

Association managed fence repair, cleaning and staining

Dear Lost Creek resident,

Absolute Construction is still in the first stage of cleaning and staining the Association managed fence. After being dissatisfied with the completed work, we decided to start over with a new process and material. We apologize if this has caused any frustration amongst the LCR community.

We have contacted all effected homeowners but would like to reiterate that we will need in your back yard to clean and stain the interior of the fence. Most of you have reached out to Absolute Construction and granted permission, but a few have not. If you have not, please call, text or email Ray Gossage at the below listed contact information.

The second stage of the cleaning and staining will start after the completion of stage one on a first come first serve basis. Work should begin in about one month from today's date (01/06/2020). We will be reaching out to all of you approx. one week prior to needed in your back yard.

All time lines are approximate and dependent on weather. For questions or concerns, or complaints, please contact Ray Gossage
