The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such Lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Common and Green Areas, specifying and itemizing the maintenance and repair expenses of the Common and Green Areas and any other expenses incurred. Such records and the vouchers authorizing the payments shall be available on request for examination by the Owners and others with an interest such as encumbrancers or prospective lenders.

Section 12. Protection of Mortgagees. First mortgagees of Lots may pay taxes or other charges or assessments which are in default and which may become a lien against the Common or Green Areas and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Common and Green Areas and the first mortgagees making such payments shall be owed immediately reimbursement therefore from the Association.

As shown and reserved to Declarant in the Articles of Incorporation and By-Laws for the Association, the designation and appointment of the Board of Directors for the Association may, at Declarant's option, be exercised solely by the Declarant until the Class B Membership terminates.

the Association and their interest therein shall not be transferable except that the interest of a Member who is an Owner shall be deemed to be transferred upon the transfer of the Member's Lot. A transfer of a Lot shall transfer to the transferee ownership of the transferor's beneficial interest in such personal property without any reference thereto or execution of a bill of sale. Each Owner may use such personal property in accordance with the purpose for which it is intended, without hindering or encroaching upon the lawful rights of the other Owners. Sale of a Lot under foreclosure shall thereby entitle the purchase thereof to the beneficial interest in the personal property associated with the Lot.

ARTICLE VI

COVENANT FOR MAINTENANCE ASSESSMENT

Section 1. Creation of the Lien and Personal Obligation of Assessment. Declarant for each Lot owned by it within the Properties hereby covenants, and each Owner of any Lot by acceptance of the deed therefor, whether or not it shall be so expressed in acceptance of the deed therefor, shall be deemed to covenant and agree to pay to the Association annual assessments and special assessments for capital improvements. Such assessments shall be fixed, established and collected from time to time as hereinafter provided. The annual and special assessments, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall be a continuing lien upon the property against which each such assessment is made from the date hereinafter set forth. Each such assessment, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall also be a personal obligation of the person who is the Owner of such property at the time when the assessment fell due. Such personal obligation shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, enjoyment and welfare of the residents in the Properties and in particular for the improvements and maintenance of property, services and facilities devoted to the purpose and related to the use and enjoyment of homes situated upon the Properties and any other purpose reasonable, necessary or incidental to such purposes.

Section 3. Basis of Annual Assessment. Unless changed by vote of the Membership, as hereinafter provided, the maximum annual assessment for any Lot owned by Class A Members on which is located in a single family detached dwelling shall be $75.00 per month. The assessment for Lots owned by Class A Members shall be at such assessment ratio as shall be determined by the Board of Directors for that particular development within six (6) months after its annexation to the Properties, having in mind the additional amenities furnished to the particular Lot not otherwise available to the Members. Such assessment ratio shall not thereafter be changed by the Board of Directors without approval of sixty-six percent (66%) of the Members. Lots owned by the Class B Members shall not be levied upon or liable for any annual or special assessment.

The assessments shall be based upon the cash requirements deemed to be such aggregate sums as the Board of Directors of the Association shall from time to time determine is necessary to provide for the payment of all estimated expenses growing out of or connected with the maintenance and operation of the Green Area, which sum may include, but not be limited to, any special assessments on the Access Drive or Green Areas, insurance premiums for vandalism and malicious mischief, with endorsements attached, issued in the amount of the maximum replacement value of all of the Access Drive or Green Area improvements; casualty and public liability and other insurance premiums; landscaping and care of grounds; streets, lighting, repairs and renovations of Access Drive and Green Areas, wages, charges for water used by

the Association, grounds maintenance, any expenses of providing security and protection for the Owners, legal and accounting fees, management fees, expenses and liabilities incurred by the Board of Directors under or by reason of this Declaration, the payment of any deficit remaining for a previous period, the creation of a reasonable contingency or other reserve or surplus funds as well as any and all other costs and expenses necessary to carry out the terms and intent of this Declaration.

The Association shall maintain an adequate reserve fund out of the annual assessments rather than by period assessment for the maintenance, repair and replacement of those elements of the Access Drive and Green Areas that must be replaced on a periodic basis. The Board of Directors of the Association may after consideration of the current maintenance costs and the financial requirements of the Association fix the annual actual assessment at an amount less than the maximum. Such reserve fund shall not be used to construct or establish new capital improvements without an affirmative vote of one-half of each class of Members.

Any agreement for management of the Association's business or any other contract for services by the Declarant must provide for termination by either party without cause or payment of a termination fee on thirty (30) days or less written notice and a maximum contract term of three (3) years.

The maximum annual assessment may be changed as follows:

A. From and after January 1, 1987, the maximum annual assessment may be increased each year not more than ten percent (10%) above the maximum assessment for the previous year without a vote of the Membership.

B. From and after January 1, 1987, the maximum annual assessment may be increased above ten percent (10%) by a vote of one-half (1/2) of each class of Members who are voting in person or by proxy, at a meeting duly called for this purpose.

C. The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. Upon vote of the Members of the Association in the manner hereinafter set forth, the Association may levy in addition to annual assessments a special assessment in any calendar year applicable to that year only, for the purpose of defraying in whole or in part the costs of construction or reconstruction or expected repair or replacement of a described capital improvement upon the Access Drive or Green Area, including necessary fixtures and personal property related thereto, provided that, any such assessment shall have the assent of sixty percent (60%) of the votes of each class of Members who are voting in person, or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting setting forth the purpose of the meeting. The assessment ratio for any Lot, as determined pursuant to Section 3, shall be applicable to special assessment.

Section 5. Voting and Notices for Special Assessment and Change of Maximum Assessment. Written notice of any meeting of Members called to change the maximum annual assessment or to levy a special assessment shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the date of such meeting, setting forth the purpose of the meeting.

Section 6. Quorum for Action Authorized Under Section 4 and 5. The quorum required for any action authorized in Section 4 and 5 of this Article VI shall be as follows:

At the first meeting called, as provided in Section 4 and 5 hereof, the presence at the meeting of Members, or of proxies entitled to cast sixty percent (60%) of all votes of each class

of Membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in Sections 4 and 5 and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessment. The initial annual assessments shall commence on the first day of such month as determined by the Board of Directors of the Association, shall be made for the balance of the calendar year, and shall be due and payable on the date fixed by the Board. Annual assessments for any year after the first year shall become due and payable on or before May 1 of such year, and at the Board's discretion may be collected on a monthly basis.

The amount of the initial annual assessment for the first year in which assessments are made or for any property which becomes subject to assessment for the first time shall be prorated on a calendar year basis according to the date of the first assessment or the date on which property first became subject to assessment.

The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

Section 8. Duty of the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

Section 9. The Effect of Non-payment of Assessments: Lien of Association. If an assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $20.00 and the assessment shall bear interest at the rate of ten percent (10%) per annum from such due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Access Drive or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such Lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Access Drive and Green Areas, specifying and itemizing the maintenance and repair expenses of the Access Drive and Green Areas any any other expenses incurred. Such records and the vouchers authorizing the payments shall be available on request for examination by the Owners and others with an interest such as encumbrancers or prospective lenders.

Section 12. Protection of Mortgagees. First mortgagees of Lots may pay taxes or other charges or assessments which are in default and which may become a lien against the Access Drive or Green Areas and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Access Drive and Green Areas and the first mortgagees making such payments shall be owed immediately reimbursement therefor from the Association.

In no event, however, shall such Supplemental Declaration revoke, modify or add to the covenants established by this Declaration with respect to the Properties subject to this Declaration just prior to such Supplemental Declaration being filed for record.

Section 2. Yard Care. As soon as the growing season reasonably permits, the grounds around all living units shall be seeded, sodded or otherwise planted by the Owner thereof with grass or other ground cover or plantings and maintained in a clean and attractive manner free of dust and weeds. All fences on lots shall be maintained in good repair and in a clean and attractive manner.

ARTICLE IV

MEMBERSHIP AND VOTING RIGHTS IN THE ASSOCIATION

Section 1. Membership. Every person or entity who is a record owner of a fee or undivided fee interest in any Lot which is subject by covenants of record to assessment by the Association, including contract sellers, shall be a Member of the Association. The foregoing is not intended to include persons or entities who hold an interest merely as security for the performance of obligation. Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to assessment by the Association. Ownership of such Lot shall be the sole qualification for Membership. When more than one person holds a Membership interest in any Lot, all such persons shall be Members. The vote for such Lot shall be exercised as they among themselves determine, but in no event shall more than one (1) vote be cast with respect to any Lot.

Section 2. Voting Rights. There shall be two classes of voting Membership.

A. Class A Members will be all those Members other than Southcreek, Inc. Class A Members shall be entitled to one vote for each Lot in which they hold the interest required for Membership by Section 1. When Class B Membership has been coverted to Class A Membership, all Directors of the Association shall be elected by the Class A Members.

B. The Class B Members shall be Southcreek, Inc. or its successors or assigns. Class B Members shall be entitled to four votes for each Lot owned by the Declarant or its successors or assigns, and shall be entitled to elect all Members of the Board of Directors of the Association. Class B Membership may cease and be converted to Class A Membership at the option of the Class B Member, its successors or assigns by its written notice to the Secretary of the Association, and shall cease and be converted to Class A Membership without further act or deed when the total votes outstanding in the Class A Membership equal the total votes outstanding in the Class B Membership.

C. As long as a Class B Membership exists, Associate Memberships in the Association will not be established by the Board of Directors of the Association without an affirmative vote of a majority of the Class A Members of the Association.

D. Should any builder own any lot which is the subject of these restrictions, that builder shall assign his voting rights to the developer. Said voting rights shall be voted as Class A Membership and not Class B Membership.

ARTICLE V

ADMINISTRATION AND MANAGEMENT

The administration of the Properties shall be governed by these covenants, the Articles of Incorporation, By-Laws, and published rules and regulations of the Association. As shown and reserved to Declarant in the Articles of Incorporation and By-Laws for the Association, the designation and appointment of the Board of Directors for the Association may, at Declarant's option, be exercised solely by the Declarant until the Class B Membership terminates.

ARTICLE VI

Section 1. Extent of Members' Easements. The rights and easements of enjoyment created hereby shall be subject to the following:

A. The right of the Association to limit the number of guests of Members.

B. The rights of the Declarant and of the Association, in accordance with its Articles and By-Laws, to borrow money for the purpose of improving the Green Area and with written consent of the Members entitled to vote seventy-five percent (75%) the votes of each class of Membership to mortgage said Common Areas and Green Areas as security for any such loan.

Section 2. Personal Property for Common Use. The Association may acquire and hold for the use and benefit of all Members of the Association, tangible and intangible personal property and may dispose of the same by sale or otherwise, and the beneficial interest in any such property shall be owned by the Members of the Association and their interest therein shall not be transferable except that the interest of a Member who is an Owner shall be deemed to be transferred upon the transfer of the Member's Lot. A transfer of a Lot shall transfer to the transferee ownership of the transferor's beneficial interest in such personal property without any reference thereto or execution of a bill of sale. Each Owner may use such personal property in accordance with the purpose for which it is intended, without hindering or encroaching upon the lawful rights of the the other Owners. Sale of a Lot under foreclosure shall thereby entitle the purchase thereof to the beneficial interest in the personal property associated with the Lot.

ARTICLE VII

COVENANT FOR MAINTENANCE ASSESSMENT

Section 1. Creation of the Lien and Personal Obligation of Assessment. Declarant for each Lot owned by it within the Properties hereby covenants, and each Owner of any Lot by acceptance of the deed therefor, whether or not it shall be so expressed in acceptance of the deed therefor, shall be deemed to covenant and agree to pay to the Association annual assessments and special assessments for capital improvements. Such assessments shall be fixed, established and collected from time to time as hereinafter provided. The annual and special assessments, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall be a continuing lien upon the property against which each such assessment is made from the date hereinafter set forth. Each such assessment, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall also be a personal obligation of the person who is the Owner of such property at the time when the assessment fell due. Such personal obligation shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by; the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, enjoyment and welfare of the residents in the Properties and in particular for the improvements and maintenance of property, services and facilities devoted to the purpose and related to the use and enjoyment of homes situated upon the Properties and any other purpose reasonable, necessary or incidental to such purposes.

Section 3. Basis of Annual Assessment. Unless changed by vote of the Membership, as hereinafter provided, the maximum annual assessment for any Lot owned by Class A Members on which is located in a single family detached dwelling shall be $250.00 per year. The assessment for Lots owned by Class A Members shall be at such assessment ratio as shall be determined by the Board of Directors for that particular development within six (6) months after its annexation to the Properties, having in mind the additional amenities furnished to the particular Lot not otherwise available to the Members. Such assessment ratio shall not thereafter be changed by the Board of Directors without approval of sixty-six percent (66%) of the Members.

The assessments shall be based upon the cash requirements deemed to be such aggregate sums as the Board of Directors of the Association shall from time to time determine in necessary to provide for the payment of all estimated expenses growing out of or connected with the maintenance and operation of the Green Area, which sum may include, but not limited to, any special assessments on the Common or Green Areas, insurance premiums for vandalism and malicious mischief, with endorsements attached, issued in the amount of the maximum replacement value of all of the Common Area improvements; casualty and public liability and other insurance premiums; landscaping and care of grounds; streets, lighting, repairs and renovations of Common Areas and Green Areas, wages, charges for water used by the Association, grounds maintenance, any expenses of providing security and protection for the Owners, legal and accounting fees, management fees,

expenses and liabilities incurred by the Board of Directors under or by reason of this Declaration, the payment of any deficit remaining for a previous period, the creation of a reasonable contingency or other reserve or surplus funds as well as any and all other costs and expenses necessary to carry out the terms and intent of this Declaration. The Association shall maintain an adequate reserve fund out of the annual assessments rather than by period assessment for the maintenance, repair and replacement of those elements of the Common Area and Green Areas that must be replaced on a periodic basis. The Board of Directors of the Association may after consideration of the current maintenance costs and the financial requirements of the Association fix the annual actual assessment at an amount less than the maximum. Such reserve fund shall not be used to construct or establish new capital improvements without an affirmative vote of one-half of each class of Members.

Any agreement for management of the Associations's business or any other contract for services by the Declarant must provide for termination by either party without cause or payment of a termination fee on thirty (30) days or less written notice and a maximum contract term of three (3) years.

The maximum annual assessment may be changed as follows:

A. From and after January 1, 1988, the maximum annual assessment may be increased each year not more than ten percent (10%) above the maximum assessment for the previous year without a vote of the Membership.

B. From and after January 1, 1988, the maximum annual assessment may be increased above ten percent (10%) by a vote of one-half (1/2) of each class of Members who are voting in person or by proxy, at a meeting duly called for this purpose.

C. The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. Upon vote of the Members of the Association in the manner hereinafter set forth, the Association may levy in addition to annual assessments a special assessment in any calendar year applicable to that year only, for the purpose of defraying in whole or in part the costs of construction or reconstruction or expected repair or replacement of a described capital improvement upon the Common Area or Green Area, including necessary fixtures and personal property related thereto, provided that, any such assessment shall have the assent of sixty percent (60%) of the votes of each class of Members who are voting in person, or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than thirty (30) days nor more that sixty (60) days in advance of the meeting setting forth the purpose of the meeting. The assessment ratio for any Lot, as determined pursuant to Section 3, shall be applicable to special assessment.

Section 5. Voting and Notices for Special Assessment and Change of Maximum Assessment. Written notice of any meeting of Members called to change the maximum annual assessment or to levy a special assessment shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the date of such meeting, setting forth the purpose of the meeting.

Section 6. Quorum for Action Authorized Under Section 4 and 5. The quorum required for any action authorized in Section 4 and 5 of this Article VI shall be as follows:

At the first meeting called, as provided in Section 4 and 5 hereof, the presence at the meeting of Members, or of proxies entitled to cast sixty percent (60%) of all votes of each class of Membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in Sections 4 and 5 and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessment. The initial annual assessments shall commence on the first day of such month as

determined by the Board of Directors of the Association, shall be made for the balance of the calendar year, and shall be due and payable on the date fixed by the Board. Annual assessments for any year after the first year shall become due and payable on or before February 1 of such year, and at the Board's discretion may be collected on a monthly basis.

The amount of the initial annual assessment for the first year in which assessments are made or for any property which becomes subject to assessments for the first time shall be prorated on a calendar year basis according to the date on which property first become subject to assessment.

The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

Section 8. Duty of the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

Section 9. The Effect of Non-payment of Assessments; Lien of Association. If an assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $20.00 and the assessment shall bear interest at the rate of ten percent (10%) per annum for such due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such Lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Common and Green Areas, specifying and itemizing the maintenance and repair expenses of the Common Areas and Green Areas and any other expenses incurred. Such records and the vouchers authorizing the

payments shall be available on request for examination by the Owners and others with an interest such as encumbrancers or prospective lenders.

Section 12. Protection of Mortgagees. First mortgagees of Lots may pay taxes or other charges or assessments which are in default and which may become a lien against the Common or Green Areas and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Common and Green Areas and the first mortgagees making such payments shall be owed immediately reimbursement therefore from the Association.

Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. MEMBERSHIP AND VOTING RIGHTS IN THE ASSOCIATION

Section 1. Membership. Every person or entity who is a record owner of a fee or undivided fee interest in any Lot which is subject by covenants of record to assessment by the Association, including contract sellers, shall be a Member of the Association. The foregoing is not intended to include persons or entities who hold an interest merely as security for the performance of obligation. Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to assessment by the Association. Ownership of such Lot shall be the sole qualification for Membership. When more than one person holds a Membership interest in any Lot, all such persons shall be Members. The vote for such Lot shall be exercised as they among themselves determine, but in no event shall more than one (1) vote be cast with respect to any Lot.

Section 2. Voting Rights. There shall be two classes of voting Membership.

A transfer of a Lot shall transfer to the transferee ownership of the transferor's beneficial interest in such personal property without any reference thereto or execution of a bill of sale. Each Owner may use such personal property in accordance with the purpose for which it is intended, without hindering or encroaching upon the lawful rights of the the other Owners. Sale of a Lot under foreclosure shall thereby entitle the purchase thereof to the beneficial interest in the personal property associated with the Lot.

ARTICLE VII

COVENANT FOR MAINTENANCE ASSESSMENT

Section 1. Creation of the Lien and Personal Obligation of Assessment. Declarant for each Lot owned by it within the Properties hereby covenants, and each Owner of any Lot by acceptance of the deed therefor, whether or not it shall be so expressed in acceptance of the deed therefor, shall be deemed to covenant and agree to pay to the Association annual assessments and special assessments for capital improvements. Such assessments shall be fixed, established and collected from time to time as hereinafter provided. The annual and special assessments, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall be a continuing lien upon the property against which each such assessment is made from the date hereinafter set forth. Each such assessment, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall also be a personal obligation of the person who is the Owner of such property at the time when the assessment fell due. Such personal obligation shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by; the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, enjoyment and welfare of the residents in the Properties and in particular for the improvements and maintenance of property, services and facilities devoted to the purpose and related to the use and enjoyment of homes situated upon the Properties and any other purpose reasonable, necessary or incidental to such purposes.

Section 3. Basis of Annual Assessment. Unless changed by vote of the Membership, as hereinafter provided, the maximum annual assessment for any Lot owned by Class A Members on which is located in a single family detached dwelling shall be $250.00 per year. The assessment for Lots owned by Class A Members shall be at such assessment ratio as shall be determined by the Board of Directors for that particular development within six (6) months after its annexation to the Properties, having in mind the additional amenities furnished to the particular Lot not otherwise available to the Members. Such assessment ratio shall not thereafter be changed by the Board of Directors without approval of sixty-six percent (66%) of the Members.

The assessments shall be based upon the cash requirements deemed to be such aggregate sums as the Board of Directors of the Association shall from time to time determine is necessary to provide for the payment of all estimated expenses growing out of or connected with the maintenance and operation of the Green Area, which sum may include, but not limited to, any special assessments on the Common or Green Areas, insurance premiums for vandalism and malicious mischief, with endorsements attached, issued in the amount of the maximum replacement value of all of the Common Area improvements; casualty and public liability and other insurance premiums; landscaping and care of grounds; streets, lighting, repairs and renovations of Common Areas and Green Areas, wages, charges for water used by the Association, grounds maintenance, any expenses of providing security and protection for the Owners, legal and accounting fees, management fees,

expenses and liabilities incurred by the Board of Directors under or by reason of this Declaration, the payment of any deficit remaining for a previous period, the creation of a reasonable contingency or other reserve or surplus funds as well as any and all other costs and expenses necessary to carry out the terms and intent of this Declaration. The Association shall maintain an adequate reserve fund out of the annual assessments rather than by period assessment for the maintenance, repair and replacement of those elements of the Common Area and Green Areas that must be replaced on a periodic basis. The Board of Directors of the Association may after consideration of the current maintenance costs and the financial requirements of the Association fix the annual actual assessment at an amount less than the maximum. Such reserve fund shall not be used to construct or establish new capital improvements without an affirmative vote of one-half of each class of Members.

Any agreement for management of the Associations's business or any other contract for services by the Declarant must provide for termination by either party without cause or payment of a termination fee on thirty (30) days or less written notice and a maximum contract term of three (3) years.

The maximum annual assessment may be changed as follows:

A. From and after January 1, 1988, the maximum annual assessment may be increased each year not more than ten percent (10%) above the maximum assessment for the previous year without a vote of the Membership.

B. From and after January 1, 1988, the maximum annual assessment may be increased above ten percent (10%) by a vote of one-half (1/2) of each class of Members who are voting in person or by proxy, at a meeting duly called for this purpose.

C. The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. Upon vote of the Members of the Association in the manner hereinafter set forth, the Association may levy in addition to annual assessments a special assessment in any calendar year applicable to that year only, for the purpose of defraying in whole or in part the costs of construction or reconstruction or expected repair or replacement of a described capital improvement upon the Common Area or Green Area, including necessary fixtures and personal property related thereto, provided that, any such assessment shall have the assent of sixty percent (60%) of the votes of each class of Members who are voting in person, or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting setting forth the purpose of the meeting. The assessment ratio for any Lot, as determined pursuant to Section 3, shall be applicable to special assessment.

Section 5. Voting and Notices for Special Assessment and Change of Maximum Assessment. Written notice of any meeting of Members called to change the maximum annual assessment or to levy a special assessment shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the date of such meeting, setting forth the purpose of the meeting.

Section 6. Quorum for Action Authorized Under Section 4 and 5. The quorum required for any action authorized in Section 4 and 5 of this Article VI shall be as follows:

At the first meeting called, as provided in Section 4 and 5 hereof, the presence at the meeting of Members, or of proxies entitled to cast sixty percent (60%) of all votes of each class of Membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in Sections 4 and 5 and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessment. The initial annual assessments shall commence on the first day of such month as

determined by the Board of Directors of the Association, shall be made for the balance of the calendar year, and shall be due and payable on the date fixed by the Board. Annual assessments for any year after the first year shall become due and payable on or before February 1 of such year, and at the Board's discretion may be collected on a monthly basis.

The amount of the initial annual assessment for the first year in which assessments are made or for any property which becomes subject to assessments for the first time shall be prorated on a calendar year basis according to the date on which property first became subject to assessment.

The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

Section 8. Duty of the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

Section 9. The Effect of Non-payment of Assessments; Lien of Association. If an assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $20.00 and the assessment shall bear interest at the rate of ten percent (10%) per annum for such due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such Lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Common and Green Areas, specifying and itemizing the maintenance and repair expenses of the Common Areas and Green Areas and any other expenses incurred. Such records and the vouchers authorizing the

payments shall be available on request for examination by the Owners and others with an interest such as encumbrancers or prospective lenders.

Section 12. Protection of Mortgagees. First mortgagees of Lots may pay taxes or other charges or assessments which are in default and which may become a lien against the Common or Green Areas and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Common and Green Areas and the first mortgagees making such payments shall be owed immediately reimbursement therefore from the Association.

The Board of Directors of the Association may after consideration of the current maintenance costs and the financial requirements of the Association fix the annual actual assessment at an amount less than the maximum. The amount of the initial annual assessment for the first year in which assessments are made or for any property which becomes subject to assessments for the first time shall be prorated on a calendar year basis according to the date on which property first became subject to assessment.

The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

Section 8. Duty of the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

If an Assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $20.00 and the assessment shall bear interest at the rate of ten percent (10%) per annum for each due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such Lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Common and Green Areas, specifying and itemizing the maintenance and repair expenses of the Common Areas and Green Areas and any other expenses incurred. Section 12. Protection of Mortgagees. First mortgagees of Lots may pay taxes or other charges or assessments which are in default and which may become a lien against the Common or Green Areas and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Common and Green Areas and the first mortgagees making such payments shall be owed immediately reimbursement therefore from the Association.

Section 6. Quorum for Action Authorized Under Section 4 and 5. The quorum required for any action authorized in Section 4 and 5 of this Article VI shall be as follows:

At the first meeting called, as provided in Section 4 and 5 hereof, the presence at the meeting of Members, or of proxies entitled to cast sixty percent (60%) of all votes of each class of Membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in Sections 4 and 5 and the required quorum at such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessment. The initial annual assessments shall commence on the first day of such month as

determined by the Board of Directors of the Association, shall be made for the balance of the calendar year, and shall be due and payable on the date fixed by the Board. Annual assessments for any year after the first year shall become due and payable on or before February 1 of such year, and at the Board's discretion may be collected on a monthly basis.

The amount of the initial annual assessment for the first year in which assessments are made or for any property which becomes subject to assessments for the first time shall be prorated on a calendar year basis according to the date on which property first became subject to assessment.

The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

Section 8. Duty of the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

Section 9. The Effect of Nonpayment of Assessments; Lien of Association. If an assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $20.00 and the assessment shall bear interest at the rate of ten percent (10%) per annum for each due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such Lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Common and Green Areas, specifying and itemizing the maintenance and repair expenses of the Common Areas and Green Areas and any other expenses incurred. Such records and the vouchers authorizing the

payments shall be available on request for examination by the Owners and others with an interest such as encumbrancers or prospective lenders.

Section 12. Protection of Mortgagees. First mortgagees of Lots may pay taxes or other charges or assessments which are in default and which may become a lien against the Common or Green Areas and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Common and Green Areas and the first mortgagees making such payments shall be owed immediately reimbursement therefore from the Association.

IN WITNESS WHEREOF, the undersigned being the Declarant herein has hereunto set its hand and seal as of the day and year first hereinabove set forth.

All fences on Lots shall be maintained in good repair and in a clean and attractive manner.

ARTICLE IV

MEMBERSHIP AND VOTING RIGHTS IN THE ASSOCIATION

Section 1. Membership. Every person or entity who is a record owner of a fee or undivided fee interest in any Lot which is subject by covenants of record to assessment by the Association, including contract sellers, shall be a Member of the Association. The foregoing is not intended to include persons or entities who hold an interest merely as security for the performance of obligation. Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to assessment by the Association. Ownership of such Lot shall be the sole qualification for Membership. When more than one person holds a Membership interest in any Lot, all such persons shall be Members. The vote for such Lot shall be exercised as they among themselves determine, but in no event shall more than one (1) vote be cast with respect to any Lot.

Section 2. Voting Rights. There shall be two classes of voting Membership.

A. Class A Members will be all those Members other than Southcreek, Inc. D. Should any builder own any lot which is the subject of these restrictions, that builder shall assign his voting rights to the developer. Said voting rights shall be voted as Class A Membership and not Class B Membership.

ARTICLE V

Section 1. Extent of Members' Easements. The rights and easements of enjoyment created hereby shall be subject to the following:

A. The right of the Association to limit the number of guests of Members.

A transfer of a Lot shall transfer to the transferee ownership of the transferor's beneficial interest in such personal property without any reference thereto or execution of a bill of sale. Each Owner may use such personal property in accordance with the purpose for which it is intended, without hindering or encroaching upon the lawful rights of the the other Owners. Sale of a Lot under foreclosure shall thereby entitle the purchase thereof to the beneficial interest in the personal property associated with the Lot.

ARTICLE VII

COVENANT FOR MAINTENANCE ASSESSMENT

Section 1. Creation of the Lien and Personal Obligation of Assessment. Declarant for each Lot owned by it within the Properties hereby covenants, and each Owner of any Lot by acceptance of the deed therefor, whether or not it shall be so expressed in acceptance of the deed therefor, shall be deemed to covenant and agree to pay to the Association annual assessments and special assessments for capital improvements. Such assessments shall be fixed, established and collected from time to time as hereinafter provided. The annual and special assessments, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall be a continuing lien upon the property against which each such assessment is made from the date hereinafter set forth. Each such assessment, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall also be a personal obligation of the person who is the Owner of such property at the time when the assessment fell due. Such personal obligation shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by; the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, enjoyment and welfare of the residents in the Properties and in particular for the improvements and maintenance of property, services and facilities devoted to the purpose and related to the use and enjoyment of homes situated upon the Properties and any other purpose reasonable, necessary or incidental to such purposes.

Section 3. Basis of Annual Assessment. Unless changed by vote of the Membership, as hereinafter provided, the maximum annual assessment for any Lot owned by Class A Members on which is located in a single family detached dwelling shall be $250.00 per year. The assessment for Lots owned by Class A Members shall be at such assessment ratio as shall be determined by the Board of Directors for that particular development within six (6) months after its annexation to the Properties, having in mind the additional amenities furnished to the particular Lot not otherwise available to the Members. Such assessment ratio shall not thereafter be changed by the Board of Directors without approval of sixty-six percent (66%) of the Members.

The assessments shall be based upon the cash requirements deemed to be such aggregate sums as the Board of Directors of the Association shall from time to time determine is necessary to provide for the payment of all estimated expenses growing out of or connected with the maintenance and operation of the Green Area, which sum may include, but not limited to, any special assessments on the Common or Green Areas, insurance premiums for vandalism and malicious mischief, with endorsements attached, issued in the amount of the maximum replacement value of all of the Common Area improvements; casualty and public liability and other insurance premiums; landscaping and care of grounds; streets, lighting, repairs and renovations of Common Areas and Green Areas, wages, charges for water used by the Association, grounds maintenance, any expenses of providing security and protection for the Owners, legal and accounting fees, management fees,

expenses and liabilities incurred by the Board of Directors under or by reason of this Declaration, the payment of any deficit remaining for a previous period, the creation of a reasonable contingency or other reserve or surplus funds as well as any and all other costs and expenses necessary to carry out the terms and intent of this Declaration. The Association shall maintain an adequate reserve fund out of the annual assessments rather than by period assessment for the maintenance, repair and replacement of those elements of the Common Area and Green Areas that must be replaced on a periodic basis. The Board of Directors of the Association may after consideration of the current maintenance costs and the financial requirements of the Association fix the annual actual assessment at an amount less than the maximum. Such reserve fund shall not be used to construct or establish new capital improvements without an affirmative vote of one-half of each class of Members.

Any agreement for management of the Associations's business or any other contract for services by the Declarant must provide for termination by either party without cause or payment of a termination fee on thirty (30) days or less written notice and a maximum contract term of three (3) years.

The maximum annual assessment may be changed as follows:

A. From and after January 1, 1988, the maximum annual assessment may be increased each year not more than ten percent (10%) above the maximum assessment for the previous year without a vote of the Membership.

B. From and after January 1, 1988, the maximum annual assessment may be increased above ten percent (10%) by a vote of one-half (1/2) of each class of Members who are voting in person or by proxy, at a meeting duly called for this purpose.

C. The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. Upon vote of the Members of the Association in the manner hereinafter set forth, the Association may levy in addition to annual assessments a special assessment in any calendar year applicable to that year only, for the purpose of defraying in whole or in part the costs of construction or reconstruction or expected repair or replacement of a described capital improvment upon the Common Area or Green Area, including necessary fixtures and personal property related thereto, provided that, any such assessment shall have the assent of sixty percent (60%) of the votes of each class of Members who are voting in person, or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than thirty (30) days nor more that sixty (60) days in advance of the meeting setting forth the purpose of the meeting. The assessment ratio for any Lot, as determined pursuant to Section 3, shall be applicable to special assessment.

Section 5. Voting and Notices for Special Assessment and Change of Maximum Assessment. Written notice of any meeting of Members called to change the maximum annual assessment or to levy a special assessment shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the date of such meeting, setting forth the purpose of the meeting.

Section 6. Quorum for Action Authorized Under Section 4 and 5. The quorum required for any action authorized in Section 4 and 5 of this Article VI shall be as follows:

At the first meeting called, as provided in Section 4 and 5 hereof, the presence at the meeting of Members, or of proxies entitled to cast sixty percent (60%) of all votes of each class of Membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in Sections 4 and 5 and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessment. The initial annual assessments shall commence on the first day of such month as

determined by the Board of Directors of the Association, shall be made for the balance of the calendar year, and shall be due and payable on the date fixed by the Board. Annual assessments for any year after the first year shall become due and payable on or before February 1 of such year, and at the Board's discretion may be collected on a monthly basis.

The amount of the initial annual assessment for the first year in which assessments are made or for any property which becomes subject to assessments for the first time shall be prorated on a calendar year basis according to the date on which property first became subject to assessment.

The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

Section 8. Duty of the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

Section 9. The Effect of Non-payment of Assessments; Lien of Association. If an assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $20.00 and the assessment shall bear interest at the rate of ten percent (10%) per annum for such due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on each Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such Lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Common and Green Areas, specifying and itemizing the maintenance and repair expenses of the Common Areas and Green Areas and any other expenses incurred. Such records and the vouchers authorizing the

payments shall be available on request for examination by the Owners and others with an interest such as encumbrancers or prospective lenders.

Section 12. Protection of Mortgagees. First mortgagees of Lots may pay taxes or other charges or assessments which are in default and which may become a lien against the Common or Green Areas and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Common and Green Areas and the first mortgagees making such payments shall be owed immediately reimbursement therefore from the Association.

IN WITNESS WHEREOF, the undersigned being the Declarant herein has hereunto set its hand and seal as of the day and year first hereinabove set forth.

A. Class A Members will be all those Members other than Southcreek, Inc. Class A Members shall be entitled to one vote for each Lot in which they hold the interest required for Membership by Section 1. When Class B Membership has been converted to Class A Membership, all Directors of the Association shall be elected by the Class A Members.

B. The Class B Members shall be Southcreek, Inc. or its successors or assigns. Class B Members shall be entitled to four votes for each Lot owned by the Declarant or its successors or assigns, and shall be entitled to elect all Members of the Board of Directors of the Association. Class B Membership may cease and be converted to Class A Membership at the option of the Class B Member, its successors or assigns by its written notice to the Secretary of the Association, and shall cease and be converted to Class A Membership without further act or deed when the total votes outstanding in the Class A Membership equal the total votes outstanding in the Class B Membership.

Each Owner may use such personal property in accordance with the purpose for which it is intended, without hindering or encroaching upon the lawful rights of the the other Owners. Sale of a Lot under foreclosure shall thereby entitle the purchase thereof to the beneficial interest in the personal property associated with the Lot.

Declarant for each Lot owned by it within the Properties hereby covenants, and each Owner of any Lot by acceptance of the deed therefor, whether or not it shall be so expressed in acceptance of the deed therefor, shall be deemed to covenant and agree to pay to the Association annual assessments and special assessments for capital improvements. Such assessments shall be fixed, established and collected from time to time as hereinafter provided. The annual and special assessments, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall be a continuing lien upon the property against which each such assessment is made from the date hereinafter set forth. Each such assessment, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall also be a personal obligation of the person who is the Owner of such property at the time when the assessment fell due. Such personal obligation shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by; the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, enjoyment and welfare of the residents in the Properties and in particular for the improvements and maintenance of property, services and facilities devoted to the purpose and related to the use and enjoyment of homes situated upon the Properties and any other purpose reasonable, necessary or incidental to such purposes.

Section 3. Basis of Annual Assessment. Unless changed by vote of the Membership, as hereinafter provided, the maximum annual assessment for any Lot owned by Class A Members on which is located in a single family detached dwelling shall be $150.00 per year. The assessment for Lots owned by Class A Members shall be at such assessment ratio as shall be determined by the Board of Directors for that particular development within six (6) months after its annexation to the Properties, having in mind the additional amenities furnished to the particular Lot not otherwise available to the Members. Such assessment ratio shall not thereafter be changed by the Board of Directors without approval of sixty-six percent (66%) of the Members.

The assessments shall be based upon the cash requirements deemed to be such aggregate sums as the Board of Directors of the Association shall from time to time determine is necessary to provide for the payment of all estimated expenses growing out of or connected with the maintenance and operation of the Green Area, which sum may include, but not limited to, any special assessments on the Common or Green Areas, insurance premiums for vandalism and malicious mischief, with endorsements attached, issued in the amount of the maximum replacement value of all of the Common Area improvements; casualty and public liability and other insurance premiums; landscaping and care of grounds; streets, lighting, repairs and renovations of Common Areas and Green Areas, wages, charges for water used by the Association, grounds maintenance, any expenses of providing security and protection for the Owners, legal and accounting fees, management fees,

expenses and liabilities incurred by the Board of Directors under or by reason of this Declaration, the payment of any deficit remaining for a previous period, the creation of a reasonable contingency or other reserve or surplus funds as well as any and all other costs and expenses necessary to carry out the terms and intent of this Declaration. The Association shall maintain an adequate reserve fund out of the annual assessments rather than by period assessment for the maintenance, repair and replacement of those elements of the Common Area and Green Areas that must be replaced on a periodic basis. The Board of Directors of the Association may after consideration of the current maintenance costs and the financial requirements of the Association fix the annual actual assessment at an amount less than the maximum. Such reserve fund shall not be used to construct or establish new capital improvements without an affirmative vote of one-half of each class of Members.

Any agreement for management of the Associations's business or any other contract for services by the Declarant must provide for termination by either party without cause or payment of a termination fee on thirty (30) days or less written notice and a maximum contract term of three (3) years.

The maximum annual assessment may be changed as follows:

A. From and after January 1, 1988, the maximum annual assessment may be increased each year not more than ten percent (10%) above the maximum assessment for the previous year without a vote of the Membership.

B. From and after January 1, 1988, the maximum annual assessment may be increased above ten percent (10%) by a vote of one-half (1/2) of each class of Members who are voting in person or by proxy, at a meeting duly called for this purpose.

C. The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. Upon vote of the Members of the Association in the manner hereinafter set forth, the Association may levy in addition to annual assessments a special assessment in any calendar year applicable to that year only, for the purpose of defraying in whole or in part the costs of construction or reconstruction or expected repair or replacement of a described capital improvement upon the Common Area or Green Area, including necessary fixtures and personal property related thereto, provided that, any such assessment shall have the assent of sixty percent (60%) of the votes of each class of Members who are voting in person, or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than thirty (30) days nor more that sixty (60) days in advance of the meeting setting forth the purpose of the meeting. The Assessment ratio for any Lot, as determined pursuant to Section 3, shall be applicable to special assessment.

Section 5. Voting and Notices for Special Assessment and Change of Maximum Assessment. Written notice of any meeting of Members called to change the maximum annual assessment or to levy a special assessment shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the date of such meeting, setting forth the purpose of the meeting.

Section 6. Quorum for Action Authorized Under Section 4 and 5. The quorum required for any action authorized in Section 4 and 5 of this Article VI shall be as follows:

At the first meeting called, as provided in Section 4 and 5 hereof, the presence at the meeting of Members, or of proxies entitled to cast sixty percent (60%) of all votes of each class of Membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in Sections 4 and 5 and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessment. The initial annual assessments shall commence on the first day of such month as

determined by the Board of Directors of the Association, shall be made for the balance of the calendar year, and shall be due and payable on the date fixed by the Board. Annual assessments for any year after the first year shall become due and payable on or before February 1 of such year, and at the Board's discretion may be collected on a monthly basis.

The amount of the initial annual assessment for the first year in which assessments are made or for any property which becomes subject to assessments for the first time shall be prorated on a calendar year basis according to the date on which property first became subject to assessment.

The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

Section 8. Duty of the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

Section 9. The Effect of Non-payment of Assessments; Lien of Association. If an assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $20.00 and the assessment shall bear interest at the rate of ten percent (10%) per annum for such due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such Lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Common and Green Areas, specifying and itemizing the maintenance and repair expenses of the Common Areas and Green Areas and any other expenses incurred. Such records and the vouchers authorizing the

payments shall be available on request for examination by the Owners and others with an interest such as encumbrancers or prospective lenders.

Section 12. Protection of Mortgagees. First mortgagees of Lots may pay taxes or other charges or assessments which are in default and which may become a lien against the Common or Green Areas and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Common and Green Areas and the first mortgagees making such payments shall be owed immediately reimbursement therefore from the Association.

C. The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments For Capital Improvements. Upon vote of the Members of the Association in the manner hereinafter set forth, the Association may levy in addition to annual assessments a special assessment in any calendar year applicable to that year only, for the purpose of defraying in whole or in part the costs of construction or reconstruction or expected repair or replacement of a described capital improvement upon the Common Area or Green Area, including necessary fixtures and personal property related thereto, provided that, any such assessment shall have the assent of sixty percent (60%) of the votes of each class of Members who are voting in person, or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than thirty (30) days nor more that sixty (60) days in advance of the meeting setting forth the purpose of the meeting. The assessment ratio for any Lot, as determined pursuant to Section 3, shall be applicable to special assessment.

Section 5. Voting and Notices for Special Assessment and Change of Maximum Assessment. Written notice of any meeting of Members called to change the maximum annual assessment or to levy a special assessment shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the date of such meeting, setting forth the purpose of the meeting.

Section 6. Quorum For Action Authorized Under Section 4 and 5. The quorum required for any action authorized in Section 4 and 5 of this Article VI shall be as follows:

At the first meeting called, as provided in Section 4 and 5 hereof, the presence at the meeting of Members, or of proxies entitled to cast sixty percent (60%) of all votes of each class of Membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in Sections 4 and 5 and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessment. The initial annual assessments shall commence on the first day of such month as

determined by the Board of Directors of the Association, shall be made for the balance of the calendar year, and shall be due and payable on the date fixed by the Board. Annual assessments for any year after the first year shall become due and payable on or before February 1 of such year, and at the Board's discretion may be collected on a monthly basis.

The amount of the initial annual assessment for the first year in which assessments are made or for any property which becomes subject to assessments for the first time shall be prorated on a calendar year basis according to the date on which property first became subject to assessment.

The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

Section 8. Duty of the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

Section 9. The Effect of Non-payment of Assessments; Lien of Association. If an assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $20.00 and the assessment shall bear interest at the rate of ten percent (10%) per annum for such due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such Lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Common and Green Areas, specifying and itemizing the maintenance and repair expenses of the Common Areas and Green Areas and any other expenses incurred. Such records and the vouchers authorizing the

payments shall be available on request for examination by the Owners and others with an interest such as encumbrancers or prospective lenders.

Section 12. Protection of Mortgagees. First mortgagees of Lots may pay taxes or other charges or assessments which are in default and which may become a lien against the Common or Green Areas and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Common and Green Areas and the first mortgagees making such payments shall be owed immediately reimbursement therefore from the Association.

IN WITNESS WHEREOF, the undersigned being the Declarant herein has hereunto set its hand and seal as of the day and year first hereinabove set forth.

Section 2. Method of Making Additions. Such Supplemental Declaration may contain such additions and modifications of the covenants and restrictions contained in this Declaration as may be necessary to reflect the different character of the added properties in the sole discretion of Declarant. In no event, however, shall such Supplemental Declaration revoke, modify or add to the covenants established by this Declaration with respect to the Properties subject to this Declaration just prior to such Supplemental Declaration being filed for record.

Section 3. Additions by Others. So long as Declarant is a Class B Member, additions may be made by any other owner of property who with the approval of the Board of Directors of the Association desires to add such property located within the boundaries described in Section 1 of this Article II to the scheme of this Declaration and to subject it to the jurisdiction of the Association. When Declarant ceases to be a Class B Member, such additions may be made upon approval of the Association pursuant to a vote of its Members, as provided in its Articles of Incorporation. Such approval by the Board of Directors of Membership shall be evidenced by a certified copy of such resolution of approval recorded in Tarrant County, Texas.

ARTICLE III

ADDITIONAL RESTRICTIONS

Section 1. Keeping of Vehicles on Property. The keeping of mobil homes, with or without wheels, on any lot is expressly prohibited. Motor boats, house boats and similar water borne vehicles or travel trailers may be maintained, stored or kept on any lot provided the same are housed completely within a structure or enclosure which has been approved architecturally by the Architectural Control Committee. All vehicles belonging to occupants must be parked overnight in the occupant's driveway or in the above mentioned enclosure. In no case may the occupant's vehicles be parked overnight on the streets of the subdivision or within the improved yard of the occupant.

Section 2. Yard Care. As soon as the growing season reasonably permits, the grounds around all living units shall be seeded, sodded or otherwise planted by the Owner thereof with grass or other ground cover or plantings and maintained in a clean and attractive manner free of dust and weeds. All fences on Lots shall be maintained in good repair and in a clean and attractive manner.

ARTICLE IV

MEMBERSHIP AND VOTING RIGHTS IN THE ASSOCIATION

Section 1. Membership. Every person or entity who is a record owner of a fee or undivided fee interest in any Lot which is subject by covenants of record to assessment by the Association, including contract sellers, shall be a Member of the Association. The foregoing is not intended to include persons or entities who hold an interest merely as security for the performance of obligation. Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to assessment by the Association. Ownership of such Lot shall be the sole qualification for Membership. When more than one person holds a Membership interest in any Lot, all such persons shall be Members. The vote for such Lot shall be exercised as they among themselves determine, but in no event shall more than one (1) vote be cast with respect to any Lot.

Section 2. Voting Rights. There shall be two classes of voting Membership.

A. Class A Members will be all those Members other than Southcreek, Inc. Class A Members shall be entitled to one vote for each Lot in which they hold the interest required for Membership by Section 1. When Class B Membership has been converted to Class A Membership, all Directors of the Association shall be elected by the Class A Members.

B. The Class B Members shall be Southcreek, Inc. or its successors or assigns. Class B Members shall be entitled to four votes for each Lot owned by the Declarant or its successors or assigns, and shall be entitled to elect all Members of the Board of Directors of the Association. Class B Membership may cease and be converted to Class A Membership at the option of the Class B Member, its successors or assigns by its written notice to the Secretary of the Association, and shall cease and be converted to Class A Membership without further act or deed when the total votes outstanding in the Class A Membership equal the total votes outstanding in the Class B Membership.

C. As long as a Class B Membership exists, Associate Memberships in the Association will not be established by the Board of Directors of the Association without an affirmative vote of a majority of the Class A Members of the Association.

D. Should any builder own any lot which is the subject of these restrictions, that builder shall assign his voting rights to the developer. Said voting rights shall be voted as Class A Membership and not Class B Membership.

ARTICLE V

ADMINISTRATION AND MANAGEMENT

The administration of the Properties shall be governed by these covenants, the Articles of Incorporation, By-Laws, and published rules and regulations of the Association. As shown and reserved to Declarant in the Articles of Incorporation and By-Laws for the Association, the designation and appointment of the Board of Directors for the Association may, at Declarant's option, be exercised solely by the Declarant until the Class B Membership terminates.

ARTICLE VI

PROPERTY RIGHTS IN THE COMMON PROPERTIES

Section 1. Extent of Members' Easements. The rights and easements of enjoyment created hereby shall be subject to the following:

A. The right of the Association to limit the number of guests of Members.

B. The rights of the Declarant and of the Association, in accordance with its Articles and By-Laws, to borrow money for the purpose of improving the Green Area and with written consent of the Members entitled to vote seventy-five percent (75%) the votes of each class of Membership to mortgage said Common Areas and Green Areas as security for any such loan.

C. The right of the Association to promulgate and publish rules and regulations which each Member shall strictly comply with.

Section 2. Personal Property for Common Use. The Association may acquire and hold for the use and benefit of all Members of the Association, tangible and intangible personal property and may dispose of the same by sale or otherwise, and the beneficial interest in any such property shall be owned by the Members of the Association and their interest therein shall not be transferable except that the interest of a Member who is an Owner shall be deemed to be transferred upon the transfer of the Member's Lot. A transfer of a Lot shall transfer to the transferee ownership of the transferor's beneficial interest in such personal property without any reference thereto or execution of a bill of sale. Each Owner may use such personal property in accordance with the purpose for which it is intended, without hindering or encroaching upon the lawful rights of the the other Owners. Sale of a Lot under foreclosure shall thereby entitle the purchase thereof to the beneficial interest in the personal property associated with the Lot.

ARTICLE VII

COVENANT FOR MAINTENANCE ASSESSMENT

Section 1. Creation of the Lien and Personal Obligation of Assessment. Declarant for each Lot owned by it within the Properties hereby covenants, and each Owner of any lot by acceptance of the deed therefor, whether or not it shall be so expressed in acceptance of the deed therefor, shall be deemed to covenant and agree to pay to the Association annual assessments and special assessments for capital improvements. Such assessments shall be fixed, established and collected from time to time as hereinafter provided. The annual and special assessments, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall be a continuing lien upon the property against which each such assessment is made from the date hereinafter set forth. Each such assessment, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall also be a personal obligation of the person who is the Owner of such property at the time when the assessment fell due. Such personal obligation shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, enjoyment and welfare of the residents in the Properties and in particular for the improvements and maintenance of property, services and facilities devoted to the purpose and related to the use and enjoyment of homes situated upon the Properties and any other purpose reasonable, necessary or incidental to such purposes.

Section 3. Basis of Annual Assessment. Unless changed by vote of the Membership, as hereinafter provided, the maximum annual assessment for any Lot owned by Class A Members on which is located in a single family detached dwelling shall be $250.00 per year. The assessment for Lots owned by Class A Members shall be at such assessment ratio as shall be determined by the Board of Directors for that particular development within six (6) months after its annexation to the Properties, having in mind the additional amenities furnished to the particular Lot not otherwise available to the Members. Such assessment ratio shall not thereafter be changed by the Board of Directors without approval of sixty-six percent (66%) of the Members.

The assessments shall be based upon the cash requirements deemed to be such aggregate sums as the Board of Directors of the Association shall from time to time determine is necessary to provide for the payment of all estimated expenses growing out of or connected with the maintenance and operation of the Green Area, which sum may include, but not limited to, any special assessments on the Common or Green Areas, insurance premiums for vandalism and malicious mischief, with endorsements attached, issued in the amount of the maximum replacement value of all of the Common Area improvements; casualty and public liability and other insurance premiums; landscaping and care of grounds; streets, lighting, repairs and renovations of Common Areas and Green Areas, wages, charges for water used by the Association, grounds maintenance, any expenses of providing security and protection for the Owners, legal and accounting fees, management fees,

expenses and liabilities incurred by the Board of Directors under or by reason of this Declaration, the payment of any deficit remaining for a previous period, the creation of a reasonable contingency or other reserve or surplus funds as well as any and all other costs and expenses necessary to carry out the terms and intent of this Declaration. The Association shall maintain an adequate reserve fund out of the annual assessments rather than by period assessment for the maintenance, repair and replacement of those elements of the Common Area and Green Areas that must be replaced on a periodic basis. The Board of Directors of the Association may after consideration of the current maintenance costs and the financial requirements of the Association fix the annual actual assessment at an amount less than the maximum. Such reserve fund shall not be used to construct or establish new capital improvements without an affirmative vote of one-half of each class of Members.

Any agreement for management of the Associations's business or any other contract for services by the Declarant must provide for termination by either party without cause or payment of a termination fee on thirty (30) days or less written notice and a maximum contract term of three (3) years.

The maximum annual assessment may be changed as follows:

A. From and after January 1, 1988, the maximum annual assessment may be increased each year not more than ten percent (10%) above the maximum assessment for the previous year without a vote of the Membership.

B. From and after January 1, 1988, the maximum annual assessment may be increased above ten percent (10%) by a vote of one-half (1/2) of each class of Members who are voting in person or by proxy, at a meeting duly called for this purpose.

C. The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. Upon vote of the Members of the Association in the manner hereinafter set forth, the Association may levy in addition to annual assessments a special assessment in any calendar year applicable to that year only, for the purpose of defraying in whole or in part the costs of construction or reconstruction or expected repair or replacement of a described capital improvement upon the Common Area or Green Area, including necessary fixtures and personal property related thereto, provided that, any such assessment shall have the assent of sixty percent (60%) of the votes of each class of Members who are voting in person, or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than thirty (30) days nor more that sixty (60) days in advance of the meeting setting forth the purpose of the meeting. The assessment ratio for any Lot, as determined pursuant to Section 3, shall be applicable to special assessment.

Section 5. Voting and Notices for Special Assessment and Change of Maximum Assessment. Written notice of any meeting of Members called to change the maximum annual assessment or to levy a special assessment shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the date of such meeting, setting forth the purpose of the meeting.

Section 6. Quorum for Action Authorized Under Section 4 and 5. The quorum required for any action authorized in Section 4 and 5 of this Article VI shall be as follows:

At the first meeting called, as provided in Section 4 and 5 hereof, the presence at the meeting of Members, or of proxies entitled to cast sixty percent (60%) of all votes of each class of Membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in Sections 4 and 5 and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessment. The initial annual assessments shall commence on the first day of such month as

determined by the Board of Directors of the Association, shall be made for the balance of the calendar year, and shall be due and payable on the date fixed by the Board. Annual assessments for any year after the first year shall become due and payable on or before February 1 of such year, and at the Board's discretion may be collected on a monthly basis.

The amount of the initial annual assessment for the first year in which assessments are made or for any property which becomes subject to assessments for the first time shall be prorated on a calendar year basis according to the date on which property first became subject to assessment.

The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

Section 8. Duty of the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

Section 9. The Effect of Non-payment of Assessments; Lien of Association. If an assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $20.00 and the assessment shall bear interest at the rate of ten percent (10%) per annum for such due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such Lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Common and Green Areas, specifying and itemizing the maintenance and repair expenses of the Common Areas and Green Areas and any other expenses incurred. Such records and the vouchers authorizing the

payments shall be available on request for examination by the Owners and others with an interest such as encumbrancers or prospective lenders.

Section 12. Protection of Mortgagees. First mortgagees of Lots may pay taxes or other charges or assessments which are in default and which may become a lien against the Common or Green Areas and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Common and Green Areas and the first mortgagees making such payments shall be owed immediately reimbursement therefore from the Association.

IN WITNESS WHEREOF, the undersigned being the Declarant herein has hereunto set its hand and seal as of the day and year first hereinabove set forth.

II. ADDITIONAL RESTRICTIONS

A. Owners hereby ratify and confirm the existing Restrictive Covenants previously filed and hereby impress the following restrictions upon their Lot in addition to the Restrictive Covenants already filed:

1. Keeping of Vehicles on Property. The keeping of mobile homes, with or without wheels, on the Lot is expressly prohibited. Motor boats, house boats, and similar water-borne vehicles or travel trailers may be maintained, stored, or kept on the Lot provided the same are housed completely within a structure or enclosure which has been approved architecturally by the Architectural Control Committee. All vehicles belonging to Owners, or guests of Owners, must be parked overnight in the Owners' driveway or in the above-mentioned enclosure. In no case may the vehicles of the Owners, or guests of the Owners, be parked overnight on the streets of the subdivision or within the improved yard of the Owners.

All fences on Lots shall be maintained in good repair and in a clean and attractive manner.

B. These Restrictive Covenants shall constitute covenants running with the land, and shall be binding on all persons claiming any interest in the Lot until January 1, 2014. On that date, these covenants shall be automatically extended for successive periods of ten (10) years, unless a majority of the owners of the lots effected by the Restrictive Covenants agree to change any Restrictive Covenants.

A. Owners personally covenant and agree to pay to the Association such annual and special assessments as fixed and established by the Board of Directors, in accordance with the Bylaws, to be used exclusively for the purpose of

promoting the recreation, health, safety, enjoyment, and welfare of the owners of the lots in the Village of Woodland Hills, and for the improvement and maintenance of the Common Areas.

B. The maximum annual assessment for the calendar year 1987 shall be $250.00. C. In addition to Owners' personal obligation to pay assessments, Owners hereby grant to the Association a continuing lien upon their Lot to secure payment of all assessments on their Lot, including interest, costs, and reasonable attorney's fees. The amount of the initial annual assessment for the first year in which assessments are made or for any property which becomes subject to assessments for the first time shall be prorated on a calendar year basis according to the date on which property first became subject to assessment.

The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

Section 8. Duty of the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

Section 9. The Effect of Non-payment of Assessments; Lien of Association. If an assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $20.00 and the assessment shall bear interest at the rate of ten percent (10%) per annum for such due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such Lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Common and Green Areas, specifying and itemizing the maintenance and repair expenses of the Common Areas and Green Areas and any other expenses incurred. Such records and the vouchers authorizing the

payments shall be available on request for examination by the Owners and others with an interest such as encumbrancers or prospective lenders.

Section 12. Protection of Mortgagees. First mortgagees of Lots may pay taxes or other charges or assessments which are in default and which may become a lien against the Common or Green Areas and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Common and Green Areas and the first mortgagees making such payments shall be owed immediately reimbursement therefore from the Association.

C. The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. Upon vote of the Members of the Association in the manner hereinafter set forth, the Association may levy in addition to annual assessments a special assessment in any calendar year applicable to that year only, for the purpose of defraying in whole or in part the costs of construction or reconstruction or expected repair or replacement of a described capital improvement upon the Common Area or Green Area, including necessary fixtures and personal property related thereto, provided that, any such assessment shall have the assent of sixty percent (60%) of the votes of each class of Members who are voting in person, or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than thirty (30) days nor more that sixty (60) days in advance of the meeting setting forth the purpose of the meeting. The assessment ratio for any Lot, as determined pursuant to Section 3, shall be applicable to special assessment.

Section 5. Voting and Notices for Special Assessment and Change of Maximum Assessment. Written notice of any meeting of Members called to change the maximum annual assessment or to levy a special assessment shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the date of such meeting, setting forth the purpose of the meeting.

Section 6. Quorum for Action Authorized Under Section 4 and 5. The quorum required for any action authorized in Section 4 and 5 of this Article VI shall be as follows:

At the first meeting called, as provided in Section 4 and 5 hereof, the presence at the meeting of Members, or of proxies entitled to cast sixty percent (60%) of all votes of each class of Membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in Sections 4 and 5 and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessment. The initial annual assessments shall commence on the first day of such month as

determined by the Board of Directors of the Association, shall be made for the balance of the calendar year, and shall be due and payable on the date fixed by the Board. Annual assessments for any year after the first year shall become due and payable on or before February 1 of such year, and at the Board's discretion may be collected on a monthly basis.

The amount of the initial annual assessment for the first year in which assessments are made or for any property which becomes subject to assessments for the first time shall be prorated on a calendar year basis according to the date on which property first became subject to assessment.

The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

Section 8. Duty of the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

Section 9. The Effect of Non-payment of Assessments; Lien of Association. If an assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $20.00 and the assessment shall bear interest at the rate of ten percent (10%) per annum for such due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such Lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Common and Green Areas, specifying and itemizing the maintenance and repair expenses of the Common Areas and Green Areas and any other expenses incurred. Such records and the vouchers authorizing the

payments shall be available on request for examination by the Owners and others with an interest such as encumbrancers or prospective lenders.

Section 12. Protection of Mortgagees. First mortgagees of Lots may pay taxes or other charges or assessments which are in default and which may become a lien against the Common or Green Areas and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Common and Green Areas and the first mortgagees making such payments shall be owed immediately reimbursement therefore from the Association.

Declarant for each Lot owned by it within the Properties hereby covenants, and each Owner of any Lot by acceptance of the deed therefor, whether or not it shall be so expressed in acceptance of the deed therefor, shall be deemed to covenant and agree to pay to the Association annual assessments and special assessments for capital improvements. Such assessments shall be fixed, established and collected from time to time as hereinafter provided. The annual and special assessments, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall be a continuing lien upon the property against which each such assessment is made from the date hereinafter set forth. Each such assessment, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall also be a personal obligation of the person who is the Owner of such property at the time when the assessment fell due. Such personal obligation shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by; the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, enjoyment and welfare of the residents in the Properties and in particular for the improvements and maintenance of property, services and facilities devoted to the purpose and related to the use and enjoyment of homes situated upon the Properties and any other purpose reasonable, necessary or incidental to such purposes.

The Association shall maintain an adequate reserve fund out of the annual assessments rather than by period assessment for the maintenance, repair and replacement of those elements of the Common Area and Green Areas that must be replaced on a periodic basis. The Board of Directors of the Association may after consideration of the current maintenance costs and the financial requirements of the Association fix the annual actual assessment at an amount less than the maximum. Such reserve fund shall not be used to construct or establish new capital improvements without an affirmative vote of one-half of each class of Members.

Any agreement for management of the Associations's business or any other contract for services by the Declarant must provide for termination by either party without cause or payment of a termination fee on thirty (30) days or less written notice and a maximum contract term of three (3) years.

The maximum annual assessment may be changed as follows:

A. From and after January 1, 1988, the maximum annual assessment may be increased each year not more than ten percent (10%) above the maximum assessment for the previous year without a vote of the Membership.

B. From and after January 1, 1988, the maximum annual assessment may be increased above ten percent (10%) by a vote of one-half (1/2) of each class of Members who are voting in person or by proxy, at a meeting duly called for this purpose.

C. The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. Section 5. Voting and Notices for Special Assessment and Change of Maximum Assessment. Written notice of any meeting of Members called to change the maximum annual assessment or to levy a special assessment shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the date of such meeting, setting forth the purpose of the meeting.

Section 6. Quorum for Action Authorized Under Section 4 and 5. The quorum required for any action authorized in Section 4 and 5 of this Article VI shall be as follows:

At the first meeting called, as provided in Section 4 and 5 hereof, the presence at the meeting of Members, or of proxies entitled to cast sixty percent (60%) of all votes of each class of Membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in Sections 4 and 5 and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessment. The initial annual assessments shall commence on the first day of such month as

VOL. 8838 PG. 721

determined by the Board of Directors of the Association, shall be made for the balance of the calendar year, and shall be due and payable on the date fixed by the Board. Annual assessments for any year after the first year shall become due and payable on or before February 1 of such year, and at the Board's discretion may be collected on a monthly basis.

The amount of the initial annual assessment for the first year in which assessments are made or for any property which becomes subject to assessments for the first time shall be prorated on a calendar year basis according to the date on which property first became subject to assessment.

The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

Section 8. Duty of the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

Section 9. The Effect of Non-payment of Assessments; Lien of Association. If an assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $20.00 and the assessment shall bear interest at the rate of ten percent (10%) per annum for such due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such Lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Common and Green Areas, specifying and itemizing the maintenance and repair expenses of the Common Areas and Green Areas and any other expenses incurred. Section 12. Protection of Mortgagees. First mortgagees of Lots may pay taxes or other charges or assessments which are in default and which may become a lien against the Common or Green Areas and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Common and Green Areas and the first mortgagees making such payments shall be owed immediately reimbursement therefore from the Association.

Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to assessment by the Association. Ownership of such Lot shall be the sole qualification for Membership. When more than one person holds a Membership interest in any Lot, all such persons shall be Members. Class B Membership may cease and be converted to Class A Membership at the option of the Class B Member, its successors or assigns by its written notice to the Secretary of the Association, and shall cease and be converted to Class A Membership without further act or deed when the total votes outstanding in the Class A Membership equal the total votes outstanding in the Class B Membership.

C. As long as a Class B Membership exists, Associate Memberships in the Association will not be established by the Board of Directors of the Association without an affirmative vote of a majority of the Class A Members of the Association.

D. Should any builder own any lot which is the subject of these restrictions, that builder shall assign his voting rights to the developer. Said voting rights shall be voted as Class A Membership and not Class B Membership.

ARTICLE V

ADMINISTRATION AND MANAGEMENT

The administration of the Properties shall be governed by these covenants, the Articles of Incorporation, By-Laws, and published rules and regulations of the Association. As shown and reserved to Declarant in the Articles of Incorporation and By-Laws for the Association, the designation and appointment of the Board of Directors for the Association may, at Declarant's option, be exercised solely by the Declarant until the Class B Membership terminates.

A transfer of a Lot shall transfer to the transferee ownership of the transferor's beneficial interest in such personal property without any reference thereto or execution of a bill of sale. Each Owner may use such personal property in accordance with the purpose for which it is intended, without hindering or encroaching upon the lawful rights of the the other Owners. Sale of a Lot under foreclosure shall thereby entitle the purchaser thereof to the beneficial interest in the personal property associated with the Lot.

ARTICLE VII

COVENANT FOR MAINTENANCE ASSESSMENT

Section 1. Creation of the Lien and Personal Obligation of Assessment. Declarant for each Lot owned by it within the Properties hereby covenants, and each Owner of any Lot by acceptance of the deed therefor, whether or not it shall be so expressed in acceptance of the deed therefor, shall be deemed to covenant and agree to pay to the Association annual assessments and special assessments for capital improvements. Such assessments shall be fixed, established and collected from time to time as hereinafter provided. The annual and special assessments, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall be a continuing lien upon the property against which each such assessment is made from the date hereinafter set forth. Each such assessment, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall also be a personal obligation of the person who is the Owner of such property at the time when the assessment fell due. Such personal obligation shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, enjoyment and welfare of the residents in the Properties and in particular for the improvements and maintenance of property, services and facilities devoted to the purpose and related to the use and enjoyment of homes situated upon the Properties and any other purpose reasonable, necessary or incidental to such purposes.

Section 3. Basis of Annual Assessment. Unless changed by vote of the Membership, as hereinafter provided, the maximum annual assessment for any Lot owned by Class A Members on which is located in a single family detached dwelling shall be $250.00 per year. The assessment for Lots owned by Class A Members shall be at such assessment ratio as shall be determined by the Board of Directors for that particular development within six (6) months after its annexation to the Properties, having in mind the additional amenities furnished to the particular Lot not otherwise available to the Members. Such assessment ratio shall not thereafter be changed by the Board of Directors without approval of sixty-six percent (66%) of the Members.

The assessments shall be based upon the cash requirements deemed to be such aggregate sums as the Board of Directors of the Association shall from time to time determine is necessary to provide for the payment of all estimated expenses growing out of or connected with the maintenance and operation of the Green Area, which sum may include, but not limited to, any special assessments on the Common or Green Areas, insurance premiums for vandalism and malicious mischief, with endorsements attached, issued in the amount of the maximum replacement value of all of the Common Area improvements; casualty and public liability and other insurance premiums; landscaping and care of grounds; streets, lighting, repairs and renovations of Common Areas and Green Areas, wages, charges for water used by the Association, grounds maintenance, any expenses of providing security and protection for the Owners, legal and accounting fees, management fees,

expenses and liabilities incurred by the Board of Directors under or by reason of this Declaration, the payment of any deficit remaining for a previous period, the creation of a reasonable contingency or other reserve or surplus funds as well as any and all other costs and expenses necessary to carry out the terms and intent of this Declaration. The Association shall maintain an adequate reserve fund out of the annual assessments rather than by period assessment for the maintenance, repair and replacement of those elements of the Common Area and Green Areas that must be replaced on a periodic basis. The Board of Directors of the Association may after consideration of the current maintenance costs and the financial requirements of the Association fix the annual actual assessment at an amount less than the maximum. Such reserve fund shall not be used to construct or establish new capital improvements without an affirmative vote of one-half of each class of Members.

Any agreement for management of the Associations's business or any other contract for services by the Declarant must provide for termination by either party without cause or payment of a termination fee on thirty (30) days or less written notice and a maximum contract term of three (3) years.

The maximum annual assessment may be changed as follows:

A. From and after January 1, 1988, the maximum annual assessment may be increased each year not more than ten percent (10%) above the maximum assessment for the previous year without a vote of the Membership.

B. From and after January 1, 1988, the maximum annual assessment may be increased above ten percent (10%) by a vote of one-half (1/2) of each class of Members who are voting in person or by proxy, at a meeting duly called for this purpose.

C. The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. Upon vote of the Members of the Association in the manner hereinafter set forth, the Association may levy in addition to annual assessments a special assessment in any calendar year applicable to that year only, for the purpose of defraying in whole or in part the costs of construction or reconstruction or expected repair or replacement of a described capital improvement upon the Common Area or Green Area, including necessary fixtures and personal property related thereto, provided that, any such assessment shall have the assent of sixty percent (60%) of the votes of each class of Members who are voting in person, or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting setting forth the purpose of the meeting. The assessment ratio for any Lot, as determined pursuant to Section 3, shall be applicable to special assessment.

Section 5. Voting and Notices for Special Assessment and Change of Maximum Assessment. Written notice of any meeting of Members called to change the maximum annual assessment or to levy a special assessment shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the date of such meeting, setting forth the purpose of the meeting.

Section 6. Quorum for Action Authorized Under Section 4 and 5. The quorum required for any action authorized in Section 4 and 5 of this Article VI shall be as follows:

At the first meeting called, as provided in Section 4 and 5 hereof, the presence at the meeting of Members, or of proxies entitled to cast sixty percent (60%) of all votes of each class of Membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in Sections 4 and 5 and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessment. The initial annual assessments shall commence on the first day of such month as

determined by the Board of Directors of the Association, shall be made for the balance of the calendar year, and shall be due and payable on the date fixed by the Board. Annual assessments for any year after the first year shall become due and payable on or before February 1 of such year, and at the Board's discretion may be collected on a monthly basis.

The amount of the initial annual assessment for the first year in which assessments are made or for any property which becomes subject to assessments for the first time shall be prorated on a calendar year basis according to the date on which property first become subject to assessment.

The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

Section 8. Duty of the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

Section 9. The Effect of Non-payment of Assessments; Lien of Association. If an assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $20.00 and the assessment shall bear interest at the rate of ten percent (10%) per annum for such due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Common and Green Areas, specifying and itemizing the maintenance and repair expenses of the Common Areas and Green Areas and any other expenses incurred. Such records and the vouchers authorizing the

payments shall be available on request for examination by the Owners and others with an interest such as encumbrancees or prospective lenders.

Section 12. Protection of Mortgagees. First mortgagees of lots may pay taxes or other charges or assessments which are in default and which may become a lien against the Common or Green Areas and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Common and Green Areas and the first mortgagees making such payments shall be owed immediately reimbursement therefore from the Association.

IN WITNESS WHEREOF, the undersigned being the Declarant herein has hereunto set its hand and seal as of the day and year first hereinabove set forth.

Declarant for each Lot owned by it within the Properties hereby covenants, and each Owner of any Lot by acceptance of the deed therefor, whether or not it shall be so expressed in acceptance of the deed therefor, shall be deemed to covenant and agree to pay to the Association annual assessments and special assessments for capital improvements. Written notice of any meeting of Members called to change the maximum annual assessment or to levy a special assessment shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the date of such meeting, setting forth the purpose of the meeting.

Section 6. Quorum for Action Authorized Under Section 4 and 5. The quorum required for any action authorized in Section 4 and 5 of this Article VI shall be as follows:

At the first meeting called, as provided in Section 4 and 5 hereof, the presence at the meeting of Members, or of proxies entitled to cast sixty percent (60%) of all votes of each class of Membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in Sections 4 and 5 and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessment. The initial annual assessments shall commence on the first day of such month as

determined by the Board of Directors of the Association, shall be made for the balance of the calendar year, and shall be due and payable on the date fixed by the Board. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such Lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Common and Green Areas, specifying and itemizing the maintenance and repair expenses of the Common Areas and Green Areas and any other expenses incurred. Such records and the vouchers authorizing the

payments shall be available on request for examination by the Owners and others with an interest such as encumbrancers or prospective lenders.

Section 12. Protection of Mortgagees. First mortgagees of Lots may pay taxes or other charges or assessments which are in default and which may become a lien against the Common or Green Areas and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Common and Green Areas and the first mortgagees making such payments shall be owed immediately reimbursement therefore from the Association.

IN WITNESS WHEREOF, the undersigned being the Declarant herein has hereunto set its hand and seal as of the day and year first hereinabove set forth.

ARTICLE IV

MEMBERSHIP AND VOTING RIGHTS IN THE ASSOCIATION

Section 1. Membership. Every person or entity who is a record owner of a fee or undivided fee interest in any Lot which is subject by covenants of record to assessment by the Association, including contract sellers, shall be a Member of the Association. The foregoing is not intended to include persons or entities who hold an interest merely as security for the performance of obligation. Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to assessment by the Association. Ownership of such Lot shall be the sole qualification for Membership. When more than one person holds a Membership interest in any Lot, all such persons shall be Members. The vote for such Lot shall be exercised as they among themselves determine, but in no event shall more than one (1) vote be cast with respect to any Lot.

Section 2. Voting Rights. There shall be two classes of voting Membership.

A. Class A Members will be all those Members other than Southcreek, Inc. D. Should any builder own any lot which is the subject of these restrictions, that builder shall assign his voting rights to the developer. Said voting rights shall be voted as Class A Membership and not Class B Membership.

ARTICLE V

Each Owner may use such personal property in accordance with the purpose for which it is intended, without hindering or encroaching upon the lawful rights of the the other Owners. Sale of a Lot under foreclosure shall thereby entitle the purchase thereof to the beneficial interest in the personal property associated with the Lot.

ARTICLE VII

COVENANT FOR MAINTENANCE ASSESSMENT

Section 1. Creation of the Lien and Personal Obligation of Assessment. Declarant for each Lot owned by it within the Properties hereby covenants, and each Owner of any Lot by acceptance of the deed therefor, whether or not it shall be so expressed in acceptance of the deed therefor, shall be deemed to covenant and agree to pay to the Association annual assessments and special assessments for capital improvements. Such assessments shall be fixed, established and collected from time to time as hereinafter provided. The annual and special assessments, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall be a continuing lien upon the property against which each such assessment is made from the date hereinafter set forth. Each such assessment, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall also be a personal obligation of the person who is the Owner of such property at the time when the assessment fell due. Such personal obligation shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by; the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, enjoyment and welfare of the residents in the Properties and in particular for the improvements and maintenance of property, services and facilities devoted to the purpose and related to the use and enjoyment of homes situated upon the Properties and any other purpose reasonable, necessary or incidental to such purposes.

Section 3. Basis of Annual Assessment. Unless changed by vote of the Membership, as hereinafter provided, the maximum annual assessment for any Lot owned by Class A Members on which is located in a single family detached dwelling shall be $250.00 per year. The assessment for Lots owned by Class A Members shall be at such assessment ratio as shall be determined by the Board of Directors for that particular development within six (6) months after its annexation to the Properties, having in mind the additional amenities furnished to the particular Lot not otherwise available to the Members. Such assessment ratio shall not thereafter be changed by the Board of Directors without approval of sixty-six percent (66%) of the Members.

The assessments shall be based upon the cash requirements deemed to be such aggregate sums as the Board of Directors of the Association shall from time to time determine is necessary to provide for the payment of all estimated expenses growing out of or connected with the maintenance and operation of the Green Area, which sum may include, but not limited to, any special assessments on the Common or Green Areas, insurance premiums for vandalism and malicious mischief, with endorsements attached, issued in the amount of the maximum replacement value of all of the Common Area improvements; casualty and public liability and other insurance premiums; landscaping and care of grounds; streets, lighting, repairs and renovations of Common Areas and Green Areas, wages, charges for water used by the Association, grounds maintenance, any expenses of providing security and protection for the Owners, legal and accounting fees, management fees,

expenses and liabilities incurred by the Board of Directors under or by reason of this Declaration, the payment of any deficit remaining for a previous period, the creation of a reasonable contingency or other reserve or surplus funds as well as any and all other costs and expenses necessary to carry out the terms and intent of this Declaration. The Association shall maintain an adequate reserve fund out of the annual assessments rather than by period assessment for the maintenance, repair and replacement of those elements of the Common Area and Green Areas that must be replaced on a periodic basis. The Board of Directors of the Association may after consideration of the current maintenance costs and the financial requirements of the Association fix the Annual actual assessment at an amount less than the maximum. Such reserve fund shall not be used to construct or establish new capital improvements without an affirmative vote of one-half of each class of Members.

Any agreement for management of the Associations's business or any other contract for services by the Declarant must provide for termination by either party without cause or payment of a termination fee on thirty (30) days or less written notice and a maximum contract term of three (3) years.

The maximum annual assessment may be changed as follows:

A. From and after January 1, 1988, the maximum annual assessment may be increased each year not more than ten percent (10%) above the maximum assessment for the previous year without a vote of the Membership.

B. From and after January 1, 1988, the maximum annual assessment may be increased above ten percent (10%) by a vote of one-half (1/2) of each class of Members who are voting in person or by proxy, at a meeting duly called for this purpose.

C. The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. Upon vote of the Members of the Association in the manner hereinafter set forth, the Association may levy in addition to Annual assessments a special assessment in any calendar year applicable to that year only, for the purpose of defraying in whole or in part the costs of construction or reconstruction or expected repair or replacement of a described capital improvement upon the Common Area or Green Area, including necessary fixtures and personal property related thereto, provided that, any such assessment shall have the assent of sixty percent (60%) of the votes of each class of Members who are voting in person, or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than thirty (30) days nor more that sixty (60) days in advance of the meeting setting forth the purpose of the meeting. The assessment ratio for any Lot, as determined pursuant to Section 3, shall be applicable to special assessment.

Section 5. Voting and Notices for Special Assessment and Change of Maximum Assessment. Written notice of any meeting of Members called to change the maximum annual assessment or to levy a special assessment shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the date of such meeting, setting forth the purpose of the meeting.

Section 6. Quorum for Action Authorized Under Section 4 and 5. The quorum required for any action authorized in Section 4 and 5 of this Article VI shall be as follows:

At the first meeting called, as provided in Section 4 and 5 hereof, the presence at the meeting of Members, or of proxies entitled to cast sixty percent (60%) of all votes of each class of Membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in Sections 4 and 5 and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessment. The initial annual assessments shall commence on the first day of such month as

determined by the Board of Directors of the Association, shall be made for the balance of the calendar year, and shall be due and payable on the date fixed by the Board. Annual assessments for any year after the first year shall become due and payable on or before February 1 of such year, and at the Board's discretion may be collected on a monthly basis.

The amount of the initial annual assessment for the first year in which assessments are made or for any property which becomes subject to assessments for the first time shall be prorated on a calendar year basis according to the date on which property first became subject to assessment.

The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

Section 8. Duty of the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

Section 9. The Effect of Non-payment of Assessments; Lien of Association. If an assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $20.00 and the assessment shall bear interest at the rate of ten percent (10%) per annum for such due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such Lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Common and Green Areas, specifying and itemizing the maintenance and repair expenses of the Common Areas and Green Areas and any other expenses incurred. Such records and the vouchers authorizing the

payments shall be available on request for examination by the Owners and others with an interest such as encumbrancers or prospective lenders.

Section 12. Protection of Mortgagees. First mortgagees of Lots may pay taxes or other charges or assessments which are in default and which may become a lien against the Common or Green Areas and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Common and Green Areas and the first mortgagees making such payments shall be owed immediately reimbursement therefore from the Association.

IN WITNESS WHEREOF, the undersigned being the Declarant herein has hereunto set its hand and seal as of the day and year first hereinabove set forth.

The Association may acquire and hold for the use and benefit of all Members of the Association, tangible and intangible personal property and may dispose of the same by sale or otherwise, and the beneficial interest in any such property shall be owned by the Members of the Association and their interest therein shall not be transferable except that the interest of a Member who is an Owner shall be deemed to be transferred upon the transfer of the Member's Lot. ARTICLE VII

COVENANT FOR MAINTENANCE ASSESSMENT

Section 1. Creation of the Lien and Personal Obligation of Assessment. Declarant for each Lot owned by it within the Properties hereby covenants, and each Owner of any Lot by acceptance of the deed therefor, whether or not it shall be so expressed in acceptance of the deed therefor, shall be deemed to covenant and agree to pay to the Association annual assessments and special assessments for capital improvements. Such assessments shall be fixed, established and collected from time to time as hereinafter provided. The annual and special assessments, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall be a continuing lien upon the property against which each such assessment is made from the date hereinafter set forth. Each such assessment, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall also be a personal obligation of the person who is the Owner of such property at the time when the assessment fell due. Such personal obligation shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, enjoyment and welfare of the residents in the Properties and in particular for the improvements and maintenance of property, services and facilities devoted to the purpose and related to the use and enjoyment of homes situated upon the Properties and any other purpose reasonable, necessary or incidental to such purposes.

Section 3. Basis of Annual Assessment. Unless changed by vote of the Membership, as hereinafter provided, the maximum annual assessment for any Lot owned by Class A Members on which is located in a single family detached dwelling shall be $250.00 per year. The assessment for Lots owned by Class A Members shall be at such assessment ratio as shall be determined by the Board of Directors for that particular development within six (6) months after its annexation to the Properties, having in mind the additional amenities furnished to the particular Lot not otherwise available to the Members. Such assessment ratio shall not thereafter be changed by the Board of Directors without approval of sixty-six percent (66%) of the Members.

The assessments shall be based upon the cash requirements deemed to be such aggregate sums as the Board of Directors of the Association shall from time to time determine is necessary to provide for the payment of all estimated expenses growing out of or connected with the maintenance and operation of the Green Area, which sum may include, but not limited to, any special assessments on the Common or Green Areas, insurance premiums for vandalism and malicious mischief, with endorsements attached, issued in the amount of the maximum replacement value of all of the Common Area improvements; casualty and public liability and other insurance premiums; landscaping and care of grounds; streets, lighting, repairs and renovations of Common Areas and Green Areas, wages, charges for water used by the Association, grounds maintenance, any expenses of providing security and protection for the Owners, legal and accounting fees, management fees,

expenses and liabilities incurred by the Board of Directors under or by reason of this Declaration, the payment of any deficit remaining for a previous period, the creation of a reasonable contingency or other reserve or surplus funds as well as any and all other costs and expenses necessary to carry out the terms and intent of this Declaration. The Association shall maintain an adequate reserve fund out of the annual assessments rather than by period assessment for the maintenance, repair and replacement of those elements of the Common Area and Green Areas that must be replaced on a periodic basis. The Board of Directors of the Association may after consideration of the current maintenance costs and the financial requirements of the Association fix the annual actual assessment at an amount less than the maximum. Such reserve fund shall not be used to construct or establish new capital improvements without an affirmative vote of one-half of each class of Members.

Any agreement for management of the Associations's business or any other contract for services by the Declarant must provide for termination by either party without cause or payment of a termination fee on thirty (30) days or less written notice and a maximum contract term of three (3) years.

The maximum annual assessment may be changed as follows:

A. From and after January 1, 1988, the maximum annual assessment may be increased each year not more than ten percent (10%) above the maximum assessment for the previous year without a vote of the Membership.

B. From and after January 1, 1988, the maximum annual assessment may be increased above ten percent (10%) by a vote of one-half (1/2) of each class of Members who are voting in person or by proxy, at a meeting duly called for this purpose.

C. The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. Upon vote of the Members of the Association in the manner hereinafter set forth, the Association may levy in addition to annual assessments a special assessment in any calendar year applicable to that year only, for the purpose of defraying in whole or in part the costs of construction or reconstruction or expected repair or replacement of a described capital improvement upon the Common Area or Green Area, including necessary fixtures and personal property related thereto, provided that, any such assessment shall have the assent of sixty percent (60%) of the votes of each class of Members who are voting in person, or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than thirty (30) days nor more that sixty (60) days in advance of the meeting setting forth the purpose of the meeting. The assessment ratio for any Lot, as determined pursuant to Section 3, shall be applicable to special assessment.

Section 5. Voting and Notices for Special Assessment and Change of Maximum Assessment. Written notice of any meeting of Members called to change the maximum annual assessment or to levy a special assessment shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the date of such meeting, setting forth the purpose of the meeting.

Section 6. Quorum for Action Authorized Under Section 4 and 5. The quorum required for any action authorized in Section 4 and 5 of this Article VI shall be as follows:

At the first meeting called, as provided in Section 4 and 5 hereof, the presence at the meeting of Members, or of proxies entitled to cast sixty percent (60%) of all votes of each class of Membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in Sections 4 and 5 and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessment. The initial annual assessments shall commence on the first day of such month as

determined by the Board of Directors of the Association, shall be made for the balance of the calendar year, and shall be due and payable on the date fixed by the Board. Annual assessments for any year after the first year shall become due and payable on or before February 1 of such year, and at the Board's discretion may be collected on a monthly basis.

The amount of the initial annual assessment for the first year in which assessments are made or for any property which becomes subject to assessments for the first time shall be prorated on a calendar year basis according to the date on which property first become subject to assessment.

The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

Section 8. Duty of the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

Section 9. The Effect of Non-payment of Assessments; Lien of Association. If an assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $20.00 and the assessment shall bear interest at the rate of ten percent (10%) per annum for such due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such Lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Common and Green Areas, specifying and itemizing the maintenance and repair expenses of the Common Areas and Green Areas and any other expenses incurred. Such records and the vouchers authorizing the

payments shall be available on request for examination by the Owners and others with an interest such as encumbrancers or prospective lenders.

Section 12. Protection of Mortgagees. First mortgagees of Lots may pay taxes or other charges or assessments which are in default and which may become a lien against the Common or Green Areas and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Common and Green Areas and the first mortgagees making such payments shall be owed immediately reimbursement therefore from the Association.

Such Supplemental Declaration may contain such additions and modifications of the covenants and restrictions contained in this Declaration as may be necessary to reflect the different character of the added properties in the sole discretion of Declarant. In no event, however, shall such Supplemental Declaration revoke, modify or add to the covenants established by this Declaration with respect to the Properties subject to this Declaration just prior to such Supplemental Declaration being filed for record.

Section 3. Additions by Others. So long as Declarant is a Class B Member, additions may be made by any other owner of property who with the approval of the Board of Directors of the Association desires to add such property located within the boundaries described in Section 1 of this Article II to the scheme of this Declaration and to subject it to the jurisdiction of the Association. Section 2. Yard Care. As soon as the growing season reasonably permits, the grounds around all living units shall be seeded, sodded or otherwise planted by the Owner thereof with grass or other ground cover or plantings and maintained in a clean and attractive manner free of dust and weeds. All fences on lots shall be maintained in good repair and in a clean and attractive manner.

ARTICLE IV

MEMBERSHIP AND VOTING RIGHTS IN THE ASSOCIATION

Section 1. Membership. Every person or entity who is a record owner of a fee or undivided fee interest in any Lot which is subject by covenants of record to assessment by the Association, including contract sellers, shall be a Member of the Association. The foregoing is not intended to include persons or entities who hold an interest merely as security for the performance of obligation. Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to assessment by the Association. Ownership of such Lot shall be the sole qualification for Membership. When more than one person holds a membership interest in any Lot, all such persons shall be Members. The vote for such Lot shall be exercised as they among themselves determine, but in no event shall more than one (1) vote be cast with respect to any Lot.

Section 2. Voting Rights. There shall be two classes of voting Membership.

A. Class A Members will be all those Members other than Southcreek, Inc. Class A Members shall be entitled to one vote for each Lot in which they hold the interest required for Membership by Section 1. When Class B Membership has been converted to Class A Membership, all Directors of the Association shall be elected by the Class A Members.

B. The Class B Members shall be Southcreek, Inc. or its successors or assigns. Class B Members shall be entitled to four votes for each Lot owned by the Declarant or its successors or assigns, and shall be entitled to elect all Members of the Board of Directors of the Association. Class B Membership may cease and be converted to Class A Membership at the option of the Class B Member, its successors or assigns by its written notice to the Secretary of the Association, and shall cease and be converted to Class A Membership without further act or deed when the total votes outstanding in the Class A Membership equal the total votes outstanding in the Class B Membership.

C. As long as a Class B Membership exists, Associate Memberships in the Association will not be established by the Board of Directors of the Association without an affirmative vote of a majority of the Class A Members of the Association.

D. Should any builder own any lot which is the subject of these restrictions, that builder shall assign his voting rights to the developer. Said voting rights shall be voted as Class A Membership and not Class B Membership.

ARTICLE V

ADMINISTRATION AND MANAGEMENT

The administration of the Properties shall be governed by these covenants, the Articles of Incorporation, By-Laws, and published rules and regulations of the Association. As shown and reserved to Declarant in the Articles of Incorporation and By-Laws for the Association, the designation and appointment of the Board of Directors for the Association may, at Declarant's option, be exercised solely by the Declarant until the Class B Membership terminates.

ARTICLE VI

PROPERTY RIGHTS IN THE COMMON PROPERTIES

Section 1. Extent of Members' Easements. The rights and easements of enjoyment created hereby shall be subject to the following:

A. The right of the Association to limit the number of guests of Members.

B. The rights of the Declarant and of the Association, in accordance with its Articles and By-Laws, to borrow money for the purpose of improving the Green Area and with written consent of the Members entitled to vote seventy-five percent (75%) the votes of each class of Membership to mortgage said Common Areas and Green Areas as security for any such loan.

C. The right of the Association to promulgate and publish rules and regulations which each member shall strictly comply with.

Section 1. Personal Property for Common Use. The Association may acquire and hold for the use and benefit of all Members of the Association, tangible and intangible personal property and may dispose of the same by sale or otherwise, and the beneficial interest in any such property shall be owned by the Members of the Association and their interest therein shall not be transferable except that the interest of a Member who is an Owner shall be deemed to be transferred upon the transfer of the member's Lot. A transfer of a Lot shall transfer to the transferee ownership of the transferor's beneficial interest in such personal property without any reference thereto or execution of a bill of sale. Each Owner may use such personal property in accordance with the purpose for which it is intended, without hindering or encroaching upon the lawful rights of the the other Owners. Sale of a Lot under foreclosure shall thereby entitle the purchaser thereof to the beneficial interest in the personal property associated with the Lot.

ARTICLE VII

COVENANT FOR MAINTENANCE ASSESSMENT

Section 1. Creation of the Lien and Personal Obligation of Assessment. Declarant for each Lot owned by it within the Properties hereby covenants, and each Owner of any Lot by acceptance of the deed therefor, whether or not it shall be so expressed in acceptance of the deed therefor, shall be deemed to covenant and agree to pay to the Association annual assessments and special assessments for capital improvements. Such assessments shall be fixed, established and collected from time to time as hereinafter provided. The annual and special assessments, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall be a continuing lien upon the property against which each such assessment is made from the date hereinafter set forth. Each such assessment, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall also be a personal obligation of the person who is the Owner of such property at the time when the assessment fell due. Such personal obligation shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, enjoyment and welfare of the residents in the Properties and in particular for the improvements and maintenance of property, services and facilities devoted to the purpose and related to the use and enjoyment of homes situated upon the Properties and any other purpose reasonable, necessary or incidental to such purposes.

Section 3. Basis of Annual Assessment. Unless changed by vote of the Membership, as hereinafter provided, the maximum annual assessment for any Lot owned by Class A Members on which is located a single family detached dwelling shall be $150.00 per year. The assessment for Lots owned by Class A Members shall be at such assessment ratio as shall be determined by the Board of Directors for that particular development within six (6) months after its association to the Properties, having in mind the additional amenities furnished to the particular Lot not otherwise available to the Members. Such assessment ratio shall not thereafter be changed by the Board of Directors without approval of sixty-six percent (66%) of the Members.

The assessments shall be based upon the cash requirements deemed to be such aggregate sums as the Board of Directors of the Association shall from time to time determine to be necessary to provide for the payment of all estimated expenses growing out of or connected with the maintenance and operation of the Green Area, which sum may include, but not limited to, any special assessments on the Common or Green Areas, insurance premiums for vandalism and malicious mischief, with endorsements attached, issued in the amount of the maximum replacement value of all of the Common Area improvements; casualty and public liability and other insurance premiums; landscaping and care of grounds; streets, lighting, repairs and renovations of Common Areas and Green Areas; wages, charges for water used by the Association, grounds maintenance, any expense of providing security and protection for the Owners, legal and accounting fees, management fees,

expenses and liabilities incurred by the Board of Directors under or by reason of this Declaration, the payment of any deficit remaining from a previous period, the creation of a reasonable contingency or other reserve or surplus funds as well as any and all other costs and expenses necessary to carry out the terms and intent of this Declaration. The Association shall maintain an adequate reserve fund out of the annual assessments either then by period assessment for the maintenance, repair and replacement of those elements of the Common Area and Green Areas that must be replaced on a periodic basis. The Board of Directors of the Association may after consideration of the current maintenance costs and the financial requirements of the Association fix the annual actual assessment at an amount less than the maximum. Such reserve fund shall not be used to construct or establish new capital improvements without an affirmative vote of one-half of each class of Members.

Any agreement for management of the Association's business or any other contract for services by the Declarant must provide for termination by either party without cause or payment of a termination fee on thirty (30) days or less written notice and a maximum contract term of three (3) years.

The maximum annual assessment may be changed as follows:

A. From and after January 1, 1988, the maximum annual assessment may be increased each year not more than ten percent (10%) above the maximum assessment for the previous year without a vote of the Membership.

B. From and after January 1, 1988, the maximum annual assessment may be increased above ten percent (10%) by a vote of one-half (1/2) of each class of Members who are voting in person or by proxy, at a meeting duly called for this purpose.

C. The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. Upon vote of the Members of the Association in the manner hereinafter set forth, the Association may levy in addition to annual assessments a special assessment in any calendar year applicable to that year only, for the purpose of defraying in whole or in part the costs of construction or reconstruction of unexpected repair or replacement of a described capital improvement upon the Common Area or Green Area, including necessary fixtures and personal property related thereto, provided that, any such assessment shall have the assent of sixty percent (60%) of the votes of each class of Members who are voting in person, or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting setting forth the purpose of the meeting. The assessment rate for any lot, as determined pursuant to Section 3, shall be applicable to special assessment.

Section 5. Notice and Notices for Special Assessment and Change of Maximum Assessment. Written notice of any meeting of Members called to change the maximum annual assessment or to levy a special assessment shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the date of such meeting, setting forth the purpose of the meeting.

Section 6. Quorum for Action Authorized Under Section 4 and 5. The quorum required for any action authorized in Section 4 and 5 of this Article VI shall be as follows:

At the first meeting called, as provided in Section 4 and 5 hereof, the presence at the meeting of Members, or of proxies entitled to cast sixty percent (60%) of all votes of each class of Membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in Sections 4 and 5 and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessments. The initial annual assessments shall commence on the first day of such month as

determined by the Board of Directors of the Association, shall be made for the balance of the calendar year, and shall be due and payable on the date fixed by the Board. Annual assessments for any year after the first year shall become due and payable on or before February 1 of such year, and at the Board's discretion may be collected on a monthly basis.

The amount of the initial annual assessment for the first year in which assessments are made or for any property which becomes subject to assessments for the first time shall be prorated on a calendar year basis according to the date on which property first became subject to assessment.

The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

Section 8. Duty of the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

Section 9. The Effect of Nonpayment of Assessments; Lien of Association. If an assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $20.00 and the assessment shall bear interest at the rate of ten percent (10%) per annum for such due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by nonuse of the Common Areas or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such Lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Common and Green Areas, specifying and itemizing the maintenance and repair expenses of the Common Areas and Green Areas and any other expenses incurred. Such records and the vouchers authorizing the

payments shall be available on request for examination by the Owners and others with an interest such as encumbrances or prospective lenders.

Section 12. Protection of Mortgagees. First mortgagees of Lots may pay taxes or other charges or assessments which are in default and which may become a lien against the Common or Green Areas and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Common and Green Areas and the first mortgagees making such payments shall be owed immediately reimbursement therefore from the Association.

IN WITNESS WHEREOF, the undersigned being the Declarant herein has hereunto set its hand and seal as of the day and year first hereinabove set forth.

Declarant for each Lot owned by it within the Properties hereby covenants, and each Owner of any Lot by acceptance of the deed therefor, whether or not it shall be so expressed in acceptance of the deed thereto, shall be deemed to covenant and agree to pay to the Association annual assessments and special assessments for capital improvements. Such personal obligation shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, enjoyment and welfare of the residents in the Properties and in particular for the improvements and maintenance of property, services and facilities devoted to the purpose and related to the use and enjoyment of homes situated upon the Properties and any other purpose reasonable, necessary or incidental to such purposes.

Unless changed by vote of the Membership, as hereinafter provided, the maximum annual assessment for any Lot owned by Class A Members on which is located in a single family detached dwelling shall be $250.00 per year. The assessment for Lots owned by Class A Members shall be at such assessment ratio as shall be determined by the Board of Directors for that particular development within six (6) months after its annexation to the Properties, having in mind the additional amenities furnished to the particular Lot not otherwise available to the Members. Such assessment ratio shall not thereafter be changed by the Board of Directors without approval of sixty-six percent (66%) of the Members.

The assessments shall be based upon the cash requirements deemed to be such aggregate sums as the Board of Directors of the Association shall from time to time determine is necessary to provide for the payment of all estimated expenses growing out of or connected with the maintenance and operation of the Green Area, which sum may include, but not limited to, any special assessments on the Common or Green Areas, insurance premiums for vandalism and malicious mischief, with endorsements attached, issued in the amount of the maximum replacement value of all of the Common Area improvements; casualty and public liability and other insurance premiums; landscaping and care of grounds; streets, lighting, repairs and renovations of Common Areas and Green Areas, wages, charges for water used by the Association, grounds maintenance, any expenses of providing security and protection for the Owners, legal and accounting fees, management fees,

expenses and liabilities incurred by the Board of Directors under or by reason of this Declaration, the payment of any deficit remaining for a previous period, the creation of a reasonable contingency or other reserve or surplus funds as well as any and all other costs and expenses necessary to carry out the terms and intent of this Declaration. The Association shall maintain an adequate reserve fund out of the annual assessments rather than by period assessment for the maintenance, repair and replacement of those elements of the Common Area and Green Areas that must be replaced on a periodic basis. The Board of Directors of the Association may after consideration of the current maintenance costs and the financial requirements of the Association fix the annual actual assessment at an amount less than the maximum. Such reserve fund shall not be used to construct or establish new capital improvements without an affirmative vote of one-half of each class of Members.

Any agreement for management of the Associations's business or any other contract for services by the Declarant must provide for termination by either party without cause or payment of a termination fee on thirty (30) days or less written notice and a maximum contract term of three (3) years.

The maximum annual assessment may be changed as follows:

A. From and after January 1, 1988, the maximum annual assessment may be increased each year not more than ten percent (10%) above the maximum assessment for the previous year without a vote of the Membership.

B. From and after January 1, 1988, the maximum annual assessment may be increased above ten percent (10%) by a vote of one-half (1/2) of each class of Members who are voting in person or by proxy, at a meeting duly called for this purpose.

C. The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. Upon vote of the Members of the Association in the manner hereinafter set forth, the Association may levy in addition to annual assessments a special assessment in any calendar year applicable to that year only, for the purpose of defraying in whole or in part the costs of construction or reconstruction or expected repair or replacement of a described capital improvement upon the Common Area or Green Area, including necessary fixtures and personal property related thereto, provided that, any such assessment shall have the assent of sixty percent (60%) of the votes of each class of Members who are voting in person, or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than thirty (30) days nor more that sixty (60) days in advance of the meeting setting forth the purpose of the meeting. The assessment ratio for any Lot, as determined pursuant to Section 3, shall be applicable to special assessment.

Section 5. Voting and Notices for Special Assessment and Change of Maximum Assessment. Written notice of any meeting of Members called to change the maximum annual assessment or to levy a special assessment shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the date of such meeting, setting forth the purpose of the meeting.

Section 6. Quorum for Action Authorized Under Section 4 and 5. The quorum required for any action authorized in Section 4 and 5 of this Article VI shall be as follows:

At the first meeting called, as provided in Section 4 and 5 hereof, the presence at the meeting of Members, or of proxies entitled to cast sixty percent (60%) of all votes of each class of Membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in Sections 4 and 5 and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessment. The initial annual assessments shall commence on the first day of such month as

determined by the Board of Directors of the Association, shall be made for the balance of the calendar year, and shall be due and payable on the date fixed by the Board. Annual assessments for any year after the first year shall become due and payable on or before February 1 of such year, and at the Board's discretion may be collected on a monthly basis.

The amount of the initial annual assessment for the first year in which assessments are made or for any property which becomes subject to assessments for the first time shall be prorated on a calendar year basis according to the date on which property first became subject to assessment.

The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

Section 8. Duty of the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

Section 9. The Effect of Non-payment of Assessments; Lien of Association. If an assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $20.00 and the assessment shall bear interest at the rate of ten percent (10%) per annum for such due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such Lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Common and Green Areas, specifying and itemizing the maintenance and repair expenses of the Common Areas and Green Areas and any other expenses incurred. Such records and the vouchers authorizing the

payments shall be available on request for examination by the Owners and others with an interest such as encumbrancers or prospective lenders.

Section 12. Protection of Mortgagees. First mortgagees of Lots may pay taxes or other charges or assessments which are in default and which may become a lien against the Common or Green Areas and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Common and Green Areas and the first mortgagees making such payments shall be owed immediately reimbursement therefore from the Association.

IN WITNESS WHEREOF, the undersigned being the Declarant herein has hereunto set its hand and seal as of the day and year first hereinabove set forth.

All fences on Lots shall be maintained in good repair and in a clean and attractive manner.

ARTICLE IV

MEMBERSHIP AND VOTING RIGHTS IN THE ASSOCIATION

R 865961201

Section 1. Membership. Every person or entity who is a record owner of a fee or undivided fee interest in any Lot which is subject by covenants of record to assessment by the Association, including contract sellers, shall be a Member of the Association. The foregoing is not intended to include persons or entities who hold an interest merely as security for the performance of obligation. Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to assessment by the Association. Ownership of such Lot shall be the sole qualification for Membership. When more than one person holds a Membership interest in any Lot, all such persons shall be Members. The vote for such Lot shall be exercised as they among themselves determine, but in no event shall more than one (1) vote be cast with respect to any Lot.

Section 2. Voting Rights. There shall be two classes of voting Membership.

A. Class A Members will be all those Members other than Southcreek, Inc. Class A Members shall be entitled to one vote for each Lot in which they hold the interest required for Membership by Section 1. When Class B Membership has been converted to Class A Membership, all Directors of the Association shall be elected by the Class A Members.

B. The Class B Members shall be Southcreek, Inc. or its successors or assigns. Class B Members shall be entitled to four votes for each Lot owned by the Declarant or its successors or assigns, and shall be entitled to elect all Members of the Board of Directors of the Association. Class B Membership may cease and be converted to Class A Membership at the option of the Class B Member, its successors or assigns by its written notice to the Secretary of the Association, and shall cease and be converted to Class A Membership without further act or deed when the total votes outstanding in the Class A Membership equal the total votes outstanding in the Class B Membership.

C. As long as a Class B Membership exists, Associate Memberships in the Association will not be established by the Board of Directors of the Association without an affirmative vote of a majority of the Class A Members of the Association.

D. Should any builder own any lot which is the subject of these restrictions, that builder shall assign his voting rights to the Developer. Said voting rights shall be voted as Class A Membership and not Class B Membership.

ARTICLE V

ADMINISTRATION AND MANAGEMENT

The administration of the Properties shall be governed by these covenants, the Articles of Incorporation, By-Laws, and published rules and regulations of the Association. As shown and reserved to Declarant in the Articles of Incorporation and By-Laws for the Association, the designation and appointment of the Board of Directors for the Association may, at Declarant's option, be exercised solely by the Declarant until the Class B Membership terminates.

ARTICLE VI

PROPERTY RIGHTS IN THE COMMON PROPERTIES

Section 1. Extent of Members' Easements. The rights and easements of enjoyment created hereby shall be subject to the following:

A. The right of the Association to limit the number of guests of Members.

B. The rights of the Declarant and of the Association, in accordance with its Articles and By-Laws, to borrow money for the purpose of improving the Green Area and with written consent of the Members entitled to vote seventy-five percent (75%) the votes of each class of Membership to mortgage said Common Areas and Green Areas as security for any such loan.

M 86586120

c. The right of the Association to promulgate and publish rules and regulations which each Member shall strictly comply with.

Section 5. Personal Property for Common Use. The Association may acquire and hold for the use and benefit of all Members of the Association, tangible and intangible personal property and may dispose of the same by sale or otherwise, and the beneficial interest in any such property shall be owned by the Members of the Association and their interest therein shall not be transferable except that the interest of a Member who is an Owner shall be deemed to be transferred upon the transfer of the Member's Lot. A transfer of a Lot shall transfer to the transferee ownership of the transferor's beneficial interest in such personal property without any reference thereto or execution of a bill of sale. Each Owner may use such personal property in accordance with the purpose for which it is intended, without hindering or encroaching upon the lawful rights of the the other Owners. Sale of a Lot under foreclosure shall thereby entitle the purchase thereof to the beneficial interest in the personal property associated with the Lot.

ARTICLE VII

COVENANT FOR MAINTENANCE ASSESSMENT

Section 1. Creation of the Lien and Personal Obligation of Assessment. Declarant for each Lot owned by it within the Properties hereby covenants, and each Owner of any Lot by acceptance of the deed therefor, whether or not it shall be so expressed in acceptance of the deed therefor, shall be deemed to covenant and agree to pay to the Association annual assessments and special assessments for capital improvements. Such assessments shall be fixed, established and collected from time to time as hereinafter provided. The annual and special assessments, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall be a continuing lien upon the property against which each such assessment is made from the date hereinafter set forth. Each such assessment, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall also be a personal obligation of the person who is the Owner of such property at the time when the assessment fell due. Such personal obligation shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, enjoyment and welfare of the residents in the Properties and in particular for the improvements and maintenance of property, services and facilities devoted to the purpose and related to the use and enjoyment of homes situated upon the Properties and any other purpose reasonable, necessary or incidental to such purposes.

Section 3. Basis of Annual Assessment. Unless changed by vote of the Membership, as hereinafter provided, the maximum annual Assessment for any Lot owned by Class A Members on which is located a single family detached dwelling shall be $250.00 per year. The Assessment for Lots owned by Class A Members shall be at such assessment ratio as shall be determined by the Board of Directors for that particular development within six (6) months after its Annexation to the Properties, having in mind the additional amenities furnished to the particular Lot and otherwise available to the Members. Such assessment ratio shall not thereafter be changed by the Board of Directors without approval of sixty-six percent (66%) of the Members.

The assessments shall be based upon the cash requirements deemed to be such aggregate sums as the Board of Directors of the Association shall from time to time determine is necessary to provide for the payment of all estimated expenses growing out of or connected with the maintenance and operation of the Green Area, which sum may include, but not limited to, any special assessments on the Common or Green Areas, insurance premiums for vandalism and malicious mischief, with endorsements attached, issued in the amount of the maximum replacement value of all of the Common Area improvements; casualty and public liability and other insurance premiums; landscaping and care of grounds; streets, lighting, repairs and renovations of Common Areas and Green Areas, wages, charges for water used by the Association, grounds maintenance, any expenses of providing security and protection for the Owners, legal and accounting fees, management fees,

M 8659:1203

expenses and liabilities incurred by the Board of Directors under or by reason of this Declaration, the payment of any deficit remaining for a previous period, the creation of a reasonable contingency or other reserve or surplus funds as well as any and all other costs and expenses necessary to carry out the terms and intent of this Declaration. The Association shall maintain an adequate reserve fund out of the annual assessments rather than by period assessment for the maintenance, repair and replacement of those elements of the Common Area and Green Areas that must be replaced on a periodic basis. The Board of Directors of the Association may after consideration of the current maintenance costs and the financial requirements of the Association fix the annual actual assessment at an amount less than the maximum. Such reserve fund shall not be used to construct or establish new capital improvements without an affirmative vote of one-half of each class of Members.

Any agreement for management of the Associations's business or any other contract for services by the Declarant must provide for termination by either party without cause or payment of a termination fee on thirty (30) days or less written notice and a maximum contract term of three (3) years.

The maximum annual assessment may be changed as follows.

A. From and after January 1, 1983, the maximum annual assessment may be increased each year not more than ten percent (10%) above the maximum assessment for the previous year without a vote of the Membership.

B. From and after January 1, 1983, the maximum annual assessment may be increased above ten percent (10%) by a vote of onehalf (1/2) of each class of Members who are voting in person or by proxy, at a meeting duly called for this purpose.

C. The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. Upon vote of the Members of the Association in the manner hereinafter set forth, the Association may levy in addition to annual assessments a special assessment in any calendar year applicable to that year only, for the purpose of defraying in whole or in part the costs of construction or reconstruction or expected repair or replacement of a described capital improvement upon the Common Area or Green Area, including necessary fixtures and personal property related thereto, provided that, any such assessment shall have the assent of sixty percent (60%) of the votes of each class of Members who are voting in person, or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting setting forth the purpose of the meeting. The assessment ratio for any Lot, as determined pursuant to Section 3, shall be applicable to special assessment.

Section 5. Voting and Notices for Special Assessment and Change of Maximum Assessment. Written notice of any meeting of Members called to change the maximum annual assessment or to levy a special assessment shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the date of such meeting, setting forth the purpose of the meeting.

Section 6. Quorum for Action Authorized Under Section 4 and 5. The quorum required for any action authorized in Section 4 and 5 of this Article VI shall be as follows:

At the first meeting called, as provided in Section 4 and 5 hereof, the presence at the meeting of Members, or of proxies entitled to cast sixty percent (60%) of all votes of each class of Membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in Sections 4 and 5 and the required quorum at any such subsequent meeting shall be onehalf of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessment. The initial annual assessments shall commence on the first day of such month as

11 8659P1204

determined by the Board of Directors of the Association, shall be made for the balance of the calendar year, and shall be due and payable on the date fixed by the Board. Annual assessments for any year after the first year shall become due and payable on or before February 1 of such year, and at the Board's discretion may be collected on a monthly basis.

The amount of the initial annual assessment for the first year in which assessments are made or for any property which becomes subject to assessments for the first time shall be prorated on a calendar year basis according to the date on which property first became subject to assessment.

The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

Section 8 Duty of the Board of Directors. The Board of Directors shall fix the amount of the Annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

Section 9. The Effect of Non-payment of Assessments; Lien of Association. If an Assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $20.00 and the assessment shall bear interest at the rate of ten percent (10%) per annum for such due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by nonuse of the Common Areas or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such Lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Common and Green Areas, specifying and itemizing the maintenance and repair expenses of the Common Areas and Green Areas and any other expenses incurred. Such records and the vouchers authorizing the

11 8659E1205

payments shall be available on request for examination by the Owners and others with an interest such as encumbrancers or prospective lenders.

Section 12. Protection of Mortgagees. First mortgagees of Lots may pay taxes or other charges or assessments which are in default and which may become a lien against the Common or Green Areas and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Common and Green Areas and the first mortgagees making such payments shall be owed immediately reimbursement therefore from the Association.

IN WITNESS WHEREOF, the undersigned being the Declarant herein has hereunto set its hand and seal as of the day and year first hereinabove set forth.

SUBJECTING ADDITIONAL PROPERTY TO THIS DECLARATION

Section 1. Additions to the Properties. At any time before December 31, 1988, Declarant, its successors and assigns, in future stages of development, shall have the right to annex to and bring within the scheme of this Declaration additional properties which are located within the Villages of Woodland Hills.

Section 2. Method of Making Additions. Additions authorized under this Article shall be made by filing for record a Supplemental Declaration of covenants and restrictions with respect to the additional property. Such Supplemental Declaration may contain such additions and modifications of the covenants and restrictions contained in this Declaration as may be necessary to reflect the different character of the added properties in the sole discretion of Declarant. In no event, however, shall such Supplemental Declaration revoke, modify or add to the covenants established by this Declaration with respect to the Properties subject to this Declaration just prior to such Supplemental Declaration being filed for record.

Section 3. Additions by Others. So long as Declarant is a Class B Member, additions may be made by any other owner of property who with the approval of the Board of Directors of the Association desires to add such property located within the boundaries described in Section 1 of this Article II to the scheme of this Declaration and to subject it to the jurisdiction of the Association. When Declarant ceases to be a Class B Member, such additions may be made upon approval of the Association pursuant to a vote of its members, as provided in its Articles of Incorporation. Such approval by the Board of Directors of Membership shall be evidenced by a certified copy of such resolution of approval recorded in Tarrant County, Texas.

ARTICLE III

ADDITIONAL RESTRICTIONS

Section 1. Keeping of Vehicles on Property. The keeping of mobil homes, with or without wheels, on any lot is expressly prohibited. Motor boats, house boats and similar water borne vehicles or travel trailers may be maintained, stored or kept on any lot provided the same are housed completely within a structure or enclosure which has been approved architecturally by the Architectural Control Committee. All vehicles belonging to occupants must be parked overnight in the occupant's driveway or in the above mentioned enclosure. In no case may the occupant's vehicles be parked overnight on the streets of the subdivision or within the improved yard of the occupant.

Section 2. Yard Care. As soon as the growing season reasonably permits, the grounds around all living units shall be seeded, sodded or otherwise planted by the Owner thereof with grass or other ground cover or plantings and maintained in a clean and attractive manner free of dust and weeds. All fences on Lots shall be maintained in good repair and in a clean and attractive manner.

ARTICLE IV

MEMBERSHIP AND VOTING RIGHTS IN THE ASSOCIATION

H 86091059

Section 1. Membership. Every person or entity who is a record owner of a fee or undivided fee interest in any Lot which is subject by covenants of record to assessment by the Association, including contract sellers, shall be a Member of the Association. The foregoing is not intended to include persons or entities who hold an interest merely as security for the performance of obligation. Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to assessment by the Association. Ownership of such Lot shall be the sole qualification for Membership. When more than one person holds a Membership interest in any Lot, all such persons shall be Members. The vote for such Lot shall be exercised as they among themselves determine, but in no event shall more than one (1) vote be cast with respect to any Lot.

Section 2. Voting Rights. There shall be two classes of voting Membership.

A. Class A Members will be all those Members other than Southcreek, Inc. Class A Members shall be entitled to one vote for each Lot in which they hold the interest required for Membership by Section 1. When Class B Membership has been converted to Class A Membership, all Directors of the Association shall be elected by the Class A Members.

B. The Class B Members shall be Southcreek, Inc. or its successors or assigns. Class B Members shall be entitled to four votes for each Lot owned by the Declarant or its successors or assigns, and shall be entitled to elect all Members of the Board of Directors of the Association. Class B Membership may cease and be converted to Class A Membership at the option of the Class B Member, its successors or assigns by its written notice to the Secretary of the Association, and shall cease and be converted to Class A Membership without further act or deed when the total votes outstanding in the Class A Membership equal the total votes outstanding in the Class B Membership.

C. As long as a Class B Membership exists, associate Memberships in the Association will not be established by the Board of Directors of the Association without an affirmative vote of a majority of the Class A Members of the Association.

D. Should any Builder own any lot which is the subject of these restrictions, that builder shall assign his voting rights to the developer. Said voting rights shall be voted as Class A Membership and not Class B Membership.

ARTICLE V

ADMINISTRATION AND MANAGEMENT

The administration of the Properties shall be governed by these covenants, the Articles of Incorporation, By-Laws, and published rules and regulations of the Association. As shown and reserved to Declarant in the Articles of Incorporation and By-Laws for the Association, the designation and appointment of the Board of Directors for the Association may, at Declarant's option, be exercised solely by the Declarant until the Class B Membership terminates.

ARTICLE VI

PROPERTY RIGHTS IN THE COMMON PROPERTIES

Section 1. Extent of Members' Easements. The rights and easements of enjoyment created hereby shall be subject to the following:

A. The right of the Association to limit the number of guests of Members.

B. The rights of the Declarant and of the Association, in accordance with its Articles and By-Laws, to borrow money for the purpose of improving the Green Area and with written consent of the Members entitled to vote seventy-five percent (75%) the votes of each class of Membership to mortgage said Common Areas and Green Areas as security for any such loan.

8659:1030

C. The right of the Association to promulgate and publish rules and regulations which each Member shall strictly comply with.

Section 2. Personal Property for Common Use. The Association may acquire and hold for the use and benefit of all Members of the Association, tangible and intangible personal property and may dispose of the same by sale or otherwise, and the beneficial interest in any such property shall be owned by the Members of the Association and their interest therein shall not be transferable except that the interest of a Member who is an Owner shall be deemed to be transferred upon the transfer of the Member's Lot. A transfer of a Lot shall transfer to the transferee ownership of the transferor's beneficial interest in such personal property without any reference thereto or execution of a bill of sale. Each Owner may use such personal property in accordance with the purpose for which it is intended, without hindering or encroaching upon the lawful rights of the other Owners. Sale of a Lot under foreclosure shall thereby entitle the purchaser thereof to the beneficial interest in the personal property associated with the Lot.

ARTICLE VII

COVENANT FOR MAINTENANCE ASSESSMENT

Section 1. Creation of the Lien and Personal Obligation of Assessment. Declarant for each Lot owned by it within the Properties hereby covenants, and each Owner of any Lot by acceptance of the deed therefor, whether or not it shall be so expressed in acceptance of the deed therefor, shall be deemed to covenant and agree to pay to the Association Annual assessments and special assessments for capital improvements. Such assessments shall be fixed, established and collected from time to time as hereinafter provided. The annual and special assessments, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall be a continuing lien upon the property against which each such assessment is made from the date hereinafter set forth. Each such assessment, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall also be a personal obligation of the person who is the Owner of such property at the time when the assessment fell due. Such personal obligation shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, enjoyment and welfare of the residents in the Properties and in particular for the improvement and maintenance of property, services and facilities devoted to the purpose and related to the use and enjoyment of homes situated upon the Properties and any other purpose reasonable, necessary or incidental to such purposes.

Section 3. Basis of Annual Assessment. Unless changed by vote of the Membership, as hereinafter provided, the maximum annual assessment for any Lot owned by Class A Members on which is located a single family detached dwelling shall be $250.00 per year. The assessment for Lots owned by Class A Members shall be at such assessment ratio as shall be determined by the Board of Directors for that particular development within six (6) months after its annexation to the Properties, having in mind the additional amenities furnished to the particular Lot not otherwise available to the Members. Such assessment ratio shall not thereafter be changed by the Board of Directors without approval of sixty-six percent (66%) of the Members.

The assessments shall be based upon the cash requirements deemed to be such aggregate sums as the Board of Directors of the Association shall from time to time determine is necessary to provide for the payment of all estimated expenses growing out of or connected with the maintenance and operation of the Green Area, which sum may include, but not limited to, any special assessments on the Common or Green Areas, insurance premiums for vandalism and malicious mischief, with endorsements attached, issued in the amount of the maximum replacement value of all of the Common Area improvements; casualty and public liability and other insurance premiums; landscaping and care of grounds; streets, lighting, repairs and renovations of Common Areas and Green Areas, wages, charges for water used by the Association, grounds maintenance, any expenses of providing security and protection for the Owners, legal and accounting fees, management fees,

M 8459 1091

expenses and liabilities incurred by the Board of Directors under or by reason of this Declaration, the payment of any deficit remaining for a previous period, the creation of a reasonable contingency or other reserve or surplus funds as well as any and all other costs and expenses necessary to carry out the terms and intent of this Declaration. The Association shall maintain an adequate reserve fund out of the annual assessments rather than by period assessment for the maintenance, repair and replacement of those elements of the Common Area and Green Areas that must be replaced on a periodic basis. The Board of Directors of the Association may after consideration of the current maintenance costs and the financial requirements of the Association fix the annual actual assessment at an amount less than the maximum. Such reserve fund shall not be used to construct or establish new capital improvements without an affirmative vote of one-half of each class of Members.

Any agreement for management of the Associations's business or any other contract for services by the Declarant must provide for termination by either party without cause or payment of a termination fee on thirty (30) days or less written notice and a maximum contract term of three (3) years.

The maximum annual assessment may be changed as follows:

A. From and after January 1, 1988, the maximum annual assessment may be increased each year not more than ten percent (10%) above the maximum assessment for the previous year without a vote of the Membership.

B. From and after January 1, 1988, the maximum annual assessment may be increased above ten percent (10%) by a vote of one-half (1/2) of each class of Members who are voting in person or by proxy, at a meeting duly called for this purpose.

C. The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. Upon vote of the Members of the Association in the manner hereinafter set forth, the Association may levy in addition to annual assessments a special assessment in any calendar year applicable to that year only, for the purpose of defraying in whole or in part the cost of construction or reconstruction or expected repair or replacement of a described capital improvement upon the Common Area or Green Area, including necessary fixtures and personal property related thereto, provided that, any such assessment shall have the assent of sixty percent (60%) of the votes of each class of Members who are voting in person, or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than thirty (30) days nor more that sixty (60) days in advance of the meeting setting forth the purpose of the meeting. The assessment ratio for any Lot, as determined pursuant to Section 3, shall be applicable to special assessment.

Section 5. Voting and Notices for Special Assessment and Change of Maximum Assessment. Written notice of any meeting of Members called to change the maximum annual assessment or to levy a special assessment shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the date of such meeting, setting forth the purpose of the meeting.

Section 6. Quorum for Action Authorized Under Section 4 and 5. The quorum required for any action authorized in Section 4 and 5 of this Article VI shall be as follows:

At the first meeting called, as provided in Section 4 and 5 hereof, the presence at the meeting of Members, or of proxies entitled to cast sixty percent (60%) of all votes of each class of Membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in Sections 4 and 5 and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessment. The initial annual assessments shall commence on the first day of such month as

K 8659F1092

determined by the Board of Directors of the Association, shall be made for the balance of the calendar year, and shall be due and payable on the date fixed by the Board. Annual assessments for any year after the first year shall become due and payable on or before February 1 of such year, and at the Board's discretion may be collected on a monthly basis.

The amount of the initial annual assessment for the first year in which assessments are made or for any property which becomes subject to assessments for the first time shall be prorated on a calendar year basis according to the date on which property first became subject to assessment.

The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

Section 8. Duty of the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

Section 9. The Effect of Non-payment of Assessments: Lien of Association. If an assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $20.00 and the assessment shall bear interest at the rate of ten percent (10%) per annum for such due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such Lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Common and Green Areas, specifying and itemizing the maintenance and repair expenses of the Common Areas and Green Areas and any other expenses incurred. Such records and the vouchers authorizing the

R 8659 1093

payments shall be available on request for examination by the Owners and others with an interest such as encumbrancers or prospective lenders.

Section 12. Protection of Mortgagees. First mortgagees of lots may pay taxes or other charges or assessments which are in default and which may become a lien against the Common or Green Areas and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Common and Green Areas and the first mortgagees making such payments shall be owed immediately reimbursement therefore from the Association.

IN WITNESS WHEREOF, the undersigned being the Declarant herein has hereunto set its hand and seal as of the day and year first hereinabove set forth.

1. Keeping of Vehicles on Property. The keeping of mobile homes, with or without wheels, on the Lot is expressly prohibited. Section 1. Membership. Every person or entity who is a record owner of a fee or undivided fee interest in any Lot which is subject by covenants of record to assessment by the Association, including contract sellers, shall be a Member of the Association. The foregoing is not intended to include persons or entities who hold an interest merely as security for the performance of obligation. Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to assessment by the Association. Ownership of such Lot shall be the sole qualification for Membership. When more than one person holds a Membership interest in any Lot, all such persons shall be Members. Section 2. Voting Rights. There shall be two classes of voting Membership.

ARTICLE V

The administration of the Properties shall be governed by these covenants, the Articles of Incorporation, By-Laws, and published rules and regulations of the Association. As shown and reserved to Declarant in the Articles of Incorporation and By-Laws for the Association, the designation and appointment of the Board of Directors for the Association may, at Declarant's option, be exercised solely by the Declarant until the Class B Membership terminates.

The Association may acquire and hold for the use and benefit of all Members of the Association, tangible and intangible personal property and may dispose of the same by sale or otherwise, and the beneficial interest in any such property shall be owned by the Members of the Association and their interest therein shall not be transferable except that the interest of a Member who is an Owner shall be deemed to be transferred upon the transfer of the Member's Lot. A transfer of a Lot shall transfer to the transferee ownership of the transferor's beneficial interest in such personal property without any reference thereto or execution of a bill of sale. Each Owner may use such personal property in accordance with the purpose for which it is intended, without hindering or encroaching upon the lawful rights of the the other Owners. Sale of a Lot under foreclosure shall thereby entitle the purchase thereof to the beneficial interest in the personal property associated with the Lot.

ARTICLE VII

COVENANT FOR MAINTENANCE ASSESSMENT

Section 1. Creation of the Lien and Personal Obligation of Assessment. Declarant for each Lot owned by it within the Properties hereby covenants, and each Owner of any Lot by acceptance of the deed therefor, whether or not it shall be so expressed in acceptance of the deed therefor, shall be deemed to covenant and agree to pay to the Association annual assessments and special assessments for capital improvements. Such assessments shall be fixed, established and collected from time to time as hereinafter provided. The annual and special assessments, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall be a continuing lien upon the property against which each such assessment is made from the date hereinafter set forth. Each such assessment, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall also be a personal obligation of the person who is the Owner of such property at the time when the assessment fell due. Such personal obligation shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, enjoyment and welfare of the residents in the Properties and in particular for the improvements and maintenance of property, services and facilities devoted to the purpose and related to the use and enjoyment of homes situated upon the Properties and any other purpose reasonable, necessary or incidental to such purposes.

Section 3. Basis of Annual Assessment. Unless changed by vote of the Membership, as hereinafter provided, the maximum annual assessment for any Lot owned by Class A Members on which is located in a single family detached dwelling shall be $250.00 per year. The assessment for Lots owned by Class A Members shall be at such assessment ratio as shall be determined by the Board of Directors for that particular development within six (6) months after its annexation to the Properties, having in mind the additional amenities furnished to the particular Lot not otherwise available to the Members. Such assessment ratio shall not thereafter be changed by the Board of Directors without approval of sixty-six percent (66%) of the Members.

The assessments shall be based upon the cash requirements deemed to be such aggregate sums as the Board of Directors of the Association shall from time to time determine is necessary to provide for the payment of all estimated expenses growing out of or connected with the maintenance and operation of the Green Area, which sum may include, but not limited to, any special assessments on the Common or Green Areas, insurance premiums for vandalism and malicious mischief, with endorsements attached, issued in the amount of the maximum replacement value of all of the Common Area improvements; casualty and public liability and other insurance premiums; landscaping and care of grounds; streets, lighting, repairs and renovations of Common Areas and Green Areas, wages, charges for water used by the Association, grounds maintenance, any expenses of providing security and protection for the Owners, legal and accounting fees, management fees,

expenses and liabilities incurred by the Board of Directors under or by reason of this Declaration, the payment of any deficit remaining for a previous period, the creation of a reasonable contingency or other reserve or surplus funds as well as any and all other costs and expenses necessary to carry out the terms and intent of this Declaration. The Association shall maintain an adequate reserve fund out of the annual assessments rather than by period assessment for the maintenance, repair and replacement of those elements of the Common Area and Green Areas that must be replaced on a periodic basis. The Board of Directors of the Association may after consideration of the current maintenance costs and the financial requirements of the Association fix the annual actual assessment at an amount less than the maximum. Such reserve fund shall not be used to construct or establish new capital improvements without an affirmative vote of one-half of each class of Members.

Any agreement for management of the Associations's business or any other contract for services by the Declarant must provide for termination by either party without cause or payment of a termination fee on thirty (30) days or less written notice and a maximum contract term of three (3) years.

The maximum annual assessment may be changed as follows:

A. From and after January 1, 1988, the maximum annual assessment may be increased each year not more than ten percent (10%) above the maximum assessment for the previous year without a vote of the Membership.

B. From and after January 1, 1988, the maximum annual assessment may be increased above ten percent (10%) by a vote of one-half (1/2) of each class of Members who are voting in person or by proxy, at a meeting duly called for this purpose.

C. The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. Upon vote of the Members of the Association in the manner hereinafter set forth, the Association may levy in addition to annual assessments a special assessment in any calendar year applicable to that year only, for the purpose of defraying in whole or in part the costs of construction or reconstruction or expected repair or replacement of a described capital improvement upon the Common Area or Green Area, including necessary fixtures and personal property releated thereto, provided that, any such assessment shall have the assent of sixty percent (60%) of the votes of each class of Members who are voting in person, or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than thirty (30) days nor more that sixty (60) days in advance of the meeting setting forth the purpose of the meeting. The assessment ratio for any Lot, as determined pursuant to Section 3, shall be applicable to special assessment.

Section 5. Voting and Notices for Special Assessment and Change of Maximum Assessment. Written notice of any meeting of Members called to change the maximum annual assessment or to levy a special assessment shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the date of such meeting, setting forth the purpose of the meeting.

Section 6. Quorum for Action Authorized Under Section 4 and 5. The quorum required for any action authorized in Section 4 and 5 of this Article VI shall be as follows:

At the first meeting called, as provided in Section 4 and 5 hereof, the presence at the meeting of Members, or of proxies entitled to cast sixty percent (60%) of all votes of each class of Membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in Sections 4 and 5 and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessment. The initial annual assessments shall commence on the first day of such month as

determined by the Board of Directors of the Association, shall be made for the balance of the calendar year, and shall be due and payable on the date fixed by the Board. Annual assessments for any year after the first year shall become due and payable on or before February 1 of such year, and at the Board's discretion may be collected on a monthly basis.

The amount of the initial annual assessment for the first year in which assessments are made or for any property which becomes subject to assessments for the first time shall be prorated on a calendar year basis according to the date on which property first became subject to assessment.

The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

Section 8. Duty of the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

Section 9. The Effect of Non-payment of Assessments; Lien of Association. If an assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $20.00 and the assessment shall bear interest at the rate of ten percent (10%) per annum for such due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such Lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Common and Green Areas, specifying and itemizing the maintenance and repair expenses of the Common Areas and Green Areas and any other expenses incurred. Such records and the vouchers authorizing the

payments shall be available on request for examination by the Owners and others with an interest such as encumbrancers or prospective lenders.

Section 12. Protection of Mortgagees. First mortgagees of Lots may pay taxes or other charges or assessments which are in default and which may become a lien against the Common or Green Areas and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Common and Green Areas and the first mortgagees making such payments shall be owed immediately reimbursement therefore from the Association.

IN WITNESS WHEREOF, the undersigned being the Declarant herein has hereunto set its hand and seal as of the day and year first hereinabove set forth.

The assessments levied by; the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, enjoyment and welfare of the residents in the Properties and in particular for the improvements and maintenance of property, services and facilities devoted to the purpose and related to the use and enjoyment of homes situated upon the Properties and any other purpose reasonable, necessary or incidental to such purposes.

The Board of Directors of the Association may after consideration of the current maintenance costs and the financial requirements of the Association fix the annual actual assessment at an amount less than the maximum. Any agreement for management of the Associations's business or any other contract for services by the Declarant must provide for termination by either party without cause or payment of a termination fee on thirty (30) days or less written notice and a maximum contract term of three (3) years.

The maximum annual assessment may be changed as follows:

Section 6. Quorum for Action Authorized Under Section 4 and 5. The quorum required for any action authorized in Section 4 and 5 of this Article VI shall be as follows:

At the first meeting called, as provided in Section 4 and 5 hereof, the presence at the meeting of Members, or of proxies entitled to cast sixty percent (60%) of all votes of each class of Membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in Sections 4 and 5 and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessment. The initial annual assessments shall commence on the first day of such month as

determined by the Board of Directors of the Association, shall be made for the balance of the calendar year, and shall be due and payable on the date fixed by the Board. Annual assessments for any year after the first year shall become due and payable on or before February 1 of such year, and at the Board's discretion may be collected on a monthly basis.

The amount of the initial annual assessment for the first year in which assessments are made or for any property which becomes subject to assessments for the first time shall be prorated on a calendar year basis according to the date on which property first became subject to assessment.

The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

Section 8. Duty of the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

Section 9. The Effect of Non-payment of Assessments; Lien of Association. If an assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $20.00 and the assessment shall bear interest at the rate of ten percent (10%) per annum for such due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Common and Green Areas, specifying and itemizing the maintenance and repair expenses of the Common Areas and Green Areas and any other expenses incurred. Such records and the vouchers authorizing the

payments shall be available on request for examination by the Owners and others with an interest such as encumbrancers or prospective lenders.

Section 12. Protection of Mortgagees. First mortgagees of Lots may pay taxes or other charges or assessments which are in default and which may become a lien against the Common or Green Areas and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Common and Green Areas and the first mortgagees making such payments shall be owed immediately reimbursement therefore from the Association.

Section 7. Date of Commencement of Annual Assessment. The initial annual assessments shall commence on the first day of such month as

determined by the Board of Directors of the Association, shall be made for the balance of the calendar year, and shall be due and payable on the date fixed by the Board. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

The assessment for Lots owned by Class A Members shall be at such assessment ratio as shall be determined by the Board of Directors for that particular development within six (6) months after its annexation to the Properties, having in mind the additional amenities furnished to the particular Lot not otherwise available to the Members. Such assessment ratio shall not thereafter be changed by the Board of Directors without approval of sixty-six percent (66%) of the Members.

The assessments shall be based upon the cash requirements deemed to be such aggregate sums as the Board of Directors of the Association shall from time to time determine is necessary to provide for the payment of all estimated expenses growing out of or connected with the maintenance and operation of the Green Area, which sum may include, but not limited to, any special assessments on the Common or Green Areas, insurance premiums for vandalism and malicious mischief, with endorsements attached, issued in the amount of the maximum replacement value of all of the Common Area improvements; casualty and public liability and other insurance premiums; landscaping and care of grounds; streets, lighting, repairs and renovations of Common Areas and Green Areas, wages, charges for water used by the Association, grounds maintenance, any expenses of providing security and protection for the Owners, legal and accounting fees, management fees,

expenses and liabilities incurred by the Board of Directors under or by reason of this Declaration, the payment of any deficit remaining for a previous period, the creation of a reasonable contingency or other reserve or surplus funds as well as any and all other costs and expenses necessary to carry out the terms and intent of this Declaration. The Association shall maintain an adequate reserve fund out of the annual assessments rather than by period assessment for the maintenance, repair and replacement of those elements of the Common Area and Green Areas that must be replaced on a periodic basis. The Board of Directors of the Association may after consideration of the current maintenance costs and the financial requirements of the Association fix the annual actual assessment at an amount less than the maximum. Such reserve fund shall not be used to construct or establish new capital improvements without an affirmative vote of one-half of each class of Members.

Any agreement for management of the Associations's business or any other contract for services by the Declarant must provide for termination by either party without cause or payment of a termination fee on thirty (30) days or less written notice and a maximum contract term of three (3) years.

The maximum annual assessment may be changed as follows:

A. From and after January 1, 1988, the maximum annual assessment may be increased each year not more than ten percent (10%) above the maximum assessment for the previous year without a vote of the Membership.

B. From and after January 1, 1988, the maximum annual assessment may be increased above ten percent (10%) by a vote of one-half (1/2) of each class of Members who are voting in person or by proxy, at a meeting duly called for this purpose.

C. The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. Upon vote of the Members of the Association in the manner hereinafter set forth, the Association may levy in addition to annual assessments a special assessment in any calendar year applicable to that year only, for the purpose of defraying in whole or in part the costs of construction or reconstruction or expected repair or replacement of a described capital improvement upon the Common Area or Green Area, including necessary fixtures and personal property related thereto, provided that, any such assessment shall have the assent of sixty percent (60%) of the votes of each class of Members who are voting in person, or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting setting forth the purpose of the meeting. The assessment ratio for any Lot, as determined pursuant to Section 3, shall be applicable to special assessment.

Section 5. Voting and Notices for Special Assessment and Change of Maximum Assessment. Written notice of any meeting of Members called to change the maximum annual assessment or to levy a special assessment shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the date of such meeting, setting forth the purpose of the meeting.

Section 6. Quorum for Action Authorized Under Section 4 and 5. The quorum required for any action authorized in Section 4 and 5 of this Article VI shall be as follows:

At the first meeting called, as provided in Section 4 and 5 hereof, the presence at the meeting of Members, or of proxies entitled to cast sixty percent (60%) of all votes of each class of Membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in Sections 4 and 5 and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessment. The initial annual assessments shall commence on the first day of such month as

M 86598 868

determined by the Board of Directors of the Association, shall be made for the balance of the calendar year, and shall be due and payable on the date fixed by the Board. Annual assessments for any year after the first year shall become due and payable on or before February 1 of such year, and at the Board's discretion may be collected on a monthly basis.

The amount of the initial annual assessment for the first year in which assessments are made or for any property which becomes subject to assessments for the first time shall be prorated on a calendar year basis according to the date on which property first became subject to assessment.

The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

Section 8. Duty of the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

Section 9. The Effect of Non-payment of Assessments; Lien of Association. If an assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $20.00 and the assessment shall bear interest at the rate of ten percent (10%) per annum for such due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree or foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such Lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Common and Green Areas, specifying and itemizing the maintenance and repair expenses of the Common Areas and Green Areas and any other expenses incurred. Such records and the vouchers authorizing the

VOL 8659 PAGE 869

payments shall be available on request for examination by the Owners and others with an interest such as encumbrancers or prospective lenders.

Section 12. Protection of Mortgagees. First mortgagees of Lots may pay taxes or other charges or assessments which are in default and which may become a lien against the Common or Green Areas and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Common and Green Areas and the first mortgagees making such payments shall be owed immediately reimbursement therefore from the Association.

IN WITNESS WHEREOF, the undersigned being the Declarant herein has hereunto set its hand and seal as of the day and year first hereinabove set forth.

Section 1. Membership. Every person or entity who is a record owner of a fee or undivided fee interest in any Lot which is subject by covenants of record to assessment by the Association, including contract sellers, shall be a Member of the Association. The foregoing is not intended to include persons or entities who hold an interest merely as security for the performance of obligation. Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to assessment by the Association. Ownership of such Lot shall be the sole qualification for Membership. When more than one person holds a Membership interest in any Lot, all such persons shall be Members. The vote for such Lot shall be exercised as they among themselves determine, but in no event shall more than one (1) vote be cast with respect to any Lot.

Section 2. Voting Rights. There shall be two classes of voting Membership.

A. Class A Members will be all those Members other than Southcreek, Inc. ARTICLE V

The administration of the Properties shall be governed by these covenants, the Articles of Incorporation, By-Laws, and published rules and regulations of the Association. As shown and reserved to Declarant in the Articles of Incorporation and By-Laws for the Association, the designation and appointment of the Board of Directors for the Association may, at Declarant's option, be exercised solely by the Declarant until the Class B Membership terminates.

A transfer of a Lot shall transfer to the transferee ownership of the transferor's beneficial interest in such personal property without any reference thereto or execution of a bill of sale. Each Owner may use such personal property in accordance with the purpose for which it is intended, without hindering or encroaching upon the lawful rights of the the other Owners. Sale of a Lot under foreclosure shall thereby entitle the purchase thereof to the beneficial interest in the personal property associated with the Lot.

ARTICLE VII

COVENANT FOR MAINTENANCE ASSESSMENT

Section 1. Creation of the Lien and Personal Obligation of Assessment. Declarant for each Lot owned by it within the Properties hereby covenants, and each Owner of any Lot by acceptance of the deed therefor, whether or not it shall be so expressed in acceptance of the deed therefor, shall be deemed to covenant and agree to pay to the Association annual assessments and special assessments for capital improvements. Such assessments shall be fixed, established and collected from time to time as hereinafter provided. The annual and special assessments, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall be a continuing lien upon the property against which each such assessment is made from the date hereinafter set forth. Each such assessment, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall also be a personal obligation of the person who is the Owner of such property at the time when the assessment fell due. Such personal obligation shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, enjoyment and welfare of the residents in the Properties and in particular for the improvements and maintenance of property, services and facilities devoted to the purpose and related to the use and enjoyment of homes situated upon the Properties and any other purpose reasonable, necessary or incidental to such purposes.

Section 3. Basis of Annual Assessment. Unless changed by vote of the Membership, as hereinafter provided, the maximum annual assessment for any Lot owned by Class A Members on which is located in a single family detached dwelling shall be $250.00 per year. The assessment for Lots owned by Class A Members shall be at such assessment ratio as shall be determined by the Board of Directors for that particular development within six (6) months after its annexation to the Properties, having in mind the additional amenities furnished to the particular Lot not otherwise available to the Members. Such assessment ratio shall not thereafter be changed by the Board of Directors without approval of sixty-six percent (66%) of the Members.

The assessments shall be based upon the cash requirements deemed to be such aggregate sums as the Board of Directors of the Association shall from time to time determine is necessary to provide for the payment of all estimated expenses growing out of or connected with the maintenance and operation of the Green Area, which sum may include, but not limited to, any special assessments on the Common or Green Areas, insurance premiums for vandalism and malicious mischief, with endorsements attached, issued in the amount of the maximum replacement value of all of the Common Area improvements; casualty and public liability and other insurance premiums; landscaping and care of grounds; streets, lighting, repairs and renovations of Common Areas and Green Areas, wages, charges for water used by the Association, grounds maintenance, any expenses of providing security and protection for the Owners, legal and accounting fees, management fees,

expenses and liabilities incurred by the Board of Directors under or by reason of this Declaration, the payment of any deficit remaining for a previous period, the creation of a reasonable contingency or other reserve or surplus funds as well as any and all other costs and expenses necessary to carry out the terms and intent of this Declaration. The Association shall maintain an adequate reserve fund out of the annual assessments rather than by period assessment for the maintenance, repair and replacement of those elements of the Common Area and Green Areas that must be replaced on a periodic basis. The Board of Directors of the Association may after consideration of the current maintenance costs and the financial requirements of the Association fix the annual actual assessment at an amount less than the maximum. Such reserve fund shall not be used to construct or establish new capital improvements without an affirmative vote of one-half of each class of Members.

Any agreement for management of the Associations's business or any other contract for services by the Declarant must provide for termination by either party without cause or payment of a termination fee on thirty (30) days or less written notice and a maximum contract term of three (3) years.

The maximum annual assessment may be changed as follows:

A. From and after January 1, 1988, the maximum annual assessment may be increased each year not more than ten percent (10%) above the maximum assessment for the previous year without a vote of the Membership.

B. From and after January 1, 1988, the maximum annual assessment may be increased above ten percent (10%) by a vote of one-half (1/2) of each class of Members who are voting in person or by proxy, at a meeting duly called for this purpose.

C. The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. Upon vote of the Members of the Association in the manner hereinafter set forth, the Association may levy in addition to annual assessments a special assessment in any calendar year applicable to that year only, for the purpose of defraying in whole or in part the costs of construction or reconstruction or expected repair or replacement of a described capital improvement upon the Common Area or Green Area, including necessary fixtures and personal property related thereto, provided that, any such assessment shall have the assent of sixty percent (60%) of the votes of each class of Members who are voting in person, or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than thirty (30) days nor more that sixty (60) days in advance of the meeting setting forth the purpose of the meeting. The assessment ratio for any Lot, as determined pursuant to Section 3, shall be applicable to special assessment.

Section 5. Voting and Notices for Special Assessment and Change of Maximum Assessment. Written notice of any meeting of Members called to change the maximum annual assessment or to levy a special assessment shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the date of such meeting, setting forth the purpose of the meeting.

Section 6. Quorum for Action Authorized Under Section 4 and 5. The quorum required for any action authorized in Section 4 and 5 of this Article VI shall be as follows:

At the first meeting called, as provided in Section 4 and 5 hereof, the presence at the meeting of Members, or of proxies entitled to cast sixty percent (60%) of all votes of each class of Membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in Sections 4 and 5 and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessment. The initial annual assessments shall commence on the first day of such month as

determined by the Board of Directors of the Association, shall be made for the balance of the calendar year, and shall be due and payable on the date fixed by the Board. Annual assessments for any year after the first year shall become due and payable on or before February 1 of such year, and at the Board's discretion may be collected on a monthly basis.

The amount of the initial annual assessment for the first year in which assessments are made or for any property which becomes subject to assessments for the first time shall be prorated on a calendar year basis according to the date on which property first became subject to assessment.

The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

Section 8. Duty of the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

Section 9. The Effect of Non-payment of Assessments; Lien of Association. If an assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $20.00 and the assessment shall bear interest at the rate of ten percent (10%) per annum for such due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such Lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Common and Green Areas, specifying and itemizing the maintenance and repair expenses of the Common Areas and Green Areas and any other expenses incurred. Such records and the vouchers authorizing the

payments shall be available on request for examination by the Owners and others with an interest such as encumbrancers or prospective lenders.

Section 12. Protection of Mortgagees. First mortgagees of Lots may pay taxes or other charges or assessments which are in default and which may become a lien against the Common or Green Areas and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Common and Green Areas and the first mortgagees making such payments shall be owed immediately reimbursement therefore from the Association.

Section 2. Method of Making Additions. Such Supplemental Declaration may contain such additions and modifications of the covenants and restrictions contained in this Declaration as may be necessary to reflect the different character of the added properties in the sole discretion of Declarant. In no event, however, shall such Supplemental Declaration revoke, modify or add to the covenants established by this Declaration with respect to the Properties subject to this Declaration just prior to such Supplemental Declaration being filed for record.

ARTICLE IV

MEMBERSHIP AND VOTING RIGHTS IN THE ASSOCIATION

Section 1. Membership. Every person or entity who is a record owner of a fee or undivided fee interest in any Lot which is subject by covenants of record to assessment by the Association, including contract sellers, shall be a Member of the Association. The foregoing is not intended to include persons or entities who hold an interest merely as security for the performance of obligation. Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to assessment by the Association. Ownership of such Lot shall be the sole qualification for Membership. When more than one person holds a Membership interest in any Lot, all such persons shall be Members. The vote for such Lot shall be exercised as they among themselves determine, but in no event shall more than one (1) vote be cast with respect to any Lot.

Section 2. Voting Rights. There shall be two classes of voting Membership.

A. Class A Members will be all those Members other than Southcreek, Inc. Class A Members shall be entitled to one vote for each Lot in which they hold the interest required for Membership by Section 1. When Class B Membership has been converted to Class A Membership, all Directors of the Association shall be elected by the Class A Members.

B. The Class B Members shall be Southcreek, Inc. or its successors or assigns. Class B Members shall be entitled to four votes for each Lot owned by the Declarant or its successors or assigns, and shall be entitled to elect all Members of the Board of Directors of the Association. Class B Membership may cease and be converted to Class A Membership at the option of the Class B Member, its successors or assigns by its written notice to the Secretary of the Association, and shall cease and be converted to Class A Membership without further act or deed when the total votes outstanding in the Class A Membership equal the total votes outstanding in the Class B Membership.

C. As long as a Class B Membership exists, Associate Memberships in the Association will not be established by the Board of Directors of the Association without an affirmative vote of a majority of the Class A Members of the Association.

D. Should any builder own any Lot which is the subject of these restrictions, that builder shall assign his voting rights to the developer. Said voting rights shall be voted as Class A Membership and not Class B Membership.

ARTICLE V

ADMINISTRATION AND MANAGEMENT

The administration of the Properties shall be governed by these covenants, the Articles of Incorporation, By-Laws, and published rules and regulations of the Association. As shown and reserved to Declarant in the Articles of Incorporation and By-Laws for the Association, the designation and appointment of the Board of Directors for the Association may, at Declarant's option, be exercised solely by the Declarant until the Class B Membership terminates.

ARTICLE VI

PROPERTY RIGHTS IN THE COMMON PROPERTIES

Section 1. Extent of Members' Easements. The rights and easements of enjoyment created hereby shall be subject to the following:

A. The right of the Association to limit the number of guests of Members.

B. The rights of the Declarant and of the Association, in accordance with its Articles and By-Laws, to borrow money for the purpose of improving the Green Area and with written consent of the Members entitled to vote seventy-five percent (75%) the votes of each class of Membership to mortgage said Common Areas and Green Areas as security for any such loan.

C. The right of the Association to promulgate and publish rules and regulations which each Member shall strictly comply with.

Section 2. Personal Property for Common Use. The Association may acquire and hold for the use and benefit of all Members of the Association, tangible and intangible personal property and may dispose of the same by sale or otherwise, and the beneficial interest in any such property shall be owned by the Members of the Association and their interest therein shall not be transferable except that the interest of a Member who is an Owner shall be deemed to be transferred upon the transfer of the Member's Lot. A transfer of a Lot shall transfer to the transferee ownership of the transferor's beneficial interest in such personal property without any reference thereto or execution of a bill of sale. Each Owner may use such personal property in accordance with the purpose for which it is intended, without hindering or encroaching upon the lawful rights of the the other Owners. Sale of a Lot under foreclosure shall thereby entitle the purchase thereof to the beneficial interest in the personal property associated with the Lot.

ARTICLE VII

COVENANT FOR MAINTENANCE ASSESSMENT

Section 1. Creation of the Lien and Personal Obligation of Assessment. Declarant for each Lot owned by it within the Properties hereby covenants, and each Owner of any Lot by acceptance of the deed therefor, whether or not it shall be so expressed in acceptance of the deed therefor, shall be deemed to covenant and agree to pay to the Association annual assessments and special assessments for capital improvements. Such assessments shall be fixed, established and collected from time to time as hereinafter provided. The annual and special assessments, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall be a continuing lien upon the property against which each such assessment is made from the date hereinafter set forth. Each such assessment, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall also be a personal obligation of the person who is the Owner of such property at the time when the assessment fell due. Such personal obligation shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessment. The assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, enjoyment and welfare of the residents in the Properties and in particular for the improvements and maintenance of property, services and facilities devoted to the purpose and related to the use and enjoyment of homes situated upon the Properties and any other purpose reasonable, necessary or incidental to such purposes.

Section 3. Basis of Annual Assessment. Unless changed by vote of the Membership, as hereinafter provided, the maximum annual assessment for any Lot owned by Class A Members on which is located a single family detached dwelling shall be $250.00 per year. The assessment for Lots owned by Class A Members shall be at such assessment ratio as shall be determined by the Board of Directors for that particular development within six (6) months after its annexation to the Properties, having in mind the additional amenities furnished to the particular Lot not otherwise available to the Members. Such assessment ratio shall not thereafter be changed by the Board of Directors without approval of sixty-six percent (66%) of the Members.

The assessments shall be based upon the cash requirements deemed to be such aggregate sums as the Board of Directors of the Association shall from time to time determine is necessary to provide for the payment of all estimated expenses growing out of or connected with the maintenance and operation of the Green Area, which sum may include, but not limited to, any special assessments on the Common or Green Areas, insurance premiums for vandalism and malicious mischief, with endorsements attached, issued in the amount of the maximum replacement value of all of the common area improvements; casualty and public liability and other insurance premiums; landscaping and care of grounds; streets, lighting, repairs and renovations of Common Areas and Green Areas, wages, charges for water used by the Association, grounds maintenance, any expenses of providing security and protection for the Owners, legal and accounting fees, management fees,

expenses and liabilities incurred by the Board of Directors under or by reason of this Declaration, the payment of any deficit remaining for a previous period, the creation of a reasonable contingency or other reserve or surplus funds as well as any and all other costs and expenses necessary to carry out the terms and intent of this Declaration. The Association shall maintain an adequate reserve fund out of the annual assessments rather than by period assessment for the maintenance, repair and replacement of those elements of the Common Area and Green Areas that must be replaced on a periodic basis. The Board of Directors of the Association may after consideration of the current maintenance costs and the financial requirements of the Association fix the annual actual assessment at an amount less than the maximum. Such reserve fund shall not be used to construct or establish new capital improvements without an affirmative vote of one-half of each class of Members.

Any agreement for management of the Associations's business or any other contract for services by the Declarant must provide for termination by either party without cause or payment of a termination fee on thirty (30) days or less written notice and a maximum contract term of three (3) years.

The maximum annual assessment may be changed as follows:

A. From and after January 1, 1986, the maximum annual assessment may be increased each year not more than ten percent (10%) above the maximum assessment for the previous year without a vote of the Membership.

B. From and after January 1, 1988, the maximum annual assessment may be increased above ten percent (10%) by a vote of one-half (1/2) of each class of Members who are voting in person or by proxy, at a meeting duly called for this purpose.

C. The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. Upon vote of the Members of the Association in the manner hereinafter set forth, the Association may levy in addition to annual assessments a special assessment in any calendar year applicable to that year only, for the purpose of defraying in whole or in part the costs of construction or reconstruction or expected repair or replacement of a described capital improvement upon the Common Area or Green Area, including necessary fixtures and personal property related thereto, provided that, any such assessment shall have the assent of sixty percent (60%) of the votes of each class of Members who are voting in person, or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than thirty (30) days nor more that sixty (60) days in advance of the meeting setting forth the purpose of the meeting. The assessment ratio for any Lot, as determined pursuant to Section 3, shall be applicable to special assessment.

Section 5. Voting and Notices for Special Assessments and Change of Maximum Assessment. Written notice of any meeting of Members called to change the maximum annual assessment or to levy a special assessment shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the date of such meeting, setting forth the purpose of the meeting.

Section 6. Quorum for Acts Authorized Under Section 4 and 5. The quorum required for any action authorized in Section 4 and 5 of this Article VI shall be as follows:

At the first meeting called, as provided in Section 4 and 5 hereof, the presence at the meeting of Members, or of proxies entitled to cast sixty percent (60%) of all votes of each class of Membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in Sections 4 and 5 and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessment. The initial annual assessments shall commence on the first day of such month as

determined by the board of directors of the Association, shall be made for the balance of the calendar year, and shall be due and payable on the date fixed by the Board. Annual assessments for any year after the first year shall become due and payable on or before February 1 of such year, and at the Board's discretion may be collected on a monthly basis.

The amount of the initial annual assessment for the first year in which assessments are made or for any property which becomes subject to assessments for the first time shall be prorated on a calendar year basis according to the date on which property first became subject to assessment.

The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

Section 8. Duty of the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

Section 9. The Effect of Non-payment of Assessments; Lien of Association. If an assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $20.00 and the assessment shall bear interest at the rate of ten percent (10%) per annum for such due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing, to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such Lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Common and Green Areas, specifying and itemizing the maintenance and repair expenses of the Common Areas and Green Areas and any other expenses incurred. Such records and the vouchers authorizing the

payments shall be available on request for examination by the owners and others with an interest such as encumbrancers or prospective lenders.

Section 12. Protection of Mortgagees. First mortgagees of Lots may pay taxes or other charges or assessments which are in default and which may become a lien against the Common or Green Areas and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Common and Green Areas and the first mortgagees making such payments shall be owed immediately reimbursement therefore from the Association.

A transfer of a Lot shall transfer to the transferee ownership of the transferor's beneficial interest in such personal property without any reference thereto or execution of a bill of sale. Each Owner may use such personal property in accordance with the purpose for which it is intended, without hindering or encroaching upon the lawful rights of the the other Owners. Sale of a Lot under foreclosure shall thereby entitle the purchase thereof to the beneficial interest in the personal property associated with the Lot.

ARTICLE VII

COVENANT FOR MAINTENANCE ASSESSMENT

Section 1. Creation of the Lien and Personal Obligation of Assessment. Declarant for each Lot owned by it within the Properties hereby covenants, and each Owner of any Lot by acceptance of the deed therefor, whether or not it shall be so expressed in acceptance of the deed therefor, shall be deemed to covenant and agree to pay to the Association annual assessments and special assessments for capital improvements. Such assessments shall be fixed, established and collected from time to time as hereinafter provided. The annual and special assessments, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall be a continuing lien upon the property against which each such assessment is made from the date hereinafter set forth. Each such assessment, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall also be a personal obligation of the person who is the Owner of such property at the time when the assessment fell due. Such personal obligation shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, enjoyment and welfare of the residents in the Properties and in particular for the improvements and maintenance of property, services and facilities devoted to the purpose and related to the use and enjoyment of homes situated upon the Properties and any other purpose reasonable, necessary or incidental to such purposes.

Section 3. Basis of Annual Assessment. Unless changed by vote of the Membership, as hereinafter provided, the maximum annual assessment for any Lot owned by Class A Members on which is located in a single family detached dwelling shall be $250.00 per year. The assessment for Lots owned by Class A Members shall be at such assessment ratio as shall be determined by the Board of Directors for that particular development within six (6) months after its annexation to the Properties, having in mind the additional amenities furnished to the particular Lot not otherwise available to the Members. Such assessment ratio shall not thereafter be changed by the Board of Directors without approval of sixty-six percent (66%) of the Members.

The assessments shall be based upon the cash requirements deemed to be such aggregate sums as the Board of Directors of the Association shall from time to time determine is necessary to provide for the payment of all estimated expenses growing out of or connected with the maintenance and operation of the Green Area, which sum may include, but not limited to, any special assessments on the Common or Green Areas, insurance premiums for vandalism and malicious mischief, with endorsements attached, issued in the amount of the maximum replacement value of all of the Common Area improvements; casualty and public liability and other insurance premiums; landscaping and care of grounds; streets, lighting, repairs and renovations of Common Areas and Green Areas, wages, charges for water used by the Association, grounds maintenance, any expenses of providing security and protection for the Owners, legal and accounting fees, management fees,

expenses and liabilities incurred by the Board of Directors under or by reason of this Declaration, the payment of any deficit remaining for a previous period, the creation of a reasonable contingency or other reserve or surplus funds as well as any and all other costs and expenses necessary to carry out the terms and intent of this Declaration. The Association shall maintain an adequate reserve fund out of the annual assessments rather than by period assessment for the maintenance, repair and replacement of those elements of the Common Area and Green Areas that must be replaced on a periodic basis. The Board of Directors of the Association may after consideration of the current maintenance costs and the financial requirements of the Association fix the annual actual assessment at an amount less than the maximum. Such reserve fund shall not be used to construct or establish new capital improvements without an affirmative vote of one-half of each class of Members.

Any agreement for management of the Associations's business or any other contract for services by the Declarant must provide for termination by either party without cause or payment of a termination fee on thirty (30) days or less written notice and a maximum contract term of three (3) years.

The maximum annual assessment may be changed as follows:

A. From and after January 1, 1988, the maximum annual assessment may be increased each year not more than ten percent (10%) above the maximum assessment for the previous year without a vote of the Membership.

B. From and after January 1, 1988, the maximum annual assessment may be increased above ten percent (10%) by a vote of one-half (1/2) of each class of Members who are voting in person or by proxy, at a meeting duly called for this purpose.

C. The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. Upon vote of the Members of the Association in the manner hereinafter set forth, the Association may levy in addition to annual assessments a special assessment in any calendar year applicable to that year only, for the purpose of defraying in whole or in part the costs of construction or reconstruction or expected repair or replacement of a described capital improvement upon the Common Area or Green Area, including necessary fixtures and personal property related thereto, provided that, any such assessment shall have the assent of sixty percent (60%) of the votes of each class of Members who are voting in person, or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than thirty (30) days nor more that sixty (60) days in advance of the meeting setting forth the purpose of the meeting. The assessment ratio for any Lot, as determined pursuant to Section 3, shall be applicable to special assessment.

Section 5. Voting and Notices for Special Assessment and Change of Maximum Assessment. Written notice of any meeting of Members called to change the maximum annual assessment or to levy a special assessment shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the date of such meeting, setting forth the purpose of the meeting.

Section 6. Quorum for Action Authorized Under Section 4 and 5. The quorum required for any action authorized in Section 4 and 5 of this Article VI shall be as follows:

At the first meeting called, as provided in Section 4 and 5 hereof, the presence at the meeting of Members, or of proxies entitled to cast sixty percent (60%) of all votes of each class of Membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in Sections 4 and 5 and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessment. The initial annual assessments shall commence on the first day of such month as

determined by the Board of Directors of the Association, shall be made for the balance of the calendar year, and shall be due and payable on the date fixed by the Board. Annual assessments for any year after the first year shall become due and payable on or before February 1 of such year, and at the Board's discretion may be collected on a monthly basis.

The amount of the initial annual assessment for the first year in which assessments are made or for any property which becomes subject to assessments for the first time shall be prorated on a calendar year basis according to the date on which property first became subject to assessment.

The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

Section 8. Duty of the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

Section 9. The Effect of Non-payment of Assessments; Lien of Association. If an assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $20.00 and the assessment shall bear interest at the rate of ten percent (10%) per annum for such due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such Lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Common and Green Areas, specifying and itemizing the maintenance and repair expenses of the Common Areas and Green Areas and any other expenses incurred. Such records and the vouchers authorizing the

payments shall be available on request for examination by the Owners and others with an interest such as encumbrancers or prospective lenders.

Section 17. Protection of Mortgagees. First mortgagees of Lots may pay taxes or other charges or assessments which are in default and which may become a lien against the Common or Green Areas and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Common and Green Areas and the first mortgagees making such payments shall be owed immediately reimbursement therefore from the Association.

IN WITNESS WHEREOF, the undersigned being the Declarant herein has hereunto set its hand and seal as of the day and year first hereinabove set forth.

The Association shall maintain an adequate reserve fund out of the annual assessments rather than by period assessment for the maintenance, repair and replacement of those elements of the Common Area and Green Areas that must be replaced on a periodic basis. The Board of Directors of the Association may after consideration of the current maintenance costs and the financial requirements of the Association fix the annual actual assessment at an amount less than the maximum. Such reserve fund shall not be used to construct or establish new capital improvements without an affirmative vote of one-half of each class of Members.

Any agreement for management of the Associations's business or any other contract for services by the Declarant must provide for termination by either party without cause or payment of a termination fee on thirty (30) days or less written notice and a maximum contract term of three (3) years.

The maximum annual assessment may be changed as follows:

A. From and after January 1, 1988, the maximum annual assessment may be increased each year not more than ten percent (10%) above the maximum assessment for the previous year without a vote of the Membership.

B. From and after January 1, 1988, the maximum annual assessment may be increased above ten percent (10%) by a vote of one-half (1/2) of each class of Members who are voting in person or by proxy, at a meeting duly called for this purpose.

C. The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. Upon vote of the Members of the Association in the manner hereinafter set forth, the Association may levy in addition to annual assessments a special assessment in any calendar year applicable to that year only, for the purpose of defraying in whole or in part the costs of construction or reconstruction or expected repair or replacement of a described capital improvement upon the Common Area or Green Area, including necessary fixtures and personal property related thereto, provided that, any such assessment shall have the assent of sixty percent (60%) of the votes of each class of Members who are voting in person, or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than thirty (30) days nor more that sixty (60) days in advance of the meeting setting forth the purpose of the meeting. The assessment ratio for any Lot, as determined pursuant to Section 3, shall be applicable to special assessment.

Section 5. Voting and Notices for Special Assessment and Change of Maximum Assessment. Written notice of any meeting of Members called to change the maximum annual assessment or to levy a special assessment shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the date of such meeting, setting forth the purpose of the meeting.

Section 6. Quorum for Action Authorized Under Section 4 and 5. The quorum required for any action authorized in Section 4 and 5 of this Article VI shall be as follows:

At the first meeting called, as provided in Section 4 and 5 hereof, the presence at the meeting of Members, or of proxies entitled to cast sixty percent (60%) of all votes of each class of Membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in Sections 4 and 5 and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessment. The initial annual assessments shall commence on the first day of such month as

determined by the Board of Directors of the Association, shall be made for the balance of the calendar year, and shall be due and payable on the date fixed by the Board. Annual assessments for any year after the first year shall become due and payable on or before February 1 of such year, and at the Board's discretion may be collected on a monthly basis.

The amount of the initial annual assessment for the first year in which assessments are made or for any property which becomes subject to assessments for the first time shall be prorated on a calendar year basis according to the date on which property first became subject to assessment.

The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

Section 8. Duty of the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

Section 9. The Effect of Non-payment of Assessments; Lien of Association. If an assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $20.00 and the assessment shall bear interest at the rate of ten percent (10%) per annum for such due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such Lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Common and Green Areas, specifying and itemizing the maintenance and repair expenses of the Common Areas and Green Areas and any other expenses incurred. Such records and the vouchers authorizing the

payments shall be available on request for examination by the Owners and others with an interest such as encumbrancers or prospective lenders.

Section 12. Protection of Mortgagees. First mortgagees of Lots may pay taxes or other charges or assessments which are in default and which may become a lien against the Common or Green Areas and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Common and Green Areas and the first mortgagees making such payments shall be owed immediately reimbursement therefore from the Association.

IN WITNESS WHEREOF, the undersigned being the Declarant herein has hereunto set its hand and seal as of the day and year first hereinabove set forth.

As soon as the growing season reasonably permits, the grounds around all living units shall be seeded, sodded or otherwise planted by the Owner thereof with grass or other ground cover or plantings and maintained in a clean and attractive manner free of dust and weeds. All fences on Lots shall be maintained in good repair and in a clean and attractive manner.

ARTICLE IV

MEMBERSHIP AND VOTING RIGHTS IN THE ASSOCIATION

Section 1. Membership. Every person or entity who is a record owner of a fee or undivided fee interest in any Lot which is subject by covenants of record to assessment by the Association, including contract sellers, shall be a Member of the Association. The foregoing is not intended to include persons or entities who hold an interest merely as security for the performance of obligation. Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to assessment by the Association. Ownership of such Lot shall be the sole qualification for Membership. When more than one person holds a Membership interest in any Lot, all such persons shall be Members. The vote for such Lot shall be exercised as they among themselves determine, but in no event shall more than one (1) vote be cast with respect to any Lot.

Section 2. Voting Rights. There shall be two classes of voting Membership.

A. Class A Members will be all those Members other than Southcreek, Inc. Class A Members shall be entitled to one vote for each Lot in which they hold the interest required for Membership by Section 1. When Class B Membership has been coverted to Class A Membership, all Directors of the Association shall be elected by the Class A Members.

B. The Class B Members shall be Southcreek, Inc. or its successors or assigns. Class B Members shall be entitled to four votes for each Lot owned by the Declarant or its successors or assigns, and shall be entitled to elect all Members of the Board of Directors of the Association. Class B Membership may cease and be converted to Class A Membership at the option of the Class B Member, its successors or assigns by its written notice to the Secretary of the Association, and shall cease and be converted to Class A Membership without further act or deed when the total votes outstanding in the Class A Membership equal the total votes outstanding in the Class B Membership.

C. As long as a Class B Membership exists, Associate Memberships in the Association will not be established by the Board of Directors of the Association without an affirmative vote of a majority of the Class A Members of the Association.

D. Should any builder own any lot which is the subject of these restrictions, the builder shall assign his voting rights to the developer. Said voting rights shall be voted as Class A Membership and not Class B Membership.

ARTICLE V

ADMINISTRATION AND MANAGEMENT

The administration of the Properties shall be governed by these covenants, the Articles of Incorporation, By-Laws, and published rules and regulations of the Association. As shown and reserved to Declarant in the Articles of Incorporation and By-Laws for the Association, the designation and appointment of the Board of Directors for the Association may, at Declarant's option, be exercised solely by the Declarant until the Class B Membership terminates.

ARTICLE VI

PROPERTY RIGHTS IN THE COMMON PROPERTIES

Section 1. Extent of Members' Easements. The rights and easements of enjoyment created hereby shall be subject to the following:

A. The right of the Association to limit the number of guests of Members.

B. The rights of the Declarant and of the Association, in accordance with its Articles and By-Laws, to borrow money for the purpose of improving the Green Area and with written consent of the Members entitled to vote, seventy-five percent (75%) the votes of each class of Membership to mortgage said Common Areas and Green Areas as security for any such loan.

C. The right of the Association to promulgate and publish rules and regulations which each Member shall strictly comply with.

Section 2. Personal Property for Common Use. The Association may acquire and hold for the use and benefit of all Members of the Association, tangible and intangible personal property and may dispose of the same by sale or otherwise, and the beneficial interest in any such property shall be owned by the Members of the Association and their interest therein shall not be transferable except that the interest of a Member who is an Owner shall be deemed to be transferred upon the transfer of the Member's Lot. A transfer of a Lot shall transfer to the transferee ownership of the transferor's beneficial interest in such personal property without any reference thereto or execution of a bill of sale. Each Owner may use such personal property in accordance with the purpose for which it is intended, without hindering or encroaching upon the lawful rights of the the other Owners. Sale of a Lot under foreclosure shall thereby entitle the purchase thereof to the beneficial interest in the personal property associated with the Lot.

ARTICLE VII

COVENANT FOR MAINTENANCE ASSESSMENT

Section 1. Creation of the Lien and Personal Obligation of Assessment. Declarant for each Lot owned by it within the Properties hereby covenants, and each Owner of any Lot by acceptance of the deed therefor, whether or not it shall be so expressed in acceptance of the deed therefor, shall be deemed to covenant and agree to pay to the Association annual assessments and special assessments for capital improvements. Such assessments shall be fixed, established and collected from time to time as hereinafter provided. The annual and special assessments, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall be a continuing lien upon the property against which each such assessment is made from the date hereinafter set forth. Each such assessment, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall also be a personal obligation of the person who is the Owner of such property at the time when the assessment fell due. Such personal obligation shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, enjoyment and welfare of the residents in the Properties and in particular for the improvements and maintenance of property, services and facilities devoted to the purpose and related to the use and enjoyment of homes situated upon the Properties and any other purpose reasonable, necessary or incidental to such purposes.

Section 3. Basis of Annual Assessment. Unless changed by vote of the Membership, as hereinafter provided, the maximum annual assessment for any Lot owned by Class A Members on which is located in a single family detached dwelling shall be $250.00 per year. The assessment for Lots owned by Class A Members shall be at such assessment ratio as shall be determined by the Board of Directors for that particular development within six (6) months after its annexation to the Properties, having in mind the additional amenities furnished to the particular Lot not otherwise available to the Members. Such assessment ratio shall not thereafter be changed by the Board of Directors without approval of sixty-six percent (66%) of the Members.

The assessments shall be based upon the cash requirements deemed to be such aggregate sums as the Board of Directors of the Association shall from time to time determine is necessary to provide for the payment of all estimated expenses growing out of or connected with the maintenance and operation of the Green Area, which sum may include, but not limited to, any special assessments on the Common or Green Areas, insurance premiums for vandalism and malicious mischief, with endorsements attached, issued in the amount of the maximum replacement value of all of the Common Area improvements; casualty and public liability and other insurance premiums; landscaping and care of grounds; streets, lighting, repairs and renovations of Common Areas and Green Areas, wages, charges for water used by the Association, grounds maintenance, any expenses of providing security and protection for the Owners, legal and accounting fees, management fees,

expenses and liabilities incurred by the Board of Directors under or by reason of this Declaration, the payment of any deficit remaining for a previous period, the creation of a reasonable contingency or other reserve or surplus funds as well as any and all other costs and expenses necessary to carry out the terms and intent of this Declaration. The Association shall maintain an adequate reserve fund out of the annual assessments rather than by period assessment for the maintenance, repair and replacement of those elements of the Common Area and Green Areas that must be replaced on a periodic basis. The Board of Directors of the Association may after consideration of the current maintenance costs and the financial requirements of the Association fix the annual actual assessment at an amount less than the maximum. Such reserve fund shall not be used to construct or establish new capital improvements without an affirmative vote of one-half of each class of Members.

Any agreement for management of the Associations's business or any other contract for services by the Declarant must provide for termination by either party without cause or payment of a termination fee on thirty (30) days or less written notice and a maximum contract term of three (3) years.

The maximum annual assessment may be changed as follows:

A. From and after January 1, 1988, the maximum annual assessment may be increased each year not more than ten percent (10%) above the maximum assessment for the previous year without a vote of the Membership.

B. From and after January 1, 1988, the maximum annual assessment may be increased above ten percent (10%) by a vote of one-half (1/2) of each class of Members who are voting in person or by proxy, at a meeting duly called for this purpose.

C. The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. Upon vote of the Members of the Association in the manner hereinafter set forth, the Association may levy in addition to annual assessments a special assessment in any calendar year applicable to that year only, for the purpose of defraying in whole or in part the costs of construction or reconstruction or expected repair or replacement of a described capital improvement upon the Common Area or Green Area, including necessary fixtures and personal property related thereto, provided that, any such assessment shall have the assent of sixty percent (60%) of the votes of each class of Members who are voting in person, or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting setting forth the purpose of the meeting. The assessment ratio for any Lot, as determined pursuant to Section 3, shall be applicable to special assessments.

Section 5. Voting and Notices for Special Assessment and Change of Maximum Assessment. Written notice of any meeting of Members called to change the maximum annual assessment or to levy a special assessment shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the date of such meeting, setting forth the purpose of the meeting.

Section 6. Quorum for Action Authorized Under Section 4 and 5. The quorum required for any action authorized in Section 4 and 5 of this Article VI shall be as follows:

At the first meeting called, as provided in Section 4 and 5 hereof, the presence at the meeting of Members, or of proxies entitled to cast sixty percent (60%) of all votes of each class of Membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in Sections 4 and 5 and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessment. The initial annual assessments shall commence on the first day of such month as

determined by the Board of Directors of the Association, shall be made for the balance of the calendar year, and shall be due and payable on the date fixed by the Board. Annual assessments for any year after the first year shall become due and payable on or before February 1 of such year, and at the Board's discretion may be collected on a monthly basis.

The amount of the initial annual assessment for the first year in which assessments are made or for any property which becomes subject to assessments for the first time shall be prorated on a calendar year basis according to the date on which property first became subject to assessment.

The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

Section 8. Duty of the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

Section 9. The Effect of Non-payment of Assessments; Lien of Association. If an assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $20.00 and the assessment shall bear interest at the rate of ten percent (10%) per annum for such due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Common and Green Areas, specifying and itemizing the maintenance and repair expenses of the Common Areas and Green Areas and any other expenses incurred. Such records and the vouchers authorizing the

payments shall be available on request for examination by the Owners and others with an interest such as encumbrancers or prospective lenders.

Section 12. Protection of Mortgagees. First mortgagees of Lots may pay taxes or other charges or assessments which are in default and which may become a lien against the Common or Green Areas and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Common and Green Areas and the first mortgagees making such payments shall be owed immediately reimbursement therefore from the Association.

IN WITNESS WHEREOF, the undersigned being the Declarant herein has hereunto set its hand and seal as of the day and year first hereinabove set forth.

C. As long as a Class B Membership exists, Associate Memberships in the Association will not be established by the Board of Directors of the Association without an affirmative vote of a majority of the Class A Members of the Association.

D. Should any builder own any lot which is the subject of these restrictions, that builder shall assign his voting rights to the developer. Said voting rights shall be voted as Class A Membership and not Class B Membership.

ARTICLE V

The administration of the Properties shall be governed by these covenants, the Articles of Incorporation, By-Laws, and published rules and regulations of the Association. As shown and reserved to Declarant in the Articles of Incorporation and By-Laws for the Association, the designation and appointment of the Board of Directors for the Association may, at Declarant's option, be exercised solely by the Declarant until the Class B Membership terminates.

A transfer of a Lot shall transfer to the transferee ownership of the transferor's beneficial interest in such personal property without any reference thereto or execution of a bill of sale. Each Owner may use such personal property in accordance with the purpose for which it is intended, without hindering or encroaching upon the lawful rights of the the other Owners. Sale of a Lot under foreclosure shall thereby entitle the purchase thereof to the beneficial interest in the personal property associated with the Lot.

ARTICLE VII

COVENANT FOR MAINTENANCE ASSESSMENT

Section 1. Creation of the Lien and Personal Obligation of Assessment. Declarant for each Lot owned by it within the Properties hereby covenants, and each Owner of any Lot by acceptance of the deed therefor, whether or not it shall be so expressed in acceptance of the deed therefor, shall be deemed to covenant and agree to pay to the Association annual assessments and special assessments for capital improvements. Such assessments shall be fixed, established and collected from time to time as hereinafter provided. The annual and special assessments, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall be a continuing lien upon the property against which each such assessment is made from the date hereinafter set forth. Each such assessment, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall also be a personal obligation of the person who is the Owner of such property at the time when the assessment fell due. Such personal obligation shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, enjoyment and welfare of the residents in the Properties and in particular for the improvements and maintenance of property, services and facilities devoted to the purpose and related to the use and enjoyment of homes situated upon the Properties and any other purpose reasonable, necessary or incidental to such purposes.

Section 3. Basis of Annual Assessment. Unless changed by vote of the Membership, as hereinafter provided, the maximum annual assessment for any Lot owned by Class A Members on which is located in a single family detached dwelling shall be $250.00 per year. The assessment for Lots owned by Class A Members shall be at such assessment ratio as shall be determined by the Board of Directors for that particular development within six (6) months after its annexation to the Properties, having in mind the additional amenities furnished to the particular Lot not otherwise available to the Members. Such assessment ratio shall not thereafter be changed by the Board of Directors without approval of sixty-six percent (66%) of the Members.

The assessments shall be based upon the cash requirements deemed to be such aggregate sums as the Board of Directors of the Association shall from time to time determine is necessary to provide for the payment of all estimated expenses growing out of or connected with the maintenance and operation of the Green Area, which sum may include, but not limited to, any special assessments on the Common or Green Areas, insurance premiums for vandalism and malicious mischief, with endorsements attached, issued in the amount of the maximum replacement value of all of the Common Area improvements; casualty and public liability and other insurance premiums; landscaping and care of grounds; streets, lighting, repairs and renovations of Common Areas and Green Areas, wages, charges for water used by the Association, grounds maintenance, any expenses of providing security and protection for the Owners, legal and accounting fees, management fees,

expenses and liabilities incurred by the Board of Directors under or by reason of this Declaration, the payment of any deficit remaining for a previous period, the creation of a reasonable contingency or other reserve or surplus funds as well as any and all other costs and expenses necessary to carry out the terms and intent of this Declaration. The Association shall maintain an adequate reserve fund out of the annual assessments rather than by period assessment for the maintenance, repair and replacement of those elements of the Common Area and Green Areas that must be replaced on a periodic basis. The Board of Directors of the Association may after consideration of the current maintenance costs and the financial requirements of the Association fix the annual actual assessment at an amount less than the maximum. Such reserve fund shall not be used to construct or establish new capital improvements without an affirmative vote of one-half of each class of Members.

Any agreement for management of the Associations's business or any other contract for services by the Declarant must provide for termination by either party without cause or payment of a termination fee on thirty (30) days or less written notice and a maximum contract term of three (3) years.

The maximum annual assessment may be changed as follows:

A. From and after January 1, 1988, the maximum annual assessment may be increased each year not more than ten percent (10%) above the maximum assessment for the previous year without a vote of the Membership.

B. From and after January 1, 1988, the maximum annual assessment may be increased above ten percent (10%) by a vote of one-half (1/2) of each class of Members who are voting in person or by proxy, at a meeting duly called for this purpose.

C. The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. Upon vote of the Members of the Association in the manner hereinafter set forth, the Association may levy in addition to annual assessments a special assessment in any calendar year applicable to that year only, for the purpose of defraying in whole or in part the costs of construction or reconstruction or expected repair or replacement of a described capital improvement upon the Common Area or Green Area, including necessary fixtures and personal property related thereto, provided that, any such assessment shall have the assent of sixty percent (60%) of the votes of each class of Members who are voting in person, or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than thirty (30) days nor more that sixty (60) days in advance of the meeting setting forth the purpose of the meeting. The assessment ratio for any Lot, as determined pursuant to Section 3, shall be applicable to special assessment.

Section 5. Voting and Notices for Special Assessment and Change of Maximum Assessment. Written notice of any meeting of Members called to change the maximum annual assessment or to levy a special assessment shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the date of such meeting, setting forth the purpose of the meeting.

Section 6. Quorum for Action Authorized Under Section 4 and 5. The quorum required for any action authorized in Section 4 and 5 of this Article VI shall be as follows:

At the first meeting called, as provided in Section 4 and 5 hereof, the presence at the meeting of Members, or of proxies entitled to cast sixty percent (60%) of all votes of each class of Membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in Sections 4 and 5 and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessment. The initial annual assessments shall commence on the first day of such month as

determined by the Board of Directors of the Association, shall be made for the balance of the calendar year, and shall be due and payable on the date fixed by the Board. Annual assessments for any year after the first year shall become due and payable on or before February 1 of such year, and at the Board's discretion may be collected on a monthly basis.

The amount of the initial annual assessment for the first year in which assessments are made or for any property which becomes subject to assessments for the first time shall be prorated on a calendar year basis according to the date on which property first became subject to assessment.

The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

Section 8. Duty of the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

Section 9. The Effect of Non-payment of Assessments; Lien of Association. If an assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $20.00 and the assessment shall bear interest at the rate of ten percent (10%) per annum for such due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such Lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Common and Green Areas, specifying and itemizing the maintenance and repair expenses of the Common Areas and Green Areas and any other expenses incurred. Such records and the vouchers authorizing the

payments shall be available on request for examination by the Owners and others with an interest such as encumbrancers or prospective lenders.

Section 12. Protection of Mortgagees. First mortgagees of Lots may pay taxes or other charges or assessments which are in default and which may become a lien against the Common or Green Areas and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Common and Green Areas and the first mortgagees making such payments shall be owed immediately reimbursement therefore from the Association.

IN WITNESS WHEREOF, the undersigned being the Declarant herein has hereunto set its hand and seal as of the day and year first hereinabove set forth.

Section 8. Duty of the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

Section 9. The Effect of Non-payment of Assessments; Lien of Association. If an assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $20.00 and the assessment shall bear interest at the rate of ten percent (10%) per annum for such due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such Lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such Lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Common and Green Areas, specifying and itemizing the maintenance and repair expenses of the Common Areas and Green Areas and any other expenses incurred. Such records and the vouchers authorizing the

VL 8659:1029

payments shall be available on request for examination by the Owners and others with an interest such as encumbrancers or prospective lenders.

Section 12. Protection of Mortgagees. First mortgagees of Lots may pay taxes or other charges or assessments which are in default and which may become a lien against the Common or Green Areas and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Common and Green Areas and the first mortgagees making such payments shall be owed immediately reimbursement therefore from the Association.

IN WITNESS WHEREOF, the undersigned being the Declarant herein has hereunto set its hand and seal as of the day and year first hereinabove set forth.

All fences on Lots shall be maintained in good repair and in a clean and attractive manner.

ARTICLE IV

MEMBERSHIP AND VOTING RIGHTS IN THE ASSOCIATION

Section 1. Membership. Every person or entity who is a record owner of a fee or undivided fee interest in any Lot which is subject by covenants of record to assessment by the Association, including contract sellers, shall be a Member of the Association. The foregoing is not intended to include persons or entities who hold an interest merely as security for the performance of obligation. Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to assessment by the Association. Ownership of such Lot shall be the sole qualification for Membership. When more than one person holds a Membership interest in any Lot, all such persons shall be Members. The vote for such Lot shall be exercised as they among themselves determine, but in no event shall more than one (1) vote be cast with respect to any Lot.

Section 2. Voting Rights. There shall be two classes of voting Membership.

A. Class A Members will be all those Members other than Southcreek, Inc. Class A Members shall be entitled to one vote for each Lot in which they hold the interest required for Membership by Section 1. When Class B Membership has been coverted to Class A Membership, all Directors of the Association shall be elected by the Class A Members.

B. The Class B Members shall be Southcreek, Inc. or its successors or assigns. Class B Members shall be entitled to four votes for each Lot owned by the Declarant or its successors or assigns, and shall be entitled to elect all Members of the Board of Directors of the Association. Class B Membership may cease and be converted to Class A Membership at the option of the Class B Member, its successors or assigns by its written notice to the Secretary of the Association, and shall cease and be converted to Class A Membership without further act or deed when the total votes outstanding in the Class A Membership equal the total votes outstanding in the Class B Membership.

D. Should any builder own any lot which is the subject of these restrictions, that builder shall assign his voting rights to the developer. Said voting rights shall be voted as Class A Membership and not Class B Membership.

ARTICLE V

ADMINISTRATION AND MANAGEMENT

The administration of the Properties shall be governed by these covenants, the Articles of Incorporation, By-Laws, and published rules and regulations of the Association. VL 8659PG 858

C. The right of the Association to promulgate and publish rules and regulations which each Member shall strictly comply with.

Section 2. Personal Property for Common Use. The Association may acquire and hold for the use and benefit of all Members of the Association, tangible and intangible personal property and may dispose of the same by sale or otherwise, and the beneficial interest in any such property shall be owned by the Members of the Association and their interest therein shall not be transferable except that the interest of a Member who is an Owner shall be deemed to be transferred upon the transfer of the Member's Lot. A transfer of a Lot shall transfer to the transferee ownership of the transferor's beneficial interest in such personal property without any reference thereto or execution of a bill of sale. Each Owner may use such personal property in accordance with the purpose for which it is intended, without hindering or encroaching upon the lawful rights of the the other Owners. Sale of a Lot under foreclosure shall thereby entitle the purchase thereof to the beneficial interest in the personal property associated with the Lot.

ARTICLE VII

COVENANT FOR MAINTENANCE ASSESSMENT

Section 1. Creation of the Lien and Personal Obligation of Assessment. Declarant for each Lot owned by it within the Properties hereby covenants, and each Owner of any Lot by acceptance of the deed therefor, whether or not it shall be so expressed in acceptance of the deed therefor, shall be deemed to covenant and agree to pay to the Association annual assessments and special assessments for capital improvements. Such assessments shall be fixed, established and collected from time to time as hereinafter provided. The annual and special assessments, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall be a continuing lien upon the property against which each such assessment is made from the date hereinafter set forth. Each such assessment, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall also be a personal obligation of the person who is the Owner of such property at the time when the assessment fell due. Such personal obligation shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, enjoyment and welfare of the residents in the Properties and in particular for the improvements and maintenance of property, services and facilities devoted to the purpose and related to the use and enjoyment of homes situated upon the Properties and any other purpose reasonable, necessary or incidental to such purposes.

Section 3. Basis of Annual Assessment. Unless changed by vote of the Membership, as hereinafter provided, the maximum annual assessment for any Lot owned by Class A Members on which is located in a single family detached dwelling shall be $250.00 per year. The assessment for Lots owned by Class A Members shall be at such assessment ratio as shall be determined by the Board of Directors for that particular development within six (6) months after its annexation to the Properties, having in mind the additional amenities furnished to the particular Lot not otherwise available to the Members. Such assessment ratio shall not thereafter be changed by the Board of Directors without approval of sixty-six percent (66%) of the Members.

The assessments shall be based upon the cash requirements deemed to be such aggregate sums as the Board of Directors of the Association shall from time to time determine is necessary to provide for the payment of all estimated expenses growing out of or connected with the maintenance and operation of the Green Area, which sum may include, but not limited to, any special assessments on the Common or Green Areas, insurance premiums for vandalism and malicious mischief, with endorsements attached, issued in the amount of the maximum replacement value of all of the Common Area improvements; casualty and public liability and other insurance premiums; landscaping and care of grounds; streets, lighting, repairs and renovations of Common Areas and Green Areas, wages, charges for water used by the Association, grounds maintenance, any expenses of providing security and protection for the Owners, legal and accounting fees, management fees,

expenses and liabilities incurred by the Board of Directors under or by reason of this Declaration, the payment of any deficit remaining for a previous period, the creation of a reasonable contingency or other reserve or surplus funds as well as any and all other costs and expenses necessary to carry out the terms and intent of this Declaration. The Association shall maintain an adequate reserve fund out of the annual assessments rather than by period assessment for the maintenance, repair and replacement of those elements of the Common Area and Green Areas that must be replaced on a periodic basis. The Board of Directors of the Association may after consideration of the current maintenance costs and the financial requirements of the Association fix the annual actual assessment at an amount less than the maximum. Such reserve fund shall not be used to construct or establish new capital improvements without an affirmative vote of one-half of each class of Members.

Any agreement for management of the Associations's business or any other contract for services by the Declarant must provide for termination by either party without cause or payment of a termination fee on thirty (30) days or less written notice and a maximum contract term of three (3) years.

The maximum annual assessment may be changed as follows:

A. From and after January 1, 1988, the maximum annual assessment may be increased each year not more than ten percent (10%) above the maximum assessment for the previous year without a vote of the Membership.

B. From and after January 1, 1988, the maximum annual assessment may be increased above ten percent (10%) by a vote of one-half (1/2) of each class of Members who are voting in person or by proxy, at a meeting duly called for this purpose.

C. The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. Upon vote of the Members of the Association in the manner hereinafter set forth, the Association may levy in addition to annual assessments a special assessment in any calendar year applicable to that year only, for the purpose of defraying in whole or in part the costs of construction or reconstruction or expected repair or replacement of a described capital improvement upon the Common Area or Green Area, including necessary fixtures and personal property related thereto, provided that, any such assessment shall have the assent of sixty percent (60%) of the votes of each class of Members who are voting in person, or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than thirty (30) days nor more that sixty (60) days in advance of the meeting setting forth the purpose of the meeting. The assessment ratio for any Lot, as determined pursuant to Section 3, shall be applicable to special assessment.

Section 5. Voting and Notices for Special Assessment and Change of Maximum Assessment. Written notice of any meeting of Members called to change the maximum annual assessment or to levy a special assessment shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the date of such meeting, setting forth the purpose of the meeting.

Section 6. Quorum for Action Authorized Under Section 4 and 5. The quorum required for any action authorized in Section 4 and 5 of this Article VI shall be as follows:

At the first meeting called, as provided in Section 4 and 5 hereof, the presence at the meeting of Members, or of proxies entitled to cast sixty percent (60%) of all votes of each class of Membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in Sections 4 and 5 and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessment. The initial annual assessments shall commence on the first day of such month as

W 8659 860

determined by the Board of Directors of the Association, shall be made for the balance of the calendar year, and shall be due and payable on the date fixed by the Board. Annual assessments for any year after the first year shall become due and payable on or before February 1 of such year, and at the Board's discretion may be collected on a monthly basis.

The amount of the initial annual assessment for the first year in which assessments are made or for any property which becomes subject to assessments for the first time shall be prorated on a calendar year basis according to the date on which property first became subject to assessment.

The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

Section 8. Duty of the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

Section 9. The Effect of Non-payment of Assessments; Lien of Association. If an assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $20.00 and the assessment shall bear interest at the rate of ten percent (10%) per annum for such due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such Lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Common and Green Areas, specifying and itemizing the maintenance and repair expenses of the Common Areas and Green Areas and any other expenses incurred. Such records and the vouchers authorizing the

payments shall be available on request for examination by the Owners and others with an interest such as encumbrancers or prospective lenders.

Section 12. Protection of Mortgagees. First mortgagees of Lots may pay taxes or other charges or assessments which are in default and which may become a lien against the Common or Green Areas and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Common and Green Areas and the first mortgagees making such payments shall be owed immediately reimbursement therefore from the Association.

ADMINISTRATION AND MANAGEMENT

The administration of the Properties shall be governed by these covenants, the Articles of Incorporation, By-Laws, and published rules and regulations of the Association. As shown and reserved to Declarant in the Articles of Incorporation and By-Laws for the Association, the designation and appointment of the Board of Directors for the Association may, at Declarant's option, be exercised solely by the Declarant until the Class B Membership terminates.

A. The right of the Association to limit the number of guests of Members.

B. The rights of the Declarant and of the Association, in accordance with its Articles and By-Laws, to borrow money for the purpose of improving the Green Area and with written consent of the Members entitled to vote seventy-five percent (75%) the votes of each class of Membership to mortgage said Common Areas and Green Areas as security for any such loan.

C. The right of the Association to promulgate and publish rules and regulations which each Member shall strictly comply with.

The Association may acquire and hold for the use and benefit of all Members of the Association, tangible and intangible personal property and may dispose of the same by sale or otherwise, and the beneficial interest in any such property shall be owned by the Members of the Association and their interest therein shall not be transferable except that the interest of a Member who is an Owner shall be deemed to be transferred upon the transfer of the Member's Lot. A transfer of a Lot shall transfer to the transferee ownership of the transferor's beneficial interest in such personal property without any reference thereto or execution of a bill of sale. Each Owner may use such personal property in accordance with the purpose for which it is intended, without hindering or encroaching upon the lawful rights of the the other Owners. Sale of a Lot under foreclosure shall thereby entitle the purchase thereof to the beneficial interest in the personal property associated with the Lot.

ARTICLE VII

COVENANT FOR MAINTENANCE ASSESSMENT

Section 1. Creation of the Lien and Personal Obligation of Assessment. Declarant for each Lot owned by it within the Properties hereby covenants, and each Owner of any Lot by acceptance of the deed therefor, whether or not it shall be so expressed in acceptance of the deed therefor, shall be deemed to covenant and agree to pay to the Association annual assessments and special assessments for capital improvements. Such assessments shall be fixed, established and collected from time to time as hereinafter provided. The annual and special assessments, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall be a continuing lien upon the property against which each such assessment is made from the date hereinafter set forth. Each such assessment, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall also be a personal obligation of the person who is the Owner of such property at the time when the assessment fell due. Such personal obligation shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, enjoyment and welfare of the residents in the Properties and in particular for the improvements and maintenance of property, services and facilities devoted to the purpose and related to the use and enjoyment of homes situated upon the Properties and any other purpose reasonable, necessary or incidental to such purposes.

Section 3. Basis of Annual Assessment. Unless changed by vote of the Membership, as hereinafter provided, the maximum annual assessment for any Lot owned by Class A Members on which is located in a single family detached dwelling shall be $250.00 per year. The assessment for Lots owned by Class A Members shall be at such assessment ratio as shall be determined by the Board of Directors for that particular development within six (6) months after its annexation to the Properties, having in mind the additional amenities furnished to the particular Lot not otherwise available to the Members. Such assessment ratio shall not thereafter be changed by the Board of Directors without approval of sixty-six percent (66%) of the Members.

The assessments shall be based upon the cash requirements deemed to be such aggregate sums as the Board of Directors of the Association shall from time to time determine is necessary to provide for the payment of all estimated expenses growing out of or connected with the maintenance and operation of the Green Area, which sum may include, but not limited to, any special assessments on the Common or Green Areas, insurance premiums for vandalism and malicious mischief, with endorsements attached, issued in the amount of the maximum replacement value of all of the Common Area improvements; casualty and public liability and other insurance premiums; landscaping and care of grounds; streets, lighting, repairs and renovations of Common Areas and Green Areas, wages, charges for water used by the Association, grounds maintenance, any expenses of providing security and protection for the Owners, legal and accounting fees, management fees,

expenses and liabilities incurred by the Board of Directors under or by reason of this Declaration, the payment of any deficit remaining for a previous period, the creation of a reasonable contingency or other reserve or surplus funds as well as any and all other costs and expenses necessary to carry out the terms and intent of this Declaration. The Association shall maintain an adequate reserve fund out of the annual assessments rather than by period assessment for the maintenance, repair and replacement of those elements of the Common Area and Green Areas that must be replaced on a periodic basis. The Board of Directors of the Association may after consideration of the current maintenance costs and the financial requirements of the Association fix the annual actual assessment at an amount less than the maximum. Such reserve fund shall not be used to construct or establish new capital improvements without an affirmative vote of one-half of each class of Members.

Any agreement for management of the Associations's business or any other contract for services by the Declarant must provide for termination by either party without cause or payment of a termination fee on thirty (30) days or less written notice and a maximum contract term of three (3) years.

The maximum annual assessment may be changed as follows:

A. From and after January 1, 1988, the maximum annual assessment may be increased each year not more than ten percent (10%) above the maximum assessment for the previous year without a vote of the Membership.

B. From and after January 1, 1988, the maximum annual assessment may be increased above ten percent (10%) by a vote of one-half (1/2) of each class of Members who are voting in person or by proxy, at a meeting duly called for this purpose.

C. The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. Upon vote of the Members of the Association in the manner hereinafter set forth, the Association may levy in addition to annual assessments a special assessment in any calendar year applicable to that year only, for the purpose of defraying in whole or in part the costs of construction or reconstruction or expected repair or replacement of a described capital improvement upon the Common Area or Green Area, including necessary fixtures and personal property related thereto, provided that, any such assessment shall have the assent of sixty percent (60%) of the votes of each class of Members who are voting in person, or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than thirty (30) days nor more that sixty (60) days in advance of the meeting setting forth the purpose of the meeting. The assessment ratio for any Lot, as determined pursuant to Section 3, shall be applicable to special assessment.

Section 5. Voting and Notices for Special Assessment and Change of Maximum Assessment. Written notice of any meeting of Members called to change the maximum annual assessment or to levy a special assessment shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the date of such meeting, setting forth the purpose of the meeting.

Section 6. Quorum for Action Authorized Under Section 4 and 5. The quorum required for any action authorized in Section 4 and 5 of this Article VI shall be as follows:

At the first meeting called, as provided in Section 4 and 5 hereof, the presence at the meeting of Members, or of proxies entitled to cast sixty percent (60%) of all votes of each class of Membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in Sections 4 and 5 and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessment. The initial annual assessments shall commence on the first day of such month as

determined by the Board of Directors of the Association, shall be made for the balance of the calendar year, and shall be due and payable on the date fixed by the Board. Annual assessments for any year after the first year shall become due and payable on or before February 1 of such year, and at the Board's discretion may be collected on a monthly basis.

The amount of the initial annual assessment for the first year in which assessments are made or for any property which becomes subject to assessments for the first time shall be prorated on a calendar year basis according to the date on which property first became subject to assessment.

The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

Section 8. Duty of the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

Section 9. The Effect of Non-payment of Assessments; Lien of Association. If an assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $20.00 and the assessment shall bear interest at the rate of ten percent (10%) per annum for such due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such Lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Common and Green Areas, specifying and itemizing the maintenance and repair expenses of the Common Areas and Green Areas and any other expenses incurred. Such records and the vouchers authorizing the

payments shall be available on request for examination by the Owners and others with an interest such as encumbrancers or prospective lenders.

Section 12. Protection of Mortgagees. First mortgagees of Lots may pay taxes or other charges or assessments which are in default and which may become a lien against the Common or Green Areas and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Common and Green Areas and the first mortgagees making such payments shall be owed immediately reimbursement therefore from the Association.

IN WITNESS WHEREOF, the undersigned being the Declarant herein has hereunto set its hand and seal as of the day and year first hereinabove set forth.

Section 1. Membership. Every person or entity who is a record owner of a fee or undivided fee interest in any Lot which is subject by covenants of record to assessment by the Association, including contract sellers, shall be a Member of the Association. The foregoing is not intended to include persons or entities who hold an interest merely as security for the performance of obligation. Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to assessment by the Association. Ownership of such Lot shall be the sole qualification for Membership. When more than one person holds a Membership interest in any Lot, all such persons shall be Members. The vote for such Lot shall be exercised as they among themselves determine, but in no event shall more than one (1) vote be cast with respect to any Lot.

Section 2. Voting Rights. There shall be two classes of voting Membership.

Each Owner may use such personal property in accordance with the purpose for which it is intended, without hindering or encroaching upon the lawful rights of the the other Owners. Sale of a Lot under foreclosure shall thereby entitle the purchase thereof to the beneficial interest in the personal property associated with the Lot.

ARTICLE VII

COVENANT FOR MAINTENANCE ASSESSMENT

Section 1. Creation of the Lien and Personal Obligation of Assessment. Declarant for each Lot owned by it within the Properties hereby covenants, and each Owner of any Lot by acceptance of the deed therefor, whether or not it shall be so expressed in acceptance of the deed therefor, shall be deemed to covenant and agree to pay to the Association annual assessments and special assessments for capital improvements. Such assessments shall be fixed, established and collected from time to time as hereinafter provided. The annual and special assessments, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall be a continuing lien upon the property against which each such assessment is made from the date hereinafter set forth. Each such assessment, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall also be a personal obligation of the person who is the Owner of such property at the time when the assessment fell due. Such personal obligation shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, enjoyment and welfare of the residents in the Properties and in particular for the improvements and maintenance of property, services and facilities devoted to the purpose and related to the use and enjoyment of homes situated upon the Properties and any other purpose reasonable, necessary or incidental to such purposes.

Section 3. Basis of Annual Assessment. Unless changed by vote of the Membership, as hereinafter provided, the maximum annual assessment for any Lot owned by Class A Members on which is located in a single family detached dwelling shall be $250.00 per year. The assessment for Lots owned by Class A Members shall be at such assessment ratio as shall be determined by the Board of Directors for that particular development within six (6) months after its annexation to the Properties, having in mind the additional amenities furnished to the particular Lot not otherwise available to the Members. Such assessment ratio shall not thereafter be changed by the Board of Directors without approval of sixty-six percent (66%) of the Members.

The assessments shall be based upon the cash requirements deemed to be such aggregate sums as the Board of Directors of the Association shall from time to time determine is necessary to provide for the payment of all estimated expenses growing out of or connected with the maintenance and operation of the Green Area, which sum may include, but not limited to, any special assessments on the Common or Green Areas, insurance premiums for vandalism and malicious mischief, with endorsements attached, issued in the amount of the maximum replacement value of all of the Common Area improvements; casualty and public liability and other insurance premiums; landscaping and care of grounds; streets, lighting, repairs and renovations of Common Areas and Green Areas, wages, charges for water used by the Association, grounds maintenance, any expenses of providing security and protection for the Owners, legal and accounting fees, management fees,

expenses and liabilities incurred by the Board of Directors under or by reason of this Declaration, the payment of any deficit remaining for a previous period, the creation of a reasonable contingency or other reserve or surplus funds as well as any and all other costs and expenses necessary to carry out the terms and intent of this Declaration. The Association shall maintain an adequate reserve fund out of the annual assessments rather than by period assessment for the maintenance, repair and replacement of those elements of the Common Area and Green Areas that must be replaced on a periodic basis. The Board of Directors of the Association may after consideration of the current maintenance costs and the financial requirements of the Association fix the annual actual assessment at an amount less than the maximum. Such reserve fund shall not be used to construct or establish new capital improvements without an affirmative vote of one-half of each class of Members.

Any agreement for management of the Associations's business or any other contract for services by the Declarant must provide for termination by either party without cause or payment of a termination fee on thirty (30) days or less written notice and a maximum contract term of three (3) years.

The maximum annual assessment may be changed as follows:

A. From and after January 1, 1988, the maximum annual assessment may be increased each year not more than ten percent (10%) above the maximum assessment for the previous year without a vote of the Membership.

B. From and after January 1, 1988, the maximum annual assessment may be increased above ten percent (10%) by a vote of one-half (1/2) of each class of Members who are voting in person or by proxy, at a meeting duly called for this purpose.

C. The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. Upon vote of the Members of the Association in the manner hereinafter set forth, the Association may levy in addition to annual assessments a special assessment in any calendar year applicable to that year only, for the purpose of defraying in whole or in part the costs of construction or reconstruction or expected repair or replacement of a described capital improvement upon the Common Area or Green Area, including necessary fixtures and personal property related thereto, provided that, any such assessment shall have the assent of sixty percent (60%) of the votes of each class of Members who are voting in person, or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than thirty (30) days nor more that sixty (60) days in advance of the meeting setting forth the purpose of the meeting. The assessment ratio for any Lot, as determined pursuant to Section 3, shall be applicable to special assessment.

Section 5. Voting and Notices for Special Assessment and Change of Maximum Assessment. Written notice of any meeting of Members called to change the maximum annual assessment or to levy a special assessment shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the date of such meeting, setting forth the purpose of the meeting.

Section 6. Quorum for Action Authorized Under Section 4 and 5. The quorum required for any action authorized in Section 4 and 5 of this Article VI shall be as follows:

At the first meeting called, as provided in Section 4 and 5 hereof, the presence at the meeting of Members, or of proxies entitled to cast sixty percent (60%) of all votes of each class of Membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in Sections 4 and 5 and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessment. The initial annual assessments shall commence on the first day of such month as

determined by the Board of Directors of the Association, shall be made for the balance of the calendar year, and shall be due and payable on the date fixed by the Board. Annual assessments for any year after the first year shall become due and payable on or before February 1 of such year, and at the Board's discretion may be collected on a monthly basis.

The amount of the initial annual assessment for the first year in which assessments are made or for any property which becomes subject to assessments for the first time shall be prorated on a calendar year basis according to the date on which property first became subject to assessment.

The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

Section 8. Duty of the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

Section 9. The Effect of Non-payment of Assessments; Lien of Association. If an assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $20.00 and the assessment shall bear interest at the rate of ten percent (10%) per annum for such due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such Lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Common and Green Areas, specifying and itemizing the maintenance and repair expenses of the Common Areas and Green Areas and any other expenses incurred. Such records and the vouchers authorizing the

payments shall be available on request for examination by the Owners and others with an interest such as encumbrancers or prospective lenders.

Section 12. Protection of Mortgagees. First mortgagees of Lots may pay taxes or other charges or assessments which are in default and which may become a lien against the Common or Green Areas and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Common and Green Areas and the first mortgagees making such payments shall be owed immediately reimbursement therefore from the Association.

All fences on Lots shall be maintained in good repair and in a clean and attractive manner.

ARTICLE IV

MEMBERSHIP AND VOTING RIGHTS IN THE ASSOCIATION

Section 1. Membership. Every person or entity who is a record owner of a fee or undivided fee interest in any Lot which is subject by covenants of record to assessment by the Association, including contract sellers, shall be a Member of the Association. The foregoing is not intended to include persons or entities who hold an interest merely as security for the performance of obligation. Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to assessment by the Association. Ownership of such Lot shall be the sole qualification for Membership. When more than one person holds a Membership interest in any Lot, all such persons shall be Members. The vote for such Lot shall be exercised as they among themselves determine, but in no event shall more than one (1) vote be cast with respect to any Lot.

Section 2. Voting Rights. There shall be two classes of voting Membership.

A. Class A Members will be all those Members other than Southcreek, Inc. Class B Members shall be entitled to four votes for each Lot owned by the Declarant or its successors or assigns, and shall be entitled to elect all Members of the Board of Directors of the Association. C. As long as a Class B Membership exists, Associate Memberships in the Association will not be established by the Board of Directors of the Association without an affirmative vote of a majority of the Class A Members of the Association.

D. Should any builder own any lot which is the subject of these restrictions, that builder shall assign his voting rights to the developer. Said voting rights shall be voted as Class A Membership and not Class B Membership.

ARTICLE V

ADMINISTRATION AND MANAGEMENT

The administration of the Properties shall be governed by these covenants, the Articles of Incorporation, By-Laws, and published rules and regulations of the Association. As shown and reserved to Declarant in the Articles of Incorporation and By-Laws for the Association, the designation and appointment of the Board of Directors for the Association may, at Declarant's option, be exercised solely by the Declarant until the Class B Membership terminates.

Section 1. Extent of Members' Easements. The rights and easements of enjoyment created hereby shall be subject to the following:

A. The right of the Association to limit the number of guests of Members.

B. The rights of the Declarant and of the Association, in accordance with its Articles and By-Laws, to borrow money for the purpose of improving the Green Area and with written consent of the Members entitled to vote seventy-five percent (75%) the votes of each class of Membership to mortgage said Common Areas and Green Areas as security for any such loan.

VOL. 8752 PG. 1102

C. The right of the Association to promulgate and publish rules and regulations which each Member shall strictly comply with.

Section 2. Personal Property for Common Use. The Association may acquire and hold for the use and benefit of all Members of the Association, tangible and intangible personal property and may dispose of the same by sale or otherwise, and the beneficial interest in any such property shall be owned by the Members of the Association and their interest therein shall not be transferable except that the interest of a Member who is an Owner shall be deemed to be transferred upon the transfer of the Member's Lot. A transfer of a Lot shall transfer to the transferee ownership of the transferor's beneficial interest in such personal property without any reference thereto or execution of a bill of sale. Each Owner may use such personal property in accordance with the purpose for which it is intended, without hindering or encroaching upon the lawful rights of the the other Owners. Sale of a Lot under foreclosure shall thereby entitle the purchase thereof to the beneficial interest in the personal property associated with the Lot.

ARTICLE VII

COVENANT FOR MAINTENANCE ASSESSMENT

Section 1. Creation of the Lien and Personal Obligation of Assessment. Declarant for each Lot owned by it within the Properties hereby covenants, and each Owner of any Lot by acceptance of the deed therefor, whether or not it shall be so expressed in acceptance of the deed therefor, shall be deemed to covenant and agree to pay to the Association annual assessments and special assessments for capital improvements. Such assessments shall be fixed, established and collected from time to time as hereinafter provided. The annual and special assessments, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall be a continuing lien upon the property against which each such assessment is made from the date hereinafter set forth. Each such assessment, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall also be a personal obligation of the person who is the Owner of such property at the time when the assessment fell due. Such personal obligation shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, enjoyment and welfare of the residents in the Properties and in particular for the improvements and maintenance of property, services and facilities devoted to the purpose and related to the use and enjoyment of homes situated upon the Properties and any other purpose reasonable, necessary or incidental to such purposes.

Section 3. Basis of Annual Assessment. Unless changed by vote of the Membership, as hereinafter provided, the maximum annual assessment for any Lot owned by Class A Members on which is located in a single family detached dwelling shall be $250.00 per year. The assessment for Lots owned by Class A Members shall be at such assessment ratio as shall be determined by the Board of Directors for that particular development within six (6) months after its annexation to the Properties, having in mind the additional amenities furnished to the particular Lot not otherwise available to the Members. Such assessment ratio shall not thereafter be changed by the Board of Directors without approval of sixty-six percent (66%) of the Members.

The assessments shall be based upon the cash requirements deemed to be such aggregate sums as the Board of Directors of the Association shall from time to time determine is necessary to provide for the payment of all estimated expenses growing out of or connected with the maintenance and operation of the Green Area, which sum may include, but not limited to, any special assessments on the Common or Green Areas, insurance premiums for vandalism and malicious mischief, with endorsements attached, issued in the amount of the maximum replacement value of all of the Common Area improvements; casualty and public liability and other insurance premiums; landscaping and care of grounds; streets, lighting, repairs and renovations of Common Areas and Green Areas, wages, charges for water used by the Association, grounds maintenance, any expenses of providing security and protection for the Owners, legal and accounting fees, management fees,

expenses and liabilities incurred by the Board of Directors under or by reason of this Declaration, the payment of any deficit remaining for a previous period, the creation of a reasonable contingency or other reserve or surplus funds as well as any and all other costs and expenses necessary to carry out the terms and intent of this Declaration. The Association shall maintain an adequate reserve fund out of the annual assessments rather than by period assessment for the maintenance, repair and replacement of those elements of the Common Area and Green Areas that must be replaced on a periodic basis. The Board of Directors of the Association may after consideration of the current maintenance costs and the financial requirements of the Association fix the annual actual assessment at an amount less than the maximum. Such reserve fund shall not be used to construct or establish new capital improvements without an affirmative vote of one-half of each class of Members.

Any agreement for management of the Associations's business or any other contract for services by the Declarant must provide for termination by either party without cause or payment of a termination fee on thirty (30) days or less written notice and a maximum contract term of three (3) years.

The maximum annual assessment may be changed as follows:

A. From and after January 1, 1988, the maximum annual assessment may be increased each year not more than ten percent (10%) above the maximum assessment for the previous year without a vote of the Membership.

B. From and after January 1, 1988, the maximum annual assessment may be increased above ten percent (10%) by a vote of one-half (1/2) of each class of Members who are voting in person or by proxy, at a meeting duly called for this purpose.

C. The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. Upon vote of the Members of the Association in the manner hereinafter set forth, the Association may levy in addition to annual assessments a special assessment in any calendar year applicable to that year only, for the purpose of defraying in whole or in part the costs of construction or reconstruction or expected repair or replacement of a described capital improvement upon the Common Area or Green Area, including necessary fixtures and personal property related thereto, provided that, any such assessment shall have the assent of sixty percent (60%) of the votes of each class of Members who are voting in person, or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting setting forth the purpose of the meeting. The assessment ratio for any Lot, as determined pursuant to Section 3, shall be applicable to special assessment.

Section 5. Voting and Notices for Special Assessment and Change of Maximum Assessment. Written notice of any meeting of Members called to change the maximum annual assessment or to levy a special assessment shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the date of such meeting, setting forth the purpose of the meeting.

Section 6. Quorum for Action Authorized Under Section 4 and 5. The quorum required for any action authorized in Section 4 and 5 of this Article VI shall be as follows:

At the first meeting called, as provided in Section 4 and 5 hereof, the presence at the meeting of Members, or of proxies entitled to cast sixty percent (60%) of all votes of each class of Membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in Sections 4 and 5 and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessment. The initial annual assessments shall commence on the first day of such month as

determined by the Board of Directors of the Association, shall be made for the balance of the calendar year, and shall be due and payable on the date fixed by the Board. Annual assessments for any year after the first year shall become due and payable on or before February 1 of such year, and at the Board's discretion may be collected on a monthly basis.

The amount of the initial Annual assessment for the first year in which assessments are made or for any property which becomes subject to assessments for the first time shall be prorated on a calendar year basis according to the date on which property first became subject to assessment.

The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

Section 8. Duty of the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

Section 9. The Effect of Nonpayment of Assessments; Lien of Association. If an assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $20.00 and the assessment shall bear interest at the rate of ten percent (10%) per annum for such due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such Lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Common and Green Areas, specifying and itemizing the maintenance and repair expenses of the Common Areas and Green Areas and any other expenses incurred. Such records and the vouchers authorizing the

payments shall be available on request for examination by the Owners and others with an interest such as encumbrancers or prospective lenders.

Section 12. Protection of Mortgagees. First mortgagees of Lots may pay taxes or other charges or assessments which are in default and which may become a lien against the Common or Green Areas and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Common and Green Areas and the first mortgagees making such payments shall be owed immediately reimbursement therefore from the Association.

IN WITNESS WHEREOF, the undersigned being the Declarant herein has hereunto set its hand and seal as of the day and year first hereinabove set forth.

The assessment for Lots owned by Class A Members shall be at such assessment ratio as shall be determined by the Board of Directors for that particular development within six (6) months after its annexation to the Properties, having in mind the additional amenities furnished to the particular Lot not otherwise available to the Members. Such assessment ratio shall not thereafter be changed by the Board of Directors without approval of sixty-six percent (66%) of the Members.

The assessments shall be based upon the cash requirements deemed to be such aggregate sums as the Board of Directors of the Association shall from time to time determine is necessary to provide for the payment of all estimated expenses growing out of or connected with the maintenance and operation of the Green Area, which sum may include, but not limited to, any special assessments on the Common or Green Areas, insurance premiums for vandalism and malicious mischief, with endorsements attached, issued in the amount of the maximum replacement value of all of the Common Area improvements; casualty and public liability and other insurance premiums; landscaping and care of grounds; streets, lighting, repairs and renovations of Common Areas and Green Areas, wages, charges for water used by the Association, grounds maintenance, any expenses of providing security and protection for the Owners, legal and accounting fees, management fees,

N 8659N1035

expenses and liabilities incurred by the Board of Directors under or by reason of this Declaration, the payment of any deficit remaining for a previous period, the creation of a reasonable contingency or other reserve or surplus funds as well as any and all other costs and expenses necessary to carry out the terms and intent of this Declaration. The Association shall maintain an adequate reserve fund out of the annual assessments rather than by period assessment for the maintenance, repair and replacement of those elements of the Common Area and Green Areas that must be replaced on a periodic basis. The Board of Directors of the Association may after consideration of the current maintenance costs and the financial requirements of the Association fix the annual actual assessment at an amount less than the maximum. Such reserve fund shall not be used to construct or establish new capital improvements without an affirmative vote of one-half of each class of Members.

Any agreement for management of the Associations's business or any other contract for services by the Declarant must provide for termination by either party without cause or payment of a termination fee on thirty (30) days or less written notice and a maximum contract term of three (3) years.

The maximum annual assessment may be changed as follows:

A. From and after January 1, 1988, the maximum annual assessment may be increased each year not more than ten percent (10%) above the maximum assessment for the previous year without a vote of the Membership.

B. From and after January 1, 1988, the maximum annual assessment may be increased above ten percent (10%) by a vote of one-half (1/2) of each class of Members who are voting in person or by proxy, at a meeting duly called for this purpose.

C. The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. Upon vote of the Members of the Association in the manner hereinafter set forth, the Association may levy in addition to annual assessments a special assessment in any calendar year applicable to that year only, for the purpose of defraying in whole or in part the costs of construction or reconstruction or expected repair or replacement of a described capital improvement upon the Common Area or Green Area, including necessary fixtures and personal property related thereto, provided that, any such assessment shall have the assent of sixty percent (60%) of the votes of each class of Members who are voting in person, or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than thirty (30) days nor more that sixty (60) days in advance of the meeting setting forth the purpose of the meeting. The assessment ratio for any Lot, as determined pursuant to Section 3, shall be applicable to special assessment.

Section 5. Voting and Notices for Special Assessment and Change of Maximum Assessment. Written notice of any meeting of Members called to change the maximum annual assessment or to levy a special assessment shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the date of such meeting, setting forth the purpose of the meeting.

Section 6. Quorum for Action Authorized Under Section 4 and 5. The quorum required for any action authorized in Section 4 and 5 of this Article VI shall be as follows:

At the first meeting called, as provided in Section 4 and 5 hereof, the presence at the meeting of Members, or of proxies entitled to cast sixty percent (60%) of all votes of each class of Membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in Sections 4 and 5 and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessment. The initial annual assessments shall commence on the first day of such month as

R 8659/1036

determined by the Board of Directors of the Association, shall be made for the balance of the calendar year, and shall be due and payable on the date fixed by the Board. Annual assessments for any year after the first year shall become due and payable on or before February 1 of such year, and at the Board's discretion may be collected on a monthly basis.

The amount of the initial annual assessment for the first year in which assessments are made or for any property which becomes subject to assessments for the first time shall be prorated on a calendar year basis according to the date on which property first became subject to assessment.

The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

Section 8. Duty of the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

Section 9. The Effect of Non-payment of Assessments; Lien of Association. If an assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $20.00 and the assessment shall bear interest at the rate of ten percent (10%) per annum for such due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such Lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Common and Green Areas, specifying and itemizing the maintenance and repair expenses of the Common Areas and Green Areas and any other expenses incurred. Such records and the vouchers authorizing the

H 8659E1037

payments shall be available on request for examination by the Owners and others with an interest such as encumbrancers or prospective lenders.

Section 17. Protection of Mortgagees. First mortgagees of Lots may pay taxes or other charges or assessments which are in default and which may become a lien against the Common or Green Areas and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Common and Green Areas and the first mortgagees making such payments shall be owed immediately reimbursement therefore from the Association.

IN WITNESS WHEREOF, the undersigned being the Declarant herein has hereunto set its hand and seal as of the day and year first hereinabove set forth.

VOL. 8752 PG. 1117

Section 1. Membership. Every person or entity who is a record owner of a fee or undivided fee interest in any Lot which is subject by covenants of record to assessment by the Association, including contract sellers, shall be a Member of the Association. The foregoing is not intended to include persons or entities who hold an interest merely as security for the performance of obligations. Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to an assessment by the Association. Ownership of such Lot shall be the sole qualification for Membership. When more than one person holds a Membership in any Lot, all such persons shall be Members. The vote for such Lot shall be exercised as they among themselves determine, but in no event shall more than one (1) vote be cast with respect to any Lot.

Section 2. Voting Rights. There shall be two classes of voting Membership.

A. Class A Members will be all those owners other than Southcreek, Inc. C. As long as a Class B Membership exists, Associate Memberships in the Association will not be established by the Board of Directors of the Association without an affirmative vote of a majority of the Class A Members of the Association.

D. Should any builder own any Lot subject to the subject of these restrictions, that builder shall assign his voting rights to the developer. Said voting rights shall be voted as Class A Membership and not Class B Membership.

ARTICLE V

ADMINISTRATION AND MANAGEMENT

The administration of the property shall be governed by these covenants, the Articles of Incorporation, by-laws, and published rules and regulations of the Association. As such, and reserved to Declarant in the Articles of Incorporation and by-laws for the Association, the designation and appointment of the Board of Directors for the Association may, at Declarant's option, be exercised solely by the Declarant until the Class B Membership terminates.

Section 1. Extent of Members' Easements. The rights and easements of enjoyment created hereby shall be subject to the following:

A. The right of the Association to limit the number of guests of Members.

B. The rights of the Declarant and the Association, in accordance with its Articles and By-Laws, to borrow money for the purpose of improving the Green Area and with the written consent of the Members entitled to vote seventy-five percent (75%) the votes of each class of Membership to mortgage said Common Areas and Green Areas as security for any such loan.

C. The right of the Association to promulgate and publish rules and regulations which each Member shall strictly comply with.

Section 2. Personal Property for Common Use. The Association may acquire and hold for the use and benefit of all Members of the Association, tangible and intangible personal property and may dispose of the same by sale or otherwise, and the beneficial interest in any such property shall be owned by the Members of the Association and their interest therein shall not be transferable except that the interest of a Member who is an Owner shall be deemed to be transferred upon the transfer of the Member's Lot. A transfer of a Lot shall transfer to the transferee ownership of the transferor's beneficial interest in such personal property without any reference thereto or execution of a bill of sale. Each Owner may use such personal property in accordance with the purpose for which it is intended, without hindering or encroaching upon the lawful rights of the other Owners. Sale of a Lot under foreclosure shall entitle the purchaser thereof to the beneficial interest in the personal property associated with the Lot.

ARTICLE VII

COVENANT FOR MAINTENANCE ASSESSMENT

Section 1. Creation of the Lien and Personal Obligation of Assessment. Declarant for each Lot owned by it within the Properties hereby covenants, and each Owner of any Lot by acceptance of a deed therefor, whether or not it shall be so expressed in any deed or other conveyance, is deemed to covenant and agree to pay to the Association annual assessments and special assessments for capital improvements. Such assessments shall be fixed, established and collected from time to time as hereinafter provided. The annual and special assessments, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall be a continuing lien upon the property against which each such assessment is made from the date hereinafter set forth. Each such assessment, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall also be a personal obligation of the person who is the Owner of such property at the time when the assessment fell due. Such personal obligation shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, enjoyment and welfare of the residents in the Properties and in particular for the improvement and maintenance of property, services and facilities devoted to the purpose and related to the use and enjoyment of homes situated upon the Properties and any other purpose reasonable, necessary or incidental to such purposes.

Section 3. Basis of Annual Assessments. Unless changed by vote of the Membership, as hereinafter provided, the maximum annual assessment for any Lot owned by Class A Members on which is located a single family detached dwelling shall be $250.00 per year. The assessment for Lots owned by Class A Members shall be at such assessment ratio as shall be determined by the Board of Directors for that particular development within six (6) months after its annexation to the Properties, having in mind the additional amenities furnished to the particular Lot not otherwise available to the Members. Such assessment ratio shall not thereafter be changed by the Board of Directors without approval of sixty-six percent (66%) of the Members.

The assessments shall be based upon the requirements deemed to be such aggregate sums as the Board of Directors of the Association shall from time to time determine is necessary to provide for the payment of all estimated expenses growing out of or connected with the maintenance and operation of the Green Area, which sum may include, but not limited to, any special assessments on the Common or Green Areas, insurance premiums for vandalism and malicious mischief, with endorsements attached, issued in the amount of the maximum replacement value of all of the Common Area improvements; casualty and public liability and other insurance premiums; landscaping and care of grounds; streets, lighting, repairs and renovations of Common Areas and Green Areas, wages, [illegible] for water used by the Association, grounds maintenance, any expense of providing security and protection for the Owners, legal and accounting fees, management fees,

expenses and liabilities incurred by the Board of Directors under or by reason of this Declaration, the payment of any deficit remaining for a previous period, the creation of a reasonable contingency or other reserve or surplus funds as well as any and all other costs and expenses necessary to carry out the terms and intent of this Declaration. The Association shall maintain an adequate reserve fund out of the annual assessments rather than by period assessment for the maintenance, repair and replacement of those elements of the Common Area and Green Area that must be replaced on a periodic basis. The Board of Directors of the Association may after consideration of the current maintenance costs and the financial requirements of the Association fix the annual actual assessment at an amount less than the maximum. Such reserve fund shall not be used to construct or establish new capital improvements without an affirmative vote of one-half of each class of Members.

Any agreement for management of the Association's business or any other contract for services by the Declarant must provide for termination by either party without cause or payment of a termination fee on thirty (30) days or less written notice and a maximum contract term of three (3) years.

The maximum annual assessment may be changed as follows:

A. From and after January 1, 1988, the maximum annual assessment may be increased each year not more than ten percent (10%) above the maximum assessment for the previous year without a vote of the Membership.

B. From and after January 1, 1988, the maximum annual assessment may be increased above ten percent (10%) by a vote of one-half (1/2) of each class of Members who are voting in person or by proxy, at a meeting duly called for this purpose.

C. The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. Upon vote of the Members of the Association in the manner hereinafter set forth, the Association may levy in addition to annual assessments a special assessment in any calendar year applicable to that year only, for the purpose of defraying in whole or in part the costs of construction or reconstruction or expected repair or replacement of a described capital improvement upon the Common Area or Green Area, including necessary fixtures and personal property related thereto, provided that, any such assessment shall have the assent of sixty percent (60%) of the votes of each class of Members who are voting in person, or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting setting forth the purpose of the meeting. The assessment ratio for any lot, as determined pursuant to Section 3, shall be applicable to special assessment.

Section 5. Voting and Notices for Special Assessment and Change of Maximum Assessment. Written notice of any meeting of Members called to change the maximum annual assessment or to levy a special assessment shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the date of such meeting, setting forth the purpose of the meeting.

Section 6. Quorum Requirements Applicable Under Section 4 and 5. The quorum required for any action authorized in Section 4 and 5 of this Article VI shall be as follows:

At the first meeting called, as provided in Section 4 and 5 hereof, the presence at the meeting of Members, or of proxies entitled to cast sixty percent (60%) of all votes of each class of Membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in Sections 4 and 5 and the required quorum at such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessment. The initial annual assessments shall commence on the first day of such month as

determined by the Board of Directors of the Association, shall be made for the balance of the calendar year, and shall be due and payable on the date fixed by the Board. Annual assessments for any year after the first year shall become due and payable on or before February 1 of such year, and at the Board's discretion may be collected on a monthly basis.

The amount of the initial annual assessment for the first year in which assessments are made or for any property which becomes subject to assessments for the first time shall be prorated on a calendar year basis according to the date on which property first became subject to assessment.

The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

Section 8. Duty of the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

Section 9. The Effect of Non-payment of Assessments; Lien of Association. If an assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $20.00 and the assessment shall bear interest at the rate of ten percent (10%) per annum from such due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish a lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such Lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Common and Green Areas, specifying and itemizing the maintenance and repair expenses of the Common Areas and Green Areas and any other expenses incurred. Such records and the vouchers authorizing the

payments shall be available on request for examination by the Owners and others with an interest such as encumbrancers or prospective lenders.

Section 12. Protection of Mortgagees. First mortgagees of Lots may pay taxes or other charges or assessments which are in default and which may become a lien against the Common or Green Areas and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Common and Green Areas and the first mortgagees making such payments shall be owed immediately reimbursement therefore from the Association.

Declarant for each Lot owned by it within the Properties hereby covenants, and each Owner of any Lot by acceptance of the deed therefor, whether or not it shall be so expressed in acceptance of the deed therefor, shall be deemed to covenant and agree to pay to the Association annual assessments and special assessments for capital improvements. Such assessments shall be fixed, established and collected from time to time as hereinafter provided. The annual and special assessments, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall be a continuing lien upon the property against which each such assessment is made from the date hereinafter set forth. Each such assessment, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall also be a personal obligation of the person who is the Owner of such property at the time when the assessment fell due. Such personal obligation shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, enjoyment and welfare of the residents in the Properties and in particular for the improvements and maintenance of property, services and facilities devoted to the purpose and related to the use and enjoyment of homes situated upon the Properties and any other purpose reasonable, necessary or incidental to such purposes.

Section 3. Basis of Annual Assessment. The Association shall maintain an adequate reserve fund out of the annual assessments rather than by period assessment for the maintenance, repair and replacement of those elements of the Common Area and Green Areas that must be replaced on a periodic basis. The Board of Directors of the Association may after consideration of the current maintenance costs and the financial requirements of the Association fix the annual actual assessment at an amount less than the maximum. Such reserve fund shall not be used to construct or establish new capital improvements without an affirmative vote of one-half of each class of Members.

Any agreement for management of the Associations's business or any other contract for services by the Declarant must provide for termination by either party without cause or payment of a termination fee on thirty (30) days or less written notice and a maximum contract term of three (3) years.

The maximum annual assessment may be changed as follows:

A. From and after January 1, 1988, the maximum annual assessment may be increased each year not more than ten percent (10%) above the maximum assessment for the previous year without a vote of the Membership.

B. From and after January 1, 1988, the maximum annual assessment may be increased above ten percent (10%) by a vote of one-half (1/2) of each class of Members who are voting in person or by proxy, at a meeting duly called for this purpose.

C. The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. Upon vote of the Members of the Association in the manner hereinafter set forth, the Association may levy in addition to annual assessments a special assessment in any calendar year applicable to that year only, for the purpose of defraying in whole or in part the costs of construction or reconstruction or expected repair or replacement of a described capital improvement upon the Common Area or Green Area, including necessary fixtures and personal property related thereto, provided that, any such assessment shall have the assent of sixty percent (60%) of the votes of each class of Members who are voting in person, or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than thirty (30) days nor more that sixty (60) days in advance of the meeting setting forth the purpose of the meeting. Section 5. Voting and Notices for Special Assessment and Change of Maximum Assessment. Written notice of any meeting of Members called to change the maximum annual assessment or to levy a special assessment shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the date of such meeting, setting forth the purpose of the meeting.

Section 6. Quorum for Action Authorized Under Section 4 and 5. The quorum required for any action authorized in Section 4 and 5 of this Article VI shall be as follows:

At the first meeting called, as provided in Section 4 and 5 hereof, the presence at the meeting of Members, or of proxies entitled to cast sixty percent (60%) of all votes of each class of Membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in Sections 4 and 5 and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

U 86598 1108

determined by the Board of Directors of the Association, shall be made for the balance of the calendar year, and shall be due and payable on the date fixed by the Board. Annual assessments for any year after the first year shall become due and payable on or before February 1 of such year, and at the Board's discretion may be collected on a monthly basis.

The amount of the initial annual assessment for the first year in which assessments are made or for any property which becomes subject to assessments for the first time shall be prorated on a calendar year basis according to the date on which property first became subject to assessment.

The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

Section 8. Duty of the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

Section 9. The Effect of Non-payment of Assessments; Lien of Association. If an assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $20.00 and the assessment shall bear interest at the rate of ten percent (10%) per Annum for such due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such Lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Common and Green Areas, specifying and itemizing the maintenance and repair expenses of the Common Areas and Green Areas and any other expenses incurred. Such records and the vouchers authorizing the

H 8659 1109

Section 12. Protection of Mortgagees. First mortgagees of Lots may pay taxes or other charges or assessments which are in default and which may become a lien against the Common or Green Areas and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Common and Green Areas and the first mortgagees making such payments shall be owed immediately reimbursement therefore from the Association.

C. The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. Upon vote of the Members of the Association in the manner hereinafter set forth, the Association may levy in addition to annual assessments a special assessment in any calendar year applicable to that year only, for the purpose of defraying in whole or in part the costs of construction or reconstruction or expected repair or replacement of a described capital improvement upon the Common Area or Green Area, including necessary fixtures and personal property related thereto, provided that, any such assessment shall have the assent of sixty percent (60%) of the votes of each class of Members who are voting in person, or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than thirty (30) days nor more that sixty (60) days in advance of the meeting setting forth the purpose of the meeting. The assessment ratio for any lot, as determined pursuant to Section 3, shall be applicable to special assessment.

Section 5. Voting and Notices for Special Assessment and Change of Maximum Assessment. Written notice of any meeting of Members called to change the maximum annual assessment or to levy a special assessment shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the date of such meeting, setting forth the purpose of the meeting.

Section 6. Quorum for Action Authorized Under Section 4 and 5. The quorum required for any action authorized in Section 4 and 5 of this Article VI shall be as follows:

At the first meeting called, as provided in Section 4 and 5 hereof, the presence at the meeting of Members, or of proxies entitled to cast sixty percent (60%) of all votes of each class of Membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in Sections 4 and 5 and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

H 865901052

determined by the Board of Directors of the Association, shall be made for the balance of the calendar year, and shall be due and payable on the date fixed by the Board. Annual assessments for any year after the first year shall become due and payable on or before February 1 of such year, and at the Board's discretion may be collected on a monthly basis.

The amount of the initial annual assessment for the first year in which assessments are made or for any property which becomes subject to assessments for the first time shall be prorated on a calendar year basis according to the date on which property first became subject to assessment.

The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

Section 8. Duty of the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

Section 9. The Effect of Non-payment of Assessments; Lien of Association. If an assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $20.00 and the assessment shall bear interest at the rate of ten percent (10%) per annum for such due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such Lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Common and Green Areas, specifying and itemizing the maintenance and repair expenses of the Common Areas and Green Areas and any other expenses incurred. First mortgagees of Lots may pay taxes or other charges or assessments which are in default and which may become a lien against the Common or Green Areas and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Common and Green Areas and the first mortgagees making such payments shall be owed immediately reimbursement therefore from the Association.

Section 1. Creation of the Lien and Personal Obligation of Assessment. Declarant for each Lot owned by it within the Properties hereby covenants, and each Owner of any Lot by acceptance of the deed therefor, whether or not it shall be so expressed in acceptance of the deed therefor, shall be deemed to covenant and agree to pay to the Association annual assessments and special assessments for capital improvements. Such assessments shall be fixed, established and collected from time to time as hereinafter provided. The annual and special assessments, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall be a continuing lien upon the property against which each such assessment is made from the date hereinafter set forth. Each such assessment, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall also be a personal obligation of the person who is the Owner of such property at the time when the assessment fell due. Such personal obligation shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, enjoyment and welfare of the residents in the Properties and in particular for the improvements and maintenance of property, services and facilities devoted to the purpose and related to the use and enjoyment of homes situated upon the Properties and any other purpose reasonable, necessary or incidental to such purposes.

The Association shall maintain an adequate reserve fund out of the annual assessments rather than by period assessment for the maintenance, repair and replacement of those elements of the Common Area and Green Areas that must be replaced on a periodic basis. The Board of Directors of the Association may after consideration of the current maintenance costs and the financial requirements of the Association fix the annual actual assessment at an amount less than the maximum. Such reserve fund shall not be used to construct or establish new capital improvements without an affirmative vote of one-half of each class of Members.

Any agreement for management of the Associations's business or any other contract for services by the Declarant must provide for termination by either party without cause or payment of a termination fee on thirty (30) days or less written notice and a maximum contract term of three (3) years.

The maximum annual assessment may be changed as follows:

A. From and after January 1, 1988, the maximum annual assessment may be increased each year not more than ten percent (10%) above the maximum assessment for the previous year without a vote of the Membership.

B. From and after January 1, 1988, the maximum annual assessment may be increased above ten percent (10%) by a vote of one-half (1/2) of each class of Members who are voting in person or by proxy, at a meeting duly called for this purpose.

C. The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. Upon vote of the Members of the Association in the manner hereinafter set forth, the Association may levy in addition to annual assessments a special assessment in any calendar year applicable to that year only, for the purpose of defraying in whole or in part the costs of construction or reconstruction or expected repair or replacement of a described capital improvement upon the Common Area or Green Area, including necessary fixtures and personal property related thereto, provided that, any such assessment shall have the assent of sixty percent (60%) of the votes of each class of Members who are voting in person, or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than thirty (30) days nor more that sixty (60) days in advance of the meeting setting forth the purpose of the meeting. The assessment ratio for any Lot, as determined pursuant to Section 3, shall be applicable to special assessment.

Section 5. Voting and Notices for Special Assessment and Change of Maximum Assessment. Written notice of any meeting of Members called to change the maximum annual assessment or to levy a special assessment shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the date of such meeting, setting forth the purpose of the meeting.

Section 6. Quorum for Action Authorized Under Section 4 and 5. The quorum required for any action authorized in Section 4 and 5 of this Article VI shall be as follows:

At the first meeting called, as provided in Section 4 and 5 hereof, the presence at the meeting of Members, or of proxies entitled to cast sixty percent (60%) of all votes of each class of Membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in Sections 4 and 5 and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessment. The initial annual assessments shall commence on the first day of such month as

R 8659R1084

determined by the Board of Directors of the Association, shall be made for the balance of the calendar year, and shall be due and payable on the date fixed by the Board. Annual assessments for any year after the first year shall become due and payable on or before February 1 of such year, and at the Board's discretion may be collected on a monthly basis.

The amount of the initial annual assessment for the first year in which assessments are made or for any property which becomes subject to assessments for the first time shall be prorated on a calendar year basis according to the date on which property first become subject to assessment.

The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

Section 8. Duty of the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

Section 9. The Effect of Non-payment of Assessments; Lien of Association. If an assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $20.00 and the assessment shall bear interest at the rate of ten percent (10%) per annum for such due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such Lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Common and Green Areas, specifying and itemizing the maintenance and repair expenses of the Common Areas and Green Areas and any other expenses incurred. Section 17. Protection of Mortgagees. All fences on Lots shall be maintained in good repair and in a clean and attractive manner.

ARTICLE IV

MEMBERSHIP AND VOTING RIGHTS IN THE ASSOCIATION

Section 1. Membership. Every person or entity who is a record owner of a fee or undivided fee interest in any Lot which is subject by covenants of record to assessment by the Association, including contract sellers, shall be a Member of the Association. The foregoing is not intended to include persons or entities who hold an interest merely as security for the performance of obligation. Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to assessment by the Association. Ownership of such Lot shall be the sole qualification for Membership. When more than one person holds a Membership interest in any Lot, all such persons shall be Members. The vote for such Lot shall be exercised as they among themselves determine, but in no event shall more than one (1) vote be cast with respect to any Lot.

Section 2. Voting Rights. There shall be two classes of voting Membership.

A. Class A Members will be all those Members other than Southcreek, Inc. Class A Members shall be entitled to one vote for each Lot in which they hold the interest required for Membership by Section 1. When Class B Membership has been coverted to Class A Membership, all Directors of the Association shall be elected by the Class A Members.

B. The Class B Members shall be Southcreek, Inc. or its successors or assigns. Class B Members shall be entitled to four votes for each Lot owned by the Declarant or its successors or assigns, and shall be entitled to elect all Members of the Board of Directors of the Association. Class B Membership may cease and be converted to Class A Membership at the option of the Class B Member, its successors or assigns by its written notice to the Secretary of the Association, and shall cease and be converted to Class A Membership without further act or deed when the total votes outstanding in the Class A Membership equal the total votes outstanding in the Class B Membership.

C. As long as a Class B Membership exists, Associate Memberships in the Association will not be established by the Board of Directors of the Association without an affirmative vote of a majority of the Class A Members of the Association.

D. Should any builder own any lot which is the subject of these restrictions, that builder shall assign his voting rights to the developer. Said voting rights shall be voted as Class A Membership and not Class B Membership.

ARTICLE V

ADMINISTRATION AND MANAGEMENT

The administration of the Properties shall be governed by these covenants, the Articles of Incorporation, By-Laws, and published rules and regulations of the Association. As shown and reserved to Declarant in the Articles of Incorporation and By-Laws for the Association, the designation and appointment of the Board of Directors for the Association may, at Declarant's option, be exercised solely by the Declarant until the Class B Membership terminates.

ARTICLE VI

PROPERTY RIGHTS IN THE COMMON PROPERTIES

Section 1. Extent of Members' Easements. The rights and easements of enjoyment created hereby shall be subject to the following:

A. The right of the Association to limit the number of guests of Members.

B. The rights of the Declarant and of the Association, in accordance with its Articles and By-Laws, to borrow money for the purpose of improving the Green Area and with written consent of the Members entitled to vote seventy-five percent (75%) the votes of each class of Membership to mortgage said Common Areas and Green Areas as security for any such loan.

D. The right of the Association to promulgate and publish rules and regulations which each Member shall strictly comply with.

Section 2. Personal Property for Common Use. The Association may acquire and hold for the use and benefit of all Members of the Association, tangible and intangible personal property and may dispose of the same by sale or otherwise, and the beneficial interest in any such property shall be owned by the Members of the Association and their interest therein shall not be transferable except that the interest of a Member who is an Owner shall be deemed to be transferred upon the transfer of the Member's Lot. A transfer of a Lot shall transfer to the transferee ownership of the transferor's beneficial interest in such personal property without any reference thereto or execution of a bill of sale. Each Owner may use such personal property in accordance with the purpose for which it is intended, without hindering or encroaching upon the lawful rights of the the other Owners. Sale of a Lot under foreclosure shall thereby entitle the purchase thereof to the beneficial interest in the personal property associated with the Lot.

ARTICLE VII

COVENANT FOR MAINTENANCE ASSESSMENT

Section 1. Creation of the Lien and Personal Obligation of Assessment. Declarant for each Lot owned by it within the Properties hereby covenants, and each Owner of any Lot by acceptance of the deed therefor, whether or not it shall be so expressed in acceptance of the deed therefor, shall be deemed to covenant and agree to pay to the Association annual assessments and special assessments for capital improvements. Such assessments shall be fixed, established and collected from time to time as hereinafter provided. The annual and special assessments, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall be a continuing lien upon the property against which each such assessment is made from the date hereinafter set forth. Each such assessment, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall also be a personal obligation of the person who is the Owner of such property at the time when the assessment fell due. Such personal obligation shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, enjoyment and welfare of the residents in the Properties and in particular for the improvements and maintenance of property, services and facilities devoted to the purpose and related to the use and enjoyment of homes situated upon the Properties and any other purpose reasonable, necessary or incidental to such purposes.

Section 3. Basis of Annual Assessment. Unless changed by vote of the Membership, as hereinafter provided, the maximum annual assessment for any Lot owned by Class A Members on which is located in a single family detached dwelling shall be $250.00 per year. The assessment for Lots owned by Class A Members shall be at such assessment ratio as shall be determined by the Board of Directors for that particular development within six (6) months after its annexation to the Properties, having in mind the additional amenities furnished to the particular Lot not otherwise available to the Members. Such assessment ratio shall not thereafter be changed by the Board of Directors without approval of sixty-six percent (66%) of the Members.

The assessments shall be based upon the cash requirements deemed to be such aggregate sums as the Board of Directors of the Association shall from time to time determine is necessary to provide for the payment of all estimated expenses growing out of or connected with the maintenance and operation of the Green Area, which sum may include, but not limited to, any special assessments on the Common or Green Areas, insurance premiums for vandalism and malicious mischief, with endorsements attached, issued in the amount of the maximum replacement value of all of the Common Area improvements; casualty and public liability and other insurance premiums; landscaping and care of grounds; streets, lighting, repairs and renovations of Common Areas and Green Areas, wages, charges for water used by the Association, grounds maintenance, any expenses of providing security and protection for the Owners, legal and accounting fees, management fees,

expenses and liabilities incurred by the Board of Directors under or by reason of this Declaration, the payment of any deficit remaining for a previous period, the creation of a reasonable contingency or other reserve or surplus funds as well as any and all other costs and expenses necessary to carry out the terms and intent of this Declaration. The Association shall maintain an adequate reserve fund out of the annual assessments rather than by period assessment for the maintenance, repair and replacement of those elements of the Common Area and Green Areas that must be replaced on a periodic basis. The Board of Directors of the Association may after consideration of the current maintenance costs and the financial requirements of the Association fix the annual actual assessment at an amount less than the maximum. Such reserve fund shall not be used to construct or establish new capital improvements without an affirmative vote of one-half of each class of Members.

Any agreement for management of the Associations's business or any other contract for services by the Declarant must provide for termination by either party without cause or payment of a termination fee on thirty (30) days or less written notice and a maximum contract term of three (3) years.

The maximum annual assessment may be changed as follows:

A. From and after January 1, 1988, the maximum annual assessment may be increased each year not more than ten percent (10%) above the maximum assessment for the previous year without a vote of the Membership.

B. From and after January 1, 1988, the maximum annual assessment may be increased above ten percent (10%) by a vote of one-half (1/2) of each class of Members who are voting in person or by proxy, at a meeting duly called for this purpose.

C. The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. Upon vote of the Members of the Association in the manner hereinafter set forth, the Association may levy in addition to annual assessments a special assessment in any calendar year applicable to that year only, for the purpose of defraying in whole or in part the costs of construction or reconstruction or expected repair or replacement of a described capital improvement upon the Common Area or Green Area, including necessary fixtures and personal property related thereto, provided that, any such assessment shall have the assent of sixty percent (60%) of the votes of each class of Members who are voting in person, or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than thirty (30) days nor more that sixty (60) days in advance of the meeting setting forth the purpose of the meeting. The assessment ratio for any lot, as determined pursuant to Section 3, shall be applicable to special assessment.

Section 5. Voting and Notices for Special Assessment and Change of Maximum Assessment. Written notice of any meeting of Members called to change the maximum annual assessment or to levy a special assessment shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the date of such meeting, setting forth the purpose of the meeting.

Section 6. Quorum for Action Authorized Under Section 4 and 5. The quorum required for any action authorized in Section 4 and 5 of this Article VI shall be as follows:

At the first meeting called, as provided in Section 4 and 5 hereof, the presence at the meeting of Members, or of proxies entitled to cast sixty percent (60%) of all votes of each class of Membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in Sections 4 and 5 and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessment. The initial annual assessments shall commence on the first day of such month as

determined by the Board of Directors of the Association, shall be made for the balance of the calendar year, and shall be due and payable on the date fixed by the Board. Annual assessments for any year after the first year shall become due and payable on or before February 1 of such year, and at the Board's discretion may be collected on a monthly basis.

The amount of the initial annual assessment for the first year in which assessments are made or for any property which becomes subject to assessments for the first time shall be prorated on a calendar year basis according to the date on which property first became subject to assessment.

The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

Section 8. Duty of the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

Section 9. The Effect of Non-payment of Assessments; Lien of Association. If an assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $20.00 and the assessment shall bear interest at the rate of ten percent (10%) per annum for such due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such Lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Common and Green Areas, specifying and itemizing the maintenance and repair expenses of the Common Areas and Green Areas and any other expenses incurred. Such records and the vouchers authorizing the

payments shall be available on request for examination by the Owners and others with an interest such as encumbrancers or prospective lenders.

Section 12. Protection of Mortgagees. First mortgagees of Lots may pay taxes or other charges or assessments which are in default and which may become a lien against the Common or Green Areas and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Common and Green Areas and the first mortgagees making such payments shall be owed immediately reimbursement therefore from the Association.

IN WITNESS WHEREOF, the undersigned being the Declarant herein has hereunto set its hand and seal as of the day and year first hereinabove set forth.

The foregoing is not intended to include persons or entities who hold an interest merely as security for the performance of obligation. Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to assessment by the Association. Ownership of such Lot shall be the sole qualification for Membership. When more than one person holds a Membership interest in any Lot, all such persons shall be Members. ARTICLE VII

COVENANT FOR MAINTENANCE ASSESSMENT

Section 1. Creation of the Lien and Personal Obligation of Assessment. Declarant for each Lot owned by it within the Properties hereby covenants, and each Owner of any Lot by acceptance of the deed therefor, whether or not it shall be so expressed in acceptance of the deed therefor, shall be deemed to covenant and agree to pay to the Association annual assessments and special assessments for capital improvements. Such personal obligation shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, enjoyment and welfare of the residents in the Properties and in particular for the improvements and maintenance of property, services and facilities devoted to the purpose and related to the use and enjoyment of homes situated upon the Properties and any other purpose reasonable, necessary or incidental to such purposes.

Section 3. Basis of Annual Assessment. Unless changed by vote of the Membership, as hereinafter provided, the maximum annual assessment for any Lot owned by Class A Members on which is located a single family detached dwelling shall be $250.00 per year. The assessment for Lots owned by Class A Members shall be at such assessment ratio as shall be determined by the Board of Directors for that particular development within six (6) months after its annexation to the Properties, having in mind the additional amenities furnished to the particular Lot not otherwise available to the Members. Such assessment ratio shall not thereafter be changed by the Board of Directors without approval of sixty-six percent (66%) of the Members.

The assessments shall be based upon the cash requirements deemed to be such aggregate sums as the Board of Directors of the Association shall from time to time determine is necessary to provide for the payment of all estimated expenses growing out of or connected with the maintenance and operation of the Green Area, which sum may include, but not limited to, any special assessments on the Common or Green Areas, insurance premiums for vandalism and malicious mischief, with endorsements attached, issued in the amount of the maximum replacement value of all of the Common Area improvements; casualty and public liability and other insurance premiums; landscaping and care of grounds; streets, lighting, repairs and renovations of Common Areas and Green Areas, wages, charges for water used by the Association, grounds maintenance, any expenses of providing security and protection for the Owners, legal and accounting fees, management fees,

expenses and liabilities incurred by the Board of Directors under or by reason of this Declaration, the payment of any deficit remaining for a previous period, the creation of a reasonable contingency or other reserve or surplus funds as well as any and all other costs and expenses necessary to carry out the terms and intent of this Declaration. The Association shall maintain an adequate reserve fund out of the annual assessments rather than by period assessment for the maintenance, repair and replacement of those elements of the Common Area and Green Areas that must be replaced on a periodic basis. The Board of Directors of the Association may after consideration of the current maintenance costs and the financial requirements of the Association fix the annual actual assessment at an amount less than the maximum. Such reserve fund shall not be used to construct or establish new capital improvements without an affirmative vote of one-half of each class of Members.

Any agreement for management of the Associations's business or any other contract for services by the Declarant must provide for termination by either party without cause or payment of a termination fee on thirty (30) days or less written notice and a maximum contract term of three (3) years.

The maximum annual assessment may be changed as follows:

A. From and after January 1, 1988, the maximum annual assessment may be increased each year not more than ten percent (10%) above the maximum assessment for the previous year without a vote of the Membership.

B. From and after January 1, 1988, the maximum annual assessment may be increased above ten percent (10%) by a vote of one-half (1/2) of each class of Members who are voting in person or by proxy, at a meeting duly called for this purpose.

C. The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. Upon vote of the Members of the Association in the manner hereinafter set forth, the Association may levy in addition to annual assessments a special assessment in any calendar year applicable to that year only, for the purpose of defraying in whole or in part the costs of construction or reconstruction or expected repair or replacement of a described capital improvement upon the Common Area or Green Area, including necessary fixtures and personal property related thereto, provided that, any such assessment shall have the assent of sixty percent (60%) of the votes of each class of Members who are voting in person, or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than thirty (30) days nor more that sixty (60) days in advance of the meeting setting forth the purpose of the meeting. The assessment ratio for any Lot, as determined pursuant to Section 3, shall be applicable to special assessment.

Section 5. Voting and Notices for Special Assessment and Change of Maximum Assessment. Written notice of any meeting of Members called to change the maximum annual assessment or to levy a special assessment shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the date of such meeting, setting forth the purpose of the meeting.

Section 6. Quorum for Action Authorized Under Section 4 and 5. The quorum required for any action authorized in Section 4 and 5 of this Article VI shall be as follows:

At the first meeting called, as provided in Section 4 and 5 hereof, the presence at the meeting of Members, or of proxies entitled to cast sixty percent (60%) of all votes of each class of Membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in Sections 4 and 5 and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessment. The initial annual assessments shall commence on the first day of such month as

determined by the Board of Directors of the Association, shall be made for the balance of the calendar year, and shall be due and payable on the date fixed by the Board. Annual assessments for any year after the first year shall become due and payable on or before February 1 of such year, and at the Board's discretion may be collected on a monthly basis.

The amount of the initial annual assessment for the first year in which assessments are made or for any property which becomes subject to assessments for the first time shall be prorated on a calendar year basis according to the date on which property first became subject to assessment.

The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

Section 8. Duty of the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

Section 9. The Effect of Non-payment of Assessments; Lien of Association. If an assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $20.00 and the assessment shall bear interest at the rate of ten percent (10%) per annum for such due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such Lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Common and Green Areas, specifying and itemizing the maintenance and repair expenses of the Common Areas and Green Areas and any other expenses incurred. Such records and the vouchers authorizing the

payments shall be available on request for examination by the Owners and others with an interest such as encumbrancers or prospective leaders.

Section 12. Protection of Mortgagees. First mortgagees of Lots may pay taxes or other charges or assessments which are in default and which may become a lien against the Common or Green Areas and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Common and Green Areas and the first mortgagees making such payments shall be owed immediately reimbursement therefore from the Association.

IN WITNESS WHEREOF, the undersigned being the Declarant herein has hereunto set its hand and seal as of the day and year first hereinabove set forth.

All fences on Lots shall be maintained in good repair and in a clean and attractive manner.

ARTICLE IV

MEMBERSHIP AND VOTING RIGHTS IN THE ASSOCIATION

VOL 8653 PG 897

Section 1. Membership. Every person or entity who is a record owner of a fee or undivided fee interest in any Lot which is subject by covenants of record to assessment by the Association, including contract sellers, shall be a Member of the Association. The foregoing is not intended to include persons or entities who hold an interest merely as security for the performance of obligation. Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to assessment by the Association. Ownership of such Lot shall be the sole qualification for Membership. When more than one person holds a Membership interest in any Lot, all such persons shall be Members. The vote for such Lot shall be exercised as they among themselves determine, but in no event shall more than one (1) vote be cast with respect to any Lot.

Section 2. Voting Rights. There shall be two classes of voting Membership.

A. Class A Members will be all those Members other than Southcreek, Inc. Class A Members shall be entitled to one vote for each Lot in which they hold the interest required for Membership by Section 1. When Class B Membership has been converted to Class A Membership, all Directors of the Association shall be elected by the Class A Members.

B. The Class B Members shall be Southcreek, Inc. or its successors or assigns. Class B Members shall be entitled to four votes for each Lot owned by the Declarant or its successors or assigns, and shall be entitled to elect all Members of the Board of Directors of the Association. Class B Membership may cease and be converted to Class A Membership at the option of the Class B Member, its successors or assigns by its written notice to the Secretary of the Association, and shall cease and be converted to Class A Membership without further act or deed when the total votes outstanding in the Class A Membership equal the total votes outstanding in the Class B Membership.

C. As long as a Class B Membership exists, Associate Memberships in the Association will not be established by the Board of Directors of the Association without an affirmative vote of a majority of the Class A Members of the Association.

D. Should any builder own any lot which is the subject of these restrictions, that builder shall assign his voting rights to the developer. Said voting rights shall be voted as Class A Membership and not Class B Membership.

ARTICLE V

ADMINISTRATION AND MANAGEMENT

The administration of the Properties shall be governed by these covenants, the Articles of Incorporation, By-Laws, and published rules and regulations of the Association. As shown and reserved to Declarant in the Articles of Incorporation and By-Laws for the Association, the designation and appointment of the Board of Directors for the Association may, at Declarant's option, be exercised solely by the Declarant until the Class B Membership terminates.

The Association may acquire and hold for the use and benefit of all Members of the Association, tangible and intangible personal property and may dispose of the same by sale or otherwise, and the beneficial interest in any such property shall be owned by the Members of the Association and their interest therein shall not be transferable except that the interest of a Member who is an Owner shall be deemed to be transferred upon the transfer of the Member's Lot. A transfer of a Lot shall transfer to the transferee ownership of the transferor's beneficial interest in such personal property without any reference thereto or execution of a bill of sale. Each Owner may use such personal property in accordance with the purpose for which it is intended, without hindering or encroaching upon the lawful rights of the the other Owners. Sale of a Lot under foreclosure shall thereby entitle the purchase thereof to the beneficial interest in the personal property associated with the Lot.

ARTICLE VII

COVENANT FOR MAINTENANCE ASSESSMENT

Section 1. Creation of the Lien and Personal Obligation of Assessment. Declarant for each Lot owned by it within the Properties hereby covenants, and each Owner of any Lot by acceptance of the deed therefor, whether or not it shall be so expressed in acceptance of the deed therefor, shall be deemed to covenant and agree to pay to the Association annual assessments and special assessments for capital improvements. Such assessments shall be fixed, established and collected from time to time as hereinafter provided. The annual and special assessments, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall be a continuing lien upon the property against which each such assessment is made from the date hereinafter set forth. Each such assessment, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall also be a personal obligation of the person who is the Owner of such property at the time when the assessment fell due. Such personal obligation shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, enjoyment and welfare of the residents in the Properties and in particular for the improvements and maintenance of property, services and facilities devoted to the purpose and related to the use and enjoyment of homes situated upon the Properties and any other purpose reasonable, necessary or incidental to such purposes.

Section 3. Basis of Annual Assessment. Unless changed by vote of the Membership, as hereinafter provided, the maximum annual assessment for any Lot owned by Class A Members on which is located in a single family detached dwelling shall be $250.00 per year. The assessment for lots owned by Class A Members shall be at such assessment ratio as shall be determined by the Board of Directors for that particular development within six (6) months after its annexation to the Properties, having in mind the additional amenities furnished to the particular Lot not otherwise available to the Members. Such assessment ratio shall not thereafter be changed by the Board of Directors without approval of sixty-six percent (66%) of the Members.

The assessments shall be based upon the cash requirements deemed to be such aggregate sums as the Board of Directors of the Association shall from time to time determine is necessary to provide for the payment of all estimated expenses growing out of or connected with the maintenance and operation of the Green Area, which sum may include, but not limited to, any special assessments on the Common or Green Areas, insurance premiums for vandalism and malicious mischief, with endorsements attached, issued in the amount of the maximum replacement value of all of the Common Area improvements; casualty and public liability and other insurance premiums; landscaping and care of grounds; streets, lighting, repairs and renovations of Common Areas and Green Areas, wages, charges for water used by the Association, grounds maintenance, any expenses of providing security and protection for the Owners, legal and accounting fees, management fees,

expenses and liabilities incurred by the Board of Directors under or by reason of this Declaration, the payment of any deficit remaining for a previous period, the creation of a reasonable contingency or other reserve or surplus funds as well as any and all other costs and expenses necessary to carry out the terms and intent of this Declaration. The Association shall maintain an adequate reserve fund out of the annual assessments rather than by period assessment for the maintenance, repair and replacement of those elements of the Common Area and Green Areas that must be replaced on a periodic basis. The Board of Directors of the Association may after consideration of the current maintenance costs and the financial requirements of the Association fix the annual actual assessment at an amount less than the maximum. Such reserve fund shall not be used to construct or establish new capital improvements without an affirmative vote of one-half of each class of Members.

Any agreement for management of the Associations's business or any other contract for services by the Declarant must provide for termination by either party without cause or payment of a termination fee on thirty (30) days or less written notice and a maximum contract term of three (3) years.

The maximum annual assessment may be changed as follows:

A. From and after January 1, 1988, the maximum annual assessment may be increased each year not more than ten percent (10%) above the maximum assessment for the previous year without a vote of the Membership.

B. From and after January 1, 1988, the maximum annual assessment may be increased above ten percent (10%) by a vote of one-half (1/2) of each class of Members who are voting in person or by proxy, at a meeting duly called for this purpose.

C. The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments For Capital Improvements. Upon vote of the Members of the Association in the manner hereinafter set forth, the Association may levy in addition to annual assessments a special assessment in any calendar year applicable to that year only, for the purpose of defraying in whole or in part the costs of construction or reconstruction or expected repair or replacement of a described capital improvement upon the Common Area or Green Area, including necessary fixtures and personal property related thereto, provided that, any such assessment shall have the assent of sixty percent (60%) of the votes of each class of Members who are voting in person, or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than thirty (30) days nor more that sixty (60) days in advance of the meeting setting forth the purpose of the meeting. The assessment ratio for any Lot, as determined pursuant to Section 3, shall be applicable to special assessments.

Section 5. Voting and Notices for Special Assessment and Change of Maximum Assessment. Written notice of any meeting of Members called to change the maximum annual assessment or to levy a special assessment shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the date of such meeting, setting forth the purpose of the meeting.

Section 6. Quorum for Action Authorized Under Section 4 and 5. The quorum required for any action authorized in Section 4 and 5 of this Article VI shall be as follows:

At the first meeting called, as provided in Section 4 and 5 hereof, the presence at the meeting of Members, or of proxies entitled to cast sixty percent (60%) of all votes of each class of Membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in Sections 4 and 5 and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessment. The initial annual assessments shall commence on the first day of such month as

VL 6659 PG 900

determined by the Board of Directors of the Association, shall be made for the balance of the calendar year, and shall be due and payable on the date fixed by the Board. Annual assessments for any year after the first year shall become due and payable on or before February 1 of such year, and at the Board's discretion may be collected on a monthly basis.

The amount of the initial annual assessment for the first year in which assessments are made or for any property which becomes subject to assessments for the first time shall be prorated on a calendar year basis according to the date on which property first became subject to assessment.

The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

Section 8. Duty of the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

Section 9. The Effect of Non-payment of Assessments; Lien of Association. If an assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $20.00 and the assessment shall bear interest at the rate of ten percent (10%) per annum for such due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such Lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Common and Green Areas, specifying and itemizing the maintenance and repair expenses of the Common Areas and Green Areas and any other expenses incurred. Such records and the vouchers authorizing the

VOL 8659 PG 901

payments shall be available on request for examination by the Owners and others with an interest such as encumbrancers or prospective lenders.

Section 12. Protection of Mortgagees. First mortgagees of Lots may pay taxes or other charges or assessments which are in default and which may become a lien against the Common or Green Areas and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Common and Green Areas and the first mortgagees making such payments shall be owed immediately reimbursement therefore from the Association.

Section 1. Membership. Every person or entity who is a record owner of a fee or undivided fee interest in any Lot which is subject by covenants of record to assessment by the Association, including contract sellers, shall be a Member of the Association. The foregoing is not intended to include persons or entities who hold an interest merely as security for the performance of obligation. Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to assessment by the Association. Ownership of such Lot shall be the sole qualification for Membership. When more than one person holds a Membership interest in any Lot, all such persons shall be Members. Class B Membership may cease and be converted to Class A Membership at the option of the Class B Member, its successors or assigns by its written notice to the Secretary of the Association, and shall cease and be converted to Class A Membership without further act or deed when the total votes outstanding in the Class A Membership equal the total votes outstanding in the Class B Membership.

C. As long as a Class B Membership exists, Associate Memberships in the Association will not be established by the Board of Directors of the Association without an affirmative vote of a majority of the Class A Members of the Association.

D. Should any builder own any lot which is the subject of these restrictions, that builder shall assign his voting rights to the developer. Said voting rights shall be voted as Class A Membership and not Class B Membership.

ARTICLE V

ADMINISTRATION AND MANAGEMENT

The administration of the Properties shall be governed by these covenants, the Articles of Incorporation, By-Laws, and published rules and regulations of the Association. A transfer of a Lot shall transfer to the transferee ownership of the transferor's beneficial interest in such personal property without any reference thereto or execution of a bill of sale. Each Owner may use such personal property in accordance with the purpose for which it is intended, without hindering or encroaching upon the lawful rights of the the other Owners. Sale of a Lot under foreclosure shall thereby entitle the purchase thereof to the beneficial interest in the personal property associated with the Lot.

ARTICLE VII

COVENANT FOR MAINTENANCE ASSESSMENT

Section 1. Creation of the Lien and Personal Obligation of Assessment. Declarant for each Lot owned by it within the Properties hereby covenants, and each Owner of any Lot by acceptance of the deed therefor, whether or not it shall be so expressed in acceptance of the deed therefor, shall be deemed to covenant and agree to pay to the Association annual assessments and special assessments for capital improvements. Such assessments shall be fixed, established and collected from time to time as hereinafter provided. The annual and special assessments, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall be a continuing lien upon the property against which each such assessment is made from the date hereinafter set forth. Each such assessment, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall also be a personal obligation of the person who is the Owner of such property at the time when the assessment fell due. Such personal obligation shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, enjoyment and welfare of the residents in the Properties and in particular for the improvements and maintenance of property, services and facilities devoted to the purpose and related to the use and enjoyment of homes situated upon the Properties and any other purpose reasonable, necessary or incidental to such purposes.

Section 3. Basis of Annual Assessment. Unless changed by vote of the Membership, as hereinafter provided, the maximum annual assessment for any Lot owned by Class A Members on which is located a single family detached dwelling shall be $250.00 per year. The assessment for Lots owned by Class A Members shall be at such assessment ratio as shall be determined by the Board of Directors for that particular development within six (6) months after its annexation to the Properties, having in mind the additional amenities furnished to the particular Lot not otherwise available to the Members. Such assessment ratio shall not thereafter be changed by the Board of Directors without approval of sixty-six percent (66%) of the Members.

The assessments shall be based upon the cash requirements deemed to be such aggregate sums as the Board of Directors of the Association shall from time to time determine is necessary to provide for the payment of all estimated expenses growing out of or connected with the maintenance and operation of the Green Area, which sum may include, but not limited to, any special assessments on the Common or Green Areas, insurance premiums for vandalism and malicious mischief, with endorsements attached, issued in the amount of the maximum replacement value of all of the Common Area improvements; casualty and public liability and other insurance premiums; landscaping and care of grounds; streets, lighting, repairs and renovations of Common Areas and Green Areas, wages, charges for water used by the Association, grounds maintenance, any expenses of providing security and protection for the Owners, legal and accounting fees, management fees,

The Association shall maintain an adequate reserve fund out of the annual assessments rather than by period assessment for the maintenance, repair and replacement of those elements of the Common Area and Green Areas that must be replaced on a periodic basis. The Board of Directors of the Association may after consideration of the current maintenance costs and the financial requirements of the Association fix the annual actual assessment at an amount less than the maximum. Such reserve fund shall not be used to construct or establish new capital improvements without an affirmative vote of one-half of each class of Members.

Any agreement for management of the Associations's business or any other contract for services by the Declarant must provide for termination by either party without cause or payment of a termination fee on thirty (30) days or less written notice and a maximum contract term of three (3) years.

The maximum annual assessment may be changed as follows:

A. From and after January 1, 1988, the maximum annual assessment may be increased each year not more than ten percent (10%) above the maximum assessment for the previous year without a vote of the Membership.

B. From and after January 1, 1988, the maximum annual assessment may be increased above ten percent (10%) by a vote of one-half (1/2) of each class of Members who are voting in person or by proxy, at a meeting duly called for this purpose.

C. The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. Upon vote of the Members of the Association in the manner hereinafter set forth, the Association may levy in addition to annual assessments a special assessment in any calendar year applicable to that year only, for the purpose of defraying in whole or in part the costs of construction or reconstruction or expected repair or replacement of a described capital improvement upon the Common Area or Green Area, including necessary fixtures and personal property related thereto, provided that, any such assessment shall have the assent of sixty percent (60%) of the votes of each class of Members who are voting in person, or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting setting forth the purpose of the meeting. The assessment ratio for any Lot, as determined pursuant to Section 3, shall be applicable to special assessment.

Section 5. Voting and Notices for Special Assessment and Change of Maximum Assessment. Written notice of any meeting of Members called to change the maximum annual assessment or to levy a special assessment shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the date of such meeting, setting forth the purpose of the meeting.

Section 6. Quorum for Action Authorized Under Section 4 and 5. The quorum required for any action authorized in Section 4 and 5 of this Article VI shall be as follows:

At the first meeting called, as provided in Section 4 and 5 hereof, the presence at the meeting of Members, or of proxies entitled to cast sixty percent (60%) of all votes of each class of Membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in Sections 4 and 5 and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessment. The initial annual assessments shall commence on the first day of such month as

determined by the Board of Directors of the Association, shall be made for the balance of the calendar year, and shall be due and payable on the date fixed by the Board. Annual assessments for any year after the first year shall become due and payable on or before February 1 of such year, and at the Board's discretion may be collected on a monthly basis.

The amount of the initial annual assessment for the first year in which assessments are made or for any property which becomes subject to assessments for the first time shall be prorated on a calendar year basis according to the date on which property first became subject to assessment.

The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

Section 8. Duty of the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

Section 9. The Effect of Non-payment of Assessments; Lien of Association. If an assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $20.00 and the assessment shall bear interest at the rate of ten percent (10%) per annum for such due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such Lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Common and Green Areas, specifying and itemizing the maintenance and repair expenses of the Common Areas and Green Areas and any other expenses incurred. Such records and the vouchers authorizing the

M 8659C1189

payments shall be available on request for examination by the Owners and others with an interest such as encumbrancers or prospective lenders.

Section 12. Protection of Mortgagees. First mortgagees of Lots may pay taxes or other charges or assessments which are in default and which may become a lien against the Common or Green Areas and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Common and Green Areas and the first mortgagees making such payments shall be owed immediately reimbursement therefore from the Association.

IN WITNESS WHEREOF, the undersigned being the Declarant herein has hereunto set its hand and seal as of the day and year first hereinabove set forth.

C. The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. Upon vote of the Members of the Association in the manner hereinafter set forth, the Association may levy in addition to annual assessments a special assessment in any calendar year applicable to that year only, for the purpose of defraying in whole or in part the costs of construction or reconstruction or expected repair or replacement of a described capital improvement upon the Common Area or Green Area, including necessary fixtures and personal property related thereto, provided that, any such assessment shall have the assent of sixty percent (60%) of the votes of each class of Members who are voting in person, or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than thirty (30) days nor more that sixty (60) days in advance of the meeting setting forth the purpose of the meeting. The assessment ratio for any Lot, as determined pursuant to Section 3, shall be applicable to special assessments.

Section 5. Voting and Notices for Special Assessment and Change of Maximum Assessment. Written notice of any meeting of Members called to change the maximum annual assessment or to levy a special assessment shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the date of such meeting, setting forth the purpose of the meeting.

Section 6. Quorum for Action Authorized Under Section 4 and 5. The quorum required for any action authorized in Section 4 and 5 of this Article VI shall be as follows:

At the first meeting called, as provided in Section 4 and 5 hereof, the presence at the meeting of Members, or of proxies entitled to cast sixty percent (60%) of all votes of each class of Membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in Sections 4 and 5 and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessment. The initial annual assessments shall commence on the first day of such month as

determined by the Board of Directors of the Association, shall be made for the balance of the calendar year, and shall be due and payable on the date fixed by the Board. Annual assessments for any year after the first year shall become due and payable on or before February 1 of such year, and at the Board's discretion may be collected on a monthly basis.

The amount of the initial annual assessment for the first year in which assessments are made or for any property which becomes subject to assessments for the first time shall be prorated on a calendar year basis according to the date on which property first became subject to assessment.

The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

Section 8. Duty of the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot and give the Owner subject thereto written notice of such assessment at least thirty (30) days in advance of the due date of such assessment. The Board shall cause to be prepared a roster of the properties subject to assessments with assessments applicable to each such property and shall keep the roster in the Association office subject to inspection by any Owner.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

Section 9. The Effect of Non-payment of Assessments; Lien of Association. If an assessment is not paid on the due date hereinabove set forth, such assessment shall become delinquent and the Owner shall be liable for a delinquency charge of $20.00 and the assessment shall bear interest at the rate of ten percent (10%) per annum for such due date. The Secretary of the Association shall file in the office of the Tarrant County Clerk and Recorder anytime after such delinquency, a statement of the amount of the delinquent assessments together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest, as set forth above, shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and a reasonable attorney's fee to be fixed by the Court, such costs, disbursements and attorney fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Areas or Green Areas or abandonment of his Lot. The Association shall give notice in writing to the first mortgagee of any Owner who is in default in the payment of any assessment hereunder and who has not cured such default within sixty (60) days after the due date, provided that such first mortgagee has previously given notice in writing to the Association of the existence of such mortgage.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such Lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11. Records of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of the receipts and expenditures affecting the Common and Green Areas, specifying and itemizing the maintenance and repair expenses of the Common Areas and Green Areas and any other expenses incurred. Such records and the vouchers authorizing the

payments shall be available on request for examination by the Owners and others with an interest such as encumbrancers or prospective lenders.

Section 12. Protection of Mortgagees. First mortgagees of Lots may pay taxes or other charges or assessments which are in default and which may become a lien against the Common or Green Areas and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Common and Green Areas and the first mortgagees making such payments shall be owed immediately reimbursement therefore from the Association.

IN WITNESS WHEREOF, the undersigned being the Declarant herein has hereunto set its hand and seal as of the day and year first hereinabove set forth.
