

Lost Creek Ranch

Owners Association, Inc.

Lost Creek Ranch will tentatively open the pools Friday, July 3rd 2020. Due to the current COVID-19 restrictions the following procedures have been put into place.

- 1) I will maintain safe social distance of a minimum of six (6) feet apart for anyone not residing in the same household. I understand that this applied to inside and outside of the pool.
- 2) I will not use the pool if I or a member of my immediate household have a fever, headache, or any other illness, including, but not limited to, COVID-19.
- 3) I will wash my hands often and attempt to avoid close contact with those of other households.
- 4) I will cover my coughs and sneezes.
- 5) I understand that the pool hours of 9am until 8pm will be used. I agree to close the gate behind me anytime I enter or exit. I understand that the gate should remain closed at all times.
- 6) I agree to clean and disinfect any surface I frequently touched at the pool facility. I understand that hand sanitizers and disinfectant wipes will not be provided. I agree to bring these items with me from my home.
- 7) In an effort to allow more residents to use the pool, please limit your pool visit to no more than 3 hours.
- 8) If I bring any guests outside of my household I will make sure they have completed a swimming pool waiver. I will execute a swimming pool waiver for my family making sure that it has been fully filled out (along with the names of each member of the family that will be using the swimming pool). I will ensure that the waiver is signed and is on file with the Association prior to using the pool area.
- 9) I understand that a key card will be needed to enter the swimming pool area. I agree to not give this key card to anyone outside of my household and I will not open the gate for anyone not in my party. I understand that if I do, it will be grounds for suspension from the pool for the rest of the season.
- 10) I understand that these swimming pool guidelines are subject to be modified as needed, at any time, as new information is released in regards to the COVID-19 Pandemic.*
- 11) I understand that the swimming pool may be closed at any future date in accordance with any health announcements made by state, county or city government officials or if the swimming pool occupancy falls to 25%.
- 12) I understand that these guidelines will be self-monitored by homeowners. I agree to report any violations of these guidelines to CMA Management (contact information below). I understand that if I am reported for any of these guidelines, it will be grounds for suspension from the pool for the rest of the season.
- 13) I understand that if these guidelines are not followed and CMA or the Board received a complaint, the pool will be closed for the remainder of the Summer.
- 14) Parents are required to sign on behalf of their minor children (under the age of 18)
