Bicycle Safety Tips

Here are some simple tips to keep you safe on two wheels

- Ride in a straight line, single file.
- Go with the traffic flow. Ride on the right in the same direction as cars.
- Obey all traffic signs and signals.
- Ride with both hands on the handlebars except when signaling a turn or stop.
- Stop and look left-right-left for traffic before entering a street.
- Walk your bike across an intersection.
- Stay alert – use your eyes to look for things that could make you fall, like potholes, cracks, pebbles, or wet leaves.
- Stay alert – use your ears to listen for traffic. Don't wear earphones while riding.
- Watch for parked cars and cars pulling out or into parking spaces or driveways.
- Check your equipment. Make sure your bike tires are properly inflated and that the brakes work.

Don't forget your bicycle helmet.

Wear it flat on your head and buckled!

If you see suspicious activity in your neighborhood call the Fort Worth Police Department at 817-335-4222 or 9-1-1 immediately for crimes in progress.
