Section 1. Use of Land. Only one single family residence and incidental outbuildings shall be constructed or permitted to remain on any lot or plot.

No lot or plot and no residence or outbuilding located thereon shall ever be used for other than a single family residence or purposes incidental thereto.

No garage or outbuilding on any lot or plot shall be used as a residence or living quarters, temporarily or otherwise, except by servants engaged on the premises. No dwelling shall be occupied in any manner at any time prior to completion. The work of constructing the dwelling shall be prosecuted diligently from the commencement thereof until completion.

The foregoing restrictions shall not be construed to prevent the construction on any portion of said lots of a boathouse, bathhouse, or like structure provided that such structure shall correspond in style and architecture to the main dwelling and shall be designed and used exclusively for the convenience of the occupants of the residence theretofore constructed on the lot upon which the same is located.

Location on Lot: The placement of any residence or other structure on a lot should take into consideration the location of future structures so as not to interfere unnecessarily with the aesthetics or view of the lake of neighboring lot owners.

Frontage: Every dwelling erected on any plot shall front on and present a good frontage on the street and every dwelling erected on corner plots shall present good frontage on both streets. Lots adjacent to the lake shall also present good frontage in that direction.

On any lot contiguous to the lake, no garage shall be constructed in such a way that the doors are opening facing the lake. If the Architectural Control Committee, however, shall determine, in its sole discretion, that no residence may suitably constructed upon a

lot otherwise. this prohibition may be waived so that the garage may face the lake or the adjoining side street, if necessary. (See also Article IV, Section 6.)

Section 3. Building Lines. No dwelling, outbuilding or other structure, or any part thereof, shall be erected or maintained on any plot nearer to the adjoining street or streets than the building lines shown on the recorded map. Building lines for front and corner lots are shown on final plats. Any side yard for interior lots shall not be less than five (5) feet and no rear yard shall be less than twenty five (25) feet. Customary architectural appurtenances such as cornices, bay window, spouting and chimneys, may not extend into the side yard more than eighteen (18) inches.

No fence or wall, or other detached structure shall be erected or maintained on any part of any plot closer to the street than the building set-back line from the street.

The location of each building on each lot and the determination of front and side set back lines shall be subject to the approval of the Architectural Control Committee, provided that in every case the set back lines shall be in compliance with the minimum standards set by the City or other applicable governing authority.

Section 4. Dwelling Free Space. No dwelling, including porches, attached garages or greenhouses, but excluding cornices, spoutings, chimneys and purely ornamental projections, shall occupy more than 75% of the width of the plot on which it is erected, such width to be measured along the building line nearest the respective streets on which such plot fronts, except that with written consent of the Architectural Control Committee, the dwelling may occupy as much as 80% of said width of the plot.

Section 5. Signs. No sign or signs shall be displayed to the public view on any Lot except that:

Section 6. Outbuildings. Every outbuilding shall correspond in style and architecture to the dwelling to which it is appurtenant. No outbuildings shall exceed in height the dwelling to which it is appurtenant, without the written consent of the Architectural Control Committee. If any outbuilding or garage is a part of the dwelling or attached thereto by breezeway or otherwise, then it shall be considered as part of said dwelling and shall be so located as to comply with the restrictions and covenants herein contained which relate to dwelling set back and building lines.

Each residential dwelling erected on any Lot shall provide garage space for a minimum of two (2) conventional automobiles. Plans for garages shall be subject to the approval of the Architectural Control Committee.

However, a temporary building or shack for office purposes may be located on a Building Site during the period of time that construction of the permanent residence is underway, but shall be removed within five (5) days after completion of construction. The cause of action and the lien securing the payment of such assessment shall be perfected and collected in the manner prescribed in Article VII, Section 6 hereof for annual assessments.

Section 16. Exterior Maintenance. The Owner shall provide all necessary exterior maintenance for the improvements upon each Lot. If such exterior is not maintained, and failure to maintain causes a detriment to the surrounding homes in the neighborhood of which it is a part, the Association may elect to give notice to the Owner and the actual occupants of such Lot of such failure to maintain. Such notice shall specify in detail the type and nature of the Owner's failure to maintain such exterior. If the needed maintenance is not completed by the Owner or occupant within thirty (30) days, the Association shall have the authority to go onto such Lot for the purpose of repairing and replacing those items and collect from the Owner of said Lot a reasonable sum for repairing and replacing such items, plus interest at a rate per annum which shall be the higher of 1) 15%, or 2) the highest legal rate. The assessment, together with such interest thereon and costs of collection thereof, shall be a charge on the land and shall be a continuing lien upon each Lot against which each such assessment is made. Each such assessment together with such interest thereon and cost of collection thereof, shall also be the continuing personal obligation of the person who was the Owner of such Lot at the time when the assessment occurred. Section 17. Easements Reserved. Section 18. Boathouses, Docks and Boat Ramps. Boathouses and docks constructed in Eagle Mountain Lake, whether floating or fixed, permanent or temporary, which are attached in any manner to the shoreline, the seawall, or any portion of any lot, shall be subject to this Declaration and the owner of any lot so related to a boathouse shall be deemed to have agreed to this specific

covenant, and the Architectural Control Committee shall have the right to review and approve all plans for such structures which shall be subject to the pertinent criteria as hereby established for the lot to which such boathouse is appurtenant, and the Association shall have the right to enforce these restrictions as they relate to such boathouses, irrespective of whether or not they have been approved by the Tarrant County Water Control and Improvement District #1.

Boat and Other Storage: Should be incorporated as part of the garage or otherwise be completely screened from the street or lake.

It shall be permissible for each lot owner to construct a boat ramp on such lot, including the right to breach the seawall for that purpose, provided that plans for such boat ramp shall have been presented to the Architectural Control Committee and permission has been appropriately given. The Board of Directors of the Association, in order to discharge its responsibility for insuring compliance with these covenants and restrictions, shall appoint an Architectural Control Committee. Such Committee shall consist of five members. Dimension V, Inc. shall have the option of designating three of the members of the Committee to be appointed. The Board delegates to such Committee its duties and its power to perform same with respect to these covenants and restrictions. With the exception of the three members designated by Dimension V, board members shall serve a term of three years. The Board members designated by Dimension V, Inc. shall terminate when Dimension V, Inc. shall own less than five (5) lots in the Addition.

Section 2. Duties of the Architectural Control Committee.  
The duties of the Architectural Control Committee shall be to review all plans and specifications for proposed improvements to every Lot in the addition and to examine them as to their conformity with the provisions of the Amended Declaration and the By-Laws and if found satisfactory, to approve same. The committee shall exercise its discretionary authority with reasonableness and with the intention to maintain high quality, orderly and attractive development of the addition.

Section 3. Approval of Plans. No Buildings, fence, wall, including but not limited to the seawall, terrace, deck or other structure shall be commenced, altered, erected or maintained, nor shall any addition, or change or alteration therein be made unless plans and specifications, plot plans and grading plans thereof, showing the location of such building, structure, or improvement or other information concerning the same which is satisfactory to the Association, shall have been submitted to and approved by the Committee and a copy of all such plans, specifications and other written information shall be left with the Committee after approval thereof by it.

The Committee is authorized to request the submission of samples of proposed construction materials or colors of proposed exterior surfaces.

The Committee in review of the plans so submitted shall take into account the following:

- (a) quality of workmanship and material;
- (b) conformity and harmony of external design, color, texture, and height with existing structures;
- (c) location with respect to topography, height and finished grad elevation;
- (d) conformity to requirements of and agreement with the City of Azle, such as sidewalks, etc.
- (e) the other standards set forth within this instrument.

Section 4. Procedure. The committee shall adopt reasonable procedures for their review of the plans and specifications and shall require two complete sets of plans and specifications for any such proposed improvement, one copy of which is to be kept in a file maintained by the Committee for the Committee's use. The Board may, at its discretion, after the expiration of a reasonable period of time after the completion of the proposed improvements, dispose of its copy of such plans and specifications.

The Committee shall act upon the plans and specifications submitted to it within ten (10) working days of the submission of the plans and specifications in their complete form, and failure of

the Committee to so act within a twenty (20) working day period shall constitute approval of the improvements contemplated by the plans and specifications submitted.

Final plans and specifications shall be submitted in duplicate to the Committee for approval or disapproval. At such time as the plans and specifications are approved by the Committee, one copy will be retained by the Committee and the other complete set of plans and specifications shall be marked "Approved" and returned to the Lot Owner. If such plans and specifications are found not to be in compliance with these covenants and restrictions, one set of such plans and specifications shall be marked "Disapproved" and returned to the Lot Owner, accompanied by a reasonable statement of items found not to comply with these covenants and restrictions. One set of such disapproved plans and specifications shall be retained by the Committee. Any modification or change to the approved set of plans and specifications must again be submitted to the Committee for its inspection and approval. The Committee's approval or disapproval as required in these covenants shall be in writing.

## ARTICLE VII

### COVENANTS FOR ASSESSMENTS

Section 1. Creation of Lien and Personal Obligation of Assessments. Each purchaser and owner of any Lot (save and except any Lot owned by Dimension V, Inc., its successors or assigns) by virtue of the conveyance to him, whether acknowledged by provision in such conveyance or not, shall be deemed to have covenanted and agreed to pay to the Association all annual assessments and special assessments as hereinafter provided. Such annual and special assessments, together with interest thereon and cost of collection of same, shall be a charge upon the Lots and shall constitute a lien upon the particular Lot against which each such assessment is made, and shall be a personal obligation of the person or persons who was or were the owner of such property at the time the assessment fell due. Whether or not the Lot is improved by a residence, the full assessment shall be due and payable. No owner

of any lot can exempt the same from the obligation to pay these assessments, by dedication of its use or non-use, by a recorded document or otherwise.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the purpose of promoting the health, safety and welfare of the residents of the Properties, and in particular for the improvement and maintenance of private roadways, entryways, walkways, greenbelt areas, seawall, boat ramps, recreational areas, or other properties, services and enjoyment of the Common Properties including, but not limited to the payment of taxes on the Common Properties and the repair, replacement and additions thereto; the premiums on insurance, hazard and liability; and for paying the cost of labor, equipment required for, and management and supervision of, the Common Properties; for carrying out the duties of the Board of Directors of the Association as set forth herein and in the By-Laws; and for carrying out the purposes of the Association as stated in its Articles of Incorporation.

Section 3. Basis and Amount of Annual Maintenance Assessments. The Board of Directors, at its annual meeting next preceding each January 1st may set the amount of the maximum annual assessments for the following year for each Lot, provided that the maximum annual assessment may not be increased more than five percent (5%) above the maximum annual assessment for the previous year.

The annual assessment shall, in every case, be uniform and the same for each Lot in the addition and the base annual assessment shall be \$18.00 per month per Lot, as determined by the Amendment dated March 26, 1987.

Section 4. Special Assessments. In addition to the annual assessments specified above, the Association may levy at any time a special assessment for the purpose of defraying, in whole or in part, the cost of any construction, repair or replacement of any structure or facility connection with, or capital improvement relating to, the Common Properties, PROVIDED that any such special assessment shall have the assent of a majority of the membership, voting in person or by proxy, at a meeting duly called for that purpose. The affirmative vote required shall be the majority of the votes cast by both Class A and Class B members combined.

Any special assessment by the Association shall specify the due date thereof and a date not less than forty-five (45) days thereafter when such assessment shall be delinquent.

Such special assessments may include, but are not limited to, (1) assessments for taxes and governmental assessments levied on the Common Properties and insurance on the Common Properties (to the extent the Common Properties are insurable); (2) capital, tax and insurance and special individual assessments, together with

such interest thereon and costs of collection thereof as hereinafter provided, shall be a charge on the land and shall be a continuing lien upon each Lot against which each such assessment is made. The cause of action and the lien securing the payment of such assessment shall be perfected and collected in the manner prescribed in Article VI, Section 6 hereof for annual assessments.

Section 5. Date of Commencement of Assessments; Due Dates.

The annual maintenance assessments provided for herein shall commence on the date fixed by the Board of Directors of the Association to be the date of commencement, and, except as hereinafter provided, shall be payable monthly, in advance on the first day of each month thereafter. The First annual maintenance assessments shall be made for the balance of the calendar year in which it is levied. The amount of the annual maintenance assessment which may be levied for the balance remaining in the first year of assessment shall be an amount which bears the same relationship to the annual maintenance assessment provided for in Section 3 hereof as the remaining number of months in that year bear to twelve; provided, however, that if the date of commencement falls on other than the first day of a month, the maintenance assessment for such month shall be prorated by the number of days remaining in the month. The first annual maintenance assessment shall be due and payable, in as many equal installments as there are monthly payment dates remaining in the first year, said installment to be due and payable, on said monthly payment dates. The same prorata reduction in the amount of the assessment shall apply to the first annual maintenance assessment levied against any other than the beginning of any assessment period.

The due dates if it is to be paid in installments, of any other assessment or special assessment under Section 4 shall be fixed in the respective resolution authorizing such assessment.

Section 6. Effect of Non-Payment of Assessment; The Personal Obligation of the Owner; the Lien; Remedies of Association.

(a) If any assessment or any part thereof is not paid on the date(s) when due (being the dates specified in Section 5 of this Article), then the unpaid amount of such assessment shall become delinquent and shall, together with such interest thereon and cost of collection thereof as hereinafter provided, thereupon become a continuing lien on the Lot of the non-paying Owner which shall bind such Lot in the hands of Owners, his heirs, executors, devisees, personal representatives and assigns. The Association shall have the right to reject partial payments of an assessment and demand the full payment thereof. The obligation of the then existing Owner to pay such assessment, however, shall remain his personal obligation and shall not be extinguished by transfer of title. The lien for unpaid assessments shall be unaffected by any sale or assignment of a Lot and shall continue in full

force and effect. However, the sale or assignment of any Lot pursuant to mortgage foreclosure or any proceeding in lieu thereof, shall extinguish the lien of such assessments as to payments which become due prior to such sale or assignment. No Owner may waive or otherwise escape liability for the assessment provided herein by non-use of the Common Properties or abandonment of his Lot.

(b) The Association shall give written notification to the holder(s) of the mortgage on the Lot of the non-paying Owner of such Owner's default in paying any assessment when such default has not been cured within thirty (30) days.

(c) Any assessment or part thereof not paid shall become delinquent thirty (30) days after its due date and, further, if not paid within forty (40) days from such delinquency date, the unpaid amount of such assessment shall bear interest from such date of delinquency at the higher annual rate of a) fifteen per cent (15%), or b) highest legal rate, and the Association, through its Board of Directors acting at a regular constituted meeting, shall adopt a resolution declaring such unpaid assessment delinquent and shall, at its election,

(i) cause to be recorded the affidavit of an officer of the Association setting forth the language of the resolution which shall reference the specific property and state the amount of the assessment which is to attach thereto.

(ii) bring an action at law against the Owner or Owners personally obligated to pay the same and undertake the collection of such judgment in such a manner as to the Board of Directors shall seem reasonable; and/or

(iii) foreclose in a judicial proceeding the lien against the property; and

(iv) in the event of (ii) and/or (iii) above, the judgment shall include in addition to the amount of such assessment and the interest accrued thereon, reasonable attorney's fees, together with court costs necessary for the collection of said delinquent amounts.

Section 7. Right of City of Azle. Unless a majority of the Lot Owners and the respective holders of the first mortgage liens on the respective lots owned by the Lot Owners have given their prior written approval, the Association shall not by act or omission seek to abandon its obligations as established by this Declaration. However, in the event:

(a) The Association dissolves and the Common Properties shall not be either (i) dedicated to and accepted by an appropriate public agency, authority or utility to be devoted to purposes as nearly as practicable in the same as those to which such Common Properties were required to be devoted by the Association or (ii) conveyed to another organization or entity, which assumes all obligations imposed hereunder upon the Association to maintain said Common Properties; and

(b) The Association, its successors or assigns, shall fail or refuse to adequately maintain the appearance and condition of the Common Properties which it is obligated to maintain hereunder, then in either such event, the City of Azle, Texas, shall have the right and may assume the duty of performing all such maintenance obligations of the Association at any time after such dissolution upon given written notice to the Owners or at any time after the expiration of ten (10) days after receipt by the Association, its successors or assigns of written notice specifying in detail the nature and extent of the failure to maintain without such failure being timely remedied, whichever notice shall be reasonable and appropriate by the City of Azle. Upon assuming such maintenance obligations, the City of Azle may collect, when the same shall become due, all assessments, annual or special, levied by the Association pursuant to the provisions hereof for the purpose of repairing, replacing, maintaining or caring for the Common Properties; and, if necessary, enforce the paying of delinquent assessments in the manner set forth herein. In the alternative, upon assuming such maintenance obligation, the City of Azle may levy an assessment upon each Lot, on a prorata basis, for the cost of such maintenance, notwithstanding any other provisions contained in the Declaration, which assessment shall constitute a lien upon the Lot against which easement is made. The right and authority of the City of Azle to maintain the Common Properties shall cease and terminate when the Association, its successors or assigns shall present the City of Azle reasonable and appropriate evidence of its willingness and ability to resume maintenance of the Common Properties. In the event that the City of Azle assumes the duty of performing the maintenance obligations of the Association as provided herein, then the City of Azle, its agents, representatives and employees shall have right of access maintaining, improving and preserving the same.

Section 8. Subordination of the Lien to Mortgagees. The lien of all assessments provided for herein shall be subordinate and inferior to the lien of any bona fide first mortgage or deed of trust now or hereafter placed upon the Lots subject to assessment; provided, however, that such subordination shall apply only to the assessments which have become due and payable prior to a sale, whether public or private, or such property pursuant to the terms

and conditions of any such deed of trust. Such sale shall not relieve such Lots from liability for the amount of any assessments thereafter become due nor from the lien of any such subsequent assessment.

Section 9. Exempt Property. The following property subject to this Declaration shall be exempt from the assessments, charge and lien created herein:

(a) All properties dedicated and accepted by the local public authority and devoted to public use.

(b) All Common Properties as defined in Article I hereof.

(c) All areas unplatted or reserved by the Declaration or the record plat(s) of the Properties.

(d) All Lots owned by Dimension V, Inc., its successors or assigns. In the event Dimension V, Inc. shall sell its lots in bulk for retail, unimproved re-sale, this exemption shall continue as to its assignee.

Section 2. Use of Common Properties. Use of the Common Properties shall be limited to the Owners, their families and accompanied guests.

Section 3. Restricted Action by Owners. No Owner shall permit anything to be done on or in the Common Properties which would violate any applicable public law or zoning ordinance or which will result in the cancellation of or increase of any insurance carried by the Association, or which would be in violation of any law. No waste shall be committed in the Common Properties.

#### ARTICLE IX

##### ENFORCEMENT OF COVENANTS, CONDITIONS AND RESTRICTIONS

Section 1. Duration. These Amended Covenants, Conditions and Restrictions have been adopted pursuant to the provisions of the

original Dedication of the Addition and shall run with and bind the land, and subject to this Amended Declaration, shall inure to the benefit of and be enforceable by the Association and/or the owner of any land subject to this Amended Declaration, their respective legal representative, heirs, successors and assigns, for a term of thirty (30) years from the date that this Amended Declaration is recorded in the Office of the County Clerk of Tarrant County, Texas, after which the said Covenants shall be automatically extended for successive periods of ten (10) years, unless an instrument is signed by the owners in title to 70% of the votes of the Association, and has been recorded in the Deed Records, Tarrant County, Texas, agreeing to abolish the said Covenants, Conditions and Restrictions in whole or in a substantial portion thereof, provided however, that no such agreement to abolish shall be effective unless made and recorded one (1) year in advance of the effective date of such abolishment. The City of Azle, Texas, is specifically authorized to enforce these covenants and restrictions in accordance with (i) Article 212.004 of the Local Government Code of the State of Texas (formerly VATS Article 974a-1), or (ii) other similar state or local laws or ordinances, or (iii) the applicable provisions set forth within this Declaration.

Section 2. Amendments. Notwithstanding Section 1 of this Article, the Covenants, Conditions and Restriction of this Amended Declaration may be further amended and/or changed in part with the consent of 70% of the members, if amended and/or changed during the first thirty (30) year period of this Amended Declaration, and thereafter, with the consent of at least 55% of the members, and in each case such amendment shall be evidenced by a document in writing bearing each of such owners' signatures. All amendments, if any, shall be recorded in the office of the County Clerk of Tarrant County, Texas, and such recorded instrument shall set forth the effective date of the amendment.

Section 3. Enforcement. Enforcement of these Amended Covenants, Conditions and Restrictions shall be by any proceeding at law or in equity against any person or persons violating or attempting to violate them, or to recover damages, or to enforce any lien created by these covenants; and failure by the Association, Trustee, or any Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

### HOMEOWNERS ASSOCIATION

#### Records Production and Copying Policy

WHEREAS, THE Board of Directors (the "Board") of Eagle Mountain Oak Harbor Homeowners' Association, Inc. the "Association") is required to establish a records production and copying policy which shall govern the costs the Association will charge for the compilation, production, and reproduction of information pursuant to Section 209.005 of the Texas Property Code; and

NOW, THEREFORE, IT IS RESOLVED, that the following Records Production and Copying Policy is established by the Board:

1. Every owner of a lot in the Association is entitled to inspect and copy the Associations books and records of the Association, including financial records. An owner, or a person designated by the owner as the owner's agent, attorney, or certified public accountant may inspect records after a written request has been submitted.
2. An owner or owner's authorized representative must submit a written request for access or information by certified mail, with sufficient detail describing the property owners' association's books and records requested, to the mailing address of the association or authorized representative as reflected on the most current management certificate filed under Section 209.004. The request must contain an election either to inspect the books and records before obtaining copies or to have the property owners' association forward copies of the requested books and records.
3. If an inspection is requested, the association, on or before the 10<sup>th</sup> business day after the date the association receives the request, shall send written notice of dates during normal business hours that the owner may inspect the requested books and records to the extent those books and records are in the possession, custody, or control of the association.
4. If copies of identified books and records are requested, the association shall, to the extent those books and records are in the possession, custody, or control of the association, produce the requested books and records for the requesting party on or before the 10<sup>th</sup> business day after the date the association receives the request.
5. If the Association is unable to produce the books or records requested on or before the 10<sup>th</sup> business day after the date the association receives the request, the association will provide to the requestor written notice that:

- a) Informs the requestor that the association is unable to produce the information on or before the 10<sup>th</sup> business day after the date the association received the request; and
  - b) States a date by which the information will be sent or made available for inspection to the requesting party that is not later than the 15<sup>th</sup> business day after the date of the letter provided under this paragraph 5.
6. Any inspection shall take place during normal business hours at a mutually-agreed upon time. All inspections shall take place at the office of the Association's management company or such other location as designated by the Association. The Association may produce all requested books and records in hard copy, electronic, or other format reasonably available to the Association.
7. An owner is responsible for costs related to the compilation, production, and reproduction of the books and records of the Association. Costs shall be the same as all costs under Texas Administrative Code Section 70.3, and are subject to increase in the event T.A.C. Section 70.3 is amended. Any increase in costs provided for in 70.3 of the T.A.C. is hereby incorporated by reference for all purposes as if set forth verbatim. Relevant current costs from T.A.C. 70.3 are below:

a) Copy Charges

- 1) Standard paper copy. The charge for standard paper copies reproduced by means of an office machine copier or a computer printer is \$.10 per page or part of a page. Each side that has recorded information is considered a page.
- 2) Nonstandard copy. The charges in this subsection are to cover the materials onto which information is copied and do not reflect any additional charges, including labor, that may be associated with a particular request. The charges for nonstandard copies are:
  - a. Diskette--\$1.00;
  - b. Magnetic tape—actual cost;
  - c. Data Cartridge—actual cost;
  - d. Tape cartridge—actual cost;
  - e. Rewritable CD (CD-RW)--\$1.00;
  - f. Non-rewritable CD (CD-R)--\$1.00;
  - g. Digital Video disc (DVD)--\$3.00;

- h. JAZ drive—actual cost;
  - i. Other electronic media—actual cost;
  - j. VHS video cassette--\$2.50;
  - k. Audio cassette--\$1.00;
  - l. Oversize paper copy (e.g.: 11 inches by 17 inches, greenbar, bluebar, not including maps and photographs using specialty paper—\$.50;
  - m. Specialty paper (e.g.: Mylar, blueprint, blueline, map, photographics)—actual cost.
- b) Labor charge for locating, compiling, manipulating data, and reproducing information.
- 1) The charge for labor costs incurred in processing a request for information is \$15.00 an hour. The labor charge includes the actual time to locate, compile, manipulate data, and reproduce the requested information. A labor charge shall not be made for complying with a request where the records to be copied are 50 or fewer pages unless the records to be copied are located in a remote storage facility.
  - 2) When confidential information is mixed with public information in the same page, a labor charge may be recovered for time spent to redact, blackout, or otherwise obscure confidential information in order to release the information. A labor charge shall not be made for redacting confidential information for requests of 50 or fewer pages.
- c) Overhead charge
- 1) Whenever any labor charge is applicable to a request, the Association may include in the charges direct and indirect costs, in addition to the specific labor charge. This overhead charge would cover such costs as depreciation of capital assets, rent, maintenance and repair, utilities, and administrative overhead. If the Association chooses to recover such costs, a charge shall be made in accordance with the methodology described in paragraph (3) of this subsection. Although an exact calculation of costs will vary, the use of a standard charge will avoid complication in calculating such costs and will provide uniformity.
  - 2) An overhead charge shall not be made for requests for copies of 50 or fewer pages of standard paper records.

- 3) The overhead charge shall be computed at 20% of the charge made to cover any labor costs associated with a particular request. Example: if one hour of labor is used for a particular request, the formula would be as follows: Labor charge for locating, compiling, and reproducing, \$15.00 x .20 = \$3.00.
- d) Miscellaneous supplies. The actual cost of miscellaneous supplies, such as labels, boxes, and other supplies used to produce the requested information, may be added to the total charge.
- e) Postal and shipping charges. The Association may add any related postal or shipping expenses which are necessary to transmit the reproduced information to the requesting party.
8. The Association may require advance payment of the estimated costs of compilation, production, and reproduction of the requested information. If the estimated costs are lesser or greater than the actual costs, the Association shall submit a final invoice to the owner on or before the 30<sup>th</sup> business day after the date the information is delivered. If the final invoice includes additional amounts due from the owner, the additional amounts, if not reimbursed to the Association before the 30<sup>th</sup> day after the date the invoice is sent to the owner, may be added to the owner's account as an assessment. If the estimated costs exceeded the final invoice amount, the owner is entitled to a refund, and the refund shall be issued to the owner not later than the 30<sup>th</sup> business day after the date the invoice is sent to the owner.

This policy shall supersede and render null and void any and all previously adopted Records Production and Copying policy adopted by the Board.

IT IS FURTHER RESOLVED that this Records Production and Copying Policy is effective on January 1, 2012, to remain in effect until revoked, modified, or amended.

This is to certify that the foregoing Records Production and Copying Policy was adopted by the Board of Directors, in accordance with Section 209.005 of the Texas Property Code.

- B. Assignor has requested from Bank a loan in the amount of ONE HUNDRED THIRTY THOUSAND AND NO/100 DOLLARS (\$130,000.00) (the "Loan"), to make certain improvements to Lots 117 and 118, Block 1, of Oak Harbor Estates, which lots are owned by Assignor.

- C. To additionally secure the Loan, Assignor has agreed to assign to Bank all assessments, both annual and special, made pursuant to the First Declaration and/or the Amended Declaration, all as hereinafter set forth.

**NOW, THEREFORE**, for and in consideration of the premises, and the covenants and agreements contained herein and Ten and No/100 Dollars (\$10.00) and other good and valuable consideration received by Assignor, the receipt and sufficiency of such consideration being hereby acknowledged and confessed, Assignor does hereby **TRANSFER, CONVEY AND ASSIGN** to Bank, as collateral security, all of its right, title and interest in and to all annual and special assessments (collectively, the "Assessments") made or levied against any lots which are subject to the First Declaration and/or the Amended Declaration.

1. **Obligations.**

This Assignment is given to secure (i) payment of that certain Promissory Note of even date herewith, executed on behalf of Assignor, payable to the order of Bank, in the original principal sum of **ONE HUNDRED THIRTY THOUSAND AND NO/100 DOLLARS (\$130,000.00)**, including all renewals, extensions or modifications thereof (collectively, the "Note"), (ii) performance of the obligations of Assignor under that certain Deed of Trust, Security Agreement and Financing Statement of even date herewith to Russ Richardson, Trustee, executed on behalf of Assignor, for the benefit of Bank, and (iii) all other obligations, liabilities and indebtedness of Assignor to Bank, now existing or hereafter arising (the foregoing being collectively referred to herein as the "Obligations").

2. **Use of Assessments.**

Prior to default, so long as no event of default exists hereunder, Assignor may use the Assessments for those purposes permitted by the First Declaration and/or the Amended Declaration. All Assessments shall be collected by Assignor and deposited into an account (the "Account") to be maintained with Bank. Regardless of whether or not a default exists, Bank shall have the right to debit the Account to pay principal and/or interest due on the Note or to pay any of the other Obligations hereby secured. Upon the occurrence of an event of default, Bank shall have the right to offset the Account or any other sums

Assignor hereby represents and warrants to Bank and covenants with Bank as follows:

- (a) The annual assessment is presently TWO HUNDRED SIXTEEN AND NO/100 DOLLARS (\$216.00) per year, per lot. Assignor shall not reduce the annual assessment or the time of its payment without the prior written consent of Bank. Assignor acknowledges that Bank has agreed to fund the Loan in reliance upon the monthly income stream which is generated by the collection of annual assessments on a monthly basis. Assignor represents and warrants to Bank that the level of current monthly assessment collections will be sufficient to service the Loan and pay the maintenance expenses, insurance premiums, taxes and other obligations of Assignor.
- (b) Assignor will use the proceeds of the Loan solely for the purpose of making improvements to Lots 117 and 118, Block 1, Oak Harbor Estates, which are owned by Assignor. No other uses may be made of the Loan proceeds without the prior written consent of Bank. Bank shall have the right to request lien waivers, bills paid affidavits or similar documentation prior to making any advance to insure that no mechanic's or materialmen's liens or claims will exist as against the interest of the Bank.
- (c) Assignor shall use diligent efforts to collect all Assessments and shall, if necessary, institute legal action or lien enforcement proceedings to collect same.
- (d) Assignor shall promptly furnish to Bank from time to time, upon request, such financial information concerning the Assessments and the Assignor as Bank may reasonably request,

Bank shall have the right, but not the obligation, to cure any default by Assignor under its obligations to the lot owners; provided, however, that no such cure by Bank will cure the default by Assignor hereunder. Said electric service limited under this agreement to the aforementioned 37 lots as shown on Exhibit "1", attached hereto and made a part hereof and as recorded in Volume 388-207, Page 92, Plat Records for Tarrant County, Texas.

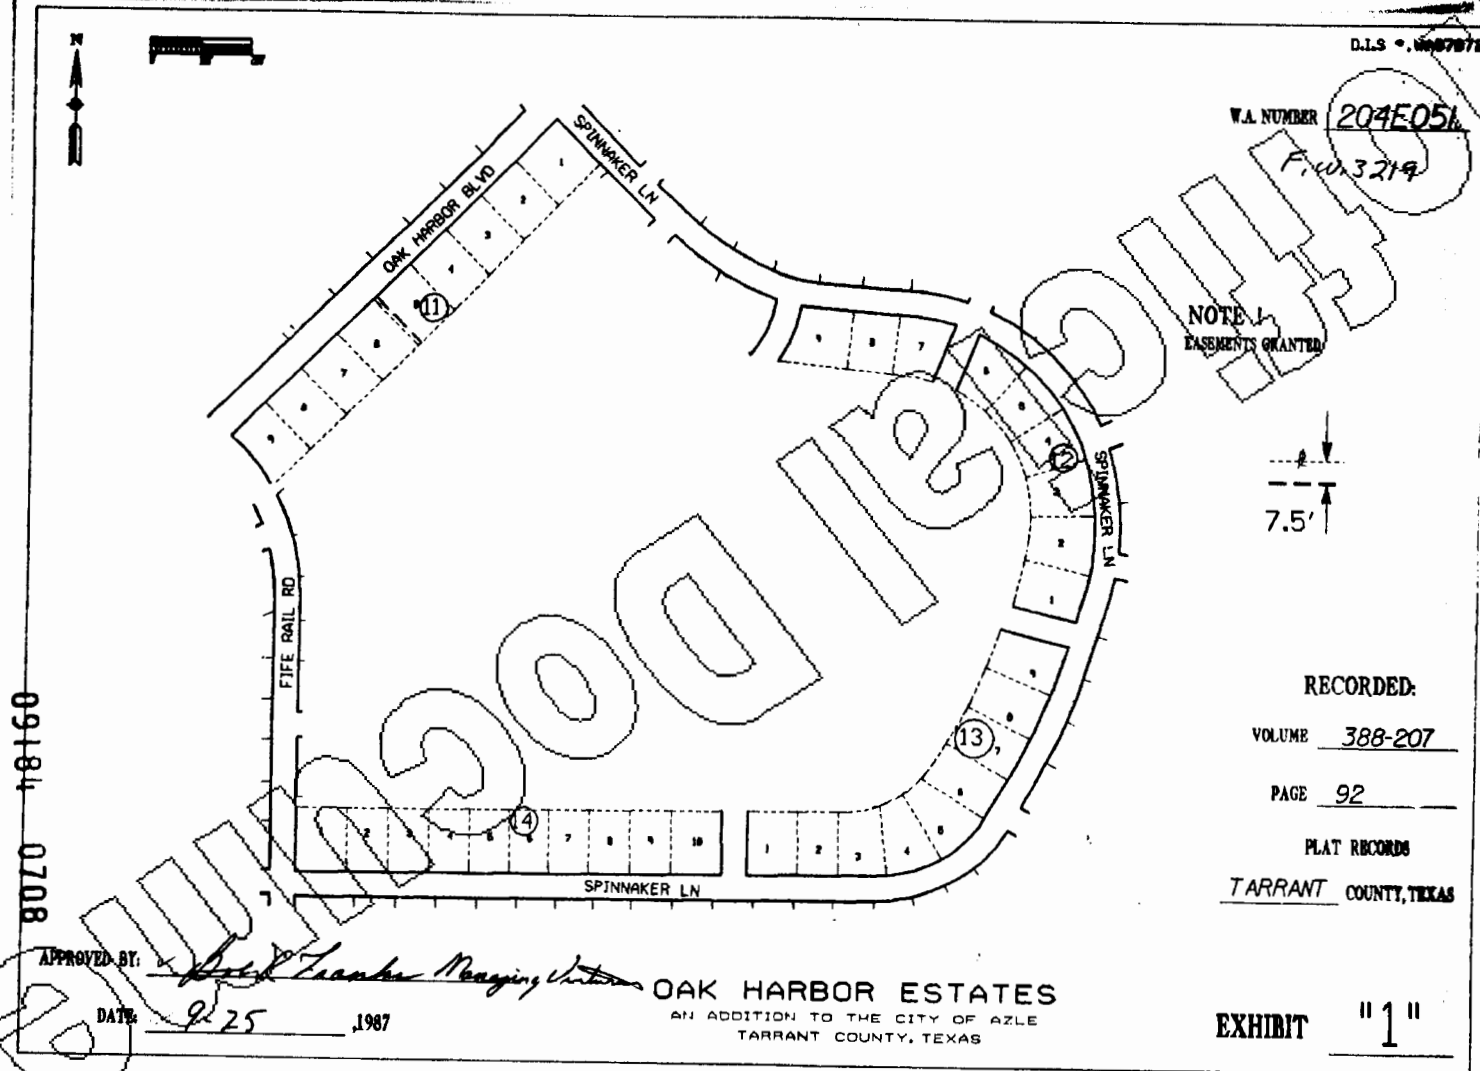

1. Texas Electric Service Company agrees to install, own, operate, and maintain underground electric distribution facilities necessary to provide 120/240 volt, single phase, underground electric service to the property described above and as shown on the sketch marked Exhibit 1, attached hereto and made a part hereof.
2. In consideration of company's agreement to make an investment in underground distribution facilities in lieu of standard overhead distribution facilities, customer agrees to pay company the amount specified above within thirty days after the payment date specified above. Customer understands and agrees that company will not begin construction of said facilities until after payment has been made, and further understands that company, at its option, may terminate this agreement by written notice to customer if payment is not received within said period of time.
3. Company agrees to schedule its material acquisition and construction work to coincide with customer's development of his property insofar as it is reasonably practicable. Company, however, is not liable for loss of injury caused by delay or failure to install the distribution facilities necessary to serve customer because of delay in receiving shipments of required material, orders, or formal requests of governmental agencies, acts of God or the public enemy, inevitable accidents, fire, explosions, strikes, riots, war, or any other causes reasonably beyond control of company.
4. Company at all times has title to, and complete ownership and control of, the underground facilities installed under this agreement and has the right to use such facilities in serving other customers. If and when such facilities are no longer required to provide electric service hereunder, company may at its option either remove or abandon such facilities in whole or in part on customer's premises and leave them in place with title thereto passing to customer.

5. Customer hereby grants to company easements as shown on Exhibit 1, according to the terms and conditions outlined in Exhibit 2, attached hereto and made a part hereof, for the purpose of installing electric distribution facilities and/or street lights, and further agrees to grant to company at no cost, any additional easements which may be required in the future for construction of additional underground distribution facilities and/or street lights. Customer further agrees (1) that company may install above ground transformer and pedestals at points selected by company, (2) to bear all expense associated with the removal, relocation, and replacement of fences, plants, trees, structures, or other objects located in easements specified herein when such removal, relocation, or replacement is required in order for company to operate and maintain its facilities, (3) to include in the instrument covering the conveyance of the land on which such easements are located a provision under which company will have access at any time to any and all of the distribution facilities installed hereunder for the purpose of construction, operation, repair, and maintenance, and (4) to permit company the right to use so much of the lands adjoining such easements as may be reasonably necessary to accommodate needed equipment and machinery to trim or remove trees or other obstructions which are so close to such easements as to interfere with the operation, repair, construction, reconstruction, or maintenance of company's facilities.
6. Customer agrees (1) to inform all other parties having a right to construct underground facilities in said easement as to the location of company's underground electric facilities, (2) to establish final or sub-grade before construction begins, (3) to make no change in the final or sub-grade of the surface within the easement without prior written consent of company, (4) to bear any expense associated with lowering or relocating electric facilities occasioned by changes in grade or sub-grade not requested by company, and (5) that overhead facilities may in the future be constructed adjacent to property covered herein on property not covered by this agreement.
7. Company agrees, as houses are constructed on property covered herein, to install the necessary service laterals to connect such houses to company's underground distribution facilities. Customer hereby grants to company an easement and right-of-way to install, maintain, operate, and remove such service laterals as company deems proper to serve any improvements located on such property. Customer further agrees, upon request of company, to grant such easements at no cost to company according to the terms and conditions outlined in Exhibit 2. Customer also agrees to install at his cost the necessary conduit and insulating conduit bushing, collectively called the raceway, to accommodate the service lateral from a point underground to the terminal box as shown on Exhibit 3, attached hereto and made a part hereof. Said raceway will always be extended by customer a minimum distance of six inches beyond any concrete or paved surface adjacent to the improvement being served and/or in the path of the service lateral, and at a minimum depth of twenty-four inches.
8. This agreement inures to the benefit of and is binding upon the respective heirs, legal representatives, successors, and assigns of customer and company, and is not binding until executed by customer and company.
