under foreclosure shall thereby entitle the purchaser thereof to the beneficial interest in the personal property associated with the Lot.

ARTICLE VII

COVENANT FOR MAINTENANCE ASSESSMENT

Section 1. Creation of the Lien and Personal Obligation of Assessment. Declarant for each Lot owned by it within the Properties hereby covenants, and each Owner of any Lot by acceptance of the deed therefor, whether or not it shall be so expressed in acceptance of the deed thereior, shall be deemed to covenant and agree to pay to the Association annual assessments and special assessments for capital improvements. Such assessments shall be fixed, established and collected from time to time as hereinafter provided. The annual and special assessments, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall be a continuing lien upon the property against which each such assessment is made from the date hereinafter set forth. Each such assessment, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall also be a personal obligation of the person who is the Owner of such property at the time when the assessment fell due. Such personal obligation shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, enjoyment and welfare of the residents in the Properties and in particular for the improvements and maintenance of property, services and facilities devoted to the purpose and related to the use and enjoyment of homes situated upon the Properties and any other purpose reasonable, necessary or incidental to such purposes.

Section 3. Basis of Annual Assessment. Unless changed by vote of the Membership, as hereinafter provided, the maximum annual assessment for any Lot owned by Class A Members on which is located a single family detached dwelling shall be $250.00 per year. The assessment for Lots owned by Class A Members shall be at such assessment ratio as shall be determined by the Board of Directors for that particular development within six (6) months after its annexation to the Properties, having in mind the additional amenities furnished to the particular Lot not otherwise available to the Members. Such assessment ratio shall not thereafter be changed by the Board of Directors without approval of sixty-six percent (66%) of the Members.

The assessments shall be based upon the cash requirements deemed to be such aggregate sums as the Board of Directors of the Association shall from time to time determine is necessary to provide for the payment of all estimated expenses growing out of or connected with the maintenance and operation of the Green Area, which sum may include, but not limited to, all special assessments on the Common or Green Areas, insurance premiums for vandalism and malicious mischief, with endorsements attached, issued in the amount of the maximum replacement value of all of the Common Area improvements; casualty and public liability and other insurance premiums; landscaping and care of grounds; streets, lighting, repairs and renovations of Common Areas and Green Areas, wages, charges for water used by the Association, grounds maintenance, any expenses of providing security and protection for the Owners, legal and accounting fees, management fees,

expenses and liabilities incurred by the Board of Directors under or by reason of this Declaration, the payment of any deficit remaining for a previous period, the creation of a reasonable contingency or other reserve or surplus funds as well as any and all other costs and expenses necessary to carry out the terms and intent of this Declaration. The Association shall maintain an adequate reserve fund out of the annual assessments rather than by period assessment for the maintenance, repair and replacement of those elements of the Common Area and Green Areas that must be replaced on a periodic basis. The Board of Directors of the Association may after consideration of the current maintenance costs and the financial requirements of the Association fix the annual actual assessment at an amount less than the maximum. Such reserve fund shall not be used to construct or establish new capital improvements without an affirmative vote of one-half of each class of Members.

Any agreement for management of the Associations's business or any other contract for services by the Declarant must provide for termination by either party without cause or payment of a termination fee on thirty (30) days or less written notice and a maximum contract term of three (3) years.

The maximum annual assessment may be changed as follows:

A. From and after January 1, 1986, the maximum annual assessment may be increased each year not more than ten percent (10%) above the maximum assessment for the previous year without a vote of the Membership.

B. From and after January 1, 1986, the maximum annual assessment may be increased above ten percent (10%) by a vote of one-half (1/2) of each class of Members who are voting in person or by proxy, at a meeting duly called for this purpose.

C. The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. Upon vote of the Members of the Association in the manner hereinafter set forth, the Association may levy in addition to annual assessments a special assessment in any calendar year applicable to that year only, for the purpose of defraying in whole or in part the costs of construction or reconstruction or expected repair or replacement of a described capital improvement upon the Common Area or Green Area, including necessary fixtures and personal property related thereto, provided that, any such assessment shall have the assent of sixty percent (60%) of the votes of each class of Members who are voting in person, or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting setting forth the purpose of the meeting. The assessment ratio for any Lot, as determined pursuant to Section 3, shall be applicable to special assessment.

Section 5. Voting and Notices for Special Assessment and Change of Maximum Assessment. Written notice of any meeting of Members called to change the maximum annual assessment or to levy a special assessment shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the date of such meeting, setting forth the purpose of the meeting.

Section 6. Quorum for Action Authorized Under Section 4 and 5. The quorum required for any action authorized in Section 4 and 5 of this Article VI shall be as follows:

At the first meeting called, as provided in Section 4 and 5 hereof, the presence at the meeting of Members, or of proxies entitled to cast sixty percent (60%) of all votes of each class of Membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in Sections 4 and 5 and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessment. The initial annual assessments shall commence on the first day of such month as

determined by the Board of Directors of the Association, shall be made for the balance of the calendar year, and shall be due and payable on the date fixed by the Board. Annual assessments for any year after the first year shall become due and payable on or before February 1 of such year, and at the Board's discretion may be collected on a monthly basis.

The amount of the initial annual assessment for the first year in which assessments are made or for any property which becomes subject to assessments for the first time shall be prorated on a calendar year basis according to the date on which property first became subject to assessment.

The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

Section 8. Duty of the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

Section 9. The Effect of Non-payment of Assessments; Lien of Association. If an assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $20.00 and the assessment shall bear interest at the rate of ten percent (10%) per annum for such due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such Lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Common and Green Areas, specifying and itemizing the maintenance and repair expenses of the Common Areas and Green Areas and any other expenses incurred. Such records and the vouchers authorizing the

payments shall be available on request for examination by the Owners and others with an interest such as encumbrancers or prospective lenders.

Section 12. Protection of Mortgagees. First mortgagees of Lots may pay taxes or other charges or assessments which are in default and which may become a lien against the Common or Green Areas and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Common and Green Areas and the first mortgagees making such payments shall be owed immediately reimbursement therefore from the Association.

IN WITNESS THEREOF, the undersigned being the Declarant herein has hereunto set its hand and seal as of the day and year first hereinabove set forth.

1. Keeping of Vehicles on Property. The keeping of mobile homes, with or without wheels, on the Lot is expressly prohibited. Motor boats, house boats, and similar water-borne vehicles or travel trailers may be maintained, stored, or kept on the Lot provided the same are housed completely within a structure or enclosure which has been approved architecturally by the Architectural Control Committee. In addition to Owners' personal obligation to pay assessments, Owners hereby grant to the Association a continuing lien upon their Lot to secure payment of all assessments on their Lot, including interest, costs, and reasonable attorney's fees. The Association may bring actions at law or equity to enforce payment of delinquent assessments and may enforce the assessment lien in the same manner provided by law with respect to a lien on real property.

D. The assessment lien shall be subordinate to any recorded mortgage or home improvement lien on the Lot. The Secretary of the Association shall be obligated to execute all documents reasonably necessary to subordinate the assessment lien to such other recorded liens.

V. PERSONAL LIABILITY OF OWNERS

In consideration of Owners' agreement to join the Association and pay assessments timely, and the grant of a continuing assessment lien, the Association agrees to take such action as may be reasonably necessary to shield Owners from any personal liability arising out of Owners' membership in the Association. Such action shall include, but not be limited to, obtaining and maintaining reasonable insurance coverage on the Common Areas.

VI. GENERAL PROVISIONS

A. Revocation and Amendment. This Agreement, and any Restrictive Covenant affecting the Lot, may be amended by the approval in writing of three-fourths majority of the Members voting at any duly called meeting of the Association.

B. Enforcement. The Association or the Owners may enforce this Agreement by proceedings at law or in equity. The prevailing party shall recover reasonable attorney's fees and related costs.

C. Severability. Invalidation of any one of the terms and provisions of this Agreement shall in no wise effect any other provisions which shall remain in full force and effect.

II. ADDITIONAL RESTRICTIONS

A. Owners hereby ratify and confirm the existing Restrictive Covenants previously filed and hereby impose the following restrictions upon their Lot in addition to the Restrictive Covenants already filed:

1. Keeping of Vehicles on Property. The keeping of mobile homes, with or without wheels, on the Lot is expressly prohibited. Motor boats, house boats, and similar water-borne vehicles or travel trailers may be maintained, stored, or kept on the Lot provided the same are housed completely within a structure or enclosure which has been approved architecturally by the Architectural Control Committee. All vehicles belonging to Owners, or guests of Owners, must be parked overnight in the Owners' driveway or in the above-mentioned enclosure. All fences on Lots shall be maintained in good repair and in a clean and attractive manner.

B. These Restrictive Covenants shall constitute covenants running with the land, and shall be binding on all persons claiming any interest in the Lot until January 1, 2015. promoting the recreation, health, safety, enjoyment, and welfare of the owners of the lots in the Villages of Woodland Hills, and for the improvement and maintenance of the Common Areas.

B. The maximum annual assessment for the calendar year 1987 shall be $250.00. Beginning January 1, 1988, the annual assessment may be increased not more than ten percent (10%) above the previous year's annual assessment by majority vote of the Board of Directors. Increases in the annual assessment in excess of ten percent (10%) must be approved by fifty percent (50%) of the Members voting at a meeting called for this purpose.

C. In addition to Owners' personal obligation to pay assessments, Owners hereby grant to the Association a continuing lien upon their Lot to secure payment of all assessments on their Lot, including interest, costs, and reasonable attorney's fees. The Association may bring actions at law or equity to enforce payment of delinquent assessments and may enforce the assessment lien in the same manner provided by law with respect to a lien on real property.

D. The assessment lien shall be subordinate to any recorded mortgage or home improvement lien on the Lot. The Secretary of the Association shall be obligated to execute all documents reasonably necessary to subordinate the assessment lien to such other recorded liens.

V. PERSONAL LIABILITY OF OWNERS

In consideration of Owners' agreement to join the Association and pay assessments timely, and the grant of a continuing assessment lien, the Association agrees to take such action as may be reasonably necessary to shield Owners from any personal liability arising out of Owners' membership in the Association. NOW, THEREFORE, Declarant hereby declares that all the properties described above shall be held, sold and conveyed subject to the following easements, covenants, restrictions, and charges. Such easements, covenants, restrictions, and charges (hereinafter sometimes referred to as "covenants and restrictions") shall run with such property and shall be binding on all parties having or acquiring any right, title or interest in such property of any part thereof, and shall inure to the benefit of each owner thereof.

ARTICLE I

B. "The Properties" shall mean all the property hereinabove described and additions thereto subject to this Declaration.

C. "Lot" shall mean any numbered plot of land shown upon any recorded subdivision plat of the Properties which is not designated as the Green Areas.

D. "Designated Public Properties" shall mean land within the properties dedicated to public use not owned by Declarant or the Association. Such designated public properties shall include, but not be limited to, sidewalks and the median parkway.

E. "Member" shall mean every person or entity who holds Membership in the Association.

F. "Owner" shall mean the record owner, whether one or more persons or entities, of fee simple title to any Lot situated upon the Properties.

G. "Declarant" shall mean and refer to South Creek, Inc., a Texas corporation, its successors and assigns, if such successors or assigns should acquire more than one undeveloped Lot from the Declarant for the purpose of development.

H. "Street" means any highway or other thoroughfare as shown on any recorded plat of the Properties.

I. "Green Area" shall refer to the sidewalk and landscape improvements within the public right-of-way along Martin Parkway.

J. "Common Area" shall mean and refer to any area designated for recreation use for the common enjoyment of all the residents of the Villages of Woodland Hills.

ARTICLE II

SUBJECTING ADDITIONAL PROPERTY TO THIS DECLARATION

Section 1. Additions to the Properties. At any time before December 31, 1989, Declarant, its successors and assigns, in future states of development, shall have the right to annex to and bring within the scheme of this Declaration additional properties which are located within the Villages of Woodland Hills Properties.

Section 2. Method of Making Additions. Additions authorized under this Article shall be made by filing for record a Supplemental Declaration of covenants and restrictions with respect to the additional property. Such Supplemental Declaration may contain such additions and modifications of the covenants and restrictions contained in this Declaration as may be necessary to reflect the different character of the added properties in the sole discretion of Declarant. In no event, however, shall such Supplemental Declaration revoke, modify or add to the covenants established by this Declaration with respect to the Properties subject to this Declaration just prior to such Supplemental Declaration being filed for record.

Section 3. Additions by Others. So long as Declarant is a Class B Member, additions may be made by any other owner of property who with the approval of the Board of Directors of the Association desires to add such property located within the boundaries described in Section 1 of this Article II to the scheme of this Declaration and to subject it to the jurisdiction of the Association. When Declarant ceases to be a Class B Member, such additions may be made upon approval of the Association pursuant to a vote of its Members, as provided in it Articles of Incorporation. Such approval by the Board of Directors of Membership shall be evidenced by a certified copy of such resolution of approval recorded in Tarrant County, Texas.

ARTICLE III

MEMBERSHIP AND VOTING RIGHTS IN THE ASSOCIATION

Section 1. Membership: Every person or entity who is a record owner of a fee or undivided fee interest in any Lot which is subject by covenants of record to assessment by the Association, including contract sellers, shall be a member of the Association. The foregoing is not intended to include persons or entities who hold an interest merely as security for the performance of obligation. Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to assessment by the Association. Ownership of such Lot shall be the sole qualification for Membership. When more than one person holds a membership interest in any Lot, all such persons shall be members. The vote for such Lot shall be exercised as they among themselves determine, but in no event shall more than one (1) vote be cast with respect to any lot.

Section 2. Voting Rights: There shall be two classes of voting Membership.

A. Class A Members will be all those Members other than the Declarant. Class A Members shall be entitled to one vote for each Lot in which they hold the interest required for Membership by Section 1. When Class B Membership has been converted to Class A Membership, all Directors of the Association shall be elected by the Class A Members.

B. The Class B Members shall be the Declarant or its successors or assigns. Class B Members shall be entitled to four votes for each Lot owned by the Declarant or its successors or assigns, and shall be entitled to elect all Members of the Board of Directors of the Association. Class B Membership may cease and be converted to Class A Membership at the option of the Class B Member, its successors or assigns by its written notice to the Secretary of the Association, and shall cease and be converted to Class A Membership without further act or deed when the total votes outstanding in the Class A Membership equal the total voted outstanding in the Class B Membership.

C. As long as a Class B Membership exists, Associate Memberships in the Association will not be established by the Board of Directors of the Association without an affirmative vote of a majority of the Class A Members of the Association.

D. Should any builder own any lot which is the subject of these restrictions, that builder shall assign his voting rights to the developer. Said voting rights will be voted as Class A Membership and not Class B Membership.

ARTICLE IV

ADMINISTRATION AND MANAGEMENT

The administration of the Properties shall be governed by these covenants, the Articles of Incorporation, By-Laws, and published rules and regulations of the Association. As shown and reserved to Declarant in the Articles of Incorporation and By-Laws for the Association, the designation and appointment of the Board of Directors for the Association may, at Declarant's option, be exercised solely by the Declarant until the Class B Membership terminates.

ARTICLE V

PROPERTY RIGHTS IN THE COMMON PROPERTIES

Section 1. Extent of Members' Easements. The rights and easements of enjoyment created hereby shall be subject to the following:

A. The right of the Association to limit the number of guests of Members.

B. The rights of the Declarant and of the Association, in accordance with its Articles and By-Laws, to borrow money for the purpose of improving the Green Area and with written consent of the Members entitled to vote seventy-five percent (75%) the votes of each class of Membership to mortgage said Common Areas and Green Areas as security for any such loan.

C. The right of the Association to promulgate and publish rules and regulations which each Member shall strictly comply with.

Section 2. Personal Property for Common Use. The Association may acquire and hold for the use and benefit of all Members of the Association, tangible and intangible personal property and may dispose of the same by sale or otherwise, and the beneficial interest in any such property shall be owned by the Members of the Association and their interest therein shall not be transferable except that the interest of a Member who is an Owner shall be deemed to be transferred upon the transfer of the Member's Lot. A transfer of a Lot shall transfer to the transferee ownership of the transferor's beneficial interest in such personal property without any reference thereto or execution of a bill of sale. Each Owner may use such personal property in accordance with the purpose for which it is intended, without hindering or encroaching upon the lawful rights of the other Owners. Sale of a Lot under foreclosure shall thereby entitle the purchaser thereof to the beneficial interest in the personal property associated with the Lot.

ARTICLE VI

COVENANT FOR MAINTENANCE ASSESSMENT

Section 1. Creation of the Lien and Personal Obligation of Assessment. Declarant for each Lot owned by it within the Properties hereby covenants, and each Owner of any Lot by acceptance of the deed therefore, whether or not it shall be so expressed in acceptance of the deed therefore, shall be deemed to covenant and agree to pay to the Association annual assessments and special assessments for capital improvements. Such assessments shall be fixed, established and collected from time to time as hereinafter provided. The annual and special assessments, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall be a continuing lien upon the property against which each such assessment is made from the date hereinafter set forth. Each such assessment, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall also be a personal obligation of the person who is the Owner of such property at the time when the assessment fell due. Such personal obligation shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, enjoyment and welfare of the residents in the Properties and in particular for the improvements and maintenance of property, services and facilities devoted to the purpose and related to the use and enjoyment of homes situated upon the Properties and any other purpose reasonable, necessary or incidental to such purposes.

Section 3. Basis of Annual Assessment. Unless changed by vote of the Membership, as hereinafter provided, the maximum annual assessment for any Lot owned by Class A Members on which is located a single family detached dwelling shall be $250.00 per year. The assessment for Lots owned by Class A Members shall be at such assessment ratio as shall be determined by the Board of Directors for that particular development within six (6) months after its annexation to the properties, having in mind the additional amenities furnished to the particular Lot not otherwise available to the Members. Such assessment ratio shall not thereafter be changed by the Board of Directors without approval of sixty-six percent (66%) of the Members. Lots owned by the Class B Members shall not be levied upon or liable for any annual or special assessment.

The assessment shall be based upon the cash requirements deemed to be such aggregate sums as the Board of Directors of the Association shall from time to time determine is necessary to provide for the payment of all estimated expenses growing out of or connected with the maintenance and operation of the Green Area, which sum may include, but not limited to, any special assessments on the Common or Green Areas, insurance premiums for vandalism and malicious mischief, with endorsements attached, issued in the amount of the maximum replacement value of all of the Common Area improvements; casualty and public liability and other insurance premiums; landscaping and care of grounds; streets, lighting, repairs and renovations of Common Areas and Green Areas, wages, charges for water used by the Association, grounds maintenance, any expenses of providing security and protection for the Owners, legal and accounting fees, management fees, expenses and liabilities incurred by the Board of Directors under or by reason of this Declaration, the payment of any deficit remaining for a previous period, the creation of a reasonable contingency or other reserve or surplus funds as well as any and all other costs and expenses necessary to carry out the terms and intent of this Declaration. The Association shall maintain an adequate reserve fund out of the annual assessments rather than by period assessment for the maintenance, repair and replacement of those elements of the Common Area and Green Areas that must be replaced on a periodic basis. The Board of Directors of the Association may after consideration of the current maintenance costs and the financial requirements of the Association fix the annual actual assessment at an amount less than the maximum. Such reserve fund shall not be used to construct or establish new capital improvements without an affirmative vote of one-half of each class of Members.

Any agreement for management of the Association's business or any other contract for services by the Declarant must provide for termination by either party without cause or payment of a termination fee on thirty (30) days or less written notice and a maximum contract term of three (3) years.

The maximum annual assessment may be changed as follows:

A. From and after January 1, 1989, the maximum annual assessment may be increased each year not more than ten percent (10%) above the maximum assessment for the previous year without a vote of the Membership.

B. From and after January 1, 1990, the maximum annual assessment may be increased above ten percent (10%) by a vote of one-half (1/2) of each class of Members who are voting in person or by proxy, at a meeting duly called for this purpose.

C. The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Assessment Collection Policy

Woodland Hills Homeowners Association, Inc.

STATE OF TEXAS	§	
	§	KNOW ALL MEN BY THESE PRESENTS:
COUNTY OF TARRANT	§	

We, the undersigned, being the directors of the **Woodland Hills Homeowners Association, Inc.**, a Texas non-profit Association (the **"Association"**), pursuant to Section 209 of the Texas Property Code, do, by unanimous consent, take the following corporate action and adopt the following resolutions, which corporate action and resolutions shall have the same force and effect as a unanimous vote of all the directors of the Association at a duly called meeting of the Board of Directors of said Association:

WHEREAS, membership in the Woodland Hills Homeowners Association, Inc. is mandatory for all Owners of property in the Woodland Hills community and all Members of the Association are legally required to pay assessments. Woodland Hills Homeowners Association, Inc. (the "Association") has authority pursuant to Article VI of the Declaration of Covenants, Conditions, & Restrictions for Woodland Hills Homeowners Association (the "Declaration") to levy assessments against Owners of Lots located within Woodland Hills Homeowners Association, Inc. (the "Development"); and

WHEREAS, the Association has authority pursuant to Article VI of the Declaration to establish rules regarding the collection of delinquent assessments and the application of payments; and

WHEREAS, pursuant to Article VI, Section 1(b) of the Bylaws of Woodland Hills Homeowners Association, the Board of Directors shall have the power to exercise for the Association all powers, duties and authority vested in or delegated to this Association not reserved to the membership by other provisions of the Bylaws, Articles of Incorporation, or the Declaration.

WHEREAS, pursuant to Article VI, Section 2(c) of the Bylaws of Woodland Hills Homeowners Association, the Board of Directors is authorized to (1) fix the amount of the annual assessment against each lot at least thirty (30) days in advance of each annual assessment period, and determine whether it shall be paid in installments and when due and payable; (2) send written notice of each assessment to every Owner subject thereto at least thirty (30) days in advance of each annual assessment period; and (3) foreclose the lien against any property for which assessments are not paid within six (6) months after due date or to bring an action at law against the Owner personally obligated to pay the same.

WHEREAS, the Woodland Hills Homeowners Association, Inc. Board of Directors is authorized by the Declaration to charge late fees and interest and to be reimbursed for the costs of collection. The Board of Directors has engaged a Management Company to manage the collections of Woodland Hills Member assessments. In addition, the Board of Directors has engaged a Law Firm to direct and oversee

the collection of assessments on accounts that are past due. The Board of Directors finds there is a need to establish a policy for the collection of assessments and application of payments that remain unpaid beyond the prescribed due dates in order to encourage Owners to promptly pay their assessments.

NOW, THEREFORE, IT IS RESOLVED, that the following policies, rules, procedures and practices are established for the collection of assessments owing and to become owing by Owners in the Association and for the application of payments made by Owners and the same are to be known as the "Assessment Collection Policy" for the Association:

1. Policy Objectives. The collection of assessments owed by Owners and the application of their payments pursuant to the Declaration and this Assessment Collection Policy will be governed by the following objectives:

    a. The Association will diligently pursue collection of all assessments, including Regular Assessments, Special Assessments, Deficiency Assessments and Individual Assessments (hereinafter the four types of Assessments are sometimes referred to as "assessments") within the community.
    b. At each step within the collection process, the Board will analyze the facts and circumstances then known concerning a given delinquency to direct collection efforts toward the most expedient course of action.

2. Ownership Interests. Pursuant to Article VI of the Declaration, the person who is the Owner of a Lot as of the date an assessment becomes due is personally liable for the payment of that assessment. Further, the personal liability for unpaid assessments passes to the successors in title to a Lot. As used herein, the term "Delinquent Owner" refers to that person who held title to a Lot on the date an assessment became due. As used herein, the term "Current Owner" refers to that person who then holds title to a Lot. Unless expressly denoted otherwise, the "Owner" of a Lot refers to the Delinquent Owner or the Current Owner or both, as may be appropriate under the circumstances in question.

3. Due Dates. Pursuant to Article VI of the Declaration, the Board may levy assessments on an annual basis. Pursuant to Article VI, Section 7 of the Declaration, the due date for Regular Annual Assessments is due on or before February 1 of such year. The due date for a Special Assessment, Deficiency Assessments or Individual Assessment shall be set by the Board in the notice of assessment to the Owners. The due date for any assessments shall be collectively referred to in this Assessment Collection Policy as the "Due Date". Any Regular Annual Assessment that is not received by the Association on the Due Date is delinquent (the "Delinquency Date").

4. Payment Plan. An Owner may request to enter into a Payment Plan to pay delinquent regular or special assessments or any other amount owed to the Association without accruing additional monetary penalties, with the exception of reasonable costs associated with administering the

payment plan and interest. Such payment plan request must be made in writing and may be transmitted via email or first class mail to the Association's Managing Agent or to the Association's Attorney. An owner may propose a payment plan to the Board, but the Board will be under no obligation to accept the owner's plan as proposed and in its discretion may offer a different payment term with a minimum term of 2 months and a maximum of 12 months. The Association shall not be required to allow an owner to enter into more than one payment plan per year. Once a letter has been sent to an owner pursuant to Texas Property Code Section 209.0064(b)(3), the Association is not required to allow an owner to enter into a payment plan, but may do so at the its own discretion.

5. Courtesy Letter. If an assessment has not been paid within ten (10) days following the Due Date, the Association will send to the Owner a Courtesy Letter (referred to as the "Courtesy Letter") notifying the owner that the assessment is late.

6. Late Notice. If an assessment has not been paid within the thirty (30) days following the Due Date, the Association will send to the Owner a default notice (referred to as the "Late Notice") making formal demand for payment of all outstanding amounts. The Default Letter will be sent via First Class United States Mail and will, at a minimum, include the following information:

    a. The unpaid assessments, interest, late charges, collection cost and the handling charges claimed to be owing.
    b. A statement that if either (i) the delinquency is not cured in full within thirty (30) days of the date of the Owner's receipt of the Late Notice or (ii) the Owner does not dispute in writing the amount set forth in the Late Notice within thirty days of the Owner's receipt of the Late Notice, the delinquency will be assumed to be valid and will be referred to the legal counsel for the Association for further collection action including the possibility of seeking foreclosure of the assessment lien, and that once such referral has occurred all attorney's fees and related costs incurred will be charged the Owner of the Lot.

7. Demand Letter. If an assessment has not been paid within the sixty (60) days following the Due Date, the Association will send to the Owner a default notice (referred to as the "Demand Letter") making formal demand for payment of all outstanding amounts. The Demand Letter will be sent via Certified Mail, Return Receipt Requested, and via First Class United States mail and will, at a minimum, include the following information: The unpaid assessment, interest, late charges, collection cost and the handling charges claimed to be owing.

8. Late Fees. In the event any assessment, or portion thereof, is not paid in full and received by the Association on or before thirty (30) days from the Due Date, the Association shall charge the Owner a late fee of $35.00 and for each thirty (30) day period thereafter until the amount owing is paid in full. Such late fees, as and when accrued hereunder, will become part of the

assessment upon which it has accrued and, as such, will be subject to recovery in the manner provided herein and in the Declaration for assessments.

9. Interest- In the event any assessment, or any portion thereof, is not paid in full and received by the Association on or before thirty (30) days after the Due Date, interest on the principal amount due may be assessed against the Owner, the rate of said interest to be ten percent (10%) per annum, but not in excess of the maximum rate allowed by applicable law, and shall accrue from the Delinquency Date until paid. Such interest, as and when accrued hereunder, will become part of the assessment upon which it has accrued and, as such, will be subject to recovery in the manner provided herein and in the Declaration for assessments.

10. Handling Charges and Return Check Fees. In order to recoup for the Association the cost incurred as a result of the additional administrative expenses associated with collecting delinquent assessments, collection of the following fees and charges are part of the Assessment Collection Policy:

    a. Any handling charges, administrative fees, postage or other expenses incurred by the Association in connection with the collection of any assessment or related amount owing beyond the Delinquency Date for such assessment will become due and owing by the Delinquent Owner.
    b. A charge of $35.00 per item will become due and payable for any check tendered to the Association which is dishonored by the drawee of such check, the charge being in addition to any other fee or charge which the Association is entitled to recover from an Owner in connection with collection of assessments owing with respect to such Owners Lot.
    c. Any fee or charge becoming due and payable pursuant to this Paragraph will be added to the amount then outstanding and is collectible to the same extent and in the same manner as the assessment, the delinquency of which gave rise to the incurrence of such charge, fee or expense.

11. Priority of Payments- All monies received by the Association will be applied to amounts outstanding in accordance with Texas Property Code Section 209.0063. If at the time a payment is received an owner is in default under a Payment Plan, the guidelines under Section 209.0063 do not apply and the payment may be applied in any order, however, a fine may not be given priority over any other amount due and owing.

12. Ownership Records. All collection notices and communications will be directed to those persons shown by the records of the Association as being the Owner of a Lot (as defined by Article I of the Declaration) for which assessments are due and will be sent to the most recent address of such Owner solely as reflected by the records of the Association. Any notice or communication directed to a person at an address reflected by the records of the Association as being the

Owner and address for a given Lot, will be valid and effective for all purposes pursuant to the Declaration and this Assessment Collection Policy until such time as there is actual receipt by the Association of written notification from the Owner of any change in the identity or status of such Owner or its address or both.

13. Notification of Owner's Representative. Where the interests of an Owner in a Lot have been handled by a representative or agent of such Owner or where an Owner has otherwise acted so as to put the Association on notice that its interests in a Lot have been and are being handled by a representative or agent, any notice or communication from the Association pursuant to this Assessment Collection Policy will be deemed full and effective for all purposes if given to such representative or agent.

14. Referral to Legal Counsel. If an Owner remains delinquent in the payment of assessment and related costs for more than thirty (30) days after the sending of the Demand Letter (as provided for above), Management, on behalf of the Board, or the Board may, as soon as possible thereafter, refer the delinquency to the legal counsel for the Association for the legal action as required by this Assessment Collection Policy. Any attorney's fees and related charges incurred by virtue of legal action taken will become part of the assessment obligation and may be collected as such as provided herein and in the Declaration.

15. Legal Action. Legal counsel for the Association will take the following actions with regard to delinquencies referred to it upon legal counsel's receipt of a written request by Management and/or the Board to take a specific collection:

    a. Title Search. Counsel will conduct a search of the land records to verify current Ownership of the Lot on which the delinquency exists. If the title search indicates that the Current Owner is other than the Delinquent Owner, counsel will communicate that fact to the Association. A determination will then be made by the Board whether to pursue collection of the unpaid assessments from the Delinquent Owner or the Current Owner or both. Based on that determination, the Board and/or Management will direct counsel to proceed according to this Assessment Collection Policy. Where the title search confirms that the Current Owner is the Delinquent Owner, the Association, Management and counsel will likewise proceed according to this Assessment Collection Policy.

    b. Attorney Demand Letter. As the initial correspondence to a Delinquent Owner, counsel will send a demand letter (the "Attorney Demand Letter") to the Owner providing notice of the total as all outstanding assessments and related charges. This notice shall be sent via First Class mail and via Certified Mail, Return Receipt Requested. If the amount owing is disputed by the Owner within thirty (30) days of Owner's receipt of the

Attorney Demand Letter, Management and/or Legal Counsel will provide verification of the amounts claimed to be owing in accordance with this Policy.

c. Notice of Lien. Should the Owner not enter a payment plan or pay the amount in full within 30 days of the Attorney Demand Letter, counsel will cause to be prepared, executed by a Board Member or Attorney of the Association, and recorded in the Real Property Records of Tarrant County, a written notice of lien (referred to as the "Notice of Lien") setting forth therein the amount of the unpaid indebtedness, the name of the Owner of the Lot covered by such lien and a description of the Lot covered by the lien. A copy of the Notice of Lien will be sent to the Owner contemporaneously with the filing of same with the County Clerk's office, together with a demand for payment in full of all amounts then outstanding, within thirty (30) days of the date of the transmittal to the Owner of the Notice of Lien.

d. Pre-Foreclosure Demand Letter. Should the Owner not enter a payment plan or pay the amount in full within 30 days of the Notice of Lien, counsel will send a Pre-Foreclosure Demand Letter (the "Pre-Foreclosure Letter") to the Owner providing notice of the total of all outstanding assessments and related charges, including the charges for the attorney's fees and cost incurred for counsel's services.

e. Foreclosure. When the Board has directed that the collection action to be taken is foreclosure of the assessment lien, the continued delinquency of unpaid assessments owing will be reported to the Board and Management and both shall direct counsel to initiate foreclosure of the property. In any foreclosure proceedings, the Owner shall be required to pay the cost and expense of such proceedings, including reasonable attorney's fees, interest and late fees owing. The Association shall have the power to bid on the Owner's Lot and improvements at foreclosure and to acquire, hold, lease, mortgage, convey or otherwise deal with the same. The Association may institute a personal judgment suit against the former Owner for any deficiency resulting from the Association's foreclosure of its assessment lien.

16. Verification of Indebtedness. Where an Owner timely requests verification of the indebtedness, Management or the Attorney for the Association will, upon notification of the Owner's request, supply such verification before any further collection action is taken with respect to such Owner. The cost to reply to requests for Verification shall accrue as a charge upon the Owner's account and must be payable by the Owner.

17. Compromise of Assessment Obligation. In order to expedite the handling of collection of delinquent assessments owed to the Association, the Board may, at any time, compromise or waive the payment of any assessment, interest, late fee, handling charge, collection cost, legal

fee or any other applicable charge. The Association may, at its option, notify the Internal Revenue Service of the waiver or forgiveness of any assessment obligation.

18. Community Amenities. Owners with any delinquent balances greater than 30 days are subject to have their access to the pool or any other community amenities removed.

IT IS FURTHER RESOLVED that this Assessment Collection Policy replaces and supersedes in all respects all prior rules, policies and resolutions with respect to the collection of assessments by the Association and is effective upon adoption hereof, to remain in force and effect until revoked, modified or amended.

This is to certify that the foregoing resolution was adopted by the Board of Directors at a meeting of the same and has not been modified, rescinded or revoked.

Woodland Hills Homeowners Association, Inc.

STATE OF TEXAS	§	
	§	KNOW ALL MEN BY THESE PRESENTS:
COUNTY OF TARRANT	§	

This Amended & Restated Covenant Enforcement and Fining Policy for Woodland Hills Homeowners Association, Inc. is made effective as of the date of its filing in the Tarrant County Real Property Records.

WHEREAS, the Board of Directors of Woodland Hills Homeowners Association, Inc. (the "Association") finds there is a need to establish orderly procedures for the enforcement of the restrictive covenants set forth in the Declaration of Covenants, Conditions and Restrictions and the Bylaws for Woodland Hills Homeowners Association, Inc. recorded in the Real Property Records of Tarrant County, Texas, as same has been amended (the "Declaration"), and the Bylaws of the Association, and the Rules and Regulations of the Association for the levying of fines against violating owners.

NOW, THEREFORE, IT IS RESOLVED that the following procedures and practices are established for the enforcement of the restrictive covenants of the Declaration and for the elimination of violations of such provisions found to exist in, on and about Lots within Woodland Hills Homeowners Association, Inc. and the same are to be known as the "Amended & Restated Covenant Enforcement and Fining Policy" (herein referred to as the "Enforcement Policy") of the Association in the discharge of its responsibilities for determination and enforcement of remedies for violations within Woodland Hills Homeowners Association, Inc.

1. Establishment of Violations. Any condition, use, activity or improvement which does not comply with the provisions of the Declaration, Bylaws or rules and regulations of the Association ("dedicatory instruments"), shall constitute a "Violation" under this Policy for all purposes. This includes, but is not limited to any construction, alteration or modification to any improvement on a Lot which does not in all respects conform to that which has been so approved or any activity or condition allowed to continue or exist on any Lot that is in direct violation of the dedicatory instruments of the Association.

2. Report of Violation. The existence of a Violation will be verified firsthand by a field observation conducted by the Board or its delegate. For the purpose of this Enforcement Policy, the delegate of the Board may include a Property Manager employed by the Association's Management Company, an officer of the Board, or a member of any committee established by the Board for this purpose. A timely written report shall be prepared by the field observer for each Violation which will include the following information:

   a. Identification of the nature and description of the Violation(s);
   b. Identification by street address and legal description, if available, of the Lot on

which the Violation exists;

c. Date of the Violation observation; and

d. Name of the person making such observation.

3. Courtesy Notice. Upon verification of the existence of a Violation by the Association or management company representative ("*Management*") of the Association, the Association may, but shall not be obligated to, send to the Lot Owner a written notice of the existence of the Violation ("*Courtesy Notice*"). The Courtesy Notice will inform the Owner of the following:

a. The nature, description, and location of the Violation; and

b. What needs to be done to cure the Violation, and provide notice that the Violation must be cured within ten (10) days of the date of the Initial Notice to avoid further enforcement measures.

4. Notice of Violation. If the Violation is not corrected or eliminated within the time period specified in the Courtesy Notice, or if the Board or its delegate deem it appropriate to proceed without the Courtesy Notice, the Association shall forward to the Owner of the Lot in question written notice of the Violations(s) by certified mail, return receipt requested (the "Notice of Violation"). The Notice of Violation, if required, shall state the following:

a. The nature, description and location of the Violation, including any property damage caused by the Owner;

b. The authority for establishing the Violation, including the authority for recovering property damages caused by the Owner;

c. The proposed sanction to be imposed, including the amount of any fine or the amount claimed to be due from the owner for the property damage;

d. If the Violation is corrected or eliminated within a reasonable time after the Owner's receipt of the Notice of Violation that a fine will not be assessed;

e. The recipient may, on or before thirty (30) days from the receipt of the Notice of Violation, deliver to the Association a written request for a hearing;

f. The recipient may have special rights or relief related to the enforcement action under federal law, including the Service Members Civil Relief Act (50 U.S.C app. Section 501 et seq.), if the Owner is serving on active military duty;

g. If the Violation is not corrected or eliminated within the time period specified in the Notice of Violation, or if a written request for a hearing is not made on or before thirty (30) days from the receipt of the Notice of Violation, that the sanctions delineated in the Notice of Violation may be imposed and that any attorney's fees and cost will be charged to the Owner;

h. If a hearing is timely requested and is held before a delegate of the Board, that the Owner may appeal the decision of the delegate to the Board; and

i. A Notice of Violation is not required if the Owner was sent a Notice of Violation relating to a similar Violation within six (6) months of the current Violation and was given reasonable opportunity to cure the prior Violation. In such event, the Board may impose sanctions as authorized by the Declaration and /or this Enforcement Policy without notice to the Owner other than the Final Notice of Violation described in Paragraph 6 below.

5. Request for a Hearing. If the Owner challenges the proposed action delineated in the

Notice of Violation (or the Final Notice of Violation if a Notice of Violation was not issued) by timely requesting a hearing, the hearing shall be held in executive session of the Board, a committee comprised of members of the Board, or a delegate of the Board no later than the 30th day after the date the Board receives the Owner's request for a hearing. Any hearing shall be conducted in accordance with Section 209.007 of the Texas Property Code. The hearing may be held in person, or electronically. Notice of the hearing shall be tendered to the owner at least ten days prior to the hearing. At least ten days prior to the hearing, the Association shall provide to the Owner a packet which contains all documents, photographs, and communications relating to the matter the Association intends to introduce at the hearing. Either the Association or the Owner may record the hearing. During the hearing, a member of the board or the Association's designated representative shall first present the Association's case against the Owner. An Owner or the Owner's designated representative is entitled to present the Owner's information and issues relevant to the appeal or dispute. The Association shall notify the Owner in writing of its decision within ten (10) business days after the hearing. The Board may, but shall not be obligated to, suspend any proposed sanction if the Violation is cured within the ten-business day period. Such suspension shall not constitute a waiver of the right to sanction future violation of the same or other provisions and rules by any Owner.

6. Final Notice of Violation. Failure to either (i) submit complete plans and specifications showing that the Violation will be remedied, (ii) cease all non-remedial work immediately upon receipt of the Notice of Violation, and/or (iii) remedy the current Violation existing upon the Lot within ten (10) days of the date of the Notice of Violation, shall constitute a continuing Violation and result in one or more of the following: (a) the imposition of violation fines as determined by the Board against the Owner, (b) the suspension of the right to enter upon and/or use any recreational facilities within the Common Area(s), and/or (c) the pursuit of any other remedy available at law or in equity, under the dedicatory instruments or this Enforcement Policy including, but without limitation, the recording in the County Clerk's office, of a Notice that the Lot in question is in violation of restrictive covenants or an action for injunctive relief and civil damages. The Association may send, but is under no obligation, a notice to the Owner in the form of a formal written notice of fine (the "*Notice of Fine*") informing the recipient of the continuing Violation and the remedy chosen as a result thereof.

7. Appeal. Following a hearing before a committee of the Board or delegate of the board, the Owner shall have the right to appeal the decision made by the Board's appointed committee or delegate to the Board. To perfect this right, a written notice of appeal must be received by the manager, president or secretary of the Association within ten (10) days after the date of the Association's written notice to the Owner of the results of the hearing. Any hearing before the entire Board shall be held in the same manner as provided in Paragraph 5.

8. Correction of Violation. Where the Owner corrects or eliminates the Violation(s) prior to the imposition of any sanction, no further action will be taken by the Association (except for collection of any monies for which the Lot Owner may become liable under this Enforcement Policy and/or the Declaration). Written notice of correction or elimination of the Violation may be obtained from the Board upon request for such notice by the Owner and upon payment of a fee for same, the amount of which is set by the Board.

9. Corrective Action. Notwithstanding any other provision contained herein to the contrary, where a Violation is determined or deemed determined to exist, the Board may undertake to cause the Violation to be corrected, removed or otherwise abated if the Board, in its reasonable judgment, determines the Violation may be readily corrected, removed or abated without undue expense and

without breach of the peace. Where the Board decides to initiate any such action, the following will apply:

a. The Board must give the Owner and any third party that is known to the Association to be directly affected by the proposed action prior written notice of the undertaking of the action;
b. Any and all costs incurred in correcting or eliminating the Violation shall be the responsibility of the Owner causing such Violation and shall be referred to the Association to be recovered from the Owner; and
c. The Owner shall be liable to the Association and its agents and contractors or any third party for trespass or any damage or cost alleged to arise by virtue of action taken under this Paragraph 9.

10. Referral to Legal Counsel. Where a Violation is determined or deemed determined to exist and where the Board deems it to be in the best interests of the Association to refer the Violation to legal counsel for appropriate action, the Board may do so at any time. Such legal action may include, without limitation, sending demand letters to the violating Owner and/or seeking injunctive relief against the Owner to correct or otherwise abate the Violation. Attorney's fees and all costs incurred by the Association in enforcing the Declaration and administering this Enforcement Policy shall become the personal obligation of the Owner.

11. Fines. Subject to the provisions of the Enforcement Policy and/or the Declaration, the imposition of fines will be on the following basis:

a. Fines will be based on an amount that is reasonably related to the nature of the Violation. The Board shall have final discretion in determining the appropriate fine for the Violation in question. The Board may adopt and amend, from time to time, a schedule of fines applicable to Violations within the Association which may include a progression of fines for repeat offenders. The initial schedule of fines is attached hereto as Exhibit "A";
b. The general categories of restrictive covenants for which the Association may assess fines is attached hereto as Exhibit "B";
c. Imposition of fines will be in addition to and not exclusive of any other rights, remedies and recoveries of the Association as created by the Declaration or this Enforcement policy; and
d. Fines are imposed against Lots and become the personal obligation of the Owners of such Lots. Upon presentation of outstanding fines to the Board for action, the same will be levied against the respective Lots and their Owners as an individual assessment under the Declaration.

12. Notices. Unless otherwise provided in the Enforcement Policy, all notices required by this Enforcement Policy shall be in writing and shall be deemed to have been duly given if delivered personally and/or if sent by the United States Mail, first-class postage prepaid, to the Owner at the address which the Owner has designated in writing to Association or, if no such address has been designated, to the address of the Lot of the Owner.

a. Where the Board has actual knowledge that an enforcement action would directly affect a third party (e.g. a tenant or a neighbor) or involves a Violation by a party other than the Owner, notices required under this Enforcement Policy

may, but shall not be required, to be given to such third party in addition to the Owner;

b. Where the interests of an Owner in a Lot have been handled by a representative or agent of such Owner or where an Owner has otherwise acted so as to put the Association on notice that its interests in a Lot have been and are being handled by a representative or agent, any notice or communication from the Association pursuant to this Enforcement Policy will be deemed full and effective for all purposes if given to such representative or agent; and

c. Where an Owner transfers record title to a Lot at any time during the pendency of any procedure prescribed by this Enforcement Policy, such Owner shall remain personally liable for all costs and fines under this Enforcement Policy. As soon as practical after receipt by the Association of a notice of a change in the record title to a Lot which is the subject of enforcement proceedings under this Enforcement Policy, the Board may begin enforcement proceedings against the new Owner in accordance with this Enforcement Policy which are the result of the new Owner's failure and/or refusal to correct or eliminate the Violation in the time and manner specified under this Enforcement Policy.

13. Cure of Violation During Enforcement. An Owner may correct or eliminate a Violation at any time during the pendency of any procedure prescribed by this Enforcement Policy. The Owner will remain liable for all costs and fines under this Enforcement Policy, which costs and fines, if not paid upon demand for by Management, will be referred to the Board of Directors of the Association for collection. The Board, however, in its sole and absolute discretion, reserves the right to suspend or waive some or all of the fines imposed. The suspension or waiver of fines shall not constitute a waiver of the right to sanction violations of the same or other provisions and rules by any person.

14. Repeated Violation of the Same Provision of the Governing Documents. Whenever an Owner, who has previously cured or eliminated a violation after receipt of an Initial Notice, commits a separate violation of a similar provision of the dedicatory instruments within six (6) months from the date of the Notice of Violation, the Association shall reinstate the Violation, including the fines previously imposed related to such Violation that were waived by the Board, and pursue the procedures set forth herein as if the Violation had never been cured or eliminated. For purposes of illustration only, in the event the Owner cured the Violation after having received a Courtesy Notice, the second Violation of the same provision shall prompt the Association to send a Notice of Violation. Similarly, in the event the Owner cured the Violation after having received a Notice of Violation, the second Violation shall prompt the Association to send a Notice of Fine as provided hereunder. In the event an Owner cured the Violation after having received a Notice of Fine, the second Violation shall prompt the Association to commence the levying of violation fines without further notice to the Owner. In the event of a repeated violation, the Board shall be authorized to double the fine amount.

15. Uncurable Violations & Threats to Public Health and Safety. Should a Violation be of an uncurable nature or pose a threat to public safety, then the Association may, but shall not be required, to provide a reasonable period to cure the Violation in the Final Notice of Violation prior to transmitting a Notice of Fine to an Owner. A Violation is considered a threat to public health or safety if the Violation could materially affect the physical health or safety of the ordinary resident. A Violation is considered uncurable if the Violation has occurred but is not a continuous action or condition capable of being remedied by affirmative action. Examples of curable and uncurable Violation may be found at Section 209.006 of the Texas Property Code.

16. Authority of Management to Act. The Board hereby authorizes and empowers Management to do all such things and perform all such acts as are necessary to implement and effectuate the purposes of the Enforcement Policy and compliance with Texas Property Code Section 209.0051(h), including the levying of violation fines, without further action by the Board.

17. Binding Effect. The terms and conditions of this Enforcement Policy, as may be amended from time to time by the Board, shall bind all Owners including their heirs, successors, transferees or assigns, and all Lots as defined in the Declaration, and the Properties shall hereafter be held, occupied, transferred, and conveyed subject to the terms and conditions of this Enforcement Policy, as amended by the Board.

This Enforcement Policy is hereby adopted by resolution of the Board and replaces and supersedes, in all respects, all prior policies and resolutions with respect to the enforcement of violations by the Association, and shall remain in force and effect until revoked, modified or amended by the Board.

18. Definitions. The definitions contained in the Declaration and Bylaws are hereby incorporated herein by reference.

IT IS FURTHER RESOLVED that this Amended & Restated Covenant Enforcement and Fining Policy is effective upon adoption hereof, to remain in force and effect until revoked, modified or amended.

This is to certify that the foregoing resolution was adopted by the Board of Directors at a meeting of the same 2023, and has not been modified, rescinded or revoked.
